The Edson Leader
The Voice of Edson Constituency
and WESTERN WEEKLY SUPPLEMENT
First Section — Edson, Alberta, Thursday, January 3, 1963 — Vol. 11, No. 1

Edson's first '63 baby waits till noon Jan. 1

Edson's first baby of 1963 was born in the St. John's Hospital at noon on the first day of January to Mr. and Mrs. Ronald Basaraba of Edson. The baby sister of the Basaraba's other child weighed 8 lbs. 2 oz. The attending physician was Dr. J. C. Crawford.

Congratulations are going out to the baby and mother and father Basaraba from Edson merchants in the form of gifts and cash vouchers.

Switzer's Rexall Drug will be giving Mom and Dad a $5 merchandise certificate; Brunelle's Food Market Ltd. is giving the baby a case of milk ... whatever brand her doctor prescribes; Tom and Jerry are starting her little feet right and giving Baby Basaraba her first pair of shoes.

So Mom and Dad will always have a record of the day Lund Jewellers are giving baby a sterling silver birth record spoon. Mom and Dad will get the Leader in the mail this year compliments of Edson Leader. Murray's Drug is supplying you with your first assortment of toys from their wide selection; Edson General Supply are giving Mom a hand and giving you a non-slipping plastic tub for those all important baths.

H & N Stores Ltd. are supplying you with a dozen Chix diapers to help keep you dry; Gelmick's Jewellery are giving you a silver cup with your name engraved on it; Superstore do well at Jasper swimmeet; deluge of hail and rain destroys gardens; Paul Gazette injured in Branch accident; Highways Department look into cost of paving 4th Avenue; forest tent caterpillars take wack at poplars.

Waterloo Motors are giving dad $5 worth of gas because they know how expensive babies can be; Mahon Electric is giving mom a baby bottle warmer for warming cans and bottles in a hurry; Embert's Flowers are giving mom and dad a mine or similar universe planter to help make baby's home look pretty. Marshall Wells is giving mommie a $10 merchandise certificate so mom can pick out extra things she'll need to take care of you; Mills Furniture and Appliances are giving you a baby walker so that you can strengthen those little legs and get around faster.

Edson Dry Cleaners are giving mom and dad a $5 dollar cleaning certificate so that mommie and dad can look nice when they take you out.

Mom or dad can pick up the gifts at the above merchants' store any time now and everyone wishes you all the best.

Hopes they are happy

Ken Hatten who parked just off Main Street on Monday afternoon says he wants to extend New Year's greetings to the two guys who tore off his rear view mirrors.

Adds Ken, "Hope they enjoyed themselves — it's one way to end a year!"

SMILING HAPPILY as they are presented with their trophy for winning the Edson Legion spiel before Christmas are members of the Yeomans rink left to right; Jack Bevan, lead; Joe Romanick, second; Kenneth Young, third; and Ted Yeomans, skip. Legion President Harold Gold makes the presentation.

D. K. Yeath to speak here

Mr. D. K. Yeath, Chairman of the Board of Northwestern Utilities, is the special speaker lined up for the next regular meeting of the Edson Chamber of Commerce.

Set for Wednesday, January 16, in the Edson Motor Hotel, the meeting will take the form of a ladies night as it is hoped Mrs. Yeath will accompany the special guest.

Executive members of the Chamber are reminded of an executive meeting scheduled for the Edson Motor Hotel on Sunday afternoon at 3 p.m.

1962 'Good year' in retrospect

Edson during 1962 experienced its share of news as the following headline resume of events in our district will recall. A disaster on the pipeline north of Edson attracted continent, if not world-wide, attention. But district people who died during the year, it was a year of happiness for many though, with births, marriages and other notable personal events. Being the year after Edson's fiftieth anniversary, there seemed to be more than the average number of observances of golden weddings among our citizens. It was also a season of growth in the size of our town and district and employment was higher than in some parts of Canada.

1962 headlines in The Leader recall local activities for the year.

JANUARY

District news pretty well started with the birth of the district's first baby, a daughter, to Mr. and Mrs. Howard Raw of Carrot Creek; the Lee Browns had their home gutted by fire just before the year end; Walter Currie of Mitsue suffered serious accident with power saw; eight men killed in pipeline explosion that saddened the continent; carpentry and other courses set up locally; funeral services held for George Vandenberg, 69.

FEBRUARY

School Trustee J. H. Lawton of Hatchenlaut re-elected to fourth term on School Board; University mixed chorus sings in Edson; deaths reported of two old timers: Mrs. C. Brine in Edmonton and Mrs. L. Stevens in Edson; Mary Lou Wells wins university queen contest in city; Mr. and Mrs. Harry Wadley win ten prizes with their red poll cattle; William Wilson dies in 76th year; funeral held for J. B. Phillips, 80, of Edson; Mrs. Rosalind Roberts, 69, of Shining Bank laid to rest.

MARCH

Funeral services held for late Frank P. Manuel, 62; sewer extension announced for North Road residents; Liberals nominate Jack Shipitski federally; four Pedley kids badly avert rail derailment on CN; Mark Albert gets last cup of coffee as Edson beanery closes; Darleen Iwanczwski crowned Kinsmyths karnival queen; Hinton rinks take Edson ladies 'spiel, community proud of Mrs. Elsie McEvoy in saving youngster's life when he was attacked by a cougar at Hinton; A. S. Maxwell dies in 87th year; new assessment notices bring chimney to the alert, but as year wore on it didn't look too bad; Chas Holway, 78, Provo old timer buried in city; Ernest Kotzler, 78, Pinedale, dies; A. W. Leonard resumed School Board chairman.

APRIL

Pageant cast lavished to perform in Edmonton; Mrs. William Daniels, Edson, passes; Kin Kapers provides home grown entertainment; Dr. Hugh Horner renominated by Tories; J. W. "Yorky" Smith dies; Edson Bantam team provincial zone 3 champs; Simonette to Galloway widening of Highway 16 announced, Bob Marshall again in news with scholarship; Jubilee junior high school tenders let; Dalehaven awarded 2nd Avenue base contract.

MAY

Funeral services held for Edson's oldest resident James W. Jarrell, 100; Chris Nielsen busy with returning officer work at Peers for coming federal election; over six million to be spent on Jasper Park; Mrs. Violet Hammell, formerly of Foothills, dies at Tofield; D. R. Thomas, 79, dies; Mrs. Helen Keglievec dies; Rebecca Galbraith takes top honors in Optimist oratorical contest for zone C; Nels Jensen top fiddler for second year; Golf Club announces 40 acre expansion; beautiful weather for Yellowhead picnic; achievement night held at school; Edson Masonic Lodge observes 50th anniversary; Edson high school graduands honored, Jack Damel, 75, dies.

JUNE

Standing ovation greets cast of "Look Behind You, Neighbor" at Commonwealth conference in city; Edson electors approve reservoir by-law; among distinguished speakers in Edson during election campaign were M. J. Cobbwell, Defence Minister D. S. Harkness and Alberta Liberal Leader Dave Hunter; four federal candidates: Jim Coffey, NDP, Jack Shipitski, Lib., Dr. Hugh Horner, P.C. Chas Yuill, S.C., have campaign wind-up forum at Hinton; Mr. and Mrs. Dick Hilding observe 50th wedding; Mr. and Mrs. A. Stevens married 50 years too; Dr. Hugh Horner returned to Parliament in June 18th vote; Edson Pentecostal Church takes on new look.

JULY

July First sports pretty well rained out; Mr. and Mrs. K. V. Bullock observe 50th anniversary; pre-glacial river bed shows promise of adequate Edson water source; Flying Club activity keynotes district's growth; Edson swimmers do well at Jasper swimmeet; deluge of hail and rain destroys gardens; Paul Gazette injured in Branch accident; Highways Department look into cost of paving 4th Avenue; forest tent caterpillars take wack at poplars.

AUGUST

Thousands crowd into Edson for Rodeo days in spite of heavy rain; H. E. Selden, 67, dies; Ralph Field, 61, dies; Norman A. Tunks, dies Edmonton golfer takes Edson tourney; Edson swimmers do well at Jasper Pines; first class of pilots graduate through auspices of Edson Flying Club; demolition started on condemned CN roundhouse; Mr. and Mrs. A. F. Kileup observe 50th anniversary; former Edsonite Bob McKee killed in air crash in B.C.

SEPTEMBER

Wave of future shows with seven grade one classes registering in Edson elementary schools; MacKay takes over Labor Day ball tourney; David Antonenko and Rodney Anderson, grade 12, win Alberta Hotel bursaries; Chas Wright, 78 dies; Ethbert C. Sparks, 64, dies, Wm. Pate, 69, Peers, dies; natural gas goes into Peers; Mayor W. R. Brunelle returned for two years by acclamation; various bursaries presented by Edson firms at high school ceremony; Andrew Smyth, 68, dies.

OCTOBER

Glenwood not to be outdone by Edson gets moose visitor too; building permits in town include 23 homes in half million construction permits; National Planning Group sample Edson hospitality; Miss Belle Cillie dies at Rosevear; Mrs Tom Bennett wins Lions newspapey bingo; Mrs. Myrtle Lind gree, 68, dies; first overture concert held in district at His-

Continued on page 9

Xmas hamper distribution co-ordinated smoothly

The special committee set up by the Edson Chamber of Commerce to co-ordinate the distribution of Christmas hampers by various organizations in town worked smoothly again this year.

Under the chairmanship of Bert Herring the committee's work to avoid duplication and the missed families that had occurred prior to the committee being set up last year.

A total of 34 hampers were distributed as Christmas cheer to families plus two hampers for the two district families burnt out of their home as the holiday season approached.

Various organizations such as the ladies of the Kinettes and the Opti-Mrs. made up whole hampers, while members of the Knights of Columbus looked after several individuals through their committees.

Pupils at the three elementary schools, the A. H. Dakin, the Red Brick and the Evergreen collected items from the children and the teaching staff. This was a new department and gave dozens a feeling of participating.

Distribution was arranged through the efforts of the staff of the Fish and Wild Life and Department of Municipal Affairs.

While most of the hampers were made up from donations of items some cash was needed and this was provided by the following donors. Mrs. R. C. Gregg $25; Edson Lions Club, $50; Salvation Army, $75; Anonymous organization, $25; Canadian Legion, $25; Worthing Transport, $5; H & N Stores, $5; Kenbel Co., $5; 4 Way Wholesale $5.

A very special thanks from the community goes to Mrs. Tina Hendrick who handled the arrangements for having the donations of articles picked up and also other businessmen in town for their generosity with discounts, etc.

Federal Tories holding meeting

All interested in the affairs of the Jasper-Edson Federal Progressive-Conservative Association are reminded of the annual meeting of the organization this Friday evening.

Scheduled for 8 p.m. in the Parish Hall, Edson, the meeting will elect officers for the new year as well as discuss policy and projects for the year.

On hand as speaker will be Dr. Hugh H. Horner and a cordial invitation to all interested is extended.

Dr. Horner also announces that he will be at the Edson Motor Hotel most of Friday to talk over any problem or matter with constituents of Jasper-Edson.

AROUND TOWN

With IRENE BOCHEK

Mr. Tom Mah, former Edsonite who is now an engineer in Victoria, was in Edson recently for the wedding of Mel Soltys and Elizabeth Cosgrove. Following the wedding Tommy continued eastward to Saskatoon to spend Christmas with his father, Mah Fatu.

☆

Dennis and Karen Pollock both were home for Christmas. Dennis is with the Dept. of Highways in Edmonton, and Karen is a receptionist in a medical clinic in High Prairie.

☆

Mr. Frank Mah with the Star Cafe in Edson spent Christmas with his parents in Nanaimo then continued on to Vancouver for a short holiday.

☆

Misses Jayne and Gwynne Gregg were home for the holidays. Jayne is nursing in Edmonton and Gwynne is teaching at Innisfe.

☆

The Bukavina's enjoyed having their daughters, Constance, Deanna and Mrs. and Mr. L. Chicoa and children, all of Edmonton, home for the holidays.

☆

Mr. and Mrs. Don Deaklin of Wainwright spent Christmas here with Betty's folks, the Alf Martin's.

☆

An after rehearsal party was held for the Congregation's bridal party at the E. T. Deakin home on Friday, December 21st. Mrs. Campbell, grandmother of the bride and several other guests from Edmonton were in attendance. Mel and Elizabeth are making their home in Edmonton where Mel is employed as an insurance agent, and Elizabeth is teaching junior high school at MacKay Avenue School.

☆

Mr. and Mrs. Al Mah journeyed to Edmonton to bring in the new year with Mr. and Mrs. Shik Lee. (former Edsonites).

☆

Rev. and Mrs. Les Halliwell spent part of the holiday season at Rosetown, Sask. with Mrs. Halliwell's parents.

☆

Visitors to the Bolton home were Rev. and Mrs. Armstrong from Peace River.

☆

The McCraws spent Christmas at Lloydminister with their respective parents.

☆

Mr. and Mrs. Raymond Mullins and family of Turner Valley holidayed here with their parents, the Andy McCrys, and the Phillips'.

☆

George Comprave of Denver spent Christmas with his parents the Jack Pattimore's.

☆

The John Leyden household saw many out-of-town guests over the holidays. Among these were sons Ken who is with Burrough's Defense System in Alaska, Sask. and Mr. and Mrs. Bob Leyden of Edmonton; Mr. Leyden's sister Mr. and Mrs. Bronsett of Edmonton; Mrs. Leyden's sister Miss Gloria Dutka, Mr. and Mrs. May, and Mr. and Mrs. Hughes, all of Edmonton.

☆

Mr. and Mrs. Franklin and children sister of Mrs. H. Gilham, from Port St. John, B.C. visited briefly at the Gilham home.

☆

Congratulations to Neil Horne and Lorille Hawkins on their recent engagement!

☆

Mr. and Mrs. Ray Binette and children spent Christmas at Ray's parents in St. Paul. En route they attended the wedding of a nephew at Edmonton.

☆

The Jerry Pehoruns are visiting relatives in Edmonton.

☆

Mr. Floyd Jones of Hinton spent Christmas at his sister's, the Neil Johnsons in Edson.

☆

Mr. and Mrs. Dennis Banack and family motored to Camrose to spend the holidays with their respective parents and other relatives.

☆

Mr. and Mrs. Tom McCrea and boys left on Boxing Day to visit Tom's folks in Calgary. Eileen's mother and brother from Edmonton spent Christmas day here then returned to their home with the McCreas on Wednesday.

☆

Mr. and Mrs. C. W. Skaroe of Swift Current, and their son Jim who is an engineer student at University of Sask. are holidaying at Mrs. Skaroe's sisters, the J. Marlow's.

☆

Home from U of A for the Christmas holidays were Doug and Marlene Wells, Lorna Larson, Hans Klein, Jim Gretzy, Margaret Keyes and friend, Dick Walker, Brian and David Andrews (David attending Calgary Tech.). Dorene Woycitka, Beryl Waier and Susan McCrae.

☆

Mr. and Mrs. H. Alfolter and Mrs. and Mrs. Ed Barbarek and family motored to Edmonton to spend Christmas with Mrs. Margo Alfolter and family. Margo also spent a few days in Edson over the holidays.

☆

Mr. and Mrs. Alex Russell (nee Geraldine Mahon) of Calgary were holidaying at the Gerald Mahon home. They left for Vermilion on Monday, where Alex parents reside.

☆

Linda Mahon of Edmonton is holidaying with Mrs. Al Walker and family. Mr. and Mrs. Al Walker and Kelly, Mr. and Mrs. Gerald Mallet and Wayne, and the Johnny Walker of Jasper spent Christmas at Hinton with the Walker family.

☆

Mr. and Mrs. Wm. Osborn and Lorelle left for Killam on Boxing Day to visit Mrs. Osborn's parents.

☆

Mr. and Mrs. Ted Parnall and two children of Robb visited with the Alf Martin family recently. Mr. Parnall is Mrs. Martin's brother.

☆

Dave Martin, who is taking an electronics course at Calgary Tech is home for the holidays.

☆

Hans and Fred Klein, Brian and David Andrews and Jim Gregg spent a few days at Jasper skiing.

☆

Mrs. Grunberg of Regina is holidaying with her daughter, the V. Brecka's of Edson.

☆

Miss Joan Alfolter of Edmonton is holidaying with her friend Miss Patsy Suboonis, and her grandparents, the H. Alfolters.

☆

A farewell party for Mr. and Mrs. J. Boss was held on Wednesday, December 19th, at the Peter Kuilboer home. Co-hostesses Jeanne and Ann Kuilboer assisted Mrs. Kuilboer serve a delicious lunch to the fifteen guests. During the evening a beautiful TV lamp and a serving plate were presented to Mr. and Mrs. Boss, who have left to make their home in Stony Plain.

☆

Mr. Vic Spurgeon, who is employed in a garage in Cameron, spent Christmas with his folks here in Edson.

☆

A miscellaneous shower was held at Jack Pattimore residence on Thursday, December 27th, in honor of Mrs. Alex Russell (nee Geraldine Mahon). Approximately twenty guests enjoyed an evening of fun and games followed by the presentation of many lovely and useful gifts in a decorated doll carriage.

Hostess Mrs. Pattimore served a delicious lunch to bring the evening to a close.

Bridal shower for Geraldine Mahon

LOOK AGAIN! It's sex kitten Brigitte Bardot! That different look about her is due to a black wig covering her famous blonde tresses. She is one of the latest stars to fall to the wig fashion craze.

TEEN-AGE FAVORITE TOMMY AMBROSE, the young singer with his own CBC-TV show, is now heard frequently on a new CBC radio network program, Countdown. With Al Hashman on host, Countdown is heard every weekday afternoon. It is a fast-paced program tailored for the divergent tastes of modern youth and features news on movie celebrities, the latest "pops" recordings, country and western, and rock and roll hits. Short, terse news commentaries from across the country are supplied by the program's travelling editor, Jed Adams.

TOMORROW'S DINNER

Tomato Puree Soup
Celery Seed Wafers
Corned Beef with Horseradish-Cream-Mustard Sauce
Potatoes-Carrots-Rutabagas and Cabbage
Twin-baked Apples and Pears
Sampling of New-Baked Christmas Cookies
Dribble the Broken Ones!
Coffee Tea Milk

Measurements Level; Recipes for 6s

TWIN-BAKED APPLES AND PEARS

6 small winter pears
6 tart baking apples
½ cup brown sugar
½ cup crumbled cake or cookie crumbs
½ teaspoon ground ginger
1 tablespoon fine-grated orange peel
1 tablespoon butter
3 pint apple juice or cider
2 tablespoons granulated sugar

Core pears and apples almost to bottom.

Fill cored-out space with brown sugar mixed with cake crumbs, ginger and orange peel.

Arrange fruits alternately, almost touching, in baking dish Dot with butter. Pour around apple juice, cover.

Bake 40 minutes in moderate oven, 375 deg. F.

Dust with granulated sugar Continue to bake uncovered until apples are just tender.

Serve warm a whole or half apple and pear to a person, as is, with mandarin orange sections or peaches cream or softened vanilla or butter pecan ice cream

DEVILLED HAM AND EGG CANAPES
IN-A-PIC CANAPES

2 servings unflavored gelatin
2 (79c oz.) cans boil consommé
1 cup water or dry white wine
¼ teaspoon Tabasco
2 hard-cooked eggs
1 (4½-oz.) can deviled ham
24 toast rounds
Seasoned dairy sour cream
3 drained canned pimiento-loaf

Sprinkle gelatin on 1 can consomme to soften.

Heat gently to dissolve gelatin; stir in remaining liquids and seasoning.

Pour half of mixture 1 inch of two (8") square pans.

Refrigerate 2 hours or until half firm.

Cut eggs in half crosswise; remove yolks and mash with deviled ham.

Refill whites; refrigerate at least 30 minutes. Then slice.

Arrange slices 1" apart on gelatin. Spoon on remaining gelatin to cover eggs.

Refrigerate 2 hours or until firm.

Shape in rounds with 2" cutter. Serve on toast rounds as canape.

Garnish with dollop of sour cream and dot of pimiento.

Deviled Ham-Egg Canape Salads — Follow preceding recipe, omitting the toast. Instead, serve the canapes in lettuce nests, with seasoned sour cream mayonnaise as topping. Garnish with pimiento dots and/or pimiento stuffed green olives.

Makes 24 canapes.

Edson Optimists plan 5th annual talent show

The Edson Optimist Club are making plans for their fifth annual Search for Talent Show which is to be held this year on Friday, February 1. This has been a popular show with Edson and district residents since the first one was held in 1959.

Hinton and Edson split the two top honors last year when Cathy Kendall of Hinton won first and Johnny Majcenik of Hinton won second place. Both popular soloists, Cathy and Johnny appeared in the Knights of Columbus talent show at Hinton earlier in the winter with Cathy copping first prize there.

The more contestants who appear the more interesting the show will be so anyone who can play an instrument, sing or dance are invited to take part in the Optimist show. More information may be had by writing P. O. Box 1288, Edson.

Around Scotland Lodge

The Christmas season started off with a lovely turkey dinner put on by the O.S.D.F. which included a carol sing-song and variety musical program and our guests thoroughly enjoyed the whole evening.

The Edson Lions Club also put on a turkey dinner with all the trimmings and Santa arrived with a gift for each guest and of course the evening would not be complete without carol singing. Many church groups came over and sang Christmas carols.

Wendy and Joan charming daughters of Mr. and Mrs. Mike Pulisko have been over a couple of evenings and entertained the guests with their accordions and their father followed on with a few vocal numbers and it was enjoyed so much. Several guests went out to spend the festive season with their families.

A very special thanks to Mr. and Mrs. W. Herring for keeping the Lodge well supplied with lovely flowers throughout the year. We also wish to thank the RNAs Ladies and Knights of Columbus for their Christmas donations.

With the death of Mr. Lloyd Mahon who has been a member of the Board since the birth of the Foundation will be sadly missed by all of us. Our sympathy goes out to his wife and family.

We still have a few vacancies left and for those who live alone and are lonely come and live with us for the winter. It is a warm friendly and comfortable.

Answer to a long cold month and our guests would welcome a visit from anyone who wishes to call anytime for a friendly chat or a friendly game of cards or another. Just come it and we have it!

On behalf of the staff guests and matron, we wish everyone a very Happy New Year.

Curling scores to January 1st

Standings to January 1st in the round robin play of the Men's Curling Club is as follows:

	W	L

Wheelerworth	4	7
MacKay	3	7
Pilipow	2	8
Reid	2	8
McIntyre	2	8
McDonald	2	8
Mermell	2	10

Instructors appointed for adult classes

Arrangements are now complete for the beginning of Adult Education classes in the Edson High School during the week of January 7, 1963 — classes to continue once a week for approximately twenty to twenty-five weeks.

Instructors in the three courses will be as follows: Book-keeping (Accounting), Miss Joan Maturin; Typewriting Mrs. Anne Kachel; Oral French, Mr. Ray Binette.

Bookkeeping will be on Tuesday nights, and Typewriting and Oral French on Thursday nights. All classes will be for two hours, from 7:30 to 9:30 on arranged nights.

Cost of the courses will be $1.00 per session, payments to be arranged at the first session in each course.

Anyone who believes that he can persuade at least twelve adults to take any other course mentioned in questionnaires previously circularized should get in touch with Principal M. D. Meade at the high school. It is quite possible that instruction could be provided for any course sufficiently in demand.

The first class in Bookkeeping will be on January 8th, and in Typewriting and Oral French on January 10, 1963.

HOPE IT'S JUST AS GOOD AS '62

People we've talked to around town seem to pretty well all agree that if this coming year is as good as 1962 it will be just about right. This was true of all we talked to except those who had suffered sickness or the few who were unemployed for varying periods during the past year.

We've been fairly conscientiously reading the forecasts by the experts of the business and financial world. They seem to agree that it isn't going to be much worse or much better with a few shadings of interpretation in between.

Provincially we have had a good year in Alberta and all signs point to a repeat performance. In the country as a whole the predictions of the politicians that Canada was on the skids and unless the government was turned out of office and the Liberals put back in or the funny money boys or the socialists given a chance then Canada had had it didn't seem too true as the year ground on. Except for isolated pockets such as the Maritimes our country seemed to get over the financial scare of June much better than the critics thought.

On the international scene we don't think what Canada does or doesn't do is going to affect what the States or Russia do too much or whether China mounts another campaign against India. We also suspect that what prestige a predominently white nation in the "have" West such as our country has, didn't deteriorate as badly as some of our countrymen claimed.

The old fashioned virtues of good hard work and attention to our jobs, whatever they may be, can help to give us another good year in all walks of life

On the personal level, health and happiness with enough of the long green to get by on, will make a good year for the most of us.

☆

"Courage," the Old Year whispers as it ends,
"Weary's the world, and penitent and sad,
Waiting the touch to make all mankind friends—
Yours be the luck and strength to do it, lad!"

WHAT ABOUT THE ROOSTER

Auntie was trying to induce little Mary to go to bed at sunsown by saying the owl ciaments went to bed at that time.

"Yes," said Mary, "but the old fech goes with them."

☆

GEOGRAPHICAL

A woman got on a bus and took the only empty seat which was next to a carmonose-looking reverend. She opened a map of Iowa and began to study it.

The reveller gazed at the map for a while and then enquired of the woman: "Are you sure you are on the right bus?" he enquired.

☆

A woman just leaving the church, seeming resisted she need not her purse on too real. When she returned, it was gone. She sought out the minister and found that he had pocked it up.

"I fech that I had better hold it," he explained. "You know, there are some in the congregation of such simple faith as to believe it might be an answer to a prayer."

☆

This notice appeared not long ago in a church bulletin: "Those in the habit of putting buttons instead of coins in the offering plates will please put in their own buttons and cut the buttons from the cushions on the pews."

☆

Arkansas wedding: That's where the groom walks down the aisle as if he's got lead in his pants . . and most of the time he has.

☆

Modern Maid: "Is it true that low salaries have lowered the quality of teachers?"

Professor: "Where didja get that idea at?"

☆

A teacher was demonstrating the poisonous qualities of alcohol and put two worms into water and then put them into alcohol.

The worms immediately died. She then asked the class what the demonstration proved. Johnny replied: "If you drink alcohol you won't have worms."

CAPITOL REPORT

REFLECTIONS AND PREDICTIONS

BY JOHN WARREN

EDMONTON — The time for 1963 reflections and 1963 predictions is here. In viewing both the history and the prospects it is safe to say that on the provincial political scene at least, next year will be a far more exciting one than the year now drawing to a close.

It will give Albertans time to study and appraise their new cabinet ministers. And it will give the new ministers an opportunity to get beyond the stage of merely shaving their departments, and into the business of directing them.

The opening spring is almost certain to see the provincial election which all parties in Alberta have been preparing for, with varying degrees of intensity, since last fall. And this certainly includes the Social Credit party with the government's announcement of a program for industrial stimulation and northern development.

The Liberals will stand united behind Dave Hunter and the issue of public power. Any dissent that may remain after the last Derr convention, at which this part of the platform almost split the party, will not be heard in public.

The Progressive Conservatives probably won't be able to keep up with flying Mantoing or the pronouncements of their leader Mill Harradence. But his injection into the provincial picture is certain to add a bright and exciting bit of color and could speed up the tempo of the campaign.

Roger Lebeuf will almost certainly be heard from and his attacks on the government may continue to prompt responses from Premier Manning. If Mr. Lebeuf's success in soliciting support continues he could become a more important election factor than anyone yet anticipates.

And the party to draw the first major publicity of the new year will probably be the New Democratic Party if for no other reason than that their convension is scheduled for January. It is there the NDP will choose their leader and devise a platform.

What were the events of the past year in the administration of the province that come most readily to mind?

Certainly the communities bearings in the Legislature on the subject of urban centres. The two sitering two day session resulted in several changes in the bill originally introduced by Municipal Affairs Minister A. J. Hooke. The most significant of these was the decision to make a postmortem necessary before establishing an urban county.

Proceeby one of the most significant and unanimously the longest bill approved by the Legislature was the rewritten Mines and Minerals Act, 96 pages. Fundamentally it tells oil and gas companies in clear terms and develop their leases or give somebody else a chance.

Calgary Conservative Ernest Watkins must be credited with the biggest surprises of the session. It came on the first day in the form of a public bill designed to re-establish an Alberta bill of rights. It was defeated on second reading but not before it sparked some of the session's most vigorous debate.

The other major debate came during study of health department estimates on a resolution calling for modification in enforcement of the Land's Day Act and not condemning the invasion of the federal government into fields of provincial responsibility.

Of 121 bills introduced, only three failed to become law before the 61 Social Credit and four opposition members headed for home April 4.

Later in the year Provincial Treasurer Ted Hinman stirred up some predictable excitement, by declaring sales tax is a most convenient and sensible way for the government to obtain the money it requires to perform the increasing tasks assigned to it by the public. Mr. Manning finally let it be known he still doesn't like a sales tax.

There was a lot more too, during the past 13 months, but space limitations permit me to say only, "Happy New Year."

MORAL VICTORY

Fault in the moral attitude of the American people was confirmed in last week's US elections, because of the return to office of Robert Smylie in Idaho.

His opponent was democrat Vernon Smith. Personalities, however, have nothing to do with the case. It was what each stood for that made the election important.

Mr. Smith built his platform on whole sale legalized gambling in the state.

He said his plan would bring more lucrate to Idaho and result in expansion of resort areas. He constantly pointed to his campaign to neighboring Nevada and the growth and outward prosperity of casino centres like Las Vegas.

Mr. Smylie said that "gambling breeds crime" and pointed out that Idaho had the lowest crime rate of 11 western states, and Nevada the highest — nearly three times as great.

Mr. Smylie promised sound and sensible government in meet the challenge of the times.

It is easy to yield to our baser inclinations, and most of us have gambling instincts. Governments collect good revenue from legalized gambling houses that helps to lower taxes. However, a gradual decay of moral and economic values also sets in.

Idaho voters can be proud that they elected the candidate who championed the right program for the good of the people.

—Lacombe Globe

BAN THE BANNERS

Alberta papers proclaimed that the "redtn cram is over." Albertans, loosed from purchasing vodka, cure for years forced to totally abstain from it or import it. And when we examine the words closely, total abstinence is just as intemperate as total drunkenness. A little regulation sometimes helps, but a little regulation goes a long way. Banning is extreme.

Predictably, a sudden run on vodka developed when it was made available last year. Now, however, the novelty has worn off and consumption has dropped to less than 6 per cent. Meanwhile, Canadian Rye — which has long been permitted on the market — makes up some 32 per cent of the total liquor and wine sales in the province.

Virtues and vices of the stuff aside, the broad lesson to be learned here is that given half a chance the general public can be depended upon to make the responsible choice of moderation. And they can generally make that choice without interference from the would-be banners who spend too much of their time and energies depriving others of things they enjoy by trying to "uplift" society to their own peculiar standards. They join by form a pressure group to give them an influence beyond their numbers merit, and under the banner of temperance, good taste, culture or some other high-sounding phrase, they set out to protect the public from vices they didn't know existed and to regulate perhaps pleasant but otherwise harmless fads and interests.

As one publication put it, "Let's ban the banners — those people who try to abolish new brands of liquor, students' bed pushing fun, "who-dun-its" and westerns on TV, newly-published books, or anything else that doesn't suit their particular tastes. In our complex society one cannot avoid some contact and influence from others, but we must distinguish between what is dangerous and what is merely annoying. Anything can be abused, but most people can be trusted to accept moderation.

Unless we are careful, the regulators will ban sex, on the tenuous ground that it is abused by a few. —Farm and Ranch Review

EVANSBURG — Jan. 31, 2-5 p.m., 6-8 p.m. Evansburg School.

East District Doin's

By FERN ICE

One member of our family received a very special Christmas present in the form of a hand made electric guitar made especially for him by Dick Heisault. If comments mean what they should we have a budnch Mr. Heisault is going to receive a few orders for musical instruments before another Christmas rolls around. Dick builds guitars as a hobby.

We send a big hello to our new Leader subscriber in Calgaria, and wish all members of the family a Happy and prosperous 1963. These greetings include Mr. and Mrs. Harold Peterson and Pat, Ed Thomas, Mr. and Mrs. Bill Thomas and family, Mr. and Mrs. Bill Hanley (nee Beverly Thomas) and family and any other former Cherry Crocker we may have missed. Also to any members of the Larsen family who might be within range.

Mrs. Heintz, Bill, Jack and Dennti called at the Ice home Wednesday evening. Clarence Bowman spent Christmas at the Ice home and joined the family at the home of Mr. and Mrs. Ray Thomas for Christmas dinner.

Mr. and Mrs. Bill Hallin and family, Mr. and Mrs. Melvin Heintz and family spent Christmas at the home of Mr. and Mrs. Herb Heintz Sr. Mr. and Mrs. Bruce Scully and family, including Kit and Bill Scully from Calgary were holiday guests at the Heintz home.

Christmas guests at the home of Mr. and Mrs. Bob Bradford and Mrs. Hellekson included members of their In laws present in the form of Ted Hellekson, Claude Hellekson, Mr. and Mrs. Gordon Miller (nee Eleanor Hellekson).

Ed White spent the holiday with his parents at Maple Creek Sask. and returned to his home Wednesday; Mrs. W. Karl and Fred enjoyed Christmas day at the Bradford home.

Due to one of those mixups the Ice family has reason to apologize for being so late at the wedding dance of Mr. and Mrs. Robert Hill, Saturday, Dec. 22. We enjoyed our part in proceedings despite such a poor start, folks.

In Edson last Monday and apparently enjoying Christmas shopping were: Mr. and Mrs. Bud Hellekson, Monty Mitchell who tells us he brought himself a car for Xmas (a gentleman who is trusting himself to a tap on train, as a special Xmas gift; a very young boy who wanted to try out the toys on display in the H & M before deciding what to write in his letter to Santa; two proud a successful future for this fellow); then we heard a fellow bemoaning the fact that the weather isn't Christmassy —Can you beat that?

The poor old weatherman has a thankless job if we are in our way of thinking. We saw a happy puppy carousing out a flying saucer about the size of a flattened out bath tub. Betcha a dollar Pop entertained a coin on his saucer himself. The happy smile on the face of Bill Campbell — he didn't buy the saucer — and his kind remarks concerning the weather helped to revive our good opinion of the human race in general. Christmassy weather indeed. Remember 1911?

Lynn Thomas returned to school Monday following several days absence due to the flu, but had to be taken home before the day was over, because of a relapse. She was taken to Peace for treatment but nurse Selbeck sent her to Edson where she received medication, then was permitted to go home.

Thursday, January 3, 1963 — EDSON LEADER — 5

It bears repeating. If you get this particular type of letter — put your nurse or doctor and follow instructions in the letter. It can be quite serious, as has been proven on numerous occasions.

Cadets offer fine training

What is a cadet?

If you want to know you might ask the Army Public Relations officer who will tell you that a Cadet is any boy between the ages of twelve and nineteen who is serving, unpaid, in any Cadet Corps across Canada.

He will also add that the aim of the Cadet Corps is: "to make each cadet a good citizen by providing a sound knowledge of military fundamentals based on the qualities of leadership, patriotism and good citizenship."

The Army's definition of a Cadet is, of course, an official one and the best way to learn more about Cadets is to ask the Cadets themselves.

There are 45 cadets on strength at 1712 Edson Cadet Corps. Being a Cadet means something different to each of these boys, whether they are recruits or fourth year "veterans."

Calvin Robinson, the senior Cadet Lieutenant, says "to me Army cadets is an adventure which is both interesting and enjoyable."

When asked how he liked being in the Army, one of the Lance-Corporals replied, "But sir, I'm not in the army. The only connection that the Army has with the Cadet Corps is to supply materials and supervise our instruction.

"We are not members of the Canadian Army and are completely free to learn anything that we so desire."

The fact that these young sters take their Cadet service seriously is something that cannot be denied.

If you were to visit the Edson Cadet Corp ny Wednesday night parade you would see all the members doing their best to turn out as smartly and as effectively as any regular soldier.

"They just take pride in being good Cadets." says Cadet Company Sergeant Major Ted Greene's only comment when asked why the Cadets were so enthusiastic.

While the boys cannot be told enough that they are not members of the Regular Army there is usually and award of up to $100 dollars for those boys who complete their course successfully.

The Edson Cadet Corps sent 14 cadets to camp last year.

Interested parents and boys are invited to visit the Edson Corps at any parade. These parades are held Wednesday in the Legion Hall. They are supervised by three instructors, commanded by Jim Bell, who are doing their best to see that these lads become useful citizens by learning those things which are as necessary.

A limited number of recruits will be accepted for the Edson Cadet Corps this year. Any boys who are interested are invited to come to one of the parades.

H. Vanderveen suffers fractures

Henry Vanderveen of Edson is in the hospital in Edmonton following a tobogganing accident in Pembina just before Christmas.

Hitting a tree coming down a hill Henry suffered leg fractures which will lay him up for a while.

Follow the Blueprint

By PASTOR SNOWALTER

Any builder worthy of the profession recognizes the value and necessity of a blueprint to follow.

Sad mistakes have been made by those who, though working hard and long, have finally been forced to admit that their work was inferior or useless because their efforts had not been guided by a careful plan.

They are those who seem to possess a good portion of "blind sight," whose password is "if." Their position is described by the poet, "Of all sad words of tongue or pen, the saddest are these; it might have been."

Then, too, the quality of the blueprint is a decisive factor to succeeding. When the scaffolding was removed from the twin tower building in Brussels, Belgium the Arche fact rushed to the top of the building and plunged to his death in the street below. The towers were not centered on the building and he was unwilling to face his mistake.

The only safe blueprint for life is the Bible about which God said, "Heaven and earth shall pass away, but my word shall not pass away."

There are many voices attempting to dictate the true way of life. There may be criticism for those who do not follow the pattern set by the majority of people. But if you would make sure of meeting the God of the Universe, follow His plan!

Wife Preserves

Baking powder biscuits will come out a golden brown, rather than white, if you add a teaspoon of sugar along with dry ingredients.

As I See It

By Pastor Hurd

"Be on your guard so as not to be led away by the errors of lawless men, nor fall from your own steadfastness." 2 Peter 3:17 (Weymouth)

It is obvious to us all that the pattern of Sunday observance is changing. Sunday is no longer the holy-day it used to be. Today it is little more than a holiday for the vast majority of people. The tragic truth is that Sunday has lost its sanctity.

It is not hard to discern the reasons for this present trend. The complexity of modern industry, communications and public services demands, apparently, the labour of many hands. The advent of the modern automobile has created a passion for travel. The love of leisure and the appetite for amusement craves satisfaction. So we could go on. Of course, beneath it all there lurks a basic fault — the absorption of modern man with the present and the earthly and the encompassing luxury or reversal to acknowledge his dependence upon eternal and spiritual forces. This, in spite of the clear direction of Jesus Christ concerning the primary purpose of life, "Seek ye first the Kingdom of God."

After all, what is the essential sense of life? Is it not to make God central and supreme? And is not the significance of Sunday simply this that we are to put the worship of God at the centre?

When Jesus said that the Sabbath was made for man, He meant at least two things. He meant that God's gracious provision of this one day in seven answers man's need for spiritual nurture and refreshment. The man who deprives himself of fellowship with God is lacking the most essential ingredient of life and happiness. For all his physical and material comforts, for all his enjoyment of temporal and bodily delights, without the regular experiences of seeking and finding, knowing and worshipping God, he is moving on the plane of mere existence.

But surely Jesus meant something else too. He meant that the Sabbath answers the need for physical rest and refreshment. Health and happiness require rest from work. Christian use of the Lord's Day should strive to make it a day as free as possible from weekday duties, a day for happy associations with family and friends, a day of rest and refreshment.

Let's keep Sunday a day for worship, for Christian service and for family fellowship. Our nation will be stronger for it and our families as well.

F.U.A. News

'Tis the season to be jolly and I guess this reporter was in fact so much so to get the date of the January meeting all wrong. Now, this is for real.

The Edson Local 560 will meet on Tuesday, Jan. 15, 1963 in the I.O.O.F. hall at 8 p.m. The new executive will take over at this meeting and it is hoped members will make an effort to attend.

Recent F.U.A. convention news has been in most papers. Perhaps some members felt a few resolutions were passed that should have come up missing. I felt that way about one in particular but I wasn't of the convention and how I felt wasn't recorded. My own fault? Yes, and maybe you are in the same boat.

Guess we should make a New Year's resolution to be more active in F.U.A. work. See you at the meeting!

CALLING ALL
Federal Conservatives

Answer on page 2

CARD OF THANKS

We express our sincere thanks for the messages of sympathy and floral tributes, Canadian Legion and the Ladies Aux. to the Canadian Legion, kindness of Dr. Crawford and the staff of St. John's Hospital, neighbors and friends and Fr. Hooper.

Mrs. Piper and Family

SPARKS

by Stella Parker

Only a lawyer enjoys having to use toothpicks and typewriters for forks and knives.

Out Trail Way

Congratulations to Mr. and Mrs. George Hoggn on the birth of a daughter. Sheila Maxine, on December 26th. Mrs. Mel Cornelius of Edmonton is staying with the other children.

Mrs. Walter Langhans and children of Edmonton spent Christmas at home with the Jens Olsen's. Nice to hear that Walter is now employed in Edson and the family will soon be moving back.

Mr. and Mrs. Stuart Ferguson, Guy and Barbara of Edmonton journeyed to Edson Christmas day to celebrate Christmas with the Fowler family.

Mr. and Mrs. Ted Bergeron and family were 'home' at the A. J. Bergerons over the holidays.

Peers 4-H Clothing Club

By EDITH APOLL

The meeting was held in Peers school December 7 Mrs. Atkinson attended and she gave the 4-H girls many good tips on the perfect back. Later in the evening the leaders helped us with our lunches and lunch was served.

The following week, December 14 a Christmas party was held by the 4-H'ers and they invited Miss. We played many games went skating for a hour or so and then went in and had some more entertainment.

The lunch was served and everyone had such a wonderful time. I'm sure they wanted it to last a whole evening.

The W.I. Christmas party was held at the hall on December 18. Games were played for the small fry, assisted by the treasurers, who helped to pass the time until the Santa arrived to pass out presents. Lunch was served and a present scramble brought the afternoon to a close. The prize ham hamper was won by Mrs. H. Lawton.

Mr. and Mrs. H. Ford, Mr. and Mrs. T. Phillips and girls spend Sunday, Dec. 23 visiting with daughter and sister, Mrs. T. Cundict and family.

Mr. and Mrs. D. Cohns and family spend Christmas with relatives in Seewith, Alta.

Little John Wisenden was able to be home in time for Christmas, after being a patient in an Edmonton hospital for nearly two weeks.

Mr. Jack Wagner from Cadomin, Alta., was a Christmas visitor with relatives, Mrs. F. Strause and family and Mel-vin and Carl Warner.

Mr. and Mrs. C. Stollings and children were Christmas visitors with Mrs. Stolling's parents, Mr. and Mrs. L. Cunliet and family.

Mr. and Mrs. Billy Wisley, Dale Wisley and Mrs. D. Mason were able to spend some of the Christmas holidays with their parents, Mr. and Mrs. Wm. Wigley.

Mr. and Mrs. R. Wiseman and boys from Edmonton, Mr. and Mrs. Bud Wiseman from Drayton Valley, Mr. and Mrs. R. Balden from Edson were Christmas day visitors at their parents, Mr. and Mrs. P. Wiseman.

Mr. F. Nasby and family from Whitecourt were visitors on Boxing Day.

Mr. and Mrs. P. Wrichl from Medicine Hats spent Christmas with Mrs. J. Cundict and family.

Messrs. Jim and Lloyd Bendall enjoyed Christmas Day at their parents home. Mr. and Mrs. R. Maguire of Edson.

Seven more diaries and sub ... ... have been ... Christmas mail, however ... ... home it won't last too ... ... the slow fall and winter we have had.

$214,000 winter works program for Jasper

A total of 559 man-months of employment will be provided by a $214,000 winter works program in Jasper National Park, Dr. Hugh Horner, M.P. for Jasper-Edson, has announced on behalf of Resources Minister Walter Dinsdale.

The Jasper program is part of a $2 million program of winter works at National Parks and National Historic Parks throughout Canada.

During the Jasper program, clearing of about four miles of the relocated Jasper-Banff Highway will be completed at a cost of $70,000, the parking area at Miette Hot Springs extended at a cost of $18,000, and an area on Whistlers Mountain cleared for a new serviced campground at a cost of $19,500. Clearing of right-of-way will also be continued on the Jasper-Yellowhead route.

HATTONFORD

The concert held at Niton Central School on Dec. 20 by the Jr. Students Union was a huge success and certainly well patronized. All the students deserve credit for making the concert so enjoyable. The door prize was won by Mrs. Van Sleek.

The Christmas tree and concert at Niton Community Centre on Dec. 21 was also a credit to those who were responsible for the training of the children. This was truly a good old-fashioned Christmas tree. Lunch and treats were served after the gifts were given out by Santa Claus. The camera that was raffled was won by Mr. Ben Lloyd, Niton Junction.

The W.I. Christmas party was held at the hall on Dec. 28. Games were played for the small fry, assisted by the treasurers, who helped to pass the time until the Santa arrived to pass out presents. Lunch was served and a present scramble brought the afternoon to a close. The prize ham hamper was won by Mrs. H. Lawton.

Mr. and Mrs. H. Ford, Mr. and Mrs. T. Phillips and girls spend Sunday, Dec. 23 visiting with daughter and sister, Mrs. T. Cundict and family.

Mr. and Mrs. D. Cohns and family spend Christmas with relatives in Seewith, Alta.

Little John Wisenden was able to be home in time for Christmas, after being a patient in an Edmonton hospital for nearly two weeks.

Mr. Jack Wagner from Cadomin, Alta., was a Christmas visitor with relatives, Mrs. F. Strause and family and Melvin and Carl Warner.

Mr. and Mrs. C. Stollings and children were Christmas visitors with Mrs. Stolling's parents, Mr. and Mrs. L. Cunliet and family.

Mr. and Mrs. Billy Wisley, Dale Wisley and Mrs. D. Mason were able to spend some of the Christmas holidays with their parents, Mr. and Mrs. Wm. Wigley.

Mr. and Mrs. R. Wiseman and boys from Edmonton, Mr. and Mrs. Bud Wiseman from Drayton Valley, Mr. and Mrs. R. Balden from Edson were Christmas day visitors at their parents, Mr. and Mrs. P. Wiseman.

Mr. F. Nasby and family from Whitecourt were visitors on Boxing Day.

Mr. and Mrs. P. Wrichl from Medicine Hats spent Christmas with Mrs. J. Cundict and family.

Messrs. Jim and Lloyd Bendall enjoyed Christmas Day at their parents home. Mr. and Mrs. R. Maguire of Edson.

Seven more diaries and sub ... ... have been ... Christmas mail, however ... ... home it won't last too ... ... the slow fall and winter we have had.

CIRCUS CYCLIST. Talented performer gets ready to wheel into his bicycle act in London, Eng. They know to travel, but he never seems to get anywhere — his route is usually a circle.

Annual Concert big school term event

By MARILYN DAVIS

The big event of the year is over for the metis community at Muskeg River, 75 miles northwest of Hinton. For weeks the excitement of the children had been steadily mounting in the anticipation of Santa's annual visit after their Christmas concert on December 18. The big night came, there was the usual nervous tension apparent, and yet each child performed his part with enthusiasm and a zest to display his talents before his parents and friends.

Those who have heard the past two concerts were astounded at the evidence of progress in the children. Their spoken lines in plays and recitations showed definite improvement in the pronunciation of English. They sang with a good spirit, many have a good pitch but some need the support of a piano accompaniment. We wonder if Santa will some day bring us one???

There were many comments upon the degree of assurance that the children possessed, so different from their first appearance before an audience two Christmases ago. At that time, there were very few of the pupils who could even carry on a conversation in English or who could force themselves to lift their heads and face the audience. This marked improvement in the use of English and in their social contacts is equally evident whether they are in the store running an errand at the rangers, or at the teachergt.

An aspect of the concert other than educational was the pure enjoyment of the little ones. In the dressing room Twig-Lazy" (Jiveys a r o l d Lloyd Moberly) exclaimed, "I like this game, I want to play this game some more."

A Christmas record had been bought to be played during the "recess" in the program. In the last days of hustle and bustle the record was frequently misplaced. On the last afternoon it again disappeared. As the children arrived before the program, each one was questioned if he knew the whereabouts of that indispensable record. When disappointment over the loss was reaching a high pitch, Freda Joachim arrived and was duly questioned. Breaking into a sparkling smile she bubbled, "I know where it is, I hide it." She had had the foresight to insure that the record would be available when needed on "That Night."

Josephine Desjarlais was typical of the enthusiasm and eager desire to do her best for the success of the affair. Her efforts were even extended to dragging in a little tree for the fenestrarge and then decorating it.

The Christmas Tree candy bags and gifts by each preschooler were financed by raffling a Christmas cake and towels. Mr. Bill Magee of Entrance had bought the winning ticket on the cake while Mrs. Merrit Stotts of Hinton was winner of the towels.

This was truly an old fashioned rural Christmas concert with the traditional carols, recitations and nativity play. In addition we all enjoyed the costumed singing dramatizations of the much loved nursery tales. These included: "The Red Hen," "Chicken Licken," "Polly Put The Kettle On," "The Three Blind Mice," "Tom, Tom The Piper's Son," and "I'm a Little Teapot."

It goes without saying that a good program requires many hours of devoted preparation and instruction on the part of the teacher. Miss Mallinger is to be commended on the work that she has done. The children of Muskeg River School deserves all the benefits of education which have finally come their way these past few years.

Windfall road this year delegation told

Assurance given Edson not to be bypassed soon

A delegation headed by President Walter Fowler of Edson Chamber of Commerce report an excellent reception from the Hon. Gordon Taylor, Minister of Highways, when, through the offices of the Hon. Norman Willmore they met to discuss highway problems in this area.

An appropriation of $70,000 the delegation was told should see the completion of the Windfall road connection this year which has been advocated by Edson delegations for several years. With the bridge over the Athabasca River now in operation, this will give a direct connection off the Bear Lake road five miles north east of town. Once across the river, the road goes on to hook up with Highway 43. Mileage from Highway 16 to 43 will be about 48 miles.

Rumours that Edson is to be bypassed by Highway 16 were definitely discounted with the statement by the Minister of Highways that the traffic count on the highway is a long way from making this move necessary.

Help in widening the highway through town was discussed. The Minister promised that a survey about March would be made to determine levels for curbing and widening. It was pointed out that one of the problems would be the varying levels of buildings along the road.

Accompanying Mr. Fowler were Mayor W. R. Brunelle and School Board Chairman A. W. Leonard. They expressed themselves as being delighted with the interview.

EDSON'S FIRST BABY OF 1963 is held by her mother Mrs. Ronald Basaraba. The baby sister for Mr. and Mrs. Basaraba's other child is a cute little thing and weighed in at 9 lbs 2 oz. Baby and mum will be picking up the many gifts generous Edson merchants are providing to mark the first baby of the year at St. John's Hospital.

First Hudson Bay well producing for past month

Closest producing oil well to Edson, HB Edson 10-8, has been producing about 52 barrels a day since December 12 it was announced by Hudson Bay Oil and Gas Co. this week.

Located 10 miles northwest of Edson, the well was "spudded in" June 20 and the rig was released on Sept. 4. Being so close to Edson the drilling activity was noted by many local people, but this is the first official announcement on the results of the drilling.

The production is flowing from the Cardium layer in the geological formation known as the Banff. The well itself was drilled to 9375 feet.

The well has an initial potential of 330 barrels per day on a restricted choke. The crude oil is 53 degrees API gravity. The production of 52 barrels daily is being sold to Gibson Petroleum Company Limited, who in turn deliver it to Transmountain Pipeline at the Edson terminal.

Council approached on unit apartment

Mr. N. H. Kuryio submitted a proposition to the Edson Council at their regular meeting on Tuesday night for a 12 unit apartment of one and two bedroom size.

Mr. Kuryio asked for the recommendation of Council for location of the project. It was intimated that probably the best site would be one east of the Parkland Lodge.

Mr. Kuryio had previously gotten the green light for a motel project on Highway 16 on the north side of the road across from Spike Island. His builder has now taken out a permit for this construction.

A by-law providing for the charging of sewer services on a basis of water consumption was given first and second readings. It will come into effect after a third reading if passed. The by-law, it is hoped, will be more realistic by tying sewer in with actual water used. It is hoped it will also discourage waste of water.

The annual meeting of the electors of the Town has been set by Monday, Feb. 25, in the Legion Hall.

A further discussion of area development control took place and it was intimated that the government is preparing legislation to cover Edson's problem.

Mr. M. B. Stag of the Department of Town Planning was also at the meeting and told of plans for development control in Improvement District No. 20.

LIGHTNING IS FEATURE OF MILD SPELL

As we go to press it's darn cold, about 30 below, but just two days ago, Monday, Jan. 7 it got to be 51 above.

But the frosted energy that brought the cold weather all across Alberta brought vigorous flashes as the cold hit the almost hot air in the atmosphere.

"Freedom Calls Again" subject for speaker

D. K. YORATH, MBE

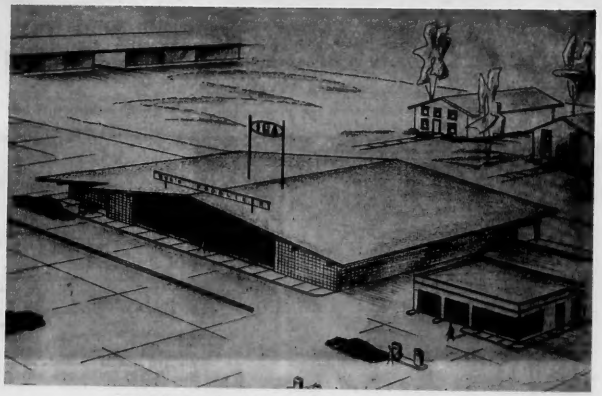
Members and ladies of the Edson Chamber of Commerce are looking forward to Wednesday, Jan. 16, at which time D. K. Yorath, MBE, chairman of the board of Northwestern Utilities, Ltd., Edmonton will be the guest speaker.

Set for the regular meeting night the evening will take the form of a ladies night. A special invitation to the ladies is extended as it is hoped, Mrs. Yorath will be able to attend. Tickets are available from any executive member.

Mr. Yorath, was born in England, educated at Victoria public and high schools and later graduated from University Military School, Victoria. He started his career with the Imperial Bank at Edmonton joining the company of which he is chairman of the board in 1924, after serving in various capacities at Edmonton and Calgary.

During the war he served as managing director of No. 3 Elementary Flying Training School (RCAF) at High River from 1940-45. He was awarded the McKee Trophy for his contributions to aviation in 1949. Following his service in the war effort he was awarded the MBE.

In view of the intense interest in investor owned utility companies at the present time Mr. Yorath's subject of "Freedom Calls Again" is being keenly awaited by members of the Edson Chamber of Commerce.



Our Artist's Conception of What Our Super Market Centre Will Look Like

Our New Year's Expansion Plans

During the past year we have been removing the buildings on the half block directly west of the Gardener building and across the alley westward from our present building.

As the many hundreds of our customers know, who have been using the parking lot during the past summer, this is to be the site of what we hope will be a bigger and more modern Super Market. The space we have acquired will allow our customers safe and convenient parking and the large new store will satisfy the shopping needs of an even wider group of customers than those who have come to know our present operation.

Our expansion program will proceed in the coming year as the financial details are worked out. We believe in the future of Edson and know that if we are to maintain the leadership in our field of merchandising this program of expansion will gain acceptance by our growing clientele.

The site we have been preparing covers some 42,000 square feet and will easily handle a Super Market of approximately double our present size, leaving room for extra stores, if required, plus parking for 125 cars.

This new store expansion will see the bringing to Edson of a completely new and modern Super Market with a great sales potential.

We are basing our expansion upon customer acceptance of policies that are now in force. Our policy is one of consumer satisfaction based upon quality, cleanliness, courtesy and correct everyday low prices in direct competition with city Super Markets, plus our continual display of weekly extra specials. The day is long since gone when the consumer felt that it was profitable, even if inconvenient, to go to the city to shop. City prices have been in effect in our store for years.

The new store will feature expanded facilities for double our fresh fruit and vegetable displays. Greatly increased frozen food capacity. A large increase in our meat department, fresh and frozen meat display areas. We shall be carrying at least double our present stock of regular grocery items properly displayed on new steel shelving.

A special feature of the store will be a section set up to display fresh pastries and bulk confectionery lines. We shall also feature "Discount Row" where you can buy case goods of any item we handle at a rock bottom Discount price — for cash only.

It is our firm intention, contrary to the modern trend, that this store shall stay mainly with the business of supplying Groceries, Meat and Produce and leave the handling of hardware, dry goods, garage items and specialized drug store items with their respective merchants in the community.

This shall truly be an Independent operation by one of the last really Independent Store operators in this extremely competitive field.

A NEW YEAR'S RESOLUTION

A few days ago a normal, safety conscious man walked into the Alberta Safety Council's office and told Paul Lawrence, General Manager of the Safety Council, a New Year's resolution he had just made.

While driving recently he approached a railway crossing in Edmonton. The crossing was at an angle which would make a driver look well back over his right shoulder to see if any trains were coming from that direction. He stopped, looked both ways, then drove across. After clearing the tracks by about 40 feet a diesel appeared in his rear-view mirror. The huge locomotive had come from his right and he failed to see it.

As a driver he is now adopting a New Year's resolution — "To Stop . . To Look . . To cut the radio . . Roll down the window . . and listen."

"This resolution would be wise for any driver to adopt in 1963," states Lawrence, "as the possibility of being involved in a railway crossing accident is so unbelievably absurd to the average motorist that it is immediately rejected. However, the experience of past years shows us that within a week or two you will read in your newspaper of such an accident happening in our Province — an accident that need not happen."

In 1961, according to statistics supplied by the Alberta Department of Highways, 19 Albertans were killed in 85 railway crossing accidents.

Of the 85 mishaps, 44 were on rural roads and 41 in urban centres. Automatic signal crossings accounted for almost 45% of 43 accidents, while 30 accidents were at "no control" crossings. Three mishaps involved gates.

The Safety Council said, this is the most hazardous period for railroad grade crossing accidents. Among reasons for this he listed longer hours of darkness; tightly closed cars which shut out sounds of locomotive whistles, warning bells and other protective devices; highly banked snow at crossings, and ice and snow on crossing surfaces which cut down stopping ability and starting traction.

CRIME AND PUNISHMENT

In dealing with young Hallowe'en pranksters Magistrate Alfred Watts of West Vancouver believes in letting the punishment fit the crime.

Three youths charged with opening fire hydrants, instead of being fined, were put to work in the fire hall. After dealing with tough, hard-working firemen for a few Saturdays the youths would learn, the magistrate believed, why it doesn't pay to turn on hydrants.

More of this kind of punishment should be dished out to youthful offenders. It is an effective way to teach them adult responsibility. A jail sentence or a fine are not half so potent a medicine.

—Vancouver North Shore Citizen

Letters to the Editor

Dear Editor:

I would like to start the New Year off on the right foot.

We are an ordinary group of people it seems was live in an area that someone forgot.

Could it be insensitivity possible to rock our free enterprise government into running a few small individuals who live in a small hamlet in this province to the last unit. Free enterprise sometimes can go too far.

There are approximately eight families in this hamlet, we have Calgary Power supplying it with a capital 17 on three poles of us, without 14½ miles on two sides.

One farmer purchased power for a price in the neighborhood of $1,400.00 just one residential farmer. When this power company was approached to extending this line at the same price as for one individual (me—me) that is impossible, they actually had the nerve to ask for approximately $700.00 each per person for extending their line one and one half miles.

This, to my contention is absolutely ridiculous. When Provincial affecting the rights of citizens, especially in licensing matters, should make all the facts known and parties should be supplied with all information the board has relative to the case.

It said also that citizens should have more access to the courts to challenge rulings of boards of courts should act in cases of appeals of decisions by ministers, government officials, commissioners and other, who have the right to refuse a license or privilege.

More use of legislative committees was urged to allow for full discussion of proposed governmental actions before bills are presented in the legislature, said the report, particularly because of the meagre opposition.

The committee of lawyers noted that Alberta has 123 administrative boards and tribunals. 39 more than the much larger province of Ontario.

☆

The expected spring election may produce the largest number of candidates ever. With the four major parties intent on fielding full slates the Alberta Unity Movement intends to nominate additional candidates and it is possible more than 200 Albertans will get into the race.

The party that would benefit most from a large and diverse number of candidates is, of course, the Social Credit party, which has a proven core of voters to depend on while the remainder will spread out their ballots.

☆

Premier Manning said Friday complaints from farmers in the Drayton Valley area are mainly politically-inspired and some of their statements are not true.

He was commenting on press reports describing threats by farmers to bar all companies from their land because of seismic treatment.

Card from BWI recalls pageant

The entire cast of "Look Behind You, Neighbor" was sent Christmas greetings from Antigua, B.W.I. by Mr. E. Kinman, of the Second Commonwealth Study Conference.

In the card to Mrs. M. Aldi, Mr. Kinman wrote "I would like really to send greetings to all the members of the cast of Look Behind You Neighbor for one of the most delightful evenings that we spent in Canada. Yours very sincerely, E. Kinman."

They haven't forgotten our group of singers from Edson and at the rate everyone is playing the records out in the group Edson won't forget its 50th Anniversary pageant for a long, long time.

Joke of the Week

"Now then, where was we?"

CAPITOL REPORT

ALBERTA HAS MORE BOARDS THAN ONTARIO

BY JOHN WARREN

EDMONTON — An indictment of the Social Credit administration in Alberta was issued by the Alberta section of the Canadian Bar Association last week after it concluded a two-year study of legislation and government operation.

It noted, in part, that: Government boards have, in some cases, usurped powers in the Alberta Legislature. Individual rights of Alberta citizens are being grabbed by some of these boards. There should be an immediate return to government by the legislature and, Government boards and tribunals should undergo sharp examination with a view to trimming their powers.

The association contends the legislature has, in many cases, neither retained its policy-making function, nor delegated this to cabinet ministers. Instead it has delegated the function, to a board or commission.

Premier Manning studied the report and said he welcomed the findings of the lawyers, noting that any recommended changes which can be made will be implemented. "The government has not been unaware of this problem, one which is common everywhere with growth" and an increasingly complex society.

The 33-page report stressed other points too. It said improper pressures, bias and personal prejudices may flourish among officials where the range of discretion is great. Persons affected by rulings should be informed of citizens, especially in licensing matters, should make all the facts known and parties should be supplied with all information the board has relative to the case.

It said also that citizens should have more

CANADIANS CAN COMPETE ON SOME THINGS

Toronto — The concept of a Canada-U.S. common market "is a dead duck — at least for the time being," according to Michael Barkway, editor and publisher of The Financial Times.

In an address to over 300 senior Canadian executives, government officials and association delegates at Toronto today Mr. Barkway lashed out a "fashionable theories" that "work a sort of cut rate brand of discount-house salvation for Canada by establishing free trade with the United States."

One of the outspoken critics in Canadian economic and financial circles, Mr. Barkway declared unilateral preminence when he came the only journalist to accurately foresee the financial crisis of last summer. His address to the official opening luncheon of the CANADIAN FURNITURE MART was "aimed at the growing clamour in some business circles for a form of economic union with the United States."

These "notions", he declared to his audience in the Queen Elizabeth Building at Toronto's Canadian National Exhibition grounds, have been spread by economists — technicians in a very limited sphere of human knowledge who claim to tell us the mathematics of how to be rich."

"We need our economists," he added, "just as we need our geophysicists, our chemists and our engineers. But we do not need to revere them as witch-doctors or medicine men."

Canada, he declared, must keep open "all possible channels to all possible markets including the United States and overseas countries rather than subjecting us to complete dependence on the United States."

Condemning the "illusions" that accompanied Canada's participation in GATT, Mr. Barkway scored Canada's "rather simple belief in pure economic logic and a sort of Boy Scout approach to commercial policy."

Canadian policy, he added, never has been and never can be guided solely by the logic of the economists.

"Tariff changes are — and will continue to be — a matter of highly complicated and detailed bargaining; and whatever we do with the tariff, it will be a rather minor part of the national policy."

The "crucial" fact of Canadian existence, he declared is our balance of payments deficits and, along with it, the neglect of our secondary manufacturing industries.

Attempts by some groups to promote economic union with the U.S., he stated, "have aimed at much application in the establishment circles for a form of economic union with the United States."

These "notions", he declared to his audience in the Queen Elizabeth Building at Toronto's Canadian National Exhibition grounds, have been spread by economists — technicians in a very limited sphere of human knowledge who claim to tell us the mathematics of how to be rich."

"We need our economists," he added, "just as we need our geophysicists, our chemists and our engineers. But we do not need to revere them as witch-doctors or medicine men."

Canada, he declared, must keep open "all possible channels to all possible markets including the United States and overseas countries rather than subjecting us to complete dependence on the United States."

Condemning the "illusions" that accom-

WHEN TO FORGET

You can't get through life without meeting people who injure you. There are some who snub you, some who betray you, some who cheat you and some who envy you.

But the greatest of all time-wasting is time wasted on revenge. It is not only a waste of time but also of nerve force, vitality, sensibility and physical well-being.

The desire for retaliation is the most dangerous lust that enslaves human beings.

When you want to hurt him who has hurt you, you want something that irritates you while you want it, disappoints you when you get it and makes you feel mean when it is all over.

It is not important whether or not you forgive an offense; the only satisfying thing is to forget it.

There is too much to do to stop and fight wraps. Life is too rich to jeopardize it by hate. Let it pass! Go on!

Here is a motto which you might well hang on your wall or fix in your memory:

An injury can grieve us only when remembered. The best revenge is to forget.

Mr & Mrs Charles Chilton honored by family

A huge bouquet of flowers sent by family members, brightened the day for Mr. and Mrs. Charles Chilton, who on December 27th were celebrating their 25th wedding anniversary quietly at home. It also served as a dawn in lay the way for a surprise party held December 29th by the family to honor their parents on that occasion.

When Mr. and Mrs. Chilton were taken to the home of L. Hutchison, West Creek for supper they were greeted by singing "They they are Jolly Good Fellows." Eight family members, who with their husbands and others had come from far and near to help celebrate the anniversary with their parents.

After the surprise of "Hello" "Mom and Dad" had died down, the couple were presented with corsages; To Grandma by Mary Lou Hutchinson and to Grandpa by Larry Butterwick and with gifts from their twenty grandchildren.

Following this a buffet style supper was served to the gathering. After the supper all left for the Parish Hall, for dance and visit with a further gathering of friends from out of town and local area's.

The hall was tastefully decorated with pink and white streamers and bells. A lovely tree affair wished "Mom and Dad Happy Anniversary."

Midway through the evening the honored couple were seated at a table gracefully displaying a two tier wedding cake which had been beautifully decorated by Mrs Lily Bernard Butterwick, as murder of ceremonies, and find sum-in-law wished "Mom and Dad" well from all the family. Pee Brandvold (a daughter) was called on to read a poem she and brother Kirch composed, which proved very entertaining as well as "local at last" to both parents and each of their ten children.

Bernard then read a story of the parent's past as remembered and written by an old neighbor, Mrs. Agnes Mawson, in her absence. It is to be treasured back many generations of days past.

Following this Bernard presented the corsage with a gift certificate from the family to be used for a trip to Vancouver at the time of their choice. A framed picture was presented and signed by all ten children.

Mr. O. R. Thompson was called and spoke briefly and presented them with a gift of money from the gathering of friends. Other gifts and cards were also presented.

Mr. Chilton still surprised and at a loss for words thanked his "Pals" and friends, followed by a thank you from Mrs. Chilton as well.

Dancing resumed and fellowship at a midnight lunch was served to end a happy gathering. Uncle and Aunt Chilton took care of the guest book.

Out of town family members were Mr. and Mrs. Rod Brandvold Mr. and Mrs. Erich Chilton of Lethbridge, Alta., and Mrs. Allen Elliott and Bonnie Both Fairview, Alta., Mr. and Mrs. Glenn Chilton, Lacombe, Alta., and Mr. and Mrs Bernard Butterwick and Alta.

Other out of t own's were Mr. and Mrs. Jack Nurse, Lethbridge; Mr. and Mrs. Bert Van Rootselaar, Edmonton; Mr. and Mrs. Jack Langley, Mrs. Katherine Mattson and Mrs. K. Langley Jr., Hilton; Mr. and Mrs. Melvin Roth and Mary Anne, and Elmer Hutchinson all of Forestburg.

Larry, Rocky Mountain House.

Long time Branch resident buried at Edson

Alphonse Reinski, 73, of Caledonia passed away on December 13th. There are no known relatives. Mr. Reinski was a well known and popular resident of the Coal Branch for many years.

Funeral services were held from the Edson Funeral Home Chapel on Dec. 18th with Rev. Wm. Hopfenbeck officiating. Interment was made in the Glenwood Cemetery.

Floral tributes were received from John and Bobbie Kundrat, John and Noreen Mac; The Royal Canadian Legion Branch 76 of Cadomin; The Beatles of Edson; Mr. and Mrs. Buddy Walker and Family; Mr. and Mrs Rob Mahoney; Mr. Joe Trepaka; Arnold and Mary Joy and Tony Smith.

Arrangements were made by the Edson Funeral Home.

Hockey draw winners picked

Mrs. Percy Wells and Her Ladies Auxiliary were the lucky winners of the Edson Grade three hockey draw on Saturday.

The two winners were given on the choice of selecting a new Chesterfield suite or a turkey which cost an equivalent amount.

The hockey club wishes to thank the many people who gave their support by buying raffle tickets.

The hockey club also is very grateful to Mr. John Koch and the Hudson Bay Oil and Gas Company for donating thirty headgrounds. The safety men have should reduce the hundreds of accidents while playing her hockey.

Legion Auxiliary

Installs Officers

The Ladies Auxiliary to the Royal Canadian Legion held a meeting to install their year's officers on Jan. 7

Installed as president for another term was Mrs. F. Pelletier; secretary is Mrs. B. M. Hart; treasurer, is Mrs. B. Davidge; first vice president is Mrs. M. Jarvis; second vice president is Mrs. Joe Pelletier; Chaplain is Mrs. J. Jarvis; and Sergeant at Arms is Mrs. Mary Lind.

The executive directors are: Mrs. G. Johnson, Mrs. B. Whitworth; Mrs. A. Trepka, Mrs. M. Pelletier, Mrs. F. Pelletier, Mrs. E. Cruickshank and the immediate officers is Mrs. M. B. Gold

A delicious lunch followed the business meeting and all the ladies enjoyed another social evening for the new year

Kintergarten has Christmas party

Prior to Christmas Mrs. Rita Shelter's kindergarten class held open house to parents. The class had teacher welcomed younger brothers and sisters, visitors mothers, four fathers, one grandfather and grandmother.

The important of creativity was emphasized by the teacher. The children's work illustrated this as the room and tree looked gay with decorations which were all made by the youngsters. Each child had also sculptured a manger scene.

A program put on by the children was highlighted by a pantomime of the Christmas story.

Later Santa appeared on the scene with gifts for all.

Mrs. Shelter and class were very pleased so many parents took time out of their busy schedule to attend this function.

Out Trail Way

The monthly whist drive held at Trail Community hall on Saturday, January 5th was well attended. Mrs. Ed Fowler was won by Mrs. E. Fowler, second by Mrs. A. Bergeron, Gent's first was won by Sig Fondahn and second by Bill Osborn.

The next whist drive will be held December February 2nd.

Congratulations to Mr. and Mrs. Ron Rancourt on their new Year's Day baby girl Mrs. Rancourt is the former June Rosen.

Mr. and Mrs. A. Bergeron and Lorna returned to Edmonton recently with Mr. Dave Ember.

The Eddie Lodick family have left the district to live in Edson. Good luck in your new home folks!

Mrs. Thomas and daughter, Miss Betty Rosson are in Saskatchewan visiting relatives.

Coalspur man buried in Edson

Mr. Oscar Wickland, 71, of Coalspur passed away on Dec. 30 in Edson. He was predeceased by his wife, and is survived by four brothers, Theodore, Adolf, Sigbrust of Sweden and Nels of Vancouver, also two sisters, Eugenia and Astrid of Sweden. Two nieces Linnea of Edmonton and Alma of San Francisco and one nephew George of Seattle, Washington.

Funeral services were held on Saturday, January 5th at two p.m. from the Edson Funeral Home chapel with Rev. L. B. Halliwell officiating. Interment was made in the Glenwood Cemetery.

Floral tributes were received from: The Wickland Family and Henry; and Linnea Lodge.

Edson Bakery scores tops in bread test

Edson Bakery received a short of perfect. It is very seldom that a loaf gets more than 98 points and they are more likely to run in the 90's and 80's.

Edson Bakery has received for shape and color of loaf, character of crust, grain, aroma, taste, texture and mastication qualities.

Edson can be proud of their master baker and the bread he produces. There is certainly no need to buy city bread when Edson has breads and pastries of this quality manufactured right on the Main Drag.

Yellowhead Group Plan Delegation to Ottawa

At a meeting of the Yellowhead Route Association attended by M. D. Meade on Saturday last in Edmonton, it was decided to make arrangements to send a delegation to Ottawa during the week of January 28.

These are currently under way to meet not only with the Prime Minister, but also with the leaders of the other political parties. It is also hoped that the delegation may be able to arrange a reception for the press gallery.

To date, resolutions supporting the route through the Yellowhead pass have been received from over forty Chamber of Commerce and other interested groups. Further such resolutions are expected before the delegation leaves for Ottawa.

Other matters discussed at last Saturday's meeting included a report on progress being made between the parent Yellow head organization and the Edmonton Branch which some time ago flirted with the possibility of supporting an alternate route. Also arrangements have been made to meet the Edmonton City Council on January 22.

Another major item on the agenda was discussion of the next annual meeting which is to be held in Edson. For a variety of reasons, including the hope of better transportation service, it was decided to defer the meeting until spring, unless some emergent matter necessitates calling it sooner.

Doctor Solberg joins staff of Edson High

Whatever gods determine the destines of school boards and school teachers recently played most favorably into the hands of Superintendent A. D. Jardine and Principal M. D. Meade.

What those gentlemen found it necessary to find a replacement for the Edson High School staff at Christmas, they feared that their choice would have to be a teacher with minimal qualifications and experience.

Instead they have been able to engage the services of Miss Patricia Solberg, Ph.D. After teaching high school for some time, chiefly in Saskatoon, Dr. Solberg took the necessary work for the Doctor of Philosophy degree at the University of Chicago.

Since consulting he, doctorate, Dr. Solberg has lectured at McGill University, done various types of research work and writing.

After completing special work in English at the University of Western Ontario during the past summer, Dr. Solberg now feels ready to take up the duties of travelling and free-lance writing.

While visiting with his brother in Grande Prairie during the Christmas vacation, she noticed the advertisement of the Edson School Division for a high school teacher to the town of Edson.

Interested by the idea of going back to high school work she at least the remainder of this school year. Dr. Solberg got in touch with Mr. Jardine by phone and was immediately engaged for the vacancy on the high school staff.

Dr Solberg began her work at the Edson High School staff on Monday morning of this week. We are sure that she will receive that warm welcome for which Edson is justly famous.

M.D.M.

N.E.S.... and YOU

(The following job opportunities are listed by the National Employment Office in Edson, and is presented as the public interest by this newspaper.)

Employment in the Edson area during the month of December 62 held steady and compares favorably with one year ago.

Male employment was somewhat better while female employment a little less favorable. As of December 31, 1962 there were 361 men seeking work in this area while one year ago there were 304. As of the same date 121 women were seeking work this year compared with 96 last year.

During the year of 1962 your local National Employment Service filled 1302 job vacancies in this area. Our service to the public is increasing yearly and we sincerely hope that the local National Employment Service will continue to grow with Edson in 1963.

EMPLOYMENT OPPORTUNITIES

At Your Call in Your Time of Need

THE SISTERS, DOCTORS AND NURSES at St. John's Hospital Edson are very proud of the new operating theatre lights recently installed in the ceiling. Major, and in some cases minor operations have been hampered through the years by the old lights. This improvement will further modernize our fine local hospital facilities. Among the other safeguards installed this week was a 25 kva stand-by light plant to give emergency lighting for the hospital when needed. The new fixtures were made possible by Provincial and Federal Government grant through the Provincial Hospitals Board.

Former Edsonite gets new RCAF command

Wing Commander George H. Currie has replaced Wing Commander A. F. Brown as the officer commanding two flying training school at RCAF station Moose Jaw. W/C Brown has retired after serving in the RCAF for twenty two years.

W/C Currie was born in Camrose, received his education at Edmonton and Edson, and joined the RCAF in 1941.

Upon graduation as a pilot he served as a flying instructor at RCAF station Saskatoon until 1945, when he became air cadet liaison officer at 3 Air Command, then located in Winnipeg.

No stranger to Moose Jaw, having served there from 1950 to 1955 as a squadron commander with the flying training school, W/C Currie has also seen service at Trenton, Edmonton, 2 fighter wing, Turenio and Winnipeg.

Immediately prior to being transferred to Moose Jaw, he was stationed at training command headquarters, Winnipeg, as staff officer officers' postings and careers.

Married to the former Helen Steiner of Edson, the couple have two children and resides in married quarters at the base.

Eddy The Acrobat

By PERRI ICE

Eddy our city cousin could always be depended upon to put on a show of one kind or another, whenever he could be prevailed upon to spend a holiday with his country kin. He entertained us with everything from an imitation of the great Caruso singing O Sol Mio to some of the daredevil antics performed at traveling circuses. In our remote corner of Alberta we were lucky to attend a circus qua now and then.

Yes indeed we country cousins had a lot to learn about all kinds of things; among them the art of doing what was forbidden by our elders and Ed was just the guy to teach us. The things that kid couldn't think of just aren't worth mentioning.

We still remember the day Ed, very pompous and obnoxious, informed us that we were going to put on a play. He'd would act the part of a drunken sailor. Having learned in his travels that lemon extract was a fair substitute for the real thing, he rubbed Mom's cupboard, and proceeded to look up on the stuff.

At first he diluted it with water, but must have decided that was puny; because after the first couple of mouthers he took it straight. Not being well versed on the subject, Country cousins made no attempt toward curtailing his activities, and it would have done no good anyway. Who ever heard of Barnacle Bill taking orders from land lubbers anyway?

As the extract bottle emptied Ed became more and more enthused with himself and determined to produce a show worthy of his best efforts.

He tried a tight rope act but fell; attempted to ride a steer but was unloaded the first jump. Nothing daunted he climbed onto the fence and tried a swan dive into the watering trough. This fell flat as he bumped his head in the side of the trough and had to be revived by his audience.

This last injury called for another sip from the extract bottle, which revived Ed to such an extent that he promised us a trick we would never forget. Incidentally each of these acts was announced by Ed's manager brother.

The last was a deep dark secret — "Ladies and Gentlemen, if you are the fainting kind turn your backs on this one. The human fly will now perform his most death defying stunt."

Ed bowed gracefully and made a wild dash for the windmill where he paused briefly to let it all sink in, then started climbing the forty foot derrick.

Now the windmill was out of bounds for youngsters. We were never allowed to climb up that derrick and Ed knew it. The rest of us roared, threatened, bribed and even wept in an effort to stop him but to no avail. We had made the mistake of laughing when his other acts flopped and ridicule was one thing Ed could not and would not tolerate.

The first few feet were a cinch but before he reached the top we knew our hero was in trouble. But he refused to give in and eventually managed to reach the summit.

He climbed into the cat walk and sat down. When he looked toward the ground he got dizzy, when he turned his eyes skyward scuttling clouds made him dizzy. Then he became violently ill and had to hang on for dear life to keep from tumbling to the ground.

As the saying goes, pride goeth before a fall; and every last remnant of Ed's pride had gone sometime back. He coaxed us to do something, anything, to get him down, but our hands were tied. There was nothing we could do but feel sorry for our poor misguided acrobat.

We howled like banshees when he suggested he might have a better chance of reaching ground in one piece, if he slid down the guy wires and landed on top of the chicken house. We must have put up a pretty stiff argument because he did not try it.

The sun went down and the moon came up but Ed stayed put. Our Moms were away to town and we both dreaded and anticipated their return. We sat on the side of the horse trough and kept up a running conversation with our stranded actor, in hoop him awake till help arrived.

Finally the sound of approaching buggy wheels preceded the lamentors and a husband and no-hopers entertainer managed to transplant the leader back to terra firma. Ed realized, as did we all, that trouble in the form of our Mothers, was about to descend in all their fury; so chin-ben or not he had to get down off that derrick.

We promised not to tell our parents, but made Ed cross his heart and hope to die if he ever again did anything so foolish. Ed never stopped his amateur theatricals, but for certain that was his first and last encounter with lemon extract.

From there on he left the extracts strictly alone and for many weeks to come entertained us with his interpretations of a singing Evangelist.

4-H leaders getting course on basic goals

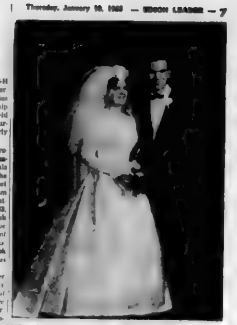
Almost 300 leaders of 4-H clubs from all parts of Alberta will be attending a series of 16 regional 4-H leadership courses, which will be held throughout the province during January and the early part of February.

In each of the one day programs emphasis will be on examination of the basic goals and objectives of 4-H, and the approach being taken to meet those goals. Other program features will include an outline of changes during 1963, planning of district inter-club activities for 1963, ideas for the 50th anniversary year of 4-H work in Canada, a discussion of problems and a look at certain aspects of various projects.

The series will be under the direction of the 4-H division of the Department of Agriculture with assistance from the District Agriculturists and District Home Economists throughout the province. All 4-H clubs are urged to have leaders or assistant leaders attend the courses in their area.

Closest course to our area will be held at Mayerthorpe, February 1.

Should weather conditions cause a change in any of these dates, the District Agriculturist in each district will arrange a new date for the course.



MR. AND MRS. MEL SOLTYS who were married in Edson United Church on December 22. The bride is the former Elizabeth Aileen Cosgrave, daughter of Mr. and Mrs. Jack Pattinson of Edson and the groom is the son of Mr. and Mrs. W. Soltys of Edmonton

Red Cross appeal reaches objective

For the first time since 1948 the provincial Red Cross campaign for funds has reached its objective with returns of $606,527 reported to December 20th in the 1962 appeal. The provincial objective was $597,000.

Total campaign returns, which represent contributions from some 401 campaign points throughout the province, include receipts of $156,486 from Red Cross campaigns conducted during the Spring.

HOW MANY KEEP THEIR SAVINGS IN A BANK?

Probably all of them / There are 10 million savings deposit accounts in the chartered banks, by far the most popular type. They are used by all sorts of people — wage-earners, businessmen, housewives, farmers, students — who know their money is safe, earns good interest, and is available whenever needed. And they like the efficiency and courtesy of the men and women who serve them / Your nearest branch is the place for your savings — and the one place you can do all your banking.

THE CHARTERED BANKS SERVING YOUR COMMUNITY

Mr. and Mrs. Mike Pulisho were visiting with Mr. and Mrs. G. Pulisho and Mr and Mrs. John Pulisho and family on Sunday.

Use adhesive tape to shorten a raincoat if you think you might want to lengthen it later. The tape leaves no needle marks.

PONTIAC lifts you UP and away from the everyday!

The new Pontiacs took to the road and people were quick to make comparisons. Their conclusion? Pontiac had the year's most winning style. Today, it still stands alone as the most beautiful car in the popular price field. Inside, there's the tasteful charm of spacious seats and rich new appointments. Power's supplied by a standard '6' or V8. See Pontiac's 13 models soon at your Pontiac dealer's.

Models illustrated, top to bottom: Parisienne Sport Coupe, Parisienne 4-door Safari, Laurentian 4-door Sedan.

*Sheerwall new optional at extra cost.

Water is directed through snake navel into rocker panel to flush out corrosive elements. Air flow dries panel interior, reducing rust

Pontiac body has a rust-resistant Zinc-O-Bonding process for Winter protection. The rustflow is aluminized to extend useable life

Positraction* rear axle increases traction on ice and snow. When one wheel slips, power is transferred to the other. *Optional at extra cost

AROUND TOWN

with IRENE ROCHEK

Mr. and Mrs. F. J. Goodwin from Calgary visited with their son the Vernon Goodwin's and family recently.

☆

Mr. and Mrs. Marvin Erickson and two children spent Christmas at Pothell with Mr. Erickson's parents.

☆

Mr. and Mrs. Jack Jory and Sharon spent the holiday season with their respective parents at Calgary and Bickerton.

☆

Mr. and Mrs. Ken Waiser and family from Cynon, Alberta spent the weekend here at the Mentz home.

☆

Mr. M. E. Collin and four children from Peace River visited here recently. Mrs. Connie Machin and two children spent part of the holidays here also before returning to Peace River where Connie is keeping house for Mr. Collin and children.

☆

Mr. and Mrs. Johnny Wallner and Cheryl of Jasper, and Mrs. Walker of Hinton visited at the Malvern home recently.

☆

Mr. and Mrs. T. I. Buell McLeod have returned from Detroit, Michigan where they have visited since October with their daughter Mrs. R. Pavik. Mrs. M Leod said that although temperatures were not as low as they are here, the humid, windy atmosphere made it seem even colder. Once again it is proven that Edson's not such a bad place to be, after all!

☆

A speedy recovery is Mrs. Marshall Wormsbeck who is in St. John's Hospital in Edson.

☆

Mr. and Mrs. Norm Horne and family were renewing acquaintances in Edson on the weekend.

☆

Mr. and Mrs. G. Gourley have returned from Red Deer after spending the holidays there with daughter Mrs Jean Holma and family.

☆

Soo Walter Kaan of Edmonton renewing acquaintances around town.

☆

The Art Scholtz have returned from Athabasca where they visited with Mrs. Scholtz's sister.

☆

The Curtis family spent part of the holiday season in Edmonton.

☆

Mr. and Mrs. J. Innes and family visited with Mrs. Innes' parents the Rombeaks in Telford recently.

☆

Mr. and Mrs. M. Bradley and family spent the Christmas season in Calgary with Mrs. Bradley's mother and sister.

☆

The Pettie family spent Christmas in Edmonton.

☆

Mr. and Mrs. Doug Murray and family have returned from Telford where they visited with Mrs. Murray's mother.

☆

Mrs. Jarvis and Ken have returned from Kitimat, B.C., where they spent Christmas with Mr. and Mrs. Lionel Baily, Mrs. Baily Sr., who had accompanied Mrs. Jarvis and Ken, remained at her son's home for a longer visit.

☆

Nice to see Mrs. Steve Kapty in Edson for a brief visit. Mrs. Kapty and friend Mrs. Youngman have been refreshing for their church, beginning at Winnipeg and motoring westward to Edson. Mr. Youngman joined the ladies at Innisfail. The Kapty's and Youngmans reside at Fort Fitzgerald, but travel about fifteen miles to Fort Smith, N.W.T. for their mail.

☆

Mr. and Mrs. Wm. Lilly of Red Deer visited parents and friends in Edson recently.

☆

Mr. and Mrs. Wm Lilly Sr., Mr. and Mrs. Harold Knabel and Mrs. Jean Freeman motored to Red Deer to spend Christmas with the Bill Lilly's there.

☆

Mr. and Mrs. Mike Bilan spent Christmas in Calgary. Mrs. Bilan is presently visiting her parents in Victoria.

☆

Mrs. Ken McKeever is in town visiting with her parents the Lavenders.

☆

Mrs. Agnes Waters left by bus on Sunday for a 10 day visit to Oakland. The occasion of her visit is to attend a family reunion to celebrate her parent's 60th wedding anniversary.

Carrot Creek

Did you ever see the like of our weather? Local residents could well have thrown away the calender last weekend and Monday and bidded themselves into believing it was March. Of course such spurts of above zero weather have their bad after effects but

☆

Mr. and Mrs. Alfred Boyd from Osgood, Ont., are visiting with their daughter, Mrs. and Mr. Jack Brown in Edson. Mr. Brown's mother Mrs. Florence Brown of Edmonton also visited here over the holidays.

☆

Holiday guests at the Chiarelli home included Mrs. Mickey Brunicki, Mr. Fred Chiarelli Sr., and sons Frank and Freddie, all of Edmonton.

☆

Mr. and Mrs. Ed Langhans and girls left Edson on the Thursday following New Years to take up residence in Ryan. Ed was promoted to vendor of the Alberta Liquor Board store there early in December and had been waiting till an apartment was available to move his family. Congratulations on the promotion and best wishes from their many friends in Edson and district.

who minds a shot of pneumonia now and then.'

Bob Bradley was admitted to hospital shortly after Christmas to have his tooth removed. Bob has been in poor health for some time and it is hoped removal of his tooth will have the desired effect.

Correction — Mr. and Mrs. Ken Thomas and family had New Years dinner at the home of Mr. and Mrs. Allen Forbes — not The Robert Hills as appeared in last weeks column. Sorry folks.

Things are gradually getting back to normal now that Christmas is over and we have 1963 properly launched. Pulp wood cutters and haulers are back on the job, very efficient equipment is on the highway cleaning away the snow and ice; Christmas trees having served their purpose are being relegated to where they felt put their discarded trees; Christmas cards stacked away — goodness knows why — and we recently heard of an isolated case of a family on the lookout for hungry New Year Eve's who rotated their home and polished off a turkey and a couple of hams intended for New Years day and evening. The owners of the feast were away at Xmas time. Oh well there's nothing can beat the old welcome mat.

AS I SEE IT

By Pastor Ward

One Hundred and Sixty Thousand Dollars ..BIG JUST CAN'T BE BOTHERED!

Perhaps you noticed the newspaper account just a few weeks ago. It concerned a certain probate court in the United States which found a rather unusual situation on its hands. It seems that a 88-year old woman has fallen heir to an inheritance of $160 thousand dollars. The strange angle of the story is that she doesn't want it. Her own words were supposedly, "I just can't be bothered with it."

Now this woman does not already have a big bank account. There might be some excuse for her attitude if she did. But the fact of the matter is that she is living on relief. As Pastor W. P. Merton (who also notes this news item) has commented, "$160,000 given to her, but satisfied with the pittance of relief."

The fact is that thousands upon thousands of folk are doing something even more foolish every day. God offers them the gift of eternal life, something that a hundred and sixty million dollars can not buy, yet multitudes ignore it, they just can't be bothered.

They're so engrossed and preoccupied with the tinsel and tears of earthly treasure (or perhaps the veneer of their own self-righteousness) that they simply haven't any use for God's free gift. It was no different when Christ walked among men. His great lament then was expressed with such pathos in the words, "Ye will not come to me that ye might have life."

God's Word frequently speaks of the inheritance which awaits the Sons of God. We read that they are "Heirs of salvation... heirs of eternal life . heirs of the promise" and almost incredibly, one Scripture says they are "joint-heirs with Christ of God."

There's no doubt about the validity and integrity of the offer. It's yours for the taking. Surely he is a fool indeed who deliberately refuses such grace. What will YOU do with God's gift???

"How about a shot?"
"I have scruples."
"That's all right. I've been vaccinated."

☆

"Pew, why was Adam created first?"
"To give him a chance to say something!"

Edson Bakery Bread

Is Going Up--- Not In Pr ice But in Quality

In October 1961 the following ad appeared in The Leader

Laboratory Tests have proven that Edson Bakery Bread scored highest (98) points of any bread tested for perfection in the last two months (86).

CHEMISTS COMMENTS: This is a very nice loaf as the score indicates. The taste and aroma are pleasant. I should think the customer would be quite happy with this bread.

N. D. CLEYNICK, Chemist, Calgary, Oct. 4, 1961

On December 19, 1962 your Edson Bakery sent three loaves from three different batches of bread and scored 91, 92 and 94 out of a possible 100 points. These loaves scored highest points possible (15-15) for both taste and aroma which indicates that Edson Bakery bread is baked for your satisfaction.

Complete score sheets may be seen at Edson Bakery.

DAFFYNITIONS

Diplomacy is that which causes a person to be cruel to a blind manner. For example the kind Auntie who did not want to hurt the feelings of a budding accordionist by telling him to stop playing, as she suggested he take the wheezy old squeeze box away to the far end of the town, so that grandma living several blocks away could enjoy the "music."

Sabin vaccine program in Health Unit shortly

"NO NEEDLE, NO BUMP, ONLY A SUGAR LUMP"

Sabin (oral polio) Vaccine will be distributed throughout the Edson Health Unit area to the following persons.

School Children — Those will receive their Sabin Vaccine in school, providing they have had three doses of Salk Vaccine. Consent forms will be given to the children in school. Parents are requested to fill them in and return them to the school promptly.

Pre-school Children — Those who have received four doses of Quadruple Vaccine or three doses of Salk Vaccine are eligible for Sabin Vaccine.

Adults — Those who have had three or more shots of "Salk." These adults are requested to register at the Edson office on the following dates: January 7, 8, 9, 10 and 14, 15, 16, 17 — 9-12 noon and 1-4 p.m.

ADULT AND PRE-SCHOOL CLINIC DATES AND TIMES:

EDSON — Jan. 23, 10-12 noon, 1-4 p.m., 7-8 p.m. Edson Health Unit Office.

WILDWOOD — Jan. 24, 1-5 p.m. School Auditorium.

PEERS — Jan. 25, 10-12 noon, 1-5 p.m. Nurses Office.

FULHAM — Jan. 28, 2-5:30 p.m. School Auditorium.

CADOMIN — Jan. 29, 1:15-2:30 p.m.

ROSS — Jan. 29, 4-6 p.m. School

NITON — Jan. 30, 2-4 p.m., 6-8 p.m. School Auditorium.

EVANSBURG — Jan. 31, 2-5 p.m., 6-8 p.m. Evansburg School.

Thank public for "Best Christmas Mail Operation"

Post Office officials have doffed their caps towards the press and public for ensuring possible what they described as "the biggest and best Christmas mail movement on record."

On the basis of preliminary figures from key major offices, postal authorities estimated that Christmas mail figures for 1962 were up from five to seven percent over last year's approximately 900-million items.

Most important statistic emerging from the Christmas rush was the fact that in all major offices, the peak working day was December 17th, the day the Post Office had set as a deadline for local mail delivery.

On that day more than 2 million cards were cancelled at Edmonton, two and one-quarter million at Vancouver, nearly two million at Winnipeg and four million at Toronto. Montreal's 4,410,200 represented the heaviest single day in the history of that office three-quarters of a million more than the biggest day last year.

Commenting on the Christ mas mail operation W. H. Wilson, Deputy Postmaster General, said that early reports indicated all major offices had cleared their Christmas mail by December 24th. He credited the press, radio and television for making known the need to mail early, and said that the Canadian public had responded to the Post Office's appeals for co-operation "better than ever before."

According to Mr. Wilson, the successful Christmas operation will be overstated by a considerable saving over expenses incurred during the holiday season in 1961. Public co-operation, combined with improved mail-handling methods were responsible for the saving, Mr. Wilson said.

Post Office officials said that generally good weather across Canada during the days leading up to Christmas had helped the Post Office maintain mail schedules. Commenting on the weather, one senior post office official said, "we worked hard, we had good co-operation, and we were lucky, too."

CARD OF THANKS

MR. AND MRS. ALEXANDER W. RUSSELL of Calgary who were married in late fall in Montana. The bride is the former Geraldine Mahon, daughter of Mr. and Mrs. A. G. Mahon of Edson and the groom is the son of Mr. and Mrs. W. R. Russell of Vermilion.

Federal Conservatives re-elect Spruce Grove man President

The annual meeting of the Jasper-Edson Progressive Conservative Association held in the Parish Hall, Edson, last Friday evening saw a representation from most parts of the Jasper-Edson riding rename John Sherfield of Spruce Grove president of the association for a second term.

Named vice presidents were R. F. Dale of Carnwile and J. A. Bell of Edson. Frank Flanagan of Stony Plain was again elected secretary treasurer.

Directors named included: Harry Cardinal, Darwell; Sam Jaroniak, Barrhead; Cedric Coates, Onoway; Peter Burnstick, Duffield; Len Corbeny, Evansburg; J. Hurley, Drayton Valley; Harry Wadley, Edmunton Hallowes, Rangudo; Mrs. D. M. Roberts, Wahenan; Mrs. Molly Wenham, Drayton Valley; Les Gould, Mayerthorpe; John Stevens, Morinville; Ray Nelson, Chip Lake; Alan Clark, Lenton; Myrle Clark, Jasper; Max Weber, Calahoo; and Robert Nelson, Spruce Grove.

MP SPEAKS

Dr. Hugh Horner, the speaker for the evening touched on the financial picture across Canada and reminded his audience that the main cause of the crisis last June had been a run on foreign exchange.

"You only get into an exchange crisis when people have money to spend," said Dr. Horner. "Candidates as a whole were able to buy more foreign goods even though they were more expensive."

Touching on Canada's gross national product, the speaker said that this rose eight per cent during the year and was the best year since 1956. It was a greater rise than any of the countries in the European Common Market and was a net seven per cent even when the increase in the cost of living was taken into account.

"This doesn't mean that we don't have something to keep our economy rolling," said the MP, "but the solution lies with Canadians increasing their productivity."

"All our foreign exchange borrowings of last year have been paid back to the International fund," the speaker told the meeting.

DEVALUATION

Touching on devaluation Dr Horner said that the benefits of this policy are just now beginning to be felt. There were more dollars spent in Canada by American tourists and for the first time this balanced what Canadians spend in the U.S.

In this constituency the first shipments of sulphur from the Windfall plant were made possible because devaluation has made the Alberta product competitive with world prices.

Devaluation," he said, "has meant more to the farmers than any slight increase in the cost of machinery they had to buy." New impetus has been given to the oil and gas industry which is so important to our constituency he added.

NATIONAL PARKS

The passing months, said Dr. Horner, have vindicated his position on the national parks. He reminded his listeners that the only substantial cut in appropriations to the parks had been in the highway trunks.

Referring to his controversy with a senior civil servant and the latter's remarks to the press in Edmonton, Dr. Horner said that this official didn't even know the bridges on the Jasper-Banff highway had been completed and was due for opening when he told about likely cuts in parks spending.

"We must have some plan of service development for the ordinary people in our wilderness areas," the MP told the meeting. He had been accused of advocating turning the national parks over to commercial interests he said.

"But I say that the facilities could well be developed by private commercial money under supervision of the Parks Department," said Dr. Horner.

In line with this point of view a call for tenders had been forced on the gondola lift and now a million dollar lift is being built at Jasper by private enterprise he added.

TRANS-CANADA

"The location of the second trans-Canada highway is a provincial responsibility," said the speaker. "B.C. has indicated it prefers the McBride-Prince George route . . . we should all press for completion of the Kamloops-Yellowhead portion by the B.C. government as part of the deal," he added.

"The present session of Parliament has been mostly just rubbing," said the MP. Much of this has been the result of opposition members stretching out the debates to absurd lengths he said.

New changes in the Farm Credit Corporation will now make it possible to lend to farmers with smaller economic units and should prove a boon to farmers in this constituency

NIGERIAN TRIP

As a diversion from the Canadian scene, Dr. Horner briefly told his listeners about his two months with the Canadian Trade Mission to Nigeria and problems of that country with its tremendous undeveloped natural resources and its untrained and unskilled mass of people.

Much of that country's difficulty, he told the meeting, lies in the fact that out of the forty million population only two per cent of the people are educated.

The meeting closed with resolution endorsing Dr. Horner's stand last year on policy for the national parks.

J. A. Bell and D. H. Caston were named official delegates from the constituency to the convention of the party in Ottawa January 17-18. Mrs. Hone Muriel of Morinville was named alternate lady delegate.

Reception honors New executive couple following recent wedding

A reception in honor of Mr. and Mrs. Alex Russell (nee Geraldine Mahon) of Calgary was held Saturday, Dec. 28th at the Gerald Mahon home.

Among the out-of-town guests who attended were Mrs. E. Peterson, grandmother of the bride from Wimo, the groom's parents, Mr. and Mrs. W. R. Russell of Vermilion; the groom's grandparents, Mr. and Mrs. M Latam of Brunmar and his brother Mr. Albert Russell, also from Brunmar; Mr. and Mrs Bob Leyden.

Mr. and Mrs. Steve Marshall; Mrs. Myers; Mr. and Mrs. Cardinglay; Mr. and Mrs. Charles Marshall; Gary and Linda Mahon and Shirley Scher, all of Edmonton; Mrs. Jack Morris and family of Vancouver; Mr and Mrs. F. Hirk, at the J. Christenson home, with Mrs. Robert Woodward acting as hostess.

for Anglican WA group

At a recent meeting of the Evening Branch WA of St. Catherine's Anglican Church the following executive officers were elected.

Mrs. Mary Johnson, president; Mrs. Mary Rowan, vice president; Mrs. Nellie Field, treasurer; Mrs. Grace Harrison, secretary; Mrs. Terry Koome, Junior Auxiliary secretary.

Mrs. Dorothy Kendall, Decoa secretary; Mrs. Elaine Maddock, Little Helpers Secretary; Mrs. Nan Horne, senior girls' Lianne representative; Mrs. Ben Ashwell, prayer partner.

Geraldine was feted at a shower on Wednesday, Dec. 18th, at the J. Christenson home, with Mrs. Robert Woodward acting as hostess.

FIRST PRODUCING OIL WELL in the immediate Edson District. Located 10 miles northwest of Edson, the well has been named HB Edson 10-8 by Hudson's Bay Oil and Gas Company who drilled and brought the well into production. The crude oil is being hauled to the Transmountain pumping station by Jim Williams for Gibson Petroleum Company. Jim's truck can be seen being filled. The well has an initial potential of 320 barrels per day on a restricted cake. The crude is 53 degrees API gravity and comes from what is reported to be a "good pocket."

H & S adult education classes proving popular

The first executive meeting for 1963 of the Edson Home and School Association was held in the High School on Wednesday. The main subject under discussion was the adult education program embarked on by the Association.

The Edson Home and School Association quite possibly is unique in the Province in undertaking this program. The committee appointed to deal with this program has put in considerable work sorting through application forms received through the newspaper and through the schools.

A minimum of 10 students per class is essential to put it on a sound financial basis and the committee therefore decided to try and organize classes in subjects for which 10 or more application forms had been received.

As a result the opening of three classes this past week was announced in the paper; namely — bookkeeping on Tuesday and typing and oral French on Thursday each class to run from 7:30 to 9:30

Rec Board recommends Artificial ice for arena

Installation of artificial ice and renovation of the existing Arena building, has been recommended by the town's Recreation Board to Council, as being preferable and less costly than a new arena.

The Board's plan, prepared after six months of research, was discussed at a meeting of the Recreation Board January 10th, which was attended by the town's secretary-manager, Rod Gregg and town engineer Eric Shepherd. The plan will be turned over to the town Council to be submitted to an architect for study who will then report on its feasibility.

Cost of a new Arena would be in the neighborhood of $250,000, the Board learned, and it felt this was prohibitive. Renovations and additions to the existing arena and installation of artifical ice could be accomplished at less than half the cost of a new arena and would serve the town's needs for the next twenty years, it was felt.

Recommendations by the Recreation Board call for an artificial ice surface 180 by 85 feet, a cement floor in the arena, a concession booth, a heated dressing room with an inter-com system for figure skaters, at the south end of the building, a locker room, a new public address system and heating of all seats on the east side of the rink.

Direct entry to the ice from the dressing rooms has also been recommended as well as installation of a ceiling in the building, spotlights and construction of a catwalk to the centre of the ceiling. The plan calls for construction of a portable stage for year-round use.

The Board granted a Kinsmen request for evening use of the Arena, for one week from February 25th to March 3rd, in preparation for their annual ice carnival. During that week there will be open skating only in the afternoons.

A letter from James E. Mitford, of St. Clou, Florida, was read at the meeting, enquiring as to the possibility of setting up a summer theatre here.

The writer envisioned a local theatre group presenting six or seven plays during the summer under his direction, if a building was provided with a seating capacity of 300 to 400 people.

Edson has been selected as the site for the theatre venture as being the half-way point between Edmonton and Jasper.

The secretary was instructed to write Mr. Mitford, thanking him for his interest in Edson but pointing out that the Board felt the town was not yet ready for a venture of this kind.

Public speaking classes Jan 24

Classes in public speaking will open at the High School Thursday evening, January 24, at 7.30 p.m. and anyone interested in taking the twenty week course is asked to contact either Mrs. J. W. McNaught at 3-5488 or Mrs. Howard Walker at 3-2088.

The Home and School executive decided to set up the additional class after Mrs. Mc Jean McKnight, head of the Adult Education committee, reported a number of phone calls requesting public speaking classes. To date, 17 people have already asked to enrol in the course.

If enough requests are received, a class in basic English may also be set up, it has been indicated.

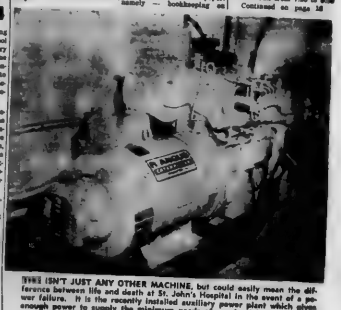
The snow that Edmonton have been wading through for the past week is 10 inches deep.



THIS ISN'T JUST ANY OTHER MACHINE, but could easily mean the difference between life and death at St. John's Hospital in the event of a power failure. It is the recently installed auxiliary power plant which gives an emergency arise. Powered by an oil burning engine it is independent of outside sources of fuel whenever called into use.

AS I SEE IT

By Pastor E. Hurd

I noted recently this rather disturbing item, from a reliable source. The statement was made that the secular school curriculum contributed the following proportions to the average growth of a child: 25% intellectual growth 3% emotional growth.

The more I thought about that, the more I became thankful for the Christian home and Sunday School.

There are the only two influences left which are attempting to make up a normal balance to this one-sided educational program.

Perhaps the greatest need today is in the area of the Christian home. It has been rightly said that as goes the home, so goes the nation. Christian instruction should begin at home. Every home should have a Bible and read it regularly as a family. God's commandment of old reminded Israel that "These words which I command thee this day shall be in thine heart and thou shalt teach them diligently unto thy children, and shall talk of them when thou sittest in thine house." (Deuteronomy 6:6, 7a). There is no substitute for the family Altar — that period each day when the family joins together for Bible reading and Prayer. The parents who fail to provide this heritage for their children shall surely have to give account to God. Why not determine in your heart right now — at the beginning of the New Year —that you will establish a family Altar? You owe it to your children.

Yes, Christian training is the responsibility of Christian parents. But the fact remains that the vast majority of parents today are not Christians, nor do they provide such Christian training. It is for this reason that the Sunday School is such an important force in the community. We are doing our utmost to fill this vast spiritual vacuum in the minds of so many of our community's youngsters. You can help us in at least two ways: establish a regular habit of Sunday School for your children, and then come along with them.

HB 10 MILES NORTHWEST of Edson looks like this at the well site. The first producing oil well in the immediate Edson vicinity, the well came into production early in December. Drilled by Hudson's Bay Oil and Gas Co., the product is being trucked to Transmountain Pipe Line facilities at Meldrum by Jim Williams of Edson whose truck is getting filled up in this shot. Gibson Petroleum Co. Ltd., are buying the production from Hudson's Bay. This is a sight that could well become as common around our district as some of the other oil producing areas of our fair province.

Edson Ski Tow now in operation

The Edson Ski Club has announced that their new ski tow began operating on Sunday, January 6th. Extremely mild weather made conditions poor, but skiers braved most and many slopes in their enthusiasm to use the ski tow.

Installation and operation of the new rope tow is being financed entirely through membership in the Edson Ski Club. Membership fees are being kept to a minimum in order to promote skiing in Edson.

Family membership is $25, while the single adult rate is $5.00, and student fees $3.00. Membership in the ski club allows free use of the ski tow for the season. Daily ski tow rates are also very reasonable. $1.00 for adults and 50c for students.

The recreation facilities in Willmore Park also include a fast toboggan run, which is providing plenty of thrills for the young fry. This toboggan run was made available by the ski club, and is located on the west end of the hill.

An excellent lodge for sports fans has been completed by the Town of Edson at the base of the ski hill and a snow road makes the area easily accessible by car.

Members of the Edson Ski Club wish to point out that to tobogganing on the ski hill in Willmore Park leaves very much room for skiers and are dangerous for skiers. They request the co-operation of tobogganers in playing only on the tobaggan hill provided for them.

Electrical dangers

Faulty use of electrical appliances and wiring causes more than 4,000 fires annually, according to the All Canada Insurance Federation. Damage is close to $10,000,000.

Officials of the Federation, which represents 200 fire, automobile and casualty insurance companies, say that careless installation and overloading are two common causes of fire.

Safety experts recommend the following precautions against fires in the home.

(1) Only qualified experts should be allowed to install wiring.

(2) When adding a new appliance to home circuits, make sure wiring is heavy enough. Periodic checks by qualified electricians are advised.

(3) Replace cords on lamps and appliances when worn; they seldom are worth repairing.

(4) Do not string wires over hooks, under rugs or where constant wear and pressure may cause fraying.

(5) Laundry or clothing should never be hung on wires.

(6) Home-made extension

(7) Never use improper fuses or re substitutes. Fuses protect you by cutting off electricity when danger is present.

(8) Turn appliances off when not in use.

(9) Use only recognized makes of appliances. Electrical equipment should carry a seal of approval such as that of the Underwriters' Laboratories.

POLITICAL EXPEDIENCY A CANADIAN TRAIT

One of the things we have observed about Canadian politics is the unreality of much of the ideologies we hear about how democracy should operate in a geographically impossible country such as ours. Three thousand miles across and population concentrated in clumps close to the 49th parallel with whole section thinned out to no population at all makes for peculiar political phenomenons.

To govern this vast country with its sectional points of view and rampant provincialism has always required a compromiser. The late Hon. Mackenzie King worked it up to a fine art. We all recall for instance the "Conscription if necessary, but not necessarily conscription" slogan after the whole country voted yes (except for Quebec) in 1941. Canadian boys were going to die in a few months in unreenforced regiments, while men better trained in some ways than they were, were sitting in Canada in spite of the country saying they were in favor of conscription. Lack of political guts about this and many other problems that should have been faced up to during the Liberal regime has again been criticized in the present Conservative regime.

Whether the upcoming Conservative convention in Ottawa will turn up anything to counteract the positive statements of Hon. Leader Pearson remains to be seen. Up until this week the main criticism of the present government was its seeming lack of direction and decision. By next week we should know if Hon. John Diefenbaker and his party have come up with a program that will set the issues to be debated by the various parties in the next election.

There is no such thing, it seems, in Canada any more of knowing what a man is by his party label. Tories are no longer only to the right—the Social Crediters are right over there too—except that they both practice welfare statism when they form the government. As if it was not enough for the parties of what should be the right, we have Liberals making speeches no modern Tory would make, then slipping over to socialism in another section, while the CCF clings to their lofted viewpoint that seems more crowded all the time.

If the above paragraph doesn't make sense, it doesn't to us either, now that we have read it over. But the point we have been trying to make is that there is no black and white in Canadian politics (if there is anywhere in the world). Compromise with the facts at any given time, compromise with particular prejudices or sectional points of view, yes even compromise with principle at times. This is democracy in action. It's confusing to both us and our enemies. At least what comes out of the hopper is somewhere near what the governed have consented to at the polls.

Letters to the Editor

Dear Sir:

I was astonished to note certain remarks made by Dr. Hugh Horner, M.P., in his address to the annual meeting of the Jasper-Edson Progressive-Conservative Association as reported by you, valuable newspaper on January 10 and, with particular reference to the effects of devaluation of the Canadian dollar, I quote: "In this constituency the first shipments of sulphur from the Windfall plant were made possible because devaluation has made the Alberta product competitive with world prices."

It is not my intention here to criticize or commend Govt. Financial Policy rather, to state, having due regard to the 2% rise in the green national product why Canadian industry should have to rely on the Government to provide the necessary incentive to sell.

In other words, if the gross national product rose by 2% without a corresponding rise in the cost of production, then favorable position in compare to the world market.

Returning to the above quotation, Canada Fine was preparing for the marketing of this valuable by-product of natural gas refining to have anyone thought of devaluation of the dollar, some 'oil' to this water.

In fact, sulphur began moving from the Windfall plant upon completion of the branch rail line from Whitecourt to Windfall, and when the CNR was prepared to handle the cargo.

Yours sincerely,
John Romaniuk

Dear Editor:

Would like you to know I received several letters in response to the January 10th issue I submitted a year per with regard to Power.

I should like to remark for the benefit of certain people. Quit I am not, and never was of surprise opposed to FREE ENTERPRISE. Providing it is used to the extent of its meaning, if it should need it is not being used for its true meaning, then it is only a means, and becomes — monopolies.

Let us keep our Free Enterprise, and make it work to the best of our ability OPPOSITION always has been the SPICE of TRADE it is also beneficial to the CONSUMER.

The controversial point however is still (power) how will we get it, and when, for a price satisfactory to both sides or not.

H. J. Smith,
Wolf Creek

LAFFS . . .

A wealthy oilman decided to go to church one Sunday. After the service he approached the preacher with these confessions.

"Reverend, that was a damn good sermon you gave, damn good."

"I'm satisfied that you liked it but why use such terms in expressing yourself "

"I can't help it, Reverend, I still think it was a damned good sermon. As a matter of fact, I was so impressed, I put a hundred dollar bill in the collection plate."

"The hell you did," was the startled response.

CAPITAL REPORT

NO SPECIAL PRIVILEGES IN ALBERTA

BY JOHN WARREN

EDMONTON — Accusations by Social Crediter Real Caouette in Ottawa last week, that the western provinces aren't doing enough for French Canadians is their education systems, brought a predictable reaction from the provincial government.

"Caouette's statement has no application to the situation in Alberta," said Premier Manning. "There is no basis to any statement that minorities are treated unfairly in this province."

Mr Manning said the government has always been able to sit down with French Canadians to discuss problems. "We have had an excellent relationship with them," he said.

Mr Caouette said French Canadians should have their own schools without double taxation. He charged both the Alberta and British Columbia governments with unjust treatment of this group in education.

Education Minister, A. O. Aalborg said that if French Canadians feel this way "then they are not looking for fair and equal treatment. They are looking for special privileges and so group is entitled to special privileges. There is no basis for any special treatment."

☆

Another report from Ottawa drew a reaction from a provincial government minister. It was the Glassco Royal Commission report (volume III) which dealt with the heavy cost of operating and financing hospitals among other things).

Health Minister Dr J. Donovan Ross engaged builders and heavy construction section removed if the federal government got right out of the health field. He was sharply critical of the report's suggestion the provinces have wasted money on wrong hospital designs and over-elaborate facilities.

"We're probably more conscious of such expenditures than the federal government. We have a bigger stake in the matter," he said "We're as anxious to cut costs as anyone.

Dr. Ross said that if the federal government "would live up to its constitutional responsibility and get out of the health field many problems would disappear."

Dr Ross said hospital plans are checked carefull, and Albertans are getting good value for their money. He added, "The matter of health is a provincial responsibility. There is no need for the federal government to maintain a large health department just duplicating the facilities of the provinces."

☆

A pre-budget peek at the activities of government accountants and economists indicates they are fighting a losing battle to hold the line on provincial expenditures.

Already it seems likely that last year's record budget of $254,000,000 will be exceeded by at least $30,000,000 a figure that represents the rising costs of normal projected expansion without taking such things as major construction work into account.

The projections show that education and health costs rose as much as $20,000,000 next year and welfare expenditures could increase by more than $6,000,000. A pay hike for civil servants will possibly add another $1,000,000.

The government's biggest problem, of course, is in trying to maintain a nearly balanced budget while presenting a bright vote-getting picture for an election year. This normally means no increase in taxation and a heavy program of capital construction.

☆

Highways Minister Gordon Taylor had a sharp response last week when the chairman of the Canadian Construction Association's road builders and heavy construction section proposed a contract system for road maintenance

He said road maintenance does not lend itself to competitive bidding and added that contractors probably wouldn't like the idea either.

"As a matter of fact I think we're getting our maintenance done at the lowest possible cost now," said Mr Taylor. He suggested that while the existing system of government operated maintenance may not be perfect it is better than any other method.

WHAT WORK BUYS

An interesting study has been published in Sweden of what the average factory worker's pay represents in terms of consumer goods in five countries. The list of 15 commodities includes foods, clothing, some household appliances and a passenger automobile. The five countries covered in the survey are the Soviet Union, the United States, Sweden, West Germany and Finland. By equating the output and living standards of Canadian workers as being equal to 70 per cent of the U.S. average, the comparison can be extended to take in this country.

As might be expected, the Soviet worker pays most in terms of work for everything on the list. With the exception of sugar, where the Swedish worker has the advantage, the U.S. worker pays the least. The Finnish and West German workers are behind other than their Russian counterparts, but not as well off as the Swedes, and the Canadian does very well indeed.

The study was based on recent department store prices for commodities of equal value. For a pair of shoes the U.S. worker works three hours and 30 minutes, the Canadian four hours and a half, the Swede eight hours, and the Russian 78 hours. For a 100-pound bag of potatoes the U.S. worker works two hours and a quarter, the Canadian three hours and 20 minutes, the Swede about a quarter of an hour longer than the Canadian, and the Russian 11 hours and 30 minutes.

For a one-pound loaf of bread the U.S. worker works five minutes, the Swede and the Canadian about six minutes, and the Russian over seven minutes. For a pound of beef, presumably hamburg steak, the U.S. worker works 15 minutes, the Canadian 20 minutes, the Swede about 27 minutes, and the Russian about two hours and a quarter. To pay for a man's watch the U.S. worker works just over seven hours, and the Canadian just over 10 hours; the Swede works 32 hours to buy one, but the Russian works over 60 hours for his.

For a man's suit the U.S. worker works nearly 18 hours, the Canadian just over 23 hours, the Swede nearly 30 hours, and the Russian 100 hours. For a sewing machine the comparison is 36 hours of work for the U.S. man, nearly 46 hours for the Canadian, nearly 160 hours for the Swede and 235 hours for the Russian. For a television set the U.S. worker works 66 hours and the Canadian 105 hours, while the Swede works 120 hours and the Russian 700 hours. Finally, to buy a new car the U.S worker puts in 775 hours on his job, the Canadian 1,020 hours, the Swede 1,230 hours — but for the Russian worker the price of a car is the equivalent of 6,300 hours of employment.

As the Swedish publisher says, "These are the facts. Draw your own conclusions."

—By C. J. Harris

Boon To Man

We worry sometimes, in this progressive scientific age, whether we aren't getting too close to gadgetry But every Christmas shopping season provides reassurance

Last year's power drink-stirrer, for instance, roused a few qualms at first, on grounds of questionable utility But it wasn't long after the holidays that those lucky enough to own one proved us that the drink stirrer had done much to take the drudgery out of drinking.

For Christmas, 1963, we've already got our sights fixed in, and any hints made for, an even greater boon to mankind. We can see this shopping season going down in history as the new world, that has such gadgets in it.

—Windsor Star

WHO'S LOOKING FOR THANKS?

"Meddling with another man's folly is always thankless work." —Rudyard Kipling

District resident Mrs. Lucy A. Frith passes

Mrs. Lucy Ann Frith passed away in St. John's Hospital, Edson, on January 6, in her 82nd year.

She is survived by four sons: Jack, Vancouver; Percy, Edmonton; Cecil and Ronald Yale; two daughters, Mrs. William Elliot (Phyllis), Vancouver, Mrs. Rudy Randall, Dorothy. Edson, nineteen grandchildren and nineteen great-grandchildren.

Mrs Frith was predeceased by her husband, Percy in 1962, and by a son Claude, in 1921.

Born, the youngest of twelve, at Stratford-On-Avon, England, January 17,1880, Lucy Ann Frith was married to Percy Alfred Frith June 4, 1899 in 1905, with their family of three they sailed for Canada and arrived in Calgary June 6. Mr. Frith found employment there with the Hudson's Bay Co.

Three years later Mr Frith homesteaded in the Nimmon district At that time there was no railroad between Calgary and Drumheller and the Pyrtha. along with a number of other families made the hundred mile journey by team and wagon. Their first home was a sod dugout.

Hit hard by drought and the depression the family, in 1930, decided to leave the prairies and homesteaded in the Yates district in the Hi.

[illegible] Lodge installs officers

Welcome Rebekah Lodge No. 48 held their annual installation ceremony on Thursday January 10th in the IOOF hall in conjunction with their regular meeting

Sister Robertina Crossman District's Deputy President of District No 2 duly installed the officers present with the assistance of her staff Terasy Mershall Sister Jessie Lilly Dennis Yarden Sister Nadine Cummins and Dorcas Chaplain Sister Vera Wahrmeier

Those installed were Noble Grand Sister Viola James Vice Grand Sister Jessie Wyman Recording Secretary Sister Frances Christie Nickel Secretary of Noble Grand Sister Helen Cummins Left Secretary of Noble Grand Sister Vera Wahrmeier Left Supporter of Vice Grand Sister Astrid Rasmussen

Warden Sister Jessie Lilly Conductor Sister Mary Jones Chaplain Sister Lillian Mosher Musician Sister Catherine Christensen Inside Guardian Sister Jean Freeman Outside Guardian Brother C. B Christie

Financial Secretary Sister Fanny Lambrier Treasurer Sister Margaret Hilditch and Right Supporter of the Vice Grand Sister Elsie Wilson were all absent They will be installed at a later date

A Past Noble Grand's pin was also presented to Sister Viola James by Sister Cross man in recognition of her services but year as this is her second year as Noble Grand.

The 181st anniversary of the birth of Thomas Wilder, the founder of the Independent Order of Oddfellows was also celebrated by a reading in his honor given by Sister Jessie Lilly and a delicious lunch at the close of the meeting

Teen and Herd

By Duke

My New Year's resolution, to write a column for The Leader about teens and things, our activities in school and out of school, and just anything I can mup up and write out

—The boys and girls basketball games at Hinton on Friday are not last Friday not as much by the weather but by the coaches first who would have drove the temperatures would 60 degrees that day?!

But Edson will be out for Wildwood's skin Friday the 18 at 7:00 p.m. Be sure and come, even if we don't win, our cheerleaders and girls basketball teams are worth looking at!

—Our oldest hockey team took Hinton by a score of 8-5 last Saturday

—Incidentally anyone interested in playing Juvenile hockey should contact some of the boys in grade eleven

—Who was the pansy who took his lunch that first real cold day Nick? Stitch enjoyed it too!.

—Wonder what ever happened to the mirror in the boys washroom?

—There is a High School Curling Bonspiel on the 29th of this month Enter your names as soon as possible

St. John's Auxiliary has rewarding year

St John's Hospital Auxiliary reports 1962 an interesting and rewarding year.

Some of their projects and activities were: Nurses' Award of $100.00 was presented; a cot-cutter was donated to the hospital; A whist party was held at the Parkland Lodge members assisted at the National Open House; reports were made and distributed to children in the hospital; coffee and treats were served every Wednesday afternoon to the patients

A silver moon was presented to the first baby born on Florence Nightingale day as related in securing transportation for patients requiring further medical help in the city. Invertee were presented to needy patients; crutches are available for anyone requiring them while recovering leg at home; magazines were taken in the hospital

The first general meeting was held last Tuesday in the Edson Health Unit, when plans were made for a whist party for the benefit of the guests at the Parkland Lodge and a Sunday night dance.

The dates will be announced.

N.E.S. . . . and YOU

(The following job opportunities are listed by the National Employment Office in Edson, and is presented in the public interest by this newspaper.)

This message may be of particular interest to employers who have staff turn-over problems. Perhaps you have certain jobs in your establishment which you just cannot keep filled. A staffing problem like this is both aggravating and costly. Yet it is a problem that can be .ved. The N.E.S. may be of assistance to employers in solving this problem.

The N.E.S. should be told precisely what are the duties to be performed and what qualifications are necessary. Inadequate information is just as bad as over-estimating the requirements of a job. If you need a clerk tell us what the clerk has to do and what skill and experience are necessary. If you need a machine operator tell us the simplest operation tell us what the work involves and avoid the pitfall of overeducation, leading to frustrated dissatisfaction with what may be a dead end job.

Do not condemn in confusion a person unsuited to the job. Help him. Everybody is good at something and by giving the local office of the N.E.S. complete details of the job we will ensure better selection which in turn will cut down your labor turnover.

Employment Opportunities

Ton of fish from Fickle Lake

Local and outside fishermen met their nets last Thursday on a very cold Fickle Lake near Erith on the Coal Branch. They returned the next day to take them up and found they averaged 35 white fish per net for their trouble.

This was the only lake in the immediate area that has not been netted by anglers this winter. Forty licensed were sold, 36 of these to local fishermen, 8 to Hinton residents and the rest to fishermen from Edmonton, Spruce and Mundare.

The lake limit set by the Fish and Game Branch was 1,500 pounds. The total poll amounted to 1,360 pounds. The fish averaged 3 lbs. 2 oz. each.

Mrs. Cassidy passes

Mrs. Mary Cassidy, 82, passed away in the Edson Hospital on Wednesday, January 9, 1963.

Mrs. Cassidy was born in Ireland and came to Canada in 1911. She lived in Edmonton for a number of years before moving to Edson in 1951.

She is survived by one son, Frank, Edson, and one daughter, Mrs. Mary Ann Hall, Edmonton.

Funeral service was held from the Edson United Church on Friday, January 11, with Rev. Mr. Hall officiating. Interment was in the Edson Cemetery.

Edson Midgets take Hinton on local ice

The Edson Legion Midgets defeated the Hinton Midgets in the Edson arena last Saturday, January 12 - the first game of the season for both teams — by a score of 5-3 in a close, hard fought game in which they outskated and outplayed the Hinton team.

Hinton was ahead 3-1 after the first period and the score was tied 4-4 after two periods of play.

Dennis Mains scored two goals for Edson with other goals by Chuck Kiel, Neil Tredwin and John Serapio.

Goalie Igor Ied Edson scorers with three goals and singles were notched by Lorne McGuire, John May, Mark Irwin, Jim Schaeffer and Wayne Gerding.

HINTON LINEUP: Goal, Joe Simms; Defence, Ken Cheith, Teddy Armstrong, H. Hrabeski; Forwards, Chuck Kiel, John Morris, John Serapio, Dennis Mains, Bryan Goshira, Neil Tredwin, Terry Marilyn, Shirley, and Sheila of Simms.

EDSON LINEUP: Goal, Dale Melntyre; Defence, Keith Switzer, Cliff Bennett, Bill Mahon, Mike Brennan; Mark Irwin, Fred Brand; Forwards, Jim Schaeffer, John May, Randy Fraser, Wayne Gerding, Eddie May, Gordon Wells, Peter Pellizzari, Garry Dirks and John McGuire.

SUMMARY: First period: 1 - Hinton, E. May (Gerding) 1:01; 2 - Edson, J. McIntyre (Fryar) 10:02; 3 - Hinton, D. Mains (T. Switzer) 18:00. Penalty: E. Switzer 17:00.

Second Period: 4 - Edson, E. May (J. May) 0:46; 5 - Mains, D. Mains, 4:00; 6 - C. Kiel, 18:00. 7 - Edson, J. May 20:00; 8 - Hinton N. Tredwin, 24:00. Penalties: None.

Third Period: 9 - Hinton, Serapy (Kiel) 1:30; 10 - Edson, M. Irwin, 12:00; 11 - Edson, E. May (J. May) 16:44; 12 - Edson, Schaeffer (Dirks) 22:00 13 - Edson, Gerding (J. May) 24:00. Penalties: M. Irwin, 7:00; J. May, 9:00; W. Gerding and Chuck Kiel, 18:00.

Mel Taylor honored by Jasper C of C

By H. ELAINE ALEXANDER

It was a pleasure and a privilege to attend the Jasper Chamber of Commerce annual meeting held in the Athabasca Hotel on January 12th at Jasper. In addition to the annual reports which were presented at this meeting, the gathering and the many guests assembled were there to honour one of Jasper's oldtimers — Mr. and Mrs. M. L. Taylor. Mr. Taylor retired from his position as Chamber secretary after 14 years.

Retiring Park Superintendent Mr. T. Atkinson gave his report to the Chamber which included reports of the camp grounds, the boundary roads and the golfing. He also mentioned the fish hatcheries program, work being done on Jasper-Banff Highway, Highway 16 east and reported that the Maligne Lake Road is now complete for 14 miles of the 16½ miles. The road to Mount Robson has been surveyed and completion of the entire lower road over to lower levels on Fryatt and Moosehide. Two bridges had been obtained for the Yellowhead Highway.

Plans for the future include a Wildlife Exhibit campground, extended parking facilities at Maligne that will not solve the problem but will improve it, improved facilities at Miette, Salvage of logs and clearing on the Jig Highway. Clearing has also been done to improve the Maligne Lake Narrows road.

He pointed out that three million dollars is to be spent in the Park by private enterprise including Jasper Park Lodge, Athol Dodgin, Mount Terry, Athabasca Motor Lodge and the chair lift on Whistlers Mountain. He concluded that he was proud to live in Jasper, proud to live in Alberta and proud to be a Canadian. Mr. Atkinson retired in April from his post as Park Superintendent.

The Chamber treasurer showing expenditures of over 7,000 dollars was presented which included, I presume, the 2,500 brochures which have all but 7,000 been distributed in addition to the 20,000 Jasper Chamber maps.

Magistrate Dan Webster of Edmonton at the installation of Don Harpe who was reappointed to office as president for another term. In his report he pointed out that Jasper had benefited from the opening of the Trans Canada Highway. There were 400 fully RCC cars which pointed out that "quantity must another major highway which would mean more to us — The Yellowhead" — he added.

Jasper is coming into its own in the tourist business he pointed out and mentioned, in particular the AAHA Convention which is off-season business — a small Yellowhead picnic — the meeting with Mr. Coleman and, he added, it is our hope that we can meet even a year with a senior federal official.

He introduced his executive and the Advisory Committee of past presidents. He said of the Jasper Show was planned and continuation of off-season conventions. The Chamber he added was "not an advisory Council but we need an advisory council." It was hoped to promote a 7 day week, 365 day year for the 16 Highway. The Chamber plans to advertise Jasper for this but needs more members to asked those present to ask themselves: 1. How can the Chamber help me; 2. Do we need a Chamber in Jasper? "We need your support, and I am pleading for your help," he concluded.

Jack Pugh introduced the guest speaker, Mr. Hans Model who came to Canada from Bonn, Germany, in 1952. He joined the Calgary Olympic Drive Association in 1958 of which he is now secretary. His exhibition, and that of the committee, is to bring the 1968 Winter Olympic Games to Banff.

The decision will be made in October at Walsrid, Kenya. Those competing for the honour include Switzerland, Finland, Sweden-Finland, Japan and Lake Placid, N.Y.

In March a group of news men and reporters are to come to Banff for an invitation meet representing 20 countries which is part of the advertising campaign to get the games to Canada.

He gave statistics with regard to number of spectators expected and plans for expansion of facilities if the games are awarded to Canada. He also pointed out that there could be in excess of 1500 competitors with coaches and

The 1964 Games are to be held in Austria. The 1968 games following the 1967 Confederation celebration which will have given world wide publicity to the area will bring, it is believed an influx of tourists to Canada. For the first time the west is the focal point and although there is not anything surrounding the area can do at the moment, except talk it up among themselves. It will bring visitors and those visitors will want to see Jasper and the Rockies. Austria's Budget for the games is in excess of $3 million dollars. It can be seen what this could mean for Canada!

John Way extended thanks to Mr. Maciej on behalf of those present.

HONOUR MR. TAYLOR

Bob Dowling then read congratulatory telegrams to Mr. and Mrs. M. L. Taylor from J. R. Coleman, Walter Fowler, Edson, the McBride Chamber, E. S. Bryant, Director, Alta. Government Travel Bureau, W. R. Jackson, CNR, Alan McTavish, Alberta Chamber of Commerce, Walter Dinsdale, Dr. Horner, Mr. Lestrange, A.T.A.; Mr. Akroyd, C.T.A.; Larry Soldier, past president, Chamber at Jasper; Gordon Breid and Hon. A. R. Patrick.

Kurt Keller made a presentation to Mrs. Taylor of a beaver coat of red roses, and told a little of the Taylor family history in that they came to Jasper from McBride in 1914 to teach school. Later Mr. Taylor was employed with the CNR, and later was Sec. Treas. of the Jasper School Division Board. He was made a life member of the Jasper Chamber in 1957 and has been secretary of the Jasper Chamber of Commerce for the past 14 years.

They have two sons, Clarence, in eastern Canada and Harold in Vancouver and a daughter, Evelyn (Mrs. Paul Lange) in Ottawa. He was presented with a framed citation by Hankins of himself with Jasper the bear as well as with a specially designed chair and with all the necessary equipment for his hobby — gardening.

Reg Clark on behalf of the Alberta and Canadian Chambers spoke briefly as did Claude Brewster on behalf of the Banff Chamber. Dexter Champion on behalf of the Hinton Chamber made a token presentation to Mr. Taylor.

Mr. Taylor in replying pointed out that he had served under twelve presidents and many presidents. He ended his audience to go with him in retrospect to the Jasper of his early days when he came to teach school to 18 pupils. The site of the present Jasper Park Lodge was a tent camp operated by Fred Brewster but CNR president Henry Thornton had the foresight to see the Lodge of today.

Materials for the golf course were hauled by CNR and from the station by horse and wagon — also operated by Fred Brewster. He had through the years sent many visitors and many caravans to promote access roads to Jasper Park and within the Park.

He thanked the gathering for the honor bestowed upon him and for the telegrams which had been received.

Members were then reminded of the Director's meeting on Jan. 18th at 7:30 p.m. and the Alberta Tourist Association meeting in Calgary on Jan. 21, 22, 23. The meeting then adjourned.

Members and guests were introduced also to Robbie Fraser, the new secretary manager of the Jasper Chamber and publicity agent for the Town of Jasper.

"My . . . goodness!"

Edson Lions hosting 'Court

Edson Lions will play hosts to members of the Whitecourt Lions Club at their next regular meeting to be held Tuesday, Jan., 22, in the Commodore Hotel banquet room, at 6:30 p.m.

The Edson Club is planning for its annual charter night observance in the Edson Motor Hotel on Saturday, Feb. 9.

Lions have been sneaking in the odd practice session at the Curling Rink too in anticipation of the Tri-Service Bonspiel being held this coming weekend, when Kinsmen, Optimists and Lions will match their luck and skill.

DROSTAN NEWS

A very large crowd attended the New Year's Eve dance at Hatch Recreation.

Mrs. A. Heshi went to Edmonton on Friday with Mr. and Mrs. Mike Pulcha and girls. Mrs. G. Verpoelst returned with them to her Edmonton home.

Congratulations to Mr. and Mrs. Carl Shimmerger on the birth of another daughter.

The deepest sympathy of all their friends in this district is extended to the Frith family in the death of their mother, Mrs. F. Frith.

Everyone in the district will be sorry to hear that Mr. George Wenkten is on the sick list.

Mr. and Mrs. John Grushin, Betty and Denis were Edmonton visitors on Tuesday and Wednesday.

We are sorry to hear that Mr. Emil Romeo is in hospital and we wish him a speedy recovery.

Congratulations are in order for Mr. and Mrs. Frank Jacobsen on the birth of a daughter on Tuesday.

Mr. and Mrs. A. Blean and sons spent their Christmas with Mr. Jim Schenkwek.

Don't forget the whist drive in the Drostan Hall this Saturday, January 19 at 8 p.m. Let's have a good turnout and make the first one for 1963 a record turnout.

Mrs. R. Monroe and George were visiting one day with Mrs. E. Ris.

Mr. and Mrs. Steve Klemin and Patricia of Chipman, Alberta, were visitors for three days with Annie's folks.

Mr. Fred Prechek was business visitor to Edmonton on Thursday.

Mr. Wayne was home over the weekend. Congratulations to Mr. and Mrs. Wayne on the birth of another son on December 27 in an Edmonton hospital.

Sabin vaccine program in Health Unit shortly

"NO NEEDLE, NO BLINK, ONLY A SUGAR LUMP"

Sabin (oral polio) Vaccine will be distributed throughout the Edson Health Unit area to the following persons.

School Children — These will receive their Sabin Vaccine in school, providing they have had three doses of Salk Vaccine. Consent forms will be given to the children in school. Parents are requested to fill them in and return them to the school promptly.

Pre-school Children — Those who have received four doses of Quadruple Vaccine or three doses of Salk Vaccine are eligible for Sabin Vaccine.

Adults — Those who have had three or more shots of "Salk." Thos adults are requested to register at the Edson office on the following dates: January 7, 8, 9, 10 and 14, 15, 16, 17 — 9-12 noon and 1-4 p.m.

ADULT AND PRE-SCHOOL CLINIC DATES AND TIMES:

EDSON — Jan. 23, 10-12 noon, 1-4 p.m., 7-9 p.m. Edson Health Unit Office.
WILDWOOD — Jan. 24, 1-4 p.m. School Auditorium.
PEERS — Jan. 28, 10-12 noon, 1-4 p.m. Nurses Office.
FULHAM — Jan. 28, 2-4:30 p.m. School Auditorium.
CADOMIN — Jan. 29, 1-4:30 p.m.
ROSS — Jan. 29, 6-8 p.m. School
HITON — Jan. 30, 2-4 p.m., 6-8 p.m. School Auditorium.
EVANSBURG — Jan. 31, 2-4 p.m., 6-8 p.m. Evansburg School.

The Black Buster

PASTOR SNOWALTER

The fragile angelf, which lives only for a day, is so frail that it can hardly be held without being damaged.

On the other hand, some other animals are so tough they prove a test for the best armed hunter.

People are of two similar sorts. Not so many are of the tender sometimes type who will respond to the call of God when they first hear it. They seem to know almost without being told that their way of life is sinful without Divine Guidance. It is enough for them to hear the gracious words, "Come unto me all ye that labor and are heavily laden and I will give you rest."

Other people are hard to convince. They feel they are as good as others; not too bad; so that God doesn't matter much They quibble about the difference between "big sins" and "little sins." They probably have strong, decided opinions of their own about what is "right" or "wrong." Their inerrable moral standard seems never to catch them in the net.

Instead of hearing gracious words they need a "black buster," and God has one ready! "For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all."

This Word pleases all under condemnation, but God's purpose is always the same whether it takes gracious words or black busters: To convince all men of their sin; reveal the offered pardon; furnish the Divine Guidance for living now and eternally.

MR. AND MRS. MELVIN SOLTYS

Exchange vows in December ceremony

Edson United Church was the scene of a beautiful candlelight wedding service on December 22 when Elizabeth Aileen Cosgrove, daughter of Mr. and Mrs. J. Pallmeer of Edson became the bride of Melvin William Soltys, son of Mr. and Mrs. W. Soltys of Edmonton.

The church was decorated with white candelabra red and white mums, poinsettias and holly. Rev. D. MacPherson officiated, with Mr. G. Maclean at the organ. Miss Susan McCrea as soloist sang the Wedding Prayer, and the Lord's Prayer.

The bride, given in marriage by her stepfather, was radiant in a model floor length gown of heavy peau de soie, with pleated fullness at back ending in a slight train. The bodice and skirt front was appliqued with French lace, seed pearls and beading. It featured a rounded neckline and itty point sleeves. A flare of pearls with a white rose formed the crown for a bouffant shoulder length veil. She carried her mother's prayer book with red Becomerose in holly.

Attending the bride as matron of honor was Mrs. Gerald-ine Russell, bridesmaids Miss Shirley Schur. Miss Judy Bekker. They were identical gowns of red peau de soie, detail at the back of pleated capes, tied in white, falling from the shoulder. Their headpieces were red roses of matching material and they were red carnations. Each carried a white lace muff with white pom poms and red roses set in holly.

The groom's attendant was Mr. Bob Smilenich and ushering guests were Mr. Lowell Cosgrove and Mr. Dan Lissel.

The reception was held in the New Hilton Hotel. The mother of the bride received in a sheath gown of French brocade in green and gold with matching accessories of gold and bronze, with corsage of gold and bronze mums.

The groome mother chose a linen taupe and satin sheath with three quarter sleeves and chocolate brown accessories with white rose corsage.

Toast to the bride was proposed by Mr. D. Campbell, uncle of the bride and response by the groom. Mr. Bob Smilenich who acted as master of ceremonies proposed the toast to the brides maids.

A dance was held for the remainder of the evening.

For their honeymoon trip to Vancouver the bride changed to a brown wool walking suit topped by a three quarter length coat trimmed in brown Persian lamb, with alligator leather accessories. Her hat was gold and cream velvet.

The happy couple are making their home in Edmonton.

CARD OF THANKS

We would like to thank all the people who gave a helping hand after the fire that destroyed our home.

Mr. and Mrs. John Akins

JOE LOVSIN

Joe Lovsin, Hinton's swimming pool superintendent for the past two years will be invited to return as pool superintendent again this summer it was learned at council meeting last week.

Al Gaitens, assistant pool superintendent last year will not be available for the summer of 1963. Mr. Gaitens is planning to be married and has accepted other employment for the summer. Al will certainly be missed by all who frequent the pool, especially the "small fry." Best wishes are extended to Al for future happiness and success.

Joke of the Week

"Why the puzzled look? You've seen a hat-box before, haven't you?"

SKI SLOPS look is shown by Elna Lobbers of Holland, holder of the "Miss World" title. She wears the combination of ski pants and knitted ornamental tunic in fashion on ski slopes this winter.

Robb and Branch News

Mrs. Ken Brandle accompanied her brother-in-law Pat Brandle of Edmonton on a weekend visit here with her parents, Mr and Mrs. Hoglin.

Mr and Mrs. Ken Brandle and Pat Brandle returned to the city Sunday evening. The four brothers arrived here on Monday bringing the Ken Brandle's furniture by trucks.

They are taking up residence in the house formerly owned by the "Kuryatins" who have moved to Edmonton. The Brandles are moving here from Edmonton making a fair exchange is no robbery as the saying goes.

Robb news sort of went astray last week, as it missed The Leader and was printed in The Hinton Herald, making a good sale at the local store as all Heralds were sold while the Leaders were not. Some comments were "Give I home to spend another, dime to find out what goes on in the neighborhood.

A most welcome and long looked for visitor to Mr. and Mrs. Gary Cosgar was the stork last Saturday, bringing them an 8¼ lb. baby boy at the Hinton Hospital. Congratulations. We are looking forward to your home coming.

The Branch lost another old timer in the person of Mr. Fox, who passed away at Caledonia. RCMP Const. Campbell and Mr. Joy undertaker were up for the remains on Monday.

Const. Campbell reports storm and roads very bad.

Robb certainly has had its share of snow. Just one week ago nearly all the snow was gone. Today Monday we have so much snow making it almost impossible to get around.

Mr. and Mrs. Erwin Daniels of Glenwood were visitors at the Walter Daniels of "37" on Saturday.

The regular meeting of Robb Community Association was held on Sunday with 23 members present in spite of the storm.

Mr. Walter Daniels had the misfortune of dislocating his left shoulder after just having recovered from dislocating his right shoulder. Mr. Ted Parsell and Mr. Abede took him to Hinton Hospital.

Last week our local garageman, Les Charlton, was busy with the power wagon towing people around to get their vehicles mobile. This week he is plowing out roads with a blade attached to the same power wagon so people can get around. To think just a week last Sunday nearly all the snow was gone water running every which way.

Mr. Antonelle arrived home from Edmonton looking very chipper after his accident observation.

Mr. Mike Demich of Mercoal arrived back from the city where he spent the Christmas holidays to find his house nearly buried in snow

Johnny Rah of Vegreville and Edmond Canst of Edmonton spent the holidays at their respective homes in Mercoal

Cobbs and sort of fix seem to be the order of the day The pre-school children have suffered near pneumonia. People's constitutions just can't stand these drastic weather changes we have been experiencing. One day forty above the next day forty below.

Don't forget the dance in the Robb Community Hall on January 25. Watch for posters and particulars. Come one, come all. Come to the Robb Community For the Robb Community do a favor. Every dollar added could possibly be a life saver.

Galloping socialism biggest threat C of C speaker says

Socialism that is galloping and no longer creeping is the greatest threat to our free enterprise democratic institutions D K Yorath, chairman of the board of Northwestern Utilities, Limited, told about 150 members and ladies at the Edson Chamber of Commerce meeting in the Edson Motor Hotel Wednesday night

The guest speaker made no bones about stating the case for investor owned utilities the free enterprise system and the profit motive. He said that this combined with democratic institutions had made greater advances than any other system the world had ever seen.

Mr Yorath was the chief danger of socialistic measures being undertaken by provincial governments in Canada as leading eventually to communism.

The meeting was chaired by Edson Chamber President Walter Fowler. The toast to the Ladies was given by A W Leonard and replied to by Mrs Nadia Pearbhakai. Mayor W R Brunelle received a few incidents from a history of Edson being presented by R C Greer. Only a minimum of business was conducted due to the occasion

Vice President Jim Griffiths introduced the guest speaker. Because the talk is of such current interest we print it in full below:

Mr Chairman Ladies and Gentlemen: I have entitled my talk this evening "Freedom Calls Again" for reasons which will soon be obvious. Our world today is divided politically into three parts. One loosely called the West sees World Welfare in the Freedom of the individual and the system of free enterprise — a system which has flourished through the preservation and furtherance of the rights of the individual under democratic government the development of markets the need for competition and the reward for profit

Another part described as behind the Iron Curtain believes in the communistic state the needs as subjects of the state and that a totalitarian state is the only way in which a people can and should exist — that the people as a whole have limited rights in keeping to the welfare of the state but their rights as individuals must be subordinated to the requirements of the state.

The third part — neutral — by all of the rest of the world — the newly developing and uncommitted nations, containing about one billion 200 million people subscribing to one form of the other two beliefs. This section for the most part as yet has suffered at no fires hand of its own but it does have a determination to conserve its newly gained independence and to develop its nationhood. Ultimately all the governments of this third part the so-called uncommitted nations will choose one or other of the behalfs of the other systems or they will become free enterprise or communist

In addition to these three basic political sectors of human thought there is a further one, narrowly small section which operates under a further type of distinction. What will happen when the present dictators die or disappear is difficult to predict. There is one other non-Bible for the moment find nations and that is that few non-aligned some work fateful form of money. I must but I think this is more likely to an great extent

D. K. YORATH, MSE

In a few years of their, new found sovereignty these new nations have been peacefully invaded by the propaganda of each of the two competing world political and economic philosophies. In the last year or two many of them have sent out their own people to study on the ground, the economic and way of life of the people who have been making their land a success while they look to pitch their tent.

From their inspectors visit us we must be sure that our campaign is in good order. We must be sure that what they see bears out what we have said in our visits to them. Does it? I do not believe it does, completely.

Before I tell you why I do not believe we are almost sure in our fear meeting for free enterprise I want to give you a few of my thoughts on the importances and meaning of freedom.

MANKIND HAS BELIEVED IN FREEDOM

Since history been the misery of mankind has believed in freedom. though the belief often has been sorely tried Twice within the past half century Freedom has trumpeted her call to the men and women of the world to take up arms in defend her right to exist. The call it set aside, but this time not for a bloody defense. there is at occasional the world wide shuffling of blood in a terrifyer holocaust has been forever close

I am going to ask you two questions:

What principle of our democracy do you value most? What is the one thing you would not wish to live with not? Perhaps you have never given your thought to such questions. If you have not now is not alone. I am afraid a great many people have not yet come to accept the one principle of those basic principles which sets them apart from all others a subject and under which they should be concerned in our world today and in the days which lie ahead

I think that many people when asked the second question I have "What is the one thing you could not live without?" would reply "your good health." It would be a reasonable answer but I do not think it is the right one. Good health is not of much value if you cannot use it — there is no use which good of the luxuries of our rural factories have reasonable good health. I suspect that many of them would willingly sacrifice part of their well being if in return they could have their freedom. Certainly those living on the east side of that disgraceful monstrosity the Berlin Wall have shown they will risk not only their health but life itself to gain that freedom which they appear to regard as life's most prized possession.

The answer to both questions should be that it is our freedom which makes us, way of life worth while and which gives us the courage to face the economic, social and personal adversities with which life from time to time confronts us. It is our freedom which gives democracy its value and is the most important attribute without which there is not much point in living.

I can think of three ways by which the people of a nation can lose their freedom: by war, by revolution and by the attack of a power hungry dictatorial government.

The last in my opinion is the one which is currently most threatening to the citizens of most lands. I do not call the free world. Through lack of knowledge those now preserving and furthering our freedom we can lose freedom subtly practically everything which we have been working for — not only for ourselves but for our children and theirs for time that seemed long.

How does the preservation of this Freedom lie in our hands? By saying, through the exercise of our franchise, that we do not elect governments composed of people who subscribe to theories that will erode that freedom and eventually take it from us. Unfortunately we have the right to vote and to say to whom and how we wish to be governed. Millions living in this world do not have that right. I believe that the person who does not cast his ballot when given the opportunity to do so also subscribes to the belief that himself but also against his family his neighbor and those millions of people who live in the free, or even the second-mired portion of the world and who depend upon his support to keep their way of life. I believe that the person who does not cast his ballot when given the opportunity to do so also subscribes to the belief that himself but also against his family his neighbor and those millions of people who live in the free, or even the second-mired portion of the world and who depend upon his support to keep their way of life.

MOST SERIOUS THREAT

What is the most serious threat to our freedom? Communism! What encourages it? Communism and Socialism!

I have been criticized in the past for saying this but nevertheless, I am afraid I will have to keep on saying it. Socialism is the — I agree are free to say as and as I will have to say that which I believe to be true. I do not contend that a socialist government automatically will establish a Communistic state, but I do say it provides a much more favorable ground for the nurturing of Communism and its practices.

The suggestion that socialism can foster communism did not originate with us. Communists themselves are the ones who advocate socialism as the first step towards the achievement of their ends. In July 1961 in Toronto the Communist Party of Canada published its programme, and section of which reads, "The aim of the Communist Party is the establishment in Canada of a socialist and ultimately a communistic, society."

We often use the phrase "our individual Freedom" and talk about how we must preserve it. Sometimes I wonder if we know what we mean when we use it. To me it describes those of us who declare the preservation and furtherance of the dignity of man as an individual, possessed of the inalienable right through his individuality to express in action, in speech and on paper those things to which he describes, be they political, religious, economic, cultural or social.

In the free world man is not just a superior animal developed, bred and elevated to the furtherance of the state. He is not an expendable item, if it serves the purpose of the state to expend him, except of course in time of war in our free world man is a citizen of a country which as part of its philosophy regards the rights of the individual as being of paramount importance.

It is absolutely essential that these rights be safeguarded to live in the free world as all within our power to do. Unfortunately we have been living in what I call the free world. Through lack of knowledge these now preserving and furthering our freedom we can lose freedom subtly practically everything which we have been working for — not only for ourselves but for our children and theirs for time that seemed long.

How does the preservation of this Freedom lie in our hands? By saying, through the exercise of our franchise, that we do not elect governments composed of people who subscribe to theories that will erode that freedom and eventually take it from us. Unfortunately we have the right to vote and to say to whom and how we wish to be governed. Millions living in this world do not have that right. I believe that the person who does not cast his ballot when given the opportunity to do so also subscribes to the belief that himself but also against his family his neighbor and those millions of people who live in the free, or even the second-mired portion of the world and who depend upon his support to keep their way of life. I believe that the person who does not cast his ballot when given the opportunity to do so also subscribes to the belief that himself but also against his family his neighbor and those millions of people who live in the free, or even the second-mired portion of the world and who depend upon his support to keep their way of life.

SPEAKER BIASED

In what I am going to say next you may say I am biased. I am. Politically speaking, in the broad sense of the word, I am prejudiced. I am partial and I make no apology for being so. I am a rightist, right of centre. I do not believe in sitting on the fence in this I mean that all my life I have believed that free enterprise, controlled, profit making free enterprise has done and is doing more for the world, in all its ills as an investor-owned company than has any other system of economy. I do not believe that it will be overthrown by revolution or destruction of that profit.

In Canada during the last eighteen months free enterprise has suffered serious set backs. It has received some hard knocks. I fear a few more could be fatal. Until the summer of 1961, there was a reasonable balance between the two major democracies, Canada, along with the United States was regarded by the rest of the world as the strong hold of free enterprise. In that fateful summer the first step was taken to shake the confidence the rest of the world had previously had in Canada. The Government of the Province of British Columbia, without [illegible] population or the right of arbitration, took over, or confiscated the assets of the British Columbia Electric Company. A procedure smacking more of Cuba than of Canada "glorious and free."

The B.C. Electric had served the people of British Columbia well for a great many years. It had developed vast power resources throughout the western part of the province, constructed and operated an urban and inter-urban transit system had built an artificial gas distribution plant and had been towards the end of its life as an investor-owned company had performed as gas service to its customers on the B.C mainland. It had also contributed millions of dollars as a tax payer to the municipal, provincial and federal coffers.

What had it done wrong to warrant the action taken by the B.C Government? Nothing and to my knowledge no government spokesman has said it had. It had merely become successful thereby attracting the attention of politicians who thought they could save where the acquisition of the company by the state could be a useful weapon in a fresh field which developed between them and the Federal Government. The only plausible reason published by the B.C. Government was that half the profits of the company were paid to Ottawa in corporate income taxes.

As a provincial government owned corporation on such taxes would be paid. If the payment of income taxes is justification for the socialization of any business or industry then who can look from with confidence to the future security of any business? There can only be one reason for such a move under the democratic process and that is by stirring and dimly political expediency

Electric THRILLIA. because they are a form of utilization of the basic natural resources of a country and because generally they serve the entire population of a community are always among the first to attract the greedy eyes of the socialistic minded, provided of course that they are a successful operation There are other industries which also have attracted from the attraction of natural resources — timber, pulp and paper, mining, fisheries, agriculture, fruit growers and many others

Partners in some areas are said to look with favor upon socialism. They have received handsome profits from the sale of their practised receivership. It is not to be wondered at that they look with favor upon the socialistic minded, provided of course that they are a successful operation There are other industries which also have attracted from the attraction of natural resources — timber, pulp and paper, mining, fisheries, agriculture, fruit growers and many others

Partners in some areas are said to look with favor upon socialism. They have received handsome profits from the sale of their practised receivership. It is not to be wondered at that they look with favor upon the socialistic minded, provided of course that they are a successful operation There are other industries which also have attracted from the attraction of natural resources — timber, pulp and paper, mining, fisheries, agriculture, fruit growers and many others

The B.C Government move in 1961 was the first under which action taken to create or erode our Canadian freedom. The next erosive step was taken in the Province of Quebec where last November the Government of that province went to the polls on the announcement that if it was re-elected it would take over the investor-owned electric power companies Again no justification was given but it appeared to be a political expediency to be played upon the strong nationalistic sentiment of the French-Canadians as opposed to the English-Canadian minority

The people were bewildered with the idea that if those companies were owned by the government everything else would accrue to them and would be under the control of political expediency and justified, so far as I am aware, by any economic presentation. As you know the government was re-elected and within the last two weeks Premier Lesage has announced an offer which he proposes to make to the company shareholders. Whether or not the offer is realistic and fair has yet to be determined

The third blow to free enterprise was dealt in the Province also last November, when one political group potentially adopted the policy of public ownership of power Again no justifiable reason based on facts or economics has been advanced as to why such a policy is in the best interests of the people of Alberta If there is no dissatisfaction with the operations of the power companies in the past, and it has been stated publicly there is none by some of those advocating takeover, then those who wish to take them over, must give their reasons, supported by cogent arguments and set by meaningless platitudes and inferences. It is not customary, without good reason, to abolish one who has served well.

It has been said that the electric utilities are natural monopolies. By the very nature of their operations it is in the public interest that distribution of such a service should be monopolistic in character. This is why they are granted franchises in the communities they serve — purely to prevent, in the public interest, a competitor from establishing similar facilities in the same community. You can well imagine the chaos which would develop if more than one company was permitted to erect power lines in a community.

This monopolistic feature would and does apply widely by the supplier is an investor or government owned operation. It is because of this that investor-owned utilities are regulated by a government appointed commission or board and cannot raise their rates without board approval. This does not apply to a government owned utility, municipal or provincial Generally speaking they can and do delay their rates without obtaining the approval of any commission and without undergoing any public analysis, inquiry or justification for such a rate alteration.

However utilities, government or investor-owned, are still subject to some measure of competition. They must compete with others for fuel and energy customers. They must compete with other corporations or governments for communities they propose serving for the first time, for industrial loads locating outside of the boundaries of communities in which they already have franchises and with other industries and businesses for their financial requirements in the money market.

In some instances they must also compete with others in the purchasing of any basic commodity which they sell to their customers All of them must compete and contend successfully with the technological developments of the day — otherwise they will rank regardless of the type of ownership.

It has been suggested that it is a provincial government takes over the existing power companies the income tax paid by the investor-owned companies to the Federal Government. Surely if no tax is paid to Ottawa this deficit in Ottawa's tax revenues must be made up from some other source, either by increasing the burden on existing taxpayers or by finding new sources of tax revenue

As I have said in respect to B.C Electric, if the elimination of income tax is the only justifiable reason for socializing the power industry it does not provide much encouragement to other industries, businesses and individuals who are presently paying similar taxes. Under that philosophy the threat of government ownership can include almost any thing like a reward over the head of all profitable business regardless of its nature.

ALBERTA STANDS OUT

Another argument used by the advocates of the municipal or power companies in that Alberta is the only major area in Canada in which power is produced, transmitted and distributed by investor owned companies. It is difficult to see how the action of other parts of Canada justifies our making a similar mistake If Alberta is to be regarded as a sea of galloping, no longer creeping, socialism, let us face it as.

Arguments of this nature are based on the fallacious belief that the majority is always right. This is not so — often the majority can be wrong as often as it is right. Don't ever forget either you electors or a majority of Germans and Mussolini was elected by a majority of electors.

It is often contended that a government owned and operated business is never as efficient as an investor-owned one This I think generally is so. The two reports published recently by the Alberta Commission on government organization show the shocking inefficiencies, impravidences, extravagance and downright waste which can occur in government administration if this can occur in branches of government which are devoted solely to the task of governing, how appalling it would be if the same was allowed to occur in a government operated, capitalized business serving the public in competition with or in place of investor-owned companies.

There are many other arguments which have been raised in support of government owned and operated corporations. I have not the time to deal with them here and it is necessary to do so. They will be dealt with in as time goes by and the trash-ing and obvious inaccuracies will be revealed and made substantially clear

The investor owned electric power companies of Alberta have nothing to hide, they have strictly adhered to their policy of providing the best possible service, at the lowest possible cost consistent with safety and efficiency They have greatly assisted in the development and expansion of the provincial economy They are one of the reasons why this part of Canada has a favorable economic and political climate which attracts the investor to sink his money in a country where he knows his investment will be respected and treated fairly

MR. MANNING'S POINT OF VIEW

In a recent speech Premier Manning had this to say:

"We cannot shut our eyes to the fact that all over the remaining free-world ownership has been led a steady diet of socialistic propaganda. A false impression has been created deliberately by the advocates of collectivism, statism and socialism in all of its various forms, that they are the only ones who are really interested in the welfare of the people.

"Nothing could be further from the truth.

"But that impression is fed day by day by the socialist propaganda mills to every part of the free world.

"Do not think it does not have any effect. It is a form of psychological conditioning, a form of brainwashing, insidious in its vagueness and persuasion in its ultimate impact upon public thinking.

"If you are going to accept the premise that it is a responsibility of democratic governments in a democratic free society to own and operate industry, then where are you going to draw the line?"

"My contention is", says Premier Manning, "it is for private enterprise democratic government, purpose and responsibility to be in the physical ownership and operation of industry of any kind."

Freedom is nothing again to each and every one of us to be on the alert so that we can defend, long before it's too late, every art which may erode our freedom. If Alberta is an island of free enterprise let us be sure that our dikes are strong enough to withstand the encroaching sea which threatens to inundate this free land of ours.

What can we as individuals do? I suspect many feel that their own small efforts could accomplish much. But they are wrong. Let me quote from the lines of a poet who prized his individuality — he said —

"You say the little efforts that I make
Will do no good; they never will prevail
To tip the hovering scale
Where justice hangs in balance. —
But I am prejudiced be yond debate
In favor of my right to choose which side
Shall bend the unbalanced census of my weight."

Enough stubborn souls with enough courage can save nations.

You, freedom calls again to select the help of all of us in preventing the collapse in a society and a system which has made the free world what it is today Our freedom can be lost by attrition, by being nibbled away, piece by piece over the years ahead. One of the most vicious forms of this type of attrition is the socialization of industry bit by bit. First one and then another. Such socialization measures are generally the result of the political pressure exerted by such groups or individuals who are willing to sacrifice their own principles at the expense of the country, for their own selfish interest gain.

You and I and all free people must listen with analytical minds and wide-open ears to the smooth sounding and flowing phrases of those who wish to persuade us to move in directions which are contrary to our inner common sense and better judgement. We must ask for factual justi-

Craft Centre News

A meeting was held at Edson's Craft Centre recently to set the dates for the various courses to be taught in the near future.

Weaving, taught by Mrs. Myrtle Madge, will be held every Monday evening from 7:30 p.m. to 10:30 p.m.

Copper, taught by Mrs. Lena Leyden, will be held Wednesday afternoons from 2 to 5 p.m.

Pottery, taught by Mrs. Shirley Leach on Tuesday evenings from 7.30 to 10:30 p.m., and Fridays evenings. Mrs. Laura Mabee will teach glaze from 7.30 to 10:30 p.m. On Friday and Saturday April 5 and 6th, Mr Les Graff of Edmonton will teach a Batik workshop from 2 to 3:00 p.m. and 7 to 10 p.m. Many people are very enthusiast about this course, as Mr. Graff has promised to show them how to set the dye so it won't fade. So ladies, if you want new drapes, why not make your own? The entire course runs only five dollars, comparing favorably with the Edmonton price of five dollars an hour.

Saturday and Sunday, April 27th and 28th, Mr. Solomon, of Edmonton, will be teaching a Photography course. A second session, coordinated to the first, will be held a month later, so that a practical application is possible. The entire course of two sessions costs only eight dollars.

The Batik and photography courses are open to all districts, members or non-members. A minimum of ten applications must be had by the end of January, so do it now, by phoning Mrs. Rita Steiner, PA3-2699, or Mrs Myrtle Madge at PA3-2662

Yeomans win weekend spiel

Edson Curling Club held a 16 rink bonspiel on January 12 with Ted Yeomans' rink defeating the Smerk rink from Hinton to take the lot prize of $60.

The second event was won by Cliff Brust and his trio who defeated Jim Bertuzo to cop the $30 top money.

Too Late To Classify

LOST

SMALL BROWN CHANGE PURSE, between 101-War Grocery and 111th Avenue Phone PA3-3227, Edson

Classification of the necessity and desirability of the change by the legislature. We must not allow ourselves to be swept away by emotional rhetoric

We and our children alone, are the only ones who can prevent the destruction of that which we hold to be of value, the preservation of our way of life and our individual free dom. If years from now our children and theirs curse us for our stupidity or indifference I am afraid the curse in this instance, will be a justifiable one. Let us not be reprimandable for placing them in that embarrassing position

AROUND TOWN

WITH IRENE BOCHEK

This week has been a very quiet one around town, presumably everyone is recuperating from the busy Christmas season. The colder weather and snow also tends to turn us all into homebodies.

The two biggest places the locals seem to have been the curling rink and the skating arena, the enthusiasm of the young people has reached an all time high, with the carnival week and weeks away. Indeed for March first and second this year, the theme for the carnival will be the "Sleeping Beauty." Approximately one hundred fifteen girls and two boys will participate. Surely there are more boys around who would like to take part?

Some of the senior girls are learning Mrs. Herring an ice mammoth chore this year. Among these are Gwen McIvor, Robyn Hanson, Jolene Maurin, Joanne Lobalko and Barbara Herring.

A delightful evening was held Saturday, January 12, when members of the Sacred Heart Choir held an after Christmas party at the Caesar Hall home. Following an evening of fun and games, Mrs Frances Ciciarelli served a lovely lunch to the remaining guests. A rousing song-song was an appropriate ending to the party.

Mr. and Mrs. Al Mah visited at Hinton with the Bill Mah's on the weekend.

Mr. and Mrs. Wronko and another couple from Edmonton flew by Western Airlines to Las Vegas for a short holiday over the New Year. Balmy, 80 degrees temperatures are about the coldest weather this fabulous city enjoys, and tourists from all over the world made this New Year the biggest and busiest Las Vegas has had.

The Wronko's had spent Christmas at Calgary with their respective parents and had left the children with their grandparents while they holidayed at Las Vegas Mrs Wronko says that Las Vegas is as wonderful as the brochures claim it is.

Mr. Joe Lobalko and man lined motored to Red Deer on the weekend.

Belated birthday congratulations to Mr J T Reid on the occasion of his Birthday on Friday, January 11th A family dinner marked the happy event.

ATTENTION
OWNERS AND OPERATORS OF MOBILE EQUIPMENT

Effective January 1, 1963, all mobile equipment coming within the definitions quoted below is again subject to licensing. If such equipment is operated anywhere within the Province except in Cities or National Parks.

Inspectors are constantly in the field checking all such mobile equipment. Provision is made for the imposition of a fine and possible impoundment of equipment where a violation of the Act occurs.

The following definitions are taken from The Mobile Equipment Licensing Act:

(d) "Mobile Equipment"

(1) means machinery or equipment capable of being moved in its place of use under its own power or by being towed pulled or carried and not intended to be affixed to land, and

(2) includes equipment used for the purpose of seismographic exploration and, without restricting the generality of the foregoing, includes

(a) seismographic recording equipment and all appurtenances thereto

(b) conductor cables and cable reels, geophones, amplifiers and cameras,

(c) explosive and detonator equipment

(d) drilling units and all the component parts and appurtenances thereof, and

(e) water tanks and pumping equipment, but

(f)(1) does not include

(a) vehicles licensed under The Vehicles and Highway Traffic Act, or The Public Service Vehicles Act exclusive of mounted equipment on such vehicles, and

(b) equipment other than vehicle mounted equipment used to drill a gas or oil well

(e) "municipality" means a town, village, municipal district county improvement district special area, metis improvement district or forest reserve

(f) "owner" includes a person renting mobile equipment or having the exclusive use thereof under a written agreement or otherwise.

NOTE: Mobile Equipment haviest an original list price of less than $2,000 does not require a license under this Act.

A copy of The Mobile Equipment Licensing Act may be obtained upon payment of ten cents from the Office of the Queen's Printer. 10088 - 104 Street, Edmonton, Alberta.

Edson Optimists plan Talent Show

The Edson Optimists are holding their fourth annual Search for Talent Show in the Edson High School Auditorium on Friday, Feb. 1.

All persons who are interested in the show are asked to enter the form on the ad appearing in the paper. Registrations must be in the hands of the Optimist Talent Scout, Box 195, Edson, January 25. So if you can sing, dance, recite or play any type of musical instrument you are welcome to compete for the prizes.

Winners are to be judged by a popularity vote taken from the audience.

In past years the Search for Talent shows have received a great deal of support from the surrounding district and the Optimists are anticipating a bigger and better competition for the audience this year.

The proceeds from this show will go towards youth work for which the Optimists have become well known in Edson.

Adult education popular

Continued from page 1

p.m. It is expected to hold 20 classes in each course and the fees are $10.00 per class to be paid monthly in advance

Since the announcing of the commencement of the above three courses on a trial basis numerous telephone calls had been received asking for a class in public speaking for people who had not complet ed application forms. The executive therefore decided to extend its deadline.

A class in public speaking will commence on Thursday, January 24, at 7.30 p.m. in the Edson high school. Any one, particularly anyone who has not filled in any kind of application form would wish to study a special subject he or she is asked to phone one of the following three numbers: 3-3459, 3-2106 or 3-

If 12 phone calls are received every effort will be made to organize a class. The deadline for receiving applications either by phone or letter (write to Mrs. M. McKnight, Edmon) is January 31st.

Other matters discussed at the executive meeting included putting on a variety concert to be sponsored February 15, to raise some very necessary funds. The Edson Home and School Association desperately needs money to meet its obligations, especially in regard to its scholarship fund. It is hoped this concert will be well supported. Further information regarding the proposed $1.00 fee per member to the Federation of Home and School will be discussed at the next monthly meeting of Home and School.

The regular meeting, to be held Wednesday, January 30, at 8 p.m. at the A. H. Dakin house, will have as its subjects "Homes and School — Yes or No." It is hoped to discuss such subjects as "What is Home and School?" "Why Home and School?" "Should we belong to the Alberta Home and School Federation? What if any benefits do we receive for our $1.00 per capita membership fee to this organization?"

Mrs. S. Stollmacher, regional secretary for region 5 is invited to attend this meeting and it is sincerely hoped that a large number of people will turn out to this meeting and raise any questions in their minds regarding the usefulness of any organization, or allied matters. DO NOT FORGET: Wednesday, January 30th, 8 p.m., at the A. H. Dakin School

Rev. L. Halliwell Opti-Mrs speaker

Four guests were present at the regular meeting of the Edson Opti-Mrs. club, held in the banquet room, Edson Motor Hotel, on January 15.

Guests for the evening were Rev. and Mrs. L. Halliwell, Mrs. Ann Yaworski, and Doreen Kernisyadke.

Rev. Halliwell spoke on the interesting topic of teenage marriages, and of the responsibility placed with mothers in preparing their children for happy marriages. After his talk a short business meeting followed.

The Opti-Mrs. Club have decided to raffle a linen chest. Tickets will soon be available.

The Opti-Mrs. Bonspiel is to be held on February 3 was discussed.

Tentative plans have been made for the annual Opti-Mrs. anniversary party to be held in the spring.

Mrs. L. Halliwell was the draw raffle for the month of January.

HATTONFORD

After the sample of spring weather last week, the advent of all the snow and colder temperatures in a little hard to take, even though we are only 36 days away from the last day of spring.

The large column of black smoke that was rising from the Mobile oil rig on the Peers road, west of here, last Thursday, was at least a sign, that perhaps this one may be a good prospect.

Mrs. R. Ralston and baby are spending the next two months with Mrs. Ralston's parents, Mr. and Mrs. B. Wiseman, while Mr. Ralston is at technical School in Edmonton.

Three teenagers of this district are celebrating birthdays this month, Don Wiseman, Lowell Gilbert and Doug Candiet.

Mr. M. Bowman, Jim and Lloyd Rendall were among many other lucky fisherman at Pickle Lake last Friday, they report a pretty good catch.

Council to see soil cement demonstration

An offer by Canada Cement Company to present material on soil cement February 5 was discussed at the regular meeting of the Council Tuesday, Jan. 8. Experiments with the mixing of cement and soil for certain types of roadways have been underway in other parts of Alberta for several years and the Council is looking into the possibility of application in Edson.

Highlight of the meeting were carried in last week's Leader, but following is a more complete report of the meeting.

Present were: Mayor W. R. Brunelle and Councillors M. A. Collin, A. Gabbatiss, D. Meade, J. Scott and P. W. Wells and one citizen.

Preliminary plans for a 12 unit apartment block, submitted by Mr. H. H. Emerly, were placed before Council, with applicant's request for tentative approval of Council as well as a recommendation as to site, price of land and zoning. This submission was discussed and referred to the Building and Plans Committee for report and recommendation.

Letter from Honorable A. J. Hooke, Minister of Municipal Affairs, was placed before Council, indicating pending legislation providing for the implementation of controls whereby development in area surrounding towns and villages can be proceeded with in an orderly and economic fashion and providing for the participation of Town Council's in the exercise of such controls.

The matter was discussed and tabled for further consideration in conjunction with other planning matters to be dealt with in discussions with Mr. Stagg of the Town Planning staff, later in the meeting.

Local Authority Board's Order No 705, providing for the operation of part of the North East of 23-53-17-W5 by the Town of Edson, effective December 30, 1962, was placed before Council and ordered filed.

Local Authorities Board Order No 711, approving By-law No 874, a by-law providing for the levying of sewer service charges based upon water consumption, was placed before Council. The by-law was given two additional readings and passed.

The annual meeting of electors is to be held at 8:00 p.m. in the Legion Hall, Monday, February 18.

Councillors Collin, Kortbaan, Meade, Scott and Wells were appointed to constitute a Court of Revision to hear assessment appeals in 1963

Outstanding and uncollectable surface contract fees amounting to $36.08 were written off.

Moved by Councillor Collin that Mr. Berdish be authorized to attend Emergency Measures Organization Welfare Course, in the City of Edmonton, February 18 to 22.

Moved by Councillor Meade that Council agree to calculation of annual interest on Town Funds held by Calgary Power Limited at December 31 of each year.

The following accounts were ordered paid for payment Harry Miller, 20.00; Tina Anderson, 5.14; Domenic Perrino, 42.71; Peter Romaniuk, 13.75; John W. Ernst, 123.04; Jonas Palis, 115.38; William Gleiser, 110.39; Jim B. A meeting of the Council as a committee of the whole is to be called for 8:00 p.m., Tuesday, January 15 to discuss and make recommendations re Commercial Land sale prices, Land Sale and cost of servicing proposed

Edson Ministerial sponsoring Week of Prayer Services

"The world in which we live is becoming increasingly more complex. No solution ever is simple, and no one ever final. Mankind goes in cycles, sometimes of his own creation, more often seemingly driven into them against his will.

Life, because of its increasing complexity, is in danger of becoming meaningless, because it has not found its real central purpose. Will this be any different in 1963, or will the only difference be an increase in tempo, an increase in complexity? The Church of Christ is called upon more than ever to be out in this world of confusion with the serious message of Jesus Christ our Lord. We have to tell men that there is a meaning to life We have to say again and again that Jesus Christ is the Way, the Truth and the Life.

We have to tell men that He is both the Alpha and the Omega, that He who has begun, has last control, and He will complete His plan.

In the Week of Prayer for 1963 we have a plan and a purpose This is the time when we join with the family of God, the household of faith in seeking the blessing of God as we begin a new year.

In our theme we draw men's attention especially to the world mission of the Church. And we are reminded again of the unity of the Church in the words of St. Paul: "There is one Body and one Spirit, even as ye are called in one hope of your calling, one Lord, one faith, one baptism, and one God and Father of us all, who is above all, and who is above all, through all, and in you all."

The above is a declaration by several Canadian Leaders of Churches sponsoring the Week of Prayer. This is the message the Edson Ministerial offers as it invites the public to the following services; at 8 p.m. each evening:

Wed., Jan. 23 Rev. D. Macpherson in the Mennonite Church.

Thurs., Jan., 24, Rev. E. Bird in the Pentecostal Church.

Fri., Jan., 25, Rev. L. Halliwell in the Baptist Church.

Kinette bridge tourney winners

The Kinette bridge tournament has been completed with the following results. High total score in the first circuit went to Mr. John Likewich and Mrs. Jon Scott. Second circuit winners were Mr. and Mrs. Hank Rykanen. The playoff game went to the Rykanens with a narrow margin of 800 points.

High scorers for the last four weeks were: 6th week, Hank and Hazel Rykanen, 3880; 7th week, John and Dean Koch, 3870; 8th week, John and Rita MacDonald, 4100; 9th week, Hank and Hazel Rykanen, 4480.

Thanks to all who participated in the Kinette bridge tournament.

Tri-Service spiel features 8-ender

A record shattering eight-ender made the Tri-Service (Optimist-Lion-Kinsmen) spiel held on Saturday, Jan. 20, a topic of discussion in local curling circles.

The interesting point in the spiel was when Wigelsworth laid an eight-ender against Bert Herring's rink who were one up on them at the time. It's the first time that anyone can remember having an eight-ender laid in the Edson Curling Rink.

"We put up a grand fight, but we lost. Every member played wonderfully well, but they were better," quoted the eight ender kid, Bert Herring (Imbert's Flowers).

The bonspiel, with sixteen rinks entered, was a great success according to everyone who participated. Spectators agreed.

The winner of the A Event was the rink skipped by M. Wigelsworth, second, Jack Pallister, third, Norman Grydan and lead, Verne Goodwin. The team skipped by John Pyear, Ken Hanlen third, Al Mangawt second, N. Schultz, lead, placed second in the A Event.

Winner of the B Event was the team skipped by H. Hutchinson, P. Guenette, third; E. Drum, second; J. Tardiff, lead. The second place rink was skipped by A. Leonard, J. Greenfield, M. Mathot and W. Mayer.

Prizes for the A Event were donated by Edson General Supply and Edson Motor Co. Prizes for the second event were donated by Pattison Insurance Agencies and Pettser's Drug Store.

Flying Club buying plane

The Edson Flying Club are holding their next meeting at 8:30 p.m. in the Commodore Hotel banquet room on Thursday, January 31.

It is very important that all members attend as a decision must be made as to what kind of aircraft is to be purchased for the club.

Anyone interested in flying is also welcome to come to this meeting.

Edson Optimists make inter-club trip to Edmonton

Nine delegates from the Edson Optimist Club, Peter Serniak, Dr K. F. Robins, Melvin Wallace and Bill Owen made an official inter-club visitation to Edmonton on Tuesday evening this week.

As this is the week when the world pays homage to Scotland's immortal bard Robbie Burns, the meeting took on a Scottish hue. The highlight of the evening was the toast to the haggis and a talk on Robbie Burns by Gordon Kinbury. Mr. Kinbury has visited many places in Scotland that are associated with Burns and his address proved very interesting.

This was the Edson quartet's first taste of the haggis — now they are wishing they were Scotsmen so taken were they with this delectable dish.

It was learned at the meeting that Ben King, a former Edson district resident now living in Seattle, had recently lost his home by fire. Mr. King's mother-in-law had lost her life in the fire and Ben himself was severely burned. Mr King is an Optimist and a fund has been set up to help him over his loss.

Council to set up meet on Arena needs

An architect is to be asked to submit recommendations on ways to improve and modernize the existing Arena building it was decided at the Council meeting held on Tuesday night.

When the submission has been made Council will call a meeting of all interested parties including the Recreation Board to discuss the suggestions.

The Town's engineers have been asked to proceed with designs for sewer and water services on 8th Avenue between 43rd and 46th Streets, East, to provide Town serviced lots for prospective home builders.

A preliminary application to the Alberta Municipal Financing Corporation indicating a maximum borrowing need in the neighborhood of $147,000 was authorized by Council.

The money would cover such projects as water and sewer extension, curb and gutter work, storm sewers, etc., that Council have been considering for this year's works projects.

In lieu of a direct transfer from the provincial government a 25 year lease for an area adjacent to Willmore Park is being negotiated to give access to the Park from the east road.

An application from Crimson Crest Ranch Ltd. to sell fresh milk in Town was approved following receipt a favorable recommendation from the Health Unit inspector.

On the matter of health, some concern was expressed by the Council about the continued vacancy of the medical health officer position with the Edson Health Unit. Enquiries are to be made about the matter.

A discussion on residential land prices took place and it was confirmed that $100 per front foot should be the prevailing price to home builders.

Week's Weather

The following is the past week's weather for Edson and district as reported by the Edson Metrological office.

	HI	LO
January 14	8.3	2.6
January 15	21.5	-2.4
January 16	30.3	-4.3
January 17	32.2	16.1
January 18	13	-30
January 19	21.3	10
January 20	47.5	-30
January 21	44	-0.6
January 22	3.5	-23.3
January 23	1.3	-10

Modern dairy farm selling fresh milk locally

As announced in a full page ad in this week's Leader Mr. and Mrs. Harry Wadley and family of Crimson Crest Ranch are starting a fresh milk delivery around Edson and Glenwood with genial milkman Norm Quinnell being the man to see.

The project is the result of years of planning and work by the well known farm family, just south of the Coal Branch turnoff west of Edson.

Purchasing, moving and erecting the former Caldwell skating arena as the main part of their modern barn was the first big step.

A couple of years ago Mr. Wadley journeyed to England to purchase a registered Red Poll bull to further improve their dairy herd of registered Red Polls. Quality and butter fat production have followed the improvement of the herd and with the modern dairy facilities the Ranch is ready for full scale step of marketing their product.

One of the more intriguing aspects of the set-up at the Wadley farm is the "loafing barn" where the cows spend their time when not in the "milking parlor" or at their feed stations. The set-up will accommodate 200 head of cattle as well as 30,000 bales of feed under one roof.

The main barn is 176 x 172 feet, plus the milking parlor which is of glazed concrete block for sanitary milking. As well as cleanliness, the most attractive feature of the plant is the labor saving devices which elevate feed, and dispense it in measured amounts, at feeding and milking stations.

Barge milking equipment has been installed in the milking parlor and the whole room has the antiseptic look of a hospital, what with glazed block and the rest of the room in hard surfaced concrete.

In looking over the barn with Mr Wadley and family, he emphasized the high butter fat content of the milk and the gentle disposition of the Red Polls which he smilingly said provided contented milk from contented cows.

WINNERS OF THE B EVENT in the Tri-Service Bonspiel were members of the H. Hutchinson rink left to right: J. Tardiff, lead, E. Drumm, second; H. Hutchinson, skip; and L. Bassart, who subbed the last two ends for Paul Guenette, who was third for the rest of the games.

CAOUTTE'S MP's

Best story (probably false) we heard this week was about the kind of fellow Real Caoutte has for fellow Members of Parliament from the "State" of Quebec.

It seems they couldn't get anyone to run in this rural riding and finally the committee talked Rene into saying yes. Rene didn't hold any meetings, shake any hands or kiss any babies under 30.

The day after the election one of the party workers said to him: "When are you going to Ottawa, Rene?" "I can not," says Rene.

"Mais, oui, you must," said the partyman, "you are a Member of Parliament now."

"Non, I can not go," replied Rene, "I still have six payments on my chain saw!"

Marlboro News

The monthly meeting of the Marlboro Community Association was held on Tuesday, January 15 in the hall. Ten people were in attendance. The president, secretary and treasurer were re-elected. The executive is as follows: D. W. Miller, president; Mrs. Carol Pirol vice president; Mrs. Archie Miller, treasurer; Mrs. Margaret Gauchier, secretary. Board members are Harold Miller, Milton Hayman and Mrs. Della Belcourt.

A banqo was held in the hall on January 21. The cash jackpot was $18.

Best wishes from the Marlboro community to Miss Shirley Bushnell and James Gauthier who were married last Saturday in Edson.

Mr. Jack Lambert is in the Edson hospital for an operation on his foot.

Mr. Allen L'Hirondelle cut the end of his finger off while tail sawing at Swedberg's Camp.

Billy Belcourt cut his hand quite badly with a power saw while working at Carlson's camp.

Louis Glavale has gone to Jasper where he is employed under the Winter Works Program.

Billy Franklin has returned from Edmonton where he has been taking treatments for his back.

Mrs Ed Hine is an Edmonton visitor this week.

Church was held on Sunday with a very small attendance.

Mrs Miles Callihan was an Edmonton visitor last week. The Albert Callihans have moved to Edmonton to make their home.

"I hear he's a mathematics instructor."

"First time I've been late for church."

Peers News

Members of the telephone crew have moved into Peers, and along with local help are stringing the poles in preparation for setting after digging the holes. The extremely cold weather has slowed operations. Telephone help will be ringing west and north of Peers in the near future.

The wedding of Lois Radcliffe and Bruce Jackson of Shining Bank was solemnized on Saturday in the Dutch Reform Church. A reception for the relatives and friends of the bride and groom was held in the school auditorium. A dance to end the festivities was held in Shining Bank Hall.

The extremely warm weather melted the ice on the rink now covered it with the return of cold weather. Pupils are waiting for a break from the weatherman so they can flood it and again enjoy some skating to work off their exuberant spirits.

Many of the residents will remember Mac Burns who used to be station agent at Peers. He passed away in B.C. recently and Clerk and Pearl Nielsen went out for the funeral.

Lawrence Radcliffe had a busy time of it keeping the roads plowed for the school buses and main traffic.

Abe George, who had an unfortunate accident between Christmas and the New Year was hospitalized in Edson for a short time. He has now joined the old-timers in the Old Folks Home in Edson.

LETTERS

TO THE EDITOR

PROGRESS??

All this squabble over facilities, Conventions, etc., that is sweeping our country, seems to me to be just so much noise from reactionary and fossil. Ever since we took this country away from the Indians we have tried, and succeeded, in making another Europe out of it. So why all the kick about this new trend that is back of their over population and congregation. If we are to accept their way-of-life of production and respect this country the same as theirs has been for centuries, then we can respect our system to go the same way theirs has gone.

Every one believes in progress for some reason, and are always boosting of our country going. How social can be the result of progress in the European brand of civilization, whether we like it or not. Freedom does not come from congestion, and the results is more and more regimentation until the thing blows, up as it is always doing in congested areas, and has done all through history. What else is the case of war, epidemic and famine?

Twice in my life, we of North America have gone over to rid Europe of the evils of over population. Twice we have gotten tangled up in their family row. Only to see them all with their arms around each other, plotting to take possession of the whole world—us included.

Yet, we need more encouragement to have more babies if we are to complete our job of making another Europe out of this continent, a festering sore on the face of the earth due to congestion and European type civilization which is contaminating the world with its trained lookers.

Mrs. E. Jacobson dies in Edson

Mrs. Elizabeth Agnes Jacobson of Edson died on January 18 at the age of 72 years. Mrs. Jacobson is survived by her loving husband, Charles; three sons, Gordon and Orval of Calgary, Wilfred of Prince George, B.C., three daughters, Mrs. (Dorothy) William Turnbull of Calgary, Mrs. (Beth) Stewart Weighill of Winfield and Mrs. (Thelma) Arthur Lambert of Edson; one brother Gordon of Hudson Bay Mountain. Sask.; 14 grandchildren and 17 great grandchildren.

Funeral services were held on Monday, January 21 from the Edson United Church, Rev. Donald MacPherson officiated and interment was made in Glenwood Cemetery.

Floral tributes were received from The Loving Family; The Grandchildren; Granddaughter and Great Grandchildren; Will and Sis; Orval, Myrtle and Marsha; Turnbull Grandchildren and great grandchildren; Jean and Allan, Freddie and Anita; Dorothy, Gordon and Bill; Willmar and Sophie Lahrech; Mr. and Mrs. Don Day; Mr. and Mrs. O. R. Day; Peter Valley Pentecostal Holiness Church.

Edson Funeral Home were in charge of arrangements.

CAPITOL REPORT

MORE AUTONOMY FOR MUNICIPAL BODIES

BY JOHN WARREN

EDMONTON — A new planning act that will provide more autonomy for municipal authorities will be introduced at the next session of the legislature. It will also streamline planning bodies and trim the discretionary powers of planning officers.

Right existing kinds of planning bodies in the province will be eliminated by the new act and replaced by four agencies which will handle initial planning moves and appeals. The provincial planning advisory board will drop the "advisory" from its name and will handle only appeals dealing with subdivisions.

More authority in planning matters is given to elected officials and as much red tape as possible will be cut concerning applications for development. Instead of an applicant filing papers with as many as six different government bodies only one application will be required.

The new act has been under study for two years. It is based on the principle that development of public and private land should be orderly and economical and that private owners may develop their land to the best advantage without injuring the rights of their neighbors or the public.

Planning officers will not be allowed to use discretionary powers when handling development appeals. They will be governed by the act and decisions which weigh conflicting interests will be made by planning commissions or municipal councils.

It is expected the new act will come into force six months after it is passed. This will give municipal authorities time to set up the necessary machinery for its implementation.

☆

A proposal that the government study the spread in gasoline prices across Canada was described last week by Minor Minister Kenneth Patrick as "a ridiculous idea."

He said such a study would be warranted in Alberta only if there was evidence of price fixing by the oil companies. Mr. Patrick said he is convinced no such combining exists.

However, at weeks end Premier Manning said such a report would be prepared.

SOCIAL CREDIT - USA BRAND

Canadians who take any interest in politics at all should restrain themselves from looking at the picture in the United States of America. People over the border have not in many years submitted to any such nonsense as the New Democratic Party or CCF or Social Credit, but they seem to have the disease, if not the name for it.

For instance, the reverend and solid and well respected New York Times a few weeks ago reported that essentially there is no longer disagreement among theorists that deficit spending is a stimulus to the economy. "If the economy is not generating enough demand to keep it going at close to full tilt then the government must generate the demand, by deficit spending if necessary."

This view, according to this great authority, is "central to economic thought and theory in today's world." Along in November a majority of President Kennedy's Advisory Committee on Labor-Management Policy called for a tax cut in 1963 of $10 billion. Some members thought that the government should increase spending. No one troubled to mention that there already was an estimated deficit of more than $7 billion. These people by a thumping deficit "would achieve and maintain fuller utilization of manpower, higher industrial operating rates, and a more rapid rate of economic growth."

This is socialist doctrine in as far as it involves expenditure on public works in order to give more employment. And it is Social Credit theory in that it implies that the way to get rich is to print more money.

Henry Hazlitt of Newsweek, who is probably the severest of modern economists, points out that trying to get out of an economic mess by spending has been tried a hundred times in history and has invariably resulted in tragedy. It has been tried in Germany, in France, and in South American countries in modern times. The greenbacks that were printed in order to finance the 1776 rebellion against Britain gave rise to an impression that still lives and should be remembered. The saying is "not worth a continental." The continental in this case was a piece of paper calling for redemption by a fledgling government that wasn't able to pay its debts, whatever it was able to do to George III.

After the U.S. civil war there was a similar financial problem, but the government and people of the then comparatively small United States pulled back from the brink because some then living would have remembered currency that was "not worth a continental." And headed.

Canada has four political parties more or less national in scope. The United States has two. Two always has thought that a two-party system of government was far superior to four parties. But two parties can be just as sterilely silly as Canada's four parties.

—The Printed Word

Going Steadily

Young people probably do little to purify the language of the tribe, but they make it more interesting in their need to find phrases which will suit their special ethics. An example is the current saying among jockeys, "to go steadily." This denotes a less permanent social arrangement than the old, well-known "going steady." To go steadily means one date at a time, with no commitment after next Saturday night's dance.

New Dems name officers for the year

Dr. Peter Cohen was elected president of the Edson New Democratic Party club at its annual meeting on January 18th. Other officers elected were John Pyper vice president, Mrs. Paul Gamette, secretary and Mike Pavich, chairman of the membership committee.

Mrs Mary Walker reported that the Club finished the election year with a slight balance in the bank. With the possibility of two elections being held this year, she pointed out, it would be advisable to undertake an early membership drive.

Delegates appointed to the provincial nominating convention in Edmonton on January 26th and 27th were Dr. and Mrs. Cohen, Mr. John Pyper and Mrs Walker.

The question of providing associate memberships in the New Democratic Party was raised by several members. An associate member would be entitled to attend all New Party Club meetings, take an active part in all its affairs, but would have no voting privileges.

It had been found that many people were interested in the New Democratic Party, but because of limited incomes, had found the regular membership fee of $2 too high. On a motion by Mark Alfiert, it was decided to forward a resolution to the provincial convention asking that associate memberships for $1.00 be provided for the benefit of pensioners and others of limited means.

The meeting decided to table for the present a resolution which recommended raising the juvenile age fro boys from 16 to 17 in Alberta, as it was felt that members should become more fully acquainted with all aspects of the juvenile delinquency problem, before making any recommendations.

It was suggested that representatives of other political parties in Edson be approached with the view of holding a Citizens Forum, open to the public, at which the whole problem of juvenile delinquency would be discussed.

It was the feeling of the meeting that the growing problem of juvenile delinquency in Canada was something that affected everyone and should be the object of concerted action by all political parties

HINTON— MRS. GORDON McEVOY IS RECEIVING CONGRATULATIONS THIS WEEK on being awarded the Queen's Commendation for Bravery for saving the life of young Brian Kilbreath last spring. Mrs. McEvoy received the award, a pair of sterling silver laurel leaves with an engraved scroll, some time ago, but was instructed to keep it confidential until the list was published in the Canada Gazette of January 14. With the award was a book of instructions on when the pins may be worn and how according to state protocol. The Leader adds its congratulations to Elsie on receiving this latest honor.

SUPPORT MINOR HOCKEY WEEK JAN. 26th

Don't Send — Take Your Boy to the Arena
MINOR HOCKEY WEEK STARTS JANUARY 26

Edson Bantams take Hinton boys

The Edson Optimist Bantams Hockey team continued their winning way over the weekend when they took a double-header from Hinton Optimist Bantams.

On Saturday, Jan. 19 at Hinton the score of 12-1 indicated how they walloped the Hinton team. The lone Hinton goal was scored by Ron Hrabchak at 10:01 in the third period.

Only five penalties were handed out during the entire game. In the first period Wele of Hinton for elbowing; Rutherford of Edson for holding the puck and Kristoff of Hinton for the same. In the second period Hale of Hinton got 2 minutes for high sticking while the third period saw Caswell of Edson getting a two minute penalty for boarding.

The Edson goal-getters were first period 2 goals by Don Mahon assisted by Herbert Smith and Don Kohler assisted by Herbert Smith and Robert Owen assisted by Greg Cold. Second Period. Don Mahon assisted by Smith and Kohler; Hubert Smith assisted by Scott McRae; Tom Erickson assisted by Brian Rutherford. Third Period: Tom Erickson assisted by Brian Rutherford Hubert Smith assisted by Don Mahon; Hubert Smith assisted by Don Kohler; Hubert Smith assisted by Kohler and Mahon. Brian Rutherford was assisted: and last goal by Don Mahon assisted by Hubert Smith.

The second game played on Sunday at Hinton saw a much stronger Hinton team take to the ice Hinton again won with a score of 6-1. Goal getters for this game were Hubert Smith 2; Don Mahon 3, Don Kohler 1, and Robert Owen 1.

Billy Hrabchuk, Edson's goalie played an outstanding game both times.

Thanks go out to all those who took the players to the games at Hinton.

Support Minor Hockey week by attending Midget Hockey at the arena, Saturday, Jan. 26 when Edson hosts Hinton.

SMART MOTHER. This mother duckshund knows how to quiet down her two offspring when they become mischievous. She runs them!

Juveniles play Hinton team

The Edson Juvenile Hockey team played its first game at Hinton on Sunday and came out the loser, the score being 8-4 for Hinton.

Both teams played a good brand of hockey with only three penalties being handed out, Hinton getting two and Edson 1. A few minor injuries occurred during the game.

The goals for Edson were scored by: Ted Worten; Bob Peet (from Alec Kulyk); Wally Hurtnak and Eddie Owen, both assisted.

Cy Smith and the players wish to thank the people who so kindly took the boys to Hinton As yet the Juveniles have no sponsors.

This weekend starting January 26 is Minor Hockey Week in Canada . Support the players . there might be a potential Rocket Richard, Gordie Howe, Frank Mahovlich, Glenn Hall, Turk Broda, etc. Even if they are just hockey players they are getting that out door exercise so necessary and learning to be good sports, so it's up to you!

Edson Midgets win 7-2 at Hinton

By WAYNE GARDING

On Saturday, January 19, the Edson Legion Midgets journeyed to Hinton to play the Hinton Midgets. Edson came out on top by a score of 7-5 in a game observed by quite a few brave Hinton fans as the temperature around zero.

Hinton were down by in the first period and was behind 4-1 after the second frame.

Reed LeBalbo and Garry Dirks led the Edson attack with two goals apiece while the other Edson goals were scored by Eddie May, Wayne Garding and Gordon Wells.

Hinton marksmen were Chuck Kiel and Dennis Malon.

LINEUPS:

EDSON: Goal, Dale McIntyre; Defence, Bill Simms, Michael Brachinka, Keith Switzer, Larry Irwin, Reed LeBalbo and Paul Brand; Forwards — Eddie May, John May, Wayne Garding, Garry Dirks, Mark Irwin, Simms Wells, John McGuire, Randy Fryar and Jim Schaeffer.

HINTON: Goal, Joe Simons; Simons — R. Chernish, B. Delisle, T. Armstrong, A. Hrabchack, R. Nelson, and K. Lindsay; Forwards — Chuck Kiel, P. LaFund, J. Morris, N. Tredwin, D. Malon, D. Goudron, E. Hansen, T. Switzer and E. Peterson.

SUMMARY

FIRST PERIOD: Edson, LeBalbo from C. Schaeffer at 4:34; Edson, E. May, at 10:30; Edson, Garding from LeBalbo at 12.35; Edson, Wells at 12:38 Penalties: Brand, 12-10.

SECOND PERIOD: Hinton, Kiel at 2:40. Penalties: Brand 2:05; E. May 12:15; LeBalbo 14:02; Kiel 16:52.

THIRD PERIOD: Edson, Dirks at 11:39; Hinton, Malon from Armstrong and Morris at 17:42; Edson, LeBalbo at 19:30; Edson, Dirks from Wells at 19:46. Penalties: LeBalbo 2:24; Garding 7:07.

The Edson Legion Midgets will host the Hinton Midgets on Saturday, January 28, at 7:30 p.m. This is the beginning of Minor Hockey Week in Canada so you are urged to come out and support the hometown boys.

"I think it's a kind of pullout."

Minor Hockey Week fine for young boys

Mayor W. R. Brunelle called upon all citizens to support Minor Hockey Week in Canada, which commences Saturday, January 28th.

In voicing his support of Minor Hockey Week, His Worship said: "It is a great pleasure for me to join with my council, and with councils across this great nation, to pay tribute to the volunteer workers who make the planning of hockey possible for the young people in our communities. Minor Hockey Week starting January 28th, is an occasion when numerous exhibitions and special events will draw the attention of citizens to the advantages of minor hockey for youngsters, and to the support which they should give to organizations entrusted with the promotion of this sport in our municipality.

"Hockey is Canada's National Game, and probably our main sporting activity It is played here with the greatest enthusiasm and with great ability, and the people who make it possible should have our utmost support. In addition to providing youth with pleasurable and healthful recreation, it contributes to a great extent to the development of sportsmanship, the spirit of team-play and discipline together with qualities which are quite necessary to develop good citizens.

"Personally, and on behalf of the members of my Council I thank all those who are interested in the promotion of minor hocky here in Edson District. In the past they have given inestimable co-operation to the community by their devotedness and the assistance and leadership they provide for our local minor hockey program. We recognize the solicitude shown by representatives of minor hockey for these younger players, but also want to stress our appreciation of the fine organization which makes minor hockey possible here. This year, because of the fine administration of our local league, and because of the enthusiasm for our national sport, dozens of boys, divided into several teams will be playing properly supervised hockey in our town.

"Therefore I ask all citizens to observe Minor Hockey Week by encouraging their boys to participate and by attending the special events that will be arranged for Minor Hockey Week. I commend to you the efforts of Canadian Amateur Hockey Association slogan, "Don't Send — Take your Boy to the arena — then stay to see him play." In this way we as citizens may join with your council to express gratitude to those who are doing such a fine job for the youth of our community."

SPOTLIGHT ON THE SMALL FRY. Hockey rinks across the nation are honoring Canada's young hockey players Jan. 28 to 26 in Minor Hockey Week, sponsored by the Canadian Amateur Hockey Association. Special games and activities are organized to encourage youngsters to play Canada's favorite winter sport.

TEEN AND HERD

By BEN

Remember this weekend . . . our rinks have been made up if you didn't get on the team you wanted to be on "Don't cry . . . . " Have heard lots of comments, but be a sport, huh?

We start to play on Saturday morning at four o'clock. Eighteen rinks are taking part. Be on time and skips be sure to check with your players — let's make it the best yet.

☆

The High School has a cinch for Carnival Queen this year Guess who? Our own Connie Erickson that's who. She's one gal we'll all be voting for 'cause Connie's not only a real cute kid, but is a good student and one of the nicest gals we know.

☆

It's Minor Hockey week starting Saturday, Jan. 28. Hear about all these guys and gals who aren't curling during day, going to the arena and supporting our local midget team who are playing against Hinton.

The midgets are good and deserve your support. Tell your parents too—they'll be proud of their sons.

☆

Did you ever try to move a mountain? If not just try to get Michael Swatanish out of play That boy is solid!!!!

☆

In a non-league hockey tilt on Wednesday the Midgets took on the newly formed Juvenile hockey team, but lost by five to two Sure liked that one pile-up when LeBalbo clobbered Stoner, who retaliated with a left hook.

Midget Dale McIntyre came to midget LeBalbo's aid which so annoyed Juvenile Peter Dupre that he took one flying leap to Juvenile Stoner's aid. Then the reds had to break it up.

☆

Heard that Lieutenant Greene really put his boys through their paces at the Cadet Review on Wednesday night at the Legion Hall. He was blowing about it the next day at school.

Said the boss corpse was "just out of this world." Ted, by the way, is also our Students' Union President and just received his cadet lieutenancy Hot stuff that boy!

☆

We sure beat those Wildwood guys didn't we? 68 - 27. But it was a good game. The sharp shooters of the game were Fred Klein with 10 pts., Dale McIntyre, 10 points and Wayne Michener with 18 pts. The rest of the boys were in there pitching also.

Joke of the Week

"It's all fixed. The lion is going to take a dive!"

☆

The girls upheld the honor of Edson by winning their game. Of course our cheer leaders were in good form too. That's what helped us win.

☆

The basketball players travel to Hinton this Friday (weather permitting).

AS I SEE IT

By Pastor Hess

WHAT DO YOU SEE IN CHRISTIANS? I know a man who had a wall motto that reads as follows.. We flatter those we scarcely know, We please the fleeting guest, We deal fair many a thoughtless blow, To those we love the best.

These four lines describe an attitude which is found not only within the four walls of our homes, but one which is too often found among the household of God. In this worst stages it expresses itself in such statements as: "Christians are hard to get along with. I'll take unbelievers every time."

No one who has pastored a church or led a choir or undertaken some other church responsibility will deny the fact that Christians are saints in terms of their standing far more than their actual state. Though they are far from perfect in this life, the Spirit of God Himself has been pleased to take residence in them. If ever we are to find much of the fragrance of heaven in this earth, it will have to be found in the companionship of the lost and the ungodly but in fellowship with God's people.

As we remembered or attained by the limits of our know believers? God sees all and we see and more. Yet he is patient to call them "sons of God" (1 John 3 1,2) and His servants, whom we have no right to judge in matters of endowment.com.14:4). Are we ashamed at their environs impertinence? Our Lord Jesus Christ "is not ashamed to call them brethren" (Heb.2:11,12).

Though Christians may fail short, the important fact is that God Himself has begun a work in every true believer. Gets one in His unreasonably, has boasting (1 Cor.2:9). He has pledged Himself to bring that work to completion and to present each redeemed sinner faultless before His presence(Jude 24).

We ought to like unbelievers. Indeed we ought to love them for Christ's sake if not for their own. We ought to find opportunity for wholesome and helpful association with them, for only by so doing can we fulfill our Lord's commission (John 20:21. But we hope for completion of God's work in ourselves ought not for one moment dare belittle His work in other Christians or the preciousness of each one in God's blood-bought family. Certainly we ought not to delight in the ungodly (Ps.16:3).

We need however to try and see Christ in others. They no doubt have never reached perfection, but ask yourself this question,"have you?"

1 Mile South of Jasper Highway

This amazing instrument will start a Volkswagen at 30 below zero.

It's not much of a trick, really. Just common sense.

We discovered, a long time ago, that water and winter don't mix.

A conventional car has about four gallons of water to heat before the engine runs properly.

Instead of water, a Volkswagen is cooled with air. No matter how cold the weather, the air is warmed almost instantly. Heat that is usually absorbed by water warms the carburetor and oil for faster starts. (The automatic choke prevents stalling.)

There are other reasons why the Volkswagen is a winter wonder.

The bottom of the VW is flat so it doesn't get involved with deep snow. (You can shovel the walk, but the driveway is optional.) There's also better traction because the engine is in the rear with its weight over the drive wheels.

And we have one more amazing gimmick. It keeps our car from rusting. It's called paint. (We didn't invent it. We just use more of it. Four coats, inside and out.)

If cold mornings give you motoring problems, see your Volkswagen dealer. He's got the best key to winter driving.

Let's Eat

TOMORROW'S DINNER
Sardine-Egg Saladettes
Chai Burchi (Braised Veal Shanks)
with Potatoes, Carrots and Onions
Puffy Orange Balls
Orange Marmalade Sauce or Sliced Bananas
with Honey and Lemon Juice
Coffee Tea Milk

Measurements level; recipes for 6

OSSI BUCCHI (BRAISED VEAL SHANKS)

2 tbsp. margarine
2 tbsp. olive oil
3 veal shanks, split
1 tsp. monosodium glutamate
1 tsp. salt
¼ tsp. pepper
½ c. each diced peeled carrots and celery
¼ c. chopped peeled onion
½ crushed peeled section garlic
3 c. boiling water
4 tbsp. tomato paste
1 tsp. beef bouillon powder
6 halved peeled small carrots
6 halved peeled small onions
1 lb. thin noodles, cooked

In large heavy skillet or chicken-fryer heat margarine and oil.

Meantime, rub veal all over with monosodium glutamate, salt and pepper.

Brown on both sides in heated oil.

Add diced carrot, celery, onion and garlic. Continue sauteeing until vegetables are limp. Add water, tomato paste and bouillon powder. Cover; simmer 30 min.

Add carrots and onions or use canned onions.

Continue to simmer covered about 30 min. longer or until both vegetables and veal are fork-tender.

Serve with noodles cooked by pkg. directions; seasoned with butter and minced parsley.

PUFFY ORANGE BALLS

½ c. butter or margarine
½ c. sugar
2 eggs, beaten
Grated rind and strained juice of 2 med. oranges
1½ c. pre-sifted flour
¼ tsp. salt
1½ tsp. baking powder

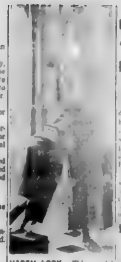
Mix butter and sugar until light; add eggs, orange rind and juice; add flour, salt and baking powder sifted together.

Batter should be of a consistency to drop easily from spoon.

Half fill buttered 3-oz custard cups; coat cover with aluminum foil and steam 45 min.

Unmould.

Serve hot with Orange Mallow Sauce.



HAREM LOOK. This model shows the fashion for Canadian women who are going south for the winter. She wears long, green cotton culottes and a white shirt-waist style blouse with green dots.

When a six-year-old came home clutching a quarter, his mother asked where he got it. "I got it from Willy for doing him a favor," he said.

"What was the favor?"

"I was hitting him over the head and he asked me to stop."

As a truck man, you'll know the "EXTRA VALUE" in every GMC truck!

When it comes to know trucks, talk trucks, you'll hear about GMC's. They count on GMC for rugged durability. New GMC ladder frames have extra strength built right in, yet still give you needed flexibility for all-load work.

From ½ to 60 tons—built for Canadian jobs

GMC variable rate springs give you the spring action you need for top-load carrying ability, and you'll find GMC power teams are built to give you the best in economy and long life. You get true truck value in a GMC. See your GMC dealer.

There's "EXTRA VALUE" in every GMC Truck!

AROUND TOWN

With IRENE SOCHEK

Mrs. G. Gourlay spent the weekend with her daughter Evelyn and family at St. Albert. While there she attended the Korean Children's Choir at the Jubilee Auditorium. The hall was filled to over flowing, and people stood outside and in the basement in order to hear the 94 trained Korean orphans, some only seven years old. This group has toured some 14 nations, and though the concerts are free (donations only) the choir finds they're always given a helping hand along the way with free rooms, meals, oil and gas for their bus, etc.

☆

Mrs. S. Rubrvins was in Edmonton recently to see her new granddaughter born to Mr. and Mrs. John Blazevich. While there she attended the Ice Capades, and found them most enjoyable.

☆

Congratulations to Rita Billiet and Lorne Kreisch on their recent engagement.

☆

The Sacred Heart choir is now practising on Friday evenings to allow its members to attend the adult education classes, which are proving so popular.

☆

Don't forget the monthly meeting of the Home and School Association on Wednesday, Jan. 30, in the A. H. Dakin School. The main topic under discussion at this meeting will be "Home and School—Yes or No." Be sure to attend and let us know what you think about the usefulness of the organization. This is the time to air your grievances or put forth your suggestions!

☆

Mrs. Percy Keyes visited her daughter in Edmonton recently on the occasion of her birthday.

☆

Cliff Ernst is recuperating from a broken ankle, pulled tendons and many bruises following an accident on Highway 16 at the Pere turnoff. Cliff was driving toward Edson in his Toastmaster truck on a dark and foggy Friday, Jan. 18, when he smashed into the back end of a west bound truck being driven by Jim McNaughton, and towed by Mc-Dold Cold.

The Toastmaster truck is a total loss, so Cliff can thank his lucky stars he wasn't seriously injured as he might have been.

☆

A reminder from the Craft Centre to anyone interested in taking the Batik or Block-printing courses in April. You must have your name in by the end of January! Phone Mrs. Rita Stelter PA3 2880, or Mrs. Myrtle Madge PA3 3863.

☆

Congratulations to the Wildcat Hill rink on the winning of the Tri-Service curling trophy. Vern Goodwin stumbled into badminton Sunday night, steadying under the weight of the trophy, tired but happy. He even managed to play a few games of badminton before heading home.

☆

Did you read about the truck driver in England who was fined for speeding and explained to police "I had a slow puncture and I was in a hurry to get to a garage."

☆

Prince Lee Gattzine has returned to Vancouver after a six-week holiday here with Mr. and Mrs. Fred Hladik. The prince is presently script-writing for a Vancouver TV station.

☆

Friends of Father Landrigan will be interested to hear that he is now pastor of a new church in the Beverly district in Edmonton. He shared Christmas dinner with the Hladiks again this year, as has been his custom for the past thirty one years. This must be a record of some kind.

☆

Our sincerest condolence to the Booth family on the loss of their infant son.

☆

Mrs. Ron Curtis is attending a camping seminar at the Banff School of Fine Arts from Jan 22 to 26. Sponsored by the Alberta Camping Assoc. in connection with the Recreation (Cultural) Development Branch, the seminar will feature lectures by Prof. and Mrs Lorne E. Brown from the University of B.C. Prof. Brown is past president of the Assoc. Mrs. Curtis is taking a display of Crafts from the Surprise Lake camps to this sixth annual arrows Canada convention.

☆

Mr. and Mrs. Bjarne Erich son motored to Grande Prairie on the weekend to drive Mrs. Erickson's mother, Mrs Bergquard home, after she had spent a week here.

☆

This skating is wonderful for the small fry! I have two bruised knees for my efforts on the weekend.

☆

This Friday, Jan. 25th, 8 Robbie Burns day. Born in Ayr, near Scotland, on Jan 25, 1738, Robert Burns was a poor farmer who went to school only a very little. He was, however, sat avid reader, as were the rest of the Burns family.

He was a native lover; wit- ness his "Ode to a Field Mouse. He had many unhappy love affairs, which left their record in the beautiful poems that he wrote about them, for example, "Highland Mary," and "To Mary In Heaven." He married Jean Armour, of whom we hear so much in his songs.

Unfortunately he was a drunkard and suffered a poor health, bringing him an untimely death on July 21, 1796, at 37 years of age. He had reached the height of his fame in 1787, when he was 28 years old.

☆

Happy New Year to all our Chinese friends and neighbors! This Friday, Jan. 25th, is a very special day in China people decorate their homes and put on new clothes in honor of the day.

And well they may! For over there New Year's is the birthday of everyone in the land. No matter on what day a person may have seen the world his birthday is counted at New Years'.

Traditionally, the Chinese populace in such cities as Van couver and San Francisco have their own 'China town,' celebrate with dragon dances, firecrackers, reward dancers and handing out of lanterns. By the end of the day streets are knee-deep in streamers and other debris. It is the tradition in China to give each child a gift of money wrapped in red paper and red symbolizes good luck. The elder members of the village are also given gifts of food, usually chicken or goose

Scouting Corner

SCOUT CALENDAR

GOLDEN ARROW TRAIN-ING for Patrol Leader, Thursday, 6:30 p.m. followed by regular meeting at 7:00 p.m. at Boy's Centre.

JR. ST. JOHN'S AMBULANCE training: Thursday, 7:30 at the Firehall.

POSTER COMPETITION ON WORLD ROOFTING FOR SCOUT-WEEK. Feb. 18 - 23rd

FATHER & SON BANQUET — February 21, 1963. District meeting sponsored by the Yellowhead District Council. Boy Scouts of Canada to be held at Hinton Scout Hall Saturday, February 23, 2:65 p.m. planned for Scout and Cub leaders as well as those interested in Boy Scout movement.

CUB CALENDAR

"A" Pack meets Wednesday, 6:30 p.m. — A. H. Dakin School.

"B" Pack meets Wednesday, 6:30 p.m. — A. H. Dakin School.

Parents can expect to receive a telephone call from Cub Master Jim Oliver. Besides a Secretary for "B" Pack, two parents per evening would assist greatly with instruction and general discipline.

WITH THE SCOUTS

Scouts Tim Carwell and Frank McCullough; Ken Jarvis received 2nd year Service Star; Mr. Doug Murray has been appointed Assistant Scout Master.

Const. Bill McCoy, has agreed to organize a Rover Scout group and get a temporary leader. This is a big step forward for Scouting in Edson. This group is made up of Queen's Scouts who would otherwise be without a chance to make further progress in the Scout Movement here. These boys can assist with both Cubs and Scouts should the occasion arise.

The boys wishing to attend the Alberta Jamboree at Sylvan Lake must qualify for 2nd Class before March 31, Scout Master K. Wallace is embarking on a campaign to encourage his patrols to pass their various tests.

The meeting on Thursday will see the Troop taking part in a one minute Public Speaking Contest.

Duffyn'isms:

Ice — Skit stuff

Commentator — A well known potato

On this day work is absolutely forbidden, and only the men are allowed to perform the reward dances and etc. The women bake a good luck cake or perhaps 'steam' would be a more apt term. The ingredients are mainly flour, Chinese brown sugar, and baking powder. This, when steamed rises and bursts at the corners, symbolizing good luck for the coming year.

The Chinese New Year based on the lunar calendar, dates from the birth of the Emperor Chi Wang Ti, and this will be the year 4,661

Master Kevin Tritzoff, son of Mr. and Mrs. J. Tritzoff, was the lucky winner of a pair of skates on the Bantam Hockey Raffle.

Robb and Branch News

The Branch was saddened again in the loss of another old timer in the person of Mr. Forbes of Caslenia.

Mr. Norman Hansen of Rabbitville was visiting on the Branch for a couple of days checking on the moving jobs. Doubled we had two much snow.

Mr. Howard Shirey of Caslenia accompanied by Mr. and Mrs. Charlton Sr. where visitors to the city on Friday evening. Mr. and Mrs. Charlton remained in the city, while Mr. and Mrs. Shirey, and daughter Susan returned home to Caslenia. Susan had been to the dentist.

Sunday was one of Robby's extremely mild days with only abundance of snow nearly half gone. It was sadly changed on Monday with two below accompanied by more snow.

Mr. and Mrs. Hoglin and Denise were out on Sunday taking advantage of the beautiful day visiting at Hinton

Infant son passes away

Derek Neil Zeerh, infant son of Mr. and Mrs. Dale Zeerh of Edson passed away on January 18, 1963. Besides his loving parents, he is survived by two sisters, Cathy and Cheryl both at home; his paternal grand parents, Mr and Mrs. Zeerh of Tisdale, Sask.; and his maternal grandparents Mr. and Mrs. B Neff of Tisdale, Sask.

Funeral services were held on Saturday, January 19 from the United Church in Edson with Rev. Donald MacPherson officiating. Interment was made in the Glenwood Cemetery.

Edson Funeral Home were in charge of arrangements.

CARD OF THANKS

JACOBSON — We wish to express our sincere thanks and appreciation for the many acts of kindness, messages of sympathy and beautiful floral tributes, received from friends, relatives and neighbors, during our recent bereavement in the loss of our loving mother and grandmother. Our special thanks to Dr. J. F. Crawford, and nursing staff at St. John's Hospital; Reverend D. MacPherson, pallbearers, organist and choir.

Mr. and Mrs. A. F. Lemieth and Family

DEPARTMENT OF MUNICIPAL AFFAIRES PROPERTY FOR SALE NOTICE

North west quarter of section Twenty-two (22) in township fifty-five (55), range fourteen (14) west of the fifth meridian, containing one hundred and sixty-one (1s3) acres, more or less.

RESERVING THEREOUT ALL MINES AND MINERALS

The Department of Municipal Affairs is here-by calling for tenders for the purchase of the above described land, including improvements thereon.

All offers should be in line with the fair actual value of the property and accompanied by a deposit of $100.00. On being advised of acceptance of offer, balance of tender must be paid within ten (10) days and patent will be returned to successful bidders.

All tenders are required to be submitted to the office of the Department of Municipal Affairs, 10365 - 108th Street Edmonton Alberta, on or before Monday February 25th, 1963.

The Department of Municipal Affairs reserves the right to refuse the highest or any tender not submitted

Director of Tax Recovery Branch Department of Municipal Affairs, Edmonton, Alberta 6c

Panel to discuss H&S pro and con

Beefs, brickbats and bouquets will all be welcomed at the next meeting of the Edson Home and School Association, which will feature a panel discussion on the topic "What Price Home and School?"

Taking part in the panel will be Mr. G. Moertz, assistant superintendent of schools; Mrs. Frances Mahon, past president of the Regional Home and School Council; Mr. Jon Scott, secretary of the Chamber of Commerce and vice president of the local Home and School Association, and Mr. Harold Wortman, school principal and a past president of Home and School.

A "buzz" group session will follow the panel discussion during which everyone will be asked to voice their frank opinion on Home and School, favorable or otherwise and a lively discussion is expected.

The meeting will be held Wednesday, January 30th, in the A. H. Dahn school, at 8.00 p.m.

GREEN ACRES

By E. C. Lowe

District Agriculturist

BALANCED RATIONS GIVE BEST RETURNS

Do farmers really throw their cash around? Perhaps not literally but feed has a cash value and many feeders are throwing money around when it comes to feeding livestock.

O. G. Bratvold, Supervisor of the Crop Improvement Service of the Alberta Department of Agriculture, says that an efficient feeding program, which will yield the greatest return for feeding through livestock, necessitates the use of balanced rations. An over abundance of certain nutrients in one ration, while a shortage of others makes production returns to the feeder.

Naturally rations cannot be balanced if one does not know the amount of protein, carbohydrates, carotene etc. Mineral grains do not vary enough when analyzed to make matter and supplements are labelled on the bag.

On the other hand, roughages such as hay and silage will vary considerably. For instance during a three-year period at the Bull and Feed Testing Laboratory in Edmonton Mr Bratvold reports that the protein content of the alfalfa hay varied from a high of 20.6 per cent to a low of 9.3. Similarly mixed hay varied from 10.7 to 4.7 per cent and straight grass from 15.0 to 2.3. An even wider difference was found in carotene which ranged between a high of 77 mg per pound to almost nothing at all.

Obviously then, an analysis of hay and silage is essential for an intelligent approach to livestock feeding. Mr. Bratvold points out that samples may be submitted to the Soil and Feed Testing Laboratory at the University of Alberta in Edmonton. Kits and questionaires for this purpose can be obtained from your local district agriculturist.

Rosevear News

Miss Margaret Kiste came out from Edmonton to spend the week end with her parents.

Congratulations are extended to Elizabeth Kiste and Ken Craig of Wolf Creek on their recent engagement.

Mrs E. Fahrion had the misfortune to sever the tips of two of her fingers while working with the furnace fan, hope they will soon be much better Josephine

The regular monthly meeting of the Rosevear Public School will be held in the Peers School Tuesday, Jan. 29, at 8:30 p.m. Mrs. Stellmaker, Regional Director, will be guest speaker, discussing the Value of a Council as well as other aspects of Home and School. It is hoped that a large number of people will turn out for this meeting.

Anyone wishing to haul grain to the Peers and District Co-op Elevator may now do so the elevator is open for business Monday and Tuesday of each week.

East District Doin's

Somehow or other we missed the boat last week—Guess we will have to blame the weather

Congratulations to the following—Mr. and Mrs. Albert Plouffe and Mr. and Mrs. Marvin Berthiolet on the recent arrival of daughters; and Mr. and Mrs. Metro Kendrak a son.

Congratulations also go out to newly weds Mr. and Mrs. Bruce Jackson (nee Lois Radcliffe) who were married Jan. 19 in Peers United Church. Following a reception in Peers a wedding dance was held in Armstrongs hall at Shining Bank. The groom is a son of Mr. and Mrs. Ewen Jackson, his bride a daughter of Mr. and Mrs. Jesse Radcliffe of Peers.

We notice Bert and Daisy Radcliffe giving a beautiful new Pontiac.

The sympathy of their many friends and neighbors is extended Mrs. Bruce Baily of Edson and Mrs. Herb Heintz jr., on the recent passing of their father, at Morrisett, Sask. The elderly man had been in poor health for several months.

Mrs. Heintz and Dennis called Sunday evening at the home of Mr and Mrs Floyd Thomas.

Isn't the weather man really cutting a rug the past few weeks? There is no sense in getting even a weather picture—but what the heck every body knows it's a mess. Sun day evening the mercury climbed to a balmy 45 above, but Monday morning it had plunged to a nasty 12 below with a good stiff wind getting in on the act Hello California.

Word has been from the Russell family and learned that Chokie is still hobbling around on crutches due to an accident suffered over 3 months ago. when his saddle horse threw him and broke his hip. Chokie, a former district resident, Spent two months in a Kamloops hospital.

Below zero weather last week and this added up a toll of time and tempers as cars and trucks refused to start. Frost bitten ears, faces and fingers were very much in evidence too Happy, Elsie and Ted Lee, all felt the immediate and after effects of a few nips from Jack Frost.

Mr. and Mrs. Harold Hedgeand family are busily busy their newly rebuilt house shortly after Christmas.

Enjoyed a chat with Dave Patten Saturday afternoon. Sorry to learn he has been under the weather the past while.

Come to think about it—we have been sorry and how the heck could we forget Mrs. Stellmaker's original. Actually it doesn't make much sense — when it would be just as easy to say not feeling up to par.

We just finished reading one of the most interesting and at the same time, boring books we ever tackled, "Imperial Wife." by Irving Stone interesting so as fiction history of the U.S. from 1813 to 1853 (40 years) Boring because it goes into detail about everything. Anyway we learned that the civil war in the U.S. did not start because of slavery. The North and South started fighting—according to Stone— to prevent a split in the Union The South threatened to break away from the Union as the North was obliged to take them to task

Irving Stone tells us the North decided to free the slaves more or less as an after thought Sure with they would get together on those controversial topics. Here I've been thinking all those years that slavery was the scrap

We have been snowed in and our neighbors snowed out so our town is more or less on the brief side, but will we ever have a tale to tell once everybody is permanlating again

Burns night celebration is sell-out

Preparations for the 4th annual Burns Night celebrations are now complete. All the tickets have been sold, but as the number was limited, there will be plenty of room at the supper tables and for the dancing which will follow

The bill of fare will include, of course, the haggis, borne to the tables to skirl of the pipes and with due honor as to its giftedness.

Canadian Players coming to Hinton

The Hinton Kiwanis Club will once again be bringing outstanding theatre productions to this area when they sponsor the Canadian Players for a one night stand on Monday, February 25

Last years residents from the Hinton, Edson and Jasper areas had an opportunity to see St. Joan and Caesar when the Canadian Players appeared for two nights and one matinee presentation They played to full houses each performance

Originally scheduled for this season cross-Canada presentations, King Lear and The Lady's Not For Burning, have been replaced by Masterpieces of Comedy The program features highlights from great plays to be discussed by David Gardner

The production will star four of Canada's leading actors. They are William Hutt of international fame who earned a magnificent press for his rule of King Lear in Mr Gardner's production for the Players which toured the Bay for last year Frances Hyland, the noted actor Eric Christmas and one of Canada's leading character actresses. Amelia Hall. All four have won renown as leading performers at the Stratford Shakespearean Festival.

The Kiwanis Club will soon announce where tickets may be purchased for this season's performance It is expected with only one performance that tickets will be picked up early and anyone hoping to attend are advised to get their tickets soon after they are on sale

DROSTAN NEWS

Mr. and Mrs. Mike Pelnke and girls drove out to Hinkle's on Thursday evening to help Freedie celebrate his birthday.

Congratulations to Mr. and Mrs. Elmer Tunks on the birth of a daughter on Friday, January 11 in St. John's Hospital.

There was only a small crowd out for the whist party at Drostan Hall last Saturday evening. Prizes for the evening went to: ladies' first Mrs. Bill Pawchuk; ladies' second, Mrs. Sigurd Fossbakk; men's first, Mr. Sigurd Fossbakk; men's second, Mr. Gap.

Mr. and Mrs. Frank Stone and Sandy drove out from Edmonton Friday evening to spend the weekend with Mr. and Mrs. John Grushko.

Birthday greetings this week to Miss Phyllis Seibel, Fred Hembi, Miss Sophia Bohmanok and Nick Romanish.

Mrs. Pearl MacPartland returned home on Saturday after visiting with her daughter Mrs. Ed Trydal.

Mr. Hotete Elke from Hotth, Alberta visited on Sunday afternoon for awhile with Fred Hembi.

Edson-Marlboro families joined

A quiet ceremony took place in the Edson Catholic Church on Saturday, January 19, when Miss Shirley Sommer of Edson exchanged marriage vows with Mr. James Gauthier of Marlboro.

For her wedding the bride wore a beige suit with white accessories. Her attendant was Miss Christine Gauthier, who wore a blue suit with white accessories. Attending the groom was Mr. Leonard Plante.

A dinner for the immediate family was held at the Edson Motor Hotel following the ceremony. Later a party in honor of the bridal party was held at the home of Mrs. Harold Miller, the groom's sister.

CWL Whist

The C.W.L. Whist tournaments which have proven so popular will be starting again the last week in January. Anyone who plans to enter this tournament please phone Mrs. Joe Wynn at PA3-3880 or Mrs. Joe Lesinsky at PA3-4178.

BORN - ROUILLARD

The Edson Leader

The Voice of Edson Constituency

and WESTERN WEEKLY SUPPLEMENT

First Section — Edson, Alberta, Thursday, January 31, 1963 — Vol. 11, No. 5

Four Queen candidates named for '63 Kincycles

Four comely young ladies have been named to run as queen candidates for the upcoming Kincycles of '63 being sponsored by the Edson Kinsmen for two days, Friday and Saturday, March 1 & 2 in the Edson Arena.

The lassies named are Connie Erickson, sponsored by the Edson High School; Brana Sebastien-elli sponsored by the Niton Central High School; Carrie MacDonald, sponsored by the Jubilee High School and Sharon Giles, by the Civil Service Association.

Theme of this year's extravaganza is "Sleeping Beauty on Ice," and will be featuring 100 locally trained skaters. Director again this year is Mrs. Em Herring.

The job of organizing all the various elements in the production is again being handled by a Kinsmen committee chaired by Tony Grant and Ted Semeniuk.

Work has already started on stage props, band stands and so on. Practices for the big show on ice are also well under way. As in previous years, mothers of children will be asked to sew costumes for their youngsters, with the club supplying the material.

Edson has a long tradition of presenting spectacular ice carnivals and this year's production promises to be no exception.

"RESUSCI-ANNE" has her life saved once again as the mouth to mouth life saving method is demonstrated as only a part of the St. John's Ambulance First Aid Course which was held in the Legion Hall from January 21 to 30 under sponsorship of the Workmen's Compensation Board. Left to right above are: Campbell Sweeney, J. Roberge, Mrs. D. Moritz, J. LeBel-be giving the demonstration, Mrs. A. Jewer, O. Gamble, Mervin Parasiuk and in the background Bob Andrews.

—Leader Photo

Residential lots not that much yet

No the Town isn't charging a hundred buck a front foot for residential lots as reported in last week's Leader. The amount should have read ten dollars (note we are spelling the figures out this time).

First class commercial lots are being priced at $100 per front foot—$50 per front foot for other Town owned commercial lots.

Home gutted by flames on Tuesday

Edson Volunteer Fire Department were called Tuesday afternoon to extinguish a fire that apparently started in the north west corner of the house occupied by Mr and Mrs. Allan Marr and Family on 11th Avenue and Main.

Mrs. Marr was alone with the kiddies at the time and got them to safety of a neighbor's house in the area ten minutes.

Neighbors pitched in to help the family relocate in another home and to move their furniture.

The house was originally built by F. Anderson in the early thirties and is now owned by F. Parish. Both the house and the contents suffered fire and smoke damage. A basement suite was not occupied at the time of the fire.

Council set town lot sale price at meeting

Edson Council established a price for residential and commercial lots held by the Town at their regular meeting last Tuesday of $10 per front for residential lots, $100 per front foot for first class commercial lots and $50 per front foot in other commercial areas.

The price for residential lots would be for a standard 140 foot deep rectangular parcel. Prices for lots of different size and shape will be priced at $10 per 140 square feet. None of the prices includes the cost of servicing.

Present at the meeting were: Mayor W. R. Brunelle and Councillors: M. R. Collin, A. Goldstick, W. F. Hortman, M. D. Meade, J. Scott and P. W Wells.

Council approved the granting a retail trade license to Mrs Rosemary Cebulak for operation of a concession at Edson Arena.

A letter was read from St. John's Hospital Advisory Council with regard to signs on the highway at 47th Street. The Secretary was instructed to advise the signs would be placed.

Letters from the Recreation and Cultural Activities Board recommending inclusion of certain features and proposed modification of areas was placed before Council and discussed.

Mr D M McLeod, architect, was to be requested to meet with members of the Council and representatives of the Recreation Board and interested organizations on the evening of Feb. 11 and 12.

In accordance with Section

Continued on page 13

Firemen's wives too have talent

It is well know that members of Edson's Volunteer Fire Department are competent when it comes to handling a hose and other implements of the fire trade.

What became apparent Saturday night was the singing and comedy ability of three wives when they sang an originally worded song at the annual firemen's do in the Fire Hall.

The talent was revealed when Fire Chief Ted Semeniuk and the boys entertained their ladies in the fire hall at an enjoyable social evening of dance and fun. Watch out for those talent scouts gals!

THIS YEAR'S HEAVY SNOWS aren't the problem they used to be to the Town Works Department with this new snow blower the Town has acquired. Manufactured in Quebec the "Sicard" product can load a six yard truck in less that a minute as operator Bill Otelsi demonstrates here.

EDITORIAL PAGE

TREND TO THE RIGHT

It was this editor's privilege to get a quick trip to Ottawa and see a national political party's convention from the inside two weekends ago. Two days of conventioneering have confirmed a couple or so of our opinions about how this country is being run. Listening to three distinct age groups from all across Canada also showed up, in our opinion, something that we have never noticed before.

These three distinct age groups are the mid-twenty year-olds to mid-thirty year olds, the forty-year-old group shading into fifty, and the real old timers. The fact that the convention was a gathering of conservatives would make the latter old Tories probably. The mid-age group we talked to haven't always been Tories, generally speaking. Most of us were socialists, or some shade of pink anyway in the hungry thirties because many of us didn't have jobs. Some of us never had a job until the war came along. But the years since the war have been pretty good and we're established enough to be able to take a couple of days off and talk politics

But this young group, vocal, urbane, erudite and apparently knowing where they're headed — they're the ones that we sat up and took notice of. No memories of a depression in their background, only older brothers or fathers in the war, and nothing but the bountiful fruits of the capitalistic system in their experience. They belong to the party of the right because they know from their own experience, that for all its faults, the freedom of a democratic country coupled with the fruits of the free enterprise system can give them, in this Canada of ours, one of the world's highest standards of living and the chance for the pursuit of happiness.

An instantaneous translation setup with translator radios from a translating booth in the big ballroom of the Chateau Laurier gave us for the first time in our life a chance to hear real live French Canadians from Quebec and understand what they were talking about. Their thoughts aren't too much different from English speaking Canadians from Ontario, the Maritimes or Western Canada either.

One question we answered several times was: "How come Alberta votes Conservative federally and Social Credit provincially?" The only answer we could think of was that while social credit theory is extreme rightist, with an almost fascist tinge, in practice the Manning administration is a conservative government. This we said, over and over again explains what at first appears to be a paradox in our fair province

Saturday night we managed to worm our way into the press room where the convention accommodated the daily press, the TV and radio boys and the odd members of the magazine writing fraternity in Canada. We had been shocked at some of the inaccuracies of reporting technique exhibited by our daily newspaper colleagues, but meeting them socially, so to speak, was still an interesting experience. We suggested to a couple of them that they could use some of the accuracy of we of the community weekly press — who must live with the subjects of our writing — get in our reporting. As in discussions with city types before, however, we never seemed to get across the point we were trying to make

At one stage we told twelve eastern daily newspapers and stole by side. The only similarity in the stories was the recurring word Diefenbaker and Conservative. For the rest of the report on the convention you wouldn't have thought they were writing about the same thing. They don't have to face their readers half an hour after the last bell the street. is one explanation.

Attending conventions for what it's worth. John Diefenbaker will increase his majority to a decent working level in Parliament if the spirit we noted in the convention is any indication. We're ready. We really are ready to be the Tory reaction to election talks

Guest weekend at Varsity

February 21 -24 has been announced the date when the University of Alberta at Edmonton will throw open it's doors for the twelveth annual Varsity Guest weekend. An expected record attendance of of 10,000 Albertans has necessitated budget planning in excess of $7,000.

Since it's inception in 1952, the weekend has tried to fulfill two purposes: to introduce prospective students to campus life and to give citizens the opportunity to see the University. Through displays, tours and special lectures, the academic side of University is presented to the public and various social events are scheduled to afford the public a glimpses of the campus social activity.

Highlighting the weekend will be Varsity Varieties' production "A Friendly Game of Russian Roulette", an original musical comedy written especially for Varsity Varieties. Other events will include jazz con, hot chocolate parties and the Education Dinner festival.

Scouting Corner

SCOUT CALENDAR

GOLDEN ARROW TRAINING for Patrol Leader, Thursday, 8.30 followed by regular meeting at 7 00 p.m. at Boy's Center.

JR. ST. JOHN'S AMBULANCE training: Tuesday, 7.30 at the Firehall.

POSTER COMPETITION ON WORLD SCOUTING FOR SCOUT-WEEK, Feb. 15 - 22nd.

FATHER and SON BANQUET — Feb. 27

DISTRICT MEETING

Sponsored by the Yellowhead District Council, the Scouts of Canada to be held at Hinton Scout Hall Sat., Feb. 23. 2.56 p.m. Specially planned for Scout and Cub leaders as well as those interested in Boy Scouts movement

CUB CALENDAR

"A" Pack meets Monday, 6.30 p.m. — A. H. Dahle school.

"E" Pack meets Wednesday, 6.30 p.m — A. H. Dahle School.

The one minute Public speaking contest held last Thursday proved to be very successful Ten boys were selected for training and participation in the Optimist's Oratorical Contest.

A Court of Honor was also held. A Court of Honor, as the term infers, is a disciplinary court, although not necessarily.

The Scout master places the responsibility of the Court in the hands of seconds and Patrol Leaders. They conduct the session, hearing a "case" with sympathy, imagination and understanding. Sentence merited out creates a respect within the Troop, not only for the leaders but for fellow scouts and strengthens the application of the true inward meaning of discipline

The Court of Honor also helps to make decisions on matters within the troop but makes no decision on either program or policy.

CAPITOL REPORT

NEW DEMOCRATS MET TO PICK LEADER

BY JOHN WARREN

EDMONTON — Almost 300 New Democratic Party supporters gathered in Edmonton on the weekend to select a leader and draw up the program they hope will win them new support in the provincial election expected next June. As this is written the leader had not yet been chosen but Neil Reimer, president of the party since it was formed almost a year ago, was favored to win the post.

In announcing he would stand Mr. Reimer said he feels the party is well organized and equipped to fight a provincial election and become the official opposition in the next Legislature. He charged the Social Credit government with turning a deaf ear to the farmer, rebuking the worker, forwarding the small businessman and looking upon education as a chore rather than a golden opportunity.

He said Alberta should remove the principal tax from education and added that the administration of schools could still be handled by local boards while the province paid the cost. A new system of tax equalization from all production could help raise much of the money required.

The labor leader said university education should be no more costly than high school education is now. But he said during a later panel discussion many persons don't need the education they receive to perform certain jobs. He said Wolters Kluwer L. C. Halsmarst agreed that some municipalities set high educational standards for jobs requiring little skill. Mr. Halmarst said the situation has increased the number of persons on relief.

The panel discussion was sponsored by the Council of Community services in Edmonton.

William McLean, an Edmonton school teacher, Floyd Johnson, former CCF leader and four Dent, an assistant school principal in Edmonton, were among those slated to contest the leadership of the New Democratic Party.

☆

The cabinet met in a special session last week to hammer out budget estimates. It is expected the government will try to keep 1963-64 costs down to about $370,000,000, some $10,000,000 more than last year's budget.

☆

Help in the form of new prison facilities may be in store for the mining ghost town of Nordegg in the foothills west of Edmonton. Construction may begin this year on a minimum security jail.

Public works crews have completed a study of the deserted town to determine the cost of putting buildings into shape for the camp. Sewer lines were found in good condition but water lines, installed 35 years ago, are not serviceable and plans call for drilling of several wells.

Department officials said three main buildings in the town will provide accommodation and eating quarters for about 150 prisoners and don't require many renovations.

The government will lease buildings from a non-operative company for the jail. The attorney-general's department began its studies for use of the abandoned town as a central camp for the prisoner-staffed bush camps last fall.

☆

Premier Manning and the Premiers of Saskatchewan and Manitoba will meet with Prime Minister Diefenbaker in Ottawa in mid-February to discuss abandonment of branch lines by the railways. The meeting was originally scheduled for January 30 but Mr Manning couldn't make it.

He said the meeting called by Mr. Diefenbaker after a request by the prairie Premiers for it, didn't give much time for preparation before the original date. Mr. Manning described the meeting as "of the greatest importance for Alberta." The Prime Minister said legislation affecting western transportation would not be introduced in parliament until the three Premiers have had a chance to study it.

☆

Struggling new industries in Alberta last year received $1,300,000 in aid from the government's Provincial Marketing Board.

Board chairman, J. R. Fleming said last week the board has made $13,000,000 in low interest loans available in its 30 years of operation.

"Assistance is normally given through the government purchase of stock for new manufacturer.

WESTERN REVOLUTIONS

In one way of looking at it, the present kind of western society started with a series of revolutions. The first was the English and they took a long time about it, half a century passing before the people, rather than the crown, were established, towards the end of the sixteen hundreds, as being in charge The next in the series of revolutions was the American, which was mainly a breaking away from the father-image of Britain. The French revolution, starting soon after, eventually settled for more fundamental changes than either of the others.

This revolutionary society has now had a run of more than two centuries. A primal and archaeversal has been that, for the first time in the planet's history, the poor have access to riches in goods, services and time off work. The Greeks invented freedom, but the Atlantic society has made it available to everyone with the spirit, health and intelligence to accept it. Although there are large areas in which this new society has not surpassed or equalled the ancients with so considerable a proportion of the population have to contribute to the arts, the civilization simplifications advances could be in prospect, if the society survives.

A charge often made against the moderns is that the increased and spread-out wealth and the greater amounts of free time are not all spent in improvements, much of it is being in fact wasted. This is true, but is not unique in this age. The Greeks did not watch the late, late show; but they found other ways to fritter away their time. One of these was in looking for omens. The Spartans, for example, were delayed by an adverse omen, so that they did not set out in time for the important undertaking at Marathon. In the Renaissance, not all northern Italians were furthering civilization with painting or sculpture; some were thinking up more effective ways of poisoning their relatives.

The charge of materialism against today's society also tends to be over-emphasized. Certainly it is crass; but the attractive communities of the past were largely developed amid wealth and power The Athenians were never again quite so wonderful in the arts and sciences after they took a boning from Sparta. They were forced out of the business of colonialism and had their olive trees cut down.

There is a reasonable likelihood that the revolutionary Atlantic people may decline gradually, or fairly soon. Of course this could happen from war, but, like the Romans who were destroyed largely from internal weakenings of various kinds, the western peoples have troubles that they cannot justly blame on others' launching pads.

A PUZZLER

A newcomer to Canada reports that he was making some progress in pronouncing English words and phrases until he was set aback by the following newspaper headline:

In learning a language, pronunciations are often the hardest to get right.

Worton rink wins school bonspiel

The Edson High School Bonspiel held last Friday afternoon, Jan. 25, and Saturday, Jan. 26 saw eighteen rinks competing for the three prizes. The rink skipped by Teddy Worton with Barbara Marshall, third; Naida Craig, lead and Janet McCaw second took the A Event. Runners up in this event was the rink skipped by Nick Antzoulas, with Raynold Hollander, third, Doug Kuhn, second and lead Linda Cliff.

The B Event was captured by Bryan Wells, skip; Dan White, third; Leslie Switzer, second and Robyn Stanton lead.

It's 1 and 1 at Niton for Edson hoopsters

In high school basketball action last Friday both the boys and girls teams journeyed to Niton where they took one game and lost one. The boys came out on top with a score of 49-39 while the girls lost by a score of 19-26.

This was the first league game the Niton hoopsters have played.

The girls game saw Wilma Olsen club 7 baskets for top scorer; McGinnis 6 points; White 4.

Niton's basket makers were Karen Pendleton 8, Shirley O'Hara 8, Barbara Marshall 2, and Joyce Jensen 2.

In the boys game Louis Hamer scored 19 points for high scorer of the game. Other scorers were: Wayne Hickman 7, Fred Klein 8, Teddy Worton 7, Fred Klein 8, Teddy Worton 7, Ron Lytle 7, Ken Meredith 4.

FOR SALE
GOOD Combo Coal Heater; steel coon coal, chair; coal table; one Garland propane cook stove with grill. Phone 722-5468 Niton.

MATTRESS DAY
Yes, it is not too early to think of that particular gift for that most wonderful woman in this world:
MOTHER
and what could be more attractive than your favorite Block and White portrait, painted in Natural colors, a full 8 X 10, head and shoulders, or full length, hand painted in oils on fine silk.
It is the gift supreme, because it is YOU, and it is now the time to be thinking of having that beautiful gift hand crafted in Europe.
It takes about 6 weeks from the time you place your order, and it is guaranteed to satisfy, of course
Why not come and look at the elegant samples, and bring along that photo with you, please do, the price is reasonable, or if you are out of town, why not write.

Teen and Herd

BY DEN

We're still bemoaning Of course we know now the things that we should have done For instance the thief on the winning rink who did not know which turn was which. Did she over play a fifty of a game when we were not looking, everybody? And also the lead with her after delivery and least was on the beam too.

☆

Congratulations to Teddy Worton and his team for winning the and challenging Nothing like beating your own team to Brian Bella for taking the B Event and to Ken Roberts for the C Event Heard that last game was really something When it came to skip's rocks, everybody holds their breath.

☆

Some of the curling put one many out of the world. We liked the underwear style and the kid who was wearing one of those new style headgears. He looked very seductive and we liked Mr Colborne for the special prize he gave unrealistic truths and we liked Miss Monette for being such a good sport.

☆

Oh yes, don't forget the dance Saturday night at the High School. The Science Club is going to give it much or try Everyone please be there.

☆

I hear Miss Manerie has two excellent tryists in her ITC class (Wayne and Jake). John even types with a bumper This I'd like to see.

☆

The bad we couldn't take a lesser loss to Winton on Saturday. There are quite a few High School kids that must be in the championship game of the Jr. Rink who have already met their names on the list Bonspiel of next year. Hope they were only supposed to be two names out on it. If you wanted your name on bad enough you could stick it between the names (If there's room now)

☆

An exhibition hockey game on Sunday saw the Jasperites beat Edson .. Brand 2:01 and Clinton Semens 5:38.

SUNDAY GAME

On Sunday the Edson Maple gets and the Edson Juveniles played to 1-1 tie in an exhibition game The two teams were very close but only an excellent job goaltending by Midget goalie Dale McIntyre kept the Midgets in the game

Bob Pret got the juvenile goal and Marv Irwin got the Midget goal

The Lucky draw, a box of chocolates from Brunelle's Food Market and two other door prizes are still waiting to be claimed.

Lineups Juveniles Goal W Hretzuk, Defence; Ted Worton, Ted Green; Forwards- E. Green, L. Stupar, S. Pret, B. Sanigulski and A. Kulyk

Midgets Goal McIntyre; Defence, Switzer, B. Mabee, Zorchuiuk, Brend Polkings. Forwards Sarin, M. Irwin, L. Stupar, J May, Pyzar, Gardener, R. May, Wells, Schaeffer, and McCosker.

Edson Midgets shut - out Hinton

By WAYNE GARDINER

The Edson Legion Midgets hosted the Hinton Midgets on Saturday, January 27 and whitewashed the Hinton squad 11-0. It was apparent that the game wasn't going to be close right from the start.

Edson jumped o' in a bad way after the first period and scored 3 goals in each of the next two periods.

Eddie May kept up his fast scoring pace by getting 3 of the Edson goals His brother John got 2 as did Reed LeBlanc. Getting singles were Gary Dirk, Wayne Carding, Randy Pyzar and Ricky Gardener.

Paul Brand played in the Edson goal for the first period and did a superb job Dale McIntyre then took over and made some spectacular saves in racking up his first shut out of the year.

It may also be noted at this time that Edson has drawn Hinton as their opponents for the first round of the Provincial playoffs. Home dates and times will be announced shortly.

LINEUPS

Hinton: Goal, Hunter; Defence, Kell, Chernish; Chelli, Dallolo and Nelson; Forwards, Strong, Shalen, Armstrong, Maine Goethes, Prudnik, Bucrist, Switzer, Peterson and Sorn.

Edson: Goal Brand and McIntyre; Defence, Beresoiuk, LeBalle, Brand, Mabee, Switzer and Polkings; Forwards - E. May, J. May, Wells, Dirk, M. Irwin, L. Irwin, Pyzar, Gardener and Carding

SUMMARY

First Period: L. LeBalle 2:30; Dirk from Wells 6:30; 2 May 7:00; Carding from J. May and LeBalle 12:26; E. May from Carding 8:30. Penalties: Edson, M. Irwin 14:10.

Second Period: E. May from Beresiuk 1:30; Pyzar from B. Mabee 8:10; E. May from Carding 12:40. Penalties: - None.

THE Homemaker

KNIVES — AN IMPORTANT HOUSEHOLD TOOL

To sharpen a knife, two pieces of equipment are need a carborundum oil stone and a steel. The carborundum oil stone has a coarse side and a smooth side. It gives the keenest possible edge to the knife Moisten the stone with oil. Lay it on a piece of damp newspaper to prevent it from slipping. Lay the blade on the knife flat against the stone. then raise it 1/8 inch to get the correct angle. Using light pressure and working the full length of the stone draw the blade across the stone. first on one side then on the other. Use the coarse side of the stone first. Use eight to ten strokes on each side of the blade. Then turn the knife over to the fine side, and so long no oil, repeat the procedure.

The steel is used to reset or realign the microscopic teeth which form the cutting edge Hold the steel in the handle of the steel for the other side of the blade. Use light pressure. Repeat the operation on the other side of the steel for the other side of the blade. Use three or five strokes on each side of the blade.

The stone is used to thin down a thick edge. Then an oil stone and steel are used

Ordinary are of two types :- electrical: e.g :- the attachment for a mixmaster and mechanical. These are poor knife sharpeners because they tend wear away the knife and do dull sharpen it In the process they tend to heat the knife thus destroying the temper The knife will then no longer hold a cutting edge

There is no real substitute for a carborundum oil stone and a steel.

To keep your knives in good cutting condition:

1 Cut only on a wooden cutting board Metal and glass dull the knife blade

2 Never cut string, bone metal or paper or remove for lids with a knife. This dulls the blade.

3 Never throw knives loosely into a drawer This dulls, scratches and nicks them. Store knives in knife holders There are various types:

(a) a partition which fits in a drawer It has a separate slot for each knife

(b) wall knife holders some of these are magnetized

(c) or make your own: drill a hole in the end of the knife, bang it an a pin driven into a hardwood strip which is attached to the wall

4 Exposing blades to a flame tends to destroy the temper The knife will no longer hold a sharp cutting edge

5 Always wash knives immediately or as soon as possible after using them Never soak them in water Do them immediately after washing

6 Cut bread only with a bread knife Bread dulls a knife Serrated knives are self sharpening

MR. AND MRS. ERNEST DOMIJAN

Margarette Dykema wed in Sacred Heart

The Edson Sacred Heart Church was the scene of a pretty wedding on Saturday, January 5 at 2:30 when Margarette Dykema, daughter of Mr. and Mrs. Klaas Dykema of Edson, became the bride of Ernest Domijan son of Mrs. Aleki Domijan and the late Mr. Domijan of Yugoslavia.

Father MacGillivary performed the wedding rites for the first marriage of the new pair in front of the altar banked with arrangements of mums and carnations

The bride, given in marriage by her father was radiant in a lace dress which was brought from Holland, and cascaded to the floor in soft lines. The dress featured lily point sleeves and sweetheart neckline Her chapel length veil was gathered under a band of white flowers. Her only jewelry was a two strand pearl necklace, gift of the groom She carried a bouquet of red roses.

The bride's attendants, Gisolle Deboulle and Lucianas Gambin, were identical waist length dresses of blue organza accented in white accessories They carried roundal bouquets of white carnations.

Attending the groom were William Kreve and Fred Dykema and the ushers were Albert Dykema and John Bozma

At the reception held in the Parish Hall the bride's mother received in a red Jersey dress with beige accessories and white carnations corsages

The toast to the bride was made by John Bozma and ably answered by the groom

After their honeymoon to Vancouver and Victoria the newly wed couple are making their home in Edson

SATURDAY, APRIL 6 — United Church Women will hold a rummage sale in the building formerly occupied by Canadian Propane from 10 a.m.

The Forgotten Man

Having pondered the question for many years and consulted with hundreds of men; mostly fathers; we have to admit we are still in the dark as to why The Father Of the Bride receives absolutely no publicity.

As we all know the Bride's finery is described right down to the minutest exaggeration; bridesmaids, matrons of honor, etc., come in for their share of scrutiny, mother of the bride is published from the top of her head to her toes and back to the last glittering tear drop.

Ushers, minister and organist get into the picture and this is just fine; but why in the name of common sense doesn't Pop receive at least honorable mention?

Oh sure we always mention the fact that the Bride is given down the aisle on the arm of her father. This does establish proof that she does have a male parent, who is equipped with at least one arm. Aimed by this bit of information we could be termed superfluous. Of course he has an arm. Otherwise what is the hand that holds the pen that writes the cheques attached to?

Slim we ask you, who pays for the cloth coats adorning the Dior lignum shoulder of the mother of the bride; bride's finery and the thousand and one odds and ends synonymous with weddings?

To get back to this down the aisle on his arm business, we don't like it. Of course the old man might be so unsentimental and accustomed to such shenanigans that he doesn't mind having his arm yanked on. Might even be relieving over the fact that she isn't walking all over him.

Poor Man! We can just see him now — his size 17 neck pinched into a 15 collar circled up inside a 14 bow tie, while his adam's apple bobs around looking for an out. And all the while that thought less bride is walking on his arm.

There isn't a thing he can do about it, as it has never been proven yet that the father of the bride possesses more than one arm.

While the mother of the bride gracefully dabs a sentimental eye; toots the singular; we like to take a swipe at both arms at the same time (the middle man something); poor old Pop could well be driven to death and nobody would be

BIG BITE. Perhaps Social Credit leader Robert Thompson is practising on this but ing for the big bite he intends to take on Mr. Diefenbaker in return for Social support once parliament has reopened January 21. Mr. Thompson said he will support "a more positive economic development program" than the minority Conservative Government.

More tributes to Mrs. Frith

Additional tributes to the late Lacy Ann Frith are acknowledged: Loving Family; Brown, Anne and Michael; The Morgan and Elliot Families; Marilyn, Jeannine and Darryl; Pat, Curly, and Boyz; Clive and Marie; Chuck McNaughton, Granny Billet, Ruth and Elmer and Family; Mr. and Mrs. George Billett; Rupert Stallards; Evan and Yvonne and Lloyd; Mr. and Mrs. Larry Orcutt.

Loraine and George Shand; Mr. and Mrs. Jack Woywitka; Mr. and Mrs. Bill Gorzanski; Ray Teigen and Family; The Switzer Family; Hilker and Herman; Hills, Amelia, Harold and Jim; Mr. and Mrs. Ray Moody, Bob and Family — Mellersh; Mr. O. L. Mallmark; Connor Pond; Mrs. Ella Piper — Building Fund; Jim and Shirley McNaughton — Connor Fund; Ladies of the Royal Purple; Mr. and Mrs. McHigh

Eastern Star install officers for new year

Officers installed were Worthy Matron, Mrs. Myrtle Kerkman; Associate Matron, Mrs. Pauline Delahe; Conductress, Mrs. Alice Dawson; Associate Conductress, Mrs. Hazel Wadsworth; Secretary, Mrs. Vi Bacon; Chaplain, Mrs. Irene Blackburn; Ada, Mrs. Bertha Crossman; Ruth, Mrs. Dorothy Burleigh; Esther, Mrs. Mary Sweet Hill; Martha, Mrs. Brenda Walker; Warder, Mrs. Darren Sherne.

Officers to be installed at a later date are Worthy Patron, Walter Kertzman; Associate Patron, Ernest Barker; Treasurer, Mrs. Betty Andersen; Marshall, Paul Dubish; Sentinel, Harold Parnell; Electa, Mrs. Alpha Kennedy; Organist, Mrs. Jean Bolton.

Coranges were presented to all installing officers and all officers elect for the occasion. A delicious lunch was served to conclude the evening.

Court News

The following are the cases which appeared before Magistrate P. L. Hayes the past week.

A man brought before the court on charges of creating a disturbance was fined $25 and costs.

A hunter brought before the court on charges under the Game Act was fined $15 and costs for the killing of the animal.

Charged with creating a disturbance a man was sent to jail for two months.

The court heard five liquor violations and 14 traffic offenses.

Five men charged with liquor violations were remanded until Tuesday.

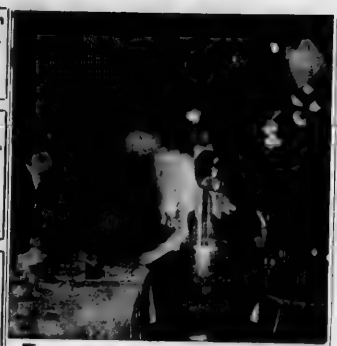
The Canadian Players will present
Masterpieces of Comedy
Featuring excerpts from the best in English Comedy of the past four centuries
MONDAY, FEB. 25
in the Crescent Valley School Auditorium in Hinton
Reserved seat tickets on sale about February 4 at:
Park-View Stores Ltd., Jasper;
Switzer's Rexall Drug Store, Edson;
King Drug, Switzer's Drug Store and Clark's Men's Wear in Hinton.
The Canadian Players presentation is sponsored in this area by the Kinsmen Club of Hinton



THE SKIRL OF THE PIPES heralded the haggis being borne to the head table by Dr. Anne Reid of Hinton. This was one of the highlights of the Robbie Burns day banquet held last Friday evening in the Athabasca Valley Hotel at Hinton. The banquet was attended by more than 240 Scotsmen and others from Hinton, Jasper and Edson. Above, Mr. Bill Denholme, president of the Hinton and District Burns Club and m.c. for the evening, offers a traditional drink to Dr. Reid while piper Gary Anderson looks on.

Talented actress appearing in Hinton

The name Frances Hyland is legendary, for this young actress has endeared herself to thousands on this continent for the strength and sensitivity of her constantly splendid acting. She is acknowledged as one of the "greats" in Canada.

Born in Regina, Sask., Miss Hyland graduated from the University of Saskatchewan, and won a scholarship to the Royal Academy of Dramatic Art, London.

FRANCES HYLAND

She was immediately signed up by H.M. Tennessie to replace Renee Asherton in the Tennent production of A Streetcar Named Desire, and following this appeared in leading roles in numerous West End productions. These included Hester Worsley in A Woman of No Importance, Caroline in The Guilty Party with Henry Sherek, and Golda in The Dark is Light Enough, playing opposite Dame Edith Evans.

Before returning to Canada to star in the Stratford Festival, Miss Hyland appeared in many television roles with the BBC.

The first role she played with the Stratford Festival was Isabella in Measure For Measure, opposite James Mason in 1954. She also played Bianca in The Taming of the Shrew in the same year

Miss Hyland has starred in many Festival productions since that time, playing Ophelia in Hamlet and Olivia in Twelfth Night in 1955, and performing the last named role in the New York production of the Shakespearean comedy.

During the winter of 1957-58 she starred as the young girl in the Broadway production of the adaptation of Thomas Wolfe's Look Homeward Angel

No stranger to the Canadian Players, Miss Hyland toured with the company during its 1953-54 season as Saint Joan and as Lady Macbeth and the Second Witch in Macbeth. She again toured with the Players during the following season, playing Ophelia in Hamlet and Isabella in Peer Gynt.

During this period she played many starring roles at the Crest Theatre, Toronto, including Eliza Doolittle in Pygmalion, and appeared in numerous outstanding CBC-TV productions, including leading roles in The Heiress and Not Made in Heaven.

More recently Miss Hyland returned to London, England and starred in Sir Tyrone Guthrie's production of A Time to Laugh.

Back in Canada she again appeared in leading roles at the Crest Theatre and in CBC television productions.

When Moby Dick very recently closed in New York, the Canadian Players was fortunate enough to be able to engage Miss Hyland to tour with Masterpieces of Comedy.

AS I SEE IT

By Pastor B. Herd

In a London bankruptcy court, a 36-year old truck driver confessed to debts totalling about $36,000 — a total use Unemand times in excess of his assets. The youth, Terry Bell, offered to pay his obligation off at $2.50 per week. The judge finally settled on twice that amount, that is $5.00 weekly.

A little mathematical manipulation will show that Mr. Bell can wipe the banks clean in a little less than 132 years. By the time he is 127 years old, all of his notes will be burned behind him Of course, there's a pretty good chance he won't live that long.

Terry is an illustration of every sinner's position before a Holy God. The sinner finds himself bankrupt. His assets are too heavy to pay. Even if he had some way that he could pay his obligations, he would never live long enough to get them all settled. In himself, he stands a helpless and hopeless debtor.

Someone may say, "But I'm not a great sinner; I think I'll be able to clear myself." Further Don Hills points out in a recent bulletin that if you and I want to go to a hockey game and the tickets cost $1.50 each you have 75 cents and I have 25 cents, neither of us will get in the arena even though you are closer to the price of admission than I am.

The degree of sin is, after all, not very important. If you have nothing to pay, it matters little whether you owe a thousand dollars or a hundred thousand. And God says, "All have sinned and come short of the glory of God." In other words, all of us are spiritually bankrupt, regardless of the amount we owe.

Going back to the case of Mr. Bell: what he needs is a benefactor — someone who could and would pay his debt for him. In like manner, if the sinner is ever to have his case settled, it will have to be paid by someone else. Thank God, Someone is able and willing to pay our debt for us. As a matter of fact, God has already placed the full amount needed in the Bank of Grace. So that the desperate sinner needs only draw, by faith, from that account. As the Scripture says, "By grace are ye saved through faith, and that not of yourselves: it is the gift of God." Have you accepted God's offer.

CARD OF THANKS

The Frith family wish to thank all those who offered tributes and who have been so thoughtful during their recent bereavement.

Special thanks to the Sisters Service, St. John's Hospital, Dr. Crawford, Mr. and Mrs. Bill Germannah, Dolly Mellersh and the pallbearers. *So

Now Province-Wide...

ALBERTA JUNIOR CITIZEN AWARDS

Sponsored by Alberta's Investor-Owned Electric Utilities and with the active participation of this newspaper.

NOMINATE A JUNIOR CITIZEN

Once again this year, exceptional young citizens will be selected for the JUNIOR CITIZEN AWARD — now on a province-wide basis. The number of entries received last year underlined our belief that Alberta has many young citizens deserving of special recognition. Winners selected by a panel of weekly newspaper editors, on behalf of your independent power companies, will receive Canada Savings Bonds and framed certificates. Their achievements will receive the recognition they deserve in the press. We are sure that you must know of a boy or girl who is deserving of this special award.

WHO QUALIFIES?

Any boy or girl in Alberta, 6 to 16 years of age, whom you deem worthy of special recognition, for any outstanding achievement between October 1st, 1962 and July 1st, 1963. Possibly your nominee has performed an act of physical heroism — done outstanding work with a church, school, social or other organization — organized a worthwhile project — achieved scholastic success under adverse circumstances — shown great courage in illness. His or her achievement may be in connection with family, school or community. Therefore, the area of qualification is virtually unlimited. Young people deserving of special recognition in any sphere may be nominated for a JUNIOR CITIZEN OF THE YEAR.

HOW TO NOMINATE.

Send details to the editor of this newspaper. Please include the name, address, and age of the young person you nominate and the name of the power company serving your nominee's area. Be sure to include your own name and address. Six JUNIOR CITIZENS OF THE YEAR will be selected by the executive of the Alberta Weekly Newspaper Association, from the area served by Calgary Power Ltd., two from the area served by Canadian Utilities Limited, and one from Northland Utilities service area.

Robb and Branch News

Robbins sure can't be living right these days as we are certainly experiencing bitter weather. Although visitors from Edmonton say its much warmer here.

Mr. and Mrs. George Phipps Jr. and Mrs. Phipps Sr. also Grant Turner all of Edmonton were visitors at the home of Mr. and Mrs. Tony Conger over the week-end.

Mr. and Mrs. Keith McLeod and family of Calgary spent a week of their holidays at the home of Mr. and Mrs. Ted Arnall.

Mr. Mel Brandis and friend from Mrs. mother accompanied by Mrs. Ken Brandis, all of Edmonton, spent the week-end as guests of Mr. and Mrs. Hogan.

Mr. Len Charlton was a business visitor to the city Monday morning taking in the Legal Plant from our local mill, for an overhaul.

The dance at the Robb Community Hall was fairly well attended last Friday in spite of the stormy cold night. It has been so cold for the last snow power operated by Mr. Ted Parnell froze up and just wouldn't run.

Pinor Ted had to walk back from Coalspur.

There will be a Bingo at the Robb Community Hall also a Dance in the early part of February. Watch for Posters and further particulars, if we survive the bitter weather and abundance of snow.

See our local Bus Driver is sporting a new car.

Our local boys who are employed elsewhere managed to get home this weekend and say the longest way home is the only way home as only main highways are passable.

Mr. and Mrs. McLure visited at their daughters, Shirley Janish over the weekend en route to Mr. Warners north camp where they will be employed

THE Homemaker

KNIVES — AN IMPORTANT HOUSEHOLD TOOL

To sharpen a knife, two pieces of equipment are used a carborundum oil stone and a steel. The carborundum stone has a coarse side and a smooth side. It gives the keenest possible edge to the knife Moisten the stone with oil. Lay it on a piece of damp newspaper to prevent it from slipping. Lay the blade of the knife flat against the stone, then raise it 1/8 inch to get the correct angle. Using light pressure and working the full length of the stone draw the blade across the stone, first on one side then on the other. Use the coarse side of the stone first. Use eight to ten strokes on each side of the blade. Then turn the stone over to the fine side, and using no oil, repeat the process.

The steel is used to restore or realign the microscopic teeth which form the cutting edge Hold the steel by the handle horizontally and slightly slanted away from you in the left hand. Hold the knife in the right hand. Rest the heel of the knife lightly at the point of the steel at a twenty degree angle. Draw the blade across the steel from heel to point. Use light pressure. Repeat the operation on the other side of the steel for the other side of the blade. Use four or five strokes on each side of the blade.

The stone is used to thin down a thick edge. Then an oil stone and steel are used

Grinders are of two types electrical; e.g. - the attachments for a mixmaster and mechanical. These are poor knife sharpeners because they cut away the knife and do not sharpen it In the process they tend to heat the knife, thus destroying the temper. The knife will then no longer hold a cutting edge

There is no good substitute for a carborundum oil stone and a steel.

To keep your knives in good cutting condition:

1. Cut only on a wooden cutting board. Metal and glass dull the knife blade.

2. Never cut string, bone, metal or paper or remove jar lids with a knife This dulls the blade

3. Never throw knives loose in a drawer. This dulls, scratches and nicks them Store knives in knife holders. There are various types

(a) a partition which fits in a drawer. It has a separate slot for each knife.

(b) wall knife holders. some of these are magnetized

(c) or make your own. drill a hole in the end of the knife, hang it on a pegboard into a hardwood strip which is attached to the wall

4. Exposing blades to a flame tends to destroy the temper The knife will no longer hold a sharp cutting edge.

5. Always wash knives immediately or as soon as possible after using them. Never soak them in water. Dry them immediately after washing

6. Cut bread only with a bread knife. Bread dulls a knife. Serrated knives are self sharpening.

HINTON

CONTRIBUTING GREATLY to the success of the Burns Night celebration last Friday evening was piper Gary Anderson whose wild and wonderful music caused the hearts of every true Scotsman to beat faster with pride. Gary had a full evening which started with piping in of the haggis. Following the dinner he played for the Hinton and Jasper dancers who performed solo and group Scottish dances in their clan tartans. His final official duty for the evening was to play for the grand march which was the signal for the audience to join in the dance —Herald Photo.

Council sets lot prices

Continued from page 1

71 of the Town and Village Act, the Council will requisition the chief provincial assessor to appoint an assessor to undertake the assessment requirements of the Town during 1963 for taxation purposes next year

The account of the Department of Municipal Affairs for 1962 general assessment in the sum of $2 471.30 was passed for payment.

A letter from Sunalta Appraisals with regard to the annual revision was placed before Council and the Secretary was directed to obtain the estimated cost

R. V. Mantle was reappointed Town solicitor on a basis of an annual retainer fee of $300.

A letter from the Hon. W. A. Willmore, Minister, Department of Lands and Forests, offering a lease to Part of NW36-53-17-W5 for $1.00 per year in response to a request from the Town to acquire the parcel for extension of Willmore Park was placed before Council. A by-law providing for the acquisition of the leased area was read three times and passed.

Authorization was granted to purchase a fabricated steel rob for the caterpillar tractor for $2000.

Stanley Grimble, Rabbit Limited were directed to proceed with preparation of designs and estimates for construction of an extension of water and sewer mains, and services, in RD Avenue from Block 140, to 46th Street as a local improvement.

In accord with the provisions of the Town and Village Act with reference to local improvement, it was moved the purchaser of land from the Town be privileged to commute the cost of local improvements in full or pay the local improvement tax from year to year with respect to any local improvement that may have been constructed as a local improvement and which fronts on the parcel purchased

Recommendations of the committee of the whole with respect to the establishment of a special fund with regard to local improvement commutations and land sale revenue was tabled until the next regular meeting of Council.

Council indicated the total borrowing from the Alberta Municipal Financing Corporation for 1963 capital projects would be a maximum of $161,300.

On a basis of the approval of the Health Inspector, the issuance of a license to the Crimson Crest Ranch Limited to distribute raw milk in the Town was granted.

The Secretary was directed to communicate with the Department of Mines and Minerals to ascertain if hazards exist with regard to water operations in the immediate area.

The Secretary was directed to call quotations from local printers for the publication of the synopsis of the annual statement, in pamphlet form, for distribution to the ratepayers.

The following accounts were passed for payment: T. Anderson 48.14; W. T. Cash 12.32; D. Perrins 8.29; P. Rezanich 20.02; J. W. Ernst 137.96; J. Palle 116.74; W. Olekaiw 98.81; Jim R. McNeven 89.26; A. Kopriva 103.77; Y. Cebuliak 121.09; H. Cyna 315.31; M. Austin 130.75; F. J. Miller 116.41 W. Szymczyk 89.16; E. W. Engel 120.84; H. Armstrong 110.32; I. Daniels 108.81; G. E. Cable 23.03; E. N. Johnson 5.52; E. Stopford 36.00;

R. Bowman 16.00, W. Strasbourg 24.00; Knapp Plumbing & Heating Ltd., 65.06; J. R. McNaughton 72.00; L. Spriotta & Sons 103.00, H. Gold 180.00 A. F. Peterson 635.92; Signal Publishing Co 53.39; Willmore's 15.00; Edson Photo Service 1.29, Ruby's Shoe Repair 4.75 Brunelle's Food Market Ltd. 92.89, City of Edmonton 102.30, Provincial Treasurer 56.66, Dearborne 31.09; Markette of Canada Inc 18.31, Confederation Life Association 456.89 Alberta Government Telephones 158.05, Northwestern Utilities Ltd 70.99, Northcheiner Farm Equipment Ltd. 3.68; R. Angus (Alberta) Limited 60.91; Canadian Liquid Air Co. Ltd. 15.70; Imperial Oil Limited 61.05.

Council expressed its concern with the continued vacancy of the position of Medical Officer of Health in the Edson Health Unit and that it be urged that additional efforts be now made to have the position filled

The Secretary is to obtain estimates for construction of rustic type signs, as a winter works project, for the west end of Town and directional sign to Willmore Park.

Good Music — Lunch Available

A BUNCH OF DISTRICT KIDS HEADING FOR SCHOOL THIRTY YEARS AGO

Then And Now

By SHANUS

Our Editor will please note by the picture that there was quite a difference between School buses 1963's style, and the 30's.

Has some of us this was the first day of school. for others it was putting the seat back on the grandcoast. Anyway you looked at it time and my Buddy) were quite confused (I think!)

From what I recall of those years, school started in March, there were no summer holidays. Holidays started Christmas and lasted to the end of February. Gee, those rides but summer days, you can imagine what some of the elder boys and girls must have thought going to school on a nice hot July day, wonder if anyone thought of playing Cowboys)

So much for reminiscence right now. Many of us realize a great change has taken place in more ways than one.

Some of us walked only 1 mile, or ½ mile providing we couldn't hitch a ride, others walked 3 and 4 sometimes 6 miles to get to school. We had one teacher, most generally it would be a lady teacher.

At the time of this picture it was a lady teacher, quite young, not too hefty. Probably pursued, since it was known by all available young men, or eligible bachelors as the case may be. Dances were fairly numerous, in fact the entire district's business and entertainment seemed to revolve around that old school house.

Our school grades ranged from one to nine. What a hustle and bustle for the older ones to find last year's old desk or a better one, innocent ly at the back of the room, or beginners, we just stood around and watched in amazement.

Guess it wasn't so bad the first morning, had to take time to get acquainted you know.

Well dinner time you heroine but your lunch, to us guy just like a picnic, I can recal the various brands of lunch boxes that were used, not only at this time but numerous years after ("Oshaws, Borns Rogers Golden Syrup" etc. in a 2 lb or 5 lb can would be required. You will note seeing one in the picture

After the dinner hour, we spent probably another hour then homeward bound again Upon being asked how's school by Mom somebody said "just fine, the older ones organized servative. All in all I'll say try that first day ever again (Just to find out what we did and said) wouldn't you?

Walker rink wins again

A rink skipped by John Walker again took the K.C. Masons 16 rink one day spiel at the Edson Curling rink on Sunday Another Masons rink skipped by M. Wigrin finish won the B event

Runner up to the Walker aggregation was the R. Bisette rink while Mike Resp's boys kept the Wigginwork crew hopping

The pictures of the winners will appear in next week's Leader

Joke of the Week

"If your prospects are so good why are you still a bachelor?"

Six Edson Cadets win promotion at Parent Night

Wednesday evening two weeks ago will be an evening to remember for members of the Edson Cadet Corps. It will be especially memorable for six cadets who were officially promoted at a special formation.

Their promotions co-incided with 1712 Edson Cadet Corps' first Parents' Night at the Edson Legion hall.

Those who received promotions were: the following cadets: Thomas Edward Green promoted to Cadet Lieutenant; Staff Sergeant L. Langston promoted to Sergeant Major; Sgt. D. Rouillard to S/Sgt.; Cpl. Peat promoted to Sgt.; L/Cpl. J. McNaughton promoted Cpl.; and Cadet Walker promoted to L/Cpl.

The promotion announcements culminated an evening of displays and demonstrations. Some of the noteworthy might be mentioned.

A comparison between the Old Bren gun and the new FN Rifle, now on issue to Canadian forces brought amazed exclamations from most of the fathers who remembered carrying "that ... Bren for endless miles."

People who were interested in commemorations were fascinated by the "15 sec" which S/Sgt. Langston had timed to pick up calls on the American Air Force frequencies.

A full command post with field telephones, radio sets, maps and a first aid station occupied the stage and drew many favorable comments as did the Bren gun nest which was set in a position to provide protection.

Visitors were greeted by two smirins who demonstrated rifle precision drill. They then went on to inspect the various displays mentioned and the training aids sections as well as the photo section which had numerous picture of cadet activities and army life.

Supper was served by Mr. Don Foster, the civilian instructor who is attached to the corps. He was assisted by Mr. William James.

The supper was prepared by ladies who, as Lieutenant Robinson said "could make even beans taste wonderful."

The evening was a success. The reason for this was the participation of every member of the corps.

The fact that the cadets were serious is evidenced by the following conversation between the mothers of two cadets.

"My son spent about two hours polishing boot and brass last night. "

"I came home last night and found the milk in the middle of the kitchen table and his boots were in the refrigerator. It seems that the cold is to make them shine or something

The Chief instructor, Lt. R. Reid, CD of C was unable to attend but was represented by his second in command.

The cadets stressed that they wished to thank those who made this evening a success and all those who make it possible for them to carry on.

1712 Edson Cadet Corps parades Wednesday evenings at 7 p.m. in the Legion Hall.

PROMOTIONS — Newly appointed Cadet Lieutenant Tod Green, left is shown receiving congratulations from another cadet officer, Lieutenant Calvin Robinson. The sentries at the command post in the background are from left Cadet Walker and L/Cpl. McNaughton.

SUPPER — Miss Carla MacDonald, an Edson teacher, receiving her beans from Cadet Ronnie McIntosh. Looking on are Cadet Sgt. Jon Rail and Cadet Larry Pelli. The cadets "volunteered" army style for the kitchen duty

Radiation course held by Edson EMO group

An extremely interesting course on radiation monitoring was held in Edson from January 21 to 24 inclusive in spite of inclement weather there was a very successful turnout each evening for the course under direction of EMO Director D. Hodge.

The course touched upon the various aspects of nuclear warfare, but particularly on radio-active fallout. Candidates were instructed in the use and practical handling of the (1) Pocket Dosimeter and charging unit (an instrument for recording the total amount of radiation one receives over a period of time); (2) the Radiological Survey Meter which measures the intensity of radiation at a particular time and place; (3) Radiation decay calculator by which it is possible to calculate the rate of decay of radiation after an explosion.

It is hoped to hold one or more outdoor exercises later on the year.

Huddock Happenings

Congratulations to Chester and Joyce Armstrong on the birth of another son on June 29.

Mike Purka is the proud owner of a new car

Paul Johnson and Don Herbert have finished piling on Harold Haddock's place. They cleared and piled on 50 acres on the former Dumble place, and are now clearing for Paul Heldebron.

Due to the cold weather the meeting in Pelham school on the 29 was not as well attended as it should have been.

Mrs. A. Giles is home again She spent last week with Mrs. Mrs. G. Heagren in Edmonton.

Mr and Mrs. J Sirous and boys of Glenwood spent the weekend visiting Fred John son Paul Johnsons and Barn with viewers

The new blizzard Sunday drifted the roads badly but the school buses still got through.

Impressions of National P-C convention in Ottawa

BY J. A. BALL

President Edson P.C. Association

Leaving Edson at noon on Sunday, January 13, I arrived in Toronto Tuesday evening after a very pleasant and relaxing trip via CNR Super Continental Passing through Ontario I was really thrilled with the old world charm of the towns and villages, the lack of modernistic architecture, and instead, the beautiful old stone barns, red brick houses beautiful trees, snake fences and old stone churches with huge spires pointing to the skies.

In Toronto I spent a day sightseeing, and saw several more of these lovely old churches. I got the feeling that the people that built these churches had built them to the glory of God, and not just as a place to go on a Sunday or even passing them on the street. I had the feeling that the hand of God had reached out and blessed me in passing no different are they to those modernistic monstrosities that are now building in the west today.

Arriving in Ottawa, I discovered that it was not necessary to leave the station as a heated, lighted tunnel, about half a block long, connects the depot and the rotunda of the Chateau Laurier Hotel, off of the rotunda a committee room had been set up to handle arriving delegates, and here I had my first taste of the remarkably efficient organization that had been set up to handle this convention With in five minutes I had registered, received my badges, ribbons, programs, etc; even to a floor plan of the hotel, and a pen to write with, and my hotel reservation and was on my way to my hotel

Friday morning a caucus of Alberta delegates, fifty five in number, was called to discuss the myth created by the Liberal press, of discension in the ranks of the Conservatives over the leadership of the party, and blaming Alberta as the regents in this regard.

The result of this meeting was a vote of confidence in the P. M. as leader of the party. Passed unanimously, this decision was released to the press for publication, but, in the best of my knowledge has not been printed yet.

Arriving at the ballroom to hear the Prime Minister speak, I found it impossible to get within seeing distance of the platform, as the ballroom was jammed with two thousand voting delegates, and about a thousand guests, the overflow spilling out into the halls, so had to be content to listen to the speeches over the P.A. system.

Mayor Charlotte Whitton of Ottawa brought civic greetings to the Convention followed by the Mayor of Hull, Armand Turpin. The P.M. was introduced by Senator Gratien O'Leary, who is a very eloquent speaker.

The Prime Minister spoke for an hour in his usual vigorous style, and showed no sign of the Parkinson's disease or any other illness wished on him by Mon. Lester B. Pearson.

Following this meeting we attended a dinner put on by the Western M.P.'s presided over by Dr. Hugh Horner, M.P. for Jasper-Edson.

From 2 p.m. until 6 p.m. we had the reports of the different committees, and the election of officers for the coming year, and started discussion of resolutions.

At 8:30 p.m. was the Prime Minister and Mrs. Diefenbaker's reception, attended by at least five thousand people, followed by the National Association dance.

Saturday was taken up by continued discussion on the different resolutions, the most controversial, of course, being the one to do with atomic warheads. The French speaking delegates were very vocal in this regard, as we really appreciated the instantaneous translation system set up by the organization committee.

Saturday afternoon Dr Horner took us on a tour of the Parliament buildings. The show would have been worth the trip to Ottawa, for these are magnificent buildings.

In conclusion may I say that the atmosphere of the convention was one of confidence, and of the attitude of the delegates was indicative of their constituents, then I would predict that the government could call an election tomorrow and be returned with a working majority

Jan Rubes scheduled for Overture Concerts

The Overture Concert Association for the Hinton-Jasper-Edson area are pleased to announce that tentative arrangements have been made to include Mr. Jan Rubes, celebrated artist of radio and concert fame, in their 1963-64 schedule This was learned from Mr R. Gillespie who was in Hinton last week to make arrangements for the spring membership campaign and to make tentative bookings for special attractions.

The membership campaign is to be held in March this year.

Considering the types of concerts the Association members have had or will be enjoying for the rest of this season, the executive felt that a vocal soloist and an instrumental would be different attractions for the coming season. Mr. Rubes will be in Alberta's next season and would be available for a local concert. Jan Rubes is one of the best known figures in Canadian music. A personable young bass baritone he has endeared himself to radio listeners from coast to coast with his weekly program "Songs of my People". His name is well known in opera circles in many countries.

The Canzoni Players are also available This is a group of five musicians including Mr. George Zukerman president and founder of Overture Concerts, Mr Arthur Polson and Mr. Brown, the latter two of whom appeared in Hinton in January.

When making a choice for coming attractions the executive tailed the voice cast but fail for preference in the type of concerts members would like to have. Groups -vocal, instrumental and dance were the first three choices followed by duo-pianists and so on. Unfortunately, although some choices were for the Canadian Opera Company, they are not available except in main cities.

The Spanish Flamenco Dancers and their musicians will be the next concert when they appear in the Crescent Valley School auditorium in Hinton, Thursday, February 14 Curtain time is 8:15 p.m and a full house is expected for this very colorful performance.

NOTICE

IN THE MATTER of the plebiscite required to be held in connection with the Alberta Potato Marketing Plan approved by the Lieutenant Governor in Council.

Every farmer who has grown five acres or more of potatoes in Alberta in 1962 is eligible to vote.

Every farmer who is eligible to vote and whose name is not already recorded on the Voters List posted in every District Agriculturist's office must register, if he desires to vote, at any District Agriculturist's office between 9:00 a.m. and 5:00 p.m from February 4, 1963 to February 8, 1963 inclusive.

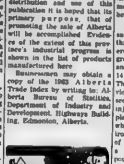
Alberta Trade Index now off the press

The 1963 edition of the Alberta Trade Index, compiled by the Alberta Bureau of Statistics to meet the need for a consolidated source of information on the variety of products manufactured in the province, is now off the press.

The 186 -page book contains six sections an alphabetical listing of Alberta manufacturing firms, an alphabetical list of Alberta made products; a list of imports clearances at Alberta custom ports, figures showing the quantity and value of Alberta manufacturer, a listing of materials used in Alberta manufacture and finally, a list of coal mines, pulp locations, radio and television stations, and lumber operations.

Through the widespread distribution and use of this publication it is hoped that the primary purpose, that of promoting the sale of Alberta will be accomplished. Evidences of the extent of this province's industrial progress is shown in the list of products manufactured here

Businessmen may obtain a copy of the 1963 Alberta Trade Index by writing to: Alberta Bureau of Statistics, Department of Industry and Development, Highway Building, Edmonton, Alberta.



"Movies what I DIDN'T say !"

If it happens there is a change in location for this concert there will be a notice in the local paper of that week

The membership campaign for the next season will commence the night of this season's last concert, March 23 At this time the Percy and Beau Singers, a trio will present an evening of Gershwin's music. It is expected that many of the members will renew their cards at that time for coming season

DROSTAN NEWS

Mrs. E. Maurer was visiting with her mother on Monday

We are all sorry to hear that Mr and Mrs. Jean Baucen's little baby girl is ill and in Edson hospital

Well Josephine, sure hope your finger is all healed

Mrs A. Hanks returned home on Saturday

Ernie Bilon spent the week end with Freddie Haubi.

Congratulations to Mrs. E. Bix who will be 76 on Saturday, Feb. 2

Last week's column should have read Mrs Nick Roman iuk's birthday, instead of Mr. Nick Romaniuk's.

District Agriculturist

PREVENTING ANEMIA IN PIGS

As a general rule oral treatment with reduced iron is still the cheapest and most effective method of preventing anemia in sucking pigs. A single dose of an injectable iron dextran may be more convenient in the case of large scale production because it eliminates much of the handling.

Some anemia still ranks as one of the major problems in swine production a considerable amount of research has been done on this disease by the Animal Science Department of the University of Alberta.

In one test pigs from the same litter were divided into three groups and given different forms of treatment. One group received vitamins A and D by mouth at 3, 7, 10, 14 17, 20 and 24 days of age. This is twice as often as generally recommended. The second group were given an injection of iron dextran complex at three days of age which contained 100 mg. of iron per dose. The third lot of pigs had two injections of a soluble iron-vitamin compound containing 20 mg. of iron per dose

It was found that the oral treatment with reduced iron gave slightly higher rigid week weaning weights and considerable higher haemoglobin levels than were obtained from a single injection of iron dextran Possibly a second injection of iron dextran or a higher level of iron in the initial injection might have given a similar result to the oral treatment. The two injections of the soluble iron-vitamin compound proved unsatisfactory in maintaining the desired haemoglobin levels and weaning weights

Winter and spring litters need special attention as anemic pigs are more susceptible to scours and pneumonia. When choosing a product to prevent anemia the effectiveness and frequency of treatment and the cost of the treatment in terms of time and labour So for the only injectable anemia preventatives that can be recommended are the iron dextran and other iron carbohydrate complexes

EVER HAPPEN TO YOU?

Ralph - Did you know that a grasshopper can jump four times its length"

Sam - No, but I have seen a wasp lift a 200 lb man four feet of the ground

75 take First Aid in Comp. Board Course

The Workman's Compensation Board sponsored a St. John Ambulance First Aid course at the Legion Hall in Edson from Jan. 21st to Jan. 30th, enabling 75 workmen and employers, representatives to take training in first aid to the injured and ill.

The course was instrument al in the training of month to month remuneration.

A dummy model known as Resuci-Anne was built specifically to enable the operator to blow into the victim's mouth and restore breathing in emergencies such as drowning, electrical shock and gases

This type of resuscitation has been effective in numerous cases of several people in the province of Alberta Included in the course the students had an opportunity to learn the technique of controlling severe bleeding, the immobilization of fractures and proper, tion of transport to medical aid. The turnout to this school was from various local industrial groups including silo and lumbering in dustry

It has been commonly accepted that those with a knowledge of first aid training developed an awareness of safety which was also instilled through a medium of films and talks. In some cases allowing students to be better equipped to attend safety meetings and the promotion of fewer accidents.

The community itself is proud to see the exceptional turnout and the advantages derived

The class was instructed by Mr Paul Chemin safety supervisor of the Workmen's compensation Board

MORTIMER nuclear "rocket-" Retiring NATO Supreme Commander U.S. General Lyman Mortad shocked Ottawa officials by declaring that Canada will not be living up to its NATO commitment until it accepts nuclear weapons for its forces.

Two running for trustee in School Subdivision 4

Two nominations are in for the postion of School Trustee for Subdivision No. 4 with the filing of papers for John J. Sandin, of Haddock, and George Mouma of Peers, with Returning Officer D. S. Blundell

Voting for the position will take place between the hours of 2 & 8 p.m. at Peers School, Pulham School and the Edson Divisional office on Saturday, February 16.

An idea of the area covered by Subdivision No. 4 can be gained from the list of old school district areas in which electors live who are eligible to cast their ballot: Falls School District 2780; Marlboro S.D. 2833; McLeod Valley S.D. 2974; Lakeland S. D. 3149; Shining Bank Hill S D. 3186, North Derby School District 3195, North Rosevear S.D. 3356; Pulham S D 3838, Shining Bank S.D. 4034; Big Eddy S.D. 4075; Peers S.D. 6117; Moose Lodge S.D. 4784; South Hills S.D. 4797; Rosevear S.D. 3056; Mountain Ash School District 4438; Windmill S.D. 3086; Wolf Creek S.D. 3095; Pine Grove S.D. 3946; Yates S.D. 3366; Drostan S.D. 3380; Trail S.D 4745, Sprone's Flats S.D. 49 Ex; Sprucoland S.D. 4994; Keith S.D. 4003; Weald S.D. 5004

Mr Mouma has served several terms on the Edson Divisional Board. Mr. Sandin is entering school board politics for the first time.

In Subdivision No. 5 Max Andrewsky of Hinton was declared elected by acclamation and will assume his position on the Board at the next regular meeting. He fills the trusteeship held by Mel MacLeod of Hinton who did not wish to stand for nomination again.

HOW MANY YEARS OLD IS THIS Pemmican roll asks Paul Bednar as he holds up the relic from Indian days which came to the top while ground was being bulldozed at Bear Lake this summer. The meat is dry and hard, but very obviously rolled up in an animal skin or internal organ. Paul hasn't been able to get anyone to bite into it as yet. —Leader Photo

Do You Know Mr. G. V. Bolton?

There's a good chance that you do. He lives and works right here. He gets around quite a lot and he knows this town very well. That's part of his job.

He's the manager of your local branch of Canadian Imperial Bank of Commerce. And he's a good man to know. For help with financial matters or for sound advice, on anything to do with banking, he's the man to see.

If you haven't already met him, by all means call in soon. He'll be glad to see you.

CANADIAN IMPERIAL BANK OF COMMERCE
Over 1060 branches to serve you

AROUND TOWN

WITH IRENE BOCHEK

Don't forget the Optimist's Annual Search for Talent Show this Friday, Feb 1st in the High School Auditorium P.S. An optimist is a man who rides the motor in front of his house while he waits for his wife.

☆

I stand to be corrected, the Sacred Heart Choir meets on Sundays after mass, and not on Friday as stated last week. Sorry folks!

☆

Visitors at the Pollock home on the weekend were daughter Carol (Mrs. Neil Hatch) of Cherry Grove, son Dennis and Joe Lavoie of Edmonton. Joe and Dennis motored to Jasper for some skiing on Sunday before returning to the city.

☆

Miss Rita Sicffer of Edmonton weekended in Edson.

☆

Mr. and Mrs. Wm Wilson and Wendell, Mrs. Alice Bensmeth and Clifford motored to Nasku last Saturday to meet their mother, Mrs. Wm Wilson Sr., who arrived on a DC8 jet liner following a four month holiday in Denmark.

☆

Congratulations to Mr. and Mrs. Fred Armstrong on the birth of twin boys on Tuesday, Jan. 29th!

The 29th is also the 35th wedding anniversary of Fred's sister, Mrs. and Mr. A. G. Christie. Best wishes to all!

☆

Mr. and Mrs. George Zinger motored to Edmonton on the weekend to visit Mr. Zinger's father who is in hospital there They brought Mrs. Zinger to Edson for a few days. The senior Zingers reside at Canoe.

☆

This month will bring several major changes in two of the three plumbing shops in Edson . Bill Kanyk of Kanyk Plumbing & Heating will be closing shop, and Mr. Gus Stelter employed with A.M.C. for the past ten years, will be starting a new business, Gus Stelter Plumbing & Heating Co., in the Kanyk shop. Bill will continue with his back-hoe work. Best wishes, all.

☆

Congratulations to Pam Mc-Leod and Johnny Jacobsen on their recent engagement.

☆

Miss Judy Fabrion of Rosevear is staying with the Gus Stelters while her mother attends a Farmers' Union Convention in Ottawa. Mrs. Fabrion expects to be gone two weeks.

☆

Jim Williams, being the only man in the adult bookkeeping class was having a heyday — now his wife has decided to take the course, too! You've heard the saying: "When it comes to stepping a man's circulation the best incriquet of all is a wedding ring.

☆

Mr. and Mrs. Frank Klein were in Calgary on business last week.

Home and School discuss association objectives

The regular monthly meeting of the Edson Home and School Association was held in the A. H. Dakin School on Wednesday. President C. H. Yeoman, welcomed Mrs. S. Steinbacher regional director for Home and School region 8, who had come from Baba Beach to attend.

The adult education classes sponsored by the Home and School Association were discussed. Mrs. M McKnight reported that the following classes were being held now: typing, enrolment 28. Bookkeeping, enrolment 23. Public Speaking, enrolment 26 and Oral French enrolment 10.

Mrs. McKnight made a motion to set up a committee to deal with the budget and all matters concerning the activity of the adult classes. Mr. J. Scott, Mrs. M. McKnight, Mrs. F. Mahon and Mrs B. L. Eldridge agreed to constitute this committee. Mrs. H. Walker reported that the following supplementals had been received for further classes 10 for basic English, and 20 for sewing, 8 for Oral German

A motion was passed to set up classes for these three subjects provided adequately trained instructors and the necessary facilities for accommodation could be found.

Mr. M D. Meade read a letter from the principal of the School of Technology in Calgary reporting that Fred Johnson was doing very good work there and had passed his Christmas examinations with grades well above passing marks. It was proposed to send Fred a letter of congratulation for his good work along with the remainder of his $100.00 bursary awarded to him by the Home and School.

PANEL DISCUSSION

The meeting was then turned over to a panel consisting of: moderator Mr R. Marchbler and panel members J. Scott, H Wortman, E. Morris and F Mahon. The moderator put questions to the panel which they answered according to their opinions.

Question: Is Home and School worth while in a community There was no discernment among the panel to this suggestion the answer being "yes, it is"

Question Should Home and School limit themselves to matters of education or should they interest themselves in community affairs?

As part of his reply Mr. H Wortman read the objectives of the Home and School Association These objectives are extremely broad and could give the Association a reason for entering many fields in the community, however H Wortman and other members of the panel felt that the prime object of Home and School should be education and parent education

Mr. Wortman stated that in his experience a child coming from a home where the parents made it a point to be informed in his school activities and to meet his teacher very, very rarely presented any problem at school.

Mr Scott questioned the right of the Edson Home and School to sponsor the adult education classes as he could see no basis for this in the objectives

OBJECTIVES

It was thought that the following objective would allow for such an interpretation: to confer and co-operate with organizations other than the school which concern themselves with the care, protection and training of children and youth in the home, school and community and with the education of adults to meet these responsibilities

It was felt that the objectives of Home and School as they stand at present are too vaguely worded and should be re-appraised.

Question: What is the benefit of Home and School to belonging to the Provincial Federation? As a member of the Provincial Federation the local also belongs to the Canadian Federation of Home and Schools.

Some of the benefits the local receives from the Provincial Federation are the organization of local Home and Schools, education of members in general matters and education for leadership, scholarships. Generally speaking in regards both to the Provincial and National Body the most important function is to present the voice of the parent to the government and the public.

One of the effects of this is the prevention of the centralization of the administration of education. Home and School is now an organization which puts right across religious, racial, political and ethnic lines.

It makes the government aware of matters of concern. It submits briefs to the specific departments of governments and it presents resolutions.

MORE FEDERAL AID

Some of the things the Home and School has fought for and is still fighting for are increased federal aid to education without infringement on the autonomy of the province, free university tuition, scholarship funds for high school students, better qualifications to teachers, a uniform basic curriculum across Canada and uniform entrance requirements at all universities, effective library services, the abolishment of absence in aesture, prevention of sale of toy firearms and spring operated BB rifles, barrier penalties for drug traffic in labeling of poisons, research into alcoholism, etc, etc.

One of the panel members objected to the fee of $1.00 sent in by the Provincial Federation He says that he knows of no other organization which has to send such a large contribution to its parent body. He felt that the local does not receive its dollar's worth per capita.

The Federation should allow more scope for money raising at the local level and then receive a percentage of monies raised it was suggested

WHERE FEES GO

Mr H Wortman, who had done some research work on this, showed the meeting what the provincial dollar was used for: general office expense 48 cents (which means paying a person doing a $5,000 to $6,000 job only $3,000 annually) 10 cents to the Canadian Federation, 16 cents towards the expenses of the annual convention, 9 cents for the executive, 1 cent to the resource committee, 7 cents to the service committee, 7 cents to the training committee and 2 cents to councils.

The meeting then broke up into basic groups who discussed the following questions.

Do you feel the Edson Home and School Association is fulfilling its function? Answer: on the whole yes, but it might be better if the organization had not become involved in projects requiring a large outlay of money (bursary, attendance award, etc)

Are you satisfied with its programs and meetings? Answer: Yes, but would prefer earlier notification of meetings.

Could the meeting be made interesting? How? Answer: The meetings had been very informative and stimulating.

Is our Home and School membership fee of $2.00 too high? Answer: No.

Would lowering the membership fee increase membership? Answer: No.

Though it was felt that many people attended meetings without ever becoming members. Possibly a charge of 25 cents should be made to these

Do you think the $1.00 per capita fee to Provincial Bill creation is too high? Answer: No

REGIONAL DIRECTORS VIEWPOINT

Mrs. S Steinbacher, regional director then addressed the meeting She stressed the fact that we, being rather isolated here in Edson, are liable to think of Us, the local, and The, the Federation.

Actually, she said, it was the many of us that make up the Federation The Federation is the sum of the locals, she emphasized, and it is through it that we can make our voice heard provincially and nationally.

Regarding our adult education classes, Mrs. Steinbacher felt that they are an excellent program provided they are not paid for from Home and School funds even though adult education is not an object of Home and School, parent education is.

She told the meeting of a scholarship fund set up by the Federation which awards $20 scholarships to honor students in grade 9 across the province as long as its money held out. In the last year the number of scholarships dropped from 11 to 8 Each local Home and School Association has been asked to contribute $2.00 to this scholarship fund

RESOLUTIONS

Two resolutions made by Mr M D Meade were passed by the meeting to be sent to the annual convention

1. Whereas the ways in which Home and School Associations may raise money are strictly limited by the ethics and constitution of the parent Home and School Association, and whereas local Home and School organizations are dependent to a large extent on local fees, therefore, be it resolved that we protest the sending of $1.00 per member of local fees to head office.

2 Whereas there are over one hundred thousand rural school pupils attending town schools through the riding of vans, and whereas it is reasonable to suggest that these pupils could attend either at eight o'clock to two shift or a 2 - 6 shift, and whereas there are many, many other reasons why a two shift school day is completely impractical in a town school, therefore be it resolved that the Edson Home and School Association in general session on January 30, 1963, is unalterably opposed to any two-shift system of operating our schools.

And be it further resolved that the Edson Home and School Association completely disassociated itself from the opinion expressed by the Provincial President of the Alberta Home and School Federation that the two-shift system is an appropriate solution to the increased capital costs of building new schools.

And be it further resolved that the Edson Home and School Association accordingly regrets that the Alberta President Mr. Charles Linn, took it upon himself to express what might be interpreted as the Home and School policy without waiting for direction from and annual meeting of his organization.

The attendance plaque was won by Mrs. R. Ehnemann's room. Mrs. M. Walker reminded everyone to support the variety concert sponsored by the Home and School which will take place on Friday, Feb. 15th in the High School auditorium and which will be the major money raising project of the year.

NDP to sponsor delinquency forum

Reports on the recent provincial convention of the Alberta New Democratic Party were given at the regular meeting of the Edson NDP club Feb 4th, held at the home of Mrs. Paul Guenette

Dr. Peter Cohen gave a detailed report on the business and resolutions dealt with at the convention while Mrs. Mary Walker outlined the convention speeches given by Ed Nelson, president of the Farmers' Union of Alberta and Jack Hampson, president of the Alberta Federation of Labor

Plans were discussed at the meeting for the public Forum on Juvenile Delinquency to be held on February 18th at 8 p.m. in the Elks hall The Forum will feature a panel discussion on all phases of the juvenile delinquency problem, followed by an open question period.

Taking part in the panel will be Magistrate P. Kegan, Police Chief J. MacDonald, M. D Meade and Rev. L. Halliwell, probation officer.

Peers 4-H Clothing Club

By EDITH APOLL

The Peers 4-H Clothing Club held their meeting in Peers School Auditorium. The meeting was only a short one and not much was discussed. Most of the 4-H'ers wanted to get on with their sewing before they would have to turn home again.

The next week we just got together to sew most of the evening and help the first years to cut their cloth.

Lunch was served at both meetings.

Party for German speaking people

A party has been planned for German speaking people in the area to be held Friday, February 22 in the Canadian Legion Hall at Hinton.

The affair has been planned as a costume party and it is hoped everyone will appear in costume to add to the fun of the evening. The modest charge will include not only the evening of fun and dancing, but the lunch as well.

Anyone interested in more information about the party should write Kurt Stanke at Hinton.

Sacred candidate gets head start

S. P. Smith, Hinton, Social Credit candidate for Jasper-Edson Federal Constituency spent two weeks visiting constituents in Gibbons, Bon Accord, Morinville, Barrhead, Fort Assiniboine, Mystery Lake, Rodeo, Glenister, Pinerive, Mayerthorpe, Whitecourt, Sangudo, Chorhill, Onoway and Darwell.

S. P. SMITH

The local Social Credit groups and constituency organizations acted as host and had previously arranged for Mr. Smith to meet as many as possible, through functions, personal visitations and socials

Mr. Smith says he hopes that the exceptional hospitality extended him is indicative of a trend toward Social Credit Federally.

La Dolce Vita coming to Edson

This coming Wednesday, February 13th, Edson and District will see the picture that has been acclaimed all over the world.

We reprint here a few comments sent us by outstanding critics:

New York Times: "Deserved all the hurrahs and the impressive honors it has received" — Bosley Crowther

Paris Presse: "It surpasses the Apocalypse." — Michel Jamiaux

London Evening News: "I claim this film to be the most exciting ever made..." Felix Barker

Boston Herald: "Truly extraordinary - a remarkable film."

Rome L'Espresso: "Fellini's finest film" — Alberto Moravia

Look Magazine "Among the best motion pictures ever made."

And there are many more. No wonder La Dolce Vita (The Sweet Life) is exploited as the most "talked about" — the most shocked a most picture of our years."

There is only one showing at the Nova Theatre at 7:00 p.m.

It is a three hour show and is recommended for mature adults only — no there is only one admission price.

BACK TO THE HUSTINGS

It's back to the political hustings for Canada's members of Parliament with the announcement of the federal election date . . . Monday April 8th

In our constituency of Jasper-Edson it is presumed that the sitting member, Dr Hugh M Horner, Progressive Conservative will again stand for election. Technically he has not yet been nominated by his party, but being a successful candidate in two previous elections there is no doubt that Conservatives will more than encourage his standing for election again

Only other candidate in the field is S. P. Smith, a Hinton businessman, who is entering federal politics for the first time on the Social Credit ticket. Mr Smith has been around meeting people in the riding since his nomination several months ago. The push by the Socreds is, of course influenced by the success of sorts of the Quebec branch of the party. We suspect that the line will be Alberta must return more Social Creditors so that the Quebecers don't take over what used to be an Alberta and B.C. provincial preserve.

Voters in this and other Alberta constituencies must weigh these arguments with the fact that the government just defeated has done more for the West, especially the Western farmer, than any previous government partly probably because of almost solid support from the Prairie provinces

The Liberals haven't been too active and we have not heard whether J. Shipitski, who ran under the Liberal banner last spring, is going to seek his party's nomination. The Socialists haven't nominated federally either, but organizational work has been taking place recently.

LOCAL POLITICAL POT

With the federal political pot boiling furiously there is always a tendency to forget that at this time of year the annual meetings of school boards and town and municipal councils be neglected

Most of the "Advisory" committee meetings conducted by the Department of Municipal Affairs have been held. There are, however, meetings for the various subdivisions of the Edson School Division and the annual Edson Town meeting coming up this month

It is essential that we are governed locally by the best people available, but these trustees and councillors get a sinking feeling that they are working a vacuum if ratepayers don't make the effort to at least come out to annual meetings and hear what has been done and is proposed for the coming year

The man who turned the day he was born, earn learned to talk young.

☆

Overheard at the Post Office: "A mother spends 20 years making a man of her son, then a stenographer woman makes a fool of him in 20 minutes."

☆

BIRTH CONTROL

"I want a dog but mother won't let me have one."

"You don't use the right strategy. Ask her for a baby brother — then I'm sure she will settle for a dog."

☆

AN EYE FOR WEIGHT

A young woman was having her weight guessed at the Calgary Stampede. The man in charge of the scales put the figure at 118 pounds. A stalwart spectator said 122 pounds. The scale showed 131.

"How did you guess so close?" the man in charge asked the spectator.

"I've bought and sold a lot of cattle in my day," was the reply.

"And I always judge 'em by the handgarters first."

☆

Caretaker was explaining to his buddy how the reason for his sudden affluence.

I sell ladies' stockings. Sometimes if the woman is really interested I put them on for her," he said.

"You must sell plenty that way," Jess commented.

"No," said Cres. "My legs look lousy in women's stockings."

☆

Explorer: "As the tiger came charging at me, I made a frantic leap for this overhanging branch 25 feet above the ground."

Listener: "Did you make it"

Explorer: "Not on the way up."

☆

Darling, will you still love me — now we're married?" asked the newly-wed to her husband

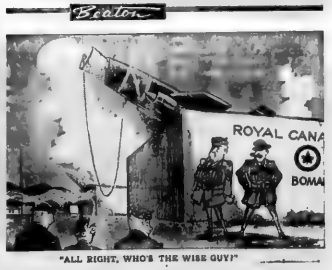
"Oh sure," he replied, "I always went real big for married dames."

☆

Girl, looking at engagement ring, to fiance "I didn't say the stone was small, I just said all my friends have 20/20 vision."

☆

Dear to dear salesmen: "I'd like to show you a little item your next door neighbor says you can't afford."



"ALL RIGHT, WHO'S THE WISE GUY?"

CAPITOL REPORT

ALBERTA'S QUEEN'S REPRESENTATIVE MEETS THE QUEEN

BY JOHN WARREN

EDMONTON — The Queen dropped in for a five hour visit to Edmonton last Thursday but either the unexpectedness of her arrival or the blizzard-like weather prevented the gathering of crowds at the airport.

As a matter of fact, during most of her stopover there were more security guards, uniformed and plainclothes personnel than unofficial onlookers. Those who did remain at the terminal, staring at the huge royal jetliner parked outside, were rewarded with the appearance of the Queen and Prince Philip on a hovering ramp about 4.15 three hours after their arrival. The royal couple waved and smiled for about a minute before ducking back into their plane from the wind and snow.

The Edmonton stopover was probably not a particularly welcome one for the royal couple who were enroute to Edmonton, from Montreal and Montreal. They were forced to turn back to Edmonton when fog would not let provincial airport. Then Edmonton was fog bound at Vancouver. Local TCA radar fought, however, they were again forced to turn back by the weather, this time to Vancouver from whence they first landed.

About 10:00 they gave Hon. J. Percy Page, lieutenant governor, and his wife an opportunity to meet the royal couple for the first time. The lieutenant governor later in receiving them as a "down to earth couple" who made their visitors feel right at home.

☆

Talk about the veterinary college Alberta may get combined last week but the college itself came no closer to being built. Agriculture Minister Harry Strom told the Western Stockgrowers Association annual convention "Alberta is prepared to build a college if the federal government will share capital costs" with the three prairie provinces.

Meanwhile Saskatchewan appears to be still in the running for the institution which government and livestock officials agree it sorely needed on the prairies.

— The session of the Legislature that begins Feb. 14 promises to provide the interesting exchange that generally presents an election despite the still meagre opposition.

The government isn't likely to introduce any major contentious bills that could provide ammunition for the other parties but a modified medicare program will probably get an airing.

It also appears that seven MLAs will be making their last appearances in the legislative chamber. There is considerable talk that Earl Hardy of Bruce, George Hall of Gleichen, Ray Lee of Taber, John Wingblade of Wetaskiwin, Marion Kelly of Acadia-Coronation and Mrs. Rose Wichmann of Calgary will not run again.

The lone Conservative in the four-man opposition Ernest Watkins, has already said he doesn't want to contest his seat in the Bow constituency.

Frank Gainer, the Liberal-Conservative Edmonton member from Edmonton will play a peculiar role and may have to choose one of the parties he now represents as his sole backer. Both the Liberals and Conservatives have stated they'll offer candidates in every constituency.

Mike Maccagno, the Les La Biche Liberal will also have an interesting place in the coming session where he is bound to be attacked by Social Credit spokesmen on his party's coalitionous power policy.

All members will be trying to say as much as they can as loud as they can in hopes the press will carry their speeches back to the home constituency. Those who want to get as big a piece as possible of the limelight know by now it can't be done by reciting the oft-cited lines about Canada's economic ills and monetary problems without earning something concrete by way of a solution.

It also appears that several cabinet ministers will produce strong denunciations of Roger Lobood and his oil policy during the session, both to confirm the government's approach as the correct one and to stimulate, as much as possible, the challenge Mr. Lobood could be in some constituencies at election time.

Don't Park Here

Pastor Showalter

The Christian life is a dynamic, on going thing. It is a climb, not a plateau. It is a walk, not a sitting down. It is a way, a road that leads on and on to the city of God, not a parking lot. It is a run for progress, not a means of having arrived

One place not to park is that place of ecstasy just beyond some major crisis in the Christian life. It may be the joy of new forgiven after months or even years of the burden of guilt. How the soul exults in the new freedom! How disciples we testify of the deliverance from an Egypt of sin! But there is danger of resting in that one testimony over and over years after the event, until our Christian life seems a thing very much in the past tense.

Or, there is the tendency to park at some subsequent definite step, possibly of consecration or of a new victory over self. We may call it our "second work of grace," and go on living in that when we should have arrived at the "twentieth work of grace!"

We may want to stop to reveal in some new comprehension of truth. Our dwellings on this new truth may degenerate into hobby-riding or cause us to be unable to seek for further undertaking

Even on so important a matter as our being crucified with Christ, one wonders whether some people don't make a big bit of lingering around the cross instead of going on to resurrection and Pentecost.

Listen to the buoyancy of the experienced apostle, Paul-"Brethren, I count not myself to have comprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

COMING EVENTS

EVERY SUNDAY — 7:30 to 10:30 Senior Badminton in the High School. Records available. Visitors welcome.

FIRST SUNDAY each month St. John's Auxiliary in Evergreen School at 8 p.m.

SECOND MONDAY — Meeting at Edson Craft Centre at 8 o'clock every Monday. Weaving classes from 7:30 to 10:30 at Craft Centre Every Tues. and Fri. Pottery class on from every Wednesday afternoon. Copper Classes from 2 to 5 at Craft Centre.

Queen Scouts win New Mexico trip

The Alberta Council felt the boys were so close to winning the Ottawa excursion that they awarded them a trip to the Boy Scout Ranch in New Mexico. They will leave Calgary by bus on August 31st for the 13 day camparee in the south.

Word was received on Wednesday that two district Queen Scouts, Bill Mahon of Edson and Doug Fleming of Hinton had been awarded a trip to New Mexico.

The Edson Queen Scouts qualified for a try to attend the World Scout Jamboree held every four years in Greece in the camparee for the World Jamboree held last September at Sylvan Lake the two boys were only one point each behind the winners.

Around Town

Mrs George Nakonechy has returned from Calgary where her son is enrolled in a drama school.

☆

Was pleased to hear Adson will soon have her own carpentry shop, when Dick Pantaine opens his Edson Woodwork's across from Moose Creek Lumber

☆

According to an age old superstition, spring is here. The ground hog presumably did not see his shadow on February 2, so he it is up for good. Had he seen it he would have jumped right back into bed again and stayed there for six more weeks And in some curious reasoning we would have had six more weeks of winter

The spring and summer calendars have arrived, so that should be a sign of something! Nothing improves a person's driving like a police car right in back of him

☆

February 14th is St. Valentine's Day, and though we do not know for certain who the good saint was, we still remember the day. There are many St Valentines and two of them would seem to have been martyred on the very same day a Christian priest who lived almost the year 270, and that after he had spent a good part of his life in prison, he was finally beheaded for clinging to his faith. The rulers then in power did not want people to be Christians and felt that to chop off their heads was a good way to dis courage them!

In some strange way, the day of his death became one on which lovers sent unsigned tokens to each other, so we assume he must have been a very gentle Christian.

☆

Ardent hockey fan, Nino Chiesa just won't give up! He says the flu-ridden excuses to play hockey year after year This winter, he insists, the Athletics need competition as he has a number of visitiitors, meet on Thursday evenings to play against the Edson Athletics. Among those who have again succumbed to the "hockey Ban Davidson, Nigel Ayres, Art Grant, Johnny Switzer, Roy Gerlitz, Joe Berbek and of course, Nino Chiesa.

Edson residents take advantage of adult classes

By IRENE BOCHEK

Adult education classes have proven more popular than anticipated. Approximately 130 adults have already enrolled in six courses, and an attempt is being made to start another course in oral German.

Anyone interested in taking German should contact Mrs. Jeff Wilson at PA3-2028. There are also vacancies in the basic English course, please phone Mrs J Bochek at PA3-6028.

Two sewing classes have been set up, and if there is sufficient demand a course in advanced sewing will be set up within the next few weeks. There are no vacancies in the two basic sewing classes Mrs. Bubek's class started Thursday, February 7th, and Mrs. Paul's will begin on Tuesday, Feb 12th.

To review- Bookkeeping held on Tuesday evenings with Miss Mamerin teaching 23 adults. Sewing held Tuesday and Thursday with Mrs Peat and Mrs Bubel instructing 15 adults each. Basic English taught Wednesday evenings by Mrs. Bochek with a present enrollment of ten. Typing on Thursday evenings taught by Mrs L. Koebel to a class of 23. Oral French on Thursday also, taught by Mr R. Binette to ten adults, and public speaking taught by Rev. Yor Burg to twenty-six, also Thursday.

A SURPRISE PARTY was held Monday, January 28 when friends gathered at the home of Mr. and Mrs. Wm. MacDonald to honor them on their 25th wedding anniversary. Masterminds behind the plan were Mr. and Mrs. Les Hollwell Mrs. Alf Foster and Mrs. Alice Dawson. Approximately 50 guests gathered to wish the MacDonalds all the best and to present them a Mixmaster. Two lovely floral bouquets from their daughter brightened the room. A delicious lunch, served by the ladies, brought the evening to a close.

The Homemaker

THE TRUTH ABOUT VEGETABLE MYTHS

Many people do not use vegetables to best advantage because they may be confused by a number of popular myths. For example: -

1. MYTH: Vegetables liquified in a blender are especially nutritious. FACT: There is nothing in the vegetable juice that is not in the vegetable itself.

2. MYTH: Vegetables should be eaten raw for maximum nutrients. Vegetables are cooked to soften the cellulose (fibre) so they are more easily digested or to make them taste better.

3. MYTH: The liquid in a canned vegetable should be discarded. FACT: As much as one-third of the soluble minerals and vitamins may be lost when such liquid is poured off.

4. MYTH: Most vegetables should be cooked in open pans. FACT: Covering the pan helps retain some vitamins by making it possible to cook the vegetable in a small amount of water and reduce the cooking time.

5. MYTH: Cabbage, onions, cucumbers and radishes are indigestible. FACT: None of these is necessarily indigestible. People differ in their reaction to each individual food.

6. MYTH: Vegetables grown with "organic" (natural) fertilizer are more nutritious than those grown with "chemical" fertilizer. FACT: This claim has no scientific support. Nitrogen is nitrogen whether it comes from manure or synthetic ammonia. Furthermore, in most cases the nutrient value of vegetables does not vary widely with the soil - a rich soil tends to produce a more abundant crop of larger vegetables but doesn't increase nutritive value.

7 MYTH: Fresh vegetables are always more nutritious than canned or frozen vegetables. FACT: When vegetables are canned and frozen properly by modern, scientific methods, they retain a very high proportion of the original nutrients and may actually be more nutritious than fresh. This is because fresh vegetables may lose some nutrients through improper storage and preparation. It all depends upon proper care.

8. MYTH: Tomatoes ripen well in a sunny window sill or in a refrigerator. FACT: Tomatoes are not fully ripe when they will reach their best appearance and nutritive value. Keep at room temperature and out of direct sunlight.

9. MYTH. The dark outer leaves of lettuce and other salad greens should be discarded. FACT: In general, the greener the leaves the richer they are in vitamins and minerals. The same leaves, though sometimes less tender, are most nutritious.

10. MYTH: All fresh tomatoes have about the same Vitamin C content. FACT: Summer field-grown tomatoes contain about twice as much Vitamin C as winter and fall greenhouse fruit.

Joke of the Week

"It's not a police whistle I found in the street!"

East District Doin's

If we are to believe all we hear Edson was a bee-hive of supressed activity a couple of days last week as truck drivers gathered here and there to discuss the sudden appearance of portable scales on Highway 16 and subsequent tickets for overloaded pulp trucks. It's a tough life fellows. As if pulp hauling weren't bad enough all the best of times.

☆

Pat Beaudry and Marvin Thomas have gone to work on the rural telephone line North of Peers.

☆

The Karl brothers set up a lumber camp and are hard at it the past while. We find that lumber men are not too fussy about 40 above temperatures; so the weather man has a few friends left.

☆

Noticed a big cat and clearing equipment at work on the Del Black farm. Going to have a whopping big field there Del.

☆

Crows are presently working on the new road from Highway 16 to Peers. The new road will meet the highway one mile west of the present junction and will do away with the 22 curves; a major improvement for motorists travelling the existing road.

☆

Noticed a road way being cleared south of the highway. Could be that Ed Sherpe is going to have a road in the not too distant future.

☆

Mr. and Mrs. Roger Bean were called at the last Wednesday evening.

☆

Saw Monty Russell and his brother in Edson Friday p.m. Nice car you've got there Monty.

☆

Mrs. Albert Fenelle and infant daughter Maxine came home from hospital a few days ago.

☆

Lynx seem to be taking over in the bush this winter, but we know one thing and is decreasing their number quite rapidly. Thursday had trapped twelve of the cats. I guess a lynx belongs to the cat family; a weak or so ago.

☆

We notice more and more rural folk making use of Edson's coin wash establishments lately. At least your clothes know don't break like they did recently. Fine thing having to arise in the wee hours to remove a line full of duds from a snowy grave. Here they were buried under a ton of good wet snow.

☆

Ken Thomas was out Saturday morning doing his good turn for the day, pulling help vehicles. A pulpwood hauler we knew is lucky our local lumberjack was not out and about a few morning! Last, he claims had his truck stalled he would very likely never been among the favoured few to get a ticket for overloading.

☆

Do you know something? A hauler with a 9KLW auto truck, on a 100 mile haul, earning $8.00 per cord, times $34.00 if, and it is a 340 IT, he has no breakdowns or tire trouble. Just for happening to pass the time away, figure on his take home pay per six three cords.

☆

It is food for thought and enough to make a logger swear throw up his hands in despair and take up singing the blues for a living. Now we know why Elvis gave up driving truck and turned to singing.

☆

Mr. and Mrs. C. (Chummy) White from MacLeod district were guests of honor at a surprise 25th Wedding Anniversary party Saturday Feb 2. Despite the cold stormy weather a good crowd of friends and neighbors called at the White home with gifts, and good wishes for many more years of happiness.

☆

Mr. and Mrs. Herb Holmes, Jack and Donald called on Mr. and Mrs. Bill Hobbis and family and Mr. and Mrs. Steven Hobbis and family at their home in Edmonton last week-end.

☆

Birthday greetings to Jon-Erik D. Nilsen Nielsen Norton Feb 3, and Dave Paterson Feb 5.

☆

The land clearing outfit that has been working on the farm of Del Black has moved to another job on the property acquired farm of John DeLeeuw, the farmer George Hall farm. We hear Mr. DeLeeuw plans to have 150 acres ready for seeding by spring on this farm.

☆

Ray Heinrich - he is! Mr. and Mrs. Joe Hajnosz was discharged from St. John's Hospital Monday, following a few days confinement due to a gun shot wound in his arm. The teenage boy accidentally discharged the .22 Calibre rifle, while climbing through a wire fence.

MOTHERS DAY
Yes, it is not too early to think of that exclusive gift for that most wonderful person in the world:
MOTHER
and what could be more exclusive than your favorite Black and White portrait, painted in Natural colors, a full 8 X 10, head and shoulders, or full length, or a family group made from 2 or 3 separate photos hand painted in oils on fine silk.
It is the gift supreme, because it is YOU, and it is now the time to be thinking of having that beautiful gift, hand crafted in Europe.
It takes about 6 weeks from the time you place your order, and it is guaranteed to satisfy, of course.
Why not come and look at the elegant sample, and bring along that photo with you, please do, the price is reasonable, or if you are out of town, why not write.

ONE OF THE FEATURE DISPLAYS for the forthcoming Sixth Western Canada Farm Safety Conference February 11, 12 and 13th at the Corona Hotel, Edmonton, is a Roll Bar protected tractor developed by Texaco Refineries of Edmonton for the protection of their own employees. Discussing the possible use of roll bars on everyday tractor is Les Usher President of the Conference and Prof. E. T. Stephenson, University of Alberta and the Alberta Safety Council.

Canada's 4-H Movement Moves into Golden Year

From the Manitoba Co-operator, written by Diane Sheane

The beginning of the 50th anniversary year for Canada's 75,000 4H Club members got underway recently, it was officially announced by J. B. Rance, President of the Canadian Council on 4H Clubs.

The story of the development of 4H Clubs in Canada, known originally as boys and girls clubs, is in itself a unique drama of success, achievement and unrelenting growth akin only to the growth and evolution of Canadian agriculture itself.

The drama begins in Manitoba in 1912 with the formation of eight boys and girls clubs, the first of which was organized at Roland. According to the Manitoba Department of Agriculture report for 1913 "each club held a most successful fair when chickens, potatoes, and corn produced by the members were exhibited. At present there are 472 very enthusiastic club members and it is certain that they have gained much practical agricultural knowledge from their summer club work".

By 1916 Manitoba had 800 clubs with a membership of 12,000 boys and girls. This was a remarkable development considering that many district representatives of the Department had enlisted for World War I duty, leaving responsibility for the work on the shoulders of inspectors, teachers and public-spirited citizens.

A similar pattern of development and growth took place in the rest of Canada's provinces between 1913 and 1923. Roland, Man., thus will become the official site of the beginning of the 4H movement. On May 12 next an appropriate memento will be unveiled in the town to commemorate the founding of the first club in Canada.

Among other 50th Anniversary functions plans for the year are: an active part by Canadian 4H members in the World Freedom from Hunger Campaign, intergenerational exchange, a new 4H activity involving farm to farm visits in which each province will send one delegate to each of the other nine provinces; a special program for National 4H Club Week in November and other functions throughout the year.

Fashions

This dachshund dress has many virtues. It is delightful for resort or cruise wear; is easy to pack and is hard to crease.

Short, set-in sleeves, the plain neckline and the hat toned closing all the way down from the shaped yoke give it dash.

The frock comes in such beautiful colors as lemon yellow coral or turquoise with a matching self belt and matching pearl buttons.

AS I SEE IT

By Pastor B. Hurd

[illegible] best for the believer [illegible] in the joys and [illegible]ships of, relationship with [illegible]mself. This essentially is what was broken off when the first Adam sinned in Eden and this is what the last Adam restored in His sacrificial [illegible] on Calvary.

To a large degree, whether this fellowship is realized in full or in part, however, depends on the believer himself. John reminds us that "if we walk in the light, as he is in the light, we have fellowship one with another" (1 John 1:7). We cannot walk in darkness, or even in paths of our own choosing and expect to enjoy this fellowship. This, we believe, is part of what the Lord Jesus was saying in John 12:26 when He said: "If any man serve me, let him follow me; and where I am, there shall also my servant be..."

Do we desire to know the Presence of Christ — His fellowship in a very real and practical sense as the year before us? Then it would seem that we must allow the Holy Spirit to lead us in the direction of His concerns, to interest us in the things to which He is interested.

This is important. Many a well-meaning believer, we fear, is largely wasting his time and his strength in pursuing personal interests or enthusiasms — and so they extend among the privilege of fellowship with Christ and effectiveness in the work, even Christian work, he has set out to do.

The Holy Spirit will lead us into His will if we do not grieve Him by asserting our own interests and proclivities. But we find it helpful to note some of the specific matters which the Scriptures clearly indicate are of concern and interest to the Lord.

1. Our Lord is clearly concerned, even primarily concerned, that lost men and women hear the gospel and be saved. This is the theme of the Great Commission (Matt. 28:19, 20). We cannot hope to know real fellowship with our Lord and be non-participants or even half-hearted participants in the work of the Lord.

2. Our Lord is likewise concerned with evangelism — personal evangelism and evangelistic preaching. This again is part of His great Commission, reinforced by His post-resurrection word to His disciples in Acts 1:8: "But ye shall receive power, after that the Holy Ghost is come upon you: and shall be witnesses unto Me." If you want to know the Presence of the Lord, engage yourself directly and indirectly with winning souls.

3. The Lord Jesus likewise is concerned about growth, as well as fruitfulness in the local Church. Three times He urged Peter to show his love for Him by the request to "Feed my sheep." If you want awareness of the presence of the Lord this year, you must be aware of your place and your responsibility in your Church, and God's program of soul winning. God works through His people to reach your people for Himself.

ABANDONED RAIL LINES. Small branch rail lines such as shown here were often specifically built to carry grain and did much to open Canada's west. Today controversy is raging on whether to abandon such near-uneconomic small lines. Grain companies fear loss of investment in country elevators along abandoned lines. Cecil Lamont, president of North-West Line Elevators Association, warns this abandonment plan could turn "hundreds of new prosperous towns and villages into ghost communities." Rural areas of eastern Canada also are affected.

Alberta joins fitness survey across country

The Recreation and Cultural Development Branch of the Department of the Provincial Secretary, has announced the establishment of a Fitness and Amateur Sports Survey and Study Committee, which will carry out a program of study and analysis of present physical fitness and amateur sport endeavours in the province, with the specific purpose of making recommendations for immediate and long range developments for Alberta.

This program is a part of the National Fitness and Amateur Sports Program introduced last year by the federal government.

The study will be four-fold in its aspects, under the main topics of facilities, finance, personnel, and programming. The committee will solicit written submissions from communities and associations on these subjects and any other pertinent points.

During the months of February, March, April and May a series of communities will be selected for visitation by the committee for the purpose of obtaining first hand knowledge of that community's activities. A full report on the study program will be issued later this year.

Chairman of the committee is A. V. Pettigrew, of Edmonton and Lionel Fournier, of the University of Alberta, will serve as research advisor. Other members, all of Edmonton, are Mrs. Isobel Seaman, Miss Audrey Carson, David Critchley, Don Smith, and Jack W. Riddel, secretary. Further information may be obtained by writing to the Secretary, Fitness and Amateur Athletic Study Committee, 436 Legislative Building, Edmonton, Alberta.

Robb and Branch News

Robb experiences, one of its extremely mild spells again Monday night with high gusts of wind. Water running off the roof had many hopping to wake up Tuesday morning with our abundance of snow gone.

Mr. Bernie Olson accompanied by Mr. Jake Bollbolder to the city Sunday evening.

Mrs. Ken Brandle of Edmonton arrived on Saturday to take up residence here.

Mr. and Mrs. Ken Brandle purchased the former Kurjata home.

Mrs. Doreen Ludwig was a patient in the Hinton Hospital for a few days last week.

We wonder what happened the other morning to the new car that couldn't make the hill just up from our local store. I guess it just decided to head for the snow bank.

Mr. Stan Turner and Mrs. George Phipps were guests of the Mr Gary Cosgrove last Sunday.

Mr Jack Gorman also has been a patient at the Hinton Hospital for the past two weeks as to be transferred to the D.V.A. Hospital in Edmonton for a slight operation. We wish you a speedy recovery as we all miss you.

Mr. Carl Jensen arrived home Friday from an Edmonton hospital having been away for the past month and is looking very much improved.

Mr. Hinton motored to Lloydminster on Friday to visit his grandfather who is very ill.

Mrs. George Nikiforuk was a visitor to Edson for medical attention as she has been under the weather most of the winter. We all wish her well.

Many of our pulp cutters are laid off. Some have taken their holidays due to an over abundance of snow accompanied by bitter cold.

There seems to be a lot of activity at the bottom of the Mile Hill at Merrcal. Every one seems to have a different version of what is going to take place.

Time is the greatest teller of all tales so we will have to be patient and wait to find out.

Our pussy willows are still with us in abundance.

John Stupid's Wish

A story of imagination by a Grade Six pupil, Ricky Mintz, McBride Elementary School.

One sunny morning in July, John Stupid was walking through the woods when he met a big deer. Just as he was going to shoot it, he heard it say, "Do not shoot me, kind sir." Now John being sort of stupid said, "Why?"

The deer answered, "Because I am a magic deer."

"What should become of me if I shoot you?" said John.

"Great evil will come upon you if you do and if you do not, you shall get two wishes."

So John said that he wished he had a flying horse. In a moment there stood a horse with the wings of an eagle before him. John mounted and off they flew together.

After an hour or so John wanted to get off but the horse wouldn't stop so he jumped off. While he was falling he wished that he would land in a lake. In a minute or so John hit the water. While he was swimming towards shore, a farmer came out and fined him twenty dollars for swimming in his lake.

So if you ever get two wishes, never wish for a flying horse and a lake.

The End.

STORIES WE LIKE

Hutterite Girl Junior Citizen award winner

Judith won her award for the unique contribution she made in the field of social integration. By word and deed she proved to members of her colony and to non-Hutterites, that it is possible to retain the traditional dress and custom that are integral to your profoundest beliefs, yet become a popular public school student.

In the fall of 1961, Judith had to make a decision. Their colony school had to close. She had no alternative but to attend the large Kate Andrews Senior High School in Coaldale. Could Judith face these students fifteen miles from home — would they accept her in her traditional clothing? She was not worried about her school work for she had always been a good student. Judith with her quiet friendliness and understanding made a real place for herself at Kate Andrews. She modeled clothes she had made and acted as commentator at school fashion shows. She was the stenographer responsible for putting together the school year book. She sang in the school Glee Club. She passed her Grade 12 in one year and obtained a matriculation standing.

JUDITH WALTERS

Judith is now attending Lethbridge Junior College where she is enrolled in Education.

Judith has led the way for other members of her colony to continue their education in public schools. For her great contribution in the cause of social integration, we thank you Judith on behalf of all Albertans.

The Canadian Players will present

Masterpieces of Comedy

Featuring excerpts from the best in English Comedy of the past four centuries

MONDAY, FEB. 25

in the Crescent Valley School Auditorium in Hinton

Reserved seat tickets on sale about February 4 at:

Park-View Stores Ltd., Jasper;
Switzer's Rexall Drug Store, Edson;
King Drug, Switzer's Drug Store and Clark's Men's Wear in Hinton.

The Canadian Players presentation is sponsored in this area by the Kiwanis Club of Hinton

With the Scouts

Scout Calendar

Golden Arrow Training for Patrol Leaders, Thursday, 6.30 p.m. followed by regular meeting at 7.00 p.m. at Boy's Center.

Jr. St. John's Ambulance training: Tuesday, 7.30 p.m. at the Firehall.

Poetry Competition on World Scouting for Scout Week, February 18-23

Due to unforseen circumstances the Father and Son Banquet scheduled for February 21 has been set two days ahead to Feb. 19.

District Meeting, sponsored by the Yellowhead District Council, Boy Scouts of Canada to be held at Hinton's Scout Hall, Saturday, February 23 2:00 to 5:00 p.m. Specially planned for Scout and Cub leaders as well as those interested in Boy Scout movement.

Cub Calendar

"A" Pack meets Monday, 6.30 p.m. — A. H. Dakin School

"B" Pack meets Wednesday, 6.30 p.m — A. H. Dakin School.

With the Cubs

Cub Master Jim Oliver reports that a total of 85 boys are attending the two Pack meetings. Several adults assisted with the instruction at last Monday's Pack meeting. Such assistance helps the Cubs to advance in their program.

Scouts, too, co-operate and thereby receive credits toward a Proficiency Badge, but parent interest and participation is very necessary to Cub activities.

With the Scouts

February theme — "Friends throughout the World".

Scouting was not planned as a universal system of training boys, but the ideas and methods which Baden-Powell brought together proved to have a far wider validity than he imagined Country after country has found that Scouting makes an appeal to boys such as no other way of training has been able to make.

This has been forged another bond of union between peoples. There must inevitably be adjustments of details and of organization to meet national conditions, but Scouting can be recognized as the genuine article, with a common background making friends throughout the world.

Hosner Patrol — Beaver Patrol under the leadership of Ken Davidge.

Duty Patrol — Tiger Patrol under the leadership of Rick Gardener

Harold Wynne invested in Scouting.

Troop Leader Wayne Mallett presented with the 4th year Service Star.

Edson Troop membership stands at 39 as of the end of January.

Alberta Jamboree, June 30 to July 8th - qualification program in full swing

Troop Leaders and Scoutmasters attended a'tut' which is an annual presentation by the 8th Edmonton Rover Crew of which Skipper Wallace is a member. Here the Edson Troop Leaders had a chance to see a Rover Crew in act'n and the tradition connected with it.

Activities planned for February — A correspondence to be made with Scouts of other lands A Church Parade Father and son Banquet. A contribution to be earned for the World Brotherhood Fund — a mass good deed

Haddock Happenings

The many friends and neighbors of Mr and Mrs. C. E. White gathered in their home on Saturday night, Feb 2nd to surprise them on their twenty-fifth wedding anniversary. They were presented with a gift of an easy chair from their children. The guests gave them a cash gift to be used as they see fit. This was a very enjoyable party

Fred Hilsdill is home again after a week in Edson Hospital hope his health continues to improve.

Bill Napier has spent a few days this week with the Harold Haddocks.

Mrs Chester Armstrong is home again from Edmonton with her new son. This is the fifth boy for Chester and Joyce. Just what a farmer needs.

Chester Barrass was unable to come home from the University Hospital at the time his family expected him. He had a slight hemorrhage after the operation on his eye.

Mr and Mrs Boyd White of Fort Saskatchewan were out visiting Mr White's sister Mrs. W. Gordon on February 2nd

Bruna Sebastianelli of our district has been selected by the Hinton Students as their Kinsmyre Queen candidate for grade 11

Mrs. Gunnar Roberts and family spent Sunday with Mr. and Mrs Chester Barrass

Forms Juvenile Sports Club

The Juvenile Hockey Club met Tuesday at the home of Cy Smith and at this meeting the Edson Boys Juvenile Sports Club was formed under the guidance of Mr. Smith. The main idea of this club is to have organized sport for the boys in this age group — not only hockey but other sports as well.

The executive consists of: Eddie Owen, president: Louis Stupar, vice president: Teddy Worton, secretary: Peter Dupre, treasurer Directors of the club: Aldo Gamble, Ted Green, Cliff Bannerath, Mario Marretta, Bob Peet, Alex Eslak, Bob Sandgirsky, Wally Urvaik, and Ken Schrek

A meeting will be held Tuesday, February 12 at Cy Smith's at 7 00 o'clock. At this meeting a constitution will be drawn up, new items discussed, membership limit, etc

You'll be hearing more about it

Edson hoopsters drop 3 to Hinton

The boys' and girls' basketball teams made a trip to Hinton on Saturday where they won one game and lost three. Playing for the first time in Hinton's new gym the boys team won their first game 47-44

It was a thriller and due to an error in timing Edson came out on top as Hinton had them beat at regulation time. Peter Dupre stole the limelight in the last few minutes with two baskets and three free shots.

Top scorers for Edson were McIntyre 13 and Michener 8.

Hinton took second game 60-13.

The Edson girls' team didn't do so well. They lost both games 27 13 and 27-14.

Good sportsmanship was in evidence throughout the day.

The Hinton boys and girls were out to show Edson a good time. They certainly did.

Edson Athletics tie 1, lose 1 to city

Edson Athletics played Edmonton Oriticks last Saturday, February 2, fighting to a 6-6 tie. The big break in this game for Edson was the unerring of a goal in the last period

Edson goal-getters were Gerry Tremayne 3, Dave Asher 2, Joe Lovein and Ed Hilsdill

Edmonton scorers were Panchyn 2, Hamilton 2 Blanchard 1, Smith 1.

Edson played Oriticks again on Sunday, but came out on bottom 4-3.

The first period was scoreless with both teams coming close

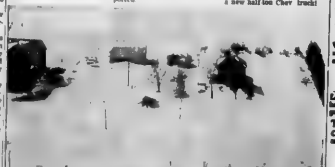
In the second period Wayne Carding scored Edson's first goal assisted by Lou Stupar. Shortly after Ed Rosak came through with one assisted by Wayne Carding Edmonton fought back getting one and ending the second period 2-1 for Edson.

In the 3rd period Edmonton came out in win and got 3 goals to Edson's one, score

City man here for EMO course

Emergency Measures Director D Hodge for the Edson area wishes us to clarify a wrong impression from our story about the radiation course held in Edson recently.

The course itself was directed by B. J McNally of the North Zone Headquarters and not by Mr. Hodge, as we reported



WHEN WORK IS DONE. Canada's farms take on a look of serenity once winter has settled in and the rich black soil of the barren fields has been blanketed with a clean crust of snow. Most farmers find it possible to work at a more leisurely pace, a welcome relief from the hectic days of autumn's harvest.

DANTE'S INFERNO! No, this freak of nature can be seen over any of Canada's larger lakes during a period of chilling temperatures. The eerie mist is caused by cold air passing over warmer water. The water vapour escaping from the lake surface saturates the air and causes fog and heat clouds over the water. This outdoor spectacular occurred on Lake Ontario.

Around Parkland Lodge

Everyone sighs a relief that another rollercoaster January is over and spring is just around the corner. We wonder there are so many bad colds and coughs with such changeable weather. However, the guests and staff have managed to pull through with a minimum of colds.

New guests have been welcomed at the Lodge: J. C. Rastle, Jasper; J. Tomasik, Cooleper; J. Kappan and Chris Tafa, Mercoal; A. George of Peers. Mr E. McDonald has returned to the field from Jasper.

A couple of birthdays were celebrated in the usual way on January. Mr. E. J. Dahlin and Mr. J. Graham passed another milestone.

The Edmonton Reformed Church showed a film that was enjoyed by all and Mr. G. Knutsson sponsored by the Lions Club showed a film which was also enjoyed by the guests.

The Evening Branch of the Anglican WA held a whist party and quite a few turned out despite the inclement temperatures. Everyone had a nice evening and lunch was served.

Everyone is welcome to pay us a visit whether you know anyone or not. The guests are always interested in a chat or a game of cards.

Out Trail Way

There were four tables in the community whist drive on Saturday, February 2. Ladies first went to Kay Rosin, second to Berta Prodge. Gents first was won by Roland Pemberton, and second by Viggo Rasmus.

Mrs. Johnny Hackett has her grandson staying with her while Mrs. Forrest Osborn is in hospital Hope you are soon better, Janet.

Mrs. W. Langhans and family of Edmonton weekend at the Olsen home

See the Jens Olsens driving a new half-ton Chev truck!

Wedding Invitations

Thermo-engraved (RAISED LETTERING)

Wedding and engagement announcements, birth announcements, confirmation invitations, golden and silver anniversary announcements.

Thermo-engraving

Cards and fads like the finest hand engraving. The letters have an elevation and individuality only the finest hand engraving can match.

Thermo-engraving (GLOSS LETTERING)

Can be used as much as hand engraving, because it simulates the expensive hand engraved printing on stationery.

Of course you can order complimentary visiting cards, invitations, announcements, thank you and at home cards, etc. Select from our great variety of fashionable correct papers. If desirable, order your printing, Weddings printed as low as $9 for 50-$6.50 and 100 for $13.50, complete with double envelopes and linings.

SUSANA JOSE Spanish Flamenco dancers who will appear in the Crescent Valley School in Hinton on Thursday, February 14 at 8:15 p.m. The concert is only for holders of Overture Concert Association membership cards.

Overture members to see Spanish group

Rave notices from newspapers all over Europe and North America testify to the brilliant performances of Susana and Jose that Hinton, Edson and Jasper members of Overture Concert Association will be able to see next Thursday, February 14. The perfect size company is comprised of dancers Susana Andeond and Jose Udaeta, flamenco guitarist Pedro Sevilla, flamenco singer Norandjo De Triana and pianist Armin Janssen. Using simple but expressive sets and aided by magic lighting effects the program presents a group of artfully devised dramatic dance vignettes, which encompass all aspects of Spanish Culture from ancient flamenco and Spanish folkdances to the great classics of Spanish history and legend.

Susana and Jose are unanimously regarded by critics of the dance as the world's best Spanish Dance team. Because of their true artistic skill, insight, and furious devotion, they are capable of creating artful, charming and exhilarating programs that are completely electrify and bewitch audiences where ever they appear, not to mention the "stamping of feet" and the great roar of "Ole" that each performance elicits. Jose is undoubtedly the best executor of Zapateado in the world and in every way their program leaves the audience literally on their feet at the end of the evening.

No doubt North American audiences will again give the ancient cry of approval to this brilliant company with a wholehearted "Ole!" before SUSANA JOSE have departed.

What are flamenco dances? The ancient elements of flamenco dances were brought from India via Africa to Andalusia by gypsies. Under the influence of the Andalusian popular art, these dances developed in the time and taverns until they reached their heyday towards the close of the 18th century They are accompanied by a guitar and often with singing. It is from the singing that the Moorish and Arabic origin can best be recognized.

HATTONFORD NEWS

Congratulations to Mr. and Mrs. M Kondruk of Niton Jct. at the arrival of a son Born Jan 16 in Edmonton

Each weekend we are treated with one nice day, then such wre weather with snow and wind is the trend on that it is still winter.

Gravel trucks are busy work piling gravel on the Niton road pit ready for spring re gravelling

The Grades 7 and 8 students at Niton Central, enjoyed a social evening last Friday evening Mrs. Hound and Miss Herbert as chaperones made the evening a success with a program of skating and dancing also lunch All report a really nice time

Thursday, February 7, 1963 — EDSON LEADER — 15

GREEN ACRES

By R. C. Lowe
District Agriculturist

HOG BARN VENTILATION

It is an accepted fact that various non-specific serious ailments and general "poor doing" is usually associated with damp clammy hog barns Severe set-backs due to bad; irritations, congestion, pleurisy, pneumonia and mange often result in heavy losses, especially in suckling and weanling pigs

Mature pigs eliminate about two gallons of liquid in 24 hours which can cause the air to become heavily loaded with vaporized ammonia This in turn adds a great overload to the ventilating system.

However, damp conditions and this overload on the ventilating system can easily be overcome Installing a well protected roof, propane or oil heater will keep the barn dry and will also help the ventilating system to operate more efficiently. The stove should be put in the north, northwest or west end of the barn. It must be fire-proofed and fenced off from the rest of the barn

An ordinary fan, which is separated from the one used for ventilation, can be used to circulate the warm air within the building. This circulating fan should be arranged to direct the warm air in the cool rest place in the building.

HOG PRODUCTION COSTS

"Hog Production Costs in Alberta 1961 - 62" is the title of a revised study of this subject by A.J. Charnetski, Live Stock Supervisor with the Alberta Department of Agriculture Hog producers in this province can use these reports, which are obtained from district agriculturists and the Extension Service, for estimating their own approximate net profit during the same period.

Changes in price of feed grains, building materials, equipment as well as mechanical advancements in hog feeding and management make a periodic revision of the study necessary Originally the famous were patterned on an actual 43 brood sow unit which was operated for the production and sale of weanling pigs

After taking into consideration costs for labour, feed, bedding, interest on investment, depreciation on building and equipment, medicine and miscellaneous items, $11.37 was the approximate average cost per weaner pig of the 620 produced in a year

Production costs of these weaner pigs from birth to market weight was estimated at $20.22 each This was derived from production costs per weaner pig, plus feed expenses, labour, pig losses and other incidentals

Return from the 600 market pigs, based on 1961 average prices at Edmonton plus $2.00 government bonuses on grade A's with 25 per cent grading A 55 per cent B and not over 10 per cent C were $5.88

FACTS FOR FARMERS

"The Alberta Farm Economist," a market outlook letter designed especially for Alberta farmers is now available from our office in Stony Plain. The new publication gives a general economic outlook and market prospects for individual farm products

BY BEN

I hat sora feeling is getting awful. Can't even concentrate on my school work let alone the girls. Can't think of what I'm going to tell my parents when these reports come out this weekend. Any one got any new excuses. My Mom doesn't believe me anymore.

☆

Made the trip to Hinton Saturday to play basketball. We won one, lost one. What a game. It's out of this world. Don't blame Mr. Bajenda for being so funny about it. Any one who has ever seen it would be too.

☆

Our Midget Hockey team plays Hinton on Saturday at 3 o'clock here in Edson. I don't think they've lost a game yet. They would like to see all their parents at the game. How about it Moms and Pops?

☆

Should have seen that boy Peter Dupre come across with the goods during the basketball game with Hinton. Just spectacular.

☆

Hear Mitch is out to make a million. He found a pearl in an oyster.. Four oysters —ot poor mother. Mitch will probably want to eat them every day.

☆

Couldn't get my write up for the Juvenile Hockey game against Hinton last Friday. Another aspiring sports writer got the score sheet first and when he was finished with it thoughtfully threw it away. Thanks a lot pal!

☆

Heard R. J. was playing side-and go-sock in the closet during French class a few day ago. Fun in games, eh Ken?

☆

Sec Connie Erickson handing out tickets left and right for the last few days. Gotta be evidently the Queen Candidate from the Edson High School Good luck, Con. We're right behind you.

☆

I guess the girls team isn't loud enough yet. Why don't we bring in a few girls from the Jr. High to play? It might help us out. Maybe then we'll win something.

☆

Ah yes, school spirit. That's what we need at our classes to make things a success. A poor showing last Friday. Might have been 20 kids there

☆

There Hinton boys must be a bad influence, hey Jacquie? Oh yes, Joyce was in there too

☆

The Jr. High sweaters are very eye-catching. Black on gold. They look pretty nice.

☆

A few MINOR CASUALTIES at the game Saturday. Not too serious though; a sore knee, a sprained hand, and a big head. Still can't figure out what happened to one of our cheerleaders Jerling one of their performances though . . . something about a pin popping during a cartwheel (J.E.)

☆

Hinton would sure like to see some of the tests from here go to their Valentine dance on the 15th. (I think.)

☆

The Edson Juvenites have organized a club under the name of The Boys Juvenile Sports Club. Good luck Jo ronnies.

☆

The players and spectators who went to Hinton last Saturday wish to thank Dr. Salberg for chaperoning them. Hope you come again, Doc.

☆

Sure like that new Hillman of Danny Lesiuk's — Boy, Oh Boy!

FUA Highlights

Tuesday's meeting of the F.U.A. Local 348 was conducted by President Mr. A. Bergeron. Secretary Mrs. George Cooper and treasurer Mrs. H. Walley were in attendance.

Many pleasant discussions were carried on and subjects that were of benefit to many people were clarified. The committees have been active and the March 5th meeting promises to be very enjoyable too.

FUA President Ed Nelson will be a guest speaker as soon as an evening can be arranged.

There are still a few farmers who have not paid their dues to the FUA. They are like the bachelor who eats and gets his washing done at his married neighbour's.

CARD OF THANKS

"Thank You" to all my friends in the Employment Office, the Weather Office and Mr. A. Renkema, for the beautiful clock given me on my retirement. I will always remember you all.

Thanks
A. Rasmussen

C.W.L. WHIST

High score for week ending February 2 was Mrs. Jos Fuhl and Mrs. C. Peel with 140 points.

RUNNERS-UP IN THE MASONIC-K.C. spiel held two weekends ago look fairly pleased with themselves as they stand left to right with Skip Maurey Wigelsworth, Jim Newsham, third, Peter Serafish, second and Jack Mathieson, lead.

N.E.S.... and YOU

[The following job opportunities are listed by the National Employment Office in Edson, and is presented in the public interest by this newspaper.]

Not too many years ago Canada was a pioneer country. Young, active people developed the frontier while the aged had but little value in such a community. Today our life expectancy is more extended and mature workers in the 40, 50 and 60 plus age groups are recognized to be just as capable as younger people. Your National Employment Service is happy to report a steadily growing recognition by management of the employment values of the older workers.

Age is no criterion of efficiency. The older worker offers the employer a number of prime virtues — stability, desire, responsibility, concentration and experience. These features pay off. In terms of hard cash, the hiring or retention of qualified older workers in an organization, is a practical and wise investment.

Your National Employment Office will be glad to discuss this matter with you. Remember we 'are concerned only with applicants who have the qualifications you need and who are physically and mentally fit to meet your specific job requirements

DROSTAN NEWS

There were only eleven turned out for the meeting at Drostan Hall on Thursday evening. It was decided to call another meeting for February 22 to elect the officers for 1963.

There will be a dance in the Drostan Hall this Friday, February 8th.

Mr. and Mrs. Sigurd Foss, Edmonton visitors on Thursday.

Mrs E. Maurer, Ervin and Georgie came out to help celebrate her mother's 79th birthday, also Mrs. A. Hauhi.

Mrs. E. Riis was 72 years young, not 76 as it said in last week's Leader.

The next whist drive in the Drostan Hall will be held on Saturday, February 16 at 9 p.m.

Congratulations to Mr. and Mrs. A. Hauhi on the birth of another daughter on Monday morning in St. John's Hospital.

MARLBORO NEWS

Danny Lee is spending a month's leave at home from his Air Force station in Ontario.

Mr. Arthur Cook and Mrs. Violet Desjarlais went to Calgary to see Norman before he left for service in a foreign station

Mr and Mrs. Ted Sharrs were home from B.C. at the weekend for a visit with Margaret's parents, the Pat Desjarlais'.

The Marlboro post office now has new closing hours. They have mail coming in everyday but Sunday and mail now closes at 5 o'clock instead of 6. All outgoing mail must be before 5 o'clock goes out that evening.

Hattonford W.I. elects officers

The regular and annual meeting of the W.I. was held jointly on January 21st at the home of Mrs. L. Candlet.

Six members and two visitors were present.

A letter from Mrs. Wild, the constituency convenor was read, and we hope to have her visit us on one of our meetings in the near future, when weather conditions are more favorable The financial statement for 1962 was read.

New officers for 1963 are as follows. Mrs. Wiseman, president; Mrs. L. Candlet, secretary treasurer; Mrs. J. Candlet, vice president. Standing committee are: Mrs. Wigley, home economics; Mrs. Christensen, health; Mrs. Furd, social service; Mrs. L. Candlet, education; Mrs. J. Candlet, United Nations; Mrs. H. Lawton, agriculture; Mrs. B. Wiseman, handicraft.

The doll that was outfitted by Mrs. F. Wiseman and Mrs. J. Candlet was raffled and won by Mrs. L. Candlet. Proceeds were used to help pay for Christmas treats at the Dec. 22nd Christmas party.

Hostess prize was won by Mrs. Lawton. The afternoon was closed by the hostess serving a delicious lunch.

"I've lived here a long time. I know all the storekeepers, and I know I can count on them for good service and fair dealing. They are my friends, and many the time I've relied on their advice in making a purchase. You just don't get that kind of service out of town.

"Another thing: I've watched this town grow over the years, and I know what the local businessmen have done to push the town ahead. I reckon it's up to us shoppers to support them, and help our town to grow".

Grits and Tories plan nominations

Nominating conventions have been called by the Liberals and Conservatives for the next two weeks. The Liberals are calling theirs for Wednesday, Feb. 20, at 1:30 p.m. in the Morinville Town Hall.

The Conservatives have picked Evansburg Memorial Hall as the site of their meeting on Tuesday, Feb. 26 at 8 p.m.

The Social Credit party have already nominated N. P. Smith of Hinton at a convention held last fall. Mr. Smith has started a meet-the-people campaign and has been speaking wherever possible at such points as Whitecourt this week.

There is no word at press current about who the Liberal party will choose to carry banner, but no one seems definitely to have announced his candidacy. Jack Shipitalni of Rochfort Bridge ran as the Liberal chance last spring.

It would seem a foregone conclusion that the Jasper-Edson Conservatives will again welcome the chance to nominate Dr. Hugh Horner.

There is no word at present time from the New Democratic party, but sportsmen we have talked to say they feel certain a convention will be called and a candidate nominated to contest the Jasper-Edson seat. Jim Coffey of Rocky Ridge was the candidate in the last election.

Considerable speculation is

Council discuss tourist reception centre site

Plans and proposals for a proposed tourist reception centre just north of the east crossing on Highway 16 were given a thorough discussion at the meeting of Edson Council held Tuesday, Feb. 5.

The proposal envisions a main building with tourist information, toilet facilities and other amenities the travelling public appreciate. Aimed principally at the camping family there would be picnic grounds and attractive landscaping to make the project something of which Edson could be proud.

The idea has been given considerable discussion in Edson Chamber of Commerce circles and some help from the business community, the senior governments and other sources is expected to help the project along. Council have approved filling of the depression in Lot 8, Block 1, in preparation for implementing the facility.

Present were Mayor W. R. Brunelle and Councillors: M. E. Collin, A. Goddaick, W. F. Kertzman, M. D. Meade, J. Scott and P. W. Wells.

Mayor Brunelle read Municipal inspector's Report which was discussed, item for item, and ordered tabled for reading at the Annual Meeting of Electors.

Councillor Scott was named Deputy Mayor until the first regular meeting in May.

Recommendations Recreation Board and the several applications for employment, with regard to pool was brought to attention of Council and it was agreed matter of staffing of pool should be dealt with in March

Letter from Minister of Health acknowledged submission of Council with regard to Medical Officer of Health was placed before Council.

The matter of Provincial Board of Health Regulations governing trailer coach parks was discussed by Council and Secretary instructed to obtain copies for Council

Councillor Collin moved that the Secretary be directed to publish a required series of notices, and to circulate a letter with water bills, designed to acquaint residents with the provisions of Garbage By-law No. 777 requiring the use of

Jasper-Edson MP makes statement on mis-coup

In a statement to the Edmonton Journal this week Jasper-Edson's Member of Parliament, Dr. Hugh Horner, told the paper that Trade Minister Hees resigned from the cabinet because he failed in an attempt to unseat Prime Minister Diefenbaker and take over the party.

Confirming reports of what went on from other Western MP's, Dr. Horner said there had been a strong attempt by Toronto financiers to have the Prime Minister deposed and Mr. Hees was being used for the purpose.

It will be recalled that the Prime Minister was strongly backed by "backbenchers" in quelling the revolt by Mr. Hees and other cabinet ministers. "The eastern industrialists are not happy that much of the control of Parliament lies in the hands of westerners and that the Prime Minister is a westerner," Dr. Horner told the newspaper in his interview.

"There may be one or two more resignations," Dr. Horner said, "This was a power coup. When it failed, those supporting it found it embarrassing to remain."

Dr. Horner said that Prime Minister Diefenbaker had solid backbencher support in Harkness are known to some of the voters in Jasper-Edson as the latter spoke here during the election last spring and Mr. Hees participated in the Edson Rodeo two years ago.

the party caucus which followed the dissolution of Parliament last week. Resignations have, it will be remited, been made by Cabinet officers, George Hees and Douglas Harkness, as well as Assistant Defence Minister Bevigny. Both Mr. Hees and Mr.

DR. HUGH HORNER
makes statement

TO STAND FOR RE-ELECTION

As we go to press Dr. Horner has announced that he will again stand for re-election and will allow his name to go before the Conservative nominating convention called for Tuesday evening, Feb. 26, at the Evansmeld Hall, Evansburg.

Dr. Horner has represented Jasper-Edson for the two previous terms as a government member.

Annual meeting fourth Monday

The Fourth Monday in February is coming up and all Edson ratepayers are again reminded of the annual meeting scheduled for that date.

Matters of concern to all Edsonites will be on the agenda as well as reports from the various Council committee chairmen on Town activities.

The date is Monday, Feb. 25, at the Legion Hall, at 8 p.m.

Present Arena structurally good architect tells Council

Edson's present Arena has been termed "structurally good" by a team of architects and engineers from Edmonton and the town council has been advised that renovating the present building and installing artificial ice would mean a saving of around $180,000 as compared to a new arena.

The architect's findings have borne out recommendations of the town's Recreation Board as expressed in a recent letter to Council. Tuesday night, members of the Town Council met with the Recreation Board and representatives from the various service organizations in town to hear a report by architect David M. McLeod and his engineer, Karel Puffer.

After a thorough discussion, it was decided to have the architects draw up preliminary plans to be submitted to Council. It was suggested that renovations and installation of artifical ice could be done in three stages, under the winter works program

Engineer Karel Puffer suggested that better dressing room facilities be built first and that artificial ice be installed in the second stage. Better seating facilities could be provided by extending the east end of the rink some 24 to 30 feet. Under the proposed plan, seating capacity would be provided for 1,200 people at the east end of the rink and the south end might be used as well

More concession space would be available and the rink would be heated. Installation of a special concrete floor would be included in

The Adams honored on 25th

Mr. and Mrs. Bob Adams were honored at the home of Mr. and Mrs. George Gourley on Wednesday, February 13 on the occasion of their 25th Wedding Anniversary when friends and neighbors gathered to help celebrate.

The wonderful party which was held as an "open house" was instigated by Mrs. G. Gourley, Mrs. Marie Grant and Mrs. P. O'Hara. A beautiful refreshment table was laid centred by a cake made and decorated by Mrs. Ruth Lepkie, who is Mrs. Adam's sister.

At couples came by to extend the couple their good wishes and during the evening Mr. and Mrs. Bob Adams were presented with a chrome trimmed wall clock and a chrome serving tray and purse.

Flowers and a very large received from the couple's married children who live out of town.

Cubs AND Scouts

Cub Calendar

'A' Pack meets Monday, 6:30 p.m. at the A.H. Dahlin School

'B' Pack meets Wednesday, 6:30 p.m. at the A.H. Dahlin School

Scout Calendar

Golden Arrow Training (Part 2)' for Patrol Leaders, Thursday 6:30 p.m. followed by regular meeting at 7:00 p.m. at Optimist Boy's Center.

Jr. St. John's Ambulance Training, Tuesday, 7:30 p.m. at the Firehall.

Father and Son Banquet has been set ahead to Feb 19.

Mass Church Parade will be held Sunday, February 24th.

Each Scout will be asked to donate a minimum of 25 cents so that the Edson Troop can make a cash donation towards the World Brotherhood Scout Fund. This fund is to assist Scouts in underprivileged lands.

As a mass good deed, Edson Boy Scouts will be cleaning the sidewalks for those Edson residents who find it a hardship to do so.

Boy Scout Week — Feb 17-24.

Something during this week, according to tradition and in memory of their founder Lord Baden-Powell, Boy Scouts will raise their hands, and rededicated themselves to the Scout Promise —

"On my honor, I promise to do my best to do my duty to God"

Throughout our history the leaders of our country have been men with deep religious convictions. These men have had many things in common, among them, human kindness, an earnest desire to work with God in helping to make a better world and a love of the outdoors.

In obeying the Scout Law, you serve God, your country and your fellow man, also. As a Scout, living in close contact with nature you get to know God's world more intimately. When you use your eyes to observe His creation and your mind to try to understand what you see, you will discover newness in everything around you. It does not take a great intellect; but it does take faith.

The kind of man you are will depend on your ability to know your duty and to do your utmost to live up to your obligations.

World Scouting Poster Competition now complete. Judging will be done at the next group committee meeting and posters will be displayed the Boy Scout Week.

Several major Scouting awards earned by the boys will be presented at the Father and Son Banquet. Campfire skits, stunts, songs, etc., are being rehearsed for this occasion.

Grant Schultz and Kenneth Kemlyside invested.

Troop Leader Clifford Hancock promoted with a 6 year Service Star.

Patrol Leader Robert Oliver and 2nd Class Scout Allen Hancock promoted with 2 year Service Stars.

Tests for 2nd Class Scoutship and sending away held at the Troop Camp grounds, Saturday, February 9th.

World Friendship Proficiency Badge may be earned through correspondence with Scouts of other lands. This contact is arranged through the World Scout Bureau.

We have been accused recently of refusing a boy membership in the Edson Boy Scouts. Any boy between the ages of 11½ and 16 years is welcome to join the Troop. We wish to point out that we cannot refuse a boy membership in this organization for any reason. Scouting is designed to teach citizenship and if we refused such membership, we should not be upholding by the Policy, Organization and Rules of Scouting.

Let long-handled dustpan and broom stand and ease the cleaning of floors. Work simplification is not just a phrase used in industry, be brilliantly applied, then this may be the means of making life easier and more pleasant for every housewife or as well as of particular value to those whose work is limited by some form of heart disease.

"Masterpieces" called first class showcase

The Canadian Players presentation "Masterpieces of Comedy" which Hinton, Jasper and Edson residents will be privileged to see on Monday, February 25 received these comments from Brenda Hamilton of the Edmonton Town Crier after attending the performance in that city:

"A first-class showcase for the four accomplished players who form this year's company. Andrew Allan has created a living anthology of stage humor over the last four centuries. Designer-Director David Gardner has mounted the production and ingeniously and attractively. Susanne Mess has supplied the ladies with simple floor-length gowns, adaptable to all periods with the addition of collars, cuffs, shawls, cloaks and panels.

"Of the four players Miss Hall and Mr. Christmas have the best time reproducing through a score of juicy character roles. Miss Hyland adds delicate charm and vital warmth to the proceedings and Mr. Hall, although much less comfortable amid the satiric activities supplies all the necessary elegance."

William Hutt is a young Canadian actor who has won an enviable international reputation for himself. This has not only been due to the leading roles he has played at the Stratford Shakespearean Festival but for many other starring roles both in Canada and Great Britain.

During the 1961-62 season he starred in the Canadian Players production of King Lear which won notices in Time, Life and Vogue. His role of Mendip in The Lady's Not for Burning on the same tour also won high critical praise across the United States and in Canada.

Mr. Hutt has played starring roles in the Ontario Stratford Festival since its inception (1953) and won Dora Awards for himself during the past season there as Prospero and The Tempest.

Born in Toronto, he was assistant manager and leading man with the famed Repertory Theatre, Ottawa, for a season during his teen years. He directed Hilda Brown's group throughout Ontario for several years, and also actively raised for the Western Ontario Drama League.

He played a great deal of summer stock before joining the Stratford company.

His experience with Canadian Players in leading roles has been nearly varied, they be cameo Macbeth (1956-57) and Hamlet (1960-61).

He has made frequent appearances in leading roles on CBC-TV, and on ABC-TV in Great Britain.

He starred at the Bristol Old Vic in Eugene O'Neill's Long Day's Journey Into Night playing James Tyrone. He has also starred n several of London's West End productions and toured the United States for a short time last year with Noel Coward's Sail Away, which he left to tour with the Canadian Players as Sir Toby Belch, a role he had long coveted.

Most recently he has won a fine press in Manitoba for his leading role in Rosa's Enemy of the People at the Manitoba Theatre Centre, Winnipeg.

ALLAN BLYE, young Canadian singer, is now heard on his own radio show, Blye and the Boys. The Paul Gramer Quartet are "the Boys" and the show is heard each Friday on the CBC radio network.

M-M-M-M But Good

Brussels sprouts are an excellent vegetable choice in winter. So they will retain their naturally delicate flavor and vivid color, as well as prime food values, they should be cooked quickly in just a small amount of boiling salted water. Peatch Fried Brussels Sprouts are an unusual way of adding interest to the winter menu. Cook the Brussels sprouts until they're barely tender; drain well. Dust them in flour seasoned with salt, pepper and nutmeg, then in lightly beaten egg. Then roll them in fine dry bread crumbs until thoroughly coated. Fry in hot deep fat until golden brown. Serve very hot.

Newspaper still best medium

According to a McCann-Erickson Inc. study prepared for Printer's Ink, 1961's final figures showed a drop of 0.7 per cent from 1960 to $11,965,000,000 in total U.S. advertising expenditures. Newspapers took the biggest share.

Of all the money invested in advertising last year, 30.6 per cent went into newspapers. Direct mail received 13.3 per cent. TV accounted for 12.5 per cent. Magazines received 7.8 per cent, radio 5.9 per cent, business papers 4.9 per cent, outdoor 1.5 per cent; regional farm publications 0.3 per cent; miscellaneous 19.6 per cent.

Total ad volume in 1962 is expected to drop $12 billion for the first time — 4.4 per cent more than in 1961. National advertisers' total investments are expected to reach $7.5 billion, for a gain of 3 per cent. Local advertising volume is expected to reach $4.5 billion, up 6 per cent over 1961.

EDITORIAL PAGE

OUR ELECTION POLICY

In the coming election campaign this newspaper, as it has in the past elections, offers its news columns to all parties for legitimate news of all kinds. This editorial returns is the only place that an opinion attributed to what this editor thinks will appear.

News of election activities, will be treated on their merits as news of interest to our readers. Inevitably in every election some parties make more news than their competitors. Our news columns will reflect this activity but it will not mean that in the news sense we are favoring one party or the other.

We have limited staff and we would ask all party organizations to appoint a press officer who will see that we get stories of interest pertaining to election activities in the area. We will not be able to attend in person more than the bigger rallies where important out-of-town speakers are present.

It is essential, in our view, that the people of this district know the issues and the alternatives. We will do our best to present them in an unbiased manner as a good newspaper should. We also firmly believe that every citizen should have an opinion in a democracy such as ours. This editor has an opinion and as the weeks roll on we will be expressing it.

Our editorial opinion is our own. We have formed it through many years of watching the antics of our political office seekers. We don't claim it is the best, but it is one that has been honestly arrived at after careful consideration. This we do promise — our opinion will stay right where it belongs — on the editorial page of this newspaper.

THE VOTER MUST DECIDE

So now it's up to the voter. Is Canada going to get a government with a working majority or are the two major political parties in Canada going to be so weak that either one of them must go to bed with one or both of the two splinter parties or go down to defeat.

Minority government can be good government if obstruction and jockeying for political advantage do not interfere with what is good for Canada. There are democratic governments in Europe (not counting France) which have always been in a minority position but, because the essential legislation is enacted through compromise, the business of the country is carried on. At the disshilliton of Canada's Parliament there were 31 bills on the order paper awaiting agreement on their passage. The Conservatives say they were obstructed, the opposition say they were not. But one thing seems clear there were always conditions attached to one of the parties going along with the minority government.

As the campaign gets into stride the intelligent voter will assess the claims and counter claims and must come up with the answer. Democratic freedom depends on the average citizen to pick one candidate or another on a constituency by constituency basis. Barring some issue that might influence voters from one end of Canada to other, there does not seem to be any great issue that one party favors and another doesn't.

All the party leaders have disavowed they are not going to make an issue of the Yanks mixing more than necessary in our affairs Most seem to agree that the nuclear arms question is one that should not be decided by the man in the street. It is a complicated question that changes from day to day as international tensions build up and recede. It is one on which no one can say this or that weapon should be used because technological advance makes today's terrible weapon obsolete by invention in a short while.

All Canadians, and probably all parties, agree that our country must be influenced by actions of our neighboring countries as modern communication makes us more interdependent than ever in the world's history. Surely it would be foolish to come out for nuclear arms against one of our neighbors and provided by another at a time when Canada is spearheading disarmament talks.

But still the voter, when he goes into his closest polling booth, is not directly voting for one or the other of the political leaders — he is voting for a man from his own area. A man he should have had time to size up. A man who should be able to pretty well say and act in and out of the House of Commons the way the majority of citizens in the voter's constituency want him to. The voters of Jasper-Edson should carefully follow the campaign in this constituency and pick the best possible representative.

Elections are won and lost on a constituency level.

Letter to the Editor

Sir:

It would appear that your heading on last week's account of our New Party meeting 'NDP to sponsor Juvenile Delinquency Forum,' has created a mistaken impression that the public meeting would be of a political nature. Nothing, of course, could be further from the truth.

Members of our group have been giving considerable study to Canada's Juvenile Delinquency problem and it was our feeling that a matter as grave as this should be kept out of politics completely. It was our feeling that any resolutions or future resolutions made to the federal and provincial governments, should be done through co-operative effort, not as party members, but as interested citizens.

There are many dedicated people in each of our political parties who are actively interested in the problems of juvenile delinquency. All of us, I am sure, want to become better informed. We want to know why juvenile delinquency is steadily increasing across Canada, what the reason is and what we, as private citizens, can do to cooperate with law and social agencies in coping with the problem.

Through the medium of a Public Forum, addressed by men who are actively associated with all phases of the juvenile delinquency problem, it was felt the public could become better informed. I would like to point out that, before any arrangements were made to hold the Forum, leaders of the other 3 political parties in this town were approached and asked if their people would be interested in participating in the Forum.

It was the unanimous feeling that juvenile delinquency was a matter of deep concern to all people of Christian conscience and politics had no place in efforts to deal with it. It was hoped that after the panel discussion, concrete recommendations could be drawn up by a Citizen's committee at the meeting, for submission to the senior and provincial governments.

Letters of invitation to attend the Forum have been sent out to interested organizations in Edson, such as the Home and School and the service groups. When we attend the Forum, we shall be doing so, not as supporters of any political party, but as private citizens concerned about the part we can play in helping to solve Canada's juvenile delinquency problems.

Sincerely,
Mary Walker

Joke of the Week

"I just asked you to pose for me. I never said anything about painting you."

Edson Niton win one - lose one

In a semi-final tournament Ken with 4 points, Barry 4, held in the Edson High gym on February 8th, the Edson boy's basketball team defeated Niton by a score of 63-14. The Edson girl's team lost their game by a score of 20-11.

The Edson boys chalked up 21 points to Niton's one in the first quarter; held Niton scoreless in the second quarter while adding 16 more points to their own score. The third quarter was much of the same with a score of 26 to 6. In the last quarter Niton recovered Edson 3-3 making a total of 63-14 in favor of Edson.

Edson had it finely against them compared to Niton 16.

Richener and Klein of Edson led the scoring with 14 points followed by Wertou 11, Stagar 10, Chapman 4, Kopra and Dupree 3 each, Gamble 2, and Green 1. Niton's marksmen

Canadian singer Gordie Tapp has a busy season ahead. He's back for another year on the Friday night TV show, Country Canadian, and he hosts Tuesday, and Thursday, on the CBC Radio network program What's On Tape.

CAPITOL REPORT

PROVINCIAL POLITICAL POT AT THE BOIL

BY JOHN WARREN

EDMONTON — For the public and press alike in Alberta the political pot has come to a boil. For weeks people had been wondering out loud when the federal parliament might be dissolved and an election called. It happened last week and the election scheduled for April 8 will keep federal politics near the centre of the Canadian stage for the next two months.

But for Albertans the federal campaign will be running full blast while their own legislature is in session and a provincial election lies just around the corner, likely in June. It's going to be a busy few months for the politicians.

And while the federal election can't be a complete surprise to anyone it's going to make the task of preparing a provincial program and campaign much harder for Alberta's opposition parties. Social Credit already has named about a dozen candidates for federal seats and has an organization of long standing and proven effectiveness to work with. Conducting a provincial election campaign on top of that will be an additional burden but certainly not an insurmountable one, especially when one realizes most of the Social contestants are already MLA's.

For the other parties, however, campaign reserves are still sadly depleted from last June's federal election. It is unlikely the Liberals, Conservatives or New Democratic Party will have as much money to spend in backing candidates for Ottawa seats as they did last year.

On top of that they will have to find candidates to run in Alberta's 23 new provincial constituencies, will have to raise money to run their campaigns, will have to polish up platforms during the legislative session and will have to get these platforms before the people.

Mr. Manning probably isn't too worried about his chances of handing the next government of Alberta. All the provincial leaders except Conservative Milt Harradence expressed relief that the uneasy parliament in Ottawa had ended. And Mr. Harradence said the better chance of winning the federal election haven't increased.

After a silence of about a month Mr. Hooker got back into the thick of things last week, however. Speaking in Jasper Place at a nominating convention which named 69-year-old geologist E. C. Campbell to carry the Liberal banner in the next provincial election Mr. Hooker called for an inquiry to determine the cost of government and to eliminate duplication.

He said Alberta municipalities pay more for debt retirement than municipalities in any other part of Canada. The figure comes to 24.5 per cent of total municipal expenditure, he said.

The Liberal leader also asked why Alberta's educational system should be the target of so much criticism and still require the highest expenditure per capita of any province in Canada. $87.79 per person annually. He referred to a recent report on the provincial government by the Alberta Bar Association. "It has exposed the continual removal of democratic rights here over the past 15 years," he said.

Mr. Hooker said the constituencies of Alberta cabinet ministers have received preferred government treatment compared with other areas. "There would be many an unhappy Alberta government backbencher today if he were to carefully compare the services extended to his constituency with those given to some of the rural constituencies that are represented by cabinet ministers," he said.

☆

The Alberta Safety Council's latest monthly report shows Alberta passed the worst accident record in its history during 1962. Albertans averaged 79 accidents a day.

The accident total for the year was 28,880, an increase of eight per cent over 1961. The injury total also rose eight per cent, jumping to 7,198.

There were 366 deaths from traffic accidents, the third highest figure ever recorded in the province. In 1960 the toll reached 210 and in 1959 it was 366.

"It was generally a blank year," said council manager Paul Lawrence. "But some encouragement can be taken in the decline of the death toll from previous heights despite increased vehicle registration."

He said the greatest number of accidents occurred among persons in their late teens and early 20's.

Adoptive houses for Metis urgently needed

The urgent need of adoptive homes for Metis Roman Catholic children and family groups, both Protestant and Roman Catholic was stressed by Mr. A. G. Freemefld, Deputy Superintendent of Child Welfare, speaking at the February meeting of St. John's Hospital Auxiliary.

Many people are somewhat reluctant where the adoption of a Metis child is suggested to them. However, Mr. Freemefld went on to say that once they see the children or see pictures of them, they realize how attractive they are, and how they would fit into any home.

In discussing the adoption of family groups he emphasized the increasing need for homes that will accept from two to five members of a family group. Many children have close ties to their brothers and sisters and therefore the Child Welfare Branch is reluctant to break up these ties unless it is absolutely necessary.

The Deputy Superintendent also stated that the Child Welfare Branch will be launching an advertising campaign by newspaper, T.V. and radio which they hope will inform every citizen in Alberta about the many children in Alberta who are in need of adoptive homes.

Some people, who would make excellent adoptive parents, are reluctant to submit their applications because they have been misinformed about adoption qualifications. There are people who have heard that they have to own their own home or have an above average income before they can be considered for for adoption. This is not the case at all. Prospective adoptive parents who have an average income should be encouraged to submit their applications whether or not they own their own home.

Some people think that just because they have natural children of their own they do not qualify for adoption. Mr. Freemefld emphasized that this is certainly not true, by giving an example of a professional person and his wife who have five natural children of their own, have adopted five and now have applied to adopt a part Indian and Chinese child who is a half brother of one of the other children they had previously adopted.

In closing his talk, Mr. Freemefld suggested that anyone interested in adoption should drop in at the Regional Office of the Dept. of Public Welfare in the Provincial Building at Edson and see either Mr. C. M. Henderson, the Supervisor, or Mr. H. Vander Pol, a social worker, who would be most happy to discuss with them, adoption procedures in Alberta.

CARD OF THANKS

We wish to thank all the wonderful people who have helped us since our fire disaster Special thanks to the Red Cross and to Mr. and Mrs. Bruce Baily

Huddock Happenings

We soldiers who have always considered the Model T. the last word in car construction because we could keep it running with bits of string, baling wire and chewing gum, must take a second look at modern cars. According to visitors of ours last week, as they were cruising down Highway 16 they stopped to help a motorist with motor trouble. Their contribution: a nylon pull cord from a child's pants, but the motorist thought hopefully on his way to the nearest service station.

We are sorry to report that Wilson Gordon is under the weather again. He was taken to Edson hospital the beginning of the week.

Miss Grace Finlay is a patient in Edson hospital also. A speedy recovery to both of them.

Rogerta Filtering into the district say that former resident, Dan Cann, is recovering nicely from the operation he had on his eye on Jan. 8.

A real flurry of buying Klycle tickets in the district with two of the candidates from this district originally, Brenz Schoenmehl and Sherree Olfen, since you both can not win girls, we hope at least one of you become the Carnival Queen.

Miss Carol Krinke spent the past week visiting Mrs. A. Lovell in Edmonton. Carol had extensive dental work done.

Mr. F. Haddock made a quick trip to Edmonton this week and has returned minus two teeth and a king size toothache.

☆

The February meeting of the Mahaska Women's Institute was held in the home of Mrs. H. Hadnock on Feb. 5th. With four members present. The president Mrs. C. White, presented the resignation of the secretary Mrs. L. Sproule. Mrs. Johnston was appointed secretary for this meeting. This was to be the annual meeting with election of new officers but due to lack of a quorum, this was postponed until the March meeting.

AN INVENTORY OF PUBLIC SERVICE A MUTUAL LIFE INSURANCE COMPANY

Since 1871 SUN LIFE OF CANADA has been active in the public service. 1962 was another year of achievement.

Sun Life's representatives, for the fourth consecutive year, sold over $1 billion of life insurance, thus ending the months of protection over countless thousands of men, women and children.

Sun Life paid out $290 million in benefits to policyholders and their beneficiaries. Two thirds of this amount was paid to living policyholders.

Sun Life's three million pensions and group contributes provide protection of more than $20% billion.

Sun Life announces new dividend scales which, for the 14th consecutive year, will result in an increase in the total amount to be paid to dividends to its participating policyholders. In 1963, dividends will amount to $57 million.

From 200 branch offices, Sun Life men and women have been privileged and happy to serve an ever growing body of policyholders.

FOR THE RECORD: IN 1962

Paid to Policyholders and Beneficiaries . . $	290,884,000
New Life Insurance . . . . . $	1,128,440,000
Total Life Insurance in Force . . . . . $	20,840,722,000
Assets at December 31, 1962 . . . . . $	2,583,033,000

SUN LIFE ASSURANCE COMPANY OF CANADA

A Stated Summary with the Annual Report for 1962 is being sent to policyholders. Copies may also be obtained from any of the Company's Branch offices, soon to come.

RELAX YOU FISH AND GAME TYPES — This isn't a picture of someone who has recently gone and hitched up a young cow moose. It was taken somewhere around 1910 in the Ontario bush at Ozdrift near Dryden. The wonderfully clear photo shows Mr. Abe Dunlop, the hitched up moose, Billy Dunlop, Alsie Attridge and in front Elroy, Johnny and Al Dunlop. The family were quite angered when a thoughtless hunter killed the animal about three years later. It had been in the habit of grazing (grass too — by splitting one leg in front and one back) around the family homestead and had no fear of its mortal enemy — man. Al Dunlop on the right is of course the well known "Shorty" Dunlop of Peers to whom we are indebted for this interesting photo of fifty years ago.

Let's Eat

BY
EDA BAILEY ALLEN

TOMORROW'S DINNER

Corn Kernel-Green Pea Relishes
Veal Chops Spanish
Baked Sweet Potatoes Saute
Green Beans
Honey-Broiled Grapefruit or Chilled Alberta Peaches
Coffee Tea Milk

Measurements level unless recipes for ½

VEAL CHOPS SPANISH

6 thick veal chops (any cut)
1½ tsp. salt
1 tsp. paprika
3 tbsp Spanish olive oil
½ c. minced onion
2 crushed medium pressed garlic
¼ c. minced parsley
¾ tsp. cornstarch
1 c. dry white wine or chicken bouillon
2 tbsp. dairy sour cream

Dust chops with ½ tsp salt and paprika; brown over med heat in oil.

Transfer to casserole.

Add onion, garlic and pale-goldens.

Spoon over veal chops. dust with cornstarch.

Add wine or chicken bouillon, cover.

Bake 1½ hrs in mod oven, 350 deg. F.

Remove from oven: stir in sour cream; do not cook further.

TO WHIP DAIRY SOUR CREAM FOR DESSERTS

1 c. dairy sour cream
1 tbsp. sugar or honey

Chill ingredients, also bowl and beater before starting to whip.

Combine ingredients in deep bowl.

Whip slowly and steadily until fluffy and almost doubled in volume.

Sour cream does not become stiff when whipped as it cannot be put through a pastry tube it is a delightful topping for gingerbread, spice cake or fruit compotes.

Garnish the cream if desired with shaved chocolate or chopped pecans or toasted blanched almonds or filberts or crushed peppermint stick candy.

THE LIMP'S SOUR CREAM SAUCE SPECIAL

Mandrons: Salt or smoked meats, fish or poultry when boiled lose flavor and considerable fat. For these reasons I often pass a dairy sour cream sauce with them

To prepare: In a double-boiler top beat together 1 egg, 1 teaspoon cornstarch, 1½ tablespoons mild vinegar, ½ teaspoon seasoned salt, ¼ teaspoon garlic powder if desired, ¼ teaspoon dry mustard and 1½ tsp dairy sour cream. Stir-cook about five minutes or until thickened over gently boiling water. Use hot or cold.

There's no fool like an old fool. You just can't beat experience.

Lulu: "My date last night asked me to marry him and made him happy."

Sue: "Which did you decide to do?"

Fellow to friends at cocktail party: "May I join you?" "What's the matter?" asked the girl. "Am I running a part?"

BORDERLINE

A business man hired a new secretary, and the first letter he dictated to her was to his wife, who was away on a trip. When the steno brought the letter back for his signature the business man noticed that his final words, "I love you," had been omitted.

☆

"Did you forget my last sentence?" he asked.

"Why, no, I didn't forget," she said. "I just didn't realize that you were dictating."

☆

Farmer: "Let me tell you, my friend, that horse knows as much as I do."

Second Farmer: "Well, don't tell anybody else, you might want to sell him someday."

☆

The corporal was preparing to finger-print a recruit. "Wash your hands," he said.

"Both of them?" asked the recruit.

After a moment's hesitation the corporal said: "No, just one. I want to see how you do it!"

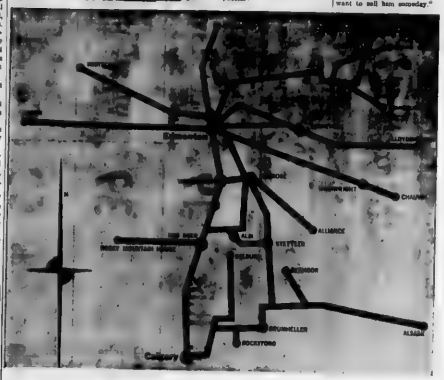
☆

Motto for today: A closed mouth gathers no feet!

☆

First Goat: (seeing can of film in alley behind movie theatre): "That was a real meal!"

Second Goat: "Not really. I thought the book was much better!"



CN
Highway Services
in Alberta

These are the highway routes that complement Canadian National rail service in North-Central Alberta. Over them CN operates frequent, scheduled services to meet the needs of wholesaler, jobber, distributor and customer.

To the capacity of the railway train we have added the flexibility of the highway transport. We offer the combination as a new concept of CN service in Alberta.

LACOMBE DIDN'T HAVE TO VOTE on what has been a controversial subject in some Alberta towns. Natives has fluoridated their water with 0.8 p.p.m. to 1.65 p.p.m. since it was first analysed in 1929 with no known mottling of teeth. The local dentist Dr. Dalton Chadwick says: "There is decay among the children of Lacombe, but it is certainly much less than what we see in children from the non-fluoride areas, and it is my belief that decay in Lacombe is more slowly progressive. The rampant caries doesn't seem to occur, even in the absence of any oral hygiene measures."

FUA meeting changes boundaries for the area

BY ORRIE HADLY

STONY PLAIN — Herb Kotcherhaki, president of the FUA and CDA District 8 Team, announced to a meeting of the Team that FUA had agreed to coterminous boundaries with the municipal districts and had already negotiated these boundaries.

The Team met in the Stony Plain Hotel on Feb. 6 and welcomed the announcement as they had requested the FUA to change these boundaries and expected it would be a long drawn out procedure.

Mrs. Kay Dewhurst, director of FU and CDA, made the presentation to the meeting of the Central FUA board. In the boundary change the Rosby local was transferred from District 8 but Horse Hills, Bon Accord, Gibbons and Namao locals become part of the District. This means that the MD of Stony Plain, the MD of Lac Ste Anne, the County of Sturgeon, the LID's of the western portion and LID 349 now made up District 8.

Stan Barton reported for co-operative education and its need in the area. Sub-district reps will hold at least one meeting a year devoted to furthering the understanding and knowledge of co-operation.

July 8 to 13 was the date set for the Young People's camp at Gold Eye Lake FUA Camp. Cost to individuals will be $30, registration fee to cover room and board, $5. for transportation and when your spending money is needed for the camp canteen. Students at camp are sponsored by their parents, local Co-op Stores, Credit Unions, FUA locals and other organizations.

Adding to the report of Vocational Training given at the last meeting John Lien, chairman of the committee, mentioned the three members inducted on Reserves in the area, Lac Ste. Anne, Wabamun and Wabasca, and it was his hope to find ways and means to educate the Indians in handicrafts as they are very capable in Hill field.

He felt this would be better than sending them away to strange schools where they become lonesome. Mr. Lien and Shirley Bielmaker were elected to a committee to study the situation by visiting the Indian agents and talking to the Indians if they thought this would be helpful.

Chairman John Eyjen of the Local Industrial Development Committee gave some figures on the new population showing marked increases in the past six years as follows; The MD of Stony Plain from 28,926 to 37,939; County of Sturgeon 24,501 to 25,286, Lac St Anne.

Acceptance of the Team as a member of the Edmonton Industrial Development Association came under discussion and Mr. Eyjen was asked to establish the Team's legal status to determine whether or not they had the right to join the Association.

The publicity report was given by Mrs. Gene Hadley who explained the uses of a newspaper and how participating groups of the Team were missing free publicity by not sending in reports of their activities. A lively question period followed before Mr. Lien moved a vote of thanks to Mrs. Hadley for all the work she had done for the Team. Mrs. Norma Bjorn, Team secretary, was added to the publicity committee.

The Team was responded to choose two of their membership to serve on a standing committee to determine sub-district boundaries. Walter Van De Walle, representing the County of Sturgeon, and Earle Louw, Stony Plain's district agriculturist, were appointed to this committee. Fr. Reich, Tomahawk; A. E. Brentwood, Silver, Red Getson, Chip Lake and Doug Brown, Legal were elected to this committee by the FUA.

The results of the survey of problems and opportunities of rural communities are now compiled. J. M. Fontaine, Sturgeon County's district agriculturist, and Charles White, assistant field supervisor for Stony Plain MD are to study the figures and bring a report to the next meeting.

Dates on the team calendar to be remembered are: Junior Camp planning meeting, Feb 13; courses for co-operative directors and pool delegates, Feb. 27 and 28 in the Stony Plain Hotel for sub-districts 1, 2 and 3, in Wildwood for sub-districts 5 and 6, March 6 and 7. A one-day course for presidents, vice-presidents and secretaries will be held in Stony Plain on March 13. A citizenship course on a high level will be held in the western section, date to be announced.

There will be an Edmonton Short Course in the Sports building on Feb. 19,20 and 21 with a joint program of leadership and citizenship.

Sub-district 1 will hold their conventions on April 23 in Stony Plain; sub-district 2, March 25 in Mertsville; sub-district 4 in Tomahawk on April 2; sub-district 5 in Wildwood April 26 and sub-districts 6 on April 27; sub-district 3, tentative date April 24.

All MD and county annual meetings are held on Feb. 16 in this area and the next District Team 5 meeting will be held on June 17.

In memoriam

In loving memory of my dear husband Holger Petersen, who passed away February 17, 1956.

Know

We love more deeply than we know.

But love in death should let us see.

What love in life should always be.

Ever remembered by his wife Donna and family

SATURDAY, MAY 4 — Apron sale, tea and bake sale from 2.30 to 5 in the Parish Hall, sponsored by St. Catherine's W.A.

GLASS MAKES A DIFFERENCE

When oven-proof glassware is used for baking cakes and quick breads, it is important to remember the type of baking utensil differs from metal ware in its heat absorption. Allowances must be made in baking temperatures. Unless a specific recipe announces the best rule to follow is to bake glassware at an oven temperature twenty-five degrees lower than used for metal pans.

AROUND TOWN

With IRENE BOCHEK

Lloyd Collin, custodian of he A. H. Dahlin school, and recently hospitalized, had operation to clean the students high regard for him when he was designed with letters and cards wishing him well. The students really do appreciate the fact that Lloyd is always around to lend a helping hand or offer advice as it is need ed

☆

Sad news on the local front concerning the big lay-off coming soon on the CNR. A group of men will be laid off at the end of February, another at the end of March, and a third late in April.

About forty men will be thus affected must be quite a job to the seven of men who have been railroading more years than I can count.

Have talked to a number of men and asked them their future plans. Have found that a number are planning to remain in Edson if they can find other employment. Many more will transfer to Edmonton with the CNR, and still more are undecided as yet.

I understand the CN will retain a handful of men here.

☆

The students of Edson High were treated to candy cigarettes on Monday, Feb 11th, courtesy of brother Gordon. Mr. Shields was celebrating the birth of a ten pound 12 oz baby boy, their first, on Feb. 10th. Congratulations!

☆

Was very sorry to hear that Edson's choral group has disbanded" "It was indeed a pity as they sounded so nice. However, not much can be done about a lack of interest.

☆

Mr. and Mrs. Bob Irwin spent the weekend in Edmonton visiting friends and relatives

☆

Mr. and Mrs. Doug Murray motored to Tofield on the weekend to drive home Mrs. Murray's mother and grandmother who had spend the previous week here.

☆

Mr and Mrs George Hung er were weekend visitors to Edmonton

☆

Curling is town again this week with the men's team from Edson taking first place in the second event at Wildwood on Saturday, Feb 2. Skip Rus Dixon's team had Ingvar Christensen as lead Len Erickson as second, and Edson Reid played third

☆

Four ladies teams journeyed to Hinton at the weekend where they were royally entertained.

Ann Cosh's rink, consisting of Mary Lindgren, Ann Delvidge and Renee St Marie, brought home a prize for being the first rink to be knocked out

Hazel Rylance's rink with Nellie Field, Leona Schultz and Jodie Gerlitz was second in the B event, while Tiny Gurnett's rink was third Other players were Bea Mc Ivor, Bob Kurek and Anna Lou Brown

And although Dolores Ros son's rink came home with not any prizes they enjoyed the trip immensely

☆

Mr and Mrs Blaine Frick son spent the weekend at Tofield recently

Mr and Mrs. N Johnston and family visited friends and relatives in Edmonton on the weekend

☆

Mr and Mrs. Donald Levitt of Paradise Valley were recent visitors to the Aspenlet home Don is Mrs. Aspenlet's brother

☆

Mr and Mrs. Gus Stelter and boys were in Edmonton on business on the weekend

☆

Former Edsonites Mr at Matthews and Mr Davies of Edmonton visited with the Bellons on the weekend

☆

Messieurs Labelle and Griffiths were recent business visitors to the city

☆

Mrs. Edson Reid was in Edmonton recently to have Lorraine in hospital for medical treatment.

☆

Mr. and Mrs. Gerald Mahon motored to Calgary recently. Mr. and Mrs. Gourley accompanied them as far as Red Deer where they visited with daughter Jean and family

☆

Congratulations to Mr. and Mrs. Bob Adams who celebrated their 25 wedding anniversary on Monday, Feb. 11. A trip to the city marked the occasion.

☆

Mrs. Bob McKenzie visited in the city recently.

Tradesmen to start on own

Two well known tradesmen in Town announce in this week's Leader that they are starting on their own:

Guy Stelter, well known plumbing and heating tradesman, is taking over the business operated by Bill Kurek.

Dick Fontaine, who is well known in local construction circles, is basing his operations from the carpentry shop formerly occupied by Stelles Weeden Dick will take on carpentry work, cabinet making and so on

HATTONFORD NEWS

The parent-teacher interviews held Monday Feb 11 at Niton Central School were well organized and equally well attended Coffee and lunch sold by the 4-H made way for a social get together too The students themselves were naturally grateful for their extra holiday

Sunday visitors at the B Wiseman home were Mr and Mrs F Nasby and family from Whitecourt, also Mr. R Halston from Edmonton.

Mr and Mrs. E. Strauss were business visitors to Edmonton on Monday.

Mr. and Mrs R Ralston and Mrs. B. Wiseman visited with Mrs G Lein in Edson on Saturday of last week.

The past week of spring like weather, coupled with good roads sort of shortens up the last of winter

HADDOCK HAPPENING

Mrs. White took material to complete top and back for another quilt It was decided that we would finish quilting the comforter already started at the March meeting, which will be held at Mrs. Haddock's on March 8 Everyone interested in quilting and W.I. work is welcome

THE RYHANEN RINK brought home some of the prizes from the Hinton ladies annual bonspiel the weekend of February 8, 9, 10. Winning second in the second event was the rink skipped by Mrs. H. Ryhanen above at right. Next to her is Mrs. G. Field, Mrs. G. Schultz and Mrs. A. Gerlitz. The Guenette rink won fourth in the same event. A third rink skipped by Mrs. Cash also won prizes but it was for the dubious honor of being one of the first two rinks knocked out of the spiel.

The Plush Curtain

PASTOR SNOWALTER

The world is curtained off into many well known segments.

There is the "iron curtain" with its Iron-like grasp and finality has sealed off a large portion of the world population denying the freedoms we enjoy and hold dear. Inside this chamber a man-made man-centered ideology has mercilessly forced upon those whom God has made.

The ancient wall of China which was built thousands of years ago to keep out civilization has re-appeared in the form of the "bamboo curtain" in our times. The sounds of famine, pestilence and suppression are heard, but it seems difficult to "see" what is happening. Those who emerge through the tear, the gap into Hong Kong cannot be thought to be the sum total of such like within.

The reality of the "concrete curtain" in Berlin and the "black curtain" in the south are others among many But have you heard of the "plush curtain"?

On one side of this partition are those who have so much that they have no need to depend upon God for their daily care In fact, they spent more because they eat too much and too richly and work too little than those on the other side of the curtain do in providing the barest of necessities

An overwhelming majority are basking contentedly (?) inside this enclosure talking either about how poor they are or what to do with the surpluses Seemingly, the plush curtain is quite sufficient to veil the anguished cries and pitiful sights of fellow men without

The Christian cannot be thus enclosed. But whose faith this world's good, and wots his brethren have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him?"

Out Trail Way

The Stuart Ferguson of Edmonton were here for the weekend

Mr. and Mrs. Martin motored to Drumheller on Friday and brought Mrs. Cornelius and Debbie back to Edson with them. Mel Cornelius followed on Saturday and the family spent the weekend at the home of Mr and Mrs. George Meggs.

Mrs. Walker, mother of Mrs. Clarence Shephard, spent the weekend here.

Mrs. Mary Bergeron spent a very enjoyable Tuesday evening with supper at the A. J. Bergeron home followed by a good old-fashioned sing-song at the Porter home.

Edson boys trounced Hinton in the semi-final game at Edson 63-42. Just keep up the good playing until Saturday.

☆

Joan Strongman's putty eye is no bad she had to go in the hospital. Hi Joan! From all of us.

☆

Edson Legion Midgets annexed Hinton 7-2 in their last game. Met no much competition there. The provincial play-offs are coming soon, they hope our boys show them up too . . . looks like they will.

☆

Who was the expert driver who drove right into the ditch to avoid a parked car. If he was only going 15 miles an hour (so the man says) why didn't he stop before he hit the ditch.

☆

Why "dis" here sudden interest in Hinton??? Boats me! But that is all everyone talks about There is a Valentine's Dance on Friday in Hinton Better watch those sharp edges when you're in Hinton this weekend Pssst!

☆

Hear Reed LaBelle retired from the Edson Midgets . . . It had something to do with a misconduct penalty and was only for the game.

☆

Poor Neida can't go to Hinton because our Kinsmen President is going. She has to look after the dishes if we don't get back in time. (Presidents shouldn't be so selfish should they Ted?).

☆

Hear the Kids can't wait to see if "Doc" is accompanying them.

☆

Had a smash pre-view of the posters of Connie Erickson. Were all rootin and nailing. Cos!

☆

Boy we sure have some mean parents in this town won't let us go anywhere. (Mrs. W.)

☆

Sure would like to see a bunch of the Junior High's at the dance this Saturday. . . Could use some of their school spirit. Those kids are lots of fun.

☆

There are two buses going to Hinton this weekend. One for Hockey and the other for basketball Should have a lot of supporters there. There is, I think, a sock hop after the game. Wouldn't it be nice if Mr. Colbens let us stay for the dance??

☆

Eliot Sullivan reports that their appearance Friday and were duly suspected and we got the necessary "dressing down or grease from our parents. It seems that some of us will have to "pull up our socks" as the saying goes. Now is a good time to start if we hope to make our grades this year Also who doesn't want to?

☆

Sandy, Betty and Jacky are coming up this weekend — please note Mitch, Wayne and Rick. Have fun Moose and don't neglect your duties

☆

Everyone was smoking in school this week and nothing was said about it Why ? Cause Mr. Shields passed out cigar ettes (candy) He is the proud father of a 10 lb 12 oz baby congrats. teacher.

Wheelbarrow "walks away"

The Freer brothers of Rossvear discovered Tuesday night how honest their fellow man can be

The brothers were on their way home from Edson on their small model car and were pulling a two wheeled trailer loaded with a small cement mixer, wheelbarrow 45 gallon barrel and no assortment of scrap iron. Just at the east end of the McLeod River Bridge they hit a bump which caused the heavily loaded trailer to throw the car out of control

Luckily there were no vehicles coming, for the car swerved back and forth across the road before it could be brought under control a gain, in the process the barrel, cement mixer, wheelbarrow and a good deal of scrap was thrown out of the trailer into the ditch

The fellows went on home to get a truck so that they could return for their load more conveniently. When they arrived back the wheelbarrow had "walked away" In contrast to where men who had seen the things in the ditch, had reported them to the RCMP then gone to push them up for whoever had lost them, or arrived on the scene in time to help the owners load the articles in their truck

Lions celebrate charter birthday

BY IRENE BOCHEK

The Edson Lions Club held a very successful charter night celebration in the Edson Motor Hotel last Saturday, Feb. 9th.

The evening began with a delicious banquet and three servings of chicken at 6:30 p.m. The club was honored in having as guests Mr Virgil Mashanky, District Governor from Vegreville and Mr Fred Bryant Deputy District Governor of Stony Plain Mr Spencer Bain, chairman and Mr Paul Gornostie extension officer from Edmonton also attended

Mr Abe Goldstick was the able m. cee for the evening. Mr Bryant introduced the guest speaker, Mr Virgil Mashansky who gave a very light account of his recent European tour.

Visitor Paul Gornostie presented the attendance awards for 1962 to Lloyd Bassett Paul Gornostie Cliff Hugstad, Ernie Drumm and Bob Watson. He presented membership awards to Orland Goehring, Murray Grier, Bob Watson and Lloyd Bossert. Presidents appreciation awards were presented to Orland Goehring Bob Watson, Paul Gornostie, Bert Herring, John Dyer Jerry Peterson A president's appreciation award was also presented to Barb Hergott for her loyal ership on the Lady Lions

Approximately 125 guests watched with fascination as certain "ladies" of the Lions Club modelled outrageous hats in a fashion show that will go down in history.

Following this side-splitting entertainment there was lan cinci in records which rounded out a very enjoyable evening

There's no fool like an old fool. You just can't beat experience

Robb and Branch news

Robb is experiencing one of its very mild spells with very icy road conditions

Our local pulp haulers having had to lay off for a few days with the exception of a few which never finished their trips upsetting the loads and scattering the pulp all over.

Mr and Mrs. Leonard Kolbe and Pa of Glenwood were visitors at the home of Mr. and Mrs. Gary Cotger Friday evening taking in our local bingo which was very successful. Miss Jane Zoni was the ten dollar consolation prize.

Spring must be on its way as our retired gentlemen are out enjoying their regular walks in spite of icy conditions.

Many residents and some visitors most of them now cars seem to have taken to the ditches which has given our local garageman quite a busy time towing out.

So a warning to those buying new cars wait until the snow has gone.

Mr Norman Hansen and Mr. Tom Tufty of Entwistle were visitors at the Kennedy home Friday and Saturday on their way home from Hinton.

The pulp cutters are near the end of their strips which means they are soon due for their Spring layoff.

Mrs George Phipps Sr. returned to the city last Sunday having spent the past week with her daughter, son in law and baby, Mr and Mrs. Gary Conger

Mr. J. Aldridge returned from the city on Thursday evening accompanied by three young gentlemen

Mr Aldridge had been in checking on the Narrows Lighting Plant which Mr Charlton took in for an overhaul.

Robbition will certainly welcome the yellow bird back home.

Seismograph crews are moving closer as they are cruising in and out the old camp road just past Charlton's Garage.

Anyone wanting to know the why and wherefore of the strong east in Robb, contact Mrs. Rogers or Mrs. Schwing Sr.

Mrs. Rogers spent the week end in Edson returning Sunday evening with Mr. and Mrs. Hansen.

Don't forget the Valentine Dance to be held in the Robb Community Hall Feb. 16th Robb Rhythmaires will provide the music So come one come all, come to the Robb Community Hall for the Feb 16th Valentine Dance all the cupids will be there with their bows

Come to our dance we know you'll get a glow.

The DO IT NOW Season is here again

- The season for improvement jobs around your home, plant or business.
- The season when skilled workers are more readily available and, being more productive, give you better value for your dollar.
- The season when many firms offer discounts.
- The season when many other things can be done to advantage—such things as maintenance of lawn and garden equipment, electrical appliances, outboard motors and automobiles, as well as dry cleaning of drapes and rugs and replacement of upholstery, to mention but a few.
- The season when you can help your community to create employment during the traditional winter lull. When everybody works, everybody benefits.

Do it this Winter

For advice and assistance get in touch with your National Employment Office

Issued by authority of Hon. Michael Starr, Minister of Labour

ORCHID LOVER. Little Rockie loves this orchid she found in a greenhouse. It tastes even better than poison! Such orchids cost up to $10 in Canada, making it an expensive thrill. Well, if Rockie has expensive taste, she's only being true to her name — which is Champagne!

I Forget

Of all the lame excuses,
The poorest of the lot
Is sheer contempt for safety
That well worn "I Forget."

That lad whose ladder time blind
Lies bandaged on a cot.
He knows he should have tied it,
But mumbles: "I Forgot."

The one who cleaned his rifle
Was startled by a shot:
The loss two good fingers
Was caused by "I Forgot."

The gent who wore no goggles
Around the acid pot
And one who wore no gas mask
Both use the "I Forgot."

In every crematory
You'll likely find a plot
With headstone penned:
"I Forgot."
It should read: "I Forgot."

Mistakes may often be overlooked:
Forgetfulness cannot.
If absent-mined we must be
Forgot the "I Forgot."

"MUM" SAID!

A certain district agricultural got a call from a woman who was starting a chicken farm and wanted to know how long she should leave the rooster with the hens.

"Just a minute," said the DA, who was busy talking to a caller.

"Thank you very much," said the woman and hung up.

NOTICE TO EDSON RESIDENTS

RE: Garbage Disposal

Provincial Health Regulations require that "any person in a City, Town, Village or Hamlet having refuse to dispose of shall keep any refuse which has not been burned, until collection, in fly proof and water proof metal containers." In accord with these regulations Town of Edson By-law No 777 requires "that all premises within the Town shall be provided with a sufficient number of water tight metal receptacles, with covers, of circular design, no greater than 12 inches in diameter, and not higher than 28 inches, that will be required to hold one week's accumulation of garbage and refuse

A survey has revealed a very substantial disregard of these regulations and by-laws

It is imperative and necessary that each householder see that his premises is provided with an approved receptacle as set out, and we urge your immediate attention to this important provision of the Health Regulations

W. H Campbell,
Sanitary Inspector
To EDSON HEALTH UNIT

Run your eyes over these buys!

FRED WOLOSZYN AND HIS SPEEDER

Well-known Section Foreman retires

Fred Woloszyn retired as foreman of Mackay Section Jan. 20th, culminating a Railway career of thirty-seven years with Canadian National Railways.

Mr. Woloszyn arrived in Canada from Eastern Ukraine in 1926, landed his very first job as section-hand on the Biggar-West Section in Saskatchewan and has remained in Railway Service until the present time. During the course of his career, he has worked at many points throughout the Prairies, as far West as Jasper, including Hinton and the Coal Branch in its heyday. He was promoted to Foreman in 1935.

Making use of his wide knowledge and experience gained though many years of service, Mr. Woloszyn has since then, participated in some of the Railway's biggest Track Improvement Programmes, taking charge of large numbers of men, on the Extra Gangs. Mr. Woloszyn and his family, have lived at Mackay for the past eighteen years, except for the periods in which he left to work with the Extra Gangs.

A surprise party on the occasion of his retirement was held at his home on Feb. 2nd. His friends and neighbors presented him with a Lounge Chair and Mrs. Woloszyn's mother made an extra present-ation of a sweater.

Mr. Woloszyn plans to live on his farm with his family; wife Katherine, daughters Mary and Ann and son George. Having a good line of machinery and three quarters of land, mostly cultivated, he will continue to develop his fine herd of beef cattle. As a sideline, he is very interested in beekeeping. He also hopes, that now, he will have more time for a little fishing and hunting.

His family, friends, and fellow-employees, join in wishing him many, many happy years in retirement.

Arena structurally sound

Continued from page 1

the plan, providing for year-round use of the Arena.

The special floor would be "smooth as glass" according to the architect and could be used for roller skating, if desired. It would be strong enough to support the heaviest type of equipment such as machinery displays.

Mr. McLeod said the present Arena could not be replaced for less than $50,000 and that would be just "the shell." He commended Councell for the new roof on the rink and said the decking on the roof was a "good thing" as it would absorb the moisture. It made appreciation of insulation easier and for that reason, Edson could avoid the condensation problem which other communities had run into.

Before artificial ice was installed in the rink, it would be necessary to build new walls, said Mr. McLeod. The walls would be fully insulated, concrete block. It would not be feasible to install artificial ice before the new walls were built. The roof was good but without new walls, the machine would be "overtaxed" for artificial ice.

Council was advised against dismantling the Arena or moving it. While the material could be used in reinstalling, it would cost more and wouldn't be justified. The present Arena was a heavy building and the foundations were good and dismantling it or moving it wouldn't be feasible.

EDSON WELCOMES VISITING CURLERS TO 'SPIEL

The Edson Leader
The Voice of Edson Constituency
and WESTERN WEEKLY SUPPLEMENT
First Section Edson, Alberta, Thursday, February 21, 1963 Vol. 11, No.8

TAKING THE PART OF "SLEEPING BEAUTY" in Kinsmen of 1963 is Bonnie McIntyre caught daintily posing in this photo by Al Grant. Bonnie is part of the cast of 70 local skaters who have been rehearsing under the direction of Mrs. Em Herring for Edson's winter ice show.

Record 48 rinks to compete in annual

The biggest Men's Bonspiel since artificial ice was installed on the four sheets of ice at Edson Curling Rink is scheduled for the coming weekend. Thirty local rinks will compete with eighteen from out of town for the various events.

Curling will go on through the nights (except there will be no draws at 6 a.m.) from Thursday, Feb. 21 through to Sunday, Feb. 24. The final draw will be played out at 8 p.m. Sunday night.

The 18 visiting rinks have entered as follows: Eight from Edmonton, four from Hinton, two each from Whitecourt and Wildwood, and a rink is entered from Calgary to top it off.

Aside from the final games in the Grand Challenge and other events, the highlight of the 'spiel will be the big banquet scheduled for 5 to 7 p.m. Saturday evening in the Legion Hall.

Spectators are reminded that there is no charge for watching the games and nothing builds interest quite so much as a gallery of fans watching the success or failure of their favorite players.

Dr. D. Zoerb appointed Health Unit Med Officer

The appointment of Dr. D. Zoerb of Edson to the position of Medical Officer of Health was decided upon at the regular meeting of the Edson Health Unit Board this week. The appointment fills the vacancy left by Dr. I. H. Lewis who returned to Scotland last summer.

A motion by board member L. Vaats was approved to expand the dental program for 1963-64 with two dental hygienists if they are available, one dental student part time and one graduate student part time.

The expanded program would be contingent on getting the necessary staff. In addition to the dental hygienists the services of a part-time active dentist will be requested. A grant for these services has been applied for.

The 28th meeting was held in the Council Chambers at Edson on Monday, February 18, with P. Wells, Chairman, Edson; J. J. Wynne, Edson; G. Dampnier, Evansburg; L. Vaats, Hinton; Dr. E. S. G. Smith, Director of Health Services, Edmonton, D. K. McElroy, Secretary Treasurer, and Mrs. P. Adams Unit Supervisor present.

The financial statement was presented to the Board by the Secretary Treasurer and was accepted by the Board.

Dr. Smith gave an outline of how grants were obtained and used by Health Units, this helped to clarify doubts in the minds of the members.

Applications for the position of Staff Nurse at Drayton Valley were read and discussed and it was decided to appoint Mrs. D. B. Cameron of Drayton Valley to the position, her duties to commence February 25, with one week orientation at the Edson office.

Miss L. Hawkins was granted leave of absence from April 16 to 19 inclusive. Dr. Zoerb, Mrs. Adams, and Mr. Campbell were granted permission to attend the C.P.H.A. Convention to be held in Edmonton from April 17 to 19 inclusive. Mrs. G. Hallam was granted permission to attend the A.A.R.N. convention to be held in Jasper from May 22 to 24 inclusive.

The results of the Salk Vaccine feedings was presented by Mrs. Adams. The Board members were concerned over the poor response to this program, particularly on the part of the adults.

The area known as the Blue Peg River area north of Entrance has been added to the Health Unit. There is a population of 122 persons in this area which is approximately 100 square miles.

Liberals nominate Bill Switzer as candidate

Word from the nominating convention held Wednesday by the Jasper-Edson Liberals at Marlsville in the east end of the riding indicate that Mayor W. A. Switzer of Hinton was the unanimous choice of the 100 delegates assembled to pick a candidate.

Two other candidates initially indicated their willingness to stand for nomination but they withdrew in favor of Mr. Switzer. L. Chalifoux of Marlsville, an insurance agent of Marlsville, and Joeh Shipitski of Rochfort Bridge, a grain elevator operator, and Liberal candidate last election, were the two other names proposed.

Bill Switzer is widely known in the west end of the constituency in addition to having served three terms as Mayor of Hinton, being in fact the first mayor of the town on its formation.

He also served as a council lor on Edson Town Council, his home town, prior to moving to Hinton to operate a drug store there. Several provincial elections ago he was Liberal standard bearer for Edson constituency in two elections.

Bill is the son of Mr. H. A. and late Mrs. Switzer of Edson. He comes from a family well known in Liberal circles. His wife, the former Vivian McLeod, and their two children are proud of Mr. Switzer's connection with government of the several levels.

Bill graduated in pharmacy from the University of Alberta following his return from distinguished service with the RCAF Overseas during World War II. He practised his profession in the family business at Edson prior to moving to Hinton.

Questioned by long-distance, Bill stated he thought "it is time confidence is regained in our country both at home and abroad." He added that he thought the positive platform of the Liberal Party shows they intend to win.

It is expected headquarters will be set up at Hinton to conduct the Liberal campaign in Jasper-Edson.

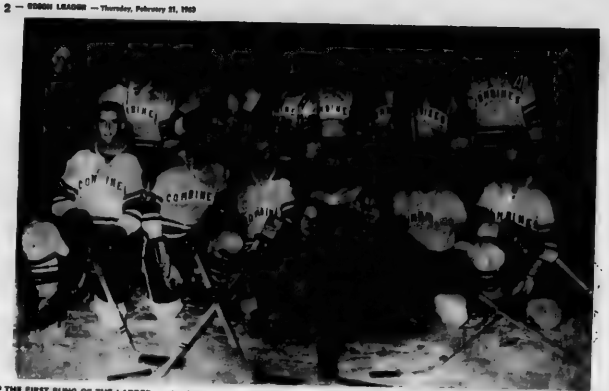
W. A. "BILL" SWITZER
Liberal standard bearer

Annual meeting this Monday

The annual meeting of the Town is a must for all ratepayers interested what goes on in their town so we are giving you this last little necessary jog.

We'll spare the short sermon on why all citizens should attend and expect that It's Monday evening at 8 p.m. in the Legion Hall.

THERE ARE PRINCES AND A GOOD FAIRY to complete the fable of "Sleeping Beauty" as local skaters prepare for the big show on ice this year. One of the "Princes" (right) is Gren McElroy and Debbie Johnson (left) is the "Good Fairy." In addition to Kinsmen of '63 Friday and Saturday, March 1 and 2, a runoff club competition for skating cups will be held in the Arena Sunday afternoon from 2 to 4 p.m.



UP THE FIRST RUNG OF THE LADDER to the finals in the Provincial Intermediate C playoffs here are the Hinton-Jasper Combines who went their two-game total point series from the Stony Plain Eagles on Feb. 9-10 with a decisive 23-3 total points. Last weekend, February 16-17, the Combines met the South-Side Community Flyers in two exhibition games. Left to right back row are: Manager Harold (Hoppy) Bolton, Mitch Zacharuk, Gordon Wing, Al Bjork, Lionel Gerard, Ken Searks, Lloyd Ishiy, Red White, Coach Mike Bugalski. Second row left to right: Stan MacLeod, Dave Bernhardsen, John Hickey, Norm Braunberger, Glen Dirk and Ed Rusnak. Front row stick boys Dave Bolton and Don Bowen. Missing from the picture are: Don Fry, Joe Passemore, Dave Pecos and Ed Malinski.

Canadian Players in Hinton Monday

Everyone planning to attend the Canadian Players presentation of Masterpieces of Comedy are reminded that the date is next Monday evening at 8 p.m. in Hinton. The performance will take place in the Crescent Valley School auditorium. The production entitled Masterpieces of Comedy features excerpts from 14 of the English speaking world's best loved comedies.

The Hinton Kinsmen Club have seating arrangements made and will divide the auditorium into sections as they did last year. The price of tickets range from 50 cents as can be found in an advertisement elsewhere in your local paper.

Last March the Kinsmen brought the Canadian Players to the area for the first time with the presentation of Dr. Jean and Cousar. At that time they put on three performances. This season the Players are limited to the one performance and it is expected the auditorium will be filled to overflowing for the occasion.

Last Reminder

Don't Miss the Canadian Players Presentation

Masterpieces of Comedy

In Hinton's Crescent Valley School Auditorium

Monday Feb. 25

Curtain time 8 p.m.

Reserved tickets may be obtained in Hinton from King Drug Store, Clark's Men's Wear, Switzer's Drug Store.

Priced at 3.00, 2.50, 2.00, 1.75, 1.50

Sponsored by the Kiwanis Club of Hinton

IN MEMORIAM

In loving memory of my dear husband Holger Petersen who passed away February 17, 1958

Death only came to let us know.
We love more deeply than we know.
Sad love in death should let us see.
What love to life should always be.

Ever remembered by his Wife Donna and Family

Two cowmen were huddled close to their fire Outside it was cold and snowing. One of the prehistoric guys turned to the other: "You know," he grumbled, "we never had this crazy weather before they started using bows and arrows."

EDITORIAL PAGE

ROOF SCRAPERS

Edson is divided more ways than along political lines. As we write this editorial we've just had a spin around town. The scrapers are out in full force.

The non-scrapers, to which group we belong, through inertia probably, but we hold non-scraping views of long standing, don't believe in all that effort. In this year that will probably be known as the year of the big snow, the division has been sharper than usual. We do normally have a lot of snow and our general lack of wind tends to build it up on roofs. So our split thinking is something peculiar to our quaint ways in this neck of the woods.

Before the snow has stopped falling the pro-scrapers are out with their long handled scrapers or up on the roof with a shovel. The non-scrapers look on and shake their heads. Besides our group don't know where the shovel is anyway. The last time we saw the darned thing it was lying in the middle of the yard before the last snowfall started.

To head off the letters to the editor from the pro-scraping fraternity we would like to admit that water does back up behind that bunch of ice, and that sometimes it does come through the roof. But it only lasts a day or two and it's down to a dribble that one or two pails will catch.

A solution to the problem has been produced in British Columbia. Driving along one notices steep roofs with aluminum sheeting. The snow just slides off they tell us — until it builds up even with the eaves

School Division growth Highlighted at meeting

In his verbal report to the annual meeting of the Edson School Division Board, in Hinton on February 13, School Superintendent A. D Jardine highlighted his printed report, stressing growth, scholastic standing, and school programming.

The rapid growth of the division was pointed out by Mr. Jardine by selected statistics from his printed report. Student population in seven years from 1955 has grown at the rate of 280 per year from 1972 pupils to 3927. Teaching staff has similarly expanded from 86 to 169 in the same period.

Total student enrollment in Hinton for 1962 was 963. An increase in teacher qualification has been responsible in part for an increase in average salary, which was $5,370 per year for 1962.

Changes in the elementary school program have met with good success Mr Jardine indicated. To assist in providing for individual differences in students, S.R.A. Laboratories were introduced in several of the schools. A new program in mathematics was introduced this year throughout the Edson Division in all elementary grades. A modest testing program was introduced to evaluate students abilities which should provide for planning a program better adapted to each student's capabilities.

Statistics of grade 12 scholastic standings, as reported by Mr. Jardine, created much interest. Division wide, the statistics showed 17 at of 83 students having the possibility of diploma or matriculation, and of 30 students attempting matriculation, 18 were successful in obtaining matriculation, 21 received diploma in lieu of matriculation, and of the remaining 33 fifteen were successful in obtaining diploma after a period of 10 years the standard does not differ greatly from previous years. Mr Jardine added that by repeating diploma examinations a person at 36 other students without sufficient credits for diploma become worse.

Letter to the Editor

Dear Sir:

Yesterday, I received a roll of "Edson Leaders" a lady friend up there sends to me quite often.

In Jan. 31st issue it shows a pony hitched to a sleigh. Where, when, how and by whom the picture was taken and whose children are in the sleigh is a mystery to me. Why? Answer is I used to own the pony and sleigh, my son used to drive her to school and I used to drive her to Edson, Rosevear, Peers and round the neighborhood.

I knew the picture was taken before my husband and I left up there, so she was in pony heaven before we left, 21 years ago next month.

Would like to say thanks to the party that had photo put in paper.

I appreciate the picture and will keep same.

Sincerely,
Mrs. Walter Derrick,
Rt. 3 Box 176,
Tillamook, Ore., U.S.A.

Weekend hockey games changed

The Midget Hockey game on Saturday, February 23 has been cancelled. Too much snow at Drayton Valley called off the game scheduled here for Wednesday. Instead Drayton Valley will play here on Friday, February 22 and on Sunday. Edson will travel to Drayton Valley for the last game.

Attend Hinton charter night

Eight couples, members of the Edson Kinsmen Club and their wives motored to Hinton on Monday night to help the Hinton club celebrate their anniversary charter night.

Mr. Jim Griffiths, president of the Edson club when Hinton received their charter, spoke briefly on the club's activities since their inception and wished them continued success in club activities.

Following the business meeting the gathering spent an enjoyable evening dancing and visiting.

Those attending from Edson were President and Mrs. Ray Sinette, Mr. and Mrs. Hank Sykanen, Mr. and Mrs. Randy Murray, Mr. and Mrs. Jim Griffiths, Mr. and Mrs. Bob Knetsman, Mr. and Mrs. Ted Bannerich and Mr. and Mrs. Don Bethier.

Weather Report

The following is the weather reported by the Edson Meteorological Office, for the past week.

	MI	LO
Feb. 14	29	7
15	47	9
16	48	12
17	14	3
18	25	2
19	28	5
20	19	2
21	32	7

Total snow on the ground as for this year 28 inches — 13 of which fell this week.

New Dem Party and Tories pick Evansburg

The Liberals chose Morinville as their nomination place Wednesday of this week, the SoCreds have already nominated (last fall at Stony Plain) both the Conservatives and the New Democratic Party have picked Evansburg as being most central for most parts of the constituency.

They're nominating on different days of course. The NDP's on Saturday, Feb. 23, at one p.m. and the Tories on Tuesday, Feb. 26, at 8 p.m.

Taking for granted that no Conservative will oppose the candicacy of Dr. Hugh Horner the sitting member, no speaker other than the MP for Jasper-Edson will speak. Word is that he will launch some of the main planks of his platform at the meeting Tuesday night.

Several candidates for nomination for the New Democrats are in the wind, but none have definitely come out and said so. Two provincial nominees are to be in attendance at the meeting: John Last of Sangudo, who is standing for the provincial constituency of Lac Ste. Anne, and Alan Berrington of Gibbons, who has been nominated for the provincial riding of St. Albert.

Dr. Ivor Dent, president of the Alberta New Democratic Party, will be the main speaker.

The Conservative nominating convention is an "open" convention with all members of the Association in Jasper-Edson being entitled to vote.

The NDP convention is a membership convention with voting privileges reserved for fully accredited members.

Karrie MacDonald leading candidate

At the counting of votes for Kincycles on Saturday, Feb. 16, Queen for 1963 Karrie MacDonald sponsored by the Jubilee Junior High School students was leading contender by quite a wide margin.

Votes stood at:

Karrie MacDonald	518,400
Sharron Giles	212,000
Connie Erickson	207,800
Bruna Sebastianelli	145,800

Sharron is sponsored by the Edson Civil Service Assn., Connie Erickson is the choice of the Hinton Central High School, while Bruna Sebastianelli is being sponsored by the Hinton Central High School.

In addition to the honor of being Kincycles Queen she high scoring girl will be the recipient of a lovely fur jacket which, incidently, is on display in the window of Wilmore's Clothing Store.

HUMOR COLUMN

"What do you mean by the witching hour?"

"That's when your wife greets you in the morning with, 'Well which story is it this time?'" ☆

A school teacher of inquiring mind was touring Hollywood on a sight-seeing bus.

"On the left is the Crosby Mansion," intoned the driver.

"Sing Crosby?" queried the teacher.

"No — Bob Crosby," was the reply.

"On the right is the Barrymore estate," continued the driver.

"John?" ventured the pedestrian softly.

"No — Lionel!" snapped the man with the megaphone. "And straight ahead is the Christ Church."

Hearing no response, a soldier seated next to the teacher nudged her and said; "Go ahead lady — you can't miss every time!" ☆

Charlie: "Do you believe in clubs for women?"

"Sure, when kindness fails." ☆

A pretty young lady presented a check at the bank window for cashing. The teller examined it quickly and asked, "Can you identify yourself?"

"Whereupon the young lady dipped into her purse and pulled out a small mirror. She glanced in it for a moment and then looked up and said, "Yes, it's me all right."

World Day of Prayer being observed here

March 1st. 1963 is the first Friday in Lent. Every year at this time Christian women in about 150 countries around the world gather in prayer. Each group forms a link in the prayer service that encircles the globe.

This growing tradition in Edson is again being embodied through the co-operation of Edson Churches to meet on March 1, 2:30 p.m. at the Mennonite Church, Grande Prairie Trail. A varied, interesting inspirational program is planned.

This is your invitation to be a part of a great chain of prayer and praise, which knows no race, color, or creed. Your presence, prayers, and offering will be your contribution to the World Day of Prayer.

LIONS CAN DRAW AT KINCYCLES

Edson Lions Club have announced that the draw for the 1962 4-door car. Ford they have been selling tickets on will be held at the Kincycles in the Arena on Friday night, March 1st.

CARD OF THANKS

Members of the CWL wish to thank all those who attended their Valentine tea. Special thanks to all those who sold tickets on the raffle and those who donated home cooking for the occasion. Winner of the raffle was Prince Leo Gallitan.

DROSTAN NEWS

Mr. Inar Fossheim and Alan were recent visitors to Edmonton.

An item in the last Drostan news column should have read Mr. and Mrs. Ken Haubi have another daughter born Jan. 4, not Mr. and Mrs. A. Haubi. (Editors note — We wondered about that, but it sure looked to A.)

There was a real good attendance at the PUA meeting held at the home of Mr. and Mrs. Bill Paschak on Monday evening. Mrs. Ernie Fabian gave a very interesting talk on her trip to the PUA convention in Ottawa.

We are all sorry to hear that Mr. Fred Becker Sr. is very ill in an Edmonton hospital.

Quite a few came out to the whist drive in Drostan Hall last Saturday evening. Prizes were won by: ladies' first, Mrs. Bill Paschak; ladies' second, Mrs. Bergerson; men's first, Mr. Ernie Fabian; men's second, Mr. Sigurd Fossheim.

Quite a few of the young folk in the district went tobogganing recently on the hill at Keith Fossheims. In spite of the snow and dampness everybody really enjoyed themselves. After a delicious lunch the rest of the evening was spent dancing.

We are all so sorry to hear that Mr. Ronnie Cassady is very ill insil in hospital and all wish him a speedy recovery.

There will be a meeting in Drostan Hall this Saturday, February 23 at 8 p.m. The main business will be the election of officers for the coming year.

Well folks, it looks like old man winter is here again. We sure have lots of snow.

Congratulations to Mr. and Mrs. Nick Romanuk on their first wedding anniversary.

Miss Pearl Gell and Mr. Peter Paschak left on Saturday for Vancouver.

Uncle Bina spent the week-end with Fred Haubi.

☆

Our sincere sympathy extends to the bereaved families of the late Mr. Ivar Fossheim and Mr. Alan Berrington who passed away recently.

IN MEMORIUM

In loving memory of our dear husband and father, William Wilson, who passed away February 21, 1962.

You little thought when leaving home,
You no more would return
That you so soon in death would sleep,
And leave us here to mourn.
Always a thought and many a tear,
For one we miss and loved so dear.
Always loved, sadly missed and forever remembered by his loving wife Elsie; Alice, Bert and grandchildren.

THE EDSON LEGIONAIRE Midget hockey team who the last two weeks chalked up a total of 12 points to Hinton's 8 to win a two game series in their first step of the zone 36ists. The boys go to Drayton for the first of their second set of games this Saturday and will host Drayton in a return match next week. Left to right back row are: Coach Nigel Aspedal, Gary Dirk, Jim Schaeffer, Bill Mahon, Michael Burchuleik, Keith Switzer, John Maguire and Marc Irvine. Front row left to right: Eddie May, Randy Piper, Larry Irwin, Reed LaBelle, Paul Brand, John Hay, Rick Gardener and Gordon Wright. Missing from the lineup are Dale McIntyre and Wayne Gerwing.
—Leader Photo

East District Doin's

Yep it happened just as we predicted — the weather man gave us a break and things began to happen.

For example the Reists family went and brought home a television; Olim Ice hauled a couple more loads of pulpwood for Leonard Smith; Bert Smith went to work for Jack Rogers; Walter and Zelmah Suter spent a weekend with friends and relatives in the district; Orvis Grigg did likewise; Lee Shantz bought him self a pick-up truck; Clarence Bowman bought a ¼ ton truck.

Calgary Power, or whom ever distributes power poles to new subscribers; distributed power poles to new subscribers; distributed whiff of that gas. It's potent fellows, absolutely potent. Reminds us of the time the natural gas line crossing on our farm blew up and frightened our gyap towards right out of the country. They figured some enemy had flown over and unloaded a cargo of silly um-quick and they were the first victims.

Oh yes — now back to current events. The parent-teach er day at Hinton Central Monday of last week was a huge success according to parents fortunate enough to attend. Yours truly didn't make it for reasons beyond her control.

Hinton Central Girls basketball team lost the game with Hinton last Saturday, by a very small margin. The girls have been making a name for themselves the past weeks by winning almost every game.

Harold Thomas is a patient in St. John's hospital as of yesterday; nothing as the ornary contraption busted a couple of strings.

Carrot Creek W.I. held their last meeting at the home of Mrs. Morris.

Most of the above occured during our recent spring like weather. Now after a few days on the blustery side — local residents are literally shoveling themselves out of so-deep snow banks; cars took a soaking and are governing themselves accordingly. The splutter and cough but refuse to park in the approved manner. Dick Hanault and Ted Ire enjoyed Saturday evening at the home of Mr. and Mrs. Ray Thomas where they had borrowed the power to try out Dick's latest hand made guitar and brand new bamboo fly rod home.

We had our ears pinned back for "soldering" on an important birthday that occurr ed recently. Seems it's a reason second thought birthdays don't count after they have gone around once every 365 days. Suppose something just happened — a disaster to be truthful ! set my coffee cup full of java in the wrong place and the carriage of my typewriter kicked it over. What a mess. 10 minutes later and it is all mopped up good as new: that is just one of the penalties one must pay for drinking on the job.

Shades of Tommy Talbot! Just step outside and inhale a

March 18 start of rest of Sabine progam

The second feeding of "Sugar Lumps" will commence Monday, March 18. All adults and school children who have received at least three doses of Salk vaccine and all pre school children irrespective of age who have received at least three doses of Salk or four doses of the Quadruple vaccine are still eligible to receive the Sabin vaccine. Those children and adults who received one dose of Sabin in any other Province should obtain their second feeding of Sabin.

Parents of all children who did not sign consent cards may obtain consent cards for their children at the Health Unit offices at least one week before March 18. In the event that anyone receives their first dose of Sabin in March the second feeding may be obtained in the fall. Those persons who are not fully protected are earnestly urged to complete their series of Salk shots or to commence their Salk shots as soon as possible Help us to help you stamp out this dreadful crippling disease in Alberta.

March 18 — Hinton Health Unit office, 10 a.m. to 12 noon 1-4 p.m., 7-9 p.m.

Interest high at Fulham school meeting

There is more than a hint warns Interest in the Fulham, Peers area as the harvest at the annual meeting on Feb. 12th signified.

Mrs A Gilles was appointed as Chairman of the meeting. The minutes of the 1961 annual meeting were read by Mr Blundell and approved by the meeting

Mr Jardine, Superintendent for this division gave his report, which was also approved Mr. Blundell gave the financial report with comment that the division was becoming big business with expenditures over $1,000,000 annually.

Mr. John Bandin candidate for school trustee made a very short speech asking for support of the electors.

Mr. George Mosema, present trustee, gave a resume of his activities during his term of office and proposed a new bus route east of Fulham to take part of pupils from Fulham to Peers. This was highly unpopular, judging by comment in the hall after the meeting.

A discussion period followed Mr. C White asked about the staff at Nilon high. He had been talking to the staff about marking of pupils work and he stated that after checking was told there was no time.

Seven Hundred and Fifty (750) Cubic Yards PIT RUN gravel to pass 4 inch sieve To be delivered to Town streets, or stockpiled before March 31st, 1963.

Tenderer must state source of gravel and trucking rates which will apply to project.

The right is reserved to accept any tender whether or not the lowest or to reject any or all tenders, as the interest of the Town may appear to require.

R. C. GREGG,
Secretary-Manager,
TOWN OF EDSON

Be

Sequent Mr Jardine replied that high school teachers were in short supply so this was not feasible.

Mr M Burka asked how long this experiment of taking pupils early at Fulham from 8 a.m to 5 a.m before school starts — was to continue There was no satisfactory answer to this

Mrs A Sebastianelli questioned Mr Mosema as to why her children were getting home 10 to 15 minutes late. when they had a lot of homework Mr Giles answered this by explaining this was caused by the bus taking the Jackmon and Roberts children nearer home during the winter months

TOWN OF EDSON

THREE OF THE KINCYCLES Queen Candidates admire the lovely fur jacket that will go to the winner of the Kincycle of '63 Queen Contest. Left to right are Connie Erickson, Kerrie MacDonald, Kin President R. Binette. Candidate Briana Sebastiani is Niton Central High's token.

ENSURING AN ACCURATE COUNT of votes in the Kincycles of '63 Queen Contest in the first tally of votes on Saturday afternoon are Kin. President R. Binette, G. Thompson, M. Horne and E. Newnham.

Auditorium filled for Variety Contest

A capacity audience attended the Edson Home and School Variety Concert which was held on Friday, Feb. 15th in the High School Auditorium. Mr M D Meade welcomed everyone present and introduced Master of Ceremonies Mr. Art Leonard. The Edson Band under the direction of Bandmaster Mr Christie supplied a rousing opening by playing a march "The Thin Red Line". Following this selection the band played their enjoyable rendition of the overture "Forest Splendour". For the rest of the program the following participants provided enjoyable entertainment for young and old alike. Wendy and Jeanne Pulsiho played an accordian duet; Cole Jay accompanied by Mrs. Emily Herring at the piano gave a violin solo; Mr. H Wortman's group of boys and girls gave a tumbling display; Kathy Kendall accompanied by Barbara Kosbel on the piano expertly sang Ivy Rose

The accordian trio of Elizabeth, Karen and Shirley Collis played "The Entertainer" and were then joined by Wendy and Jeanne Pulsiho to play "The Parade" during the performance of which Elizabeth Collis gave an exhibition of baton twirling. Carrie Mae Donald played "Waltz" by Schubert on the piano and was followed by a "mexican-ola" sponsored by the Edson Band.

After the intermission Mr. Ted Yeomans' grade four pupils performed two square dances. Lyn Joy performed another violin solo followed by a dance routine "Sally Jack" performed by Lorraine Sabourin. Mrs G. Galbraith's grade 5 class delighted the audience with the puppet show Rosepetalthia. The Junior Jubilee High School performed a well received skit. The Highwaymen. directed by Mr. MacCullough, Shadow of vaudeville was revived by the versatile George Collis who played the banjo tenwhistle mouth organ and bones interspersed with jokes and children's Sandra Smith danced the twist and gave a display of baton twirling and the Edson Band concluded the evening's performance with the rendition of three selections.

Mr. T. Yeomans president of Home and School thanked all the performers and other volunteers who gave of their time and talent to make the evening's show the large success it was.

Well known actress appearing in Hinton

Acknowledged as one of Canada's finest character actresses, Amelia Hall was the first woman to step upon the stage at Stratford when Ontario's Shakespearean Festival opened for the first time in July 1953. This was as Lady Anne in Richard III, starring Alec Guinness.

During that same memorable season she also played the comic role of The Widow of Florence in Sir Tyrone Guthrie's production of All's Well That Ends Well starring Irene Worth.

Born in England, Miss Hall grew up in Hamilton, Ontario, majored in English and Philosophy at McMaster University, and in 1940 joined the Canadian Repertory Theatre in Ottawa, a then newly formed organization, and the only Canadian professional theatre open 35 weeks of the year.

Here she worked with such actors as William Hutt, Christopher Plummer, Eric Hoase, and Ted Follows, and it was from this centre that she was asked by Sir Tyrone Guthrie to go to Stratford in 1953.

She returned to the Festival in 1954 at the invitation of Cecil Clarke to teach at the Drama School, and in 1959 she returned as an actress when Michael Langham cast her as Mistress Quickly in the Merry Wives of Windsor. That same year she played with the company at the Edinburgh Festival in Henry V and in the Guthrie production of Oedipus Rex.

Her leading roles during four seasons at Stratford since that time have been numerous.

Miss Hall has also worked for both Sir Tyrone Guthrie and Michael Langham outside of the Stratford productions. In 1958 she appeared in the first two productions for Canadian Actors' Equity Association in Toronto and in the C ne Theatre, Toronto, and in 1959 was on the Toronto production of Rob ertson Davies' Love and Libel. Toronto audiences have seen her in leading roles at the Crest during four full seasons including the lead in Come Back, Little Sheba.

In the fall of 1960 she went out with the Canadian Players tour of the Eastern United States in Macbeth.

In the spring of 1961 she was invited to play at Stratford Connecticut, where she played Maria in Twelfth Night.

Miss Hall also plays leading roles in countless CBC Radio and Television productions, and previously worked with Andrew Allan on his famous Stage Series.

Most recently she played Alice Cassidy in The Unsinkable Barbara in Stratford, Ont., and in the Spring of 1962 was one of the two most popular actresses chosen for the Stratford Festival Universities Tour. During the summer she also played in three of the four festival productions

MacKay CWL active locally

By Mrs. Paulette Dunlop

The Lady of Lourdes Catholic Women's League held their January meeting at the home of Mrs. Pire of Nojack on the fifteenth of the month. The proceeds of the bake sale held at Robinson's store at Carrot Creek on January 26th came to $18.50.

The C.W.L. wish to thank all who bought home baking from the ladies. The lucky winner of the turkey raffle was Mrs. Cooney of Grosebury.

The February monthly meeting of the C.W.L. was held on the 12th at the home of Mrs. Fallis of Nojack. Six ladies were present. Father Ayling, our director, was also

MURRAY'S DRUG — MURRAY'S DRUG —

AS I SEE IT

by Pastor D. Rowe

A couple of weeks have taken my attention as recent events. Perhaps they do not mean much to you, but they do to me. I hope you will read them with a soft heart and spirit.

Rev. S. M. Finch, secretary for the Indian and Eskimo Mission Society in the Peace River area at 9 mile Akron, was returning with his wife and two daughters at 9 a.m. on March 9 was pushed, "Take a rather has come to you. Have you read it?"

Road construction forced them to stop at one point, and the car was soon surrounded by a crowd of onlookers eager to buy the antiques. One boy who had no money was offering a squirrel which he had caught. When he noticed Mr. Finch's daughter's interest in the animal he offered it in exchange for a Bible. The girls happily paid for two Arabic Gospels for him, and received the squirrel which they quickly named "Sammy."

Sammy travelled on with the family and settled in as the family pet, to remind them of his first owner who had exchanged his night's supper to find food for his soul.

In Minneapolis, Minnesota, reports on the number of people who read the Bible through in 1962 as part of a denomination wide emphasis have flooded the national headquarters of the Evangelical Free Church of America, according to a reliable News Service.

None carried the impact of one from Roy Manley, St. Petersburg, Fa. Roy, 9, is blind and he completed the task in eight months, not the twelve planned by sighted persons.

He did his reading on an 18 volume Braille Bible given to him through his church by the American Bible Society. Recently, Roy shared the project with his pastor to tell the congregation what the project had done for his spiritual life.

No appreciation is needed, is it? We simply suggest that you look up such passages as Psalm 19:10; Psalm 119:72, 97, 103; Jeremiah 15:16. (I think it might do us some good to discover what someone else thought of God's Word.

Roseveor News

Mr. and Mrs. Laughans, Mr. A. Maurer and Wayne came out from Edmonton for the week-end. Mr. A. Maurer and Wayne staying with the maurer family while Mr. and Mrs. Fred Laughans went up to Hinton to visit their daughter Mr. and Mrs. Ed Langhans and family.

Mrs. L. Pearson returned from a ten day trip to Ontario attending conventions at Calgary, Regina, Winnipeg, Fort Arthur and Toronto. This trip was sponsored by the Farmer's Union and Co-operative Development Association for a twinner to each District. Mrs. Pearson reported a most enjoyable and worthwhile trip.

Erwin Maurer Jr. came from Whitecourt for a couple of hours Saturday evening to visit his family before he moved to Swan Hills where he is working on the pipeline.

The next regular monthly meeting of the Peers Home and School will be held Tuesday, Feb. 26 at 8.30 p.m. in the Peers School.

How Many Beans . . .

Perhaps you, too, stood outside a store window in your youth and tried to estimate the number of beans in a display.

Guessing the circulation of a newspaper was once quite a game for advertisers, too.

But the Audit Bureau of Circulations took all the chance out of this game. A.B.C auditors don't stand outside and estimate—they come inside the publisher's office and count.

When the auditor is finished and his precise findings published, well there's just no room for guessing.

It's all there in his report—how much circulation, where copies were circulated, how much people paid, and some of the reasons why the people bought our paper.

There's no reason to guess about the circulation audience you get when you advertise in our paper. The facts are down in black and white for you to see.

Ask for a copy of our latest A.B.C. report.

AND CHECK AGAINST NON-AUDITED CLAIMS

EDSON LEADER

PHONE PA3 - 3330 — EDSON

This symbol represents our membership in the Audit Bureau of Circulations, your assurance that our circulation facts are verified by independent audit, measured by recognized standards, and reported in standardized reports. These audited facts, available without obligation to interested persons, provide a factual basis for advertising rates, evidence of subscriber interest, facts on market coverage, and facts for appraising our circulation quality and editorial vitality.

PROUDLY DISPLAYING THEIR TROPHIES at the end of the Elks Bonspiel two weekends ago are members of the Danny Suttner rink who defeated the Percy Wells rink in the A event. Left to right Mrs. B. Goldstick, lead, Walter Fowler, second, Mrs. K. Weytiuk, third and Dan Suttner, skip.

RUNNERS-UP IN THE ELKS SPIEL were members of the Pete Rybicki rink who defeated Bert Koeffer rink in the B event of the spiel two weeks ago. From left to right are Mrs. G. Siebel, lead, Tom Johnson, second, Mrs. R. Madurak, third and P. Rybicki, skip.

Robb and Branch News

Mr Frank Heil of Edmonton arrived home Friday night accompanied by Mr. and Mrs. Charlton Sr., who are visiting here at their sons home. Mr. Heil returned to the city Sunday evening accompanied by Mrs. Margaret Carlton and son Freddie

Mr and Mrs. Lloyd Davis and family of Edmonton were overnight guest of Mr and Mrs Steve Orlesky on Saturday visiting the P Kennedys on Sunday returning home on Sunday evening. Mr. Davis and daughter are looking very well after their near tragic accident in the city last Fall.

Mr and Mrs. George Phillips Jr accompanied by Mr. Phillips Sr. were weekend guests of Mr. and Mrs. Gary Cooper talking in our Valentine Dance. The Phillips returned home to the city Sunday evening.

The local Valentine Dance seemed to be a very enjoyable one with the exception of a few over exuberant from outside points enjoying themselves too freely, which cost them a lot more than their door ticket.

Mr. Peter Rabic purchased a new station wagon again and on the way home from Robb had the misfortune to hit the ditch causing quite a bit of damage None of the passengers were hurt. It keeps our local garagemen out of mischief towing all the new cars purchased on the Branch east of the snow bank.

Mrs. Kennedy accompanied by Patsy Kennedy and Alice were visitors to Edson Sunday to find the town nearly covered in Streets and side walks were filled making it almost impossible to get mobile.

Robb experienced some snow but very mild.

Don't forget the show on February 23rd "Tarnished Angels" at the Robb Community Hall commencing at 8

Edson Midget defeat Hinton

The Edson Legionaire Midget Hockey team, playing at Hinton on Saturday, Feb 16 lost their first game of the season when the Hinton Midgets downed them 8-3 in an exciting 20 minutes of play. Their goalie, Dale McIntyre and Wayne Gordon were absent from this game

Playing on rather soft ice both teams had a number of penalties dished out to them.

Marc Irwin was top goaler for Edson with 2, Ed Mc May 1, Reed LaBabe 1, and Rick Gardeney 1

Although Edson lost this game they won the 2 game total points 13-8. The finals of Zone 3 will be a two game total point series with the first game being played at Drayton Valley on Wednesday, Feb 20 The return game will be played at Edson on Saturday, Feb. 23 at 9:30 p.m.

The attendance at local games has not been good Surely the boys are not expecting too much to at least see their parents there They would also like to have as many people besides their parents as possible turn out for this game on Saturday

Hoopsters keep interschool trophy in Edson

The Edson High School basketball team did it again! For the seventh straight year in a row they have upheld the honor of having the interschool basketball trophy in their show case

In a close scoring game they defeated the Hinton team 27-23 on Saturday, Feb. 16 at Hinton.

Line-up: Captain Wayne Michener, Co-Captains David Keyes, Fred Klein, Teddy Worton, Louis Stupar, Wayne Mallet, Wayne Gerding, Gordon Chapman, Dale McIntyre, Raymond Rolheiser, Aldo Gambin.

The majority of these boys started basketball this season and much credit goes to their coach, Mr. Colborne.

The team has a few more exhibition games before the basketball season closes.

EDSON CAN BE PROUD of their 1963 high school basketball team who returned from Hinton last Saturday evening bubbling over with excitement after winning the interschool basketball trophy. Back row to right are Gordon Chapman, Wayne Michener, Wayne Gerding, Fred Klein, Dale McIntyre, Ted Green and Peter Dupre. Front row: Ted Worton, Louis Stupar, Gerding, Fred Klein, Dale McIntyre, Ted Green and Aldo Gambyn. Raynold Rolheiser and David Keyes. The boys are coached by Mr. Colborne. —Leader Photo

Horner claims Liberals put their party first

In a prepared statement issued this week Dr. Hugh Horner, MP for Jasper-Edson in the late House, got off a few remarks on the current political scene from the point of view of a government member of parliament.

"This Parliament has accomplished little," said Dr. Horner. "Remember before you accuse the Government of indecision and no progress that the Government places the legislation before Parliament — which it has done — but it is not passed until the last Opposition speaker has spoken. The Liberals were in a power hungry mood and again have put their Party before their country.

"Remember the last election — the gloom and doom they predicted," he said. "What happened? Canada had the best year of any country in the free world, including Europe, the United Kingdom and the U.S. They said the cost of living would skyrocket again. Canada had the lowest rise in living costs.

"Now in Defence," he continued. "Take a national look at it. Our policy is no nuclear arms at this time. As simple and direct as that. There are changes taking place every day in weapons which make it impossible for us to keep up with this race. We need strong conventional forces. We will agree to a Defence NATO force if all the other countries agree. The daily press have said we must decide yes or no now — what nonsense!

"So now another election, and we are being advised by the "Big Money Boys" against Anti-Americanism. My only question is, "Is it a sin to be a Canadian?" If so, I am a sinner.

"I believe," said Dr. Horner, "that the next election will determine Canada's future status as a country. I have never been prouder to be a Conservative and a supporter of the Prime Minister. When the history of this period is being written, I am not afraid of what they will say about Western M.P.'s

"There is no room now in Canada for spinster parties," he emphasized. "No amount of rhetoric will show me that Social Credit or N.D.P. have offered anything beyond the same old superficial attitude. We must now decide whether the people are going to run their country or whether a few wealthy people are going to run it for us."

MARLBORO NEWS

Little Tommy Moyan is ill and in the St. John's Hospital.

A Valentine party was held in the school on Thursday, afternoon for the younger children and everyone had a nice time.

Mr. and Mrs. Lauderbach entertained the children in grades 4 to 8 in the community Hall on Valentines Evening from 7 to 9 a.m. Thirty-one attended and all had a very good time.

A dance is being held in Marlboro Hall on Friday Feb. 22nd. With the Otrumba Blazers playing, all are assured of a good time. Admission is $1 for adults, $50 for students.

Mr. and Mrs. George Chorney are selling their furniture as they will soon be leaving for Victoria B.C. to live. Anyone needing good second hand furniture, stoves pressure and fridges and cupboards, should call and see them soon.

Raymond Johnson hurt his left hand very badly while working in a camp out of Drayton Valley.

Mrs. Judith Lovell celebrated her birthday on Sunday with a family dinner.

An election for school Trustee was held in the school on Saturday, Mr. R. C. Lovell and Mrs. Amelia Wahl were the returning officer and Secretary.

Around Town

Mrs. Howard Walker has returned from a trip to Edmonton where she attended a constituency executive meeting for the New Democratic party, then continued on to Saskatoon to visit briefly with her son and family there.

☆

Mr. and Mrs. Jim Williams and Mr. and Mrs. Neil Johnston motored to Hinton recently to do some bowling. What a pleasure it will be when Hinton finally has her own bowling alley!

☆

Among those from Edson who took in the junior boys hockey games at Jasper on the weekend were the McCullaughs, D. Murray's, R. Kheldhanch's, and the Pat Ware.

☆

Mr. and Mrs. H. Coleman of Brooks, Alberta, visited with the Potters in Edson recently.

☆

Mr. and Mrs. Jack Pattison have returned from Banff and Calgary. Mr. Pattinson attended a week-long insurance seminar at Banff while Mrs. Pattinson visited with sisters at Calgary.

☆

Mr. and Mrs. Oscar Ramieh were recent city visitors.

☆

Mr. and Mrs. Jerry Bowman and girls of Edmonton weekended in Edson and district. Mrs. Bowman is the former Pat Pyth.

☆

Congratulations to Mr. and Mrs. Johnny Nyman on the birth of a baby girl. Apparently it was thanks to the town grader that she was born in St. John's Hospital.

☆

Mr. and Mrs. George Whidden and boys of Edmonton were Edson visitors on the weekend.

☆

Mr. O. Price, now with the C.N.R. in St. Paul was home with his family on the weekend.

☆

The Gilhams were Jasper visitors on the weekend.

☆

Miss Jeanette Wegener of Bellenbay, Alberta, sister of Mrs. Joey, is holidaying here following a term with the Air Force. Miss Wegener has just recently returned from France.

☆

Oral Gerard's classes with Mr. O. Geehring as instructor have begun at the Edson High School, and will be held every Monday evening from 7:30 to 9.30

☆

Mrs. Fred Armstrong was honored recently at a shower for her twin boys at the Red Gregg home. Beatrice Mrs. Terry Rome had organized games for the opportunity's twenty guests. Following the presentation of the many lovely and useful gifts, a delicious lunch was served. Tony is still shocked at the advent of twins, and is wondering if anyone has a twin baby carriage for sale. Incidentally, there are identical twins.

☆

Mrs. Kayes and Mrs J Pat Pattinson attended a women's presbyterial annual meeting for the United Church in Edmonton recently.

Rev. and Mrs. MacPherson and Mrs. Kortzman also attended the evening sessions.

☆

A friend of mine was lamenting the fact that calories are put in all the wrong foods' I couldn't agree more thoroughly; as far as I'm concerned the good Lord could have put all the calories in agreeable in such things as lettuce and celery, and left them out of banana splits, chocolates and whipping cream.

☆

If your tots go through so many pairs of mitts as mine do, here is a suggestion that might help you. Take a worn out sweater/pullover or cardigan, and using the ribbing as cuffs cut out about six or eight mitts, including thumb. Don't forget your seam allowance! Now sew two of these together and you have a mitt!

I was glad to hear that our Edson contingent will be the winner. This indeed is a big step forward, and notable milestone for the Optimists.

☆

Mistakes after all, do serve a purpose — our friends find much pleasure in pointing them out to us.

☆

I am complaining this week about:

— staples being used on grocery bags, I put my arm on an open staple nearly two years ago and still have a scar. Yesterday I grabbed a box of groceries to pull them closer to the cupboard, and then open my thumbnail not quite the last! There ought to be a law!

— children walking so nonchalantly in front of a car and expecting the motorist to stop — and parents who don't warn their children that icy roads makes this an extremely dangerous pastime.

— motorists who park directly across the street from a parked car, making a one way street.

Haddock Happenings

We see Mr Milner is back again after another stay in the Col Mewburn wing of the University Hospital for treatment of a chest ailment. We hope he continues to improve.

There was a good turn out at the annual meeting in the ham School on Feb 12 and a good turnout for the voting for trustees on Feb 19th.

The weatherman is very undecided — forcing or Winter these days. Our oldest resident, Wm. Fischer found a butterfly crussing around in his porch during the recent thaw. Now we have almost a foot of new snow again.

Tom Haddock and Louis Pearson took a trip to Thorsby last Sunday.

Mr and Mrs. G Hougen and Edmonton were out visiting in Mrs. Hougers parents, Mr and Mrs. George Priebe last week-end.

Mr. and Mrs. Middleton, Bill and Paul also Ray and Jim Nelson Lovell of Edmonton were weekend visitors at Fred Johnston's.

The Whist drive at Pulham school on Feb 16 had a very small crowd but netted $8 The Home and School Association are having another whist and crib tournament on March 9th in Pulham School. This is for scholarship and rink money. Please turn out.

Over 200 attend Scout father and son banquet

The Edson Boy Scouts' Father and Son banquet on Thursday evening, was attended by some two hundred guests, in dicative of growing in Edson of one were to judge such an event by looks of satisfaction and youthful exuberance, it was a bowling success. A slight flurry was caused when it was decided that more seating accommodation was necessary.

The proceedings were co-chaired by Reydon Mahon, Chairman of the Group Committee and his son, Troop Leader Bill Mahon. Peter Pollings proposed the toast to the Queen. Greetings from the provincial and local government were extended by Hon. H. Willmore, MLA and Mayor "Bud" Brunelle. Mr. A. D. MacPherson and Majistrate Keyes spoke briefly.

Queen Scout Ken Jarvis proposed a toast to the memory of Lord Baden Powell. Wolf Cub Allan McKnight responded to Fathers and in response, his father Mr Joe McKnight, proposed a toast to "the Boys."

With the conclusion of the formalities, the business of the program took place around the campfire. Here Scouts and Cubs participated in skits and songs Mr Guy Cecil, President of the Edson Yellowhead District Council, spoke on World Brotherhood in Scouting and the various really important part that Canada is playing in World Scouting. The World Scout Bureau has been moved to Ottawa from London, England, and has a Canadian Maj Gen Spry in charge.

In the absence of the District Commissioner Dexter Champion, the presentation to the Scouts of Queen Scout Badges, "A" Cards and Proficiency Badges were made by Skipper K Wallace

Skipper Wallace made the following presentations:

To Ken Davidge — Queen's Scout Badge and Pathfinders, Entertainer, Firearms, Despatch Rider, Cub Instructor, Forester and Wildlife Conservationist Proficiency Badges, also "A" Cards.

To Ken Jarvis — Queen's Scout Badge and Cub Instructor, Miner, Despatch Rider, Angler, Launderyman, Handyman, Firearms Proficiency Badges, also "A" Cards.

To Troop Leader Wm. Mahon — Handyman, Kneteer and Gardeners Proficiency Badges.

To Allan Bennenuth — Wildlife Conservationist and Cub Instructor Proficiency Badges.

The introduction of their very popular Akela, Cubmaster J Oliver, always brings forth a spontaneous and hearty warming response from the Wolf Cub Packs. The Grand Howl, given as a salute to Fathers and Mothers went off with surprising precision.

Akela presented Scouts, recently flown up from the Cub Pack with Looping Wolf Badges, among those to receive the awards were Douglas Abel, Pat Marvoff, Grant Schultz, Frank McCullough, Ken Kostyniuk, Donald Bergsnes and David Wynne.

The Campfire Program climaxed with Taps and the Lord's Prayer which was followed by a short film on winter survival in the bush sponsored by the R.C.A.F

CARD OF THANKS

We wish to express our sincere gratitude to all those who so kindly and generously helped us during and after the fire which destroyed our home.

Allan Marr and Family

Cubs AND Scouts

CUB CALENDAR

"A" Pack meets Monday, 6.30 p.m. in the A. H. Dafoe School.

"B" Pack meets Wednesday, 6.30 p.m. in the A. H. Dafoe School.

SCOUT CALENDAR

Golden Arrow Training (Part 2) for Patrol Thursday, 6.30 p.m. followed by regular meeting 7 p.m. at Optimist Boy's Camp.

Mass church parade to be held Sunday morning, February 24th. This is Badge-Presentation Sunday both Cubs and Scouts are requested to attend.

Each Scout will be asked to donate a minimum of 50¢ to that the Edson Troop can make a cash donation toward the World Brotherhood Scout Fund. This Fund is to assist Scouts in underprivileged countries.

Edson Boy Scouts will be changing the colours of their totem Edson residents who find it a hardship to do so. Canadian Jamboree, film taken at Ottawa, 1958, will be shown at the regular Scout meeting, Thursday, February 28th.

World Friendship Proficiency Badge may be earned through correspondence with Scouts of other lands.

A Bottle Drive to be held Saturday, March 2nd for Cubs and Scouts. Trucks will pick up the boys at the Union Church or Parish Hall.

Scouting for the Handicapped

The Aim of Scouting with the Handicapped is to help more boys help themselves; to develop either their disability; to improve what the boy has, rather than dwell on what he lacks.

The Boy Scouts of Canada are continually bolstering new programs for the mentally retarded, the blind and the crippled boys confined to hospitals. The results are most gratifying. A lad with a serious speech impediment has joined his Tenderfoot become his hero his tests and repeat the Scout promise with the World Brotherhood Scout Fund. This Fund is to assist Scouts in underprivileged countries.

A lad with a serious speech impediment has joined his Tenderfoot become his hero his tests and repeat the Scout promise with the World Brotherhood Scout Fund. This Fund is to assist Scouts in underprivileged countries.

Mistakes after all, do serve a purpose — our friends find much pleasure in pointing them out to us.

☆

I am complaining this week about:

— staples being used on grocery bags, I put my arm on an open staple nearly two years ago and still have a scar. Yesterday I grabbed a box of groceries to pull them closer to the cupboard, and then open my thumbnail not quite the last! There ought to be a law!

— children walking so nonchalantly in front of a car and expecting the motorist to stop — and parents who don't warn their children that icy roads makes this an extremely dangerous pastime.

— motorists who park directly across the street from a parked car, making a one way street.

Adult classes pay for themselves

After some initial misgivings at the Home and Business executive meeting a report was given on the adult education program in Edson. The program is well founded financially paying for itself so far

In addition to the original three subjects there are now classes in public speaking, basic English, oral German and three sewing classes of 12 members each. An advanced sewing class is being planned.

The hope was expressed that anyone interested in taking any classes would inform Mrs. M Walker or Mrs. J W. McKnight so that lists could be made up for September when the program would recommence. There is even a possibility that Edson's adult education classes will spread to other areas of the Edson School Division.

The program committee reported the program for the month coming monthly meeting. The subject will be "Recreation in Edson". Members of the Town Council including Mayor Brunelle and members of the recreational board as well as others will speak on the present and future recreational facilities in our town.

It is expected that the area will be a major subject of discussion Plans are under way to build additions to the present building as well as installing artificial ice This, of course, is a major project and all those interested in toy sports particularly are urged to attend to express their opinions and to learn what is going on.

Town and Herd

By DEM

We did it! That old basketball trophy that has lived in the Edson High School for at least seven years (we'll have to check on that tomorrow) will stay there for another year We edged out Hinton on Saturday. Those Hinton boys are real sports and we enjoyed every minute of the time we spent there.

☆

Our erstwhile school pal, Hood, is working at Gus Stelter's Plumbing Ltd. Just phone and his golden voice greets you with a pleasant "Gus Stelter Plumbing."

☆

Midgets was the district play-offs at Hinton. Went to them win the Zone 2 championship! Just go to the arena Saturday, Feb. 23 at 6:30 and see them perform — even Dale and Wayne.

☆

Who was experimenting with neighbor and was brought it to school and it were raised a "stink."

☆

Peter, Paul did Dave didn't get home until the wee hours. Wonder what kept them so long?

☆

Glad to see Jeanie out of the hospital.

☆

Nick, Ken, Rick, Mitch and Teddy are really going high lad. They plan on going to Edmonton Friday for the Varsity Game Weekend.

☆

Happy birthday to my youngest pal, Aubrey.

☆

How did that friendly picture of Gerald Plamondon, got on the bulletin board? You should have seen all the girls admiring it.

☆

Ted Green is resigning as vice president of the Students Union.

☆

Kevin McDonald, Queen candidate from Jubilee Junior High is very shook. Better get crackin' you other girls.

☆

Any member of the hooker, ball and or Midget hockey team, or their admirers, who would like a print of the picture taken at Hinton may have same for 50c in advance.

☆

Sure feel sorry for poor Natalie. She was sick for two days—which reminds me, we had exams both them days.

☆

A good idea for the year would be — someone should look in on the Phys. Ed. class when they are square dancing. Those boys who do not have a girl partner, make up their own squares — such grunting such fairy-like dancing.

☆

Kinteen Beniplel is March 16. We like the idea of including the Jubilee Juniors in our spiel. They have to be members of the Kinteen Club before they can run! Why not join now!

☆

Good curling to the boys who are going to represent Edson High in the bonspiel at Jasper this weekend.

☆

Too bad it's closed season on "Homo." (Get it?)

Sun Life strides ahead in insurance

Sun Life Assurance Company of Canada told newspaper than one billion dollars of life insurance in 1962 for the fourth consecutive year and will increase policy dividends [illegible] Edmonton Journal

Forward strides by the Sun Life during the past year also included the mutualization of the company, which was commenced in 1958 and completed in December 1962.

The Edmonton Branch reported that Sun Life sales last year of $1,128,446,000 were larger than those of any other Canadian life company, and brought total insurance in force with the company to $15,840,722,000 This is an increase of 8.6 per cent over 1961 Of the total $4,395,688,000 is in Group life insurance and the balance in individual contracts

During the year the company paid $190 million in policy benefits of which two-thirds was paid to living policyholders and annuitants and one-third to the beneficiaries of deceased policyholders Dividends to be paid to Sun Life policy holders in 1963 will be $46 3 million — five per cent more than the 1962 policy dividends

Sun Life assets invested in government and municipal bonds, corporate securities mortgages and real estate, increased $192 million in 1962 to almost $6B0 million is in excess of $2,952,033,000 Of this a record, mostly on residential properties

At the company's annual meeting in Montreal, President Alistair H. Campbell spoke on general economic matters and said long-term solutions should be found to Canada's financial and trade problems He said the country's reputation in financial markets suffered from the events leading up to the exchange crisis last summer but was gratified to observe an steady improvement in Canada's foreign exchange balances since then

The discount dollar at 92½ cents U.S. seems appropriate to current circumstances, but he warned, that the benefits being derived from the discount dollar are temporary and will disappear if costs are allowed to rise further, thus eliminating the competitive advantages gained

"Our financial and trade problems are assuming better defined and adequately delineated by facts and figures but there is still a great need on every to find long-term solutions to them and action should not be delayed A repetition of last summer's crisis could result in permanent and serious effects on our financial structure."

The life insurance industry in 1962 submitted a brief to the Royal Commission on Health Services in which Mr. Campbell referred. In this brief the companies said that an adequate plan of health care must be made available to all Canadians, regardless of their age, the state of their health, their occupation or where they live Toward this end the companies presented plan of comprehensive health care which Mr. Campbell said is an extension of the voluntary health insurance coverage now available to Canadians and already served by half the population. Under this plan government funds would not be required except for people who cannot afford the premiums and therefore the cost through taxes would not be great Government would be very much less than for government health insurance scheme, he said

"The insurance companies, experienced as they are in the field of health insurance, feel that their skills and their system make an effective contribution to an early and substantial extension of health insurance in a form suited to Canadians."

Mr Campbell speaking on the state of the economy referred to the "unusually large number of corporations" which have changed hands by means of [illegible] by government and non resident corporations "Since our economy is based on a free enterprise system, any move to the principles of private enterprise" he said "there are obviously limits to public ownership without diversion of the economic principles on which the smooth working of the economy depends."

He said publicly owned enterprises, being relatively free from the disciplines of the market-place are sometimes governed by other than economic considerations Yet the highest degree of economic efficiency is essential to the achievement of high levels of employment and living standards in Canada It is also necessary to maintain the confidence of investors in the future of investment in Canada

Mr. Campbell said the other aspect of the problem involves [illegible]

Government owned used surplus motor vehicles

Sale No. 63-1

A TENSE MOMENT in the boys basketball game at Hinton on February 16 when Edson boys successfully defended their inter-school trophy and defeated Hinton in an exciting, well played game. Final score was 37-32 for Edson. Here, Bob Saucier of Hinton deflects Fred Klein's attempted shot on the Hinton basket which is about to be picked up by Edson's David Keyso. In the background can be seen Hinton's Lon Gamache.

Juv. delinquency panel draws good turnout

A public meeting was held in the Elk's Hall on Monday night to discuss the problem of Juvenile delinquency. Dr. F Cohen chairman welcomed the audience He said that, although the idea of this meeting had originated at a meeting of the New Democratic Party the evening was to be entirely non-political and informal.

The subject was a tremendous one to which no one as yet had the answers, much further study was needed. Dr. Cohen introduced the members of the panel Mr. M. D. Meade, Rev I. Halliwell and Cpl. John Russell

Originally Magistrate P. Keyes and Chief of Police J MacDonald had agreed to speak on the panel. Both of these had been suddenly called to another meeting and Cpl. Russell had agreed to take over at very short notice

Mr M D. Meade spoke from years of experience with young people. He stressed that usually by the time a child entered high school he was or was not already a potential delinquent. He resented the statement of sociologists who blamed the school for the delinquent using the school as the whipping boy for being the cause of this problem. The cause of delinquency must likely lay at the home and was expressed at school in anti-social and anti-authority behavior.

The potential delinquent did not make friends with the general student body or take part in their activities said Mr Meade He is either a loner or tends to seek out others like himself to churn up with Whatever measures are taken to re-orient the potential delinquent should not be school centred. Any such program would be an entire failure, as the young person involved is already irked by and protesting against school authority.

Rarely is a teacher as such said Principal Meade, effectual in producing any reform. Our school in doing considerable extra-curricular work in the form of group sports, basketball, badminton, etc., but these young people do not come to any such activities As these sports do not attract the potential or actual trouble maker careful thought should be given to this before entering on any further recreational facilities construction.

It is possible, he said, that no teacher or recreational leader may attract these youngsters. It is also possible that a different kind of sports might attract them. In the nature of the school which has to cater to the mass rather than the individual school sports tend to be group sports where one instructor can oversee a considerable number of pupils. These youngsters might be attracted to such individual sports as boxing and wrestling.

The physical environment of the school as such is already irksome to these pupils who protest the numerous rules of the building. (take off shoes, wear certain clothes, be careful of furniture, etc., etc.) Any activity undertaking under a completely different physical set-up (cement floors, cement walls, etc) might be successful.

Cpl. J Russell gave some short factual information, mentioning the two acts especially dealing with the subject: the Juvenile delinquency act of 1929 which is a federal act and the child welfare act of the province. Under the federal act a Juvenile delinquent is a person of 16 or under committing a felony, but each province had the right to specify their own age In Alberta a juvenile is a boy up to 16 and a girl up to 18. Ages varied from province to provinces.

Rev. I. Halliwell spoke on the basis of his five years experience as a probation officer in Edson. Originally he had been a probation officer for all offenders, but now only looks after juveniles in the town of Edson. He gave a short talk on the function of a probation officer, as the person in court looking after the child who was in no way connected with the legal aspect of the case.

It was [illegible] officer's function to [illegible] investigate the background of the offender and also sent to bring these facts to court. After the offender had been placed on probation (which most likely involved certain restrictions to his way of life such as: being home at a certain time of day, not entering certain public places, not associating with certain individuals, etc it was the probation officer's task to serve in a supervisory capacity NOT as a babysitter.

Rev. Halliwell said im was very glad of Dr Cohen's word that this was to be a non-political meeting as he could think of nothing more tragic than to make the problem of juvenile delinquency into a political football There is no one certain place (school, church, clubs, etc.) which will provide the solution to this problem.

The problem certainly exists said Mr Halliwell and is growing. The immensity of the problem might be better understood if one considers that for every case of juvenile delinquency not only the child himself is involved, but also his parents and his brothers and sisters. The school is being a lot in this regard, but teachers cannot be expected to look after the problems of one child while neglecting the rest of the members of the class In Mr Halliwell's opinion it was not a question of juvenile delinquency, but parental delinquency In his case file 88% of delinquents had their origin in the home, the child then taking out his home frustration outside against the community.

In his experience said Mr. Halliwell, he was appalled to the number of parents who would refuse to come to court with their child once he was in trouble, refusing to accept their own responsibility and wanting others to take over.

How to bring these youngsters back as effectual members of the community? This was a question to which Mr. Halliwell did not know the answer. He strongly stated that sending them away to institute was NOT the answer. In his experience this had only made the offender worse and he has handled only one case where improvement resulted from this kind of punishment.

He strongly felt that a big help might be the involvement of an interested person not connected with the law or the school who would take an interest in the child and give him what he probably missed in the first place namely LOVE.

A question and discussion period followed, some of the points brought out were as follows: Age. It was felt that the age of the juvenile should be established across the country and not differ from province to province. Mr. Halliwell stressed the fact that the physical age really was not that important. A young[illegible] of 16 might be much more mature and actively antisocial than a youth of 17 or 18. In such case the individual should be considered rather than the offense he said.

To the question "Why does the law not punish the parent" it was not explained that the law does at times. Parents may be made to pay fines, damages, etc., and there have been cases of the parent being confined to jail for the offense of his offspring

The question was raised whether it would be good thing to supply needed information and recreation to these youngsters as well as the sports already provided. Mr. Meade did not feel that this would be of any help as most of the young people involved come from the lowest quarter of the school intelligence rating, most of them having persistently failed in their school work.

The question of truancy was discussed and the feeling expressed that truants often turned into delinquents. It was thought that the appointment of an effectual truant officer in this town might be a help.

Specific resolutions from the results of the panel are being turned over to the various political parties for their consid-

Constructive year for town is shown at annual meeting

One of the best turnouts of ratepayers, 44 by count, were on hand on Monday to hear the reports by the Edson Council on their stewardship of Edson affairs during 1962.

Mayor W.R. Brunelle in his opening remarks expressed the satisfaction of the Council in having a reasonable turnout and pointed to the evidence of a constructive year. Confidence in the future was implicit he said in the Council's planning for years ahead.

Mayor Brunelle emphasized the responsibility of the ratepayers to guide and direct its Council and insisted more regular attendance at meetings of the town Council

The Mayor paid tribute to the devotion of members of the Council and to the performance of service by the various departments of the town, as well as Civil Defence, Edson Health Unit, Northwestern Utilities, Calgary Power and Alberta Government Telephones. He praised the contractors Okeditch and McAlpine for their performance on town contract work, as well as to such voluntary bodies that work for town protection and betterment as the Fire Department.

Referring to the Makale Report and the Interim Development Control adopted by the Council in 1962 he underlined the policy of establishing a low land sale price of $10 per front foot. He also indicated the advantage of Edson possessing land for development

He reminded the meeting that this land is the heritage of the community and such a valuable resource must be upped by the citizens for the extension of its amenities and toward the establishment of a fund for the acquisition of land for future growth.

Besides Mayor Brunelle, Councillors H.E. Collins, A. Goldstick, M.D. Meade, J. Scuti and P.W. Wells, as well as Town Manager R.C Gray were present to report to the ratepayers on their departments

Mayor Brunelle read the Municipal inspector's Report and reviewed action taken with regard to the items in dealt with.

Town Manager reported on the Financial Statement, dealing in particular with Budget against actual expenditures, indicating that actual expenditures had been held very close to estimates in each Department except for the authorized over expenditure in the water department for exploration of approximately $4,000.00 and in the area of Winterworks.

The over expenditure in Winterworks had resulted from Council setting up winterworks projects in the fall and subsequent to the establishment of Budget.

Town Manager explained that Senior Government contributions to capital Winterworks projects was shown as capital grants and not as revenue, as opposed to estimates, which resulted in a deficit of $30,783.78 against the planned deficit of $12,027.00.

Councilor Meade reported for the Works Committee on the absence of Councillor Kortzman indicating

School Division voters return George Monsma

George Monsma of Peers was elected to serve a second three year term on the Edson School Divisional Board by the ratepayers of Subdivision No 4 according to results announced by Returning Officer D S Blundell

Mr Monsma received 98 of the votes cast while John J. Rosslin, of Haddock, received 61 votes There was one spoiled ballot

Polls were set up at Peers, Fulham, Marlboro and the Divisional Office in Edson

Other members of the Divisional Board are Chairman A. W. Leonard of Edson, J. H. Lawton of Hatisford, D Hesdon of Wildwood, A. L. Pasak of Wildwood and M. Kozakewsky of Hinton

Mr Kozkrowsky was elected by acclamation to fill the position of trustee occupied by M. McLeod of Hinton, who did not stand for re-election

C of C to set up "Tourism" committee

A highlight arising out of the Chamber of Commerce February meeting addressed by Mr. R.S. Bryant, Director, Alberta Travel Bureau, of the Provincial Government Dept. of Industry and Development was the decision of the Chamber to set up an active working committee on "Tourism."

Mr. H. G. Redbourne introduced the speaker who gave a very interesting and informative talk on "Tourism" well supported by statistics which show it has become big business in Alberta. Mr. Bryant urged the Chamber of Commerce to plan to attract visitors to Edson because of its strategic position in the approach to the National Park

He pointed out where the right kind of facilities are available for tourists to stay over for a day it is estimated that $15.00 a day is spent by each tourist.

The President, Mr. Walter Fowler, extended to the speaker the warmest thanks of the members of the Chamber for his fine talk and expressed the hope he would return to address us at a later date.

The Budget prepared for 1963 by the appointed committee was presented by the chairman Mr H. G Redbourne After it was duly seconded a lively discussion took place. Mayor W. R. Brunelle remarked that no provision had been made for any development of "Tourism" which it, as pointed out by the guest speaker of the evening, an excellent source of revenue to boost the economy of the town.

The Mayor also advised the meeting of the proposed information and tourist centre which the town intends to construct at the East approach to the town and said that in future as Edson becomes the turning off point for tourists taking the shortest route to Alaska the centre will be most advantageous.

He expressed the opinion that the does of the members, which in the budget had been proposed to be the same as last year, should be increased to promote with stability the industry of "Tourism "

Mr A W. Leonard in a statement with the promotion of "Tourism" expressed the opinion that the does should remain the same as last year to cover the proposed expenditures and that where in the future the Edson Chamber of Commerce has a clearly defined project and objective in the development of "Tourism" a special assessment could, in all probability, be asked of the members.

In this mutual interchange of thoughts and supported by members of the Chamber it was decided to appoint a committee on "Tourism" to investigate all phases of the pur-

The budget and rate of does was carried unanimously

A fine gathering attended this meeting and the Chamber asks all members to make a point of attending these monthly meetings held on the 3rd Wednesday of every month Interesting speakers have been arranged for the next two meetings

The Executive meets Wednesday March 6th at the Edson Motor Hotel at 7:30 p.m

NDP speaker says stable government needed

Canadian electors would be confronted with two issues in the forthcoming federal election campaign, the issue of stable government and the issue of nuclear arms, Dr. Dow Dent, president of the Alberta New Democratic Party, told a nominating convention in Evansburg last Saturday.

These issues would be the ones the other parties would be talking about, said Dr. Dent. The Liberals would be telling the people that only by electing a Liberal government could Canada have a stable government.

The Liberals were obviously hoping for a repetition of the 1958 election, only in reverse, and they would hammer away at the theme that a vote for any other party but the Liberals would mean unstable government

Everyone in Canada wanted a stable government, said Dr. Dent, but Canadians needed the right kind of government. The Conservative government elected on 1958 had been the most "stable" government that Canada had had since Confederation but it had gotten the country into an even deeper economic mess than the previous Liberal government had.

As far as the nuclear arms issue was concerned, the New Democratic Party was the only political party in Canada today with the integrity and courage to take a definite stand on the issue of nuclear arms and to stand by their convictions.

The policies of the other parties on the issue appeared to be dictated by political expediency alone. The three other parties had vacillated back and forth before taking a stand because they were trying to figure out how the people of Canada felt about the issue.

The Conservative government had bought missiles like Canada had but Diefenbaker had put his toe to the ground and found 38 percent of the Canadian people wanted them and 38 percent didn't, so he decided to just go half way, said Dr. Dent.

The government decided not to arm the missiles with nuclear warheads as it could say to the people who wanted nuclear missiles that the country already had them and for the benefit of those who didn't want them, that Canada had no nuclear missiles because the missiles were not armed with nuclear warheads.

"The Americans think we're crazy," said Dr. Dent. "They say if we aren't going to arm our missiles with nuclear warheads, we should send them back to the States and let them arm them, not just stay in the middle."

The Liberals' stand on nuclear missiles had been just as stupid as the government stand. The Liberals wanted warheads put on the missiles and then to negotiate them back out. As for Social Credit, no one could tell what their stand really was because no one knew who the real leader of the party is.

Canada had become a target of international ridicule because of her actions on the nuclear arms issue. Among her political parties, the New Democratic Party at least had been willing to take a definite stand on nuclear arms from the first and to let their stand be known to the world.

"History may remember my our stand is wrong but if a nuclear war breaks out, will there be anyone around to write that History?" Dr. Dent concluded.

Peers 4-H Clothing Club

BY RUTH AVELL

The Peers 4-H club held a meeting in Peers school, February 1st. A fancy discussion was held about a pot-luck night.

After that Sandra Fidzun, Colleen Pfahlen, and Edith Apell had a demonstration on exercise Linda Block gave a speech on water skiing After that lunch was served and sewing troubles were taken up. Sylvia Apell and Annie Velzira were hostesses.

Two weeks later another 4-H meeting was held in the Peers school A floor discussion was held about St. Patrick's day and parents day. A speech was then given by Sylvia Apell about care of the hands.

Another speech was given by Theresa Bens about eliquette Sewing troubles were again taken up and lunch was served. Linda Block, Gertrude Vanmeeteren and Edith Apell were hostesses.

GREEN ACRES

By R. C. Lowe
District Agriculturist

VITAMIN A AND BEEF CATTLE PRODUCTION

Ensuring an adequate supply of vitamin A is a problem in beef cattle production. In fact so much a case of what to give it and in what quantity

There would be no vitamin A problem if cattle had access to green forage all the year around. Good green hay and silage should contain a fair amount of carotene but often our hays do not turn out to be in this category. Also cattle are now kept on dry feed in the feedlot for longer and are fed a higher grain and lower roughage ration than used to be the case. All these factors can and do cause a vitamin A deficiency.

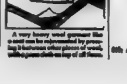
Vitamin A is essential to normal resistance to infection and disease. It also helps in the breeding ability of both male and females. Animals store vitamin A manufactured from green plants rich in carotene, in their liver. Unfortunately however they can't store enough to carry them through five or six months of winter which we have in this part of the country.

Dry stabilized vitamin A can be incorporated in protein pellets, cubes, and blocks. It can also be made up in a pre-mix which can be added to ground or rolled grain. Thus a daily allowance which will insure the animals get a sufficient amount of this vitamin. It is not practical to give cattle an winter growing vitamin A daily, they can be given it once or twice a week. On this basis they should get half a week or a full week's requirements in one feeding, depending on the circumstances.

Predict cattle on low hay rations could receive approximately 10,000 I.U. of vitamin A per day. If they are not getting any hay, only straw this should be increased to 30,000 I.U. Steers and open females which are just being wintered may not need much vitamin A if the color and quality of the hay or silage is good. If the quality leaves anything to be desired, they should be given at least 5,000 I.U. per day

Pregnant cows and heifers may not require any vitamin A supplement if their hay or silage is excellent in color and quality If their roughage is not first class, however they should be given 30,000 to 50,000 per day. If it is not possible to get the roughage analyzed, it is better to be on the safe side than to risk having calves born that are weak and lack disease resistance

Wife Preservers



A very heavy wool garment like a coat can be rejuvenated by washing it in lukewarm other gallons of wool, soapy water with one cup of salt in them. Rinse well in lukewarm water.

DROSTAN NEWS

There were only 10 members present at the annual meeting at the Drostan Hall on Saturday evening.

The following officers were elected for 1963. President, Mr. Nick Romaniuk, Vice President, Mr. John Pallisko, Secretary Treasurer, Mrs. Nick Romaniuk.

The two new members elected on the entertainment committee were Mrs. Ruth Fountain and Mrs. Helen Pasichnik as Mrs. A. Hanbi and Mr Joe Romaniuk were retiring.

Some of the teenagers in the district had a very pleasurable evening of singing and dancing at the home of Miss Sophie and Joe Romaniuk on Saturday evening.

Mrs A. Hanbi was a surprise visitor at Mrs. Mike Ivaniuk's on Monday afternoon.

Mrs. Frances Ahman and Norman were visiting with Mrs. John Pochiko on Friday afternoon.

Mr. and Mrs. G. Woolston were surprise visitors at Mr. and Mrs. G. Pallisko and Mrs. A. Hanbi on Sunday, also Mr. and Mrs. Mike Pallisko, Wendy and Joanne.

Mrs R. Worthing and children were home on Sunday.

Mrs. A. Hanbi and Freddy Hoffmeyer the latter attending school in Edson.

Mr and Mrs. Mike Ivaniuchenski and family were visiting at Hinton on Sunday.

There was a young girl in the choir
Whose voice went up hair and hair
Till one Sunday night
It went out of sight
And they found it next day in the spair!

Legion Auxiliary hold zone 'spiel

The ladies of the Hinton Auxiliary to the legion were hostesses on Sunday at the second annual Ladies Auxiliary bonspiel held in the Hinton curling rink.

Ten rinks took part in the spiel including two each from Edson, Cadomin, Jasper, and Hinton and one each from Evansburg and Drayton Valley. The first event was won by Mrs Hazel Wilds who defeated Mrs Kay Griffiths in very heavy ice to retain the trophy which she won last year at Edson. The second event was won by Mrs. Mary Lindgren of Edson who defeated the Burrows rink from Drayton Valley.

Following the bonspiel a buffet supper was enjoyed in the Legion Hall starting at 8:30 p.m. The presentation of the trophy and prizes out of the way a short play song was enjoyed before weary out town curlers sauntered themselves to head for home.

Members of the winning rinks were: Wilds rink; Joyce Patrick, Edna Copp and Grace Evans, the Griffiths rink: Sally Roberts, Evelyn McLeod, and Blanche Fuller, the Lind rink Elsie Pyzar, Mollie Stubet and Dorothy McIntosh, Mary Lindgren rink Mrs. Hazel Wilds, Mrs. Sylvia Copeman, Betty Waugh and Clyda Dorian.

Jim Torgensen NDP candidate for J-E

Jim Torgensen, a 29 year old bachelor, has been chosen by the New Democratic Party in Jasper-Edson constituency to carry their banner at the forthcoming federal election. At a nominating convention in Evansburg last Saturday, Mr. Torgensen was elected by acclamation.

Presently employed by a steel firm in Edmonton, Mr. Torgensen owns a farm at Sangudo and intends to take up active farming in the near future.

He is president of the Strathcona NDP federal constituency executive and a past president of his local union. Born on a farm at Pierceland Saskatchewan, Mr. Torgensen received all his education in that province. He is rewarded as one of the Alberta New Democratic Party's brightest young men.

In acceptance the nomination countries to follow Mr. Torgensen said if entrusted with the responsibility of representing the constituency in the forthcoming federal election he would make a creditable member for his party in the constituency. He knew the problems of both farmers and labour.

In humorous vein, he said he had learned to handle a pitchfork and a shovel while crawling up on the farm and he thought this experience might be of value in politics.

"Every politician should learn how to handle a shovel. They need it sometimes in their business," he commented with a grin.

Mr Torgensen said he didn't subscribe to the theory, so often voiced, that the only way to have full prosperity was to have a war The bigger nations instead of racing to build up something, simply to blow it up, should be concerned about a different kind of war, a war against poverty, sickness and unemployment

By helping her own people and those of other countries, Canada could become a leading force against communism in the community of nations Communism had gained a hold in many countries throughout the world not because the Russians had gone to war but because they had used food and propaganda to gain their own ends Canada needed representatives in her government who would dedicate themselves to the task of not only an example for other

Constructive year for town

Continued From Page 1

488.60; 3,494 Cu. Yards of 3/4" gravel 36,988.60; 4,346 Cu. Yards 2" gravel 38,260.20; 3,333 Cu. Yards of pit run gravel 26,777.20

The oiling program was extended beyond estimates and existing oiled streets were maintained where necessary. There are approximately 147 blocks of roadway in the Town.

The heavy snowfall of 1961-62 and the wet summer reflected in higher costs and a long drawn out season

The servicing of new areas has kept pace with development and it is hoped that, eventually, it may be possible to service ahead of development.

The following streets were shaped and gravelled in 1962. 7th Avenue - from 42nd to 44th Street; 45th Street - from 6th to 7th Avenue, 10th Avenue - from 47th to 48th Street. Two blocks of lane were constructed.

1,300 feet of deep ditching was carried out in the west of Beech Creek and north of the Highway to alleviate flooding.

2,300 yard of concrete walks were placed in 1962.

A departure from normal practice was made in construction of sections of monolithic curb.

The consulting Engineers were engaged to make a profile survey of the developed area of Town and to submit finished grade levels for future curb and walks.

The following capital equipment was purchased: Case 310 Crawler tractor, tandem roller, oil distributor and we have purchased this year, a Sterrit snow blower

Under By law No. 946 $14,000.00 was borrowed for construction of the first stage of a storm sewer system to service the lower end of Town Lines were laid down Main Street from 2nd to 1st and in First Avenue from 50th Street to a deep ditch which carries the water in Beech Creek.

The Department of Highways has carried out a profile survey of the Highway through the developed area of the Town and it is expected that improvements will be made on 6th Avenue under a co-operative prog am

The Department of Highways has indicted that it will proceed, when weather per mits, with the construction of a new approach to the Beer Lake Road, off the Highway near the Railroad crossing, and thus eliminate the heavy traffic on 8th Avenue and through the residential area.

BUILDINGS AND BY-LAWS

Councillor Moody reported for the Building and By laws Committee indicating.

Gross value of permits $481,697.00; 1962 permits included 34 residents, 21 completed, 3 started, value $288,800.00; 5 commercial $50,350.00; 31 private garages $7,800.00. 18 re addition and alteration $18,097.00; 2 institutional $114,900.00; 8 commercial altera tions and additions $4,050.00

By-laws

40 By-laws were passed in 1962, including 7 repealed by laws No 943 adopting interim development control, No 952 amending business tax by law, No 956 adopting regulations as to gas fitting, etc, No 970 new curfew by laws, No 972 and No. 978 amending traffic by laws re parking, No 974 new sewer service charge rate

The replot of areas "A" and "B" was completed in 1962 and these areas registered as plans 4300 M.C. and 4517 M.C. respectively.

Further improvements were made at the Pool park area and the transmission of tennis courts, in this area, is being carried forward as a winter works project.

At the Memorial Park the Grandstand was extended, repainted and lengthened. A new backstop was constructed, as well as dugouts and the fencing was repaired. A substantial amount of vandalism has occured in this area and the necessary repairs has cost the taxpayers approximately $800

The Council is moving to have the north half of Block 73, and all of Block 72, east of Memorial Park, added to the park area, as a beginning toward establishing a fairly extensive park and recreation area north along the creek basin. Plans have been prepared toward the establishment of a Tourist Reception Area at the east entrance to town.

At Willmore Park the clearing and brushing program was continued, the cabin has been completed and toilets provided. The Dept. of Lands and Forests has agreed to lease the area of the present park to the Town for $1.00 per year on a long term lease.

POOL

The swimming Pool was competently and very satisfactorily operated during the 1962 season. The pool opened May 21st and closed Sept. 3rd. Attendance 1962

Adults 1864, Students 3001, Children 19730, Total 17.895

A public comfort station was added, as a winter works project, and many tables and benches were provided, flower gardens and landscaping was carried out toward making the pool area a most attractive spot. Some vandalism has occured here, too, mainly in the way of destruction of trees.

ARENA

General operating cost of the arena, and adjacent outside rink, increased from the previous year being largely accounted for in labour and building repair:

In addition $627.11 was spent in the reconstruction of the outside rink as well as $1050.10 in providing for an ice sheet at the Junior High School.

Discussions are being carried forward toward considerations being given to remodelling the Arena building totally, and the Architect is to prepare preliminary plans of what is considered necessary including dressing rooms, new concrete block shell, artificial ice and seating. It is estimated that the building can be totally modernized for a cost of approximately $130,000.00.

CEMETERY

A general program of improvement and extension was carried forward in addition to the construction of a chain fence and an addition of planted area.

RECREATION AND CULTURAL ACTIVITIES BOARD

This Board has functioned most successfully and satisfactorily since its inception, has met regularly and has been giving sound and thoughtful advice to the Council within the field of its interest. The Council and the townspeople are greatly indebted to the members of this Board for valuable services provided.

FINANCE

Councillor Wells in reporting for the Finance Committee referred in to the Financial Statement, which had been supplied to each ratepayer, noting the total expenditures of $434,784.31 in 1962, and in turn, cited the balance in current account and cash of $68,-852.60 plus the fund with Calgary Power in amt. $48,728.80

Councillor Wells drew attention to the sum of uncollected taxes outstanding Dec. 31st, 1961 at $56,010.76, an increase over the previous year of approximately $3,800.00. Although this was not favorable it would appear that the increment of levy from the previous year would explain this increase.

Councillor Wells indicated that every effort must be made to reverse this trend. The total funded debt, as of December 31st, 1962 - Principal $454,452.38 plus interest of $334,201.47. Of this principal the amount of $220,-010.00 had been borrowed from A.M.F.C., to 1961, toward capital projects carried out.

Councillor Wells reviewed the annual cost of debenture retirement which has grown from $30,000.00 per year to $48,000.00 per year - principal plus interest portions of these projects having been carried out as local improvements, the debt cost were being met, in part, by the owners of the property served.

The Council had arranged to have Sonalta Appraisals carry out a survey of the value of Town owned buildings and contents toward tying the coverage in the established values of risk and the sum that might be collected in case of loss. This survey had cost the Town $725.00 and a revision, this year, would cost approximately $250.00.

The 50th Anniversary Committee has turned the sum of $1,281.20 over to the Town to be held in trust toward cost of provision of a Museum.

The following Winter Works projects were carried out, or not, up to 1962: cemetery chain fence, pool park area improvement, fence and landscaping Water tower area, 2nd Avenue construction, lemale rcurtz, clearing 8th Ave., fencing at 4th/50th, site G. P. Trail; Willmore Park clearing and building; shed buildings at cemetery and pool. In addition three Capital projects were carried forward as Winter Works projects.

Councillor Wells quoted the mill rate break down, the estimated and gross assessment and requisitions.

HEALTH UNIT

Councillor Wells reported on behalf of the Edson Health Unit, indicating that its services has been carried out satisfactorily under the direction of Mrs. Adams, in the absence of an M.O.H.

That a Health Inspector had recently been employed and that Dr. Scott had been engaged as M.O.H., to commence his duties May 1, 1963.

That as a result of the reduction in salary costs in 1962 a surplus of approximately $12,000.00 would be rebated to the contributing authorities. It was expected that the budget for 1963 would be somewhat the same as 1962. That it was planned to further extend the dental service.

WATER CONSUMPTION DOWN

Councillor Scott reported water consumption 1962 at 65,500,000 gallons, a decrease of some 4 million from the previous year, attributed to the metering of services. Gross pump capacity of 600,-000 gals. and maximum daily consumed of 300,000.

WELLS

A further extensive program of exploration was carried out in 1962. A new well, Number 9, was drilled and tested and has been rated at 35 g.p.m.

No. 8 well was put on the line in 1962 at a productive capacity of 120 g.p.m. With No. 6 on line wells no. 4 and 7 are presently standing in emergent reserve.

CAPITAL EXTENSIONS

A very substantial addition to the water supply and main system was carried out under the authority of by-law No. 946. The sum of $146,000.00 was borrowed and an elevated reservoir was constructed at ground level northwest of the town and connected to the system by a 14" main.

The capacity of this elevated storage tank is 500,000 gallons. This is a two fold increase over what we had before and represents better than two days of demand. A feeder line was constructed in 2nd Avenue toward increasing the flow potential in the heavy demand area.

The Fire Underwriters have indicated that consideration is being given to an adjustment in rates in recognition of the improved conditions in the water system. A further study is being conducted by the Underwriters toward improving fire flow potential figures.

The installation of water meters was continued in 1962 there now being 780 in service.

FIRE COMMITTEE

Councillor Scott in report ing for the Fire Committee indicated 13 fire calls in 1962, a reduction of 23 on the previous year. Only one loss in the year.

The Fire Department held 32 practices and Chief Ireland and Fire Chief Brett gave a substantial amount of credit to the members of the fire fighting and for the care given to equipment.

STREET LIGHTING

A very substantial extension of street lighting intensity was carried out in 1962, particularly on the highway and Main Street north, as well as at points of public assembly.

The annual cost of street lighting for 1963 will be somewhat better than $11,000.00.

Calgary Power has been asked to submit a recommendation on the implementation of a complete modernization of the system.

POLICE

Mayor Brunelle reviewed the Police activities of 1962, indicating that there had been a general increase in all phases of crime - there being an increament of 50% in cases of minor being charged under the Alberta Liquor Act. There was a total of 260 cases, of all kinds, prosecuted in Edson in 1962. Mayor Brunelle emphasized the proficiency of the Department, the competency and diligence of the Chief and expressed the satisfaction of Council in the work of the Chief and his staff. He also paid tribute to Magistrate Kaye, as well as to the local R.M.C. Police Detachment and Highway Patrol.

Mayor Brunelle then, briefly summarized the various reports referring in particular to the financial reports, setting out that the Town is in a sound condition, that it is a good place to live in and that the Council has worked hard toward making it attractive to commercial and industrial development. The Town Planning is fully advanced, provision has been taken toward further development of sewer and water services, a study of the water distribution system is being conducted to determine where looping may be necessary and eliminating many dead ends.

Mayor Brunelle then asked the meeting for comments and questions.

John F Switzer - voiced objection to new Sewer Service charge by-law - stating that it was double taxation, that it would discourage town beautification and would be adverse to health, that his own assessment had increased 50%.

Mayor Brunelle - confirmed that the overall increases was very small, that the basis was much more equitable - those who used the services paid in accord with use.

Mrs. Martinuik - complained that taxes on her property too high and that she believed town should provide means of paying them, that her husband could not find work with the Town and was advised she might appeal assessment, at the proper time, and that member of commission should be known to Unemployment Insurance Office.

Mr. L. Blanchet - asked for more attention to speeders on 6th Ave., and was advised more attention will be given in highway when weather permits setting up checking unit. Hitrels are regularly carried out at all seasons.

Mrs. Rathbone - asked about "Hospital Quiet" signs and was advised matter would be considered if effective pattern could be worked out.

W Owen - asked about request for grant to Town Band and was advised matter would be considered at budget meeting.

Mrs. W. Martin - asked for consideration to controls being put on the parking around the area of the Curling Rink and was advised matter would be investigated by the Police.

Mr. Walker - asked about snow removal on Main Avenue - town's responsibility in the maintenance of highway through Town and removal of snow from sidewalks and incidentally dropped on Mr. Kopytve's foot, forcing same to change it.

Mr. Norman Fowler was a recent city visitor.

The R Erickson's and D Murrays motored to Hinton on Saturday to attend the Shriek Mardi Gras.

Among those from Edson who attended the Canadian Players presentation of Macrepisons of Cassady at Hinton on Monday Feb. 26th were the Brooks's, Murrays, Cahoon, R. Nisbet's, Burbidge, Clifford McGreers. Tina Meadmore on and Frances Cielewich.

The Herring's have had a busy time lately. They have just recently moved into their new home on 8th Avenue. They have Mrs. Doering of North Battleford visiting also an aunt Mrs. Winnie Cassell of Southern Rand, and their of course, there is the carnival

Sunday, March 3rd, will be a big day for six talented 8 yrs skaters! On that day, the cups will be awarded in a runoff club competitions between 2.00 and 4.00 p.m. Anyone may attend these events

Congratulations to Mrs. Allan Gardiner of Whitehorse on the arrival of another daughter, Carol Mrs. Gardiner is the former Alice Hexter.

Congratulations also to Miss Yvonne Simpkins who won the Elks Ball Gown of $185. on Wednesday evening.

Edson Rodeo reps attend Ponoka Meeting

Attending a meeting of the Central Alberta Stampede Association held in Ponoka last week to make arrangements for Edson's big rodeo next August were Mr and Mrs. J Griffiths, Mr and Mrs J Hunt and Mr and Mrs. W. Owen

Scheduling of the appearance of CPA performers was one all the items on the agenda. Besides the Edson date the other stampede in Jasper, Ponoka at which CPA will appear is our neighboring town of Barrhead to the north east.

Following the meeting the representatives from all over the province enjoyed a chicken dinner, courtesy of Lethbridge Performers.

World Day of Prayer on Friday

Women of all denominations are invited to take part in the Women's World Day of Prayer service to be held this Friday, March 1 in the Edson Presbyterian Church on the Edmonton Prairie Trail. The service starts at 2.30 p.m.

Mark your the service is held in a different church with women from each participating church, joining an active part in the service, to pray for world peace and unity.

District pioneer Plot Sredburg dies at 81 years

An obituary of the Carrot Creek district Mr. Plot (Peter) Sredburg died on February 17 at the age of 81 years. He was predeceased by his wife in 1956. Mr. Sredburg has been residing his home with his son Oscar.

Surviving are four sons: Oscar, Wilmon and Elmer of Carrot Creek, and Owner of Edson, five daughters: Mrs. Nina Hanlon and Mrs. W. (Jennie) Perche of Edson, Mrs. Elsie Stubbington and Mrs. J. (Ella) Ratzlaf of Edmonton, and Mrs. N. (Mary) Jerome of Whitecourt. He is also survived by nineteen grandchildren.

The funeral service was held February 21 at 2 p.m. from the Edson Funeral Home chapel. Rev L. E. Hallwell conducted the service and interment was made in the family plot in Woodlawn Cemetery at Carrot Creek.

Floral tributes were received in loving memory from: The family; George Hall and Family; John and Shell Johnson; Isaac Bruivel and Family; Scotty and Elizabeth Brewster; Harry Carter. Will Thelen and Children; Mr. and Mrs. Mike Milko; Tom Clark; Mr. and Mrs. H.P. Affolter; Ben Robinson and Family; William Johnson; Frede, Burt and Children; Albert Myer and Family.

Mr. and Mrs. A. Jansen; Ernie Treger; Bob Robinson and Family; Walter and Isaac, Louis, Lily, Heather, Lawrence and Daphne; Edson Old Timers Association; Boy and Jo Beale; Mr. and Mrs. W. Newton.

Edson Funeral Home were in charge of arrangements.

A very heavy wool garment the owner can be rejuvenated by pressing it between clean pieces of wool, using a medium setting of all three.

N.E.S. . . . and YOU

[The following job opportunities are listed by the National Employment Office in Edson, and is presented in the public interest by this newspaper.]

There are many jobs that physically handicapped applicants can do It is not the capabilities that the handicapped applicant has lost, but the capabilities he has left that are important.

The National Employment Service endeavors to identify the skills and potentials which will meet the requirements of employers. A physical handicap is incidental to an applicant if he has the skill and ability to do a job. After all, a man needs no more than the skills required to do the job to hand successfully.

The National Employment Service is not a social welfare agency. Only applicants capable and willing to accept competition are referred. Employers are not expected to hire incompetent employees on compassionate grounds We are dedicated to serving employees and serving them well.

If you, as an employer, have any question in mind regarding the National Employment Service you are cordially invited to call your local office manager and discuss it with him.

NORTHERN ALBERTA CURLING CHAMPIONS. The Rick Cust rink, comprising four Leading Aircraftmen of RCAF Station Cold Lake, Alberta, surprised curling enthusiasts recently by defeating some of Canada's best to win Northern Alberta Consols competition and give Jimmy Shields' Calgary rink a battle for the provincial title a week later. The single airmen, all members of an air armament evaluation detachment at Cold Lake, are from left to right, — Dale Cline, 20, of Moose Jaw; Ted Fielder, 24, of Calgary; Tuck Hutchinson, 26, of Lethbridge, and skip, Rick Cust, 22, of Manola, Alberta.

Robb and Branch News

Mrs. Velma Ferguson accompanied by Mrs. M. Perry and Mrs. Sosiakowski, Mrs. Kennedy took in the Ladies Auxiliary Bonspiel at Hinton Monday.

Mrs. Jean O'Leary, Mrs. Mabel Cashmore, Mrs. Les Marshall and Mrs. Pat Mulroo were the other rink. Good time was had but rather cruel when the Ferguson rink curled three games straight. One lady on the other rink sort of came apart at the seams. But the manager at the Hudson Bay kindly fixed that situation. Men sometimes are handy.

The ladies of the above rinks, through the medium of this paper extend their grateful thanks to Mr and Mrs. Sid McLeod and most sincere thanks to Mr. and Mrs. Boyd Roberts for their very kind hospitality plus the pleasant evening spent at their home after the banquet.

Mr. Cash accompanied by Mrs. Jean Rogers motored to Edmonton where Mrs. Rogers and her sister from England will leave by plane for Nova Scotia to visit their brother who is gravely ill.

Sincerest sympathy of the community is extended to Mrs. Rogers. We all hope for the best.

The show "Tarnished Angels" which, due to the power, had to be shown in the Robb Hall on Sunday afternoon turned out fairly successful.

Mr. Jack Gorman is home from Hinton hospital and looking quite chipper.

Miss Carol Erkman of the Evergreen School of Edson accompanied Dianne Hoglin home taking in our local Valentine Dance a week ago.

Community extends sincere sympathy to Ed Alcide and family on the recent death of Mr. Alcide's father-in-law.

Spring and Romance go together, so they say a young man's fancy turns to love in spring. One of our young ladies is wearing a diamond

Never a dull moment in our Sportsmans Paradise, curling rink hauling, and bananas, to say nothing of romance, seem to be the topics of conversation

With our mild weather the snow has taken a real beating but our icy condition remains as cried as ever.

Mr Phillip Lang was home for a few days last week.

With weather election time at hand, the polling booths will be in the Robb Community Hall April 6th. It is every naturalized citizen's duty to vote.

Added Responsibility

PASTER SNOWALTER

There are enough daily reports of bank robbers, shoplifters, purse snatchers, and dopdusters to cause us to become calloused to the laws of God regarding the things which belong to our fellowmen.

Besides the fact that we are all aware of the 8th of the ten commandments which crisply states, "Thou shalt not steal", every man has some in-born feelings of guilt which cause him to pursue either craftiness or brute force in taking that which does not belong to him.

But consider the sharpness of God's Word. If one is guilty of stealing or tempted to do so, he not only has the responsibility to leave his fingers off the goods of others, but is given the added responsibility of getting busy to work for his daily needs; and to the extent of having surplus in order to become a giver to those others who may have need!

"Let him that stole steal no more: but rather let him labor, working with his hands the thing which is good, that he may have to give to him that needeth." Eph. 4:28

C.W.L. WINIFF

Week ending Feb. 16th Mrs. Falk, Mrs. C. Peet, 14th. Week ending Feb. 23 Mrs. McKenzie, Mrs. Wilson, 13th.

At Your Call in Your Time of Need

How Many Beans . . .

Perhaps you, too, stood outside a store window in your youth and tried to estimate the number of beans in a display.

Guessing the circulation of a newspaper was once quite a game for advertisers, too.

But the Audit Bureau of Circulations took all the chance out of this game. A.B.C. auditors don't stand outside and estimate—they come inside the publisher's office and count.

When the auditor is finished and his precise findings published, well there's just no room for guessing.

It's all there in his report—how much circulation, where copies were circulated, how much people paid, and some of the reasons why the people bought our paper.

There's no reason to guess about the circulation audience you get when you advertise in our paper. The facts are down in black and white for you to see.

Ask for a copy of our latest A.B.C. report.

AND CHECK AGAINST NON-AUDITED CLAIMS

EDSON LEADER

CUB CALENDAR

"A" Pack meets Monday, 6.30 p.m. in the A. H. Dahle School.

"B" Pack meets Wednesday, 6.30 p.m. in the A. H. Dahle School.

A bottle drive will be held on Saturday, for Cubs and Scouts. Trucks will pick up the boys at the United Church or Parish Hall, 9.30 a.m.

SCOUT CALENDAR

Golden Arrow Training (Part 2) for Patrol Leaders, Thursday, 6.30 p.m. followed by regular meeting at 7.00 p.m. at Optimist Boys' Center.

Donation to made toward World Brotherhood Scout Fund this week.

Court of Honor to be held in the near future.

The present Jr. St. John's Ambulance groups has been completed and arrangements are being made for examinations.

Canadian Jamboree Film to be shown by Group Committee, Feb. 28.

NEWS

Three scouts are now corresponding with pen-pals in England, Malaya, and Korea.

Scouts and Cubs publicized Scout Week by wearing their uniforms to school It was a busy week. Besides regular meetings, the Scouts and Cubs attended a Father and Son Banquet, shovelled snow from sidewalks and made a special effort to attend the church of their choice on Boden-Powell Sunday.

As for the Banquet, the Edson Boy Scouts wish to express their gratitude to the many mothers who made the banquet possible.

On behalf of the Group Committee, Mrs. Mallett extends a hearty thank you to the ladies who assisted her in catering the the Father and Son Banquet. They were responsible for preparing 1½ baskets of potatoes, 7 turkeys, 30 lbs. vegetables, 20 pies, apple juice, chocolate milk and coffee in match.

A special honorable mention to the work of Mr. and Mrs. John Pyper, for the very active part they are taking in Scouting in Edson.

The weather compiled by dumping some two feet of snow on Edson and kept the Scouts shovelling sidewalks for Edson's older citizens. Not all the names of these people were available but the daily odd walks cleared were done with traditional cheerfulness.

Special Scout services were held at the United Church under Adjt Doug Murray, Assists Oliver, Baloo Potter and P. L. Maher; and at the Anglican Church Scout services were conducted by Skipper R. Wallace and TL Wayne Mallett.

The Beaver Patrol will be collecting cent baggers in the next two weeks to raise funds for their Patrol treasury and as a donation to the World Brotherhood Scout Fund.

BASIC SECTIONS IN SCOUTING

In Canadian Scouting a three-section program is used for boys and young men, meeting the needs of the following age groups, Wolf Cubs, 8-11½ years of age, Boy Scouts, 11½-16 years, and Rover Scouts - 16 to 23 years. Other countries use variations of this format. The program is modified to acquaint the boys with their national culture and to encourage participation in the recreational activities of their particular country.

Many countries adopt the Wolf Cub program based on the Jungle Book by Rudyard Kipling. Other countries have not found this suitable. The Cubs are not always Wolf Cubs, i.e. -

Finland - Arrowboy; Indonesia - Pemula (beginner); Iran - Lion Cub; Israel - Bambi (deer); Laos - Elephant; Philippines - Mountain Deer

Even the role of the Cub Leaders varies from Canada's "Akela" (the old wolf or head of the pack) to Indonesia's "Abanda," and "Indian Chief" to the United States.

Members of the Beaver Patrol are collecting wire coat hangers during the next month for Patrol Funds and donation to Brotherhood Fund.

Around Parkland Lodge

The weatherman tells us that spring is just around the corner, what cornur? Moreover, we are very grateful to the town for keeping the roads and sidewalks plowed out.

☆

Our guests had a delightful surprise on Valentine's Day, Mrs. A. Gardner Cred. she class held their Valentine party at the Lodge and provided us with a variety of songs, dancing, short skits, violin solo and presented each guest and staff with a Valentine basket of goodies. Please do come again soon.

☆

I guess all the good people are born in February, as we celebrated eight birthdays totaling 647 years: Mrs. Keibo, Mrs. J. Hird, M. Dalain, F. J. Hansen, Jos. Garbaich, Albert Gaorge, J. W. Souther and R. Leay.

☆

We all feel very depressed with the death of Chris J. Beck, whom we 'l liked very much. He is sadl, missed and our sympathy goes out to his wife and family. We all hope that Mrs. Beck will come back and take her place amongst us soon.

☆

A nice group of youngsters came over Sunday, Feb. 17, and delighted us with their music. They were: Mr. and Mrs. McCullough and daughter Vanetta, Miss Iris Potter, Mrs. Jean Oliver, Mrs. Murray and Mrs. Erickson who was the accompanist. You are most welcome to come any time.

☆

Friday night St. John's Auxiliary held a very successful whist drive and prizes went to: Mrs. Lepine, Mrs. G. Weeden, Mr. E. Fowler, Mr. P. Scrunson and Mr. E. J. Challenger. Lunch was served and everyone thoroughly enjoyed the whole evening.

The guests have missed the church service usually held on Tuesday evening for which they look forward to so much.

☆

Mr R. Rice has left us for a while to spend some time with his family

☆

It seems there is a small group of mischievous children who have broken the tops off a couple of our spruce trees at the front of the Lodge.

A motorcycle cop caught up with the woman driver who was going the wrong direction on a one-way street. "where do you think your going!" he demanded.

"I'm not sure," said she "but I must be late — everybody is coming back."

AS I SEE IT

By Pastor E. Hurd
OUR SPACE PROGRAM IN PERSPECTIVE ... Many in today's space age are wondering how far out into the cosmic universe our space program will eventually take us. The Mariner II, for instance, which skirted within 21,000 miles of Venus December 14, is now in orbit around the sun ... some 93 million miles away. That's a tremendous distance.

But let us not lose our perspective. The California Institute of Technology, for instance, announced in December that the distance to the Andromeda Galaxy, a "neighbor" of the Milky Way in which our earth belongs, is 2,300,000 light years. This means it would take 2,300,000 years to reach this galaxy at the speed of light (186,000 miles a second).

The Scientific Uric Jolinah and educator Theburn C Lyons both remind us of the vastness of space. Jolinah has also called our attention to the discovery in 1960 of two galaxies on the perimeter of our universe that are over 6 billion light years away. And the light reaching us today from even some of our closest stars left there before the time of Christ. Such facts are almost incomprehensible to the human mind.

What does all this mean in terms of our space program? It means that if a man were to spend his entire life spearheading into space, he would get almost nowhere. While we confess that our space achievements may seem little short of spectacular from a human perspective. Let's admit they are nothing from God's point of view.

We commend Col. John Glenn for his humility when he wrote in Reader's Digest that when we compare our Project Mercury speeds with the facts of the universe, "our efforts are puny" (Why I Know There is a God," July '63). Though the world has

EMO course given Edson group members

An interesting course under the direction of Messrs. McDonnel and Collins of Alberta Emergency Measures Organization was carried out in Edson from Feb. 18 to 21.

The course consisted of an introductory lecture on the first day, on the second day instruction and practice were given on the sending and receiving of messages, keeping a log, intelligence records in closing situation reports and plotting fallout patterns on a map.

The last two days were given over to an exercise which brought out all the above mentioned points. This exercise succeeded in giving a realistic picture to all those who took part of what conditions would be like in a National Emergency.

Certificates were awarded to Miss Rose Marie Thibodeau, Miss Margaret Morin, Councillor Morton Collin and Messrs. Bill Collin, Blair McNamara and Donald Hodge. Quite a number of other persons were present on one or two nights, but were unable to complete the course owing to various other engagements.

Mr Peter Serdiuk, the Director of Welfare, Town of Edson, attended an advanced course in Welfare at the Alberta Civil Defence School in Edmonton from 18 - 22 Feb. inclusive.

The instructors were highly applauded the efforts of men as he explores space, only a few have bothered to turn their prains instead to God and His Majesty. Our space efforts ought to humble man rather than default him. They ought to remind us of God's greatness, and man's.

Thus when man sends a spacecraft to the moon (only 1¼ seconds away at the speed of light) or puts a chaunt of metal into orbit, he has little of which to boast. Chemist Dean Walker at least put man in his rightful place when he penned these imaginative lines quoted recently in Life magazine:

Then God looked down from His great sky
And cast a sharp creative eye
Down arches of the milky way,
On courses where the comets play,
Past flaming suns and orbiting spheres,
Across four billion lunation years,
And asked from out the great abyss,
"Whose funny little moon is this?"

From Moody Monthly, February issue.

CARD OF THANKS

We would like to express our appreciation to friends for kindnesses and expressions of sympathy during our recent bereavement.

Special thanks to Mrs. Hayward, Parkland Lodge resident; and Oddfellows and Rebekah Lodges.

Mrs. Chris Beck
Mr. and Mrs. T. R. Fowler

DONKEY LULLABY
(Contributed)

You're like your father, I suppose,
Your voice is just like his, also
Set never mind—your mother knows
You are a perfect little ass.
—Mary Carr

There are things better than money in this life, but it takes money to buy them.

SATURDAY, MAY 4 — Apron sale, tea and bake sale from 2.30 to 5 in the Parish Hall, sponsored by St. Catherine's W.A.

The distraught mother took her problem child to the psychiatrist. "Bring him back in three months," the psychiatrist suggested. "In the meantime, because you're obviously worried and tense, I want you to take these tranquilizer pills three times a day for the next 60 days."

When the lady returned with her boy three months later, the psychiatrist asked, "How's Johnny coming along?" Said the mother, "Who cares?"

Parkland Lodge resident passes

Christian J. Beck passed away in Edson, February 18th, at the age of 78 years.

Mr. Beck came from Denmark to Saskatchewan in 1905, where he had since resided. Mr. and Mrs. Beck spent the past two winters as residents of Parkland Lodge in Edson.

He is survived by one son, John, in 1946. Mr. Beck is survived by his wife and one daughter, Mrs. T. R. Fowler of Edson; four sons, Norman and Stanley of Mayer, Sask., Victor of Regina, and Edwin of Edmonton.

Funeral services were held in Mayer United Church, with interment in Rosthaven Memorial Gardens in Moose Jaw.

CARD OF THANKS

SVEDBERGS — We wish to express our sincere thanks and appreciation to our friends and neighbors for the kindness and sympathy extended to us during our recent bereavement, also for the beautiful floral tributes. Our special thanks to Dr. J. E. Crawford and Dr Whitaker, Sisters and nursing staff at St. John's Hospital, Reverend L. B. Hollwell, pallbearers, and Mr. L. Joy and sons.

March 18 start of rest of Sabine program

The second feeding of "Sugar Lumps" will commence Monday, March 18. All adults and school children who have received at least three doses of Salk vaccine and all pre school children irrespective of age who have received at least three doses of Salk or four doses of the Quadruple vaccine are still eligible to receive the Sabin vaccine. Those children and adults who received one dose of Sabin in any other Province should obtain their second feeding of Sabin.

Parents of all children who did not sign consent cards may obtain consent cards for their children at the Health Unit offices at least one week before March 18. In the event that anyone receives their first dose of Sabin in March the second feeding may be obtained in the fall. Those persons who are not fully protected are earnestly urged to complete their series of Salk shots or to commence their Salk shots as soon as possible. Help us to help you stamp out this dreadful crippling disease in Alberta.

March 18 — Hinton in Health Unit office, 10 a.m. to 12 noon, 1-4 p.m., 7-9 p.m.
March 20 — Hinton Health Unit office, 10 a.m. - 12 noon, 1-4 p.m., 7-9 p.m.
March 21 — Brule in school, 1-4 p.m.
March 22 — Marlboro in school, 1-4 p.m.
March 26 — Cadomin, 1:15 - 2:30 p.m.
March 26 — Robb in school, 4-5 p.m.
March 26 — Edson Health Unit office, 10 a.m. - 12 noon, 1-4 p.m., 7-9 p.m.
March 21 — Wildwood School, 1-4 p.m.
March 22 — Peers Nurses office, 10 a.m. - 12 noon, 1-5 p.m.
March 25 — Pulham School, 3-4 p.m.
March 28 — Niton School, 2:30 - 3:30 p.m.
March 29 — Evansburg in Evansview School, 3-5 p.m.
March 18 — Brazeau Dam, 6-8 p.m.
March 19 — Lodgepole School, 3:30 - 5 p.m., 6-8 p.m.
March 21 — Health Unit Office Drayton Valley, 9:30 - 11:30 a.m., 1-4 p.m., 7-9 p.m.
March 25 — Health Unit Office Drayton Valley, 9:30 - 11:30 a.m., 1-4 p.m., 7-9 p.m.

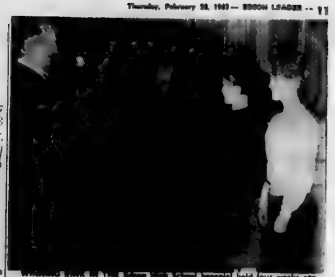
Lawyer: "Are you acquainted with any of the men on the jury?"
Witness: "Yes, sir, more than half of them!"
Lawyer: "Are you willing to swear that you know more than half of them?"
Witness: "As far as that goes, I'm willing to swear I know more than all of them put together."

Fashions

Wool dress forth at night to be seen in the smartest settings.



The charming little dinner dress is white wool and its simplicity is a fine background for the jacket of white metallic basket stitched all over with iridescent white and gold sequins, and chiffon lined.

The sheath dress has a roomy neck and narrow elbow length sleeves.

Winners from the Edson High School Intramural field four weekly ago are presented with their trophies by Jack Naduruk of Universal Motors who sponsored the A Event awards. Left to right Mr. Naduruk, Teddy Worster, skip, Barbara Marshall, third, Nadda Craig, lead. Scott McKee was not present for the picture. Miss Joan Mahon presented the winners of the B Event with their trophy on behalf of Edson Motor Co. The rink was skipped by Brian Sells, with Dan White, third, Leslie Seltzer, second, and Robyn Stanton, lead.

At a mine gimmick, on impromptu salesman tried to sell one dollar bills from door to door. Sale price — 85 cents. But he found no takers.

One prospect turned down his proposition with: "My husband said this morning that the dollar is only worth about 59 cents today."

A young medical student we know received a very expensive microscope from his parents for Christmas. The card was signed "Mama and Pauper."

Now we've added a bit more.

If you've been waiting for a bigger Volkswagen, it's here. The VW 1500 Station Wagon.

With all seats in position, it's a five passenger car.

Fold down the back seat and you get a cargo area of 42 cubic feet that will take 705 lbs. And there's more luggage space under the front hood. (Capacity: 123 lbs.)

One more convenience: this station wagon has no tailgate. The VW's rear door lifts up out of the way.

The engine is in the back to give better traction. And it's cooled with air instead of water to eliminate cooling system problems. The Volkswagen has no radiator to freeze in winter or boil in summer.

The cruising speed and the top speed of the VW 1500 are the same, 80 miles per hour, yet town and country gas consumption averages 33 miles per gallon.

Standard equipment on the VW 1500 Station Wagon includes bucket seats that adjust to 49 different positions; floor mounted gear shift; fully synchronized gear box; a clock; a side view mirror; windshield washers; padded dashboard and sun visors; three ash trays; four arm rests.

If you've been waiting for a bigger Volkswagen (or a little more money) it's at your nearest VW showroom ready for a test drive. And be prepared for one more surprise. This station wagon holds the road like a sports car.

Edson spiel success

Drawing rinks from the city and even Calgary, the 48 rink bonspiel sponsored by the Edson Curling Club with its four events was the largest in Edson's curling history in recent years.

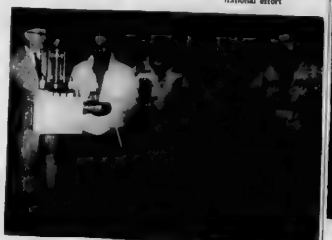
Spirits were high during the three day play that went on through the night and wound up with a suppene filled final four a m e s Sunday evening that attracted a large party of interested spectators.

One of the highlights of the spiel was the wall st-owned banquet in the Le-vien Hall Saturday night catered to by the Legion Ladies

President Cliff Ernst and his hard working committees are to be congratulated on their successful weekend of curling organizational effort

HONOR OF THROWING THE FIRST rock in the 48 rink bonspiel put on last weekend by the Edson Curling Club went to Edson's senior active curler George Hewitt, who attained 84 this year.

IT TOOK SEVEN YEARS of coming out to Edson spiels to do it but the Dawn rink of Edmonton finally made the Commodore Hotel Grand Challenge cup here being presented by Bert Kuefler (left) with the rink boeing (left to right) Chuck Dawn, skip, Al Pierzdorf, third, Ed Wallington, second, and Jack Kats, lead. Dave took the Hansen rink from Minton 10-6 in an exciting final game Sunday night.



AN EDSON RINK TOOK the Edson Motor Co. "B" Event in the Edson spiel at the weekend by knocking out an RCMP rink and Gerald Mahon (left) presents the trophy to the Wigstworth rink (left to right) Maurey Wigelsworth skip, W. Klepanchuk, third, C. Wilson, second and R. Stekich, lead.

ANOTHER EDSON RINK the McRarie rink took the "C" Event in the spiel to win the Mahon Electric trophy here being presented by Reydon Mahon (left) to (left to right) Cliff McRarie, skip, Jack Waywitka, third, Jack Parkinson, second, and Don Moore, lead. They knocked out the Gerry Robinson rink in the finals.

RINK were duly rewarded with a suitably large ...ration of prizes at Edson annual spiel Sunday night. Left to right are Bob Witworth, Les Carse and skip (Fish) Burt Herring.

THE WALKER RINK OF EDSON took the Edson Hardware "D" Event trophy too after knocking out the Edwards rink from the city in the finals. Jack Sorvia (left) presents the trophy to John Walker, skip, Alex Kanyk, third, L. Christiansen, second, and Tony Reader, lead.

FOUR MISSES TAKING PART in Kinsmen of '63 have their picture taken by Al Grant in some of the costumes they will be wearing in the colorful pageant put on by more than 70 local skaters this weekend. Incidently the show goes on mild weather or no. Left to right the ladies are Barbara Herring, Gwynne McEvoy, Terry McLeod and Laura Koch.

Dr. Horner lays barrage down in nomination speech

No one expected anything different, but it does make a news story. The over one hundred people from all parts of Jasper-Edson who drove through snow and sleet to the Conservative nominating convention at Evansburg Tuesday night re-nominated Dr. Hugh M. Horner who has served two terms in the House of Commons representing the interests of Jasper-Edson federal constituency.

Dr. Horner, fresh from a fiery speech he made at Red Deer the night before, was in good form and was enthusiastically cheered as he made his points in favor of supporting Prime Minister Diefenbaker in the coming election April 8.

Winding up his speech, the Conservative candidate said "I'm a Diefenbaker man. . . I'm a Conservative and that's the way I intend to fight this election."

The formal part of the meeting didn't take very long. Constituency President John Sherefield of Spruce Grove called for nominations and E. J. Nelson, of Spruce Grove, moved the nomination, with Robbie Walker, of Mundare seconding the motion to put the convention in order.

Dr. Horner opened his remarks with the statement "wouldn't it have been a real coup if Ernie Manning had been able to use members of the government cabinet to destroy the Prime Minister?"

On nuclear armament the speaker said "wouldn't it be stupid for Canada now there is a chance for cutting down on radiation hazard from testing to rush in at this time and adopt nuclear arms." "If Canada's role is NATO," he said, "is to have nuclear arms we'll have them." Our sovereignty is threatened under present conditions if we do, he intimated.

"If you want an up in the mountains each have a gun and only one has command, then," said Dr. Horner, "you'd better have an agreement."

Referring to former Minister of National Defence D Harkness. He said he felt that pressure from generals in Canada, the Pentagon and in NATO influenced his decision "We as civilians," he said "must have control of the military." Mr Harkness also went off the track by not finding out what other members were thinking said Dr Horner.

"Some of our ministers are a chance for themselves but didn't have enough knowledge of what was going on to put it off," he said in referring to the cabinet resignations.

UNSEATED 5 MONTHS

"The last few months in Parliament have been the most useless I have ever spent," he told the meeting. "Listening to the same old Liberal speakers from the front Liberal benches. . . 143 times each session. . . we have more than any other party. . . " he said on.

Mr. Horner attacked the change of speeches as other parties go across the country. He maintained that the Conservative party had one story to tell for every part of Canada. He saw the greatest of political expediency when Mr Pearson went to New York and then came back with a nuclear policy Social Credit-ors are past masters at it in spite of their claim of not being politicians, he claimed.

"There is lots of criticism," said the speaker, "but our opponents have no policy. Let's have them come out and put their platforms to the people."

"Both Thompson and Pear son say they are going to bring the dollar back to par," he said. "If you're a farmer, a businessman, a tourist operator and so on, then it would be disastrous for you."

BEST YEAR

Canada has just had the best year of any country in the world in increase in gross national product. We have also had the smallest increase in the cost of living of any country in the free world, he added.

It would have been easy for the Prime Minister to accede to the money boys and pressure groups, but it would not have been good for the country. Are we going to lose everything farmers, business people and working men have gained in the last few years, he asked his listeners.

TAKE RELIEF

Saying he had been accused of an Ivy National Party policy, Dr Horner said that he thinks these parts should be available not only to the rich, but to everybody. We have service areas, a place for people to live in the two Alberta parks. This has been enacted by the Minister in his policy reforesters to the parks he said.

WHO'S GOING TO RUN THE COUNTRY

"The nuclear issue is a smoke screen to cover up the progress made in this country," claimed Dr Horner "The issue of this election is who is going to run the country."

Pointing to the growth of all the towns in our constituency Dr Horner said this was helping by housing loans made available outside the cities for the first time. Loans for low rental housing in our towns had also been made available for the first time in rural areas.

The speaker reminded his audience that there were people from this constituency working on the Great Slave Lake railway, and protested that before too years was up a railway north from the Edmon area would be built.

He mentioned he had said it was only after devaluation that a market had been made available for Whitewood per plus This statement, he said has been confirmed by the people in the industry now engaged in shipping sulphur out through Whitecourt

DIFFERENT POLICIES

Enlarging on the different policy for different parts of the country Dr Horner quoted Mr Manning as saying Yes" to nuclear arms Mr Cassette as saying "No. No No." And Mr. Thompson as saying about Cassette "Oh that was in Quebec someplace" Who's confused asked the speaker

Dr Horner wanted to know how come when Mr. Thompson was Hale Beisser's adviser he didn't get him to develop the country along Social Credit lines Hale had the power They have a central bank and resources said the speaker

British Columbia with a Social Credit government has added over a billion dollars debt The excuse is a govern ment needs supreme control Hade Strauss had it

Turning back to the Liberals he said it was a question of whether they deserve a vote at all for the way they acted in the House they boasted they were going to delay, and they wanted the government to fall before the year end figures were in, he continued

HATTONFORD

The Feb. W.I. meeting was held on the 21st at the home of Mrs. J. Cundict. Six members and one visitor was present. It was decided to have a bake sale on March 16th at the CO-OP store, also to invite our constituency convener, Mrs. E. Wild, to our next meeting, which will be held on March 21st. At future meetings one of the standing committees will give a demonstration or talk on their respective subject, and the roll call be answered by giving a helpful hint or some small article, suitable for sale or work or game prize. Hostess prize was won by Mrs. A. Ford. The hostess served a lovely lunch to close the afternoon.

☆

Mrs. R. Ralston spent the past weekend in Edmonton and Radway.

☆

Mr. B. Wiseman, Mr. E. Ray and Mr. P. McCormack attended the Peace and District CO-OP. Elevator meeting last Saturday night at Mr. Tom Kings.

☆

Several interested men of the district also attended the meeting at Carrot Creek last Friday night on the subject of lumber for the small operator and the pulp loading weights allowed on the high ways.

☆

The talent show [redacted] by Niton Central Auditorium was a huge success. A full program of wide variety, drew a capacity crowd. Congratulations to the winners — Miss Beth Miller, Niton, vocal selection, second, Miss Donna Hewins, MacKay, for her portrayal of the Charleston and and third, Miss Helen King, Foley Timber, vocal selection.

☆

Mr and Mrs Bud Wiseman from Drayton Valley visited Mr and Mrs B Wiseman on Sunday

☆

Mr. and Mrs Vern Jensen were weekend visitors with Mr and Mrs. E. Strauss.

☆

Best wishes for a speedy recovery to Mrs E. Ledarev (nee Janine Christensen) who is a patient in St. John's Hospital Edson.

☆

Helen: "How did you lose your job at the green shop?"

Daisy: "Just because of something I said. After I had tried twenty dresses on a woman she said, 'I think I'd look nicer in something fine in,' and so I asked her why she didn't go jump into the river."

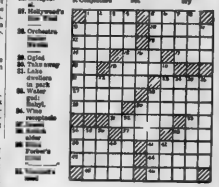
Weekly X-Word Puzzle



Answer on page 3

ALL SMOKE BUT NO FIRE? Trail Smoke Eater defenseman Tod Mahl, left, flattens this unidentified player for an inter-collegiate all-star team during an exhibition hockey game in Toronto. The hefty check was one of the few bright seconds for B.C.'s Smokies. Canada's reps in the upcoming World Hockey Tournament at Stockholm, Sweden, took a 2 - 1 beating from this team of college amateurs — their fifth in succession. They last their sixth game, last in their cross-Canada tour, to Halifax Tertons before heading overseas.

Haddock Happenings

Congratulations to Glen Jackson and Grace Finlay who were married at 3 p.m. Saturday, Feb. 23rd in the Sacred Heart Church, Edson. Grace was lovely in blue brocaded suit. Mr. and Mrs. Clayton Barron were attendants. A large crowd gathered at the home of the groom's parents, Mr and Mrs. Elwen Jackson, for a surprise party for the newly weds on the evening of Feb. 23rd.

A lovely shower was held in the home of Mr and Mrs. Fred Cowan on February 21 for Miss Grace Finlay. A good crowd turned out and Miss Finlay received many lovely gifts.

☆

Mr. and Mrs. Cecil Williams of Moose Jaw motored up in a brand new Corvair to spend a week with Cecil's parents Mr. and Mrs Harvey Williams.

☆

Art Barron is the proud possessor of an artesian well as of last week.

☆

Their guardian angels must have been hovering over Clayton Barron and Louis Pearson on Feb. 21 While loading a caterpillar tractor onto a truck, the tractor turned over with Louis inside. He was unhurt. After righting it and unloading it on the truck, they only got as far as the bottom of Cemi's hill where the drive shaft broke on the truck. If it had happened up Cemi's hill the truck would have been out of control

Sandra Sebastianelli attended the university during guest week. She returned on Monday.

☆

Wilson Gordon is home again. We hope he continues to improve his health.

Teen and Herd

BY GEN

Bobby Beslie from the Jubilee school can thank her lucky stars for artificial respiration. Bobby was overcome by gas fumes. Artificial respiration was given and Bobby was taken to the hospital. Monday afternoon Bobby was at school again. Incidentally they also applied artifical respiration to her dog.

☆

Our Midget Hockey team lost both games to Drayton Valley in the Zone 3 playoffs. The scores were close though, 7-6 and 8-5. Tough luck boys.

☆

The basketball players, boys and girls are in for a treat on Friday. Tell you about it next week.

☆

Here's nite for the books — The Jubilee School's Valley skitch was cancelled, due to weather conditions. Know what Valleyskitch means — am told it is something like a Mardi Gras.

☆

The Mardi Gras at Varsity Grad weekend was tops. About six thousand people danced to the three bands in attendance. Even in a crowd like that we saw Joan Kindish, Barbara Koebel, Joyce Jenson and Ken Sobryn.

☆

Went for a toboggan ride the 600 foot hill. Imagine, one of our stalwart boys from Edson chickened out about half way down the hill.

☆

The Junior High girls basketball team is going to Wildwood Saturday. This is their first outside game. Good luck kids!

☆

Barney, that real quiet good looking boy from grade 10, says it is too bad that you have to brush your finger before you break into the teen and Herd Column. Just

WINNERS IN THE SECOND EVENT of the Legion Auxiliary Zone bonspiel held February 24th in Hinton. Back row are the first place winners, the Lindgren rink from Edson who defeated the front row Barrows rink from Drayton Valley. Back row are Mesdames Dorothy McIntosh, Mollie Stobel, Elsie Pyzer and skip Marg Lindgren. Front row are Mesdames Sylvia Copeman, Skip Dorothy Barrows, Betty Waugh and Clysta Davies. First event winners were the rinks skipped by Mrs. Hazel Wiola and Mrs. Kay Griffiths, both of Hinton.

Drayton knocks Midgets out of finals

BY WAYNE GARDING

Edson Legion Midgets played host to Drayton Valley Clippers on Friday, February 22nd, in the first game of a two game total point series. Drayton Valley came out on top with a score of seven to five McLeod and Shaffer led Drayton Valley with two goals apiece, while Hutzal, Sorbon and Morris scored one each.

Eddie May scored three times to lead Edson while Keith Switzer and Reed LaBelle got one apiece.

There were twelve penalties each team getting six.

LINE UP

Drayton Valley — Goal: McManning; McLeod, Sorbon, De Gust, Hutzal, Jolrs, Rolls, Worth, Whetter, Holahn, Shaeffer, Schultz, Hawkins, Mathers.

Edson Goal: — McIntyre; Defence; Switzer, LaBelle; Mahon, Reschenisk. Brand, Forward; Marc Irwin, J. May, E. May, Garding, Pyzar, Dirk, Maguire, Wells, and Gardener.

Edson goalie McIntyre, had 34 shots while Drayton Valley goal tender McManning had 21 shots.

Referee in charge was Dave Ahner.

On Saturday, these same teams met again in the Edson arena. This game was originally slated for Drayton Valley, but due to having no ice in their outdoor rink there, the game had to be played in Edson.

Edson lost the game 8-5. Combined with the first game on Friday the series ended 12-10 in favor of Drayton Valley.

Brian McLeod led the Drayton Valley scorers with five goals and Joyce scored the other goal for the winners.

Wayne Garding and J. May scored two goals each to pace the Edson attack. Marc Irwin added a single.

There were seven penalties handed out during the game five going to Edson.

The big difference in the game was the shots on goal. Drayton Valley had 42 shots on Edson goalie McIntyre while Edson snickers could only get 17 shots on the Drayton Valley goalie McManning.

Referee in charge was J. Lachuk of Drayton Valley.

Drayton Valley lineup: McManning, De Gust, McLeod, Sorbon, Disney, Hutzal, Joyce, Rolls, Morris, Whetter, Hanlon, Schaeffer and Hawkins.

Edson lineup: McIntyre, Switzer, LaBelle, Brand, Swarkinski, Mahon, E. May, J. May, Marc Irwin, Garding, Schaeffer, Wells, Gardener, Maguire, and Pyzar.

PAUL ANKA AND WIFE. Canada's famous pop singer and composer, Paul Anka, 22, of Ottawa, embraces pretty 20-year-old cover girl Anne de Zephob after they were married in Paris. They chose Saint Moritz, Switzerland, for their honeymoon.

The Edson Leader

The Voice of Edson Constituency and WESTERN WEEKLY SUPPLEMENT

First Section : Edson, Alberta, Thursday, March 7, 1963 Vol. 11, No. 10

Edson crowds enjoy local ice extravaganza

Take one hundred talented skaters, add a central theme, several well planned routines, an inspired director and mix with a great deal of work. Result — an ice carnival that was a howling success.

Citizens of Edson were treated to three performances of a show which must be considered "excellent" when the Kinsettes Club of Edson presented Kincycles of '63 last week.

Among the "stars" of the show was Dianne Brown who appeared only briefly in the school act. What made this little girl so outstanding was the fact that she was only three years old yet she performed with the ecla t of a seasoned trouper.

Bonnie MacIntyre, in her portrayal of the "Sleeping Beauty," went through her routine for three performances, each morning more inspired than the last. Here counterpart Prince Charming, who finally slays the dragon was played by Robyn Stanton. Her performance, combining grace and skill into a show that was delightful to watch.

No mention of Prince Charming would be complete without the dragon ably portrayed by Al Grant. He spent his time, when he wasn't fighting with one of the three princes, flashing his eyes and terrorizing children in the crowd row.

Wayne Callaghan proved his versatility by playing the parts of the doctor and the cook in the latter spectacular routine his partner was Betty Lee Coates who did a fine job.

The four Queen candidates, Connie Erickson, Sharron Glen, Bruna Sebastianelli and Karrie MacDonald, were present at all three performances. Miss MacDonald was crowned Queen of Kincycles '63 at the intermission of the final performance Saturday night.

An escort for the Queen candidates was provided by a precision drill team from 1712 Edson Cadet Corps who also provided the color party. The detail was commanded by Lt J. Reid, CD of t who is Chief Instructor of the Edson Corps.

Trumpeters Gail Joy, Valerie Switzer, Lorraine Saboureau, Kathleen Albrecht, Gloria Davidson, Shirley Kohler, Debbie Kendrick, Debbie Kurth, Sheryl Semeniuk, Shirley, Cid lan, Shirley Goldstick, Glynnis Schultz, Kathleen Schultz

Niton Talent Show decided success

NITON—

The talent show sponsored by the Niton Community Society, on February 22, 1963 in the Niton Central Auditorium was a tremendous success. Miss Beth Miller won 1st place for her very well received vocal. Donna Hewens won 2nd and Helen King 3rd.

A crowd of over 200 people was entertained by 25 variety Acts from Edson, Peers, Wildwood, MacKay and Niton Mr Robert Stinson of Niton Junction did an excellent job as master of ceremonies.

The following is a list of acts in the order of their appearance that evening:

A duet by Lynn and Diane Kendrick of Niton accompanied by Wayne Kendrick on the guitar.

A solo by Sandra Novotney of Carrot Creek accompanied by Doug Acorn on the piano.

A piano solo by Doug Acorn of Peers.

A song and dance act by Laverne and Kathy Harapanila of Niton, accompanied by Laverne on the accordian.

A solo by Marilyn McKinnon of Carrot Creek accompanied by Judy Kuhlbeck of Edson on the piano.

Wayne Kendrick of Niton sang two Western songs at this point in the program.

The Collins girls of Edson thrilled the audience with an act which included five accordions and one girl who twirled the baton.

Brian Hemsuk of Carrot Creek sang "Patches". This was accompanied by Wayne Kendrick.

A duet by Jennie Kitchen and Joan Adams of Wildwood, accompanied by Brenda Kistler also of Wildwood.

Donna Hewins of MacKay appearing in a drum rapper assuming the 1920's stunned the audience with a dance, "The Charleston."

Three violin solos by Kurt Jensen of Carrot Creek.

A vocal solo by Pat McGinnis of Carrot Creek accompanied by Judy Kiehlbauch.

The audience was thrilled at this point with an action song by some of the children of the Primary School This was under the very able direction of Mrs. Rula Marapoulis one of the primary teachers.

A duet by Lynn and Wayne Kendrick of Niton, accompanied by Wayne Kendrick.

A solo by Melvin Radcliffe of Peers accompanied by his mother.

A song by Beth Miller of Niton accompanied by Judy Kiehlbauch

At this point another highlight of the program appeared. This was the Ascotian ry Ridon — an orchestra which included Judy Kiehlbauch, Diane Kiehlbauch Margie Kiehlbauch and Mr. Christie, who is the head master in Edson.

A dance, the twist, by Shirley Raw and Brian Hemsuk, both of Carrot Creek.

A solo by Linda Dyck of Wildwood who accompanied herself on the piano.

Gary Radcliffe, an excellent tap dancer from Peers, performed at this time.

Helen King from Foley Thicker accompanied by Judy Kiehlbauch sang "Danny Boy."

Charles Irwin of Carrot Creek recited a poem at this time.

Harvey Setzer of Niton also recited a poem.

A song by Audrey Voldheuer of Wildwood. Audrey accompanied herself on the guitar

Last but not least on the program was a comedy act by Louis Marapoulis. This was an excellent finale to a fine evening's entertainment as it left the audience in gales of laughter.

The Staccatos and Collins girls appeared for an encore at the end of the program.

The Niton Community society wish to express their sincere thanks to all the contestants who appeared on the program to make the evening such a success. A special greeting thank you goes to Judy Kiehlbauch of Edson who helped out by accompanying a number of songs

The following people also contributed greatly to the success of the evening and deserve a big hand for their effort: Mrs. Harvey Setzer, Mrs. Helen King from Foley Thicker accompanied by Judy Kiehlbauch sang "Danny Boy."

Continued on page 16

Tri-Service in favor of arena ice project

The Edson Tri-Service Rodeo Association have gone on record as being in favor of the proposed renovation of the arena as suggested by the Recreation Board it was announced this week.

Mr. Jack Hook has accepted the position of Vice President of the Rodeo Association with Jim Griffiths as this year's president.

Carnival Week Prize winners

The Carnival weekend saw several other winners besides Queen Karrie MacDonald.

Mr Frank Repshinski of Edmonton was the winner of the 1962 Ford car which was raffled off by the Edson Lions Club. Penny part of it is that Mr. Repshinski didn't even have to buy the tickets he had on the car. He got them on a double or nothing bet with a Lions Club member while on a snowmotion in Edmonton.

The second winner was Mr E. Smastetio of Edson who won a transistor radio as a door prize at the Carnival

In the contest to see who could sell the most Carnival Queen tickets Maxine Minter won with a total of 25 books sold. Marilyn Gardsbier with 20 books was second and the class room which totaled the most ticket sales was Mr Pankiw's grade 8 class. They won a box of chocolates.

Edson Lions organize for Easter Seals

A committee to promote the sale of Easter Seals which go to help crippled children has been set up by the Edson Lions Club.

Chairman of the committee will be Don Ivens, with Chas. Holloway as assistant chairman. Don Foster is the campaign manager and Merle Mackenzie will act as vice chairman.

The campaign gets underway March 14 with the Edson objective being $127,000 to help crippled children.

Watch for local walker

Edson and Hinton district aren't going to take a back seat on this walkathon deal —from what we hear there will be a "dark horse" try for a local record about next week.

Watch The Leader for this big sporting event!

FUA considers double holiday

The March meeting of the FUA Local 500 was held on the IOOF Hall with president A. Gerperon in the chair

Other locals were represented by Mr Fabron Mr Irwin, Mrs Lowery Mrs Schearer, Mrs Fairbairn and District Supervisor Mr J Fairbairn

Regarding the cooperating of Farmers Day and the Lit of the Britches Rodeo, Mr Sparks and Mr Bennett gave a clear outline of the pleasure all would receive Mr A Marshall suggested the subject of the rodeo and Farmers Day as well as scholarship money should be discussed at the next meeting of each local

After lunch served by the Ashermeaver and Thrale families and music by Ernie Fowler and George Cullin was enjoyed

EDSON — ALBERTA

East District Doin's

News is breaking out all over but for some reason we just cannot seem to jostle any of the limited material into our column. Now let's see what we can muster up for the current issue.

Baby Raymond Thomas was admitted to St. John's hospital Wednesday of last week, suffering bronchial trouble; and was slightly improved when his mother called Thursday.

Following a few mild days side roads are becoming muddy in places but thanks to the same drying winds some stretches have dried and believe it or not we kicked up a very brief dust cloud on one particular stretch this morning. Good old Alberta.

Dezzi and Happy are still slogging away at their pulpwood, despite wet miserable footing, and Allen and Clem were moved in Friday p.m. with the truck to haul a load to the mill.

Incidentally did you notice how March came in like a lamb? Seems like the grounding and the idea of March are in complete accord this year. Oh well a nice day is a nice day regardless of the month or week on which it appears.

Several local folk attended the car bingo last week in Edmonton, and see almost lucky fellow bingoed on his car at his choice, but last one in the finals. Darn the luck. So near and yet so far.

Made a hurry-up trip to Edson Saturday and wished on return I to such a rush as the odd remark heard in passing was worthy of a more attentive ear.

—For example one young woman was hustling about searching for — of all things — a huge plume. You know a son, with hot water attachments."

—Another was trying to track down the host off one of her shoes.

—We looked in every shop on the main drag for a lobster pipe, then passed the buck to another who had more time than we.

—Said a few harried words to our friend Mrs. J. Carter who was in town for the Ice Carnival.

—Saw Vera Walsh looking very smart in her sweater and slacks — with a ribbon pinned to her shoulder. Something to do with curling.

—Oh yes — the plume searcher was also looking for a stapler to do a mahy shift repair job on her handbag.

HAIR-TEARING TALES

An oldtime newspaper editor, looking back along the trail, has recalled amusing incidents with press life and has assembled some of the mistakes which have happened in well-meaning newspaper offices.

He recalled the feud between two editors which lasted for years. One of them died and the other sought to make amends through writing a kindly obituary. Unfortunately the obit got mixed up with a story of a fire and the report under the obituary read: "When the beautiful casket was lowered to its last resting place lurid flames shot upward".

Another writer wrote of a respected citizen's "smoothing remains" being removed from an old cemetery to a new one.

A case in which ads were mixed up disastrously read: "Born to Mr. and Mrs. McNutt, a huge plume. You know a son, with hot water attachments."

"Do unto others . . ."

In 1962 the Canadian Red Cross will help you help others in many ways. Those who benefit will range in age from newly born in the elderly and represent a goodly portion of the world's population. Besides providing a blood transfusion service and emergency assistance in times of distress, you will encourage the Junior Red Cross and its many acts of consideration for youth at home and abroad. You will help finance the promotion of health through Red Cross home nursing classes, water safety and outdoors loan service, and assist in the reunion of long separated families, also.

These are only a few of the many humanitarian services and programmes of the Red Cross. When you give to the Red Cross you are participating in every project undertaken by this Canadian wide organization.

Millions of Canadians volunteer for Red Cross work. They represent all walks of life and many races and creeds, serving others in the traditional principles of Red Cross. They ask nothing in return for their time, talent and energy other than your financial support.

The quota set for Edson in the Red Cross campaign of 1962 was $1,800.00. We fell short by some $400. Which one of the Red Cross services had to be restricted or curtailed because of this lack of funds?

The Red Cross, here and elsewhere, does the things you would like to do if you had the opportunity. Do unto others as you would have them do unto you", and because they cannot be without you, give generously when the Red Cross canvasser calls on March 20th.

March 18 start of rest of Sabine program

The second feeding of "Sugar Lumps" will commence Monday, March 18. All adults and school children who have received at least three doses of Salk vaccine and all pre school children irrespective of age who have received at least three doses of Salk or four doses of the Quadruple vaccine are still eligible to receive the Sabin vaccine. Those children and adults who received one dose of Sabin in any other Province should obtain their second feeding of Sabin.

Parents of all children who did not sign consent cards may obtain consent cards for their children at the Health Unit offices at least one week before March 18. In the event that anyone receiving their first dose of Salk or Sabin vaccine after March 4th cannot be present in the Sun. Those persons who are not fully protected are earnestly urged to complete their series of Salk shots or to commence their Salk shots as soon as possible. Help us to help you stamp out this dreadful crippling disease in Alberta.

FOUR MEMBERS of the Edson Forestry Division got together for a confab during coffee break at the Hinton Forestry School. The men were attending a two week course, brushing up on new developments in fire suppression, forestry management, etc. They were called the "old timers" not because they were old, but because this was the first course they had been on for an average of ten years. Left to right above are Gordon Campbell, Eric Dawson Joe Pancontura and Gus Crawford.

GREEN ACRES

By R. C. Lowe
District Agriculturist

VITAMIN A AND BEEF CATTLE PRODUCTION

Ensuring an adequate supply of vitamin A is a problem in beef cattle production. It is not so much a case of what to give it and in what quantity.

There would be no vitamin A problems if cattle had access to green forage all the year around. Good green hay and silage should contain a fair amount of carotene but often our hays do not turn out to be in this category. Also cattle are now kept on dry feed in the feedlot for longer periods. But a higher level of vitamin supplementation should then need to be fed. All these factors can and do create a vitamin A deficiency.

Vitamin A is essential to an animals resistance to infection and disease. It also influences the breeding ability of both male and females. Animals store vitamin A, manufactured from green plants rich in carotene, in their liver. Unfortunately, however they can't store enough to carry them through fire or six months of winter which we have in this part of the country.

Dry stabilized vitamin A can be incorporated in protein pellets, cubes, and blocks. It can also be made up in a pre-mix which can be added to ground or rolled grain. Then a daily allowance which will insure the animals get a sufficient amount of this vitamin it is not practical to give cattle on winter grazing vitamin A daily, they can be given it once or twice a week. On this basis they should get only half a week or a full week's requirements in one feeding, depending on the circumstances.

Fat-fed cattle on low hay ration should receive approximately 10,000 I.U. of vitamin A per day. If they are not getting any hay, only straw this should be increased to 20,000 I.U. Hays and grain formulas which are just being introduced may not need much vitamin A if the color and quality of the hay or silage is good. If the quality hay according to be desired, then should be given at least 5,000 I.U. per day.

Pregnant cows and heifers may not require any vitamin A supplement if their hay or silage is excellent in color and quality. If their roughage is not then these females should be given 20,000 to 30,000 per day. If it is not possible to get the roughage analyzed, it is better to be on the safe side than to risk having calves born that are weak and lack disease resistance.

A reporter from a Nanaimo newspaper stopped to visit with a friend who operated a little country weekly. He asked his friend, "How can you keep up your circulation in a town where everyone knows what everyone else is doing?"

The editor groaned and said, "They all know what everyone's doing, all right, but they read the paper to see names been caught at it!"

☆

"Mamma, what's a second story man?"

"Your father is one limit. If I don't believe his first story, he always has another one ready!"

AS OTHERS SEE US

One result of the political crisis in Ottawa was that many Americans rediscovered Canada.

When Defence Minister Douglas Harkness resigned and the government was defeated in a vote of non-confidence, the developments were prominently reported on the front page of U.S. newspapers.

The American T[illegible] also devoted large portions of their newscasts to the situation.

Since the Second World War only two events had attracted such notice south of the border. One was the last Gouzenko spy case in the 1940's. The other was the subsequ[illegible] survival of miners in the Springhill N.S., colliery disaster several years ago.

The cabinet crisis, however, was the first purely political story to hold American interest for several days running.

The whole affair must have been something of an eye-opener for those Americans whose awareness of Canada is largely limited to scarlet-coated Mounties and parka-clad Eskimos.

A political crisis is something they tend to associate with countries where emotions are easily stirred. And there are indications that some Americans were mystified by what happened in this country.

For example, a New York taxi driver — knowing that a U.S. president cannot be removed before the end of his term unless he's impeached — figured that the defeat of the Canadian government must have resulted from a coup d'etat.

There are a lot of Canadians who feel Americans should take more notice of us, particularly since Canada and the United States, aside from being next-door neighbors, are each other's best customers.

But before they begin to think the recent series of events heralds a new era in Yankee curiosity about Canadian activities, they should remember that in the eyes of many Americans it was the actions of the U.S. state department that brought about the government's defeat.

What seems more likely is that, with the exception of a few who really care what goes on in this country, most of the people in the U.S. will return to their former attitude of mild disinterest.

Because of it's going to take a full-blown political crisis to keep them interested, we'd just as soon be ignored

THE INNOCENT LOOKING SCENE above could actually spell death to the unwary. It seems to be a little known fact that crude oil gives off a deadly gas which can strike very quickly. Sight-seers berry pickers and so on should heed the danger signs and steer clear.

Letters to the Editor

Dear Sir:

With reference to your Editorial of Feb. 21st I wish to take exception to the last paragraph. Your Editorial writer has obviously not been any further into B.C. than Revelstoke, as this is the only place that aluminum roofs are common. Here in Salmon Arm there is never enough snow to come up to the eaves of a self respecting dog-house.

Although there is plenty of winter recreation here, my biggest enjoyment comes from sitting in front of the TV and chuckling merrily over YOUR weather reports. Our winter fell on January the 28th this year.

For those of your readers who might be able to escape we do have a few plots of ground left, but hurry as it is going fast. Bring money and your own job as both are needed.

Well I really must run; those tulips are just crying to be picked.

Yours truly,
Ken McKee.

"Daddy got mad at Cuber 'cause it had rockets and mad at Canada 'cause it hasn't . . ."

CAPITOL REPORT

Medicare subject of another citizen forum

Another citizen's forum following the successful one held last month is being arranged for March 18 in the Elks Hall at 8:00 p.m.

This time the controversial subject of medicare will be discussed with the same pounds raring as were in force for last month's juvenile delinquency panel.

Speaking against the socialization of medicare will be Dr. A. T. Whittaker of Edson and Miss E. Shields a teacher with Edson High School staff.

In favor of medicare will be Dr. F. W. Cohen of Edson and Arthur Cliff a teacher on the High School staff.

All interested are cordially invited to attend.

ALBERTA TOPS B.C. IN BUDGET SPENDING

EDMONTON — [illegible] Alberta will spend [illegible] during the fiscal year which begins April 1, Provincial Treasurer E. C. Gattafield announced in the budget speech to the house Friday. It was one [illegible] largest expenditures in history, including increased expenditures of nearly $40,000,000 over the previous year.

Mr. Hinman described the surplus as "imagine but welcome" and pointed out that Alberta revenues will be the highest in Western Canada, surpassing British Columbia s for the first time in history.

The 56-year-old treasurer said Alberta can look forward to its first $500,000,000 budget within four or six years if the pace of the current upward trend is maintained.

It was Mr. Hinman s eighth budget and ended for the province's fifth straight year of record spendings. The last drop was in 1953-54 when there was a national recession.

A year ago he budgeted for a surplus of $61,000 after expenditures of $254,920,000. Despite a drop of $6,000,000 in revenue from petroleum and natural gas taxes sales, Mr. Hinman said greater oil royalties "will allow us to let this just about on the nose."

The budget called for no tax increases and no increases on the rates of fees and licences. But Mr Hinman added an eminence note by saying, "It is only a matter of two or three years until either a rate increase or a new tax basis will be required to finance expenditures."

Top expenditures he outlined are for: Health — $27,303,000 including $6[illegible] ...ada for hospital care, an increase of $5,[illegible] ...ance, and $2,000,000 for initiation of a voluntary, prepaid medical care insurance plan late this year.

Education — $64,600,425 including $63,[illegible] ...000and under the foundation plan to provide a basic standard of elementary and secondary education, an increase of $6,000,000.

Highways — $64,548,370, including an increase of $1,200,000 to $30,238,770 for construction of main highways, ferries and bridges.

Public Works — $40,479,140 including $16,620,700 for university and technical school construction.

Welfare — $26,857,055 including an increase of $3,800,000 to almost $10,000,000 for public assistance under the government's more liberal program based on individual need rather than fixed pensions.

Mr. Hinman said Alberta's "economy and prosperity have continued to expand and there are fewer pockets of economic weakness than in any past year."

The province s overall production has grown steadily and shows no sign of weakening, he said.

Higher spending by Albertans on new cars, gasoline, liquor, foreign travel, entertainment and luxuries are a good indication "that the discretionary part of the income of our people has not suffered."

In his address Mr. Hinman painted a glowing picture of the province's 1962 record. Agricultural production climbed seven per cent to $781,902,000 and farm cash income five per cent to $663,000,000. Mineral production rose 12 per cent to a record $378,000,000 including a 50 per cent hike in natural gas production and a 10 per cent jump in oil.

FOOTBALL STAR JOHNNY BRIGHT of Edmonton was officially appointed honorary chairman of the Alberta 1963 Easter Seal Campaign at a campaign luncheon held in Edmonton this week. He is pictured here with Lenny Seeley, Edmonton's Easter Seal "Tommy" for last year. His feat one, 218 pound Johnny Bright, a tough competitor on the football field, is one of the last remaining players who joined the Edmonton Eskimo Football Club in 1954 and helped lead the team to Grey Cup victory for three successive seasons. He has been named to the All Star Conference for six occasions, was outstanding player of the year in the 1958 Shrine Game and in 1959 was Schenley Award winner and Edmonton's Athlete-of-the-year. A good all round athlete, not only in football, but in basketball and football as well, Johnny has a soft spot in his heart for children. He works with them daily in his vocation as teacher of Edmonton's Bonnie Doon High School and says he is proud and honored to have been chosen Honorary Alberta Chairman for the 1963 Easter Seal campaign. "This however," he said "is not a one-man job. . Like football, it is teamwork that really counts and the Easter Seal Campaign requires the dedicated efforts of thousands of people. In asking me to join with you in this campaign I hope we can all give just a little bit more to help the crippled children on door to our hearts." The Campaign gets underway March 14th, and the Alberta objective for 1963 is $127,000.00.

CARD OF THANKS

I wish to express my sincere thanks to all who sold tickets and voted for me for Carnival Queen. Special thanks to my chauffeur.

Connie Erickson

Civil Servants hold successful two day 'spiel

BY IRENE BOCHEK

Branch 34 of the Civil Service Assoc had a big weekend with their annual banquet on March 2nd and third, and a well attended banquet and dance at the Parish Hall on the 3rd

First place winner in the A event was the Norm Craden rink with second going to the D Geier rink from Robb. Winners of the B event were the Jack Rosene rink for first place and the Bill Kostiuk rink for second C event was won by Elmer Walsh rink, second by Anne Davidsaga

[illegible]ming the dance Saturday evening a presentation was made to Angus Crawford who will be retiring this month. Mr. Crawford curled for the first time this year, and really enjoyed himself

Many out-of-towners attended from as far East as Wildwood, and as far as West as Brule, as well as many Edson residents.

Joke of the Week

"Is this a definite reveal?"

Teen and Herd

BY BEM

This year's basketball teams consider themselves a little luckier than the others . . . Last Friday Dr Soldberg our chaperone on basketbal[illegible] Mrs. Colbens and Miss Mannin our coaches treated us to a banquet and dance at the Edson Motor Hotel.

We had lots to eat including a big cake and ice cream! To show our appreciation and [illegible]e Wayne Michener presented a picture of the boys basketball team to Mr. Colbens Barbara Marshall presented a picture of the girls team to Miss Mannin and our chaperone Dr. Soldberg received a picture of each team which was presented by Barbara Koebel.

We looked pretty handsome in those pictures too

☆

Pictures of the boys basketball team taken at Hinton are now ready. Gordon Chapman of course, has his eye shut.

☆

Like to congratulate Robyn on winning three of the skating trophies at the arena Sunday What a figure that Robyn can cut-

☆

It's homeplat time again this time its put on by the Eldon Kinsmen Club. They have room for 16 rinks. Of course three aren't going to be "stached."

☆

Mitch's Hillman. "Hubby" had the works on Sunday, ran out of gas, threw a rod and the motor blew up Took three "mechanics" nine hours on Saturday to fix it up.

☆

Bye, bye, Sam. Tend to your studies, don't get into any trouble and have lots of fun when you are in Red Deer

☆

The Junior High Boys Basketball team took the trophy away from Hinton or Wild[illegible]

☆

The Junior High Girls Basketball team took the trophy away from Hinton or Wild[illegible]

☆

Anyway they're not #1. The Senior hitch from is supposed to go to Edmonton this week end to play Alberta College. Next week the Dawson Creek team plays here.

☆

Mrs. McCardle left for her trip to the States. Now who'll look your little Ricky in bed ?

☆

I imagine out of all the election speeches that have been going around school some of them will be recited Wednesday unless Dr. Soldberg forgets No mark luck

Kiwanis will again bring Players to area

Although the Canadian Players' "Masterpieces o' Comedy" presented in the Crescent Valley Auditorium February 25th did not attract as large an audience as their presentations last year, there was no question of the Hinton Kiwanis Club's wholehearted local sponsoring of the Players in future At Clark president of the Kiwanis Club has revealed a slight deficit resulted from this year's decreased attendance but was not sufficient to affect the club's decision to sponsor the Players another year, he said It was felt that for the most part those attending this years' performance had thoroughly enjoyed the presentations and the superb acting of the cast Shakespeare's "Julius Caesar" and Bernard Shaw's "Saint Joan" presented by the Players last year seemed to have had wider local appeal Then the awards of comedies offered this year. Most Kiwanians thought that if whole plays were presented seats in future larger audiences could be expected.

This for no announcement has been made as to what plays will be taken on tour by the Players next year

JOKE OF THE WEEK

Bystander: "It was magnificent of you to dive in fully clothed and save that child."

Hero: "Thanks, but what I want to know is who pushed me?"

Election Mania

By EMMA JANE

During this past week, I have been sitting and listening. This is something that all women expect from all women expect.

Out Trail Way

Mr and Mrs Stuart Ferguson and children of Edmonton are visiting with the F. Powlers prior to their move to Los Angeles where Stuart will be employed with Citizen's National Bank. Stuart and Mr. Norman Fowler plan to leave Monday by car and Mrs. Ferguson and children will fly down later in the week.

☆

The regular monthly wiener dance was held Saturday March 2nd, with an attendance of sixteen Ladies first prize for the evening went to Mrs A. Bergerson, with second going to Mrs Wendy Pemberton Men's first was won by Mr A. J Bergerson, with Mr E Pemberton as runner-up

☆

Mr. Ron Bosowski is home again at the Beacon.

☆

Nice to see Mrs W Lang home and family from Pitmon too here for the weekend

☆

Mrs E. Fowler and daughter, Mrs Kathy Ferguson returned to Vermilion on Tuesday to visit friends and relatives there. They are expected to return on Saturday Meanwhile Mr Stuart Ferguson is trying his hand as a mile maid

☆

wood (I don't know which) Anyway they're not #1. The Senior hitch from is supposed to go to Edmonton this week end to play Alberta College. Next week the Dawson Creek team plays here.

☆

Mrs. McCardle left for her trip to the States. Now who'll look your little Ricky in bed ?

☆

I imagine out of all the election speeches that have been going around school some of them will be recited Wednesday unless Dr. Soldberg forgets No mark luck

☆

Now I'm not a mind reader but I guess that I'm one of the few women who will still vote for the best looking candidate regardless of policy, party or any other consideration. There are quite undecided this time: Dr Hugh Horner or that cute little Tommy Douglas Perhaps you had better look a little deeper than looks girls

☆

2 We still have among us those people who will vote the same way Dad and Grandad did After all the old fellows WERE have had a good idea about politics in their day and it saves all that sorting out of facts and figures that is so time consuming and tiresome

☆

3 There are still people in this day and age who think that French Canadians sound all their time smokes a pipe and possibly wear the hair fringe and who do not realize that sometimes an over large tail can wag the head of the fish

☆

4 There are still men who are the head of the family in all respects and the little woman had better not make up her own mind about such male necessities as politics Girls if you are the thinking type, be direct about it Be can't find out how you really voted unless you want him to or you be in a mind reader

Robb and Branch News

Mr. Bill Havrahan returned to Robb after having been away for several months in the North country. He was employed by the Ritzie Bros. as a cook.

☆

Robb streets are all lit up once again. Mr. Charlton brought home another light point for the hotel. Sure doesn't compare with the "Yellow Bird".

☆

Mrs. Dewey and daughter Judy of Edmonton spent the weekend with Mr. and Mrs. Charlton, returning to the city Sunday evening with Mr. Frank Hall, who spent the weekend here with his family.

☆

Mr. Harold Charlton of Penticton, B.C., is here on a "supposed to be" holiday at the home of his brother Len Charlton. His holidays were short lived as Len got him to work hauling pulp. Len believes in making her while the sun doesn't shine so the break-up could be any day now. we hope

☆

Peter Pambrun went to Lac La Biche on Sunday where he will be employed as a rail shimmer for the Pambrich Co.

☆

Mr. and Mrs. Marvin Hoglin and family visited their respective parents here at the weekend. Marvin returned on Sunday accompanied by Charles Pambrun who was on his way to the city to buy a car. Mrs. Hoglin and the children remained in Robb for a longer visit. Mrs. Hoglin became ill on Monday and was taken to Hinton Hospital by Alfred Pambrun. We all wish her a speedy recovery.

☆

Winston Parnell was the winner of jackpot consolation prize, a grocery hamper, at the bingo held last Saturday in the Robb Community Hall. The secies. furnman stationed at Marcoal was the winner of the hamper raffled by the Students' Union. The lucky ticket, No 204, was drawn by Miss Judy Dewey, a guest at the Charltons.

☆

Patsy Kennedy, Student Union secretary, on behalf of the Students Union sincerely thanks all who so generously bought tickets.

☆

I wonder what happened to the Bush Branch Trophy. Maybe by the next issue of the paper we will know. Mr. Syd McLeod of Hinton and a resident Cadomin resident, must still be the proud possessor. Well he might, as it cost him several trips to the branch plus a transmission for his car to get it. To say nothing of the two hours polishing it for the challenge event last Sun.

☆

Mr Boyd Roberts of Hinton paid a visit to the Branch last Friday visiting at the homes of Mrs. Ferguson at Cadomin and the Kennedy's of Robb.

☆

Mrs. Mike Vaynerich and Bonnie went to Edmonton on Sunday where they will stay for a few days while Mrs. Vaynerich undergoes a medical checkup. Mr. Vaynerich accompanied them as far as Edmonton, returning home the same evening.

☆

Our weather is really nice but not quite enough as our icy condition still remains quite serious.

☆

Otto Buehner arrived home Thursday from Wagners Camp at Brule and has taken up the "trap line" again.

☆

Messrs. Rotlan and Gosh, our local teachers arrived back on Sunday and were on the job again on Monday. Lucky boys. Ask me, I babysat for one of them at school

Observes 50th year with Rexall

Mr. H. A. Switzer was the recipient of congratulations and a bouquet of flowers from the head office of Rexall Drug Company in Toronto.

Occasion for the letter of appreciation was the completion of 50 years of continuous connection with the well known drug company this week.

Mr. Switzer was one of the earliest outlets in Western Canada for the company which had operated in the United States for many years previous to establishing a Canadian outlet about 1910.

Mr. Switzer is the senior member of the well known firm of H. A. Switzer & Co. who operate a drug store at both Edson and Hinton.

WHISTLER WORKING out his six-foot, one-inch frame in a gymnasium or working in night clubs, on stage or before television cameras, singer Doug Crosley is equally at home. Doug became known as host of CBC-TV's Swingalong last summer and now has his own weekly radio program, Crosley's Quarter, heard Mondays on the CBC radio network.

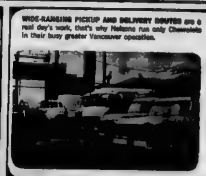
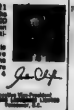
BUSINESSMEN AGREE:
CHEVROLET
KEEPS DELIVERY COSTS DOWN!



WIDE-RANGING PICKUP AND DELIVERY DUTIES are a real day's work, that's why Nelsons run only Chevrolets in their busy greater Vancouver operation.

"CHEVROLET TRUCKS HAVE WON OUR CONFIDENCE AND EARNED ACTION"

"We have 121 Chevrolet trucks averaging 50,000 miles a year on short run, multi-stop duties. We have in this down-time, we have replaced the entire engine more trucks from 4 to 5."



Jim Ogle
Assistant Manager Customer Relations W.S.

HANDLING MULTI-STOP MILK ROUTES: Gay Lea's Chevrolet fleet is on the road regardless of weather. This is where Chevrolet's dependability pays off.

"BY STANDARDIZING ON CHEVROLET WE PUT OUR DELIVERY OPERATION ON A SOUND BASIS"

"Heavy loads and multi-stop routes are demanding, but our Chevrolets are doing a wonderful job — giving us dependability and economy."

Jack Fraser
Fraser Valley Milk Producers Assn., Abbotsford

"THE ECONOMY AND PAYLOAD WE NEED"

"We have 3 T60 Tilt Cab Chevrolet trucks with 6-cylinder engines, 5-speed transmissions and 2-speed rear axles. With that combination, we haul maximum payloads and get the economy we need."

Truck Manager
ROYAL CITY FOODS LTD.
New Westminster B.C.

HEAVY DELIVERIES IN HEAVY TRAFFIC... A TOUGH COMBINATION. Chevrolet 1962's extra visibility and maneuverability give Delnor drivers the edge in heavy traffic and in cramped quarters.

SHUTTLING HOSPITAL AND CITY HAULING: Packers in Montreal — refrigerated vans — deliver all of cheese plus — theirs all part of a day's work for this Chevrolet fleet.

"CHEVROLET GIVES US THE MOST DEPENDABLE SERVICE"

"Our 8 Chevrolet trucks log about 175,000 miles a year on pickup and delivery runs. We have found that Chevrolet gives us the most dependable service, and dependability is what we need in the lumber business."

Chief Engineer — General Inspector
Malcolm Y. Mackinnon Ltd.

Ladies Bonspiel biggest one yet

A total of thirty-three rinks are entered in the Edson ladies open bonspiel this weekend. Twelve of these are local club rinks, 11 are local noncleb rinks, there are four from Edmonton, three from Hinton, one each from Wildwood, Entwistle and ...eston.

Play will get underway at noon on Friday, March 8. The big social event of the bonspiel, the banquet, will take place from 5 to 7 Saturday evening in the basement hall of the Roman Catholic Church.

There are four events: The Grand Challenge with a first prize of four electric blankets; the Mahon Electric Event, the Knebel Co. Event and the H H Cooper Event.

The final draws of the spiel are scheduled to start at 8:30 p.m Sunday afternoon

Thursday, March 7, 1963 — EDSON LEADER — 7

For Conscience Sake

BY PASTOR SNOWALTER

The Bible says that the government is to be purpose of restraining the evil works of men. He who does that which is good need not be afraid.

The government uses its powers to make such laws as deemed necessary and needful for the sake of the whole community. The "arm of the law" seeks to enforce her decisions.

In general, most people are subject to the laws without making much trouble. A relative few make the maintaining of the police force necessary.

In particular, many people do behave well when they are afraid to take the risk of getting caught. Such are apt to take the odd illegal piece of game, watch the mirror closely while speeding, take personal advantages here and there. Their actions are always weighed against the possibility of their being caught and what it might cost them in such an event.

There should be yet another group of individuals. These are law-abiding not only because of what the consequences might be because of disobedience, but because they accept the fact that God allows the government this power. So long as this power does not come into conflict with the directives of the Supreme Power (God), the Christian is obligated to be a top-notch citizen "for conscience sake".

"Where ye must needs be subject, not only for wrath, but also for conscience sake." Romans13:5.

Correction

To paraphrase an old saying, what a difference a Letter makes!

In the account of the federal NDP nominating convention at Drumheller, Saturday, Feb. 23rd, the candidate's name was inadvertently reported as Torgerison instead of Torgilson.

Our contrite correspondent extends her apologies to Mr. Torgerson and, as penance, has been sentenced to write his name 500 times.

HOW MANY ARE BANK CUSTOMERS?

A safe guess would be every one of them / That's because, in Canada, practically everybody has regular dealings with a chartered bank / Deposit accounts number more than 13½ million — or better than one for every adult. And on the books of the banks at any one time are 1,500,000 loans for just about every personal and commercial purpose / Through 5,000 branches, from one end of the country to the other, the chartered banks bring a full banking service within the reach of everyone.

AS I SEE IT

By Pastor E. Hurd

By PASTOR E. HURD

The simplicity of the Gospel. How often we hear a child say, "It's as simple as A B C." We know what they mean.

I want to talk to you this week about the most elementary truths of salvation. The preacher's business it to point the way to salvation. I'm sure however that many times in preaching we tend to confuse truth rather than clarify it. It is easy to lose your way when travelling an unknown road with your markers or confusing sign-posts. That's why I want to make sure all my readers understand clearly what the Bible says about you, and your need of a Saviour.

Let's start with 'A' — ACKNOWLEDGE what God says about you. It is all summed up in Romans 3 23, "All have sinned and come short of the glory of God." No man was ever saved who did not acknowledge the fact that he was a sinner. You don't usually call the doctor unless you know you are sick. And you will never realize your need of a Saviour until you recognize that you are a sinner. Isaiah wrote, "All we like sheep have gone astray." And again, "We are all as an unclean thing and all our righteousnesses are as filthy rags." (53:6, 64:4). Paul writes, "There is none good, no not one." (Romans 3:12). I suppose this is about the hardest part of the Gospel to accept. And yet there is something else — because man is a sinner, he cannot save himself. "Not by works of righteousness which we have done but according to His mercy He saved us." (Titus 3:5) You cannot be saved by being baptized, by joining a church, becoming religious, living a good life. Jesus said, "I came not to call the righteous but sinners to repentance."

Next, BELIEVE what God says about the Saviour. "Christ died for our sins. . . God commendeth his love toward us in that while we were yet sinners Christ died for us. . . Behold the Lamb of God that taketh away the sin of the world." (1 Cor. 15 3, Romans 5:8, John 1:29). Can't you see the logic of it all? You are a sinner and lost. You cannot save yourself. Jesus Christ offers Himself in your place. Because He is God's Son, He is able to save. His death becomes your life, by believing on Him you are saved.

That leaves 'C' — CALL on the name of the Lord shall be saved." That's all there is to it!

HATTONFORD

Edson visitors, during the past week from this and Niton district were Mr and Mrs. D. Christenson and Gail, Jon and Lloyd Bendall, Mr. and Mrs. Wiseman and Don, Mr. A. Goodale and Frank Dickson, also Laurie, Eddie and Mary Ehlefelt.

(The following job opportunities are listed by the National Employment Office in Edson, and is presented in the public interest by this newspaper.)

Employment conditions in Edson and area remained steady through the month of February. As of 28 February, there were 488 men and 188 women were seeking work through the National Employment Service. One month earlier, at the end of January 333 men and 139 women were unemployed.

One year ago at this same time of year unemployment was considerably higher. At the end of February 1962 in Edson and area 500 men and 135 women were seeking work. Although a slight decline in employment is to be expected in the near future due to spring break-up indications are that unemployment will continue higher than one year ago.

DROSTAN NEWS

Congratulations to Miss Pearl Gail and Mr. Peter Pachuk who were married at Vancouver last Saturday. The newlyweds returned home on Thursday.

We are all sorry to hear that Herman Bross Jr. broke his arm in a fall at school on Friday.

☆

Everyone from this district who attended the Ice Carnival last weekend really enjoyed it. A vote of thanks to all who worked so hard to make it a success.

Mrs. A. Haubl enjoyed having her family home for visits at the weekend.

Mrs. Peter Paschak and Caroline visited at the home of Mr and Mrs Bill Swarowski on Sunday.

HATTONFORD

Mr. and Mrs Walter Currie and small son also the Bennes Brothers from Viking visited with Mrs. Currie's parents Mr. and Mrs. B. Wiseman on Friday of last week.

☆

Mrs. Verne Jensen from Saipe Lake is at present visiting with Mr. and Mrs. E. Strauss.

☆

Some of the teenagers from this district are again attending "Teens Club" every Friday night at Mr and Mrs. H. Strauss's, Niton Jct. The boys are hoping for cooler weather on March 8th to play hockey at Entwistle

CARD OF THANKS

My sincere thanks to all the wonderful people who supported me by selling tickets and also those who purchased tickets. Without your support I could never have experienced the thrill of reigning as Queen of Edson's Winter Carnival. Thank you again.

Karrie MacDonald

Haddock Happenings

There was a real family reunion on Sunday, Feb. 24, in the home of Mr. and Mrs. Lawrence Williams. Mr. and Mrs. Morris Williams and family, Miss Fay Hanrahan of Woodlock and Mr. and Mrs. F. L. Bomhall gathered there to spend the afternoon.

Mr and Mrs. Trevs Aris attended a social dance in Edmonton this past week.

Mr. and Mrs. Harold Radford were in Edmonton two days this past week busing dental work done.

Mrs. Doukias Quinnell and Janice of Glenwood visited Mrs Quingell's parents, Mr. and Mrs. Harold Haddock for three days last week.

The results of the recent election for trustee have been posted in the Post Office. They were. Mr. Mosome, Mr. John Rendle, Mr. Quin (a creditable score for Mr. Rendle since he has not been active in school affairs before and did little campaigning.

The Bender drilling Co. drilling for Mobile Oil east of the river, have been quite inhospitable to the local gentry who have wandered onto the drilling site this past week or so. The reason is now apparent since they are now discussing the drilling rig and have put on a well head casing. Speculation be a strike? and if so how much eh?

An unfortunate accident at Pulham School during that 40 minute period after school when the children have to wait for the return of high school students from Niton before they can go home, resulted in a broken ear drum for

Scouting Corner

CUB CALENDAR

"A" Pack meets Monday, 6.30 p.m. at the A. H. Dakin School.

"B" Pack meets Wednesday, 6.30 p.m. at the A. H. Dakin School

There were some rather weary Cubs after the Bottle Drive on Saturday. Together with the Scouts, they collected several truck loads of soft drink and beer bottles. So far 346 dozen beer bottles have been packed.

Cubmaster Jim Oliver received his Basic A Cub Training Certificate recently.

SCOUT CALENDAR

March Theme — From the Fur to the Parka.

Regular Scout meeting Thursday, 7 p.m. at Optimist Boy's Center. A wide game involving the compass will be run off.

Leaders Arrow Patrol Leader Training (Part 2) and Court of Honor will be held on Tuesday.

District Scoutmaster and First Class A Troop Scoutmaster K. Wallace (Skipper)

Roydean Armstrong There is a possibility of permanent damage to the ear

The School division has another problem also One of nature's black and white kittens has moved into the Pulham school yard. Problem: How to dispose of it without arousing that lasting aroma

Mr Pollard, who makes his home in a trailer at Grout Creek Cafe and it taking out pulp wood east of the McLeod River escaped injury when he had a front tire blow out on Rainbow Creek hill. The half ton truck, out of control plunged over the steepest part of the hill and burner Mr Pollard was unhurt.

Mr Bill Napier of Edmonton spent the past weekend visiting Harold Haddock.

The country south of the bridge — just north of Peers and south of Peers — resembles a huge octopus with the highway as the centre and seismic lines hollowed out in all directions.

received his long service award which consists of a medal, for parades, a cloth badge for his uniform and a lapel button for civilian wear.

Several Scouts hailed an escort to Carnival Queen Karrie MacDonald at the Kinsman Ice Carnival.

James Bukavina was the tenth boy to qualify for the Red Cross in order to be eligible to attend the Alberta Jamboree at Sylvan Lake this summer. This 2nd Class Qualification program is continuing.

An excellent film "Jamboree of Achievement" was shown to the Scouts by Mr Gerald Mahon, last Thursday. Thank you, Mr. Mahon, from Skipper and the boys.

The three boys who completed their Jr. St. John's Ambulance recently were examined by Dr. P. Cohen, last Tuesday evening. Results unknown

Scout Master K Wallace and the Group Committee wish to express their gratitude to the St. John's Ambulance Association, Mr. Lib Joy and Dr. Cohen for their time and patience on behalf of Scouting in Edson.

The Yellowhead District Council meeting at Hinton on February 23rd was an successful that another such meeting is planned for March 30th The Program for the Yellowhead Council District Badge was drawn up. A finished design of the Yellowhead Council District Badge was displayed.

The District Court of Honor will be formed, with one Scout representative from each different troop in the District Tl. Bill Wilson is making the necessary arrangements. The District Court of Honor will meet for the first time on March 30th. This Court of Honor will lead to a Patrol Leader's Conference

The essay competition dealing with scout phase of Scouting was closed one of the essays judged. These were judged on the basis of correct style or than hand writing.

1 Eagle Patrol- 427 words. on "Lord Baden-Powell," excellent, legible

2 Beaver Patrol: "The Scout Uniform Throughout the World" very interesting hand written(?)

3 Eagle Patrol "Scouting Around the World" neatly handwritten two short did not stick to topic

4 Sentinel Patrol- "Scouting in Other Worlds" — hand written, neat, did not stick to topic

5 Cougar Patrol: Facts on World Scouting — typewritten no errors, not original

Ageless comedy enjoyed by drama fans

Residents of Hinton, Jasper and Edson who took in the Canadian Players' "Masterpieces of Comedy" in the Crescent Valley School, Monday evening, Feb. 25, were once again treated to an enjoyable evening of first rate acting entertainment.

The four outstanding Players, Frances Hyland, Amelia Hall, William Hutt, and Eric Christmas, were super in their performances as they ranged through excerpts of sixteen comedies ranging from a modern day farce back to the 18th century humor and the lines of William Shakespeare.

Scenes from plays by such recent and well known writers as Bernard Shaw and Oscar Wilde were especially well received However comedies of much earlier playwrights were not lost on the audience which thoroughly enjoyed Mrs. Illingsorp's success at big words in R. B. Sheridan's "The Rivals" (18th century), and the conditions for marriage as outlined by each of the lovers in William Congreve's "The Way of The World," written in 1728 Much of the comedy, no matter what the century, concerned the pursuit of the opposite sex. One member of the audience was heard to observe that in this respect humor had not changed very much.

As in the performances last year, the Players used a minimum of stage props and costumes, proving that superb acting ability is sufficient to capture an audience The pace was quick moving, and performances were never allowed to drag If any criticism were to be levied it would be that at times the audience found it difficult to keep up, due partly to speed of the spoken word and unfamiliarity with accents.

Still, a program of excerpts from as many different plays is not as easy to present, or as easy for an audience to follow, as for example, a three-act play. It is a credit to the Players that they were able to present them so skilfully.

Plants Amalgamated

Nash Mailhot who has operated Signal Printing Co. until this week has joined the firm of Edson Printers, bringing with him his modern printing facilities.

This week we're up to our ears in election printing, but the amalgamation of plants will allow us to provide a greatly enlarged and more efficient printing, advertising and stationery service for the big area west of Edmonton.

Former customers of Nash are particularly invited to see our increased facilities. Accounts owing to Signal Printing Co. will be welcomed adde Nash.

The Edson Leader

The Voice of Edson Constituency
and WESTERN WEEKLY SUPPLEMENT

First Section — Edson, Alberta, Thursday, March 14, 1963 — Vol. 11, No. 11

"Walking Jim" to hold up Edson's honor Fri.

Joining the ranks of those proving that Canadians are not all physically decrepit and are able to walk 50 miles if the need arises, are Jim Dalduca of Edson and Rocky Martin of Hinton.

Both these young men are being sponsored by the Chambers of Commerce of both towns, who are interested in promoting the Yellowhead Route from Edmonton to Kamloops.

It is to be particularly noted that these walkers will cross the height of land at Obed which is within 100 feet of being the highest point on the entire Yellowhead Pass.

The altitude at the divide between Alberta and British Columbia on the Yellowhead highway is 3,700.00 feet and the highway crosses over the Obed Hills at 3,340.00 feet before we arrive. These accommodations attest the fact that high points on the Yellowhead route are surprisingly low and readily passable.

Jim Dalduca, the Edson contestant, will leave Hinton March 15th at midnight and walk to Edson. Ronald Martin will leave Edson at the same time and walk to Hinton.

Both Chambers of Commerce are in high hopes their men will win and patronize favor and rivalry between the two towns is running high.

The Edson group expects their man to arrive in Edson about 2.00 p.m. Saturday and have planned to meet him with the town band, the Hinton group plan to have their man finish in front of Mayor Lambert's drug store in Hinton.

To ensure that the walkers do not do any hitchhiking, a representative of the opposing camp will ride with side of the escort vehicles. Besides settling the argument over which town has the best walks the Chambers of Commerce wish to make everyone aware of the road route for an all weather highway to the coast.

Mr. Bill Mawhinney, president of the Trans Canada Highway Association (Yellowhead Route) will be present to con-

gratulate the contestants on the completion of their walk.

Pictures to follow

It is hoped to entertain Mr. Hawrelak informally when he is in Edson all interested are asked to get in touch with a member of the Edson Chamber executive Friday when it is known if he can stay over.

The weather office says indications are for [illegible] to be on the cool side Friday and Saturday. High 20 to 25. Precipitation hard to estimate. Chance of snow on Friday night with some clearing Saturday in forecast.

CHOSEN QUEEN OF THE JASPER CARNIVAL the first weekend in March was Miss Valermount, 16 years old Sandra Schwindt. Here with Miss Schwindt on the left are: Miss Edson, Carole Svedberg; 1962-63 Queen Alice Steppardt; Miss Hinton, Leola Peterson; and Miss Jasper, Trudy Bonner. The crowning of Queen Sandra on Sunday, March 3 climaxed an exciting Jasper Carnival weekend.

—Bowed, O'Neill Photo

Recreational progress and future plans get airing

Home and School meeting given over to activities reports

Computed on a weekly basis, renovating of the present arena and installation of artificial ice would actually cost the average householder only 30 cents, less than one package of cigarettes, Mayor Bud Brunelle told a meeting of the Home and School Association on Wednesday evening, February 27.

Mayor Brunelle was one of six speakers dealing with the topic "Community Recreation in Edson." He said the overall cost of renovation of the arena would be in the neighbourhood of $120,000 but with present reserves this figure would be reduced to around $100,000 and would take care of the town's needs for the next 20 years.

At a rough estimate renovation of the arena might mean a possible increase of 2 to 3 mills but would probably not be that much. Renovation or replacement of the present arena was part of the town's overall long term plan as outlined in 1961 by D. L. Makala town planning consultant.

"The time has come when the community must weigh cost against the future of our children" said Mr. Brunelle, "We must bear in mind that there will be an estimated 50 percent increase in our population over the next 20 years.

Renovating the arena might cost $100,000 but that should be looked upon as an investment in the town's children, [illegible] and future." He said [illegible] study had gone into the arena problems and the Council's findings were in accord with those of the town's Recreation Board namely that it would be cheaper in renovate and modernize the present building than consider building a new arena the cost of which would be prohibitive.

By means of several maps, the Mayor outlined town planning for the future recreation needs in Edson. He said that in dealing with recreational facilities in any community, it was necessary to have a complete picture of the physical aspect of the town over a long period of time Planned development was essential and it was for that reason, a town planning consultant had been called in two years ago.

By renovating the arena and installing a special cement floor, the arena could be used for every [illegible] type of activity and in addition would provide space for school athletic activities. Edson's [illegible] was 3,500, and if a major industry were to locate in the area, the estimated population would be even greater than the planning consultant's estimated figure of 7,700 at a minimum by 1980.

The mayor hinted that "certain large industry" were definitely interested in locating in the heart of the Edson district when the time was ripe.

Dealing with the town's present plans of development of parks and playground areas, Mr. Brunelle said the planning consultant's report of 1961 had commented favorable on the park like setting of the town but had expressed surprise that there were so few designated parks. He had urged Edson to preserve parkland.

Among the major projects planned for the next year was the construction of a tourist reception centre located just north of the railway crossing and extensive and development of the Memorial Park where the arena and ball park are located. It was hoped to have the tourist centre completed before the start of the season. Edson would be one

Continued on page 9

Town lets contract for dog pickup

O. A. Bolton of Western Animal Care is in effect Edson's new dog catcher. The offer of the Lacombe firm was accepted by Council at a meeting last week as a solution to the stray dog problem.

It was agreed that a representative of the firm would canvass the dog owners in Town before any pickup of stray dogs was started.

License fees are $5. for males and spayed females and $9 for unspayed female dogs.

Citizenship Court Friday

Citizenship Judge G. W. Allen will conduct a citizenship session in the Edson court room Friday, March 15.

Hearings will commence at 10:30 a.m. and the presentation ceremony during which 12 certificates of Canadian Citizenship will be granted will begin at 1:45 p.m.

Preliminaries to this ceremony will commence at 1:30 p.m.

Medicare panel forum postponed

The panel scheduled for March 18 in the Elks Hall and sponsored by the Edson group of the New Democratic Party has been postponed according to an announcement by NDP Edson President Dr. Peter Lisbon.

Conflicting dates for prospective speakers for and against the subject was given as the reason for the postponement of the panel.

No new date was set for the discussion.

Koobel Co. gets motel contracts

The contracts for the plumbing and wiring on the 16 unit deluxe motel being constructed on Highway 16 (4th Avenue West) have been awarded to Koobel Co., Ltd., of Edson and Jasper.

General contractor of the project is Dreger Construction of Edmonton and Koobel's are the sole successful contractors on the sub-trades from Edson.

Clearing of topsoil and laying out of foundations was completed last fall and work is again going ahead on the tourist facilities.

To speak on enterprise at C of C meeting

Special speaker at the monthly meeting of the Edson Chamber of Commerce at its monthly meeting Wednesday, March 20 will be Milt Bert manager of Industrial Accepta[illegible] Corporation south side branch in Edmonton

The subject picked by Mr. Bert "Is Enterprise becoming old fashioned" will prove interesting as he is reported to be an excellent speaker

The banquet meeting is scheduled for 6.30 p.m. in the Edson Motor Hotel

Edson woman killed when struck by car

Mrs. Mary L.Horendello of Edson was killed last Sunday morning at 2.30 a.m. when struck by a car on Highway 16 near Iron Beach Mrs. L'Horendello was 51 years of age at the time of her death

She is survived by her husband Joe; one son Fred of Edson three daughters, Mrs. Carl (Lena) Thompson and Mrs. Matt (Rose) King of Edson and Mrs Carl (Irene) Culima of Hope B.C. She is also survived by eighteen grandchildren.

Funeral services were set for Thursday afternoon from Edson United Church

Crimson Crest has done it again

The Crimson Crest Red Poll herd of Mr and Mrs. Harry Wadley have been winning more honors in Red Poll circles.

The 1962 record of performance report lists the following herds for Crimson Crest herd members on a 305 day basis.

Highest average milk producing herd Crimson Crest Ranch herd Edson with 6,654 pounds.

Highest average butterfat producing herd: Crimson Crest Ranch herd with 340 pounds.

In the highest individual scores like following Crimson Crest cattle scored top marks:

four year old Crimson Crest bossen 16,122 pounds of milk, 601 pounds butterfat, testing 3.80, twelve year old Pauline Lass, 9,277 pounds of milk, 330 pounds butterfat, testing 3.52, fifteen year old Lillian 9 578 pounds milk, 424 pounds butterfat, testing 4 43

Congratulations to Mr and Mrs Wadley and family on their fine herd of cattle

Around Town

Mrs. Rita Stelzer and I attended a luncheon and fashion show at the Mayfair Golf and Country Club chalet in Edmonton on Wednesday, Feb. 27th. Sponsored by Western Supplies Ltd. the affair was attended by approximately ninety plumbers' wives from throughout the province.

We were treated royally with champagne and a very lavish buffet style luncheon at noon, followed by an elegant fashion show featuring the latest spring ensembles from Fashion Dress Shoppe in Edmonton.

For the interested ladies, the modified A-line and the shift dress are still high fashion with the most popular fabrics being linen and suede. The hemlines are always a major point of interest, are still below the knee.

Rita was fortunate enough to win one of the twenty door prizes, making this a very memorable day. We are very grateful to our hosts from Western Supplies Ltd!

☆

Basic English, one of the adult education courses, will be taught every Tuesday and Thursday nights for the month of March. The two nights a week for this month will assure the completion of the twenty lessons by the end of May.

Twenty-six couples gathered at the Elk's Hall on Friday March first to bid farewell to the Gilhan family. The Kinkbacks played for dancing and during the evening a gift was presented to the couple. Mr. and Mrs. G Gilhan will be moving to Cyrus, Alberta, where Mr. Gilhan has been transferred with Alberta Gas Trunk

☆

Mrs. Dorothy Martin informs me that the choral group hooks, "Canada Sings", have arrived, and she would appreciate each member picking up his book at her home (6815—6th east) as soon as possible.

☆

Mrs. Berglind and Mrs. Harvard motored to the city recently.

☆

Oral German Classes are being held every Monday night at 7:30 in the High School. Anyone interested in taking oral German may still begin, and instructor Mr. O. Goehring has volunteered to hold an extra class to allow any new members to catch up to the rest of the class.

☆

Former Niton residents Mr. and Mrs. Lynn Lewis are proud parents of a new daughter, born February 27 in Minden Municipal Hospital. Mrs. Lewis is the former Madeline Olson of Edson.

☆

Mrs. Rose Demmers of Glenwood celebrated her 80th birthday on March 8th. The whole community wishes her a happy birthday

☆

Mrs Bray of Black Diamond, Alberta, visited with her daughter, the Vern Goodwins here recently. Mr. Bray arrived on the weekend to drive her home again. Mrs. Goodwin's sister, Mr. and Mrs. Smith and baby of Calgary accompanied Mr. Bray.

☆

Mr. Tom McGraw is on a business trip to Whitecourt and Edmonton this week. Mrs. Eileen McGraw left Wednesday for Edmonton where she will visit her sister and brother here since before returning home with Tom on Thursday.

☆

Mr. and Mrs. Steve Kapty of Fort Fitzgerald visited briefly in Edson recently.

☆

One of Prime Minister Diefenbaker's staunch supporters, Mr George Maclean, travelled to Winnipeg last week to hear the P. M.'s address to more than 7000 people, field Mr Maclean, "It was wonderful".

☆

Mrs. Gregson was in the hospital this week after a fall on Sunday in which she broke her wrist.

☆

A farewell party for Mr and Mrs. Stuart Ferguson was held on Saturday, March 9th at the J Reichek home About fourteen guests spent the evening playing games, with their best wishes being extended to the Fergusons in their new home in Los Angeles California.

☆

Mr. and Mrs. Alf Moser and Mrs. W. Langdeau, all of Edmonton, were Niton visitors on the weekend.

☆

Mr. and Mrs. J. LaBelle and Joanne motored to Hinton on the weekend.

☆

Mr and Mrs. Andy McIlroy visited the Gordon Mackays at Hinton on the weekend prior to Mrs. O. McIlroy's trip to New York where she will appear on CBS television.

Teen and Herd

BY DEE

The boys basketball team bounced a lot when they played Alberta College last weekend. They lost both games — only by a small margin — but they realize they need a lot of practice in passing. The Edmonton boys were really good sports and our team was treated to supper Saturday at the College. Of course we are only a B team and Edmonton is an A team (How's that for an alibi?)

☆

The Kinteen homeplot state's this Saturday. Teens were chosen by pulling names out of a "hat". My little sister thinks she is going to have her picture taken. Guess who's name she's on.

☆

Bad news for those girls who were planning on getting a new outfit for the Queen's ball There isn't going to be one this year — no money! Of course the Kinteen executive will make up for it some other way.

☆

Good luck to Walking Jim on Saturday. Hope he's Edson's representative in the walking Marathon.

Ilene Barh had a good weekend in the city

Rev Mitchener is visiting his parents this weekend

Former Edsonite Kent Bobbel is bringing a boys' basketball team from Dawson Creek to play here this weekend. We need a lot of support as Kent was one good player in his time. How about coming down and cheering for us Hinton? also a few local supporters.

☆

Enjoyed watching Wayne Carding square dancing with Mrs. Blonde.

Weekend Cadet sortie successful outing

Thing didn't go too well for Army Cadets from Hinton who took part in a combined Hinton-Edson training session near Edson last weekend.

The convoy carring the Hinton cadets was stopped by a roadblock and an officer from the Edson Corps. They were taken to the exercise area as prisoners.

They had their revenge later in the day when it was time to erect a bivouac area. The boys from Hinton who had been trained by Al Bennett were able to erect their shelters faster than could the Edson cadets.

Later in the afternoon both corps teamed up to hunt a common enemy. The enemy, a group composed of four cadets and an officer, was somewhere in the general area

The task of the combined corps was to find and destroy this group.

The chase took all afternoon with the search being correlated by radio and maps by runners.

During the afternoon the cadets were faced with problems which involved transporting simulated casualties, locating lost people, personal camouflage and other field-craft techniques.

When this phase of the exercise was over the raiding party returned to camp.

The cadets finished the day with a meal at the Commodore Hotel.

Although uniforms were a mess and the only thought in the cadet's mind was a shower and bed the question asked most after was "When are we going to do it again?"

GOOD OLDE DAYS

Next time we begin reminiscing about the Good Old Days and dreaming of a bright and happy future, while denouncing the present, it would be a good idea to bear in mind the truth that the present is the future we looked forward to in the past, and the past, we will look back upon in the future. These are those good old days we will be boasting about twenty years from now. Right?

The trouble with the present is that we are now obliged to take the bitter with the sweet. While dreaming of a bright and care free future we neglect to savor for a smidgen of trouble now and then; and when we live in retrospect we ignore the bitter portions and concentrate only on the sweet.

So in answer to the query, what was so good about the good old days we say, nothing in particular.

Those days were no better than the ones we are suffering through now. Were we to take time out to count our blessings every day or so we would find the present almost as good to live, and would not waste precious time day dreaming about an impossible future, or magnifying an ordinary past.

Comments you say? Hell's Bells.

Out to Scuttle the Yellowhead

There seems to be much in the Peace River district not to like. Changing that to embrace the province, we find there is much to criticize.

Edmonton city council and Chamber of Commerce have begun construction of a road through the most sparsely settled area in the province and have called it the Yellowhead highway route through the mayors race to Vancouver.

Good civic people in the capital have been at pains to emphasize that their support for the mayors race route does not change their position that a second trans Canada highway should be built through Jasper and the Yellowhead.

But it is also plain that they favor construction of the southerly route that is, Jasper first. It is equally plain that if this project is undertaken first, construction of a second trans Canada highway via the Yellowhead could well be postponed for years if not forever.

What does all this mean for the Peace River Country?

In the first instance, it means that if the extension of highway 16 (the Jasper highway) through the mountains disappears into limbo, the north has lost all hope of a direct route to Vancouver.

It means that the arguments for a highway south from Grande Prairie to the Jasper Highway are weakened substantially.

Moreover, it means the Peace River's dependence on Edmonton as its supply centre is increased, as a consequence of the throttling of a direct road link with the west coast.

There can be little doubt that the support for the Dunne Pass route in Edmonton is basically selfish The hope is that by heading off a direct route to the coast, Edmonton's relatively non-competitive position as the commercial and distributing gateway to the north will be kept intact.

It does not necessarily follow that what is good for Edmonton is also good for the Peace River Country

Robinson rink wins ladies round robin

The rink skipped by Mrs. Marie Robinson ended the curling schedule as winners in the seasonal round robin play. Mrs. Robinson skipped her team in the final game to win over Mrs. Anne Cosh and her rink.

Members of the Robinson rink are Ida Goodchuk, Marion Gleeble and Dorothy MacIntosh. Members of the Cosh rink are Carol Kutyn, Lois Blundell and Betty Smith.

Immediately following the game the ladies held their final meeting of the season when a new slate of officers was drawn up. Discussion took place as to what to use the money for that has been made in the concession booth.

The ladies decided to have a closed ballot vote at the annual banquet in April for all interested lady curlers with the purpose of finding out how they feel about drawing for rinks next season. The vote will not be binding, but will at least be an indication as to the feeling of the club members.

May form a Guide — Brownie group in Edson

[illegible] has been shown in interesting the [illegible] Guide [illegible] to Edson [illegible] is underway for the selection of leaders and sponsoring organizations. A group committee will be formed to aid in the work.

Although groups will not begin regular meetings until the fall of this year a pre-registration will take place later this month to determine the number of girls interested in becoming Brownies or Guides.

Brownies are for girls 8 to 11 years of age while Guides include the 11 to 16 year age group. If you are a prospective Brownie or Guide watch for the pre-registration date.

CWL WHIST WINNERS

Winners in the CWL whist tournament for the week ending March 2nd were: Mrs. Land and Mrs. Hexter, 144.

There was a tie for top place the week ending March 9th when the teams of Mrs. McKenzie and Mrs. Wilson, Mrs. May and Mrs. Rolheiser each had 136 points.

Jasper takes Edson Mites on own ice

Jasper defeated Edson 5-3 in an exciting hockey game played in Edson recently. The ice was soft but the action was hot and furious. Robbie McLellan scored three of the Jasper goals while Miles Shewchuk and Clayton Peterson added one each Kenny Matheson fired home the two Edson goals.

Edson Lineup — R. Koch, Goal; B. Bettner, W. Wilson, J. Williams, E. Matheson, R. Coulombe, S. Semeniuk, R. Bourque, G. Price, D. Kiehlbauch, McCallum, Masterman, Jasper, Kennedy, Viking, R. Collin.

Jasper Lineup, K. Bardgeney, Goal; C. Peterson, M. Shewchuk, J. Portenas, H. Robinson, D. Wegiman, L. Hoogstraten, L. Miller, R. Berkenshi, R. Martin, D. Young, D. Savoie, R. McKee, G. Bardgeney.

Rink Boys: K. Chesney, D. Petersen.

CAPITOL REPORT

LONG HOURS MARK HOUSE SITTINGS

BY JOHN WARREN

EDMONTON—Extended night sittings and short recesses marked last week's sittings of the legislature as it became apparent Social Credit members would like to get some kicks in on behalf of the national party before the April 8 federal election.

In addition to bolstering the federal campaign, of course they want to be certain everything is in order back home for the expected provincial election.

The haste with which budget debate was conducted forced most members to say little and keep to the point, a welcome change from previous years in many cases.

But it worked some hardship on opposition members who had little time after three night sittings to prepare any potent attacks on the conduct of Alberta's business and keeping of the books.

Normally the debate runs two weeks but it was cut to six days this session with the last day, Monday, to provide Calgary Conservatives Ernest Watkins and Lee La Becke Liberal Mike Maccagno, another chance to get involved.

The number of government bills to be reported to be cut from about 120, the average in recent years, to about 90.

Most of the major legislation, including that dealing with medical care insurance, the northern development council, the surface rights problems, school accreditation and municipal affairs has been outlined in some detail already.

A Friday night sitting was the occasion for introduction of the governments long heralded answer to surface rights problems, in the form of a bill establishing local reclamation councils.

It provides for inspection of all abandoned mineral operation sites in Alberta and setting up of a series of two-man councils under the deputy minister of mines and minerals.

The minister, Russell Patrick, suggested a figure of $3 for the number of such councils. One member of each would be government appointed while the other would be chosen by the municipal council.

The councils are expected to be in operation June 1 and will begin systematic examination of all abandoned oil and gas sites soon afterward. They will also make spot investigation of complaints at active sites and settle claims for damages arising out of minerals developments.

The same day premier Manning gave his first major address of the session covering much topics as the right of entry act, public versus private power and new political alignments.

He said a group of dedicated people is needed to create a powerful force to combat the challenge of communism. It would include men and women of all political faiths and its first objective would be to take a stand for free enterprise and halt the trend toward the welfare state.

During the week-half a dozen government backbenchers and newly appointed front benchers Ethel Wilson of Edmonton Glenmore without portfolio) attacked the Liberal program favoring publicly-owned power. The term they used most frequently in reference to the platform was "political expediency."

Earlier in the week Mr. Maccagno fired a handful of darts at the government. He said it had a poor grasp of the problems of municipio-handicapped children, keeps questionable accounts, is helping Calgary Power at the taxpayers' expense and is fumbling its chance to get a veterinary college. It isn't spending enough on agricultural research and development either, he said.

Mr. Watkins joined the fray the next day saying the welfare department should get rid of a "pretty high proportion of what I call dead weight."

Agriculture minister Harry Strom made his maiden speech as a cabinet minister, defending his department's spending and attacking the federal government for the way it is handling the agricultural rehabilitation and development act.

Welfare minister L. C. Halmrast, Highways minister Gordon Taylor, Health minister Dr. J. Donovan Ross and Public Works minister Ivan Casemore were among the cabinet members who rose to explain some portion of departmental spending sanctioned in the budget.

Recreational Progress gets airing

Continued from page 1

of seven towns in the Province with tourist reception facilities.

TOURIST CENTRE

The tourist centre would have an information booth, washrooms and cooking facilities with picnic tables and hot and cold running water Accommodation would be provided for overnight parking for trailers and campers. A playground with swings and other equipment would be built in conjunction with the centre Provision of tourist facilities were planned for Wilbmore Park and directional signs were to be placed on the western outskirts of town informing tourists of camping facilities at the centre and in Wilbmore Park.

Memorial Park would be extended east of 48th street right to the creek. The under brush would be cleared and table and benches installed and clearing undertaken to provide a number of scenic walks. Further work will be done in developing the park at the swimming pool and work is already under way for the construction of a tennis court A small park area has been set aside in the vicinity for a playground

Mr. Reynolds said Council was concerning that proper park areas were set aside in all new areas where property development was under way. Heavy truck traffic would be diverted around the outskirts of the town under the council's present policy and this would eliminate the danger of accidents to children.

It would probably be necessary to install traffic lights by the Jubilee Junior High School when the new truck route was opened at the north end of town.

The Council has acquired an additional 80 acres of land on the east side of Wilbmore Park and this would be set aside as a wilderness area for a permanent forest cover This site would be developed for bird and Club outdoor activities and provided trailheads.

In conclusion the Mayor said the council had Timber Cities in the east. Council had been faced with a variety of things they said it couldn't afford, but it was amazing how much they could afford Sewer and water facilities on Sudeo Island was a good example as was the building up of the Town's water reserve so that an adequate supply of water was now assured.

The latter meant that the Fire Underwriters were now considering lower insurance rates from which everyone would benefit.

TRYING TO AVOID MISTAKES

Council was determined to avoid the mistakes made by many other communities which had resulted in hundreds and thousands of dollars of unnecessary expense. It had developed a long-range plan for the future and any further projects undertaken would be fully evaluated by the citizens through public questions before any action was taken. He said he hoped to see a letter forwarded by Council aimed by the republic number of ratepayers [illegible] coffee for a public meeting on the arena question.

TALKS ON SECOND

Speaking on the formation and activities of the Recreation Board Mrs. L. Mahon said the time was close at hand when a full or part-time paid recreation director would be necessary in Edson. She said the provincial government would pay one third of the director's salary and the cost to the town would be $1,200 for a part time director and $4,000 for full time director annually.

During the past year, baseball diamonds had been increased in the town and outdoor rinks improved with one new one added The board's recreation survey held last spring had proved of great value in assessing the cultural and recreational needs of the town. The Board had found a place for the Town Band and the majorettes to practice while people interested in public speaking and adult education classes had been provided courses thanks to the Home and School Association's sponsorship.

The survey sheets had been used by clubs and organizations in contacting prospective members and interested service groups in sponsoring candidates for the leadership training courses provided by the government's recreation branch. Mrs. Mahon said the recreation board after a six month study, had recommended to the Town Council that the present arena be renovated and artificial ice installed

She also reported on the Craft Centre on behalf of its president Mrs E Bieber In addition to pottery art work, the centre leather and wood working classes the Craft Centre was remember a photo graphic course and a course in Batik during the next two months. The centre had won a number of government prizes for members work and products made from local clay had become widely known across the province as a result of the hosts and exhibitors contributed to the Town for presentation in visiting celebrities and arcana

OPTIMIST VIEW

Bill Jones member of the work of the Festival Club said he felt the Club was the source of promotion the club had made a valuable contribution to the youth work in the town It was estimated that it cost $8 a day to operate the Boys Centre Radio and science classes [illegible] he of usual interest at the Centre The contacts were an assurance of Scouts and Cubs and had installed Scout Work Town and Club Masters from Hinton

The Club had provided the money for the Wallenstead Scout Council and had had considerable success contact with Mr Wenzel Weston assistant had been carried on by Jasper Mr Wenzel Weston assistant had been carried on by Jasper Mr Wenzel Weston assistant had been carried on by Jasper

Edson Lions "Kick Off" Easter Seal Campaign

On March 14th the Edson Lions Club will mail close to 1800 Easter Seal envelopes to the Edson area. This area comprises the region east to Hilda, west to Marlboro, north to Haddock and the entire Coal Branch to the south.

This represents the Lions introduction as a new member on the team of the Easter Seal Committee. Previously this area was covered by the Kinsmia Club at Jasper and the A.C.T. club in Edmonton. In accordance with the plans of the Provincial Committee to strengthen its work in the province by increasing its members, the Hinton Kinsmia Club and the Edson Lions Club have been added to the team in this region. This will not only aid in the overall drive towards the Provincial objective of $137,500 but will give much better service in processing applications for assistance at the local level.

The committee appointed by the Lions club to look after this project consists of Don Innes, Chas. Hollaway, Don Foster and Matt Mochoruk. Applications for assistance can be directed to any one of these men. Lion Matt can be contacted at the Bank of Nova Scotia, Lions Chas. Holloway and Don Foster at the Post Office and Lion Don Innes at the Treasury Branch.

The Easter Seal Campaign is not conducted to put dollars in the bank, but rather to put purchasing power to work . . . buying new futures for Alberta's handicapped children. It is not wealth the Committee seeks, but the ability to do redeeming rehabilitative work in hundreds and hundreds of young lives. The Lions appeal in the cities of Edson and District to show that "We Care."

DROSTAN NEWS

Don't forget the what drive in the Drostan Hall this Saturday, March 16 at 8 p.m.

Well, it looks as if winter is here again. The coyotes are really plentiful. There were over five playing in the field across our kitchen window Sunday morning before 9 o'clock.

Congratulations to Marion and Earnest Sprosen on their engagement. Mr. Carl Sprosen, Earnest's father stayed in our district while taking his schooling in the good old horse and buggy days.

Miss Donnia Groshko from Hartley is cooking in Mr. D. Paschal's camp.

Mr. Nesley Bohoslawek and Mrs. John Bohoslawek were out from Edmonton on the weekend visiting in the district. Sure nice to see you home again, Nesley.

Congratulations to Mr. H. A. Switzer on his 50 years with Kenall from all in Drostan District.

Mr. and Mrs. Frank Stone and Sandy drove out from Edmonton to spend the weekend with Mr. and Mrs. John Groshko and family.

Mr Pete Groshko has a new half ton Ford. Pleasant driving, Pete.

Mrs Gardener held a shower at her home Sunday afternoon for Mr. and Mrs. Peter Paschal. Among those attending were Mrs. John Groshko and Barbara Sandy; Mrs. Frank Stone, Mrs. Bill Semenoski, Patsy and Sandie.

Edson hoopsters lose to city "A" team

Edson High School boys' basketball team played a double header in Edmonton last week with the Alberta College Pioneers losing both games by a small margin.

Friday night, playing at Concordia College the boys met by a score of 44-42. Highest by a score of 44-42. High scorers for this game for Edson were Wayne Mitchener and Louis Stogun.

Saturday afternoon playing at Alberta College the score was 77-32 for Edmonton with most of the Edson players scoring.

Good passing plays by the Edmonton team accounted for their wins.

After the game Saturday the boys were treated to supper at Alberta College which they all thoroughly enjoyed.

Edson line up, Wayne Mitchener, Dale McIntyre, Louis Stogun, Teddy Worton, Wayne Garding, Ted Green, Aldo Gambin, Fred Klaus, David Kayes and Peter Dupre.

Don't forget the basketball games Saturday evening and Sunday afternoon when the Edson boys take on a team from Dawson Creek coached by Ken Buhel.

State experience, when available and references in first letter. Age limit 30 years. Applications will be received up to Monday, March 18th by Secretary, P.O. Box 990 Edson, Alta. 10-1c

East District Doin's

The ice family were grieved to learn Friday of the passing of Mrs. S. E. Ice of Walla Walla, Washington. The eldest by Mrs. Ice was 92 years old at the time of her death.

She is survived by sons Joe and Ted, daughters, Ruth, Mary, Margo and Marlyn and numerous grand and great grandchildren.

Joe Ice spent a short time at home last weekend following four months on the job without a break. The new location promises to be over more isolated than the one recently completed.

We old time oil field folk can't get over the speed with which an oil well is spudded in and completed. In the old days it took weeks to get ready to start drilling and months to reach three or four thousand feet. It just doesn't seem possible that what took months twenty years ago can be accomplished in a couple of weeks now. I guess this is what we mean by progress and efficiency. We don't know whether or not we like it this way.

Happy Ice is driving a cat on an isolated oil rig clearing the snow and digging sumps, etc. It seems the site is about forty-five miles from highway 16, but about one hundred thirty-five via the road through bush and swamp that ties its beginning at Whitecourt.

Highway 16 was a treacherous bit of pavement Monday morning following a short storm Saturday night. Cars were lured out to keep on the oven heel and for that matter some of them did not manage to stay between the ditches. Smoky eh! The road was in perfect driving condition Saturday afternoon.

A local farmer-pulp cutter is on the look out for the culprit who exchanged a brokon, useless battery for a good one in his tractor. Those kind deeds involving spare tires, gasoline etc. are becoming too numerous of late, so if sense of decency and fair play are not enough to discourage these vandals, the sooner they are caught in the act, the better for everybody.

Hutchison rink wins at Hinton

The rink skipped by Howard Hutchison was the only one of four entered who came home from the Hinton men's bonspiel last weekend with any of the prizes. The Hutchison foursome won 1st in the 4th event. The rink was composed of Mr. Hutchison, Ken Gobin, Jerry Tutnoff and Paul Walker.

Other rinks were skipped by Bert Koefler Sr., Albert Tapper and John Walker. The forty rinks entered in the spiel had a good weekend with ice in very good shape and a big party held behind-the-glass-and-tense most of the time.

COMING EVENTS

March 18 start of rest of Sabine program

The second feeding of "Sugar Lumps" will commence Monday, March 18. All adults and school children who have received at least three doses of Salk vaccine and all pre school children irrespective of age who have received at least three doses or Salk or four doses of the Quadruple vaccine are still eligible to receive the Sabin vaccine. Those children and adults who received one dose of Sabin in any other Province should obtain their second feeding of datan.

Parents of all children who did not sign consent cards may obtain consent cards for their children at the Health Unit offices at least one week before March 18. In the event that anyone receives their first dose of Sabin in March the second feeding may be obtained in the fall. Those persons who are not fully protected are earnestly urged to complete their series of Salk shots or to commence their Salk shots as soon as possible. Help us to help you stamp out this dreadful crippling disease in Alberta.

March 18 — Hinton in Health Unit office, 10 a.m. to 12 noon, 1-4 p.m., 7-9 p.m.
March 20 — Hinton Health Unit office, 10 a.m. - 12 noon; 1-4 p.m., 7-9 p.m.
March 21 — Brule in school, 1-4 p.m.
March 22 — Marlboro in school, 1-4 p.m.
March 26 — Caslonia, 1:15 - 2:30 p.m.
March 26 — Robb in school, 4-5 p.m.
March 30 — Edson Health Unit office, 10 a.m. - 12 noon, 1-4 p.m., 7-9 p.m.
March 21 — Wildwood School, 1-4 p.m.
March 23 — Peers Nurses office, 10 a.m. - 12 noon, 1-5 p.m.
March 25 — Fulham School, 2-4 p.m.
March 27 — Hilton School, 2:30 - 3:30 p.m.
March 28 — Evansburg in Evansview School, 3 to 5 and 6 to 8 p.m.

Edson Boy Scouts

Cub Calendar and Notes

"A" Pack meets on Monday, 6:30 p.m. at the A. E. Dahls School.

"B" Pack meets on Wednesday, 6:30 p.m. at the A. E. Dahls School.

Edson's Wolf Cub pack is desperately in need of additional leaders. A waiting list of 16 boys would become active if leaders were available. This is not a temporary situation.

Next September will see a new crop of 8 year old boys seeking to enter cubs, when these packs of Wolf Cubs are not only possible, but probable. A Cub Leader training course is being planned for April. Give this matter your most serious consideration.

Cubmaster J. Oliver and his assistants make special trips into Edson to attend Pack Meetings. What are you going to do about it?

Scouts and Venturers

Regular Scout meeting, Thursday, 7:00 p.m. at the Optimist Scout Centre. Only reading to be the highlight of the meeting.

Golden Arrow Training Course, Part 2, will be held in parental into the Court of Honor meeting next Tuesday.

District Court of Honor to be held in Hinton on March 24th, 1963, with a Boy Scout representative from each Troop in the District is attendance. TL Bill Mahon was elected to represent the Rib Mountain Troop.

BABY RED CROSS VOLUNTEERS

The president of the Edson branch of the Red Cross is Mrs. Tina Hendricks. Mr. G. Bains is acting as chairman of this Red Cross Campaign Committee of 1963, assisted by Mrs. B. Knutsman, Mrs. J. Merriam and Mrs. Bill Knapp. Canvass Committee for the town of Edson, and Mrs. J. Smith for Glenwood, Mr. T. R. Fowler is advertising manager.

Scouters Council meeting to be held in Hinton on March 26th, also.

Yellowhead Camporee to be held at Jasper on May 18, 19, and 20th.

2nd Alberta Jamboree to be held at Camp Woods, Sylvan Lake, Alberta, June 28th to July 6th.

All boys taking the Jr. St. John's Ambulance Course and exam . . . passed. Two new boys were enrolled bringing the total Boy Scout enrollment to 45. Duane McLeod, Murray MacPherson and Robert Ledoux were invested into Scouting.

Wayne Callaghan was presented with his two year Bronze Star. The 2nd Class Alberta Jamboree Qualification Campaign continues, Terry Cassell and Jim Bankovics are the latest to qualify.

Honour Patrol pennant for February goes to Beaver Patrol with Patrol Leader Ken Dorosh.

Duty Patrol — Tiger Patrol under PL Rick Gardener.

The Court of Honour held last Tuesday, decided that each patrol would build a patrol camping box. These boxes to be finished in time for the Yellowhead Camporee in May. The Court decided that the boxes would incorporate a Beaver on our neckerchiefs, each Patrol has been asked to submit a design.

The Scouts learned a new training game based on the compass. All boys stood in a circle and represent a direction. When their direction is called they run out along with their exact opposite to the centre of the circle, grab an object and get back before being tagged. This game was very successful and accounts the boys with the compass.

Scouting is character-forming, recreational education, carried on to a great extent in the out-of-doors. It develops the spirit and habit of resourcefulness and of facing difficulties cheerfully. Every boy must find some outlet for superfluous energy. Scouting provides the outlet and controls it.

Thursday, March 14, 1963 — EDSON LEADER — 5

The average boy is keenly and enthusiastically willing to do public service. Scouting brings the opportunity and recognition. All of these make Scouting realism — not from a code of "don'ts" or a code of regulations and regimentation applied from without but rather than working within, providing natural and attractive, but well directed channels of activity for the boy's own impulses, allowing his character to be shaped by inner discipline, self - expression and personal initiative.

Scouting is non-sectarian in principle. Its program may supplement that of any church or other religious body.

Obviously, anything that benefits the boy — the future citizen — benefits the community. This is an aspect often overlooked. It may be also pointed out that the Boy Scouts Association is not merely interested in the formation of a troop or pack; but stands ready to provide any community with a tried and proven means of solving the problems of the common boy.

TOMORROW'S CHICKEN SUPPER

Pound Celery-Pineapple-Nut Salad
Sandwiches
Chicken Casserole Mexican
Fried Cornmeal Slices
Pone-Carrots-Celery
Spicy Apple Crisp
Coffee Tea Milk

Measurements level; recipes for 6

CHICKEN CASSEROLE MEXICAN

1 (4½ lb.) all-purpose chicken (disjointed)
½ c. flour
1½ tsp. salt
¼ tsp. pepper
2 tbsp. chili powder
1 tsp. oregano
½ c. butter or margarine
½ c. oil
1 c. sliced onion
½ c. sliced stuffed olives
1 c. hot water

Place chicken pieces in large stout paper bag. Dust in flour mixed with seasoning; shake chicken until well floured.

Put in casserole; add melted butter and oil. Cover; slow-bake 1 hr. at 350 deg. F. Add onions, olives and water. Bake 1 hr. more or until chicken is tender. Make gravy from juices in casserole.

SPICY APPLE CRISP

½ c. brown sugar
½ tsp. nutmeg
½ tsp. mixed pastry spice
1 tbsp. lemon juice
1 c. uncooked rolled oats
½ c. enriched flour
½ c. brown sugar, additional
½ tsp. salt
½ tsp. nutmeg, additional
½ c. melted butter or margarine

Combine brown sugar and nutmeg, additional.

Arrange in buttered baking dish or 9" pie plate. Sprinkle with lemon juice.

In small bowl, combine remaining ingredients; mix until crumbly. Spread over apples.

Bake 30 min. in mod. oven, 375°F., or until apples are tender and tops brown and crisp.

Serve warm with whipped cream or whipped cream cheese.

Beautiful Women

By Pastor Shewaltor

God knows that every woman wants to be pretty. He tells them how to be just that.

The Bible says nothing about which brand of cosmetics to patronize, where to go for plastic surgery, lists no rules for the care of the skin, recommends no machines or methods of exercise, outlines no "techniques," nor approves any fashion show.

Yet, the truly Christian woman is the most charming and desirable of them all. and this is not dependent upon how young or old she might be, what features she might have been born with, the tips she has picked up in the beauty parlour or from the printed columns, nor becomes of the budget she has been allowed to spend upon herself.

She has formed her beauty secret in the manage of God which is both negative and positive "Do not let your beauty depend upon ornaments or hair dressing or jewels or fine clothes. Let your beauty come from inside, the beauty of a gentle and quiet spirit. That beauty never grows old. It is very precious in the sight of God." I Peter 3:3-5 (Laubach)

MARLBORO NEWS

The date on the Catholic Women's Rummage Sale was printed wrong. It is March 30.

Hector Lamy, a long time resident of Marlboro district died in the Parkland Lodge on Friday, March 8. He passed away in his sleep, and was found by a friend Joe Mair.

Miss Jennie Gladue went to Edmonton this weekend.

Bob Bjornsiid an Edmonton businessman and a group of Young People from Fellowship Baptist church Edmonton, to bring the message and special music at both Sunday services.

Cubs doing their good turn

Edson's Wolf Cubs have been delivering flyers to homes on Thursdays, and will continue to do so for the balance of the month of March.

This is their part in community service, done on behalf of various of the town's merchants and business men, and not done to annoy householders, in a game of "Knock down, Ginger."

ECHICS???

Coming up soon — watch Leader for further details.

Prime Minister to speak in Edmonton

Prime Minister Diefenbaker will be the first of three federal leaders to speak in Edmonton this month. Travelling by CNR, he will make stops throughout Alberta. He will arrive in Edmonton at 12:30 p.m. aboard the CNR Super Continental on Wednesday, March 20th and will speak at the Jubilee Auditorium beginning at 8:30 Wednesday night.

Mrs. Diefenbaker will accompany the prime minister and will be guest of honor at a tea at the Jubilee Auditorium in the afternoon. The tea will be sponsored by the Edmonton Womens' P.C. Association and the public will be invited

Anyone wishing a ride in should contact J. Hall of Edson.

OBSTRUCTION!

The Opposition Parliamentary Policy

The members of the Liberal opposition bragged that they would delay and obstruct the business of the house.

THEY DID!

- Is this the function of the opposition?
- Should the opposition put political gain before the needs of the country?
- Should they make it virtually impossible to pass any legislation of vital importance to the progress of this country?
- Should we give in to their greed for power? This $13 million election wasn't needed.

NO! Yet this has been the prime policy of the opposition since Parliament opened in September — to defeat the government by any means — even to the detriment of Canada.

Now is it right to allow the same situation to develop again.

on April 8th

VOTE to get things done!

VOTE for a stable Progressive Conservative Government

VOTE for powerful, positive representation!

In Jasper-Edson Return

PRIME MINISTER JOHN DIEFENBAKER will speak at the Jubilee Auditorium, Edmonton Wednesday, March 20th 8:30 p.m.

HATTONFORD

Congratulations to Mr and and Mrs Bud Wiseman (New Mil), Rogers) of Drayton Valley on the arrival of a daughter Charlene Mae born March 5th.

Congratulations to Miss Sandra Hewitt of Mackay and Mr Gary Schenfield of Wildwood on their marriage March 9th.

Mrs J. Chandler Park and Sharon Chandler were Edmonton visitors on Thursday of last week.

The community meeting scheduled for March 10th was cancelled until March 17th.

Mr M. Bowman is having Calgary Power installed at the building site of their new home.

Mr E. Rose and Miss K. Candler were on business to Spruce Grove on Wednesday of last week.

Mr and Mrs. Bert Lind and Mr and Mrs. Bob Whitmore were Sunday visitors at the Ed Aphon home.

Our local boys for spring came to a sudden end, with the heavy snow fall of Sunday and Monday.

Robb and Branch News

Mrs. Rogers returned from Nova Scotia last Wednesday after having visited her two sister who was seriously ill Since returning home she has learned he has had a kidney removed and is recovering as well as can be expected

Mr. Roman Schmeng of Edmonton and Mrs. Kelvin Zawertha of Evansburg spent the weekend in Robb with their respective parents

Mr Harold Lang, Mr Phil Lang and Messrs Olsen and Baillholder made a flying trip on Saturday to Rotorville and Moon Lake

All visitors to Robb don't don't come by truck, bus or car. One of our local boys arrived home with some unwanted company in getting rid of his company he spent a couple of days boiling his clothes and in his surprise everything turned green Red with envy, but somehow a green mark was mixed up in the process At least he is all dressed up for St Pat.

Robb's Day and the "wearin' o' the green."

Mrs Aldrich is spending a few days in Calgary with her sister and daughter

Mr. Adolph Semede of Mercoal went to Edmonton Friday night to spend the week end with his wife

Once upon a time the saying was "Tom, Dick or Harry," but here in Robb it is Pat, Bernie or John

Mr Mike Veryanvich of Mile 25 who has been employed by the Department of Public Works, had the misfortune recently to slip while cendering the Mile Hill at Mercoal in the fall he suffered a break on pelvis and fractured bones. We all wish Mike a speedy recovery.

Mr. Oscar Tufts of Wanderwright arrived Monday to spend a few days with his sister, Mrs. P. Kennedy and family

Due to St. Patrick's Day falling on Sunday there will be a dance in the Robb Community Hall to celebrate the occasion. So come and trip the light fantastic

Four federal candidates speaking at Edson forum

Arrangements have [illegible] been completed for all four candidates running in the Jasper-Edson constituency in the upcoming April 8th election have agreed to appear and present their platforms. The forum is scheduled for 8 p.m. in the Edson Legion Hall Tuesday, March 26.

Speaking will be Dr. Hugh Horner, of Rosehead and Member for Jasper-Edson in the last house, Conservative; Bill Switzer, of Hinton, who is standing for the Liberal Party; S. P. Smith, of Hinton, Social Credit candidate; and James G. Torgerson, of Edmonton will appear as New Democratic Party candidate.

Sponsored by the Edson Chamber of Commerce, the forum will provide an opportunity for the district to hear all four candidates. [illegible] orator will be the Rev. Les Hallowell of [illegible]

Election mania

BY EMMA JANE

I have again had a very interesting week listening and observing that very curious thing called human nature and I have found that:

1 Some people still expect there will be a dividend of $20 or more paid by the Dominion Government to all people in Canada if the Social Credit party is successful in the coming Federal election. This to be paid out of natural resources. They still believe this in spite of the Alberta Government's failure to do so, with the largest oil revenue in Canada and if oil isn't a natural resource, girls, what is it?

2 Women are more concerned with the latest hair-do, list of goods or the length of the skirts in the new catalogues than we are in the state of our country. I think we had better brighten up and listen to the things that concern the nation as a whole.

3 All parties are at the old game of offering us the old, well sweetened with our tax money. We women should be interested in having our tax dollar well spent, to do the most people, the most good. Remember our children and grandchildren will be shouldering the debts our governments leave behind.

4 I believe a little time spent with a good Alibi and an understanding of our system of representation would be very enlightening to us as western women.

Wedding Invitations

Thermo-engraved (RAISED LETTERING)

Wedding and engagement announcements, birth announcements, confirmation invitations, guides and other anniversary announcements, etc.

Thermo-engraving

(RAISED LETTERING)

Looks and feels like the finest hand engraving. The letters have an elegance and individuality only the finest hand engraving can possess.

Thermo-engraving (RAISED LETTERING)

Costs about half or much as hand engraving, because it eliminates the copper plate that makes hand engraving so expensive

Of course you can order matching stationery cards, Napkins, etc. Then our guest manager at the lovely current pattern at a fraction of lettering. Weddings [illegible] as low as 50 for $9.00 and 100 for $12.50, complete with double envelopes and tissues.

Four candidates to appear at C of C forum

In order to provide opportunity for Edson and District citizens to hear all four candidates in the forthcoming Federal election the Edson Chamber of Commerce are sponsoring a public forum Tuesday, March 26, at 8 p.m.

Candidates speaking will include Dr. Hugh Horner, Conservative member in the last House. Bill Switzer, Liberal candidate; S. P. Smith, Social Credit candidate and James G. Torgerson, NDP candidate

The Rev. Les Hallowell will act as moderator of the forum

JOKE OF THE WEEK

Employer: I'm sorry young man, but I don't need any help. I just couldn't find enough work to keep you busy.

Applicant: You'd be surprised how little it takes.

Let's Eat

BY IDA BARLEY ALLEN

TOMORROW'S CHICKEN DINNER
Tossed Celery-Pineapple-Nut Salad
Chicken Cioppino Mexican
Fried Cornmeal Slices
Peas-Carrots-Celery
Spicy Apple Crisp
Coffee Tea Milk

Measurements level; recipes for 6

CHICKEN CASSEROLE MEXICAN

1 (4½ lb.) all-purpose chicken (disjointed)
¾ c. flour
1½ tsp. salt
⅛ tsp. pepper
2 tbsp. chili powder
¼ tsp. oregano
¼ c. butter or margarine
½ c. oil
1 c. sliced onion
½ c. sliced stuffed olives
2 c. hot water

Place chicken pieces in large shoot paper bag. Dust in flour mixed with seasoning; shake chicken until well floured.

Put in casserole; add melted butter and oil. Cover; slow-bake 1 hr. at 325 deg. F.

Add onions, olives and water. Bake 1 hr more or until chicken is tender

Make gravy from juices in casserole

SPICY APPLE CRISP

½ c. brown sugar
½ tsp. nutmeg
8 sliced peeled medium cooking apples
1 tbsp. lemon juice
1 c. uncooked rolled oats
½ c. enriched flour
½ c. brown sugar, additional
½ tsp. salt
½ tsp. nutmeg, additional
½ c. melted butter or margarine

Combine brown sugar and nutmeg with apples.

Arrange in buttered baking dish or 8" pie plate. Sprinkle with lemon juice.

In small bowl, combine remaining ingredients; mix until crumbly. Spread over apples.

Bake 30 min. in mod. oven, 375°F., or until apples are tender and tops brown and crisp.

Serve warm with whipped cream or whipped cream

THOUGHT FOR THE WEEK

One of the best ways to persuade others is with your ears — by listening.

Haddock Happenings

A meeting of the Community Club was held in the home of C. B. E. White on the evening of February 28. There was a very poor attendance but plans were made to complete work on the Community Hall opposite Pulham School The next meeting will be held in the home of Joe Recker, the date uncertain. watch for posters in the post offices

Wilson Gordon was taken to Edmonton on Saturday, March 2 as he was quite sick. He is a patient in University hospital and at last report was much better.

Jim Milner is a patient again in the University hospital suffering with arthritis

Little Eugene Mahon is home again after a ten day stay in Edson Hospital with an infected ear.

Mr. and Mrs. Chester Armstrong and Reydean were Edmonton visitors last week. Reydean had an additional check on his injured ear.

Mr. and Mrs. Roy Turney accompanied the Armstrongs to Edmonton.

Mr. and Mrs. Paul Johnson and Mrs. Wilma Gordon spent a few days in Edmonton last week. They visited Wilson Gordon in hospital there.

The Home and School meeting at Pulham on March 6th was attended by fifteen people. Scholarship matters were discussed.

The recent spring like weather has caused a rush to get feed hauling done before road bans go on. The river crossing at Cresbrooks had so much water on it that it was considered unsafe to cross there Colder weather has improved it so trucks and tractors are crossing again.

Spring can't be too far away however, Bill Pilcher had a flock of starlings in his yard last week

Thyra Minelli and Ray Bedpath, of Edmonton were home to visit Thyra's parents, Mr and Mrs Fred Minelli, the first weekend in March

Bruno Sebastianelli, one of the unsuccessful candidates for Kinsvyle Queen, is very pleased with the lovely wrist watch that she received and wishes to thank all the people who bought tickets for her.

There was a toboggan party at C. E. White's on the evening of March 6th. Hazel was hostess to the members of the basketball team.

Mrs Fred Sebastianelli entertained Edson Hospital on March 6th to have an operation.

The F. L. Russell family and Roy Peterson spent Sunday, March 3rd visiting Mrs. Russell's daughter Evelyn Olsen. Mr. Williams in Westlock.

The March meeting of the Mahaska W. I. was held at Mrs. M. Haddocks on the 8th. There was no business meeting as only four members turned out. Mrs. White, the president was called home in the middle of the meeting. Mr. and Mrs. Fred Pfeil of Wolf Creek had come to call at her home. The remaining members continued quilting the quilt, which was the project for the meeting.

The next meeting will be on April 2nd in Mrs. Hal Cook's home Everyone welcome.

Carol and Ronnie Krinke had the misfortune to child off the road on an icy patch last week and ended in the ditch with the truck on its side No one was hurt and only a dent to fender

There was a fair crowd out to the whist drive and euchre tournament on Saturday, March 9th, at Pulham School. Six tables of whist were in play Mrs. N. Milnch won women's first prize. Mark Bazelle won men's first prize

Fashions

This dress inspired by the fisherman's shirt, is made in various weights and types of wool for street wear and in rayon for dressier occasions. Simple and smart, it seems to be right for practically every type and has a youthful dash about it that makes it a sure seller

The gathered neck under her collar is very pretty and soft

This style can be worn with or without a belt and is a good traveler

It comes in dark and light colors

SMALL TALK

By Syms

"You know I had a d.a.m. date to play golf . . ."

"Sure . . . I know . . ."

"It's wonderful to think that by Easter the election AND winter will be all over."

Hallam rink wins men's annual 'spiel

A capacity crowd for all ressembly timed games, helped keep the men's annual open bonspiel at a high pitch over the weekend. Edson with four rinks, Edmonton with two rinks, Jasper, Vegreville and Entwistle with one each added to the thirty-one Edson rinks brought the total to forty rinks in all for the "big grey local spiel yet".

Taking time out to enjoy a banquet at the Athabasca Valley Hotel on Saturday evening, Les Williams president of the curling club and M.C. made the outside rinks known to all fellow curlers. Curling resumed after the banquet.

Sunday evening at 7.00 the finals were underway. Close games being watched intently, which kept the spectators watching all four games. The Bob Hallam rink took the 1st event with a decided lead after four ends and then maintained their lead throughout the game to win the honors and defeat Leyden's rink from Entwistle.

The second event was won by the Jack Pargny rink who defeated the Art McNeil rink.

The third event honors went to the Clarence Hudson rink defeating the Bill Finnie rink.

Last but not least in any respect the Paul Gwozdz rink from Hinton skipped by Howard Hutchinson, took the fourth event over Joe Norwich's rink.

THE ENTIRE CICIARELLI BROS. LTD. Edson, Gravel Contracts operation showing the complete array of heavy equipment used in the process of crushing gravel. In the foreground, the heavy bulldozer pushes the gravel to the front end loader, which in turn feeds the gravelcrusher hopper, and in the background the new crusher and trucks loading uniformed size gravel crush.

Man-made Mountains

HINTON—

The Ciciarelli Brothers of Edson, make mountains out of rocks and gravel.

Their new gravel crushing machine and equipment operated in the gravel pit just east of the mill compound for about five weeks and while there, crushed 7,000 yards of gravel for our Woodlands Division and 1,000 yards for our mill.

The Ciciarelli Brothers provided all the equipment necessary to fulfill this crushing and loader, bulldozer, crusher and even an electric power plant.

Most of this crushed gravel is used during our winter haul, when hills and roads become icy and it is then spread out on the roads so that the haul trucks can maintain traction and stay on the road.

How many years in your future?

The average person can get an idea of how many years he has coming to him, based on life insurance tables, by:

1. Subtracting his present age from 80.
2. Multiplying the result by 7.
3. Dividing the figure by 10.

But you can only live out your allotted time, or beat the averages, by not getting involved in fatal and crippling accidents.

LOUD CHEERS WENT UP AS "WALKING JIM" DELDUCO came into the corner of 4th and Main at Edson 29 minutes after twelve noon on Saturday. Starting out 50 miles West at midnight the night before he had walked up and down over the Obed ridge for 50 miles of tough going to do the fifty miles in 12 hours and 29 minutes. Jim, of course, didn't make his walk in this coat which was put on him to keep him from cooling off too fast as he came over the finish line. On the left is Jack Hook who organized the walkathon for the Edson Chamber of Commerce and on the right is M. D. Meade who welcomed Jim as the Edson member of Yellowhead Route organization. Significance of the walk is that Obed is almost the highest point on the Yellowhead route between here and Vancouver.

—Leader Photo

The Edson Leader

The Voice of Edson Constituency and WESTERN WEEKLY SUPPLEMENT

First Section — Edson, Alberta, Thursday, March 21, 1963 — Vol. 11, No. 12

Edson man makes best time over Obed ridge

"Walking Jim" Delduco could have walked the rest of the way to Edmonton he said as he came over the finish line after doing the fifty miles from Hinton in 12 hours and 29 minutes Members of the Edson Chamber of Commerce who sponsored him didn't take any chances though as they whisked him away by car at noon Saturday for a checkover by Dr. J. C. Crawford and a good hot meal.

Jim had been walking in competition with Rocky Morin of Hinton, who had started from the Edson end of the fifty mile stretch sponsored by the Hinton Chamber of Commerce. Rocky's time was 13 hours 5 minutes for the westward walk.

Although there was no actual race involved each town — Hinton and Edson — bet on their own entry which started at midnight Friday.

The walkathon was promoted by the Edson and Hinton Chambers of Commerce in an effort to bring attention to the Yellowhead Route from Edmonton to Kamloops. During their walk the two men crossed the highest point of land at Obed 3,658.46 feet above sea level which is only 720 feet lower than the highest point on the entire Yellowhead Pass route.

Preliminary activities of the "big walk" started on Friday afternoon when members of the sponsoring Chambers drove the two men to the highest point of the road for a brief ceremony. The walkers then continued on to the opposite town to be ready for a midnight start home on foot.

The weather was cool and [illegible] during the night [illegible] walking uncomfortable [illegible] apparently did [illegible] the same down. Rain [illegible] vehicles kept [illegible] walkers dodging the night. At both towns word had passed that they were making good time and that they would arrive just after noon. By the time Jim walked up 4th Avenue to Main, the street was lined with well-wishers who cheered him on his way

Jim's record speed caught the committee a bit off in its calculations as former Edmonton Mayor W. Hawrelak was to have been on hand to welcome Jim for the Trans-Canada Highway (Yellowhead Route) Assoc., of which Mr Hawrelak is president Mr Hawrelak and the TV cameras from Edmonton were forced to a rerun of the finish at five o'clock later in the afternoon

Mr Hawrelak and D. Hermanson of the association took advantage of the occasion to lay plans for the association's annual meeting which will take place in Edson later this spring

The Chamber of Commerce committee headed by Jack Hook presented Jim with a cheque for $180 for his ef

Divisional Board discuss 1963 new building program

Members of the Edson Divisional Board reviewed sketch plans for additions to the Evansview school at Evansburg, the Wildwood school and the Jubilee Junior High School in Edson at their regular meeting at Edson on March 13.

The Department of Education has approved the necessity for all three additions and the Board has been given authority to proceed with the construction if it was revealed at the meeting.

Numerous changes were suggested by individual trustees and are to be incorporated into the final plans and specifications. While on the subject of building programs authority was given for Divisional Solicitor A. Catznic to pay the 15 per cent holdback on last year's program.

Present at the meeting were Trustees A. L. Pasnak, D. Hendon, J. H. Lewien, G. Mommo, M. Kadrosecky, Superintendent of Schools A. D. Jardine, Assistant Superintendent R. G Mantz, Superintendent of Works P. E. O'Hara and Secretary Treasurer D. S. Blundell.

The Chairman called the meeting to order at 10:00 a.m. with the oath of office for the two recently elected Trustees, Mr. Mommo and Mr. Kadrosecky.

It was moved that March 20, be the cut off date for all winter extensions on all bus routes throughout the Division and that the parents of the children concerned be so advised.

The Board approved an expenditure of $100.00 for the technical services of landscaping for the 1963 building program, as suggested by the architect, as well as the supervision of such landscaping.

Members discussed the Wildwood two room school and portable which must be moved to make way for the construction of the addition

DOG'S LIFE NOT SO GOOD

It's going to be a real dog's life for dogs around town. The contractor recently hired by the Town Council has been making his rounds this week calling licensees for the local pounches.

This week was the warning period and any day the professional dog catcher will be around picking up dogs — licensed and unlicensed — running loose.

Already dogs used to being let out for their daily run are finding themselves confined to the house or tied up outside in a manner no dog appreciates. If you miss your dog chances are he's been picked up. Payment of the automatic fine can get your dog released, but it he's left too long your pet may be destroyed.

Four federal candidates speaking at Edson forum

Arrangements have just been completed for all four candidates running in the Jasper-Edson constituency in the upcoming April 8th election have agreed to appear and present their platforms. The forum is scheduled for 8 p.m. in the Edson Legion Hall Tuesday, March 26.

Speaking will be Dr Hugh Horner, of Barrhead and Member for Jasper-Edson in the last house, Conservative; Bill Switzer, of Hinton, who is standing for the Liberal Party; S. P Smith, of Hinton, Social Credit candidate; and James D. Turgeman, of Edmonton will appear as New Democratic Party candidate.

Sponsored by the Edson Chamber of Commerce the forum will provide an opportunity for the district to hear all four candidates Moderator will be the Rev. Les Halliwell of Edson.

Liberal Candidate backs vets college

"A veterinary college is a court had been frustrated by necessity to the economy of Alberta and Canada," W. A. Switzer, Liberal candidate for Jasper-Edson, told an audience at Stony Plain this week.

The statement was made during a candidate forum.

Mr. Switzer said, "There is a very serious gap in the complex of our farm economy especially here in Alberta. There is no veterinary college in Western Canada. There is a decided lack of veterinarians in Alberta. The need is here in this province which produces so much of the beef production of Canada. Not only to safeguard this industry but to help and expand it and make it grow, a veterinary college is a necessity.

Mr. Switzer said it would be his intention if elected to press for the establishment of such a college in Alberta

Later in the week, Mr. Switzer at the Farmers' Union Forum of candidates at Tomahawk, told the audience the proposed poly mill at White-

Rural couple wed at coast

A quiet wedding in Vancouver recently joined two local young people when Miss Margaret Gale became the bride of Mr. Peter Paschuk.

The bride is the daughter of Mr and Mrs L. J Gale of Parksville, B.C. and the groom is the son of Mr and Mrs D Paschuk of Edson.

The bride was given in marriage by her father. Rev. Father Watty performed the ceremony.

For her wedding the bride chose a gown of white chiffon She carried a white Bible topped by pink roses. Her attendant was the groom's sister Miss Paschuk, who wore a dress of pink chiffon with white orchid corsage.

Best man was Lawrence Hanson of Saskatoon.

Mr. and Mrs. Gordon Ledoux attended the wedding from Edson.

The young couple are making their home in Cadomin

Thanks for Help

We would like to express our appreciation to Jim Delduco for so gamely putting Edson on the walkathon map with his terrific performance Saturday.

Thanks too, to the 32 businessmen who supported the project financially. A special thanks to Bert Herring, Bob Joy, Bob Smilanich and especially President Walter Fowler who helped during the actual walk.

Hilton Central 4-H Club News

LORNA CURRIE
Club Reporter

The Hilton Central 4-H Clothing Club recently held a business meeting in the Hilton Central School which nine girls attended.

The pledge was led by Brenda Opas The roll-call was "Helpful Hints in Sewing." Elaine Candlot gave a demonstration on Care of your Shoes and Beth Miller gave a talk on "Choosing Proper Accessories."

The last thing on the program was a sing-song. This meeting started at 2:30 p.m. and lasted until 3:30 p.m.

You were there in the name of Red Cross

for assistance responded to by the Red Cross.

This year Edson's Red Cross Campaign Committee will be carrying out a "blitz" canvass on March 30th. In the name of the Red Cross, give generously so that they may help others in your behalf.

You were there when the Canadian Red Cross was able to bring about the reunion of long separated families, some of them resident in Edson.

You were there when the Junior Red Cross supplied layette bedding, school supplies, health kits and reading material to young refugees and disaster victims abroad, and Indian and Eskimo students in the N.W.T.

You were there when the Alberta Red Cross helped to train Edson's youth in swimming and water safety.

You were there when the Edson branch of Red Cross collected, packed and distributed 3d Christmas hampers to needy families in 1968.

As you realize the Red Cross cannot help you help others if you do not lend your moral and financial support to this organization. Last year Edson fell behind her objective of $1,000. by some $475. Not very impressive, when

Accident Vaccine?

WELL, NOT EXACTLY. Ten years ago, polio was a major killer of youth; today, vaccine has made the disease a comparative rarity. But, even when polio was claiming lives by the hundreds, traffic accidents were killing more people under 25 than any other single cause of death—and they still are.

Do we have an accident vaccine?

No. People can't be vaccinated against accidents, but the toll can be reduced through the training of correct driving habits—and safety habits—to our teen-age population at the formative stages in their lives.

This is what the automobile insurance business does through its sponsorship of the National Teenage Safe Driving Championship—the culmination of a coast-to-coast series of safe driving competitions involving more than 30,000 young drivers in 225 Canadian communities each year.

Peers News

A very successful concert was given at the Grade 7 and 8 drama classes in the school auditorium recently. A capacity audience watched the three one-act plays and tap dances, and listened to some and piano solos. Great credit goes to the pupils and their instructor in drama Mrs. S. Acorn

The telephone crew have moved back in Peers to finish setting the poles and to start stringing the wires.

Pulp trucks have really been busy trying to get pulp out before road bans are imposed, and before the Hinton mill closes.

Mrs. Peggy Young has gone back to nursing at St John's Hospital in Edson, as Mrs. P. Young is looking after the children until she returns in the evening.

Mr and Mrs. Richard Dixon are proud parents of a new son.

The road crew has stopped work for the time being, some of the men are home and some have found work elsewhere.

DROSTAN NEWS

There were only four tables of whist on Saturday evening in Drostan Hall Prizes for the evening went to ladies first. Mrs Bergevoe, ladies second Mrs Jacobee men's first, Sigmund Paschein; men's second Bruce Fosheim

Mr and Mrs. Mick Romanik drove to Barrhead on Monday

Mr and Mrs. Paul Borowski and family visited at the home of Mr and Mrs. Harry Drobinski on Sunday.

Mr and Mrs. Andrew Pasbaien of Edson visited with their son Elmer on Sunday.

Walkathon 1930 Style

By FERN ICH

The current Walkathon craze that seems to be "sweeping the nation" provokes food for thought and is definite proof that we have become a soft, lazy populace As the Indian said when he first witnessed a man riding the bicycle —"Lazy white man — sits down to walk

These walking sprees are fine and we say congratulations to the man who can cover 50 miles on his own power; but on the other hand — it points out the fact that rifling shanks' nurse is a novelty — and only the hale and the hearty are brave enough to attempt a stroll a little more than a few blocks.

We need not call on our creative powers nor imagination to remember the dirty 30's when our only medium of transportation was our own lower extremities. Folk thought nothing of walking 20 miles (return trip) to pick up the mail Twelve miles (one way) to attend a dance was a regular procedure.

Young people and some not so young, would start out in the afternoon, stop along the way for a pancake and maple sugar supper with friends who would join the procession and head through the bush for the Pinedale school They would dance all night — and we do mean all night — then walk back for more maple sugar and pancakes and eventually wind up back home

The road was long — that we must admit; I Just like an Indian carryon, a good drink of water, a short rest and a few lungs full of clean fresh air and we were ready for the road again.

Not that we missed out on fresh air during these hikes There was plenty of that — especially during the winter months With nothing to do but kill time and enjoy our selves, we refused to allow a matter of miles to stand between us and every available opportunity to do just that.

Oh sure! — we had horses and sleighs, but who wanted to be bothered with them? We walked and danced, then walked some more and had a wonderful time in the process. All that exercise kept us in trotting shape both physically and mentally.

Just think — money was the least of our worries No car payments, no gas to buy, no tires to blow and no accidents. Just sweet meat, pemmican, smarties and fun.

Walking was no novelty in these days and no hardship either, but alas — those times have gone forever.

We are now a nation of sissies — and the worst of it is we like us this way.

CARROT CREEK DANCE FRIDAY, MARCH 22

Plan to attend the big dance in the Carrot Creek Hall this Friday

The music is by the Gay Notes who are bound to set the mood for a very enjoyable evening as the crowd trips the light fantastic

New Opportunities
NOW
IN THE

A FRIENDLY HANDSHAKE by walkathoners Rocky Morris on the left and Jim Deldoco is exchanged on the highest point of land on the Obed ridge from which it is down hill all the way to Vancouver via the Yellowhead Route.

Teen and Herd

By BEN

We're going western. The big dance coming up on Friday, March 22 is going to be a real round-up with cowboys and cowgirls a twisting in their best western outfits. The Hinton Dominos are playing for this dance. It should really be good. We hope to see all those cute little cowgirls from the Jubilee school in attendance too. The Edson High is sponsoring this "Cowpoke Crawl".

Congrats to Ed Morris and his rink for taking the A event in the Hinton Bonspiel on Saturday.

☆

The B event was captured by Skip Rich Mirandis and his rink Umgrau Rink. You deserve to win.

The C event went to Bryan Bello and his rink. Twas a very good spiel and the girls made delicious coffee.

☆

The boys basketball team won one and lost one to Dawson Creek over the weekend. This team was the toughest we've played. First game Dawson Creek won 35-26. However after a good sleep Saturday night Edson took the second game 61-60. Guess that's all for this season.

☆

Do you want to wear a Kitchener sweater this year? Better hurry as the order goes out this week. A $5 deposit is required

☆

The 10-C group is sponsoring a car wash at Shell Garage this weekend for only $1.00. The boys should really be busy if it stays nice and warm and all the cars get really muddy. Don't get any ideas boys on how to drum up business.

☆

Nanda had a friend from the city visiting this weekend. Pretty nice too from all the comments.

☆

The year book is going to have a "new look" this year. All the boys are going to be real pretty because they are supposed to wear a white shirt and tie when they get their pictures taken.

☆

Rich, Mitch, Silke, Ted and Teddy phoned Sara in Red Deer Monday night. Sara says he likes it but he's probably homesick. I think he really is because right after we phoned him he phoned Joan. What's missing who?

☆

Yippee! don't forget the Lambos Travel on Friday

Guides, Brownies to register this Saturday

Pre registration of Brownies and Guides will take place Saturday, March 23rd at 2.00 p.m. in the Optimist Boys Centre.

The purpose of the pre-registration is to determine the approximate number of girls interested in taking part and the programs which will get underway in the fall.

Girls, parents and other interested adults are invited to attend.

As well as registering, prospective Brownies, (ages 8 to 11) and Guides (ages 12 to 16) will hear an outline of purposes and activities of the Girl Guide movement.

AGAINST A BACKGROUND OF Hinton and Edson Chamber of Commerce members, Jim Deldoco of Edson and Rocky Morin of Hinton square off for a fifty mile walk back to their own home towns. The Chamber sponsored walkathon took place last weekend starting at midnight Friday and ending shortly after noon Saturday.

No coalition with Liberals says Torgersen

Jim Torgensen, NDP candidate for Jasper-Edson, has given an unqualified "No" to any suggestion that his party join with the Liberals to form a coalition government, in the event no party receives a decisive majority on April 8th.

At a coffee party Tuesday afternoon at the home of Mrs. Louis Hahon, Mr. Torgersen was asked whether he would support the idea of a right-hedged coalition with the Liberals, with provincial cabinet representation, should the Liberals and New Democrats elect enough members between them to form a majority government.

Emphatically rejecting the suggestion, Mr. Torgersen said the NDP would support any party in government so long as it was trying to get the economy rolling and its proposals were in Canada's best interests.

There are several projects in mind for the Association this year. Why not be at the meeting and help plan them?

He said New Democrats, in all conscience, could never sanction coalition with a party which had so often proved itself lacking in the principles in which his party believed. He said the rumor the CCF-NDP had been formed was because so many thinking people had become disgusted with the old parties.

Mr. Torgersen said it was time that Canada's political parties cut odds their petty "power" maneuverings and put down to the serious business of governing the country.

It didn't matter which political party an elected member represented, he was here to Ottawa to look after the interests of all his constituents and the interests of his country as a whole. The left, was the real function, of any elected member of parliament. The NDP was the support any good measure proposed in the House and would oppose any bad measure, no less been done in the past.

If all members did the same, and forgot about party lines, parliament could get on with its business.

"The people of Canada are disgusted with the spectacle presented by the two old parties in the last House of Commons," he said. "No matter which candidate is elected to represent you on April 8th, he should be given to understand he's down in Ottawa to do just one job — help govern the country and not waste parliament's time in petty bickering."

Outlining his party's platform, Mr. Torgersen told a planned economy was essential if Canada was ever to get her economy rolling, and cope with her chronic unemployment problem.

The NDP believed in parity prices for the farmer, in expanding markets and the orderly marketing of all agricultural products through a marketing board to ensure farmers a fair share of national income.

Answering questions on proposals for a national Medicare scheme, Mr. Torgersen said the NDP wanted to see full medical care for every person in Canada. An NDP government would work with the provinces to set up a national scheme and would pay 50 per cent of costs with the provinces paying the other 50 per cent.

JIM TORGERSEN, 39 is the New Democratic Party candidate for Jasper-Edson. Born on a Saskatchewan farm, Jim moved to Alberta in 1932. He works at Premier Steel in Edmonton. Besides being a steelworker, Jim has a half-section farm in Sangudo where he raises beef cattle. He is a member of the Provincial Council of the Party. Unmarried, Jim's free time activities include bowling and curling.

Expect 60 rinks for Jasper men's annual bonspiel

Jasper's 37th annual Men's Bonspiel will be held March 28 to 31. Upwards of 60 rinks are expected. Fifty have already entered, including 24 from Jasper. The balance are from Edmonton, along High-ball-Hedged coalition with the Liberals, with provincial representation, should the Liberals and New Democrats elect enough members between them to form a majority government. Hinton, Prince George, Kamloops and Vancouver. One of the most city representatives will be skip Arden Brown, past president of the Pacific Coast Curling Association.

Among Edmonton name curlers returning to look in Jasper hospitality are Gordon Walker, past Dominion Elks Champion, who has not missed a year since the inauguration of the Open-Mixed Spiel in 1956, Billy Rose, 1940 Brier champion; Hector Gervais, one-time Brier Champion also World's Champion, Lobel Wood and Billy Kenley.

Forty-four rinks have already entered the open mixed bonspiel April 6th and 7th which will be Jasper's final bonspiel of the season.

Morris rink top Kinteen spiel

Ed Norris and his rink captured top honours in the Kinteen bonspiel held last Saturday at the Edson Curling Rink. The other members on the rink were third Karen Kortmess, second Myrl Tantan, and lead Reggie Lee.

The B event went to Skip Rich McCardle, third Dale McIntyre, second Jackie Wilson and lead Linda Trudeau.

Top in the C event went to the Bryan Belle rink whose third was Wayne Gardiner, second Coral Worthing and lead Donna Dutka.

Discuss '63 building program

Continued from page 1

to the main Wildwood school.

A motion was passed that the Board tender for sale the two room building and that the details of its moving and probable use, until such time as the new rooms are available, be referred to a committee composed of Messrs Hendon, Panak and O'Hara with power to act.

Other matters discussed were: recommendation of the electors from the annual meetings, access road to the Village of Evansburg, invoking the penalty clause on the a m

1962 building program, inspection and supervision of new school buildings under construction, report on the Zone Two conversion, bus routes and possible changes audit fees, drainage problem at the Crescent Valley School grounds in Hinton, Peers teacherage additional land, correspondence, payment of accounts, report of the Assistant Superintendent, business of individual Trustees.

The next regular meeting will be held in the Board room Edson, April 10, at 10

AROUND TOWN

Mr. and Mrs. R. Curtis and Gregg spent the weekend in Edmonton.

☆

Mr. Harvey Hillard from Calgary has replaced Mr G Gilham with Alberta Gas Trunk. Mrs. Hillard and children will join him here at Easter.

☆

The D Murrys and E. Brickens motored to Tofield on the weekend to visit their respective parents.

☆

Mrs. E. Reid and Colleen were recent city visitors.

☆

The Art Schultz's had their son Allan Edson, and his fiance from Edmonton visiting them on the weekend. Mrs. Schultz's parents accompanied them.

☆

Mrs. H Wilcox visited her parents at Lloydminster on the weekend.

☆

Mr. Albert Postman from La Glace visited with the Dr. Kish family in Edson last week.

☆

Mr Frank Hanbek and Mr. Allan Mah were in the city on business Wednesday. Mr. Mah and children accompanied them, and visited with former Edmonton, the Mah Lees.

☆

Mr and Mrs. V Gerardi motored out from Edmonton on Monday, March 18th to help their grandson, David Stelzer, celebrate his eighth birthday.

☆

Mrs. Fred Rindle entertained at a dinner party Tuesday evening in honor of Mr. Stokes, an old timer of Edson now residing in Edmonton. Mr. Stokes worked as engineer at St. John's Hospital years ago.

☆

Mr. Fred Rindle entertained some 70 children at the IMP Nigre home in 3 houses recently. The children ranged in age from three to twenty, and needless to say, they all enjoyed the show.

☆

Mrs. Arnold Renhema will return on Monday from a flying 17 day trip to Holland.

☆

This above all: to thine own self be true,
And it must follow, as the night the day,
Thou canst not then be false to any man.
— William Shakespeare

TOWN OF EDSON
NOTICE
The Attention of all residents who own or harbor dogs is directed to By-law No. 984.
(2) All dogs kept within the Town of Edson must be licensed
(2) The By-law prohibits the owners of dogs from allowing the animals to run at large at any or all times
The Council of the Town of Edson has appointed Western Animal Care Ltd., as dog wardens for the Town of Edson with authority to impound any dog found running at large within the Town limits
Any dogs impounded will be placed in a Pound operated by Dr MacDonald, at Ponoka, Alberta, for a period of a least 72 hours from the time of pick up and will be released to the owner on payment of a fee of $10 00
DOGS BEARING A CURRENT LICENSE ON ITS COLLAR may be returned to the owner by the Warden upon payment of a voluntary fee, and if immediately claimed

Emergency Services set up by local EMO

Mr Donald M Hodge Civil Defence Director, has taken steps to set up the Emergency Welfare Services in the Municipality of the Town of Edson.

This branch of the Emergency Measures Organization is responsible for providing the services to those in need during disaster and is broken down into five services with a chief at the head. The five Chiefs of Services are responsible for over-all direction and control of their part of the service.

Mr Abraham Goldstick has been appointed Chief of Welfare Emergency Clothing. He is attending a course in Edmonton this week in the Alberta Civil Defence school.

The other Chiefs are Dr. Kenneth P Robbins Chief of Welfare Personal Services; Mr John Pattinson, Chief of Registration and Inquiry, Mr Donald McArdle, Chief of Welfare Emergency Feeding; and Mr Wilbert L. Herring, Chief of Welfare Emergency Lodging

Robb and Branch News

Mr. and Mrs. Gary Cooper left for Athabasca on Sunday and are spent the weekend at Ft. Assiniboine with Mr. and Mrs. Kenny Wheat and family.

Miss Barbara Johnson and Miss Kathy Rathwinar were weekend guests at the home of Mr. and Mrs. Hoglin.

Mr. Jack Pregren was a weekend visitor in Robb leaving for Athabasca on Sunday evening.

Mr. Frank Heil of Edmonton spent the weekend with his family here at Robb.

Miss Margaret Beatty and friend Connie of Edmonton spent the weekend at the home of Mr and Mrs Joe Beatty.

Messrs Nelson Zawerisk and Roman Schwitz spent the weekend at their respective homes.

Mr and Mrs Joe Schwitz Jr., Mr. and Mrs. Bob Cooper were Edmonton visitors on Thursday.

Mr. and Mrs. Karl Carde were visitors to the city on Monday.

Election coming up and our local tracle accidents on the Branch are the topic of conversation these days. One local bus driver suffered a cut to the head also a bruised leg, but was very fortunate as we hear the bus is a total wreck, having collided with a pulp truck.

Mrs Bertha Jan was another accident victim, but suffered only a shaking up.

Our Branch road is in bad condition and has been most of the winter, as one day it is 60 below and the next day 40 above

Our Mad Trapper as he is known, turned out to be a cowboy over the weekend, which resulted in a very Blue Monday for him. We think and hope he will live now Better luck next time.

Mrs. Peter Pambrun of Prince George, B.C., was a visitor at the home of Mr. and Mrs. Charlie Pambrun over the weekend and accompanied Mrs. and Mr. Blood to Edson on Monday.

Mr. Alfred Pambrun accompanied by Mr. Vern Bottan made a flying trip to Edmonton on Thursday returning Friday night.

The St. Patrick's Dance held at Robb wasn't too well attended as there were too many other dances in surrounding districts. Maybe we just haven't enough Irish residents.

The sincere sympathy of the community is extended to the Wilbers family, in the passing of Mrs. Wilbers' younger sister, who was only 18 years old.

In the near future there will be a pulp cutters Jamboree at the Robb Community Hall. Watch for posters and particulars. No date set as yet

DEFENCE

Our defence today must be against nuclear fallout and radiation. The only answer so far is a nuclear test ban.

We won't get a test ban by adopting nuclear weapons now!

While the Social Credit nuclear policy changes from speaker to speaker, and the Liberal policy changes from speech to speech, the Conservative intentions remain firm. We will honour our commitments as decided at the NATO conference in May. We will not use Canada as a dumping ground for nuclear warheads.

Back the Only Sane Approach to the Nuclear Problem

Vote Conservative

"The Church of the

Lutheran Hour"

AS I SEE IT

By PASTOR E. HURD

"I MADE THEM" . . . That was all the sign said. "I made them." But obviously it expressed the genuine pride of the cobbler who owned and operated the shoe repair shop in the city where I saw the sign, and who had manufactured that pair of boots.

So far as I know, those shoes are still in the window, and the sign still accompanies them. I have observed boots on numerous occasions as I have walked along the street. And every time I see them I thank to myself, "That's mighty fine advertising." It's a good thing to be proud of your product.

And then, just today, I discovered a clipping I had taken from the Sunday School Times a number of years ago. It seems that the old village cobbler had to pass the local gin every time he went to town his home and his work. One night as he was going by an saw the landlord coming out of his customers at the gin-mill, drunk and helpless. "Jack caused the lamented to the customer as he waited by, "you ought give him more a mind and help him home!"

The cobbler paused at the drunken man and then at the man who had sold him the liquor that had put him in that pitiful condition. I need nothing but bone, he answered, for, Pat, husband. You needn't do as I do. When I've fashioned a job, I put it in the window."

And the liquor traffic and the tobacco industry and the concession of our day do not care to display the true facts of their finished products. They present the glitter and glamour and gaiety, but hide the real truth about the drugs and the diseases and the demons they produce. The devil never takes you into his back yard.

Thank God that when the

"A" Pack meets on Monday, 6.30 p.m. at the A. H. Parkin School.

"B" Pack meets on Wednesday, 6.30 p.m. at the A. H. Parkin School

Regular meetings have been changed to Wednesday, at 7:00 p.m. at the Optimist Boys' Center. Instruction on how to make and pack a pack board.

Port 111 Golden Arrow Training completed. Part IV deals with hiking.

Scouter's Council meeting at Hinton, March 20th.

District Court of Honor at Hinton, March 24th.

Yellowhead Camporee at Jasper, May 10, 11, and 12th.

Yellowhead District Council meeting to be held at Hinton April 6th.

Alberta Jamboree to be held at Sylvan Lake, June 28th to July 6th.

☆

Jon Rabarchin was presented with his 2nd Class Proficiency Badge and his Artist's Proficiency Badge. Trevor Bevan was invested into Scouting.

At last week's Court of Honor the boys made plans for the Yellowhead Camporee in May at Jasper. They plan to earn money for their expenses. More about this later.

Last Thursday's meeting was based on map reading. Instruction was given by Troop Leaders and then the boys participated in a game using observation and memory. One boy from each Patrol came to look at the map for one minute, returning to his group to draw what he can remember of the map. The next boy studies the map and returns to add another portion to the original map.

Trophy donated to Edson Cadet Corp

Lieutenant Jim Ball, Chief Instructor of 1713 Edson Cadet Corps, has announced the donation of a trophy for the best first year cadet by Don McCardle, proprietor of the Sunset Cafe.

The Sunset Trophy will be awarded annually to the cadet in the recruit class who has become the best all-round Cadet in his class in the Corps. The winner will be picked by the Cadet Officers on the basis of cadet work, improvement, deportment, attitude and scholastic attainment.

"The boys will really appreciate this," comments Lt. Ball. "It gives them the idea that someone other than their instructors are taking an interest in them."

Plans are in the offing for a trip to the rifle range at Hinton within the next two weeks. This trip will enable the boys to shoot for their marksmanship ratings and to attempt to qualify for many individual prizes.

Cadets are reminded that this will be the only chance they have to qualify as there are no range facilities available to them in Edson. Further announcements will be made on the regular parade nights.

The officers of the corps regret that it will be impossible to take any more recruits this year as the quota is filled. Interested applicants may drop in at any parade and fill in their applications for next year. Selection for the next year will be on a first come first served basis.

There is a standing invitation to any parent to come in and talk to either the instructors or the boys if they would like to see what makes a cadet corps tick.

Shower honors newlywed

The Dreston Hall was the scene last Sunday, Saint Patrick's Day for a very pleasant afternoon when over sixty friends and relatives gathered to honor newlyweds, Mr and Mr Peter Paschak.

After a few games which everyone seemed to enjoy, the bride and groom opened the many lovely gifts that had been presented to them.

The ladies of the district served a delicious lunch the highlight of which was the cutting of the cake. The cake had been very prettily decorated in white with little green shamrocks, by a friend of the young couples, Mrs. Mich Romanish.

NEW

FLEXI TOOTH*

HARVESTS MORE CROP - PICKS UP FEWER STONES

Field-tested last year on the prairies, this remarkable new, flexible harvesting tooth for combines and baler pick-ups has proven to be superior to conventional teeth. Flexi Tooth can be lowered closer to the ground. As a result Flexi Tooth harvests more crop per acre.

It picks up fewer stones — meaning less rejection at market — less damage to costly equipment. Mounted in rubber stops Flexi Tooth is quieter — maintains dual. Won't mower, weld backwheat is thrown off and doesn't "bend" as it does with conventional teeth.

See your Imperial Esso Agent today and ask him about the special introductory offer!

ESSO TRACTOR GASOLINE

the gasoline designed especially for tractors, operating under prairie conditions. Field-tested on thousands of prairie farms and proven to provide maximum power and efficiency at the lowest possible cost.

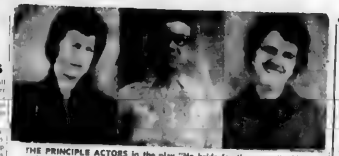
1 and 1 for Edson against North hoopsters

The Edson Boys' basketball team played a double header over the weekend against [illegible]

Saturday evening the host Peace River Creek boys took Edson to a score of 35-26. Edson's top scorers for the game were Louis Bisgar with 8 points and Wayne Michener with 7. Dawson Creek's top scorers were Klienbeckman with 12 points and Rothenby with 10.

The second game was played on Sunday at 2 p.m. with Edson taking the honors this time by defeating their opponents 61-30. Top scoring honors went to P. Klien with 20 points, D McIntyre 16 and W. Michener 14. The goal getters for Dawson Creek were D. Rothenby 17, G. Scelton 14 and Kleinbeckman 14.

The Dawson Creek coach, former Edmonton Kent Rubel, saw very little action due to a bad cold



THE PRINCIPLE ACTORS in the play "No bride for the groom" which is to be presented by the Niton Community Society on Friday, March 29. Left to right are Irene Meropoulis, Marvey Setzer and Dot Kjolland. The play will be presented in the Niton Central School auditorium.

Producing comedy play in Niton School

The Niton Community Society is presenting an adult play entitled "No Bride for the Groom."

This is a farce comedy in three acts and should provide a whole evening's entertainment for every member of the family.

The play centers around a widower, "Squire Digby Pritchet," played by Harvey Setzer; and a widow Sophia Selby, played by Dot Kjolland. These two, past middle aged people find to their amazement that they are in love with one another. Jolly, played by Irene Meropoulis, adds much to the enjoyment of the play. Widow Selby owns an establishment called "The Just Pet," a very appropriate name as one soon finds out, when these two families get into one jam after another. Many other characters, twelve in all, add to the confusion of the situation.

This play will be presented on March 29 in the Niton Central Auditorium.

Don't miss the evening of slap-stick comedy

An Ancient Promise

PASTOR SHOWALTER

According to the calendar, Spring has arrived.

To some "spring" means exotic balmy weather. Those may be in disappointment!

Others think of it as the planting and a host of other things that have been waiting for a change in the weather and for the re-turned sunshine. These may need to be reminded that what the northern hemisphere thinks about is not necessarily what the southern hemisphere is experiencing.

The important thing is that the Creator of the earth made a promise long ago that has been fulfilled every year since, despite the misgivings of His "crown creation." Should this not give us pause to consider the many other promises regarding all areas of life on earth which He has made?

What was this ancient promise about spring? "While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease." Genesis 8:22

Need desperate for Cubmasters in Edson

The Wolf Cub Packs are [illegible] bursting out all over" since reporting last week the Cubs now have a waiting list of 19 boys. A minimum of 22 boys is necessary to form a pack and the maximum is 36 boys under one Cubmaster "A" and "B" packs at the present time have 44 boys each. This means that 38 boys are active in Wolf Cubs, with others anxious to join.

Not only do we need leaders to instruct this extra pack, but to keep continuity in the organization also. A Cub leader training course is to be held in April. Both men and women may volunteer to serve as Cubmasters or assist.

Farewell party for H. Gilhams

A farewell party for Mr. and Mrs. H. Gilhams who are leaving to make their home at Otyen was held on Friday evening at the home of Mr and Mrs. Redbourne.

A social evening was spent by a number of their friends and during the evening a gift was presented to Mr and Mrs. Gilham along with best wishes in their new home.

Mr. Gilham has been transferred with the Alberta Gas Trunk Line.

Edson man

continued from page 1

forts. The committee wish to thank the many who helped with parking of the walk, and other details. The cheque was made up of donations from 13 Edson businessmen.

Prior to his return to Edson mention Mr. Hawreluk promoted to pass on a challenge from the Edson Leader to the Edmonton Journal. We think our man from Edson can beat their man Jones on a straight away any odd day.

H & S to see two topical films at Mar. 27 meeting

Two films dealing with problems in Education, "The Test" and "Teacher or Autocratic" will feature the regular meeting of the Edson Home and School Association on Wednesday evening March 27th, in the A.E. Dakin school. The meeting starts at 8 p.m.

The first film features the well-known actress Frances Hyland and deals with the problem that arises when a teacher discovers a number of her class has cheated and she fails the whole class. Each film is of thirty-minute duration.

In addition to discussion of resolutions which will be dealt with at the annual convention of the Alberta Federation of Home and School next Wednesday evening's business session will devote some time to dealing with recommendations as to what disposition should be made of matters accruing from the adult education classes.

"Day of Triumph" to be shown this Sunday

"Day of Triumph", a two hour feature length picture, is to be shown at the Bethel Pentecostal Church on the 25th of March at 8:00 p.m.

Rev. Lex Hultiveit said the public was invited to see what is described as the only major film production of Christ's life that is scripturally true. He said the full color picture includes climatic events in the life of Christ including the Sermon on the Mount the Last Supper, the conversion of Mary Magdalene, the raising of Lazarus, the Lord's Prayer, the Crucifixion and the Resurrection.

These true to the Bible scenes highlight a story filled with action and suspense. Day of Triumph was produced for the Billy Graham Evangelistic Assn. by Dr. J. K. Friedrich and the nations' clergy have hailed it as a religious masterpiece.

The young people of Alberta Pentecostal Churches have undertaken to show this film every night during March in order to encourage giving to a fund which provides vital equipment for missionaries on

Outstanding trio in Hinton March 25

This coming Monday, March 30, Overture Concert Association members will be able to enjoy a varied concert by the Purgy and Bess Singers. This outstanding trio of Negro vocalists will present well loved selections from Broadway hit shows and light operas, as well as negro spirituals. The concert will be held in the new high school auditorium at Hinton and members of the audience are reminded to "please don't wear spike heels or clicker on their shoes". The floor of the new auditorium is not made for this kind of traffic and could very easily be damaged.

The concert starts at 8:15 p.m.

There has been a slight change in the members of the Purgy and Bess Singers. Just prior to the beginning of the tour Lavern Hutcherson, suffered a stroke and was replaced by Scott Gibson, well-known bass-baritone soloist with the Stalefonte Singers. The other two members of the trio are Lotis Hawkins and Aven Long.

Miss Hawkins, and extraordinary young American so promo offers a voice of real beauty and a musical line that is flowing and wonderfully colorful. The texture of her voice has meaning as it is projected from favorite songs from both opera and musical comedy.

Aven Long is a noted American actor who first achieved fame with his outstanding portrayal of Sportin' Life in the Broadway production of "Porgy and Bess", brings to the Singers a distinctive flair that has marked him as one of the most dramatic personalities on the American stage today.

This concert will be a "must" for all old and new members of the Overture Concert Association

Haddock Happenings

Mrs. Maude Haddock was admitted to Edson Hospital on March 11. She is doing well and will soon be home.

Little Larry Rosshall was taken to Edson Hospital on March 11 also. He will be home again some time this week.

R. C. Larson left for White Rock, B. C., on Tuesday, March 18 to visit his son Leonard and Uncle and Aunt Mr. and Mrs. John Strong, formerly of this district.

Congratulations to Betty and Lawrence Williams on the arrival of a daughter, on Friday, March 14.

Friends and neighbors of Louis Pearson arranged a surprise party in his home on Saturday night, March 15. A very large crowd turned out including friends from Hinton, Mayerthorpe and Carrot Creek.

Hunt Cameron of Prince George, B. C., arrived home on March 18 to spend three weeks here with his mother, Mrs. Orval Cameron.

Mr. and Mrs. Henry Brill and family of Mayerthorpe spent the past weekend with Mrs. Brill's parents Mr. and Mrs. St. Claire Hayes. Norman Hayes was home for the weekend also. Norman is working at Judy Creek.

Peach Bros. are taking out telephone poles for the projected line north of here. They are stark piling them on this side of the river.

Douglas Marshall married in Edmonton

Mr and Mrs. Vic Marshall, Barbara and Jerry attended the wedding on March 8th of their son Pte Douglas A. Marshall, to Miss Molly Bonin daughter of Mr and Mrs. A. Bonin of Dapp, Alberta. The marriage ceremony was performed by Dr. Young in Metropolitan United Church Edmonton.

The bride was lovely in traditional floor length white satin gown and was attended by three bridesmaids all dressed in cocktail length dresses of blue satin.

After a reception and dance in the Westlort hall, the happy couple left for a honeymoon at Banff and Jasper. On their return Mr. and Mrs. Marshall will reside in Edmonton where the bride will complete her nursing studies in August.

The groom is a graduate in electrical Engineering of the University of Alberta and is presently with the R.C.A.F. Other guests from Edson at the wedding were Mr. and Mrs Albert Maggert, cousins of the groom; Mr Bob [illegible] North, Mr Nick Stahlich and Bruce Mahon.

The Edson Leader
The Voice of Edson Constituency
and WESTERN WEEKLY SUPPLEMENT
First Section Edson, Alberta, Thursday, March 28, 1963 Vol. 11, No. 13

Large interested crowd at forum Tuesday

All four candidates in the April 8th federal election were provided with a well-filled Legion Hall, in the neighborhood of 500 citizens, under the auspices of the Edson Chamber of Commerce Tuesday evening, March 26

Speaking in order of their being drawn were Bill Switzer, Liberal of Minton; Dr. Hugh Horner, Conservative of Barrhead; Jim Torgerson, New Democratic Party, of Edmonton, and Sam Smith, Social Credit, of Hinton.

On the platform with the candidates was the Rev. Lee Halliwell of Edson who acted as an excellent chairman, as well as President Walter Fowler of the Edson Chamber of Commerce.

BILL SWITZER

"Bold and imaginative steps must be taken to solve Canada's problems," Liberal candidate Bill Switzer, told the meeting in his home town.

A Liberal government would promote a vastly extended program of education, said candidate Switzer, to help solve Canada's pressing unemployment problem. We intend to vastly extend the facilities of the labor market he said We think it should be possible for a widow to gain employment as well as those in their forties, he emphasized.

"Under a new Liberal government it is our intention to honor our commitments in defence and provide nuclear weapons for our Bomarcs, Honest John's and Voodoos," he told the meeting.

"This is where our present government has stubbed its toe," he went on "There has never been a time when Canadians have not stepped forward." Mentioning that it took three days last fall to see if we were going to defend ourselves "It is our intension to honor our commitments and defend Canada," he emphasized.

Touching on the Yellowhead in which this constituency from Winnipeg to Jasper is so interested, Mr.

President of the Edson High School Students Union in 1958-59, Bronny Schoppmeyer, formerly of Caslanda, was recently appointed editor-in-chief of the Gateway, the student newspaper of the University of Alberta, Edmonton. Bronny in his third year of Political Science at Edmonton, has been active in student affairs since his first year on campus, when he was a Gateway reporter. In his second year he became news editor and was promoted to managing editor in his third year. A cabinet minister during two model parliaments, he has debated and has run, unsuccessfully, for Co-ordinator of Student Activities.

Opti-Mrs. to sell Easter baskets

The Opti-Mrs. will be selling Easter baskets during the first week in April. This was decided at their last meeting held in the Edson Motor Hotel on Tuesday, March 19 Plans were made for packing and preparing the baskets.

The anniversary party, to be held on May 4, was discussed and further plans have been made. The Opti-Mrs. have decided to sponsor the newly formed Edson Brownie Pack

A nominating committee was formed for the election of officers to be held in May Past president Opti-Mrs. Marjorie Lanigan won the draw raffle for March

Edson oldtimer dies at Prince George

A long time Edson resident, Mrs. John A. Anderson, passed away at Prince George, B.C. on March 27, following a long illness. Mrs. Anderson would have been 78 years old in April She is survived by her loving husband; three daughters, Mrs. L. C. (Irma) Manhard of Burns Lake, B.C., Mrs. F. G. Hewlett (Lila) of Prince George, B.C., and Mrs. C. R. (Frances) Christie of Edson. She is also survived by twelve grandchildren and eleven great grandchildren.

Mrs. Anderson came to the Edson area in 1913 as a bride She and her husband lived here until 1943 or '44 when they retired to Prince George, B.C.

Premier Manning coming for Edson SC meeting

The Jasper-Edson Social Credit Association have announced that Premier E. C. Manning will be in Edson on March 28 to address a meeting in the Legion Hall at 8:00 p.m.

Speaking on behalf of Social Credit candidate S. P. Smith of Hinton, the Premier will be filling one of his few out of the city engagements in the present federal election.

A coffee party for Mr. Smith has also been arranged for Tuesday afternoon in the Commodore Hotel at 2 p.m. to meet the Social Credit candidate in person.

ARMAND LORD who has recently taken over as sales manager of Edson Motor Co. Mr. Lord comes to Edson from St. Paul, Alberta, where he has been with the Ski dealer. He is presently on the St. Paul town council, is vice president of the Chamber of Commerce there, a past president and zone commander of the Legion and is a member of the Knights of Columbus. Mrs. Lord and their four sons expect to join him in Edson in April.

Ministerial Assoc. protest increase in Sunday sport

A letter from the Edson Ministerial Association indicating they deplored an increment of scheduled recreation activity for Sunday in Edson was read at Town Council meeting last Tuesday, March 19. The association asked that Council dissuade organizations from this practice.

The Town Manager was directed to acknowledge receipt of the letter from the Ministerial Association and to indicate that council has taken cognizance of the reply already forwarded by the Recreation Board to the Ministerial Association.

And in the opinion of the Council is that further correspondence should be directed to the Recreation Board or to the specific recreation or sports organization which the Ministerial Association feels is unnecessarily scheduling events for the Sabbath.

Present were: Deputy Mayor

Hos. Auxiliary to sponsor Sunday show

St. John's Hospital Auxiliary have decided to sponsor a Sunday movie on April 21. The show is an outstanding one entitled "A Man Called Peter". It will be shown in the Nova Theatre. A silver collection will be taken.

It would be appreciated if all members would have their dues paid by the next meeting on April 2.

Plans for the open house at St. John's Hospital on May 5 will be fully discussed at the April meeting. The Auxiliary's annual donation to the hospital will be made the same day as the open house.

Florence Nightingale tea will be held on May 11

Singspiration

To be held in the Edson Baptist Church at 8:45 to 9:30 p.m. Sunday, March 31st.

The theme is to based on Easter. This is a combined enterprise. Come one. Come all. Groups from all Churches are welcome

Advance poll set for Saturday and Monday

An advance poll for the April 8 federal election will be held Saturday, March 30 and Monday, April 1 in the Anglican Parish Hall on Main Street, Edson. The polls will be open from 8:00 a.m to 8.00 p.m It is intended for those who will be unable to vote at their own polling station on April 8.

The advance poll will cover the following polling divisions: No. 162, Ravine, 163, Wildwood North; 164, Wildwood South; 166, Leaman, 167, Winfield; 176, Hattonford; 177, MacKay; 178, Niton; 179, Carrot Creek East. 180, Carrot Creek West; 181, Peers. 182, McLeod Valley; 183, Pioneer; 184, Haddock, 185, Mahaska.

Also 187, Hosevear; 188, Pinedale; 189, Wolf Creek; 190, Yates, 191, Reflection Lake, 192, Edson River; 193, Edson North; 194, Edson North-East; 195, Edson East, 196, Edson South-East; 197, Edson South, 198, Edson North-West; 199, Edson West; 200, Edson South-West; 201, Glenwood.

As well as: 203, Grande Prairie Trail Berland; 204, Bickerdike, 205, Erith, 206, Foothills; 207, Coalspur; 208, Mercoal, 209, Robb, 210, Marlboro; 211, Cadomin

Any Canadian citizen over 21 years of age, or any British subject who has been a resident of Canada for 12 months is eligible to vote Voters lists have been posted in local post offices, and anyone who does not find their name on one of the lists is asked to check the others

It was pointed out by George Maclean, deputy returning officer, for the advanced poll, that anyone who is eligible to vote but whose name does not appear on the lists cannot be sworn in at the advance poll They could be sworn in and cast their vote April 8, however.

N.E.S.... and YOU

(The following job opportunities are listed by the National Employment Office in Edson, and is presented in the public interest by this newspaper.)

Students and Councillors — are eager to make it their if a new entrant into the world of work wants to know what is needed, to succeed in a chosen career, ask the men who are one day going to do the hiring. For a clear and graphic picture of what the work is going to be like, ask the men who have already been doing it successfully for many years. Get the answer to these two questions, and both student and councillor are much better able to decide just what the career the student is best fitted for, academically, technically and temperamentally.

Employers — in a few years time you will be filling your jobs from among the high school students of today. How much richer a source of manpower you will have to draw from if the applicants for jobs in your firm already know the nature of your work and

Edson Band continues to make progress

Considerable progress was [illegible] recently at a meeting held by the Edson Band after [illegible] months of existence. The financial position was [illegible] good but individual [illegible] has exceeded over [illegible] in the early instru- [illegible] for the band [illegible] or three are 28 or [illegible] members only [illegible] twenty musician- [illegible] he will soon qualify and be [illegible] to play in the forthcom- [illegible] concerts and parades.

At the election of officers [illegible] Chrissie was [illegible] elected to carry on once a [illegible] for another year and re- [illegible] ved a standing ovation for [illegible] outstanding amount of [illegible] time and energy he had con- [illegible] tributed towards making the [illegible] band a success.

Other officer elected were Bill Owen, p sident, Fred Hatfield, vice president, John Leyden secretary, Frances Christie treasurer, Rowan Galbraith, publicity.

Plans are now being final ized for a combined concert with the famous PPCLI Band under the direction of Capt H G Jeffrey and the Edson Band.

The PPCLI Band appeared in Edson last year during a recruiting drive and put on a spectacular performance creating concern as to when they would return again.

Bandmaster Christie is ex pecting applications for any new members interested in joining the Edson Band.

Permits needed to cut hay by roads

Gordon F Taylor Minister [illegible] announced today [illegible] plans desirous to cut [illegible] the right of way of [illegible] or secondary highways [illegible] for a permit to do [illegible] the District Pasmaster [illegible]

The following regulations [illegible] to all permits issued: (1) A person must receive [illegible] permit from the District Engineer of the Department of Highways before cutting [illegible] on the right of way of [illegible] or secondary high- [illegible] ways in the province.

(2) Anyone cutting hay under permit must cut all of [illegible] right of way from the [illegible] of the highway to the fence line in the area [illegible] under permit unless this is not reasonably possible.

(3) After receiving a permit, hay must be cut prior to July 31st or the permit becomes invalid.

(4) No permit holder will have the right to sub-let or sell the right to cut hay un- der a permit.

(5) No fee is charged for the permit.

(6) The permit holder must carry out haying operations in a safe and orderly fashion.

The District Engineer will endeavour to accommodate persons who live closest to the area in question, but such persons should notify the District Engineer immediately if they are interested. The Engineer will be required to deal with the applications in order that they are received.

Haddock Happenings

Congratulations to Grant Jackson and Louise Rear who were married in Whitecourt on the afternoon of March 19. The wedding dance held in Haddock that evening was attended by many friends and neighbors of the Jacksons, from this district.

The Students Union of Pal [illegible] have decided to have a [illegible] on the evening of April [illegible] to raise funds. Let's help the committees out by turning [illegible] in this.

Albert Giles is one of our [illegible] school bus drivers, has had a very bad time [illegible] Friday [illegible] he has been [illegible] extended stays [illegible] Hospital. Every- [illegible] that his health [illegible] to improve.

Mr James Milner went in [illegible] Edmonton last week-end to [illegible] Milner who is still [illegible] from well.

Mrs A Sebastianelli is home [illegible] her family again she [illegible] been a patient in Edson [illegible] Hospital for some time. We [illegible] all glad to see her home [illegible] well again.

Almost a hundred guests [illegible] gathered in the home of Mr [illegible] and Mrs Ewen Jackson on the evening of March 23 to [illegible] Mr and Mrs Grant [illegible] son.

Mrs Thyra Minelli and Ray [illegible] both of Edmonton were [illegible] Sunday Thyra's parents [illegible] Mr. and Mrs. Fred Minelli this [illegible]

Miss Ines Krinke and Pil Wierberger of Red Deer, Alta., are spending the week with Inez's father A Krinke.

There are still a few loads of pulp wood going out A Krinke and C Johnston finished last week, surprising all the crepe hangers who have been predicting that road bans would be on before they did.

Miss Sharon Giles spent the weekend visiting her parents Mr and Mrs. A Giles.

Mr Harry White of Stony Plain spent the weekend at his home here.

CWL Whist tournament

High score for the week ending March 23 was 153 held by Mrs Hoding and Mrs Stenhouse. The high for the final game of the tournament on March 23 was 148 held by Mrs. Mary Koebel and Mrs George Koebel.

Thirteen tricks Mrs. Berglund and Mrs McNaughton.

High of the tournament, first, Mrs R. McKenzie and Mrs. C Wilson. 2nd, Mrs. Berglund and Mrs Howard.

A third prize went to Mrs. J Wynne and Mrs. Faye Brown.

THIS FRIENDSHIP COMPULSORY

Probably the best remark made in the House of Commons in 1963 was that of the Social Credit Leader, Robert Thompson, when he said that, "whether we like it or not," the Americans are our friends. Even if not intended, it does give with accuracy the views of many Canadians.

Longstreet, who perhaps was not any more conscious of Canada than Canada is of Uruguay, said:

Then come the wild weather, come sleet or come snow

We will stand by each other, however it blow.

And in view of Canadian exports of potable beverages to the United States, it may be that a quotation from Dunkey and Sot it spit. Solomon, according to the captain, said: "May we never want a friend in need, nor a bottle to give him!" A real quotation from Proverbs is that "a man that hath friends must show himself friendly."

Canadians live alongside the United States. The obvious fact sometimes is forgotten. Canadians get along with people in the United States. Canadian relationship are deeply rooted and permanent. There is hardly a Canadian of French or English extraction who has not relatives to what the political orators sometimes call "the great Republic to the south of us."

Probably one of the difficulties in Canada's relationship with the United States is best understood when it is remembered that people in New York neither know much about nor care about a hamlet in New England, but people who live in the hamlet in New England certainly are conscious of the metropolis. They probably know nearly as much about it as the people who actually live in New York. Canada knows more about the U.S.A. than the U.S.A. knows about Canada.

A fact that many residents of the United States will never appreciate is that Canadians are Canadians by choice. The late Mr. Thompson, major of Chicago, had a great deal of fun forty years ago and got some votes because he was so sympathetic with Canadians who were "suffering under the yoke" of Britain. And George V, a kingly king if ever there was one, was a personal enemy of Mr. Thompson, or was so represented by Thompson.

Canadians also are thought to be less free than are people in the United States. This is illustrated by an incident happening to a much-travelled Canadian who found himself just on a country road in Virginia. This was back in World War II. A courteous Virginian redirected him, and having noted the Canadian license plate on the car, added, "I see that you Canadians are getting more freedom than you used to have." The irony of this comment was that it was during the era of war-time controls when Canadian men had to suffer the intolerable indignity of trousers sans cuffs — both in and out of uniform.

ELECTION CRACKS

Bill Switzer at a recent meeting, "We in the West ought to have a good look at a party leader who admires Hitler and Mussolini and wouldn't fight for his country in time of war."

Mrs Daisy Hartley of Jasper: "When the Liberal members of Parliament were disrupting business by stamping their feet, no doubt they thought that they were in a stable not Parliament."

Sam Smith, "We must remember this $30 million spent on the election pots that much money into circulation in Canada.". At least it keeps us printers busy, say the people in our back shop, but before you phone us again we're getting around to that job you've been waiting for, adds our shop foreman.

As RD our favorite Earthworm tractor parts salesman says: "Talk about indecision --- they couldn't even decide whether to use coloring books or not "

Jim Torgersen reminding the Social Creditors that there were no oil wells in Ottawa when they claim they could put Canada on its feet.

Pysar rink wins Lions spiel

BY IRENE BOCHEK

The Edson Lions Club held a very successful curling bonspiel on Sunday, March 24th. Local members and wives, invited guests, and a rink from Stony Plain participated.

The honors went to the John Pysar rink, which consisted of Pete Sardiak (third), Mrs. Hatlen (second) and Mrs. Chermen (lead). They defeated the Rush Dixon rink.

The 'B' event laurels went to Pete Chermen assisted by Mrs. Erickson (3rd), Dr. Smith (2nd) and Fred Parenteau (1st lead). They won out over the tough Abe Goldstick rink.

The consolation prize was awarded to the Paul Gosselin rink, who appeared due to exceptionally poor ice, but rather undisciplined.

The Lady Lions Club must be commended for the delicious buffet supper of turkey, ham, smoke and all the trimmings they served to the hungry curlers.

F.U.A. News

The next meeting of the Edson Local F.U.A. will be held on April 2, in the I.O.O.F hall.

Representatives from other locals in this sub-district will be present to finalize plans on the proposed sub-district scholarship.

Mr Harold Nelson will show films on dairying and modern milking methods and milk handling facilities. We hope a record number of farmers and interested persons will come out to see the films

A one day course on "Citizenship Responsibilities" will be held on April 4th in the Carrot Creek hall from 10 a.m. open to anyone interested in participating.

The course is sponsored by the Leadership Development committee of the Farmers' Union and Co-operative Development Association and will be staffed by a Lions Officer from the Citizenship Branch.

Funeral held for Mrs. L. Schumacher

Mrs. Lydia Schumacher of Edson passed away on March 20 at the age of 57 years. She is survived by her loving husband Clarence; four sons, Gerald of Calgary, Thomas, Ronald and Rodney all of Edmonton; two daughters Dorothy of Edmonton and Marilyn of Swan Hills; ten grandchildren. Also surviving are six brothers Walter, Alex, Edwin and Benny Konrad in the United States, Fred Konrad, and Roland Konrad in Lethbridge; three sisters Mrs. Amelia Vetter in Washington, Mrs. Anna Roth in Utah, and Louise Tomberg in Alberta.

Funeral services were held in Edmonton from the Pleasant View United Church on the South Side Rev. Waite officiated and interment was made in the Mount Pleasant Cemetery.

Edson Funeral Home was in charge of the arrangements.

CAPITOL REPORT

HEALTH AND WELFARE STEAL SHOW

BY JOHN WARREN

EDMONTON — The subjects of health and welfare stole the show last week as members moved quickly towards prorogation which is expected to come next week — probably accompanied by an election date announcement by Premier Manning.

The week also saw the Legislature give approval to the province's $374,000,000 spending program, a record budget higher than those of any other three western provinces, that allows for a $24,000 surplus. Study of the estimates was rushed through with two night sittings and a private summers day devoted to it.

A request by Lac La Biche Liberal Mike Maccagno that a health unit be established in northern Alberta was defeated as expected but not before it drew the support of a soother member of the government side of the house, Roy Ezia of Grouard

The Liberal suggested that a travelling railway clinic be set up to serve residents between Lac La Biche and Fort McMurray. He said it would serve 95 per cent of the people in the area. Health minister Dr. J. Donovan Ross said the area suggested for the unit was too large, too sparsely populated and had no means of communication.

The minister termed the idea of a travelling clinic "a gross waste of professional services," considering the number of people who would be served by it. He said the government's plan to pay subsidies to doctors serving in the north should attract them to outlying areas and he pointed out the government will start this year to move nurses into the north to provide preventative and emergency treatment services

Alberta's medical care insurance bill now before the house has probably sparked less controversy than expected but last week it did bring Calgary Conservative Ernest Watkins to his feet in protest.

Mr. Watkins called for a special session to consider it in six months and he charged the government with using a "shocking method" of introducing the plan by giving the health minister a "blank cheque" to make whatever regulations he wished.

The bill outlines the principle of the plan but leaves the details to be worked out by the cabinet. Mr Watkins said the plan and regulations should be spelled out. Mr. Watkins said he had "every confidence in the health minister," but added "there are times when he thinks in terms of a dictator because he thinks he can do a good job."

Dr Ross noted the same day the sum of $1,000,000 was included in his department's estimates this year "to indicate the sincerity" of the government's plan to introduce the scheme It will go into effect October 1

L. C. Halmrast's welfare department came under fire by Social Credit member William Dickey who said he knows of a couple who couldn't adopt a certain child because of the color of their eyes. "Your department should be severely criticized for this," said the member from Bow Valley. Empress who said he would give the minister the couple's name.

Ernest Hansell, member for Okotoks-High River, told the house more than education is needed to make a good welfare officer. "I'm of the old school who believe mothers who have raised four or six children know more about children than someone who has gone through university .... particularly if the welfare worker is a spinster."

Mr Halmrast defended his department's adoption record as "very good both in the number of children placed and in the success in placing them."

Several changes in the laws affecting highways were given first reading last week. One would eliminate speed limit regulations from the Vehicles and Highway Traffic Act and give the cabinet power to set new limits on the basis of changing conditions. Highways Minister Gordon Taylor said the cabinet has a 70-mile-an-hour limit in mind for the better highways with controlled approaches.

Joke of the Week

Ministerial Assoc. protest

Continued from page 1

or J Scott, Councillors: M F Collins, M D Shanks and P. W Wells and five citizens.

Letter from Honourable Gordon Taylor, Minister of Highways indicating agreement to meet with delegation to discuss Tourist Reception Centre Thursday March 21 was placed before Council and Councillor Collin agreed to attend with Mayor Brusnyke

Mr G Bolton of Weatrite Animal Care addressed Council submitting report on recent survey completed showing $620.00 collected in donations

The $5-a-plate affair is sponsored by the Optimist Club of Edson, and is limited to 200 guests Tickets are available at the Leader Office, or any Optimist member.

Confirmation of head table dinner guests will be announced in the near future.

IN MEMORIAM

HOLMAN — In loving memory of our dear Dad, Mr. Bert Holman, who passed away March 30, 1962.

Long days and nights he bore his pain,
In vain we wait for cure, but all in vain.
Till God himself knew what was best,
He took him home and gave him rest,
And when we saw him sleeping,
So peaceful, free from pain;
We knew we could not wish him back
To suffer that again
Always remembered by
Phyllis, Penny of Edson, Sonia LeRoy, Arthur and Sheryl at the Coast and Paul of Yellowknife

A WISH

By PASTOR DONALD TOM

The skeleton of some people is mostly "wishbone" They spend their time wishing for benefits to be heaped on themselves.

The blood records the wish of an elderly man in behalf of one named Golna. The content of this wish is her good content of this wish is her health, but on a most unusual condition

Generally, we pray for God to give us good health, with tongue-in-cheek, that if He thinks He may expect us to believe in Him

But the Apostle John turned it around He prayed for Gaius that the condition of his body might match the condition of his soul! How would you like a personal prayer for you like that?

"Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth."

III John 2

CARD OF THANKS

I wish to express my heart-felt thanks and appreciation to Dr Whittaker, the Sisters and staff of St. John's Hospital for their wonderful care of my dear wife during her illness

Clarence Schumacher

Carrot Creek

Congratulations are extended to Mr and Mrs Gerald Jackson who were married Saturday of last week. A pot-luck attendance of friends neighbors and relatives at attended a wedding party Sat urday at the home of Mr and Mrs Ewan Jackson parents of the groom

Harvey Morehand of Wainwright was a recent visitor in our district according to our information Harvey hopes to buy a farm in the vicinity

Wishes for a speedy recovery are extended to Mrs Herb Heintz Jr who has been on the sick list the past few days

It rm and enamel seals — he had you noticed" Snowed rained frozen then thawed Just can't seem to make up its mind which it would rather do most in we get a numerous helpful of such nasty tricks the weather man has up his sleeve

Belated birthday greetings to Charlotte Musser who celebrated her 10th birthday last weekend

AS I SEE IT

By PASTOR E. HURD

This year, the Red Cross Society celebrates their 100th Anniversary This month has been designated Red Cross Month in Canada We commend the work of this Society and urge you to support it generously

The following lines would seem to be appropriate It relates to a news item concerning the Russo-Finnish War and gives this account: "A Finnish Red Cross hospital which, in accordance with International Law must be left untouched by enemy bombers was attacked and several were killed The Finns made strong protests to the Soviet government Upon inquiry it was learned that a snow fall during the night had covered the red cross on the hospital roof Apparently the flyers were justified and the matter dropped"

In reading this account, I could not help thinking of another cross, the crimson cross of Calvary By International Law the wounded Plans were safe under the cross-emblazoned roof By an infinitely superior and more binding decree, God has declared that every wounded sin-sick sinner who comes by faith beneath the blood-stained banners of the cross shall be safe

The believer is assured that Christ "by His own blood entered once into the holy place having obtained eternal redemption for us" (Heb 9:12). Nothing can obliterate or hide that precious blood Bear visible to God it spells peace and safety for time and eternity

Beneath the cross of Jesus
I love to realign and shelter
For every sinner of Adam's race

God has said "When I see the blood I will pass over you" (Exodus 12:13) The not seek a refuge in your morals, or your character or works or religion "Without the shed ding of blood is no remission" (Heb 9:22). "The blood of Jesus Christ God's Son, cleanseth us from all sin" (I John 1:7) Men is an alien the blood can make him a son He is a rebel the blood can make him him as heir He is foul and vile the blood can purge every stain He is an enemy by the blood of Christ he may obtain peace with God

Are you among those who are safely sheltered from coming wrath? If not, take your place beneath the crimson cross of Calvary and look by faith to the One of whom Scripture says that in Him we have redemption through His blood even the forgive ness of sins" (Col 1:14)

Kinsmen plan April ham shoot

The Edson Kinsmen Club have decided that turkey and ham shoots in the Thanksgiving and Christmas season are not enough They figure that Edson and district household ers should have a chance to win an almost free ham for Easter as well

S-o-o-o they are holding a ham shoot

The shoot will be held on the Morley Motors building Saturday, April 6 at 2 p.m. and a huge sign in front of the building tells passers-by about it.

Rifles will be supplied for all matches.

Johnson rink wins at Drayton

The rink skipped by Morley Johnson entered the Drayton Valley mixed bonspiel last weekend and returned home with a prize. They won third in the B event

Rink members were Morley Johnson, skip., Mrs. Bob Maguire, 2nd., Ed Edwards, 2nd., Bob Maguire , lead. The men won thermos bottles and Mrs. Maguire an ornament

Combines defeated but still champions

BY IVOR FOSTER

The Jasper-Hinton Combines are the Intermediate C. Northern Alberta Hockey Champions and were turned away from the Provincial Title in rather convincing fashion Sunday by the Southern Champions Fort McLeod Broncos

The Broncos clobbered the Combines 10-1 in the final game of the total point series, but oddly enough it didn't start out that way.

The Combines raise out strong in the first period and Melinski scored on a pass from Sawka at 1:14 to give the Combines a 3 goal lead in the total point series. This, unfortunately was all the Combines were destined to get, even though they made Broncos goaltender Bob Beach the centre of attraction for most of the remaining minutes of the first period.

At one time I counted over 10 shots during a two minute period. This was repeated several times but the puck seemed to have a mind of its own and just wouldn't go in

At the end of the first per iod the Broncos led in the game 3-1, and had dradicated the series at 8 goals apiece on goals by Cote at 2:00, Kaneviecher at 9:30 and Kaneviecher again at 12:05

The Combine fans, perhaps 100 strong, still thought their team could win. They had lots of enthusiasm but the team that stopped on the ice for the second period wasn't the one we have been used to watching all year. Passes seemed to end up on Fort McLeod stocks and the only players usually in front of the Combine net were wearing red and black jerseys.

The second and third per iods were all Fort McLeod in the first it was Reg O'Sullivan from Cote at 6:00, Dreibold from Bourassa and Cote at 8:00 and Kaneviecher at 11:30 to bring the fin al score to 10-1 in the game, 10-6 in the total point series and the intermediate C Provincial Crown to Fort McLeod.

Referee's Ed Robbins, who officiated the opener won by the Combines 7-5, and Dick Carson, both from Edmonton, handed out penalties, 36 going to Fort McLeod and 2 to the Combines.

In the evening, Melinski pot ted the only Combine goal with the assist going to John Sawka

For Fort McLeod it was Cote with 3 goals, 4 assists, Kaneviecher with 2 goals, Reg O'Sullivan with 2 goals, Crawford and Dreibold with 1 goal, one assist apiece, and Macdougall, Gangon and Bourassa each picking up an assist.

There may be a number of reasons for the Combine loss, among those one could say that strange ice was probably the main factor. This could be true especially when one considers the fact that the Combines have only played two games this season on foreign ice. Sunday's game with Fort McLeod included. No more excuses let's wait till next year

The Combines didn't win it all this year but they came close To all the people who had an interest as the club especially Coach Mike Dagaida, I say thanks and we'll go all the way next year

An interesting sidelight in our Fort McLeod trip was a

Edson doctors attend assembly

Dr Peter W. Cohen and Dr J. C. Crawford, of Edson are attending the four-day Seventh Assembly of the College of General Practice as part of a formal program of 100 hours of post-graduate study every two years. More than 500 family doctors from all sections of Western Canada and the Northwestern U.S are attending.

In addition to days packed with scientific lectures, all designed to help family doctors keep abreast of the pace of medical progress, there are training medical films and a broad range of technical and continuous showings of top scientific exhibits.

THE BEST OF BOTH WORLDS— FREE ENTERPRISE ELECTRICITY!

It seems hard to believe that anyone would want to undermine the free enterprise spirit that built Alberta. Yet there is a small minority who wish to turn our vital electric utilities into a government monopoly.

It is claimed that they are monopolies of necessity — and might as well be government monopolies! Nothing could be more misleading.

Right now, Alberta has the best of two worlds — free enterprise initiative, plus judicious control by the present government. The operation of investor-owned utilities is closely scrutinized by government bodies, who regulate such matters as consumer rates and overall planning. Uncontrolled power monopolies simply don't exist.

Government-owned power would be such an uncontrolled monopoly. It would be called "public power", but the present right of appeal to the Public Utilities Board would be lost.

A few people might think this better than the present system of free enterprise initiative with judicious government control. Some might . . . but do you?

FIRST IN THE 8 EVENT in the Legion bonspiel Sunday, March 17, was the Morley Johnson rink. Left to right are Dave Simpkins, Harold Gold, Bert Herring and Morley Johnson.

Outstanding show ends concert season

Sparkling variety and superb showmanship highlighted the Porgy and Bess Singers last Monday night at Hinton as the final performance in the present Overture Concert Association season. The fresh young beauty of soprano Loris Hawkins; the spontaneous humor that showed in every moment of Avon Long and complete contrast of Inez Scott Gibson added up to a delightful, all too short evening

The same ease with which they performed, as though reaching high or low notes was an ordinary as breathing, made listening a pleasure

The program started with a medley from Porgy and Bess that continued smoothly through selections from Oh Kay, Carousel, Finian's Rain bow and others. Before the audience realized what was happening they had been charmed through the first half of the program.

Avon Long, famous for his part as Sportin' Life in his performance of Porgy and Bess on Broadway, followed the theme all through the evening and after his first appearance the audience looked forward to his gravelly voice and expressive body at his first step on stage.

Miss Hawkins, sang her serious and her gypsy, gamin parts equally well, but always with a sparkle that warmed the audience The stark simplicity of her white evening gowns and colored sashes contrasted the evening dress of a the men and stood out to perfection against the creamy backdrop curtains.

Scott Gibson, falling in on the trio for Lovers Hatcher son, has an outstanding bass voice and an easy manner before the audience that made such songs as "If I Loved You," "A Women is a Sometime Thing" and "Old Man River" especially enjoyable.

Those attending the reception following the performance found the trio as personable off stage as on and enjoyed the informal visit with them.

Adding much to the evening was the use of the new auditorium in the high school The larger stage, light curtains and backdrop and the better acoustics all gave the concert a certain "air" that had been lacking at other concerts.

Hattonford WI make plans for conference

The March meeting of the WI. was held on March 21st at the home of Mrs. O Ford with eight members and two visitors present

A bake sale will be held on April 13 at the Co-op store The constituency convener, Mrs. Wild from Carrot Creek, was guest speaker She spoke on having delegate attend the annual WI Convention June 4, 5 and 6 in Edmonton She also spoke of a date for the constituency conference, which this year is to be at the Mackenzie Inn Peace River.

The lunch was served by Mrs. D Hemsoth from Carrot Creek A lovely lunch was served by the hostess.

The April meeting will be held at the home of Mrs Evelyn Gagnon

NDP candidate tells meet about nuclear stand

If Canada's electors were bewildered and confused and undecided, even at this late date, which party to support, the blame could be laid squarely at the door of Canada's political leaders, Jim Torgerson, NDP candidate for Jasper Edson, told the March meeting of the Edson New Democratic Party Club.

He said the nuclear arms issue was a good example of how much confusion could arise when political parties had no consistent or clear-cut policy on the national issue.

The New Democratic Party was the only political party in Canada to enunciate a firm stand on nuclear arms from the beginning and to stay with it. The other three parties had apparently molded their policies as they went along, with one eye on voter reaction.

Liberal leader Pearson had changed his mind twice on the issue. Last November he warbonds for Canada. Two months later he was saying YES and shortly after, YES, BUT.

In numerous statements from 1960 on, Prime Minister Diefenbaker had emphasized Canada's destiny to exercise joint control with the United States over nuclear weapons. A year ago, David Walker who was then Works Minister, said in a TV panel however that the Canadian Government wanted "atomic warheads under our sole control that is only natural".

Not too long ago Mr Diefenbaker was saying his government hadn't formulated a definite policy on nuclear warheads but was waiting until after the NATO ministerial conference in May. At his nomination meeting in Prince Albert several weeks ago, he said his government would not allow Canada to become a "dumping ground" for nuclear arms.

On March 20th, however he was reported in the news as saying at Peterborough, Ont. that he would accept an arrangement with the United States to make warheads available providing "our sovereignty is maintained and we maintain control over our own destiny."

Mr. Torgerson said if Mr. Diefenbaker had taken a definite stand on nuclear arms from the beginning and if Mr Pearson hadn't changed his mind in "mid-stream", the electors wouldn't be so confused today and the parties wouldn't be so reported in the press be losing some of their support ers

He described dissension over nuclear arms in the Social Credit Party as the "weakest" of all, because no one would admit there was any disagreement

In Quebec, Real Caouette co-leader of the party, flatly opposed nuclear weapons for Canada. In Alberta, Premier Manning came out just as flatly for them and dismissed Mr Caouette's statements as just for Quebec consumption

Premier Manning promptly told by Mr. Caouette to stick to provincial affairs while the leader of the party, Mr. Thompson, after vainly trying to support both Mr Caouette and Mr. Manning at the same time, finally gave up and said he would refer the whole thing to a non-partisan parliamentary committee to deal with

"Is it any wonder that Social Credit supporters are confused themselves or that Canadians are beginning to wonder if there are new three Social Credit parties in Canada?" asked Mr Torgerson.

Tommy Douglas and the NDP had been consistent in their stand from the first

"The New Democratic Party is opposed to nuclear arms, period" Nuclear arms means mutual suicide and those people who think war today is what it was in the past, are deluding themselves. War in the nuclear age would mean humanity's destruction" said Mr Torgerson

The NDP was not unpatriotic, just realistic George Hendy, security advisor to President Kennedy, recently disclosed that the United States had "an inventory of tens of thousands of nuclear weapons" and was making more each year.

The United States and Russia between them now have enough nuclear weapons to wipe every man, woman and child from the face of the earth, he said "What could we accomplish by accepting nuclear warheads for a few missiles on our soil"

Canada, until the past year at least, had been respected by other countries and her voice had influence in the council of nations, said Mr Torgerson. Canada has been able to play an active role in leading the fight for total nuclear disarmament

"Offensive or defensive nuclear weapons are nuclear weapons" Mr Torgerson continued "Let us steer away from Canadian soil and we're telling the world we have allowed ourselves and can no longer speak in an independent voice We're telling the world we're committed our country to becoming an other nuclear satellite"

Robb and Branch News

Mrs. Maxine McClaren was the home of Mr. and Mrs Schwing Sr

Mrs. Kennedy accompanied by Mrs Rogers were Edson visitors Monday evening to take part in the celebration of the Royal Purple birthday party. A most scrumptious turkey dinner complemented with all the trimmings was followed by dancing the remainder of the evening. An enjoyable evening was enjoyed by all.

Mr Tony Bizzie was a Branch visitor on Monday Everyone is wondering what is in this Time Tony "gold" or "leveling off" "Don't forget Tony all is not gold that glitters".

The Branch Road was the scene of another bad accident in which a car was badly damaged, but no one was hurt. So it goed to prove the "Good Lord" must be watching out for us and we just can't be as bad as painted.

The bingo held in the Hall was fairly well attended. P. Kennedy was the grocery hamper

A rob tournament will be held on Saturday at 8:00 p.m. in the Robb Hall Admission 50 cents per person

Several residents are sort of under the weather Our local garage man is confined to bed with some sort of flu The lucky man is fortunate in having a competent wife to carry on the garage business as Mr Charlton is at Edmonton and Mr Harold Charlton have left for their respective homes Mr. Harold Charlton's home is in Penticton, B.C.

Let's Eat

BY IDA BAILEY ALLEN

TOMORROW'S DINNER

Lettuce Salad
Avocado Dressing
Fish Steaks Parmigiano
Buttered Beans
Strawberry Shortcake
Beverage

Fish Steaks Parmigiano

2 lbs fresh fish fillets, frozen, thawed
½ c cooking oil
1½ tsp seasoning salt
1 tsp paprika
½ tsp powdered oregano
1 egg
½ cup canned tomato sauce
½ c grated Parmesan cheese
½ lb Mozzarella cheese

Brush fish steaks generously with oil. Rub in seasonings

Line broiling pan with foil. Arrange fish on it. Place under heating unit, broil 5 minutes, or until beginning to brown. Turn; broil 7 minutes more.

When nearly done, spread with tomato sauce. Dust with Parmesan cheese; cover with Mozzarella cheese. Continue to broil until pale brown and bubbling.

Garnish with fresh dill or parsley

Drop by teaspoons on oiled baking sheet, allowing 1" space between each cookie. Dust with sugar and cinnamon or sugar and chopped nutmeats or with pkg flaked coconut

Bake in moderately hot oven, 375 deg F, about 12 min., or until delicately browned Makes 4 dozen

FISH STEAKS PARMIGIANO

Cream shortening and sugar; beat and add eggs. Sift together dry ingredients and add alternately with sour cream. Add flavoring.

Drop by teaspoons on oiled baking sheet, allowing 1" space between each cookie. Dust with sugar and cinnamon or sugar and chopped nutmeats or with pkg flaked coconut

Bake in moderately hot oven, 375 deg F, about 12 min., or until delicately browned Makes 4 dozen

TOWN OF EDSON
Gravel Tender

SEALED TENDERS, with envelopes clearly marked as to contend, will be received by the undersigned at the Civic Building, Edson, until 12:00 o'clock noon, Tuesday, April 16, 1963, for supply of the following:

1. Five thousand (5,000) bic yards of 3 inch crushed gravel to be delivered as and when required after April 30th, 1963, to the end of the construction season

2. Three thousand (3,000) cubic yards of ¾ inch crushed gravel to be delivered as and when required after April 30th, 1963, to the end of the construction season

3. Three thousand (3,000) cubic yards of PIT RUN gravel to pass 6 inch sieve to be delivered as and when required after April 30th, 1963. Depending on construction conditions this gravel may be required under the winter works program and delivery may have to be completed by May 31, 1963. At all events 21 days will be the maximum time allowed for this gravel to be delivered.

All gravel to be supplied F.O.B. distributed on streets or lanes or stockpiled as directed by Town Works Superintendent. All gravel to meet Town specifications regarding grain, size and cleanliness. In tendering, the tenderer will be assumed to be familiar with the said specifications.

The gravel will be required in varying amounts within the dates specified and must be supplied as and when required by the Town Works Superintendent Tenderer must state source of gravel and trucking rates which will apply to the project. Tenderer may bid on any or all items.

The right is reserved to accept any tender whether or not the lowest or to reject any or all tenders in the interest of the town may appear to require.

Large crowd at forum Tuesday

Continued from page 1

Switzer said a highways committee would be set up. He mentioned in passing that he realized the B.C. government was a very important factor in getting road completed.

The Liberal program is one that is positive, said the speaker, but is not one that can be accomplished overnight. A steady effort must be made to overcome unemployment he added. Partisan persons in combination with the out age pensions would be part of the program he said.

The Liberal party intend to introduce, in co-operation with the doctors, a medical care plan above the amount it is reasonable for people to pay, said the Liberal candidate. "It is a program, we in the Liberal party," he said, "recognize must come about."

A Liberal government in Ottawa has always been a stable government, said Mr. Switzer, adding that "it is more important to be concerned with what we must do than what the present government hasn't done."

He concluded with the statement that "Canada needs and must have effective government."

HUGH HORNER

Repeating his charge of "obstruction" in the last Parliament, Dr. Hugh Horner, MP in the last House, speaking for re-election as Conservative member, said the obstruction took such forms as filibustering to make the House sit for 14 days on the motion for supply, which is ordinarily passed in a matter of hours, claimed the speaker.

"Each of my opponents," he said, "have in their platform a development committee... this is one of the 30 other bills which were obstructed," he added.

"Was it not worthwhile to discuss that Alberta would get a 10 per cent reduction in freight rates?" asked the speaker.

"I wouldn't trade the unity in the Conservative party for that of any other," said Dr. Horner.

"We have said we don't need nuclear arms in our country in peacetime," said the Conservative candidate. "The Bomarc is obsolete," he charged, "but was not for the defence of Canada in any event, but for the Eastern United States."

The Conservative government has said it will honor its commitments to NATO said Dr. Horner. Mentioning that both former Defence Minister Harkness and Trade Minister Hees had been to Edson, Dr. Horner said that Mr. Harkness was inflexible and interest to the generals and that, "we know George too." If Mr Hees had succeeded we would have given control to the wealthy men in the East," he added.

"Here ladies and gentlemen," said Dr. Horner, "is the important issue of this election. Are we going to allow a wealthy few inside and outside Canada to run this country or are we going to run it ourselves by members such as myself?"

"Talk about prestige at home and abroad," he said, "our prestige was never higher, but it will fall immediately if we accept nuclear arms under the control of the U.S. — especially with the newly developed countries."

Jasper Edson is an area where agricultural production can be expanded but primarily our agriculture must be expanded by expanding our markets "We think our PFAA should be continued and that our cream support price should be carried on," said Dr Horner.

ARDA can mean better land use and be the basis of improving our rural areas he said

Mentioning help to the towns Dr. Horner asked the meeting to think of the sewer loans, winter works and other federal help to Edson which is a typical town under 5000.

Hitting at "doom and gloom" Dr Horner asked his listeners to think of what devaluation has meant. Canada has outstripped all other nations in increase in gross national product with the lowest increase in the cost of living. Devaluation has meant hundreds of millions of dollars to this country. The only people worrying about devaluation are people wintering in Florida.

Why didn't the Liberals do something about vocational training right after the war to help solve the unemployment problem asked the speaker.

Across Jasper Edson public works has been great help in curing unemployment — an unheard of policy before charged Dr. Horner.

JIM TORGERSEN

"One of the greatest lacks in this country is the lack of planning," Jim Torgersen, New Democratic candidate, told the forum. A NDP government would set up a committee to ensure a planned economy so as to make use of the resources, both human and material to the best advantage.

With reference to immigration the NDP candidate said there was no use bringing more people into Canada than there were jobs for.

"Devaluation of the dollar created a spurt for a while," said the speaker. "This is why there was no growth in the last part of the year."

Unemployment figures do not bear out this alleged increase in production said Mr. Torgerson. "We're producing more and more people are out of work," he added.

Under NDP planning more people would be put to work he told the meeting. "Don't worry about where the money is coming from," he said, "it would come out of income tax."

One of our problems in Canada is that 60 per cent of what we buy comes from somewhere else. We're not getting our fair share of the world markets he told the meeting.

"The cost price squeeze has forced many farmers out of business he said.

"Some people say it is the workers who put up the price of farm machinery," said the speaker, "but one worker can produce ten times more than he did a few years ago. It isn't the worker who puts up the price of goods," he said.

There is no defence against nuclear arms said the youthful speaker, as it takes only half an hour for a missile to come across the space between countries. The only sensible policy is one of disarmament said the speaker.

Speaking about world government he said he felt Red China should be admitted to the United Nations.

"The Liberals haven't anything to talk about with regard to prosperity," said Mr. Torgerson, "the Conservatives took over and they haven't done anything either."

"I don't think the government should fall because some one doesn't agree with it," he said. "We should put people before politics," he concluded.

S. P. SMITH

"I believe you the people of Canada are going through a transition period," Sam Smith, Social Credit candidate told the forum. Taking his audience back to 1921 when the people, he said, turned their backs on the old line parties, this was when the transition period started.

In Alberta it was the UFA and now the Social Credit government since 1935, he reminded the meeting.

"Think back to 1957 when most thought we must get rid of the Liberals — the Conservatives can't be worse," Mr. Smith told the meeting. "What we got was the greatest spellbinder and a big majority to his government could implement his promises" said the speaker.

"In 1962 you realized there was something wrong and this proved people were searching and praying for something different," said Mr. Smith.

The speaker said it was not the Liberals or Conservatives, but the system they embrace to which we object. Why is one of the richest national resources countries not doing what we wanted it to do And what about our gross national debt, he asked. We're paying better than two million dollars a day on this debt, but it's not the people of Jasper-Edson who are gaining by this debt, he added.

"It is up to you people to decide whether you want to balance this debt with what we can produce. We are endeavoring to bring Social Credit policy for all," said the SC candidate.

"What about Social Credit monetary theory?" he asked the meeting. "naturally we can't give details because you would have to understand the present monetary system."

The speaker said that when the Bank of Canada was formed by the government of the day, the words used for justifying its inception were pure Social Credit. "Why is it used only for a borrowing agent for banks in Canada," he asked. "Because it does not cater to financial institutions to whom we pay eight million dollars in interest," he added.

"What about the 53 cent dollar we have after taxes," he asked, "they couldn't tax us any heavier." "If you had monetary reform you wouldn't have taxes except to pay hospital dues," he claimed.

"We should spend as many dollars on peace as we're spending for defence," concluded Mr Smith.

QUESTION PERIOD

In answer to the question as to how each candidate would solve unemployment: Mr. Smith said we must have trained personnel

Mr. Switzer assured that we must insure production and job return.

Mr. Torgersen said the answer is to put the people to work by planning and telling the people where to go. Though he did feel we should bring industry to Edson rather than the people to industry.

Dr. Horner answered that there must be a policy of development.

In answer to a question about separate schools Dr. Horner answered that education was primarily a provincial responsibility but that he felt something should be done about standardization across Canada.

A question to Mr. Torgersen about how many immigrants there should be was answered by saying that he felt we should put our own people to work first.

On audience Mr. Torgersen said everyone should have it.

Mr. Switzer in answer to the number of elections said that he wouldn't remain to a number of elections.

Mr Smith said we must remember that 13c million is spent in Canada and in part to circulation.

Mr. Torgersen said he wish ed the NDP could get a quarter of the $20 million, which drew a laugh. He also said he th ght his party should get equal time on the CBC.

Dr. Horner said he didn't think there should be a restriction on campaign funds where vast amounts of travelling was involved. He said he thought there should be more forums as it helped candidates hold down their expenses.

None of the candidates objected to the question as to the seating of Red China in the United Nations.

Mr. Smith said that he would like to see a tourist portfolio in Ottawa and that he was among those who fight for the Yellowhead. He said he understood the B.C. government have agreed to build one route if the federal government builds the other.

Mr. Torgersen reminded the audience that there were no oil wells in Ottawa in answer as to what he thought a best Social Credit doing a job in the federal field.

JANUARY HIGH

In rebuttal to what the NDP candidate said about the end of the year's production failing off, Dr. Horner quoted figures to show January was the biggest in Canada's history. He added that in the last few years Canada has been exporting more than we have been importing.

Dr. Horner said that he felt the essential thing in this election is to make sure that we defend our country, but also to make sure our decisions are Canadian decisions.

Mr. Switzer said that NDP leader Douglas has managed to promise more spending than all the deficits in recent years. He discounted the charge of obstruction by saying that the government just fell apart.

There was no important item of legislation introduced and it is the government who decides how it will be debated. This is a political crisis caused by indecision he added.

We in the West should also take a second look at Canada's who admires Mountbatt and Hitler and who would not fight for his country in time of war.

"I believe as most Canadians do," said Mr. Switzer "that we can't indulge in the folly of minority government in Ottawa."

ELECTORS OF THE EDSON AREA

It is only seven months since the last Federal Election. Normally an election is held every four or five years. What has brought this about? What are the issues in this election? Every Canadian should be concerned about this state of affairs. Come out and hear DR. HUGH HORNER discuss the issues in this election and the record of the Conservative Government. Your questions will be welcomed.

Gas-oil double header makes Edson hottest

"The hot Edson area is getting even hotter," says Oilweek in its end of March issue. The authoritative magazine of the oil industry gives a big play to the Edson area much to the satisfaction of we natives we have known there was gas and oil here all along.

The article says: "During the past week it (the Edson field) has yielded: (1) a second Cardium oil discovery, this one by Champlin Oil and associates; (2) a half mile northwest extension to the first Cardium oil strike here by Hudson's Bay (3) two more Mississippian gas wells."

"A total of six Mississippian gassers have so far been completed over a 12-mile front, rating this as probably the most important gas development of the year," says the Oilweek writer.

Significant thing to the magazine is that the new field is 65 miles northwest of the Pembina field and adjacent to the foothills belt.

April 2 was an lookout as being revealing as a 7,680 acre drilling reservation was to come up for sale.

The first gas discovery was made more than a year ago but information on the Edson wells are still being kept very "tight."

Latest discovery is Champlin et al Edson 12-10 11-ad 13 - 19 - 23 - 16 W5r The site is 12 miles south east of the Cardium oil discovery made by Hudson's Bay and six miles east of the Mississippian gas wells drilled by Hill and Hamilton Canadian Gas Company.

Two other gas completions are by the Hudson's Bay and Hamilton team at 10 - 19 - 53 - 17 W5 which is 3½ miles north east of their 11 - 14 discovery and another well at 11 - 2 - 52 - 18 W5

Subsequent to the discovery five drilling reservations and two gas licence blocks have been sold in the immediate area. All Edsonites will welcome the influx of people who will be finding out how good the field is

JASPER-EDSON VOTERS' CHOICE MONDAY, APRIL 8

DR. HUGH HORNER, Conservative — S. P. SMITH, Social Credit — W. A. SWITZER, Liberal — J. TORGERSEN, N D P

Yellowhead backers getting wide support

Recent developments regarding the proposed second Trans-Canada highway through the Yellowhead Pass to Kamloops have revived the optimism of those who have been working for this project for many years.

At his Edmonton meeting, Prime Minister Diefenbaker once again gave his promise of unequivical support for the Yellowhead Route. Earlier in the year he had given a delegation to Ottawa to understand that legislation would be brought forward for the establishing of a National Road Building policy. The government fell before this could be done.

At his Calgary meeting, Mr. Pearson added his support. The following is the report from Calgary:

"The Liberal party feels the Yellowhead route is the most obvious choice for a second trans-Canada highway, Questioned here Friday, Liberal Leader Lester Pearson stated his party's views hadn't changed from those stipulated during the election campaign last May.

"Our policy was for a second trans-Canada highway," he said, "and, to the west, the Yellowhead seemed to be the most obvious route for it.

"I'm not withdrawing from that at all."

A week ago on Wednesday Mr. Walter Perrier, President of the Edson Chamber of Commerce, and Mr. H. D. Meade, Edson Director of the Yellowhead Route Association, attended a meeting in Edmonton together with other delegates from other centres to attempt to iron out problems regarding divided support for the Yellowhead Pass route and the Howse Pass route. The statement released to the press as a result of this meeting follows:

"The federal government may be asked to enact a national road building policy by a number of Alberta Chambers of Commerce.

In a meeting held in Edmonton Wednesday of last week, Chamber representatives from Edmonton, Jasper Park, Hinton, Edson, Peace River Valley, Red Deer and Central Alberta agreed to ask their respective chambers to support a resolution asking for such a policy.

The resolution also called for construction of the Yellowhead Highway to be designated Confederation Highway, by 1967 The early building of the Howse Pass highway route was also urged with the provision that such construction should not jeopardize in any way commerce.

Continued on page 16

Obed railroad station sold

A familiar landmark at Obed will soon be disappearing.

The Grand Trunk station, built in the early part of the century, will be torn down and moved to the Peers district, where David Williamson of Edson plans to use the lumber to construct a farm home.

Mr. Williamson's bid on the station was accepted last week. It had been up for sale since October

Town Council ratify commercial light cut

Town Council this week ratified a reduction in commercial rates for the heavier users of lights in Edson

The new commercial agreement for Calgary Power customers within the Edson franchise area provides for commercial light to start at 5c per KW with a sliding scale down to 1.5c for bigger users.

For those who are able to figure out things like this users of more than 100 KW hours per kilowatt of demand will save as much as 25 per cent on their commercial light bills

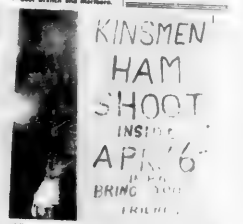
The agreement is only for commercial light and brings heavy users of light in line with the heavier users of straight power Residential rates are not affected as they have already come down to the low rate on a consumption basis

Easter Seal campaign halfway

At the halfway mark of the current Easter Seal campaign a total of $6,541 31 had been sent in to the various sponsoring service organizations by recipients of envelopes of Easter seals. The Alberta objective is 127,500.00.

Locally the three sponsoring groups and their returns to date are Jasper, $300 00 objective, Hinton, $25 00 of these $250.00 objective, Edson with $297.20 of their $600 00 objective.

THIS PICTURE does double duty at advertising. Taken in the window of the former Marlow Motors building in Edson it gets in a couple of licks for the Liberal party pre-election campaign and a single lick for the Edson Kinsmen Club, who are the sign says are holding a ham shoot inside the building.



More vote in Edson advance poll

The heightened interest in the nation's affairs was shown in the 83 ballots cast in Edson's advance poll last Saturday and Monday.

This was approximately 50 more than took advantage of the advance poll last election to exercise the democratic right of a vote.

The advance poll held in Edson covered polling divisions that extended from Wildwood and Nationford south-west to take in the Cool Branch and Marlboro.

Where to Vote

Three polling stations in Edson will accommodate voters in the town when they go to the polls next Monday, April 8. Polls are open from 8 a.m. until 7 p.m.

The Anglican Parish Hall is the polling station for Edson North. North-East and East. The United Church basement is the station for Edson South and South-East. The Legion Hall is the station for Edson North-West, West and South-West. Main Street (50th Street) is the dividing line of east and west.

Glenwood Hall and the old Trail School are the polling stations for Glenwood and Grande Prairie Trail residents.

Spring Signs

A sure sign of spring is the lonely cry of Canada Geese winging their way northward. They have been heard by a number of local residents.

Robins, blue birds and others of these fellow feathered friends have put in an appearance as well and are trying to warm the atmosphere with their happy songs.

Although snowy storms continue to crop up once in awhile the mid-week weather at least, had a real feel, sound and smell of SPRING

Home and School have busy meeting

The people attending the regular monthly meeting of the Edson Home and School Association on Wednesday night had a full evening. The program started with the showing of a film "The Teacher — Authority or Automation" dealing with the present "mass production" in education and the role of the teacher in the educational set up.

The film was followed by a short business session in which the following points were brought up: it was decided to let the executive deal with the resolution for the annual convention of Home and School Associations to be held in Edmonton in April.

On Saturday, May 11th at 1 p.m. a Regional Council meeting will be held in Edson in conjunction with a work shop for the entire region from Jasper to Evansburg. The public is cordially invited to come and take part in the program which should be most informative. Part of it will consist of a panel dealing with the Home and School Association at the local, provincial and federal level put on by the Edson Association.

Mr. J. Scott gave a detailed financial report on the adult education classes.

Revenue to date is $1284 and the expected revenue is $2150.00. Expected expenditures covering such items as salaries, use of facilities, leaving a possible surplus of $371.18.

Peak enrollment in classes was reached in February with 137 students. However this figure has declined by 30% due to sickness and change of address. This makes the reported surplus a very tentative figure as it would be considerably reduced if the present down trend in enrollment should continue.

Suggestion for the possible use of any surplus money made were: the awarding of a scholarship, re-imbursement to students. However it was decided not to make any definite plans at this time but to wait until the end of the school year when the exact financial position will be known.

The meeting was then turned over to Mr. N Aspeslet who talked on the proposed alterations to the arena. Mr Aspeslet has recently attended a workshop on recreation in Banff which catered to over 150 representatives from all over Alberta.

During the course of the workshop Mr Aspeslet became convinced that the Edson Recreational Board had the best co-operation from the Town and the School Division bar none in the Province.

He continued to give the meeting a detailed description of the new arena with the help of blue prints and urged those all to vote for this allocation when the plebiscite came up. One of the items he mentioned was the fact that last year there had been 97 skating days in the arena whereas with the establishment of artificial ice no such limited season could be guaranteed.

The arena will be made for all year use. The expected increase in taxes would be $2.00 for every $1000.00.

The meeting concluded with the showing of another film "The Test," a very excellent production dealing with the relative responsibility of the teacher and the parent in the moral upbring of the child.

Fuel or Water

By PASTOR SNOWALTER

Who hasn't at one time or another found himself served an un-tasty verbal platter?

Sometimes it is entirely uncalled for like getting an ear full from the wrong-number-dialer over the telephone before you are given a chance to identify yourself.

Most often it comes from faulty lines of communication; misunderstanding of intent or motive. This is like a surprise attack which requires an unpremeditated answer.

Too often we "get it" because of our mistaken and haughty — pure and simple. We are human!

No matter how it comes or why, our first response will cast the die for the next few moments, even for our eternity. What we say at that point will be like either fuel or water to the fire.

The wisdom of the Bible is precious discovery. "A soft answer turneth away wrath: but grievous words stir up anger."

Proverbs 15:1

"With gas you get service — no doubt about it"
"Any time I have had dealings with the Gas Company they have certainly made every effort to provide satisfactory service."
When you are the only Gas Company serving the residential customers in a community, the responsibility to give good service is great. Northwestern is very conscious of its responsibilities to give good service and extend service to new communities where it is economically practical.
We must also plan ahead so there will be plenty of natural gas for the future — and in all this, carefully control costs so we can continue to provide Alberta gas consumers - large and small, with the best possible gas service at the lowest possible cost.

Senior News and Calendar

Regular meetings Wednesday, at 7.00 p.m. at the Orphans' Home. All members are urged to be present.

Yellowhead Camporee at Jasper, May 18, 19th.

Yellowhead District Council meeting to be held at Hinton April 6th.

Alberta Jamboree to be held at Sylvan Lake June 30 to July 9th.

The District Court of Honour held at Hinton, March 27, decided that a Patrol Leaders' conference in the form of a camp to be held in Edson.

Last week's meeting demonstrated backwoods cooking as I guess that's what you call it, I wouldn't eat it myself. The boys were transported to the Scout Camp at Willmore Park where with some help from the Jeff hatchet and hunting knife the boys made a camp kitchen cooked their food and ate it.

Skipper and the boys wish to express their thanks to Ralph Wadey, Steve Rokavec, Elmer Abbt and Allan Dewhurst, who transported the gang to Willmore Park.

The awards will be sent out Sat., Saturday, April 6

Edson cadets shooting for Empire trophy

Cadets of the 1712 Edson Cadet Corps will travel to Hinton this Sunday to take part in the shooting competition with the Hinton Corps. During this competition the cadets will have their only chance to shoot for rifle qualifications before camp.

The bus will leave the Edson Legion at 9:30 a.m. Sunday and will return to the Legion Hall Sunday afternoon. Cadets are reminded that they must be on time as duration of the range practice is limited.

Dress for the occasion will be boots, battledress, and parkies on regular parade nights.

Scores will be submitted for consideration in awarding of the Youth of the Empire Trophy which is given once a year to one Canadian Cadet Corps.

Excitement is high among the 38 cadets who will attend Camps at either Vernon Brit. Columbia or Elgar Saskatchewan.

During the two weeks that will take a heavy toll on the Cadets who go to Elgar Lake Military Fundamentals. Those Cadets to Vernon will take advanced courses in specialized fields and will return as Unit Leaders or Cadet Instructors.

Careers Night set for Tuesday night

Edson High School's biennual Careers Night will be held next Tuesday night, April 9, at 8:00 p.m. in the High School auditorium and classrooms.

As in the past, teachers, parents and pupils will assemble in the auditorium to meet the various speakers. The speakers will then be assigned to various classrooms where they may be visited by interested parents and pupils. Teachers will act as chairmen.

There will be double reason so that parents and pupils may hear at least two speakers and ask them questions following their addresses. If parents and pupils wish to split up", they may hear more than two speakers.

Among the professions and occupations for which there will be guidance are the following: nursing, commercial, technological training, trade training, armed forces, teaching, university and civil service. Assurance has been reserved by Principal M. D. Meade that the nature of courses which will be available at the new technological school in Edmonton next September will be thoroughly dealt with by a competent speaker.

Local speakers will be invited to make themselves available for answering questions regarding such fields as banking and the R.C.M.P. The Supervisor of Guidance from the Department of Education will be available to answer questions of a general nature not dealt with by special speakers.

Edson has a reputation for excellent attendance on the part of both pupils and parents at these careers nights. It is hoped that 1963 will be no exception.

MD'I

Welcome Wagon comes to Edson

Mrs. Mary Gavin returned home from Winnipeg this week where she completed a course of training preparing her for the position of Welcome Wagon Hostess which she now holds in the community.

Welcome Wagon's approximately 9,000 Hostesses are making over a million calls annually on families in Canada, the United States, Hawaii and Puerto Rico. These calls on behalf of Welcome Wagon's 20,000 sponsors are made on such important family occasions as the birth of a baby, engagement announcements, newcomers to the community and other special family occasions.

Often referred to as a service which is "in the business of building friendships," Welcome Wagon's basic policy includes cooperation with all faiths and with worthwhile civic and social service groups. Welcome Wagon has been cited for its volunteer service and achievement by such organizations as the Canadian Red Cross, the Heart Association and the Canadian Cancer Society.

Mrs. Gavin with her basket of gifts, will extend her four sponsors here in Hinton, the old fashioned hospitality for which Welcome Wagon is so well known.

HUGH HORNER

and

JOHN DIEFENBAKER

for CANADIANS

The crucial question in this election — 'Who is going to govern Canada...big interests or the ordinary man, foreign interests or Canadians?"

John Diefenbaker believes that Canadians have a right to make their own decisions, whether on nuclear weapons, foreign trade or foreign aid. We have a right to decide what is best — for Canada today — and for Canada in the future.

Conservative Program Of National Purpose

1. Achieve a sense of national unity and purpose.
2. Continue economic growth. Over one million new jobs; new re-training and re-allocating facilities for workers displaced by automation; a new budget to stimulate economy, increase production, sales and exports.
3. Urban re-development
4. Develop our natural resources of water power, for both domestic and export use.
5. Expand our national agricultural program, provide credit for agricultural export sales, stabilize farm prices, promote better land use and conservation through ARDA, and use surplus farm products to support the World Food Bank.
6. Increase vocational training
7. Extend social security and set up portable pensions with survivor benefits, extend family allowances to school children up to 18.
8. Continue to lead the world in striving for peace and disarmament.

MEET DR. HORNER AT PEERS, Friday, April 5, 2:15 p.m. Dutch Reform Church.
EDSON, Friday, April 5, 8 p.m. Legion Hall —
Guest Speaker, Hon. Marcel Lambert, Minister of Veterans' Affairs

SATURDAY, MAY 11 — Mothers' Day tea, apron and bake sale from 2 to 5 in the I.O.O.F. Hall. Sponsored by Welcome Rebekah Lodge.

Over organized sport National problem

By ROBBIN FRAZER

We must take off the blinders that sport is the only way of enlivenment," said Gordon A. Wright National Director of Physical and Amateur Sport addressing delegates at the Fourth Annual Workshop for Municipal Recreation Boards last weekend at the Banff School of Fine Arts.

"Fitness goes beyond the physical and includes the mental" said Mr. Wright. Between classes he was busy with an olympic survey of the Banff-Lake Louise ski slopes. "We need some new concept as to how to get enjoyment out of act. ity." Each individual should achieve breathlessness at least three times a week. You waste your time if you don't push to at least 80% of your potential — beyond that you reach fatigue, which is why many games are lost."

"FITNESS" was the theme of the workshop sponsored by the Recreation and Cultural Development Board, under direction of J. W. Riddell, Provincial Acting Supervisor of Community program. It was attended by one hundred and twenty delegates from 36 Alberta communities. For the first time, the Workshop was joined by forty delegates from the Alberta Recreation Association, headed by President Jack Seddington.

Attending the Recreation Conference from Edson were Nigel Aspeslet, chairman of the Edson Recreation and Cultural Activities Board and Mrs. Laura Mahon a member of the Provincial Recreation Board.

"Cheerleaders are Fun" was proven by Ted Van Steam. Three Hills Superintendent of Recreation, to before-breakfast sessions in the Banff School's Tunnel Mountain Auditorium.

Keep fit inspiration was provided by adults and free standing exercise demonstrations by Edmonton swimming instructor Bonnie Jerome and the city's Carsten Carlson who recently received the Provincial Gymnast Championship.

Resource speakers who gave worthwhile direction to your Recreation Boards included Jack Worsfold Supervisor Area Directors, Calgary Parks & Recreation Department speaking on "Calgary School and Community Centres".

Brian Andrews, Edmonton Supervisor of Maintenance dealt with Faculty Upkeep and Operation", Charles A. Harris National Executive Secretary Canadian Youth Hostel Association stimulated interest in hostelling reported hostels are active in 23 countries and there are 10,000 in Canada.

Edmonton's Fitness and Amateur Sport Survey Committee was represented by A. W. Pettigrew, Assistant Superintendent Parks & Recreation Department, David Critchl, Council of Community Services, Dr. D. W. Smith and Audrey Carson, University of Alberta School of Education. Lionel Fournier sid Mrs. Isobel Seaman.

"Gal" Gilmet, Red Cross Director Water Safety Service announced the first Pool Manager's Conference to be held in Calgary in May.

Theme speaker Gordon Wright said "Fitness is a self improvement program. "Competition discourages participation — to learn a skill you must participate — not to listen to someone else. They killed lacrosse here. I have seen square dancing killed the same way. Now they are killing hockey. Recently on Saturday I saw the best hockey I have seen in 25 years. Sportsmanship and skating were fantastic.

If colleges can cut the rough and tumble and play international rules, we can put hockey back where it belongs and I'll drive a hundred miles to see it. Parents are running hockey — projecting their own ego trends into clubs. If you want to bring hockey back, put a puck on the ice with a few hundred kids.

We need to find procedures of putting skill back into hockey, to get the 14 to 16 year olds interested - they are sick of waiting in the arena for a few minutes on the ice.

Haddock Happenings

Congratulations to Mr and Mrs George Pribe who celebrated their twenty fifth wedding anniversary on March 30 with a family gathering. Mr and Mrs G. Hoggatt and family of Edmonton and Gary Pribe of Stony Plain were home for the occasion.

Mr. Milner has returned home after a protracted stay in the University hospital. All his friends are hoping that he will continue to be well.

The dance in Shining Bush Hall on March 30th was well attended. All reports are that it was a very enjoyable dance.

Nels Sundset is doing Tom's job at Trout Mountain B.C. He has a new Chevrolet half ton truck and will be home for a week.

Mr. and Mrs. Roy Turney and Chester Armstrong made a hurried trip to Edmonton at the beginning of the week. Mr and Mrs Turney remained in town. Roy is in Edmonton hospital with gallbladder trouble.

John Forester of Edmonton has been drilling a well all week. He would have completed the casing on Monday if for two and one half hours the power hadn't been off. He is to drill a well for Ben Neale when he leaves Hadcocks.

Jim Peach accompanied Glen and Ted Heffernan to Edmonton last week and returned Monday with an international tractor. He had a little bad luck while unloading it. The tractor rolled off backwards and stood on the rear wheels. No damage was done however except a bent hitch.

The white drive at Pulhams school on March 30th was not a success. No one turned out except two families who said after noon o'clock.

The flu bug has been getting in his innings around here. Mr. Hoggatt the grader, and 6 teachers at Pulhams has just returned to work after a week's absence due to illness.

Fred Johnston is recovering after a two week siege o the flu.

Communities have now come to realize that recreation does not only concern itself with facilities, but also problems of good leadership and programing these facilities Mr Hahn said.

A firm believer that recreation must grow out of the community — not from the Government, that it should come "from the bottom up" — he applauded the stimulating first" he observed "but now communities are stimulating us. We have enough requests to keep us busy for the next five years."

There is a definite lack of leadership said Mr Wright.

Municipalities, local and provincial governments are going to have to show some type of team play in training of top flight instructors. We need to look at our methods of teaching — whether play ground, school or camp To have fit leaders, there must be the right kind of leadership — we need quality programs, and you will not receive quality for substandard salary Plan Do not organize the point of inertia)

FOLLOWER OR LEADER?

Most Albertans would rather take the lead than "follow the flock"!

Other provinces which have adopted government power monopolies have done so because of conditions which do not exist in Alberta. Those who want to see the same thing happen in Alberta say, "They've done it. So should we."

Does this political argument make sense? Does it mean we should "follow the flock" in other ways too? Because we have no provincial sales tax in Alberta, does this mean we should impose one?

Overseas, some of Canada's important trade competitors have realized that government-owned electricity is a costly mistake, and are restoring free enterprise utilities. In the United States, with the world's highest standard of living, 80% of all electricity is supplied by investor-owned companies.

Let's take the lead in Canada, and keep free enterprise free!

Restore Confidence In Canada
On April 8th, Vote LIBERAL
... Vote BILL SWITZER for JASPER - EDSON
Help get Canada going again by supporting the Liberal Party's dynamic program for Canadians:
L. B. PEARSON
ECONOMIC ENTERPRISE
to help solve the Unemployment Problem
1. Public enterprise in construction, especially by municipalities: streets and sidewalks, sewers, better water supplies, removal of slums, low-cost housing, better public transit — properly financed by self-liquidating loans
2. New industry encouraged by tax incentives, more plentiful credit, adjustment grants backed up by expanding trade
3. Job training and re-training, with student allowances, scholarships, a loan fund for university students
SOCIAL PROGRESS
for the good of all our citizens
1. The Family Farm: Help to farmers, individually and in co-operatives. Programs for land use, farm credit, crop insurance, water conservation
2. Health and Social Security: Full doctors' services without charge for those who are not working, notably children and old people. For those who are working, assistance in the payment of doctors' bills. For our senior citizens, health care and housing. For our working population, fully portable pensions.
Help Canada regain good stable Government

Teen and Herd

Two more of our popular Grade XI boys have left school. Ted Green plans to join the Army and Peter Dupre—and his parents—have moved to Edmonton. Ted has recently received his Lieutenancy in the Cadets. We'll miss Pete— who else could look so good in such get-ups?!

☆

The Queen candidates have been nominated and the following girls will be in the running—Joyce Jensen the only nominee from Grade XII, Nanda Craig, Connie Erickson and Barbara Marshall Grade XI, and Judy Yandall who is not going to school.

Eight boys and girls have been nominated for "Outstanding Teenager." The grade XII candidate Hope Morgan. Grade XI candidates are: Teddy Worton, Wayne Mitchener, Rick McCardle and Louis Stuper. Grade X candidates are Dawn Pfannmuller, Wayne Mallet and Joan Strongman.

The Queen candidates will attend a tea on Wednesday and on Friday the outstanding teenager candidates will also attend a tea

☆

Our slave sale had to be postponed last Saturday due to the weather. However we have planned a bigger and better one for this Saturday. All you voluntary slaves be sure to show up for the auction in the Marlew modern building at 1:00 a.m. Saturday.

☆

Junior high boys and girls had a real break Tuesday. Mr. Smalanich took his Phy. Ed. Class curling. Bet some kids wished they hadn't stayed home.

☆

Kinteen sweaters will be here on Friday There'll be some pretty sharp looking teenagers strutting around with their new sweaters.

☆

Rick is happy, his mom finally returned from Las Vegas Hi Mom! Win any money?

☆

Hear there is going to be a new pool hall in town. We shouldn't be late getting home for supper when the pool hall is ready Lots of tables for everyone

☆

Notice any queer sounds at night lately? That's wild geese honking their way north, a sure sign of spring. Why doesn't someone have Rick to shovel dirt? Three husky boys got weighed on Sunday, Rick sure needs the exercise.

☆

We think the Kinteen Slave posters outnumber the pedal posters seen around town and we aren't just prejudicy either

☆

The Queen's Ball isn't going to be the swanky affair of former years. Lacking the necessary "moola" we can't afford an orchestra from Edmonton to add glamour to the occasion... But who cares" Maybe a local orchestra will donate their time — if not there's always records. Just as long as everyone turns out on Friday to greet our new Queen and outstanding teenager it will be a success. See you at the ball!

☆

The Junior High boys and girls basketball teams didn't do so well at Niton on Tuesday — lost both games. Watch them next basketball season tho. Some good players in the making. It's spring.

IN MEMORIAM

For my Dad Mr. Ernest V. Stone who passed away at Kinton April 7, 1961
He was just a plain dear Dad,
With a loving smile each day,
Always trying to do for others,
As he journeyed on his way.
To those who have a Father,
Treat him with love and care,
You'll never know his value
Till you see his vacant chair
Lovingly remembered by
Alf and Mary Ford

ELECTORS OF THE EDSON AREA

It is only seven months since the last Federal Election. Normally an election is held every four or five years. What has brought this about? What are the issues in this election? Every Canadian should be concerned about this state of affairs. Come out and hear DR. HUGH HORNER discuss the issues in this election and the record of the Conservative Government. Your questions will be welcomed.

PLACE: Legion Hall, Edson
DATE: Friday, April 5th
TIME: 8:15 p.m.

GUEST SPEAKER
Hon. Marcel Lambert
Minister of Veterans Affairs
(Speaker in the last House of Commons)

GUEST SPEAKER

Re-Elect Dr. Hugh Horner

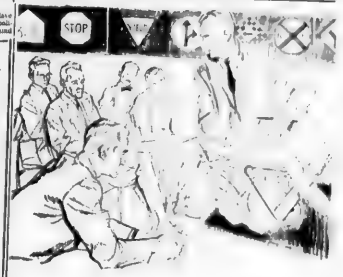
(Authorized by the Jasper-Edson Progressive Conservative Association)



Teaching the teacher

EXPERTS TELL US that almost 90% of all automobile accidents are directly attributable to human failures of one kind or another.

Modern technology has succeeded in making todays cars and roads about as safe as can be. It is time for drivers to catch up—through driver safety training. (Only this type of training will teach young drivers the kind of "safety-thinking" so essential to safe driving.) But training requires teachers, and teachers themselves must first be taught.

That's why the auto-body insurance business as a part of its national program of promoting safety education for the young drivers, pays the costs of the annual Driver Training Education Program conducted by the Canadian Highway Safety Council for teachers in many parts of Canada

Easter program open to all

A welcome is extended to all who love the beautiful music of Easter, to attend the Easter program to take place next Tuesday evening in the Christian Reformed Church.

A 35 voice choir from Ed monton will be in Edson especially for this program.

Plan to include this in your Easter week observances. The program starts at 8:15 p.m.

DROSTAN NEWS

It seems as if half the community is going to or returning from Edmonton these days. Among them are:

Mr. and Mrs. Nick Miluck and Paul who drove to the city on Thursday.

Mr. Joe Bruns who drove out to spend the weekend with his family here.

Miss Mary Drobinski who was to the city last week.

Mrs. Amy Hauhi who returned home after a visit with friends and relations in Edmonton and district.

Mr. and Mrs. Paul Borowski and family were over from Wolf Creek for a visit with Mr and Mrs. John Groshko on Sunday.

For two cents I'll leave town.

Don't go away mad.
Just go away. In a Volkswagen.
You'll come back smiling on the money you saved going. The Volkswagen averages 38 miles to a gallon of gas. In fact we've heard a few owners claim 20 mpg. (They're either very good drivers, or a little weak at mathematics.)
The Volkswagen is small change in other departments too.
For a start, the oil never needs topping between changes. And even when it is time for a change, two and one-fifth quarts will do it.
When it comes to the cooling system, your expenses come to zero. The radiator can't boil over or spring leaks or freeze up because there is no radiator. We cool our car with air instead of water.
On a long trip your thoughts may turn to service and replacement parts. Don't worry. You can be miles from nowhere and still find VW service. (We have 346 dealers right across Canada.)
As a matter of fact, why not test drive a Volkswagen at your nearest dealer now? And sleep it only costs him a couple of pennies, fuel free to boot for the city limits.

CANADIAN ELECTION ISSUES

The affairs of Canada and some of the basic issues have had a good airing during this election campaign. We think probably there are more Canadians thinking about where their country is going than at any time since Confederation. Canadians have almost all the choices you can get in a democracy, from socialism to just to the right of the middle of the road. The only other choice we could have is extreme right wing John Birch thinking which we don't seem to have.

The NDP say we're behind other countries in bringing in the welfare state. But compared to the US we're living in a socialist paradise. The Liberals say other countries have lost confidence in us. We doubt very much if our big neighbor to south has lost confidence in us. We suspect they never had any in us. We didn't jump when Castro got some Russian missles but they didn't jump when Hitler invited Poland either. We think probably the spate of magazine articles on Canada will have nothing but a beneficial effect on the States as they more pay a little more attention to us instead of taking us for granted.

The only man this editor personally knows who has been outside this country in the newly developing countries (our own member of parliament) is emphatic that Canada's position is very high in Afro-Asian countries. Even Britain had to be taught once again that what was good for the head of the Commonwealth was not necessarily good for Canada. This then clarifies one of the most important issues we have to decide. Who is going to decide what is good for Canada — obviously it must be Canadians.

These issues for Canadians to decide have been presented by four leaders who are competent in their appearances before the Canadian public although only one Mr Diefenbaker, has held the office of Prime Minister only one other has a chance of being PM Mr Pearson one Mr Douglas has been a successful provincial premier, and one Mr Thompson was apparently a successful advisor to Ethiopia's government. The struggle has essentially been between the leaders of the four parties. The luck of the Conservative party knew that John Diefenbaker's leadership brought them from the political wilderness with his "vision" and apparently the rest of the country with the exception of Quebec are going to again remember it.

The objective of "stable" government can obviously only be attained in either the Liberals or the Conservatives winning a majority. A vote for either of the others will ensure in all likelihood another minority government with probably the Quebec Social Creditors making demands according to their lights so either one of the old line parties can remain in power.

Canada's Prime Minister after April 8th will have to be a major compromiser as have all great Canadian Prime Ministers John Diefenbaker has the ability and experience to best handle that eventuality, but still have the sternness of a leader when his bluff is called.

In Jasper-Edson the best member we have ever had qualifies on these two counts — he's a member of one of the two major parties, and he has the political experience in the federal field to qualify him as an excellent representative for our constituency.

Letters to the Editor

Since a recent trip to Mo[illegible] mention and a friendly encounter with two elderly ladies whom we had never seen before, we can't help but wonder if there is some special means of identification surrounding Edsonites.

Although we merely occupy a spot in the vicinity of these two ladies — and suggest one another — recognized us as Edson folk.

We were having coffee in a popular Dept. Store Cafeteria when the lady on my left said, "Do you by any chance come from Edson?" She went on, "I lived there many years ago and I've been looking at you out of the corner of my eye, and wondering".

This lady did not tell me her name. I asked but she was hard of hearing. I'm happy to say the other elderly lady did divulge her name and asked us to give her regards to all who might remember Mrs Campbell. She moved away from Edson 40 years ago.

Her husband, who passed away last year at the age of 88, was employed with the CNR.

Mrs Campbell deplored the sense we took up a homestead in the Rosevear district and became a self-supporting farmer. Her dearest friend and neighbor, Mrs. Fred Pearson, who met so long ago, so Mrs Campbell tells us.

She admits being 88 years old and feeling wonderful. Says she spends a great deal of her time at Edson because she quite often meets old friends and former neighbors.

What still baffles us — neither of these ladies ever heard the other ask if we were from Edson.

Did this ever happen to any of you fellow Edsonites? It never happened to us before, not even when we lived in Turner Valley where there was plenty to identify us.

Edsonite.

Dear Editor:

There must be many wives or consecutions people in Canada today who have become increasingly alarmed and disturbed over the type of hard self election propaganda we have seen exercised in the last three elections.

Campaigns where the old parties, especially, have spent and are spending millions of dollars to "sell" candidates and party candidates and parties.

It appears the old days are gone when the Canadian voter could sit down quietly and assess the merits of a political party's policies and performances in the cold hard light of truth.

Instead we are bombarded from all sides by TV and radio broadcasts, newspapers and campaign literature in the best American "hucksterism" of tradition of "selling" a candidate and his party.

If the performances of past Liberal and Conservative governments had measured up to their promises they would not have to worry so much but about preserving the two party system of Canada we wouldn't have to spend millions of dollars to try and persuade the voters of the necessity of a "stable" government of Canada is to have "good" government. Then the only way it can be achieved is to send down to Ottawa men of integrity and principle, who will declare themselves to be task of governing the country in the best interests of all its people.

If we elect men to parliament simply because their parties have more money to spend "selling" them to us

CAPITOL REPORT

SESSION ENDS AS ELECTION FEVER SETS

BY JOHN WARREN

The fifth session of the 14th Alberta legislature prorogued Friday after 31 sitting days and the promise that an election would be held before the year end. There were 80 pieces of legislature written into Alberta law at the end of the session

It was marked by the death of Rev Hon. Peter Dawson, speaker of the legislature since 1937. The member of the Little Bow seat since 1935, Mr. Dawson had held the Speaker's post longer than anyone else in history of the British Commonwealth. He died suddenly of a heart attack, five days before the session ended, at the age of 78.

Members Tuesday elected Arthur Dixon, member of the Calgary south-east since 1962, to the Speaker's chair.

The most publicized piece of legislation passed at the session was the Treatment Services Act, which provides for a government subsidized medical care insurance program.

Other key legislation dealt with the long-heralded reclamation council, municipal zoning bodies and procedures, accreditation for large school districts, and a variety of changes in the vehicles and highways traffic act and the game act.

The legislature also approved a record budget which calls for spending more than $373,000,000 in the 1963-64 fiscal year. The budget for the first time surpassed that of British Columbia, making Alberta's government the biggest spender west of Ontario.

Largest spending department is health at nearly $80,000,000 including $1,000,000 for a start on the medical care insurance program, which should be completely detailed in July, and go into operation in October.

It calls for the government to assist families under a certain income level, with payment of their health insurance premiums.

Health Minister Dr J. Donovan Ross said during the session it would probably affect about 300,000 of the province's 1,300,000 residents.

The precise income levels at which it will apply and the varying amounts to which the government will subsidize the persons affected have yet to be decided.

☆

Of particular interest to rural areas was legislation providing for establishment of a provincially operated police force whose members would be trained by the province and then loaned to rural municipalities on request. The northern development council, to advise the government on problems in the vast area which includes the Peace River, Athabasca and Lac La Biche constituencies, was also formally established.

The four most opposition failed in its two major moves. It sought a Royal Commission to study problems between property owners and oil companies and attempted to have the medical care bill delayed until it could be studied at a special session of the legislature next fall.

Ernest Watkins (PC — Calgary Glenmore) termed the Treatment Services Act the most shocking piece of legislation introduced at the session and said it gave the cabinet far too much authority to decide the terms of the scheme without referring to the legislature.

☆

Under the reclamation bill a series of of reclamation councils would be established to investigate complaints, primarily expected from land-owners, about the condition of abandoned mining operations sites. They would operate on the municipal level under the direction of a senior council centered in Edmonton.

The accredition bill sparked the last major debate of the session. It would permit school districts with more than 10,000 students (only Edmonton and Calgary at present) to withdraw from the foundation program of education financing and "go it alone" to a large extent in raising money and setting their own curriculum.

Mr Hanson questioned Education Minister A. C. Aalborg extensively on the possibilities of rural areas suffering both financially and academically. Mr Aalborg agreed there would be advantages in the form of more and broader courses for city students said these exist to some degree now. He emphasized that accreditation could have no adverse effect on the standards that now exist in rural areas and are steadily improving.

The bill dealing with zoning is designed mainly to eliminate red tape and confusion from zoning and planning legislation and to place the authority for rulings more squarely in the hands of local elected officials.

HUMOR COLUMN

What's the trouble Gene?
"Very much bored Dave."
It's sorry" moaned Gene.
"I've not a rag case to worry."
"What's your" asked Doug.
"A coke, thanks."

☆

Magistrate — "This silver pays you and your wife had a scrimmage."
Defendant — We did a spot fence but they were all here."

☆

Limited and candidate's personal expenses are rigidly controlled in every riding in Britain, political parties are given free mailing privileges to send one election document to each voter.

The same could be done here with allowances made for large rural ridings where candidates expense are naturally higher. If necessary, arrangements could be made to give each political party a limited amount of free time on TV and radio.

If but were done, the Canadian voter wouldn't be so confused and bewildered as many appear to be this election. Maybe that way we can get back to assessing political parties on the basis of policies and performances.

Thoughts it

The editor was interrupted by his secretary, who said, "There is an outside lady wants you to ring you re[illegible]."

"What does she do?" said the editor. "Is she happy in advertising his right arm into the lion's cave to parade pictures."

"That sounds interesting," said the editor. "What does he call himself?"

"Lefty."

☆

Tunnie — "Do you know when that young farmer tried to kiss me? He told me he had never kissed any girl before."

Bessie — What did you tell him?"

Tunnie — "I told I was no agricultural experiment station."

☆

Politician — "Did your paper say I was a liar and a scoundrel?"

Editor — "I did not."

Politician — "Well, some paper said so."

Editor — "It may have been a contemporary down the street. We never print such news."

☆

Expert: An ordinary citizen away from home, giving advice

☆

Political Orator — "Yes, I have heard the voice of the people calling me to duty."

Heckler — Maybe it was an echo."

Drivers Pro and Con

By FERN ICE

Having recently covered several miles of extremely icy road — as a passenger — we had ample opportunity to observe the antics of half a hundred drivers.

First to attract our attention was an elderly man in an ancient car. This driver was nervous and not ashamed to admit it. He ambled two of the three drier tracks and driving very slowly managed to stay right side up even though he did make it a bit tough on those forced to meet or pass him.

The second noticeable chap was a youth. He kept to his side, a mile too close to the ditch for comfort and driving a few miles per hour faster than we considered wise, taking everything into consideration; but this driver was no threat to the rest of the traffic.

Then barreling down the highway came Mr. Prime Of Life. He too had taken over the dry tracks which meant that his hood ornament had a dead bead on the white line. With his hat tilted rakishly over his left eye his Nibs was hitting 70 at least. He was passing places in a hurry — let the chips fall where they may.

Now this one is going to hurt. It is absolutely painful but tell it we must. The worst offender of the lot was — heaven forbid — a woman.

This gal and a women companion climbed into their car — more covered car we might add — started the motor and shot down the driveway in reverse. This in itself was O.K. since the car was in a driveway and headed toward the garage. Anyway Madam skinner shut down that drive-way but failed to stop before shooting right out into the busy traffic. Our passenger's side barely escaped with its original contour. The car behind managed to stop, so actually no harm was done but please watch it gals.

These things do nothing to improve our reputation as drivers.

Around Parkland Lodge

Thursday, April 4, 1963 — EDSON LEADER — 13

Another month is gone and we are all wondering if spring will ever come.

A sad note in our home is again when J Hector Lang passed away and we sympathize with his nephew J Gerhardt also a resident in the lodge.

Four birthdays were celebrated in the usual way this month Peter Sorensen (here Peter Andy Braaten and Alex MacDonald.

Mr S McCardle, Albert Mathieson and Mrs. M Kolbuc are in hospital and we all need our best wishes and hope they will be well enough to return home.

Elsewhere in the issue of the day and if you are in doubt who to vote for, ask Jim Chal

IN MEMORIAM

In loving memory of our dear brother-in law, Tommy E Robertson, who passed away April 6th, 1962.
We do not need a special day.
To bring him to our minds.
The days we do not think of him
Are very hard to find
They say that time heals all sorrow
And helps us to forget,
But time has only proven
How much we miss him yet.
Always remembered by
Nels and Helga Oman

longer. By the way, will you please send a car or two on election day as some of the guests would like to go out and vote.

Peter Baron is back with us again after three months in Edmonton. Mr and Mrs C Haight are guests in the lodge for a short time and we hope that they have enjoyed it enough to come back next winter. Mrs L. C. Penn has joined the happy family, she is from Buxton, and we trust she will enjoy the home.

Several farewell parties were given in honor of Mrs. Harward and she wishes to thank everyone for these best wishes extended to her.

One of the guests who is quite a witty character when she chosed the beautiful clock the home will continue to be remembered by. Mrs. Harward, healthy and happy

Niton Community club present successful play

The adult play, "No Bride for the Groom" presented by the Niton community society on March 29 in the Bat... Central Auditorium was a tremendous success.

A capacity crowd of well over 200 people enjoyed an evening of laughs while they saw friends do a fine job of acting in a farce comedy.

The following is a list of the cast for the play: Boss Selly, Sharon Cundiff, Belinda Grant Mrs. F. Resech ...nk Prinsy Paluta, Beth Hill ... Dick Claborn, Dot Kjellan, ...bell, Irene Mercopolis Lake, Little Lary Robinson, Sally ...mond, Maureen Hillis, ... Hoots, Ken Wild, Carrol ...Clerk Herbert Prindel, Metro Kondrak, Squire Digby, and Prindel Harvey Setzer, Tom ...swanton Dick Vallee, Percy ... The prompter was Wayne ...kondrak, make-up by Mr. C. H. Pulloch, director, Mr. G. Hamm, posters Dot Kjellan and Maureen Hanson, in charge of props, Mrs. Peter Setzer.

The Niton community society wish to thank all the above people for a good job well done.

The Niton community society also owe a big vote of thanks to the following people who helped make this evening such a success Mrs. Harvey Setzer Mrs E. Peterson who made and served lunch; Mrs. Maureen Hanson who did many evenings of baby sitting, Mrs. Maureen Hanson and Mr. Fred Beresheuk who sold tickets at the door Mrs Peter Setzer and Mr. Peter Setzer who helped back of the stage. A special brg thanks you goes to the Edson Leader who gave publicity, to all those we helped setting up the flats.

With the co-operation the Niton community society is receiving from all its members of the surrounding ...

AS I SEE IT

By PASTOR B. HURD

Some people ask me how to read the Bible — I shall give a few suggested helps.

1 When in sorrow, read John 14

2 When men fail you, read Psalm 27.

3 When you have sinned, read Psalm 27.

4 When you worry, read Matthew 6:19-34.

5 Before Church Service, read Psalm 84

6 When you are in danger, read Psalm 91

7 When you have the blues read Psalm 34

8 When God seems far away read Psalm 139

9 When you are discouraged, read Isaiah 40.

10. If you want to be fruitful, read John 15

11 When doubts come upon you, read John 7 17.

12 When you are lonely or fearful, read Psalm 23

13 When you forget your blessings, read Psalm 103

14 For Jesus idea of a christian, read Matthew 5.

15 For James idea of religion, read James 1:19-27.

16 When your faith needs stirring, read Hebrews 11.

17 When you feel down and out, read Romans 8 31-39

18 When you want courage for your task, read Joshua 1.

19 When the World seems bigger than God read Psalm 90.

20 When you want rest and peace, read Matthew 11:28-30

22 For Paul's secret of happiness, read Col. 3 15-17

23 When you have home for labor or travel, Psalm 121

26 When you grow better or critical, read 1 Corinthians 13.

25. When your prayers grow narrow or selfish, read Psalm 67

26 For Paul's idea of Christianity, read II Corinthians 5 15 19

27 For Paul's rules on how to get along with men, Romans 12

28 When you think of investments and returns, Mark 10 17-31

29. For a great invitation and a great opportunity, Isaiah 55.

30. For Jesus idea of Prayer, Luke 11:1-13.

31 For the Prophets picture of worship that counts, Isaih 58:2-12.

32 For the Prophet's idea of religion, Isaiah 1:10-18. Micah 6:6-8

Why not follow Psalm 119 11 and hide some of these in your memory ...

CARD OF THANKS

The Minetes wish to express their thanks to all mothers and other individuals who helped to make the 1963 Kinnow carnival a success

IN MEMORIAM

In memory of Thomas S. Robertson who passed away April 4, 1962.

"One year has passed since that sad day,
When one we loved was called away
Memories linger and remembered
By his mother and nephew, Elin and Walter Peddle, Yorkton, Sask.

April comes with deep regret
It brings a day we shall never forget
He left us suddenly, his thoughts unknown
But he left us memories we have treasured to own
Lovingly remembered
By his sister and nephew, Elin and Walter Peddle, Yorkton, Sask.

Joke of the Week

"I'll never get bit again before we ban it."

Yellowhead Backers get support

Continued from page 1

...ward completion of the Yellow-head route."

At the meeting addressed ...ers and officials in the Jas-per-Edson constituency a week ago Tuesday, each in turn pledged his wholehearted support to the completion of the Yellowhead highway as elected to office.

Greatest misgiving has been felt in some quarters regarding the cooperation of the B.C. government. There was some fear that Minister of Highways Gaglardi had too many political irons in the fire in trying to satisfy people with highways in all parts of British Columbia.

However, a news report repeated twice on TV on Monday night of this week quoted Premier Bennett that all contracts for the Yellowhead route from Jasper Park to Kamloops would be let by 1964.

This statement, together with those quoted above, gives very great hope that "Confederation Highway" through the Yellowhead Pass will be completed by 1967. This suggestion had already been made to Prime Minister Diefenbaker by President William Haworth of the Yellowhead Route Association Mr Diefenbaker had indicated that it would be a very fitting project for completion for Canada's Centenary celebrations.

At a recent meeting at the Calgary Chamber of Commerce, addressed by Mr. Haverstein, that body also agreed to support the request for the completion of the Yellowhead highway by 1967. The members further suggested that it be called "Centennial Highway" rather than "Confederation Highway."

At a meeting held in Edmonton last Saturday preliminary plans were made for holding the Annual Meetong of the Yellowhead Route Association in Edson on May 18. It is hoped that by that time CNR service from the west will bring the delegates from Kamloops, Blue River, Valemount, etc., into Edson at an earlier hour in the morning.

IN MEMORIAM

SMITH, York'o — In loving memory of my dear husband who passed away April 11, 1962

His smile has gone forever
And his hand we cannot touch
But we shall never lose the memories
Of one we loved so much.
Ever remembered by his loving wife Jane

N. E. S. and YOU ...

The appointment of K. C. MacLean of Moncton, N.B., as assistant regional director of the Unemployment Insurance commission was announced Friday by W. C. Stewart of Winnipeg, prairie regional director of the UIC.

Mr MacLean, previously in charge of administrative services for the Commission in the Atlantic Region, succeeds Stewart in the assistant director's post. The position became vacant with promotion of Mr Stewart to prairie regional director, following the transfer of L. T. Fraser, regional director, to the Pacific Region.

Mr MacLean joined the UIC in 1948, following discharge from the armed services overseas. He first served in the National Employment Office at Sydney Mines, Cape Breton, as an employment and claims officer. He was later manager of National Employment Offices in Cape Breton, Newfoundland and Nova Scotia. Mr. MacLean served as an area supervisor of five offices while in Cape Breton, and, when National Employment offices were first opened in Newfoundland in 1949, he was appointed manager of the office at Corner Brook.

Niton REA hold annual meeting

The annual meeting of the Niton REA was held in Niton Central School on Wednesday evening March 27 There was a fairly good turnout with approximately 50 persons being present.

Officers elected for the coming term were R Brad-ford, F Burkenhagen, Anton Dickson, Albert Goodale, Wm Wigley, D Christensen, E Strauss, T Sulatycki and P McCormack.

Mr Anderson of Penn Electric gave an enlightening address on private enterprise in regards to power lines.

Mr Henry Young of the Farmers Union countered Mr Anderson's with an address on public ownership of power lines.

Robb and Branch News

Spring must be just around the corner as former residents of the Branch are returning every weekend to their fair-ilar haunts.

Messrs. George Ostachej and Farren Bailey of Edson last week weekend guests at the home of Mr. and Mrs. John Ostachej Jr of Cadomin.

Mr. and Mrs. George Phipps of Edmonton motored out for a visit at the Gary Conner home. They were expressing welcome as they brought Mrs. Conner and son home after a visit in the city.

Mrs. Denise Hinglin spent Friday night at Cadomin with Cheryl Mallery.

Howard Sherry sure had the "luck of the Irish" when Sun Saturday night as he won 1st prize at the cribbage tournament at Robb Hall. Gary Goine won second, but Mr. Carda was the door prize.

Mrs. Howard Sherry and daughter Susan returned from the city on Sunday

Mr. John McRitchie has returned home at Cadomin, having been away most of the winter.

Jerry Harold I had you till sent home to Penticton, but your sportsmans paradise this something which seems to re very near and dear Regard less if it does come for three days and months At least we can say we have a clean bed.

Mr and Mrs McClure are spending a few days with their daughter here They have been employed at Wagner's

several of the district men who are employed elsewhere were home for the weekend Among them were, Messrs. Heit, Van Hee, Hokannen, Anderson and Thorbak

Mr. Ray Trimble arrived on the bus Monday to spend some time with his daughter and son-in-law and family, Mr. and Mrs. Blessal of the "Robb Shopping Centre".

Mr. and Mrs Joe Schwing Jr. were visitors to the city on Monday.

It sure will be nice once the election is over. With all the promises made, if fulfilled, we will have heaven on earth. It will be a waste of time to die and expect to go there. (Hitler or you) Instead of the Hungry 30's we will be shouting "Happy days are here again."

Spring The time when a young man's fancy turns light to what a girl has been thinking about all winter

PEERS NEWS

The Peers P.U.A. Local No 207 has met with overwhelming response in the recent organization of M.S.I. Group Insurance Several applicants, realizing the importance of medical protection, have joined the Local to avail themselves of the lower rate provided by the Group Plan.

A nurse from the Edson Health Unit visited the school recently to administer the second dose of Salk's Polio Vaccine.

Mrs Sullivan and Mr. Wells were recent visitors to Edmonton to find out about Summer School Courses.

The Peers Home and School held a whist drive at which Mrs. Vallie won the women's first prize; Mrs. Mona Dixon, second prize; Mr. Les Fullerton 1st prize for men, Mr Maurice Jr 2nd prize for men.

Spring is often moving time and each in the case in Peers. Allan Forbes has bought and moved into the house owned by Ernie Sharp formerly Mr Pate's home

Dale Radcliffe and family have moved into the house on Percy Yoma's land, the house recently vacated by Mr. Dewsnap's.

Mr Lachance has returned from Ontario and has taken up residence in his house for the present, at least.

Les Bell and daughter, Norma, are planning a trip to Hamilton, Ontario, during Easter week. Les has not seen his mother for 21 years.

Several residents attended the play at Hinton and have very good reports of it.

The Peers ladies have organized a softball club with Gordon Townsend as coach. They held a bingo at which the following were winners: Lawrence and Buddy Radcliffe, Two McGuire Danny Radcliffe, Karen Wells, Mr. Gatchel and Reta.

Mrs Margot, Dorothy and Billy were Edmonton visitors, to see doctors about teeth and eyes. Ivy road conditions going in and snow on the way back, made it far from an enjoyable trip.

Around Town

Sincerest sympathies to the Tom Brown family on the loss of Tom's father at Turner Valley. Mr and Mrs. Brown motored to Calgary for the funeral last week

☆

Mr. M D Moodie was in Edmonton on Town Council business last week

☆

Mrs. Mc silough of Cherhall Alberta, visited with her daughter Mr and Mrs. Dan Lobarsky and family recently

☆

Mr N man Fowler has returned from a two week holiday in California and Mexico Apparently this is the best time of year to travel to Mexico as the weather is ideal.

☆

Adult education classes will be cancelled on Tuesday, April 9th to allow as many as possible to attend Career Night at the Edson High School

☆

The CNR continues to up root families in Edson The Gordon Christie and Cleopill families have been in B.C. looking over the situation in Kamloops, and plan to move there in the near future Mr Robert Fowler is in Vancouver sizing up the possibilities of of holding there, and the Keenleyside and Pavelka families will be moving to Edmonton this week.

☆

The Boltons were city visitors last weekend.

☆

Mrs. Stewart Ferguson and two grandchildren left this week end by car for Los Angeles, California, where Mr. Ferguson is with National Bank of Southern California

Among those from Edson who took in the rodeo in Edmonton were the Newbanks, Al Dinney, Miss Carla VanDonald, and of the Manle

☆

Edson will soon be losing the Marlow family when Mr Marlow is transferred to the Hinton Bank of Nova Scotia Mr Lloyd G. Karkentin, a family from Derwent, Alberta will replace Mr. Marlow here

Slave market postponed to this Saturday

The kinteen "slave market" originally planned for last Saturday had to be postponed because of the snowy weather This week it has been moved down the street

☆

...ill replace Mr. Marlow here

☆

Friends gathered at the home of Mrs Ed McNaughton recently in honor of Mrs Jean Harwood who is leaving shortly for Leduc Business for the occasion was Mrs A Berglund.

A pleasant evening was spent playing whist The prize for high score went to the guest of honor who was also presented with a farewell gift

A delicious lunch served by the hostesses ended the enjoyable evening

In the old Marlow Motors building, where it will start at 1 p.m

The kids have come up with a plan where they can be purchased for not less than 25 cents an hour for a total of six hours. The boy or girl can be rented for six hours after a period of a month or two hours straight depending on the type of work that is required

The teens are holding the slave market in an effort to raise funds for their club and all wages received will be turned over to the club treasury. They have real workers who will be glad to do baby sitting washing dishes windows, cars, floors, etc

A suggestion to the men around town who might plan to skip out of odd jobs around the house to take in the Kinsmen ham shoot in the Marlow Motors Why not a slave to go home and do your work while you take a chance at winning a ham for your Easter dinner

Others try hard, BUT... NONE CAN COMPARE!

DEPARTMENT OF LANDS AND FORESTS

PUBLIC NOTICE

AUCTION SALE OF PUBLIC LANDS NO 3 - 63

Public notice is hereby given that the lands listed hereto will be offered for sale to public auction ONLY at the places and on the dates hereinafter shown

All sales commence at 1 00 p.m. on the day listed

No bids submitted privately in mail or otherwise will be accepted.

Prospective bidders should satisfy themselves as to the quality etc pertaining to the lands

The Clerk of Sale shall have the right to settle any disputes concerning the interpretation of the terms and conditions and the manner of conducting the sale

Under the terms of chapter 221 of the Revised Statutes of Alberta 1955 no person registered in the Government or in the Legislative Assembly of the Province of Alberta whether his enrolment is permanent or temporary may be a bidder at any sale of Crown lands

Further particulars concerning the terms and conditions of sale may be obtained by communicating with the District of Lands Department of Lands and Forests Edmonton

CONDITIONS OF SALE

Lands will be sold to person bidding highest amounts per acre

The department reserves the right to withdraw any of the lands from the sale or to include any other Lands therein

Lands sold shall be subject to reservation for existing surveyed roads or roads hereafter surveyed provided application for such roadways is made by the provincial authorities prior to the issue of patent The areas of land sold are subject to adjustment in accordance with the revised plans of survey

Purchasers of timbered lands must take a permit subject to the usual dues and fees before cutting any timber except for their own use

Sand or gravel must not be removed from the lands sold until a permit has been obtained from the proper authorities and payment made of the required fee and dues

The sales will only convey the surface rights of the land and will be subject to the usual reservations in favour of the Crown

The sale shall convey to the purchaser only those improvements upon the land which are the property of the Crown at the date of sale All such improvements are fixtures and shall remain on the land and be the property of the Crown and shall not be removed or destroyed until final payment of the land has been made

If any improvements are stated in this notice to be the property of anyone other than the Crown then the preceding paragraph shall not apply The improvements may be sold at the sale but no representations are made and no warranty of any kind is given as to ownership or otherwise

TERMS OF PAYMENT

On areas in excess of forty acres Payment in full of the purchase price shall be made at the time of the sale or one fifth of the purchase price shall be paid at the time of the sale and the balance of such purchase price shall be paid in nine equal successive annual instalments with interest at the rate of 5½ per cent which interest shall be paid with each instalment on the balance thereof from time to time remaining unpaid Any instalment not paid when due will be subject to interest at the rate of 6 per cent per annum

In case parcel of land is sold and the purchaser shall immediately pay the sum of not less than 50 percent of the purchase price to the satisfaction of the Department and in addition to such payment shall file a statement which are found to be correct in the opinion of the Department he may be granted a patent for the land sold

CLASSIFIED SECTION GETS RESULTS

Premier Manning speaks here for S.P. Smith

The Hon E. C. Manning, Premier of Alberta, was present in the Edson Legion Hall accompanied by the Hon Norman Willmore MLA for Edson constituency, to speak to a public meeting on behalf of S. P. Smith who is running as Social Credit candidate in the current federal election.

Mr. Smith was not able to attend as he had a speaking engagement in another part of the riding.

After giving a resume of Mr Smith's background and qualifications for election office, Mr. Willmore introduced the Premier who gave a wonderfully explanatory address on dangers of Canada's debt build up and how "social capital" issued by the Bank of Canada could help solve some of Canada's problems.

"This is no time for carping negative criticism," Premier Manning told the meeting. "Nor is it a time for superficial analysis. We are not going to solve our problems by irresponsible promises either he said. "They always forget the taxpayers are going to have to pay," said Mr Manning.

Mr Manning told how he had been in Ottawa just as the government was falling. He told the meeting that Mr Thompson supported the government while it was taking steps to get on with the business of the House, but that now it is up to the people.

In his analysis of Canada's problems Mr Manning listed steadily rising price levels, climbing debt levels that do not seem to be levelling off and higher taxation as warning signals that something is wrong.

This circle could be partly alleviated, Mr Manning told the meeting, by making social capital for building schools, hospitals, public buildings, etc. available through the Bank of Canada. This would keep municipal and other governments from going on the open market for funds and competing with private industry, causing the cost of money to rise.

Refinancing of Canada's short term bonds for longer term ones at higher interest was tried by the Conservatives, but that didn't help said the speaker. Canada has in certain respects been helped by devaluation, but when we have to pay back American loans at 21¢ on the dollar it hurts Mr Manning reminded the meeting.

Instead of people buying a share in the debt of their country they could invest in industry said the Premier. There is no better way to prevent the spread of socialism than having people own a piece of their own industries he said.

Mr Manning reminded his audience that Secred Leader Robert Thompson was unanimously elected by Quebec Social Creditors in answer to how long the party could be lead by the Alberta leader.

THE FOUR CANDIDATES IN THE Federal election were listened to at Edson Legion Hall, March 26, by an attention crowd that appreciated the sponsoring of the forum by the Chamber oof Commerce. Left to right are Dr. Hugh Horner, Conservative, Jim Torgerson, NDP, the Rev. Les Halliwel, who acted as moderator, Bill Switzer, Liberal, and Sam Smith, Social Credit candidate.

Social Credit nominating provincially

The Social Credit Provincial Constituency Association have announced that they will be holding a nominating convention in Edson on Wednesday April 24

No place has been arranged as yet but will be announced later.

The Hon Norman Willmore has indicated, we understand, that he will again allow his name put forward to represent Edson constituency

Liberals plan re-activating economy says Switzer

During a busy week of campaigning for the election Liberal candidate for Jasper-Edson, last week told audiences of the Liberal plans for re-activating Canadian economy and employment and hit hard at Conservative charges of Liberal obstruction of Parliament.

Mr Switzer told a capacity crowd in Edson Legion Hall on March 26 and again at his own meeting April 1, the Conservative Government had failed to reconcile their own differences. "The charge of obstruction cannot be justified," he said. "It is a matter of record no important legislation was presented to Parliament, particularly the budget.

In discussing the matter of accepting nuclear arms, he said, "It is not a question of securing a test ban for which all nations hope, nor is the issue one of acquiring the capacity to wage war, or of joining the nuclear club but rather whether or not we are honorable enough to accept our full responsibility for the defence of Canada and to keep our word to our friends and allies"

In discussing the unemployment situation Mr Switzer said it was the setting up of a Canadian development corporation.

Later in the week, Mr. Switzer told an audience in the Drayton Valley Legion Hall that the Liberal Party was the only party to present to Canadian citizens from coast to coast a strong and united party capable of forming a majority government. "A new Liberal government is committed to serve the people of Canada" he said, "and when we hesitate to face up to reality and come to grips with the urgent problems facing us today."

During the previous week, Mr Switzer also made a trip to Edmonton to have a private meeting with Liberal Leader, Pearson, during his visit to Edmonton, Thursday, March 28th

The Edson Leader

The Voice of Edson Constituency
and WESTERN WEEKLY SUPPLEMENT

First Section — Edson, Alberta, Thursday, April 11, 1963 — Vol. 11, No. 15

Dr. Horner increases election majority by more than 2000

9000 ahead nearest rival

Two thousand more voters in Jasper-Edson marked their "X" against the name of Dr. Hugh Horner on Monday, April 8, than did in last year's election to bring his total vote over 14,000 against just over 12,000 votes last time.

Dr. Horner polled 14,429 votes — 9000 more than his nearest rival with 242 polls out of 245 heard from at press time.

The figures are:

DR. HUGH HORNER

Dr. Hugh Horner (Conservative)	14,429
S. P. Smith (Social Credit)	5,514
W. A. Switzer (Liberal)	4,480
J. A. Torgerson (NDP)	1,467

The three small polls not heard from have a total of 174 votes and could not affect the result in any way other than, in all likelihood, to give the winner the proportion of the vote he obtained consistently throughout the riding.

Last year's election figures from all the polls gave Dr. Horner 12,188, Chas Yuill, Social Credit, 6,234; Jack Shipitski, Liberal, 4,011 and James Coffey, NDP, 2,102. The drop in the Social Credit vote and that of the NDP candidate gave the Conservative most of his extra two thousand votes, while the Liberal vote came up a little over 600.

The result keeps Jasper-Edson in the Conservative camp with the rest of Western Canada, while the Central Provinces went heavily Liberal. At press time there was no word as to who would form Canada's Government as no party obtained a clear majority.

Dr. Horner, a Barrhead physician, after three successes at the polls is probably more widely known personally than any political personality in Jasper-Edson's history. He was acknowledged as a formidable candidate by his opponents from the start. His wife Jean, and their five sons make their home at Barrhead even when Dr. Horner is in Ottawa.

Dr. Horner's brother Jack, the Conservative member for Acadia in central Alberta, as well as his cousin, Albert Horner, Conservative member for the Battlefords in Saskatchewan, were both successful again. His father is the second senior member of Canada's Senate.

Except for the three isolated polls here are the figures poll for poll. The large centres where there was more than one poll are grouped together

Council calls public meeting on Arena changes

Council decided to call a public meeting to place before the citizens plans and estimates for the proposed modification to the Arena at their regular meeting on Tuesday evening, April 2nd. An idea of the changes proposed and methods of financing will receive a thorough airing at the public meeting.

Council also formalized the replot plan for odd grid shaped lots in the east end of 6th Avenue into a new residential plan. The more attractive layout will make the area one of the next residential developments in town. The owners of the original lots are being traded or otherwise compensated for their holdings.

Present at the meeting were Mayor W. R. Brunsdale, Councillors M. E. Cullin, A. Liddell, D. F. Barrington, G. L. Brunsdale, J. Kozuk and Jas. D. Wyatt, as well as staff officials.

[illegible] engineering advice [illegible] Council [illegible] the cost [illegible] on Main Street as commercial arena and it was agreed that the matter should be referred to Mayor Brunsdale to bring in report to the next meeting of Council.

A letter from Chief Licencing Officer requesting view of Council to issuance of a to Explosives Limited contin[illegible] issued occupancy of portable office on Lot 1, Block 134, until September 30th, 1963 on the basis of this being the final extension of such permission.

The works Committee submitted its recommendations on truck tenders recommending acceptance of a 30,000 C.V.W. tilt cab unit and a 10,000 C.V.W. unit from Waterloo Motors. A by law authorizing the purchase of the units was given first and second readings with two councillors opposing the by law.

The services was directed to proceed with preparation of a by law providing for the widening of 6th Avenue from Main Street and Stone.

The Chairman were to be directed to proceed with the preparation of details and estimates for the proposed reconstruction of paving on Main Street between First and 4th Avenue and on 1st Avenue west of 51st Street as well as the reconstruction

Continued on page 16

A letter from Edson Memorial Church requesting to place a sign on 6th Avenue West was placed before Council. Permission was not granted.

Council granted approval

Oil rights sale brings over half million dollars

Followers of the latest play in the hottest oil and gas field in Alberta at the moment — Edson — watched the reports of the oil sale right by the Alberta Government held last Tuesday.

Triad oil Company tendered a successful bid of $275,872 for a parcel in the Edson region The team of Home Oil Company Limited, Almimex Limited, Kern County Land Company and Socony Mobil Oil Company purchased another tract here for $281,111.

Readers will recall the story published in The Leader last week describing the Edson field as the hottest gas and oil discovery area this year. Both gas in the Mississippian and oil in the Cardium layers have been consistently found in recent drillings close in to Edson town.

HOW MANY OLDTIMERS are there who can identify the man with the dog team in front of the old Town Hall? To help place the time the fire hall tower was moved to a location where the present civic building now stands about thirty years ago. Mr. John Thomsen gave us the snap to see how many could identify the man with the white moustache.

Cancer Drive on this month

The ladies of the OOEP are again carrying on the annual canvass for funds for the Canadian Cancer Society. The canvass will be carried out from now until the end of April.

Edson residents are asked to give generously when the canvasser calls. Part of the money collected during the drive is used to help research into the causes and cure for cancer. Part of it is used to aid cancer victims.

Persons suffering from cancer in this area are among those who benefit from your donation.

Walking Jim gets trophy at Molson House

"Walking Jim" Deldaco was the recipient of a trophy at a recent presentation at Molsons House in Edmonton when he received recognition from Mr Roy Adams, Molson's public relations officer, for his feat of walking from that town to Edson in record time last month.

Jim received his award as part of a presentation to 73 sports people by the well known Edmonton brewery.

Attending from Edson, in addition to Jim, were Chamber of Commerce President Walter Fowler, J. Hook and J. Gerlitz. Former mayor W. Hawreliak of Edmonton, who was in Edson during the walkathon was also present.

Object of Edson's walkathon was to publicize the Yellowhead Route for its low altitude passes through the mountains to the Pacific Coast.

Holiday closing for Post Office

The Edson Post Office will be closed on Good Friday, April 12 and Easter Monday, April 15 in observance of those two holidays. The wicket will be open on Friday for General Delivery and stamps only from 9 to 10 a.m.

On Easter Monday the wicket will be open for all phases of Post Office business from 8:30 a.m. to 12:30 p.m.

The post office lobby will be open as usual and box holders will be able to pick up their mail at any time.

EDSON RODEO GROUNDS got some more attention last week when a party of Tri-Service Club men went out to burn brush to further improve the grounds. It doesn't show too well on this picture but they cleared up quite a bunch of rubble by burning. Later on this spring the committee will be putting sand on the grounds to help keep down the mud condition that can develop when it rains.

Running trades protest cutting Edson turn-round

The Railway Joint Running Trades held a meeting recently in the Calder Community Hall to discuss a proposal by the Canadian National Railways to operate train and engine crews two sub divisions instead of the present distance of one sub division.

The meeting was attended by delegates from Edmonton, Jasper, and Mirror in Alberta Melville North Battleford and Biggar in Saskatchewan, who represent approximately 1000 employees of these trades.

Guest speakers included Honorable Gordon Taylor, Minister of Highways, and Mr. John Mc(illegible) NDP Candidate for Edmonton-West in the forthcoming Federal Election.

Both speakers expressed their concern towards the ever increasing abandonment of railway lines and terminals and the hardships imposed upon the employees and their families who are forced to re-establish themselves.

The entire delegation was in agreement that the operation of two sub divisional runs would impose physical and mental strain upon the crews, loss of homes and added expense to employees who are forced to move due to abandonment of small terminals.

In contrast to the Railway's strict demands of adherence to safety rules, particularly now that trains are faster and longer than ever before, the delegates agreed unanimously that management has completely ignored their responsibility by expecting crews to work twice the present distance and double the hours on duty.

A report relative to these facts stated, that to date two serious accidents causing death, have been attributed to crews falling asleep on account of long hours on duty.

Letters of protest against this type of operation have been sent to Prime Minister John Diefenbaker, Hon. Michael Starr, Minister of Labour, Hon. L. Balcer, Minister of Transport and Mr. Donald Gordon, President of Canadian National Railways.

Various procedures to combat this proposed action by the CNR is contemplated, with further meetings of this nature planned for the near future.

Power

BY PASTOR SWAMALTER

The standards for Christian living are high- in fact, most creeds governing life are somewhat idealistic, beyond the easy grasp.

For this reason, many people are discouraged from making a start. Knowing their determination to failure, they are afraid to make an attempt for fear they won't measure up.

Others having begun only to run into difficulty, are forced or satisfied to play the role of the hypocrite to save face. Perhaps they make a start before due consideration, for it could be that after a severe and noble beginning they failed to make success out of a failure.

In startling contrast to the myriad creeds of the ages, the Christian Way not only sets forth a high ideal, but going beyond all others, it promises the power to faltering man to attain to it!

Consider this promise of power: "But as many as received Him (Jesus) to them gave He power to become the sons of God even to them that believe on His name" John 1:12

Thanks Jasper-Edson

The confidence expressed by the voters of Jasper-Edson in re-electing me as their representative at Ottawa again is overwhelming. It is hard to put into words what my feelings are, but would like to say thanks to the voters and those who worked on my behalf all over the constituency.

I would like to say that I appreciated the opportunity of speaking on the forum platforms with the other candidates from Jasper-Edson in this election.

Sincerely,
HUGH HORNER

Tri-Service, District FUA unite for Britches Rodeo

Co-operation was the feeling that resulted from a meeting held between the Edson Tri-Service Rodeo Association and delegates of the Farmers Union Association of District 6 on Thursday evening at the Edson Motor Hotel.

Mr. Joe Fairbairn, District Representative of District 6 spoke on behalf of the two delegates from Peers, Carrot Creek, Beaverlodge, Fairbairn and McLeod Valley, executive to unite with the Edson group to make the annual Little British Rodeo a gala event.

The Little Britches Rodeo which is planned for Farmers' Day on June 14th will be the third annual children's rodeo, but the first in co-operation with the district farmers.

It was pointed out that in spite of the fact that Alberta has one of the largest Little Rodeos in Canada but it is felt through this combined effort Edson should not take a back seat to any other town.

A number of events will be carried that will be published at a later date, but in plenty of time to allow all the children time to start training their ponies.

Plans are being set up to carry a full day's entertainment from early morning until late at night with considerations for both young and old alike.

Edson's Annual Rodeo dates are set for August 3 and 3 this year with greater incentives for the fans and cowboys as well.

The CPA will be putting on a display of prizes in one of the local stores they are donating to the winning cowboy and cowgirl.

They will consist of twelve Championship saddles and a variety of other prizes.

Other crowd pleasers will be the appearance of the fam ous Red Knight of the Royal Canadian Air Force who has been thrilling audiences all over the world with his daring jet aerobatics.

The local Ben Hur chariot racers are receiving more encouragement as a number of rodeo fans have expressed their desire to watch this thrilling sport.

It looks as if Edson is getting into the swing once again for another big year for rodeo entertainment.

Music of Easter performed by Edmonton choir

Maranatha Church Choir of Edmonton under the direction of Mr. Joe Ohlhoic performed in heart to heart songs the Easter cantata "Song of Triumph" in three parts. The performance took place in the Christian Reformed Church on April 8th.

The evening was opened with a song by the choir and audience. Rev. Verburg then extended a hearty welcome to everyone attending and especially the members of the choir before he led the gathering in prayer. Then invocation was given after a duet by

The first part of the cantata "Come to the World" was given with beautiful music and solos, duets, quartets and a reading by Ward Norman. A short intermission followed which was much enjoyed by everyone which was much

Second part consisted of choir selections, duets, solos with a quartet and evening [illegible] as well as [illegible] Mrs. [illegible] Mrs. [illegible] and [illegible] by everyone.

The whole [illegible] was very fine and [illegible] by everyone.

Coffee and lunch was served for the Choir

DROSTAN NEWS

Mr. and Mrs. Cliff Taylor and Mrs. Nick Mihorb drove to Hinton on Monday.

Edmonton visitors on Thursday were Mr. and Mrs. Nick Mihorb and family.

Mr. and Mrs. Nick Mihorb had a beloved Thursday evening when Mr. and Mrs. George Scheel Jr. and Sr. and their families, Mrs. A. See, Mrs. A. Hansch and Fred all called in for a visit.

We are all sorry to hear that Mrs. Kolbe, an old time resident of this district now living in Parkland Lodge is a patient in St. John's Hospital. We all wish her a speedy recovery.

It looks like winter is here again but with Easter very close we wish everyone a very happy Easter.

A speedy recovery to little Wayne Worthing who is a patient in an Edmonton hospital.

Deepest sympathy from everyone in the district is extended to Mrs. Harry Wadley and family on the death of Mr. Wadley.

A VOTE OF CONFIDENCE

Dr. Hugh Horner, MP for Jasper-Edson for his third term, knows in no uncertain terms that the people of this constituency think he's an ideal representative. He has reason to be proud of the vote of confidence he received in Monday's voting. We think —as obviously 14,000 voters did — that he is ideal timber to represent us in Ottawa. Even if, as appears likely, he will sit in opposition.

The voters were offered a good all-over selection of candidates. MDP candidate Jim Torgersen was a nice clean-cut young man, Social Credit candidate Sam Smith did a fine job of getting to know the people of this constituency for his first try in federal politics. Veteran municipal and provincial candidate for the Liberals, Bill Switzer, comes very close to our idea of a candidate with the ideal background of experience.

The campaign was conducted on a high plain and the voters of Jasper-Edson were offered real alternatives in a gentlemanly manner by the four candidates. That the voters picked one of them overwhelmingly doesn't detract in the least from the qualifications of the other three. To keep our democracy strong and virile it is essential that good candidates come forward to stand for election on their principles.

The vastness of Jasper-Edson constituency and the thousands of miles of travel a campaign involves is enough to discourage lesser men.

How Edson keeps growing

Worthing Transport Ltd. were hosts on Saturday night two weeks ago, assisted by Canadian Harold Sales, Texaco Courtesy Service and Ace Explosives, to over 200 people connected with the petroleum industry in the Edson area.

The party itself was a real success. But the significant thing about the affair, in our opinion, was the numbers involved. Over two hundred people who make their living from an industry that is only beginning to get going lustily, explains why Edson keeps growing.

The four firms concerned deal directly with many of the oil and gas boys, but every firm in town would be considerably less prosperous if it wasn't for this activity.

Each four new jobs in the gas and oil field around Edson means that there is another job created in Town to service the extra families.

Aside from being welcome from an economic point of view — the hundreds of petroleum industry people who have lived among us for varying periods over the past 18 years are grand people to know. They pitch in on the exigencies of their work permit and really become part of our community in spite of the transitory nature of their residence among us

We hope Edson people strike you as being good types too

FRIDAY, MAY 17 — Sports men dinner in the Edson Motor Hotel Meet "Boom Town" Geoffrion and others.

CAPITOL REPORT

Steel Making, Sulfur Marketing Discussed

BY JOHN WARREN

EDMONTON — The normal lull in provincial activity that sets in for a couple of weeks after the session ends each year was emphasized last week as several cabinet members took part in the campaign on behalf of federal candidates. But while news reports naturally devoted their prime space to the closing scenes in the federal election campaign, a conference of importance to all Alberta was underway in the capital.

It was the seventh annual meeting of the Canadian Institute of Mining and Metallurgy. Almost 1500 delegates dealt with such key topics as potential mineral development of the west and prospects for expansion in the oil industry.

Dr. C. S. Govier, chairman of the Oil and Gas Conservation Board told delegates he believes two thirds of Alberta's total reserves of oil and gas remain undiscovered. He said much of the province hasn't been touched by a drilling rig.

"The 9,000 wild cat wells so far drilled in Alberta represent an average of only about one exploratory well per 30 square miles," he said. "Discoveries and development will continue We have found the easiest-to-find fields."

He said better methods of exploration are going to be found and improved drilling techniques will be developed "Science and technology will not only continue to be important; they will become more important."

Another paper presented at the conference described Edmonton as "the most practical location" for any major, integrated steel operation that might be established in the prairies.

As with so much of western industry, northern Alberta became a key because of the concentration of oil and gas development there and its northeastern British Columbia . a connection expected to become even more pronounced. The paper was presented by T. H. James and R. B. Rizer of the mineral resources division of the department of mines and technical surveys in Ottawa.

Any prairie steel industry would be primarily to provide products leading to the manufacture of pipe, flat and rolled steel They said annual pipe requirements in the four western provinces will probably range from 350,000 to 600,000 tons for many years

In another paper C. P. Gravener of the Alberta Research Council said the only possibility for a basic steel industry in Alberta at this time would be through production of a high-grade premium product which could compete in the export market. He indicated an iron-making process developed by the council could be the answer to development of the vast, low grade iron deposits in the Peace River country It produces high purity iron powder from ore.

"With low-cost ore and low cost fuel available iron powder could be produced at a cost comparable to, or less than, conventional methods. . "and these conditions exist in northwestern Alberta "

Another council official, W. G Brose supervisor of market research, dealt with the problems facing the province in market ing its rapidly-growing sulphur production. He said the Canadian demand is only about one third of Alberta's estimated 1963 production figure of 1,500,000 long tons and that while there is a world over supply Alberta producers must seek export markets. Alberta sulphur is produced in association with sour natural gas, production of which is also rising rapidly because of the large volumes of natural gas moving into the United States markets.

"The year 1963 could be marked by the emergence of marketing policies initiated by Alberta producers, which could have far-reaching effects on the world sulphur situation," he said

Two prominent delegates dealt with the possibility of nuclear energy as a part of the Athabasca oil sands development program. David B. Robb of the Lawrence Radiation Laboratory at Livermore, Calif., said "I don t feel that oil shale and oil sand are the best possibilities for its use, nuclear energy, but it would very well be possible in the future

Dr. John Convey, director of the mines branch in Ottawa and a member of the National Productivity Council, said Canada's nuclear policy is delaying research into the use of nuclear power in development of the Athabasca oil sands ". . .nuclear development of the oil sands is sheltered until Canadian government policy will allow us to detect nuclear explosive devices into Canada. We're dragging our feet until then."

THE VOTING AGE

Are today's teenagers more mature in their judgement than were their parents or grandparents? Most adults might con cede that high school students are more advanced than they remember and that boys and girls in their late teens seem to have more information — they know at least a little about more things — than the preceding generation. But does this signify a greater degree of self reliance and expenence?

The question arises because of the trend to drop the voting age Already, the voting age is 18 in Saskatchewan and 18 in British Columbia and Alberta, Quebec seems ready to extend the provincial franchise to 18-year-olds, and perhaps Nova Scotia, too. In those areas, and elsewhere, there is support for a vote in federal elections at age 18. The states of the U.S. seem more conservative . in only four of the 50 states is there a vote before age 21

One thing hardly in keeping with all this: the election campaign offers by all parties to continue family allowances payments up to age 20 in one instance for youngsters remaining in school. If they were to come about, probably the next campaign's offer would be to make it universal, in school or not In all truth, the franchise and the baby bonus do not seem to go together.

—C. J. H.

GOOD WISHES FROM THE PM

In conjunction with Library Week — April 6 to 13 a message has been received from the Prime Minister as follows:

The observance of Library Week affords an excellent opportunity for English speaking and French speaking Canadians to work together to share their respective heritages of books and knowledge and it is worthy of note that this year a special effort is being made to see that all provinces have access to material in both languages.

The rapidly expanding library system in Canada is providing many new positions for competent Canadian personnel trained in library science and I am confident that the publicity associated with the observance of Library Week will do much to enlist interest in this field of service

(Signed) John Diefenbaker,
Prime Minister.

Mrs. H. Goldstick sees sister after 60 years

The many friends of the Goldstick family were pleased to see a picture of Mrs H Goldstick and her sister Mrs Riva Kestenbery, of Israel, printed in the Edmonton Journal this week on the occasion of their reunion after a lifetime of separation

The two sisters hadn't met for 59 years were reunited in Edmonton

Mrs Hyman Goldstick of Edmonton and Mrs Riva Kestenberg her younger sister were separated in Riga. Latvia in 1903 Mrs Kestenberg was then seven years old and her sister was in her early 20's.

She said she had been trying to leave her homeland for the past six years but it had taken a long time for Russian authorities to grant her and two of her daughters exit visas to Israel, where she now lives

Her husband died during the Second World War when the family, with thousands of other Latvians were shipped to Russia

Still living in the U.S.S.R. Australia and Israel are six brothers and two sons

Through interpretation by Mrs Goldstick Mrs Kestenberg said she had barely had a chance to see Canada since she got off her flight from Israel — but she already likes the country — Edmonton because it's "more like home than the land in Palestine," her adopted homeland

"Then a neighbor on the next farm asked me how the kids were

"I never see them out," she told me.

"I keep them in." I said

"Why don't they like to get out in the fresh air?" she asked

"Yes but it's such a bother getting them in again."

"But it is so good for them to be outside."

"But they can be a nuisance. When I have to watch on every thing they may bother the neighbors too so I keep them in" I said

Next an unmarried friend called in and said the house was round round in kids and were they grouties?

"Like weeds." I told her.

"You must be proud of them and such company for you"

"Proud of them" I said "Sometimes I could shoot them," and I almost meant it.

"Oh, no," she said "Give them to me then, I'd love to have them."

"Okay" I laughed "If you have anymore you can have them. I told Jack that if we have anymore we must get rid of it at birth a buck it on the head or something"

"Goodness no!" she said Laughed quite nervously and left in a hurry

I think it was then I noticed her women friends were set ing strangler towards me in fact I could hardly call them friends anymore They were so nice to the children inviting them in and giving them glasses of milk and they were always asked out for supper, but I wasn't invited.

The climax came at the next meeting of the W A Most of them said "Hi" but nothing else I pretended not to mind

"The Kids"

From time to time our readers bring in a clipping of a story or article that has appeared elsewhere and they have particularly enjoyed. The following was submitted by Mrs. R. Hurst. It's humour should be appreciat ' by mothers especially.

A MISUNDERSTANDING BY MISINTERPRETATION

BY MAUREEN CONSELY

It all started quite innocently but I didn't realize how near I was to being expelled from the community.

I happened to be in the village store buying a pound of butter and the owner and I were discussing the price of food and things in general

"I guess the kids drink plenty of milk," she said.

"Not now," I replied. "I only give them water."

"You do" she said, looking surprised. "Don't they like milk?"

"Oh yes, they'd drink it all if I let them, but we can't afford to keep a cow."

"Oh is that so?" She look ed quite stranged at me I thought little of this and went home

Then a neighbor on the next farm asked me how the kids were

"I never see them out," she told me.

"I keep them in." I said

"Why don't they like to get out in the fresh air?" she asked

"Yes but it's such a bother getting them in again."

"But it is so good for them to be outside."

"But they can be a nuisance. When I have to watch on every thing they may bother the neighbors too so I keep them in" I said

Next an unmarried friend called in and said the house was round round in kids and were they grouties?

"Like weeds." I told her.

"You must be proud of them and such company for you"

"Proud of them" I said "Sometimes I could shoot them," and I almost meant it.

"Oh, no," she said "Give them to me then, I'd love to have them."

"Okay" I laughed "If you have anymore you can have them. I told Jack that if we have anymore we must get rid of it at birth a buck it on the head or something"

"Goodness no!" she said Laughed quite nervously and left in a hurry

I think it was then I noticed her women friends were set ing strangler towards me in fact I could hardly call them friends anymore They were so nice to the children inviting them in and giving them glasses of milk and they were always asked out for supper, but I wasn't invited.

The climax came at the next meeting of the W A Most of them said "Hi" but nothing else I pretended not to mind

Easter Seal campaign has local interest

The Easter Seal Campaign will have special meaning for a Hinton man and his family this year

Arrangements have been made for a 29 year old local man unable to work due to a heart ailment to undergo surgery at the University Hospital in Edmonton in May, with all expenses paid

Ray Regnier, chairman of the Kinsmin Easter Seal Committee which has taken over the yearly Easter Seal Campaign for Crippled Children and Adults in the Hinton area, revealed that the organization had taken out MSI Insurance coverage for the man, his wife, and child for one year.

It was hoped that within a few months after the heart surgery he would be able to accept work and live a normal life, Mr Regnier said

A recent report from East Coast Committee Headquarters in Edmonton revealed that the contributions to the campaign in Alberta thus far were higher than at the same point in the campaign last year Almost 80 per cent of Hinton's $800.00 objective had been reached by last week end.

Four new clubs distributing Easter Seals this year include the Lions Club of Edson, Rimbey Club of Pincher Creek, Kinsmen Club of Rocky Mountain House.

At the halfway mark of the current Easter Seal campaign at total of $6,041 31 had been sent in to the various sponsoring service organizations by recipients of envelopes of Easter seals. The Alberta objective is $127,000 00

Locally the three sponsoring groups and their returns to date are Jasper, $237 50 of their $300 objective; Hinton, $220 of their $350 objective. Edson with $257 90 of their $600 00 objective

Canvass assures four overture concerts

The membership campaign conducted recently by the Foothills Overture Concert Association was most successful according to Dr Anne Reid, president of the Association

More memberships than last year were taken out in both Hinton and Jasper which will ensure at least four concerts next season One of these would be Mozart's comic opera Cosi Fan Tutti to be sung in English by the Canadian Opera Company. A small string orchestra The Consuti Players will also appear while a pianist and a folk singers group will likely make up the other two concerts

Dr Reid expressed thanks to the campaign committee, canvassers, and the public The Association, she declared, has been "delighted" with the results of the campaign

Approximately 600 memberships were sold including family ones which showed an increase this year

Edson For a Better Deal

Robb and Branch News

Mr. and Mrs. Hoglin were visitors to the city for a few days last week.

Mr and Mrs Bowie of the Robb shopping centre motored to South Current, Sask last week, returning Sunday evening.

A very good crowd attended the bonus last Saturday in the Robb Hall. Mr Nicholorah was the grocery hamper.

Harold Charleton left last Saturday for his home in Penticton, B.C.

Mr. and Mrs. Len Kolbe of Edson were accompanied by Doug and Pa last weekend when they visited at the Gary Conger home.

Rod McLeod had a short stay in the Edson hospital as a result of a fall which occurred while cutting down the hill behind the hotel. He suffered a badly bruised shoulder, but is home again now and will soon be as good as new.

The Coal Branch has lost another old timer in the person of Mr John Benvenutti.

Mrs. Aldrich is at present a business visitor to Calgary.

Mr. Anderson is visiting his sister here Mrs. Simons, at present.

The two homesteaders who left here some time ago in the persons of Barnie Olsen and Jake Hollbinder were very happy with their findings. Jake returned to be on hand when the pulp cutting season commences and Barnie has left for a job on a work train up north.

There is a sort of Do nothing going around which quite a number have had and it is still hanging around. Our election over once more and people are back to normal temperatures, their system will no doubt be able to shake my sickness that goes by.

Wagner's men are all in from camp while there is still equipment to be brought out.

Mr. H. Knott visited with the Kennedys on Thursday and Saturday when Mr. Wagner and Mr. Knott went to the city on Saturday evening.

The dances for Robb Community Hall which the entertainment committee had slated for April will all have to be cancelled as our music comes from Hinton and is unavailable this month. As far as we know the next dance won't be until possibly the 3rd of May. Watch for posters and particulars.

Bev. Hurd and his group from Edson accompanied by a group from Robb are present ing an Easter program in the Robb Hall this Friday, April 12 at 8 p.m. A silver collect ion will be taken.

Mr and Mrs. Martin Hoglin and family of Wabamun visited recently at the home of Mr and Mrs. Hoglin in Robb Mrs. Pambrun Sr. returned to Wabamun with them for a few days.

The last snow that fell (and we hope the last one till next fall) has finally gone again. As a rule there is always had another during the winter, but with that out of the way maybe the weather will be easy for a change. It might help it shorten up some of the long lanes after the sheet. Surprising enough there were quite a few around.

"I can say this only once . . . I promised not to REPEAT it"

Niton News

Congratulations to Mr. and Mrs. Laurie Shields on the birth of a daughter in St. John's Hospital in Edson.

Mr and Mrs. Fred Bunch are visited Mr. and Mrs. Alex Vala at Hattonford recently.

Mr. Jim Wings returned from Edmonton after a week's holiday with his sisters Mrs. and Mrs. Bennett Holdsworth and Mr. and Mrs. Bob MacMillan.

Ashton Community whist was held at the home of Mrs. K. Peterson. Ladies' first went to Mrs. Don Suter; ladies second went to Mrs. A. Ungaro; consolation to Mrs. Antone White; men's first to Mr. Don Suter; men's second to Mr. Fred Rensevink; consolation to Harvey Setzer. A lovely lunch was served by Mrs. K. Peterson.

Mr. and Mrs. Gordon Handay.

HATTONFORD

Mr. K. Neaz is now driving a new '63 International truck.

Mr. and Mrs. L. Shields are receiving congratulations on the arrival of a daughter born April 1st in the Edson Hospital.

Dale Wagley is home from Vermilion Agricultural school where he has been a student since last October.

Mr and Mrs. R. Ralston and baby, from Edson, were Sunday visitors at Mr. and Mrs. B. Wagemann.

Our current weather is directly for the Eskimos. Even the wild geese that have started north are badly mixed up, the cold rabbit that has been seen seems to have taken a hasty leave too. With about eight inches of new snow and cold wind we could blame them.

Miss Doris Phillips from Edmonton spent last weekend visiting her Aunt and cousins Mrs. J. Cundict and family.

Miss Joanne Fallbacker from Edmonton spent the weekend with her parents Mr and Mrs W. Fallbacker.

Mr. and son enjoyed a evening with Mr. and Mrs. P. A. McCormack.

Mr. and Mrs. A Wiesmann from Hattonford visited their daughter Mrs. Peter Setzer and family.

Mr and Mrs. Walter Charter from Viking has been spending a few days visiting friends and relatives here.

Johnny Hanchen is home after spending the winter at Roger's camp.

Mrs. Don Suter and Mrs. E. Peterson spent an afternoon with Mrs. Ossie Ford at Hattonford recently.

IN MEMORIAM

In loving memory of my dear father, John William (Yorkie) Smith who passed away April 11th, 1962.

With a loving smile each day

Always trying to do for others

As he journeyed on his way,
Always remembered by his loving daughters, Doris Gurdi-pee and grandchildren Barbara Dianne and Wade.

Cubs AND Scouts

Cub Pack meets Monday, and pack board competition.

Scout Pack meets Wednesday 6:30 p.m at the A. H. Dakin School

Commissioner J. Oliver reports that parents are rallying to his urgent call for leaders, but more are needed

Scout News and Calendar

Regular meeting Wednesday, 7:00 p.m. at the Boys' Center Stalking, tracking

Yellowhead Camporee at Jasper, May 10, 11, and 12th

Alberta Jamboree to be held at Sylvan Lake, June 30 to July 6th

A bake table to Jasper is being planned by some . . . the boys under the leadership of Pl. Davidge

A scavenger hunt was held at the last meeting and was very successful. Most of the boys know where to look for "it" spoke now I wonder how the boys are supposed to know a "good cigar" when they see one?

Eagle Patrol appointed Hon ner Patrol for April. Tiger Patrol, Duty Patrol

Terry Kohler, Jay Wortman Brent Rathwell and Clay Lamb berry earned their Tenderfoot Proficiency award.

Kenneth Keenhyside completed 2nd Class Proficiency award.

Rick Gardener earned his Home Railroader and Lumberjoman's Proficiency award.

Jim Makavina and Terry Caswell earned their Electrician Badge

Edson was well represented at the Yellowhead District Council meeting held at Hinton April 5

Religion and Life Award

The award for Canadian Scouts was instituted in 1947 with the co-operation of several religious bodies

The Award is worn by Scouts fulfilling the requirements set out by their own religious denomination.

It consists of a great circle, red on green, the symbol of eternity, recalling the fact that life is eternal. In the circle are the first and last letters of the Greek Alphabet Alpha and Omega — the symbol of God himself, the Eternal One, reminding us that the worship and service of God must form a part of our life's program, from the beginning to the end.

Shower honors Easter bride

A miscellaneous shower was held at the Bisette home on Monday, April 8th, for Miss Lucille Hawkins. A mock wedding starring Chris Poitaine and Carla MacDonald as bride and groom with Mrs. Jardine officiating provided many laughs for the sixteen guests.

Many lovely and useful gifts were presented in a decorated clothes basket presented from the showers by a gay umbrella of crepe paper Co-hostess Mrs. Adele Yeomans assisted Mrs. Terry Bisette.

Miss Hawkins is being married Easter Monday to Mr Neil Horne.

Mr Horne was guest of honor at a Kinsman sponsored stag Saturday night

IN MEMORIAM

In loving memory of dear husband and dad. Walter Hauke, who passed away April 5 1960.

His memory is as dear today

As in the hours he passed away

Sleep on, dear one, and take your rest

We loved you, but God loved you best

Mrs. A Hauke and Family

May bride-to-be shower guest

An April shower was held on Thursday, Apr 9th to honor Miss Edith Schalm Hostess Marion Knox and co-hostesses Sharron Giles and Linda Mar ris presented the gifts to the radiant bride to be. Gifts were presented in a lady dressed in white with a umbrella covered with flowers in Easter colors topped by an umbrella The sixteen guests enjoyed a pleasant evening of visiting prior to the serving of lunch

Miss Schalm's marriage to Mr Tony Riml will take place in Salmon Arms, B.C., on May 4th

Bride-elect of Apr. 27 honored

A miscellaneous shower was held at the J. Hinchley residence on Wed., April 3rd, to honor Miss Maria Vander Leeuw Hinchey, assisted by Mrs. Hinchley. Approximately twenty guests gathered to present their gifts and best wishes to the bride-elect. Hostess Miss Louise Hinchey, assisted by her mother, served a delicious lunch to bring the evening to a close

Miss Vanderberg's marriage to Mr. Ernie Spreen will be solemnized on April 27th

My Sincere Thanks

To those who supported me on April 8th and especially to those willing workers who gave so much of their time and effort on our behalf during the recent campaign

My congratulations to Dr. Horner who will, I am sure, continue to give the people of Jasper-Edson able representation in the House of Commons To Dr. Horner and my other opponents, Sam Smith and Elil Switzer, my appreciation for a clean, gentlemanly campaign

JIM TORGERSEN
NDP Candidate

"I'm proud to be an ALBERTAN"

Proud to live in a province where individual rights are respected, and individual initiative is encouraged. A province where people still have the faith in themselves that made our first pioneers the men and women they were. "Creeping Socialism" would have received short shrift from them, and that goes for me and my neighbours today!"

Alberta's electrical resources, like her farms and other businesses, were developed by individuals with faith in themselves and faith in the future. They took risks . . . and the risks were great . . . because they believed in a land that fostered individual effort

This rugged individualism is still very much alive in the spirit of modern Albertans. We believe that most Alberta's are indeed to keep it alive in this province of ours!

SAFECO INSURANCE

SAFECO - LIFECO and GENERAL INSURANCE POLICIES

SAFECO-GENERAL makes it easy for agents, like ourselves, to give you the finest insurance coverage possible. For example, here are some specific advantages SAFECO offers you:

- All your SAFECO-GENERAL premiums for home, auto, business and even boat insurance can be added together and divided into level monthly payments. The SAFECO-GENERAL people call this Revolving your premiums. It certainly makes for easy to remember, easy-to-meet payments!
- In addition to regular auto liability insurance, SAFECO also offers medical payments for personal injuries.

SAFECO offers many more time-saving and money-saving benefits. It would be our pleasure to discuss them with you.

Nobody settles claims faster and more fairly

SAFECO or GENERAL offers a homeowner's policy that protects you against accidental damages you might cause to other people's property.

When two SAFECO insured autos collide, the deductible clause for both autos is automatically waived.

AS I SEE IT

By PASTOR E. HURD

How important is the Resurrection?

Missionary to speak

Everyone is welcomed to the Christian Reformed Church this Friday evening when Rev. George Spee, a missionary from Nigeria will be in attendance.

Rev. Spee will give an address on the work being done in that area as well as show slides of the Nigerian mission field. The meeting will start at 8 p.m.

Later in the evening at 8 p.m. Good Friday services will be held. Again, everyone who wishes is welcome to attend.

Special speaker on spiritual life series

The Edson Mennonite Church invites those interested in learning more about the meaning of spiritual life and how it relates to the church to a special Easter holiday series.

Pastor Stanley Shantz, Hanover, will be explaining the meaning of the "Blessed's" found in Matthew 5 as well as outlining the instruction found in the Bible in answering the question of what life in the church should mean for the individual.

The service is to begin at 7:30 each evening, April 10 to 21. A Cappella singing will introduce each gathering and special musical numbers will be interspersed as can be provided.

Pastor Shoemaker extends a cordial welcome to all.

- Floor mounted gear shift with all speeds synchronized.
- Automatic choke.
- Padded sun visors.
- An engine that averages 38 miles per gallon.
- A cooling system that can't boil over. Plus Volkswagen service by 350 dealers.

But that's only the beginning. Your Volkswagen dealer has even more surprises. Looks like you've got an excuse now for not having a Volkswagen. Unless you already own one.

HUTCHINSON SUNSET SERVICE

PA3-3693 — EDSON

Adopted homes needed for Metis children

The Department of Welfare is deeply concerned about the accumulation of Metis children in the care of the Superintendent of Child Welfare. On January 31, 1963 out of a total of 2,391 permanent wards in care, there were approximately 800 Metis children available for adoption. Around 700 of these were Roman Catholic, about 80 Protestant.

Included in this total are some children in the teen-age group and some who are physically or mentally handicapped. However, the great majority are fully adoptable infants, toddlers and attractive youngsters. In the age group that is generally accepted for adoption but for whom no adoption homes have been found.

Other children who have been unable to find secure and loving homes are those of mixed racial origin, other than Metis, and children in large family groups with close ties with their brothers and sisters who are also wards of the government.

It is granted that problems may arise when a child of a minority group is brought up in a home not of his racial background and that except for exceptional people are needed to cope with these and with the problems that may occur in caring for a large family. However it is the belief of the Department of Welfare that there are exceptional people in this Province who would be both willing and able to accept the challenge of bringing out the full potential of a Metis or mixed race child. Who would be capable of handling the added responsibility of a family group, if they knew of the need of these children for parents of their very own.

Adoption, like any other major decision in life, is not something that should be entered into as a whim or a passing fancy. As the children would say, "This is for keeps." However, it is possible that many people are reluctant to make application for a child due to the false impressions they may have. They may believe that they have to own homes have an above average income, have no children of their own or can adopt only one child at a time.

None of these facts are true. What the Department of Welfare is looking for are people who are flexible enough that a child or child will not unduly upset their lives and homes. People who love and understand children and will accept them not for what they can do for the family but for - but the parents can do for them. People whose financial position is such that a child will not cause more than the normal amount of financial strain. A couple who feel that children need the security and stability of a religious background, the Department wishes adoptive parents who are affiliated and will ask only those questions which have been found necessary to safeguard the adoptive parents and the child they should apply at their local regional office of the Department of Public Welfare. A worker will call on them to discuss their application with a church.

If, after careful consideration, a couple believes they can meet these qualifications, that may be placed in their

4 WAY WHOLESALE

First Ave. East — Phone PA3-3721 — Edson

"...are you going to be my mother?"

This is something that David and hundreds of other little Metis boys dream of having — parents of their very own. Many part white, part Indian children are orphans or come from a broken family but, like David, they are bright, intelligent and very lovable. These children differ only in one respect from other children; circumstance has taken them away from their natural homes.

What these children need, and can't get individually from a government agency, is the security of a home and the love of a mother and father. Make room in your heart and in your home for one or more "Davids". Given loads of love, the proper environment and the chance to please, your little David will make you proud parents indeed, in your community.

A FEW THINGS TO KNOW ABOUT ADOPTING

It is not necessary you be a home owner

Age limits are not as rigid as you think

Parents do not have to be Canadian born citizens

Children can be adopted in mixed marriages

Parents are not required to have better than average education

Adoption placement does not take a long time

Perfect past health by parents is not a requisite

$4,000 per year income is not the minimum to adopt

Social traits of a child's parents are unlimited

You can adopt other children even when you have a family

More than one child may be adopted

Inquire today at any one of the 25 Regional Offices of the Department of Public Welfare. There is one located in your district at Edmonton, Calgary, Lethbridge, Red Deer, Athabasca, Barrhead, Bonnyville, Drumheller, Edson, Grande Prairie, Lac la Biche, Peace River, Pincher Creek, Stettler, Vegreville, St. Paul, Wetaskiwin, Hanna, Camrose, Smoky Lake, Wainwright and Olds

Boom Boom Geoffrion Sportmen Dinner guest

The man with an encyclopedia of sports stories Cecil "Tiger" Goldfarb, besides handling the public relations for the Edmonton Flyer Club has been scouting for sports personalities for the Optimist Sportsmen's Dinner scheduled for Friday, May 17th.

Tiger is determined to bring out a host of top notch persons at this dinner. Arrangements have been completed with Molson's Brewery owners of the Montreal Canadiens through the co-operation of the Commodore and Edson Motor hotels, to have Bernie Boom Boom Geoffrion one of the striking National Leaguers, as the table guest for the Optimist Sportsmen's Dinner.

Plans are to have the hockey star visit the schools hospital and Parkland Lodge

Bernie Geoffrion is an idol of many hockey fans The old patients and residents of the Lodge will have the opportunity to meet him when he makes his goodwill visit to Edson.

Jack Inmon, Alberta Gas Trunk Line Co Supervisor, is making contact with Harvey Wyller, captain of the Calgary Stampeder Football Club, for the list of the head table which has not yet been completely finalized

The $5-a-plate affair is sponsored by the Optimist Club of Edson and limited to 200 guests Tickets are now available at the Leader Office or any member of the Optimist Club

Confirmation of other head table dinner guests will be announced in the near future.

Vote percentage about same as last year's figure

The percentage of voters to the total number eligible voters in Jasper-Edson constituency is only up slightly from the 1962 vote. According to our primitive mathematics this makes it just under 73 percent

Out of 23,000 names on the list, just under 20,000 voted which is about 600 more than voted last year. This would seem to indicate that our far-flung riding is consistent in getting to the polls

Of the extra 600 who voted it is presumed the Conservative candidate must have gotten most of them At any rate it explains partly, the extra 2000 votes he received this year

Funeral for well known district dairy farmer

Funeral services were held Tuesday for Reginald Harry Wadley, 62, who died suddenly Saturday morning April 6, at the family farm on the Coal Branch road formerly

Well known in dairy circles Mr Wadley had made a considerable reputation as a breeder of pure bred Red Poll cattle and over the past several years handled a large dairy operation that is the latest word in dairy product ion.

He was active in Farmers Union affairs. He was a veteran of service in both world wars, having served with the Canadian Army in the First War and with the RCAF in the Second War.

He is survived by his loving wife Goldie, three sons, Max at Edson, Joe of Anthonson and Ronald at home; also by two daughters, Mrs Carl (Bertha) Bittenbergner of Edson and Mrs Jim (Edna) White of Manning Several brothers and sisters also survive There are 7 grandchildren

Funeral services were held on Tuesday, April 9, from the St Catherine's Anglican Church with Rev Father A G Hooper officiating and interment was made in the family plot in Glenwood Cemetery A Legion Guard of Honor was present, and acted as pallbearers

Floral tributes were received from The Family; Joan and John Jessy and Geoffrey Floyd Jim Hazel and Family, Hazel Wadley and Bruce, Myra and Ulf Cecil and Marilyn, Uncle Ray and Aunt Ellen Olive, Herman and Family Jasper Edson Progressive Conservative Assoc; Management and Staff Valley Dairies Ltd., Grandpa Clark, Viola and John Pride, Josephine and Family; Pat and Helen Fenske and Family, Daisy, Gordon and Family, Jasper Red Red Poll Club

Norman and Elsie Quinnell, Adrian, Herb and Jack Marie; Ken and Jessie; Mr and Mrs. Walter Mitchell, Bob and Rose McGuire; Mr. and Mrs. A. Strongman and Family; Hugh and Margaret, Mel and Jean, Charlie, Donna and Family; Mr and Mrs. Frank Winward and Family; The Sec Family; Mr. and Mrs. H. P. Affleiter; Mr. and Mrs. Pat Hawkins; Mr and Mrs Jack Wasynika and Family; Ladies Auxiliary, Royal Canadian Legion No 84, Mr. and Mrs. R. F. Broome; Royal Canadian Legion Br. No 84; Jim and Alice Newnham

Mark and Family; Mrs. Jane Smith and Doris Gardiner; Louis and Family; Mr. and Mrs. Ray Gideon, The Switzer Family; Jack McNaughton and Family; Edson Milk Producers, Lester and Sadie Roberts; Bob and Doreen Taugbe; Joe and Sylvia; John and Pauline Stitzenberger; Mike and Johanna, Joanne and Wendy; The Lavelle; Dan and Betty Johnson

Donations to the Heart Fund were received from: Ken and Margo; Percy and Gladys.

Edson Funeral home was in charge of arrangements

Thanks Folks

to all those in Jasper-Edson Constituency who gave me and their Liberal Party their vote of the polls on April 8.

A most sincere thanks to all who worked so diligently on my pre-election campaign in Hinton and at all points in the constituency

"Brief Encounter,"

EVERY DOLLAR YOU SPEND "AT HOME"

HELPS OUR COMMUNITY TO GROW

JUST THINK ABOUT IT FOR A MINUTE

A good part of every dollar you spend with our local business goes directly into circulation in our own community in the form of salaries and wages, and taxes which make possible the improvement of educational, health and recreational facilities

That's why it makes such good sense to spend those precious dollars "at home", especially when quality style, selection and price of the merchandise and services offered compare quite favorably with those in the "city".

Council calls public meeting

Continued from page 1

of traffic, and curb and gutter, on Main Street from 1st Avenue to 6th Avenue

It was agreed that the proposed construction of storm sewer extension and proposed curb and gutter program should be set aside and that the reconstruction of deep sanitary sewer in 2nd Avenue should be held in abeyance.

It was moved that Council approve the proposed revision of commercial and general service rates, as submitted by Calgary Power Limited. The new rates give as much as a 20% reduction to large commercial users.

The over-all layout of an ultimate improved street lighting system, prepared by Calgary Power Limited at the request of the Council, was placed before Council and referred to the Utilities Committee for recommendation.

Authority was granted to payment to G. A. Bolins, Western Animal Care Limited, of $130.00 covering one dog's service plus 50% of license and penalties collected.

The Emergency Measures Organization Survival Plan, as submitted by the Civil Defence Director, was approved and adopted.

By-law No. 927 providing for the acquisition of the north westerly frontage of 10 feet throughout of Lots 7 and 8, Block 62, for the purpose of widening 12th Avenue, was given three readings and passed.

The plan of survey providing for the widening of 12th Avenue, and etc. was approved and the Mayor and Secretary were authorized to sign same.

It was moved that in accord with Section 9 of the Interim Development By-law No. 949:

(a) that Provincial Board of Health Regulations Governing Trailer Coach Parks (Division 17), and amendments be adopted.

(b) that no occupied house trailer, or mobile home, as defined in the Town and Village Act, shall be placed within the Town of Edson other than at an approved Trailer Coach Park, pursuant hereto, that specific approval of Council may be obtained to place an occupied trailer at a construction or industrial site for a specified or limited period.

That this be recorded in the Register of Resolutions of the Interim Development Board. That it be recorded that this document is for delegation purposes only and it is not binding on the Council. It may be withdrawn or registered at any time under the procedure prescribed by Section 9 of the Interim Development By-law.

In conformity with Section 239 of the Town and Village Act and Section 17 of By-law No. 902, the application of the Sunset Trailer Court for a Town license was rejected until such time as a current Provincial License is obtained.

Material with respect to proposed rental extension of Memorial Park was placed before Council.

The petition objecting to the possibility of 48th Street being closed between 10th and 13th Avenues was placed before Council. The Petition was tabled until the next meeting of Council. Opposed by one Councillor.

Letter from the Honourable Gordon E. Taylor, Minister of Highways, confirming no assistance available from Provincial Government for proposed Tourist Reception Centre was placed before Council.

Council authorized the remuneration of Fire Chief Semenuk, during attendance at Fire Chief Officers Training School April 29 to May 3, on basis $15.00 per day.

The Meeting of Council was temporarily adjourned and Court of Revision set to consider the assessment appeal of John Iwidzon on the assessment of certain Lands, the decision of the Court of Revision having been reserved on the appeal. Councillor Wells assumed the Chair. The assessment of lands and improvements on the lots was confirmed.

The Court of Revision adjourned and the meeting of Council resumed.

The Court of Revision is to hear business at same appeals Tuesday, May 21 at 7.30 p.m.

Council granted its approval to St. John's Hospital Auxiliary carrying out a Flowers Nightingale Tag Day, May 11.

By law No. 928 providing for the repeal of By laws numbered 317, 846, 869 and 894 was given three readings and passed.

Teen and Herd

BY BEN

Congrats to Rick McCardle, Grade XI, who won the trophy for outstanding teenager on Friday. Rick was a very popular winner and we know his personality will get through to the judges at the Town Conference at Medicine Hat.

The same goes for Barbara Marshall who won the trophy for Teen Queen. Barbara is also from Grade XI and also goes to Medicine Hat. We (Grade XI aren't doing so badly are we?

The dance on Friday could have been better attended. What's the matter with you teenagers, the dance was put on for you. Let's hope the next dance will see all the teenagers there.

The weather fouled us up again, but we still had our slave sale and didn't do too badly. We hear Joyce is diligently scrubbing floors. Mike and Teddy have to simonize Mr. Binette's car when the sun shines and it isn't muddy (maybe this summer), Joan and Reynold had to clean Mr Colbeck's floors, etc.

Our thanks to Mr. Strong-han for lending his car to drive Dr. Solberg around Edson.

Nice to see Ted Green back for a short while before he joins the Army.

I've learned more about the government of Canada in the last few days. It's rather confusing but now I think I've got it. To win an election you must have a majority; to have a majority you must win 133 out of the 265 seats.

Now then can anyone see that the Liberals won the election when they have only won 128 so far? I think Prime Minister Diefenbaker is still Prime Minister unless he resigns and he hasn't said so yet. He could carry on as Mackenzie King did in 1926, only Mackenzie King had just the Conservatives as opposition and Mr. Diefenbaker would have the Liberals, Social Credders and N.D.P.'s (I heard that on the radio). What a mix-up!

It's awful to have to write about politics because every thing is so quiet at school these days — no hockey, no basketball, no curling — just politics!

The curling trophy for the league was presented at school today. Winning the trophy was Skip Burton Rowat, Third Reynold Belbeiser, Second Karen Kortzman and lead Laura Rack.

Saw a lot of new High School rings today. They are really an improvement on the previous rings. Our Kinsmen members are to be in Friday for sure.

Career Night was quite a success with a large number of people and parents attending.

There will be no column next week — Easter Holidays start Friday. Have all the fun you can and that includes sleeping in until 12 o'clock. My mother is a maestro. She's actually trying to dig up work for me to keep me occupied.

Happy Easter everyone.

The following accounts were passed for payment. Harry Mary, $30.00, Peter Simonuk, $78.84, John W. Ernst, $546.11; Jemaz Pulls, $135.16; Jim R. McNaughton, 110.51; Anton Kapcha, $112.38, Victor Columbak, $107.40, Hugh Clyne, $114.44, Martin Auslumer, $119.36, F. J. Miller, $111.11, Kurt W. Engel, $122.83, William Jaymuck, $125.35, Harold Armstrong, $111.25, Irwin Mascris, $99.47, Phyllis Chapman, $102.26, Fred Armstrong, $101.01, Eric M. Johnson, $15.00, T. H. Semenuk "Fire Payroll", $420.40, Town of Edson "Utilities", $7.50, Medical Services (Alberta) Incorp., $182.00, Eric Mayford, $26.25; John E. Maddison, $36.68; F. J. Miller, $30.00, Nigel H. Aspenlet, $17.25, Percy W. Wells, $48.86, Alberta Government Telephones, $39.09; Northwestern Utilities, Ltd., $230.47, Town of Edson "Utilities", 94.50, Day Rite Food Store, $213.14, Rose Neuharth, $73.00, E. R. Reding, $80.00, Provincial Treasurer, $38.00, Edson Loggers' Supplies Ltd., $ 60, Al's Exchange, $83.80; Edson General Supply Ltd., $127.67, Wortheng Transport Ltd., $12.05.

Centre Service, $5.64, Whelans Service, $4.94, Hinchliffe Sunset Service, $11.11; Waterloo Motors Ltd., $43.75; Edson Welding Co. Ltd., $72.80; Edson Shell Service, $75.30, Linden Motors, $146.60; Edson Tire Service, $207.84; Star Cafe, $79.00, Patterson Insurance Agencies Ltd., $52.67, The Edson Leader, $148.31, The City of Edmonton, $6.50, Municipal Supplies Ltd., $15.20; Hughes-Owens Co. Ltd., $16.56, Canadian Liquid Air Co Ltd., $30.72, Safety Supply Company, $23.14, Van Waters and Rogers of Canada Ltd., $32.00; R. Angus (Alberta) Ltd., $237.52, Imperial Oil Ltd., 60.80.

It was moved and carried that steps be immediately initiated toward cancellations of present employee pension plans with Confederation Life, the remedial transfer of balance to, and the implementation of a pension scheme under the Local Authorities Pension Act.

AROUND TOWN

Mrs William McKeever of Edson who has been spending the winter in Edmonton with Mrs. J. R. Vosberg, is a patient in the Royal Alex hospital. Her friends from Edson wish her a speedy recovery.

☆

Sincerest sympathies to the Wadley family on their bereavement.

☆

Mr. Wilbur Perkins of Edson is a patient in the Royal Alex hospital in Edmonton.

Mr. and Mrs. Lee Harris were recent Calgary visitors.

☆

Congratulations to Mr. and Mrs. Dan Lukarchy on the birth of a daughter on election day, April 8th. The little Miss weighed in at 9 lbs. and will be royally welcomed by brothers Rick and Barry.

☆

Congratulations also to Mr. and Mrs. C. Kortzman on the birth of their daughter on April 7

☆

The Isaac and Erickson families, with Alberta Gas Trunk Lines, visited at Telfield on the weekend.

☆

Mrs. Olive Knorr of Dawson Creek is in Edson for the funeral of the late Mr. Wadley.

☆

Miss Joyce Bullas has left on an extended visit with relations in England.

☆

Mrs. 7 Highet of Edmonton is visiting with Mr. and Mrs. T. I. McLeod.

☆

Mr. and Mrs. Harry Wilson were in Edmonton at the weekend to attend activities honoring Cliff McKeever on his retirement from the CNR. CN officials and friends were on hand at the station for track side recognition of the occasion. In the evening Mr. and Mrs. McKeever entertained 100 friends at their home. Among them were the Wilsons, Mr and Mrs. Lorne Wilson, Mr H. Thurlow of St. Thomas, Ontario; Mr. and Mrs. Roy Waters, Kamloops, B.C.; Mr. and Mrs. Arnold McKeever, Mr. and Mrs. Ken McKeever, Mr. Webb McKeever

Mr McKeever had completed 42 years with the CN at his retirement.

☆

A cribbage player of [illegible] years standing Elmer Wasik has finally been dealt that elusive 29 hand. Elmer was playing with his son Ernie when the 29 points came his way His luck held for at least another hand when he counted 24 points. Needless to say with all those points he also won his game

Quebec party to feature sugaring off

Of keen to the many French Canadians living in the district is the following item.

"La Cabane a Sucre" an annual event sponsored by the French Canadian Association of Alberta, will be held at the Edmonton Exhibition Association's Rams Pavilion on Saturday, April 20th, from 8:00 p.m. till midnight.

A French Canadian Style meal consisting of baked beans, poached eggs in syrup and pancakes in syrup will be available starting at 5.30 p.m. Coffee will be made on the spot and given free of charge to all those interested in tasting a type of food available only in Quebec. Maple syrup and maple sugar will be on sale during the evening

Peter Dunn will provide music for square dancing from 9.30 p.m. until 2.30 p.m.

While "The Toppers" will provide more music from 9:00 p.m. until midnight.

Children will have their own corner where they can ride ponies or snowmobiles and drink soft drinks free of charge.

Motion pictures will also be shown to children and adults.

Edson oldtimer dies at Red Deer

Friends of Mr. Andrew J. Thomson will be saddened to hear of his passing in a Red Deer hospital. He was 80 years of age and funeral services were held Wednesday, April 10.

Mr. and Mrs. Thomson lived in Edson for nearly fifty years prior to their move to Red Deer about two years ago. He retired from the CN car department in 1958.

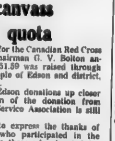
Mrs. Thomson is remaining at Red Deer where a nephew, Robbie Burns, helped with funeral arrangements.

Business and pleasure trip

Mr. and Mrs. J Hnoh and Family left this week for a business and pleasure trip to Eastern Canada.

Jack informs The Leader that the trip will include making financial arrangements for building an ultra modern food market in Edson.

SPARKS



by W. G. Forbes

It's hard to get to the top when you have to start at the bottom and get a leap on the level.

Red Cross canvass nets half of quota

The annual canvass for the Canadian Red Cross has been completed Chairman G. V. Bolton announced this week. $751.39 was raised through donations from the people of Edson and district, out of a quota of $1,500.

To help bring the Edson donations up closer to the quota a portion of the donation from members of the Civil Service Association is still to be added to the total.

Mr. Bolton wishes to express the thanks of the committee to all who participated in the canvass and a thanks to those who donated for this worthy cause.

A special thanks goes to Mesdames R. Knotsman, W. R. Kunyk, J. Morrison and V. Jardine, and to Mr. P. Guenette who handled the business canvass.

The Edson Leader

The Voice of Edson Constituency

and WESTERN WEEKLY SUPPLEMENT

First Section — Edson, Alberta, Thursday, April 18, 1963 — Vol 11, No. 16

Nearly 7 ins. of snow disrupts West lines

The 6.9 inches of snow which fell in the 24 hour period ending Tuesday plus .94 inches of rain seriously disrupted telephone lines between Edson and Hinton.

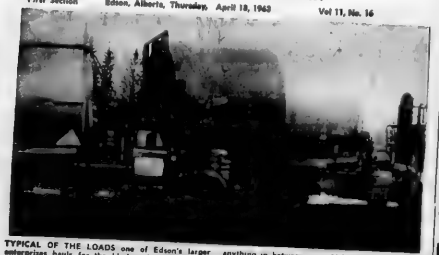
There were over 40 breaks and in some places six breaks were found on a single pole. There were about 35 breaks in Edson alone and the Coal Branch lines are still out of commission.

It was about 5:30 before a line was open to Hinton and 7.30 before the CBC line was open to allow listeners to pick up the hockey game.

Snowfall on the Obed ridge was estimated at a foot and about a foot and a half was the estimate for the Cadomin area.

There were breaks between Edson and the city as well, but only about eight circuits were out. Local linemen report they have never seen the like of it in their experience.

Power relays on Calgary Power circuits were repeatedly thrown out as the snow melted Tuesday morning. Only major disruptions of power were on the Peers Fallhen REA where fuses and transformers blew when lower wires flapped as wet snow melted.



TYPICAL OF THE LOADS one of Edson's larger enterprises hauls for the bludgeoning oil and gas industry. Worthing's can haul a case of eggs or a huge oil storage tank like these two and practically anything in between says Al Worthing. The locally owned transport firm has grown with Edson's push ahead during the last 15 years to the stage where such loads are routine.

Little Britches Rodeo events list

For boys and girls planning to enter the Little Britches Rodeo here is a list of events. This will give aspiring young riders a chance to practice in advance. The rodeo will be held on June 16 which is also Farmers Day.

1 Steer Riding, boys 14 to 18 years.

2 Pole Bending, boys and girls (open).

3 Calf Riding, boys 13 years and under.

4 Saddle Race, boys and girls 12 years and under.

5 Flag Picking, boys and girls 12 to 18 years.

6 Steer Undercorating, boys and girls 12 to 18 years.

7 Bareback Bronc Riding, boys 14 to 18 years.

8 Barrel Race, girls (open).

9 Pony Race, boys and girls (open).

10 Musical Chairs, boys and girls 12 and under.

11 Barrel Race, boys (open).

12 Relaying Event, boys and girls (open).

13 Flag Race, boys and girls (open).

14 Wild Cow Milking, boys and girls (open)

15 Greased Pig, boys and girls (open).

Entry fee for events $1.00 per event.

Entries must be in the hands of Mr Nash Maitlent by 10 June, 1963.

Good prizes for all events.

PRIVATE DONALD J. SNIDARSICH of Edson, has successfully completed an eight-week junior non-commissioned officer course at Camp Wainwright. The course, which consisted of field tactics, instructional techniques, first aid, national survival and general military subjects is designed to qualify soldiers for promotion to senior ranks. He is a member of 1st Battalion, Princess Patricia's Canadian Light Infantry stationed at Victoria, B.C.

Mrs. E. Herring new president of Lady Lions

Mrs Emily Herring was installed as president of the Edson Lady Lions Club at their last regular meeting on April 10. Other executive members installed were: Mrs Alice Hutchinson, vice president, Mrs Joan Hallen, treasurer; Mrs Florence Peterson, secretary; Mrs Georgette Schultz, tail twister.

Plans for the open house ten to be held at Parkland Lodge were finalized.

The tea is planned for Sunday, April 28 from 2.30 to 4.30 in the afternoon. The community is invited to drop in for a cup of tea and a visit with Edson district's senior citizens.

It was decided to hold a whist and bridge party at Parkland Lodge on Friday, May 31 at 8 p.m. It is hoped there will be a good turnout.

Who owns the best skid horse?

All indications shown towards the horse pulling competition at the Little Britches Rodeo to be held on Farmers Day, June 14, are very encouraging.

With the Edson Rodeo Association putting up some very good prize money for the three top skid horses who can pull the most, the interest has begun to snowball since it was first mentioned less than one month ago.

The horse will be required to pull a stone boat loaded with rock for the distance of about ten feet and then extra rock loaded on with the same procedure repeated until it is too much of a load.

In the past, years gone by, this has proven to be a very popular sport for teams of horses and soon feel in the Edson district there is money being wagered as to who owns the best skid horse.

The Edson Rodeo Association are willing to put up money to find the answer to who owns the best horse and who is the best trainer.

Going to Hat Teen Conference

RICK McCARDIA who was voted Edson's outstanding teenager

BARBARA MARSHALL who was voted Grade XI rose queen for EHS

IN THE SPRING A LITTLE GIRL'S FANCY turns to thoughts of wishing she was as big as mummy so she could wear flowery hats to church on Easter Sun. Little Susan Rogers was caught in the act as she tried on one of her mother's new Easter bonnets and stares pensively at herself as she tries to make up her mind which one looks best.

Haddock Happenings

Evan Cameron returned to Prince George last Tuesday after a three weeks holiday spent with his mother Mrs. Orval Priebe

Mrs. Maude Haddock is home again after a month as a patient in St Johns Hospital in Edson Her friends and neighbors are all hoping she continues to be well.

The Easter school holidays just came in time. There are a number of pupils on the bus routes where water is to cross the road.

A very successful surprise party was held in the home of Mr. and Mrs. Clayton Burrus last Saturday.

Anne Herron is taking a year rest from farming. He has rented his farm to Ted Hitchcock for this year.

A real comedy of errors on Easter Sunday turned out well in the end for the Johnstone and the James Strouds [illegible] and Mrs. J. Stroud and [illegible] Mrs. Carol Sutcliffe all [illegible]

Mrs. Neale have a brand new 12d foot well with a good depth of water. They are planning on a pressure system later on.

Art Lovell has returned to the district to put in his crop. He has been temporarily laid off at the Mitchell mine

Mr and Mrs. Doug Quinell and Jessica spent Easter with Mr. and Mrs. H. Haddock and family.

Mr. and Mrs Merrin Williams and family and Miss Fay Hanrahan spent Easter Sunday with Mr and Mrs. F. L. Rumball Fay and the Williams children are to spend Easter week with the Rumballs.

Miss Inez Krenke was home over the Easter weekend. She and her small brothers spent Easter Sunday with Mr. and Mrs. Dick Henderson and family

Dale Krenke and Leonard Lindstrom went to Whitecourt to spend Easter Sunday with Leonard's parents.

Miss Shirley Hefleman and Miss Jane Mizelli spent two days last week in Edmonton. Jane visited her sister Thyra and Shirley her sister Mrs. B. Bowman. The two girls returned home with the Lovells.

Mr. and Mrs. Eugene Wilcox, Mr. and Mrs. Nello Cattarin and family and Miss Margaret Krebes spent Easter with Mr. and Mrs. Jos. Tabbenor.

THE Homemaker

Have you given any thought to giving your old hats a new spring look? A new season does not always mean a new bonnet. In any case a little variety and longer wear is reason enough for doing some millinery rejuvenation. Here are a few suggestions to start you off on the project

Straw Hats:

1. Use a soft brush to remove as much dust as possible. Remove water spots by brushing with alcohol. Brush lightly but be careful not to soften straw in the same direction always.

2. Cold coffee brushed on dark straws freshens them. Stuff the crown of the hat while working so that it may keep its shape

3. A cloth moistened with carbon tetrachloride will remove grease and cosmetics from band

4. Shaping Straw. Dents and creases can be removed by steaming. It is practically impossible however, to change the shape of your straw hat.

5. Dyeing Straw: Any shade of commercial ink, diluted with denatured alcohol can be used. Brush on but use a block so that the hat will keep its shape. Dry thoroughly.

6. Freshening Straw: Colors can be brightened by sponging with a solution of one teaspoon ammonia to one cup water. Clear shellac diluted with an equal amount of alcohol, applied with a brush will stiffen and brighten limp, dull straw. Apply as many coats as necessary.

Veils:

Press between two thicknesses of wax paper. To make it stiffer dip in a solution of tap gelatin to 1 cup water. Squeeze out and stretch to dry.

Flowers and Ribbons:

It is best to buy new ones.

Felt Hats:

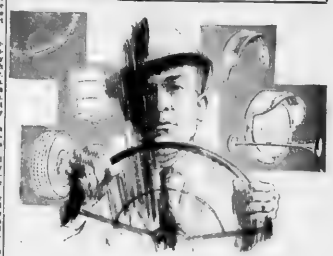
1. Remove trimmings and band.

2. Brush or vacuum in a circular motion.

3 Clean any spots using solvent or carbon tetrachloride

4 Renew nap by rubbing with CO paper

5 If light colored — use cleaning fluid and corn meal. Felt may be stiffened by applying a solution of ¼ teaspoon powdered glue to one cup water on the wrong side.



The most dangerous part of an automobile

...IS THE DRIVER. Today's modern automobiles are soundly engineered, safe, and remarkably reliable. Modern roads, too, are designed to present the minimum of hazards. Driving only becomes dangerous when fallible humans beings come into the picture and, through their human failings, cause accidents.

In a determined effort to cut down the nation's accident toll, the automobile insurance business has dedicated itself to the promotion of highway safety programs and driver training education.

As a part of this extensive program of safety promotion, which includes several nation-wide projects, All Canada Insurance Federation sponsors the Alfred Campbell Memorial Awards, presented annually to Junior Chambers of Commerce conducting the best year-round safety program in their communities throughout Canada.

DAIBAILEY/ALLEN

TOMORROW'S DINNER
Beef and Vegetable Soup
Cheese-Bacon Loaf
Tossed Asparagus-Crab-Lettuce Salad
Banana Coconut Cup
Coffee Tea Milk

Measurements level; recipes for six

CHEESE-BACON LOAF

1 large loaf enriched bread
½ cup butter or margarine
½ cup grated, peeled raw onion
2 teaspoons caraway seeds
½ lb sliced sharp cheese
3 tablespoons table mustard
8 halved slices bacon (scalded and drained).

Trim all crusts from bread; reserve to use in making croutons.

Next make series of diagonal (slanting) cuts in loaf, 1½" apart, cutting almost through.

Cream together butter or margarine, onion and caraway seed; reserve 2 tablespoons of this mixture.

"I think I will have a martini, med-rish," said Gene to the waiter.

"Domestic or imported," asked the waiter.

"What's the difference?" said Gene.

"Only that the domestic one costs a quarter and the imported one costs thirty-five cents."

"You bring me the domestic one," said Gene. "I'll be damned if I am going to pay that much for a drink in Canada for any gentleman."

☆

A house was completely demolished by an explosion believed to be a widow when it did all alone, she herself was uninjured. A doctor who rushed to the scene said he felt that one of the few things that had not been destroyed in her house was a bottle of brandy, and he suggested that she take a nip of it to steady her nerves. "Nothing doing," said the widow. "I'm saving that for an emergency."

Spread it on both sides of each cut slice of bread. Tuck sliced cheese into slits.

Last add mustard to reserved mixture, spread it over outside of loaf. Press together; place on oiled baking sheet; top with bacon.

Bake 15 minutes in moderate oven, 350 deg. F. or until cheese melts and bacon browns.

BANANA COCONUT CUP

6 medium ripe bananas
1½ tablespoons lemon juice
2½ tablespoons sugar
½ cup toasted package flaked coconut
1 cup sweetened whipped cream or whipped dry milk crystals (see package for directions)

Peel bananas. Scrape and mash with fork. Beat in lemon juice and sugar. Stir in half coconut and half whipped cream.

Turn into sherbet glasses. Pile remaining cream over top. Coat with remaining coconut.

Chill 30 minutes. Serve.

Expert: An ordinary rifle can away from home, giving advice.

Speaking Contest Finals on April 26

Four High School students from Hinton, one from Jasper, and one from Edson will compete in the Oddfellow and Rebekah Lodge's annual public speaking contest to be held in the United Church Hall, Friday evening, April 26, at 8:00 p.m.

Winner of the contest will be awarded a trip to New York and the United Nations along with other Alberta winners, and those from the north-western part of the United States.

The "United Nations Pilgrimage for Youth" as it is known, is designed to give youthful orators a first-hand opportunity to see the United Nations in action, and to visit important eastern cities in the United States and Canada.

Last year's winner from the Edson Lodge District was Campbell Huth of Hinton.

Your local paper has been asked and to publish the names of the contestants prior to the speaking finals as this would be contrary to the rules of the contest

The four Hinton speakers are once again being sponsored and assisted by members of the Hinton Kiwanis Club The subject of their addresses will be "UNREST" and "Fail-

To My Friends In Jasper - Edson Federal Constituency

During the past several weeks of the federal campaign, I have had many close and capable friends helping me. As well, during that time, I have met many more of you who have been kind enough to offer your assistance whenever possible

May I take this opportunity to express my sincere appreciation to all of you who have assisted me, whether it was by working on one of the various committees or by offering your support at the polls. I have enjoyed meeting, working and talking with you. I hope we meet again.

W. A. (BILL) SWITZER
Inserted by Jasper-Edson Federal Liberal Association

EDITORIAL PAGE

A BIG CHANCE

If our grandparents were to pay us a visit from the past they would have a lot at which to marvel. They would certainly be amazed at our cars, our television, our refrigerators; even our electric lights, telephone and running water would impress them greatly. But outdoors in the garden they would wonder even more, because many of the flowers and vegetables we take for granted were absolutely unknown in their present state of perfection a 100 or even 50 years ago.

Back in the old days, most of the peas and corn were of the field variety or at least little better in quality. Carrots had woody cores, beans had strings, and tomatoes, melons and such tender things were virtually unknown in most Canadian gardens. In the flowers it was even more so. Blooms were smaller, came later in the season and there was nothing like today's vast variety of color. And this development is still going on.

This spring for instance, seed stores will offer new very dwarf zinnia, the Thumbelina, only a few inches high — at maturity and covered with tiny tiny bloom from June until fall. And for the contrast there is another new zinnia — the Firecracker which grows a yard high and has flowers half a foot across.

THE RED ENSIGN

It has been particularly interesting to see the support massing in recent weeks for the Canadian Red Ensign as the real Canadian flag. Some two months ago the Royal Canadian Legion devoted about three pages plus a cover in full color, to the matter, followed up this month with literally scores of letters endorsing their program, while only two registered any opposition. Two days ago we were in receipt of another batch of material together with a petition, asking support for the red ensign, and this weekthe mail from New Norway brought another such mailing.

The interesting thing, to us, is that far more right and propriety and history can be shown for the correctness of the ensign than we had imagined. In presenting a fairly complete history of the development as the ensign as the national flag, the Legion-naary, instead leaves little doubt that to fly any other flag would not be correct, except, of course, in the case of Queen's (the Union Jack) in regional parades, and similar isolated exceptions. We had not previously realized, though we support the red ensign as a truly Canadian flag, just how much historical significance is built into the flag.

And just to follow a red herring: we have been somewhat dismayed to see the provincial flag, with its setting sun, flying at the mast of a provincial game office. C'ertainly, it seems to be property correct, but how far can we go in deploring separatism in Quebec, and flying their feur-de-lis without similarly deploring the building of provincialism in another province?

Letters to the Editor

Dear Editor:

I would like to talk to you about the subject of chasing up our dogs. They have a right to be a free as we do.

Don't chain him to the back of that man's trunk — he loves me like I love him.

You don't take us into a way because we're running around, why shouldn't our dog run with us too?

Daddy says our dogs cause trouble to us like the fines and dollars that bunch of dog catchers are going to kill our dogs.

A Boy Age 11

☆

Editor:

I'll bill any dog in town that needs killing for two dollars.

I emphasize NEEDS killing and don't mean family pets.

Strangler

☆

Dear Editor:

I am mad and I need some information: I'd like to know, is there a by-law concerning dogs and if so when was it passed, what year and by whom?

There are a few dog lovers in town who would like to know if the people have ever had their say regarding dog catchers.

Would appreciate a copy of supposed by-law.

Citizen.

Editor's Note: Yes there is a Town by-law on the control of dogs. In The Leader of a couple of weeks ago a dog catcher by-law was passed by Council. A copy of the by-law could be obtained at the Town Hall.

☆

Dear Editor:

WANTED — A new home for our Dog with someone who can let him run free and who will love and care for him as we have.

He's only little, so won't take up much space. He's getting old and he doesn't take to being chained too well. But in love here in Edson we could keep him in the confines of our lots — a thing that is impossible unless we chain him up.

With our large family we can't afford to continue paying fines for him. Therefore because he is a well loved pet and we can no longer afford him suffer we would like to get a home for him and of town. (Our baby says "Don't let him cry like that Mom — sacrifice him.")

We would prefer to send him where he could be happy. We can't face the heartache of doing away with him ourselves.

The funny thing is, we're good citizens in our town. We pay taxes for frontage, business, sidewalk and upkeep. We keep our boulevards neat, but our dog mustn't be caught on them nor on the sidewalk or we are paying for. We buy a license, but this is just to allow us the privilege of keeping him, nothing else.

To top it all we must face the embarrassment of being told some character who comes from out of town, draws wages of $100 a week plus a percentage of licenses sold and fines and who takes nearly every cent of it out of town. We don't even know the foundation that he contributes to our town's support.

The days of joy of a boy and his dog are things of the past. In our town pets must be chained. No greater love hath any youngster who will say: "Give Tip away Mom, he's only unhappy this way."

If you can take him apply to Box 310, Edson Leader.

Mom and Son

WELL?

CAPITOL REPORT

VETERINARY COLLEGE STILL BEING DISCUSSED

BY JOHN WARREN

EDMONTON — The jockeying between the Saskatchewan and Alberta Governments for Western Canada's first veterinary college continued last week but didn't mount much closer to a final decision.

Premier Manning said last week he still expects the college to be established on the Edmonton campus of the University of Alberta. Saskatchewan Government officials seem equally convinced they will get the institution for their University's Saskatoon campus.

The Saskatoon bid has been backed up by Saskatchewan's Provincial Treasurer, J. H. Brockelbank who has promised a $1,000,000 grant towards construction of the institution. But, he added, the Federal Government must help with the cost of construction and both Ottawa and the other Western Provinces must pay part of operating costs.

The University of Saskatchewan's Board of Governors added its weight by approving such a college for the Saskatoon campus.

Mr. Manning said in response that there is "no question" that the Alberta Government and the University of Alberta "would be delighted to have" the college in Edmonton.

"We're still proceeding on the assumption the college will be in Edmonton. Our position is that we're prepared to go ahead with a college providing an agreement can be reached with Ottawa on construction finance."

The Alberta Premier added that Alberta could not give financial assistance for the construction of the institution in Saskatchewan and has not considered what help it could give for operating expenses if the college were established outside Alberta.

☆

The Province's one man rural commission investigating funeral practices, cemetery operations and legislation affecting them has completed its questioning and at least one of the recommendations it will make to the government is known.

The commissioner, Chief Justice C. C. McLaurin, said while hearings were drawing to a close in Edmonton, that a ban on new commercial cemeteries will be recommended in his report.

He referred to indications from testimony that adequate funds are often not being set aside by commercial cemetery companies to care for the graves that will eventually take up the space available.

Chief Justice McLaurin also indicated he might have something to say about door-to-door selling of funeral plans and cemetery plots and that he does not favor temporary licences for salesmen.

☆

About 300 students of the Edmonton campus appeared to have concerns other than a veterinary college as they staged a noisy demonstration to protest increases in rates charged at student residences.

The students marched into the administration building carrying placards and shouting slogans that included "lower the rents" and "what's happening to our money." University president Walter Johns was later learned in effigy.

Earlier the University announced increases in charges for room and board at the three campus residences. The five dollar increases become effective in September and will be tacked onto monthly rates of $65 and $75 a month, depending on whether the students occupy single or double rooms.

The increases are the first in four year's and were forced by higher operating costs, University officials said.

☆

Alberta's flying farmers met in Edmonton during the weekend and elected Lionel Lucas of Vulcan as the 1963-64 president.

The group also called for removal of a regulation limiting crop spraying operations by aircraft to within 20 miles of a farm. They said the provision in department of transport regulations "is a serious restriction in attempting to contain insect and weed outbreaks."

They also said it prevented logical use of the farmer-owned spray aircraft pool.

Robb and Branch News

Mr. and Mrs. Hoglin accompanied by Mr. and Mrs. Ken Brandie were visitors to Jasper on Sunday while there they visited the fish hatchery. It must have been quite a temptation just to look for Elmer. No wonder we had such a rainstorm all day Monday followed by six inches of snow through the night.

Cudlands had many an interesting while we had rain here at Robb.

The stork visited Mr. and Mrs. Ted Pierzall between the election and the race ... on bringing them another son to Hilton Hospital, Campbelle. Congratulations.

Mr. Syverson accompanied by Mrs. Buchner and family of Brule were visitors to Robb on Friday. Thomas Hoglin accompanied them back to Brule to visit with Donna and Greta for a few days during lunch hour.

Mr. and Mrs. Steve Cvitkovic and family spent the Easter weekend with Mrs. Cvitkovic parents Mr. and Mrs. Josh Telgrenn.

Friny Kennedy on behalf of students Union of Robb sincerely thanks all those who so generously bought tickets on the Ham they raffled at Easter. The lucky winner was Hilda "Herb Cavda."

A "special thanks" goes to our local bus driver Mr. Richard Sherry who through his busy schedule took time out to sell tickets in Edson. To the kind people of Edson that bought tickets and their kindness.

Our local school teachers all took advantages of the Easter vacation. Mr. Hoglin, Mr. Rutten and Mr. Gnida visiting relatives at various places.

Mr. and Mrs. Kenny Wheat of Ft. Assiniboine visited the Cougars here Friday and Saturday.

Mr. and Mrs. Gary Cooper and son left for Wainwright on Monday to visit relatives for a few days.

The Easter program presented by Mrs. Ewen and Mrs. Hood and a group from Edson accompanied by a group from Robb was thoroughly enjoyed by all. Mrs. Hood is to be highly commended on the substitute victims also accomplished in the true meaning of "Good Friday."

Mr Bernie Olsen arrived home to spend Easter with his wife and family.

Messrs. Tony Rizzi and Buzz Martin were visitors to the Branch on Saturday. Tony spent he lubbing advantage of his last few days before the "Tin-Alley."

Don't forget the Dixon in Robb Hall March 15th at 8 p.m. Jack Pot fifty-four numbers for $25. "Free Lunch." Come and enjoy an evening in the "Sportsmans Paradise."

Our rain of Monday turning to snow Monday night sure fixed things in general. Everyone seems so depressed and fed up, some over the elections, some are under the weather with the "flu" others are fed up with the weather

So we are all in the same disposition one way or another, however we hope summer soon rest.

"Uh, oh, sure looks bad, as I sit writing our Branch News I see those "Horrible Hairlines all gathered in large flocks in the trees on the bank overlooking the highway. A sure sign of more snow. Hmmmm Robb has a nice clean "Fairyland look today."

Edward Heslep dies in city

Greencourt has lost one of its oldtimers, Mr. Edward Heslep, who would have been ninety years old this month. Mr. Heslep was also well known in Edson.

He is survived by two sons, Robert of Vancouver and Irwin of Edmonton; two daughters, Mrs. Vera Daley and Mrs. Ettie Jarvie both of Edson; eight grandchildren; one brother John, of Marcelhorpe; one sister, Mrs. Elizabeth Braithwaite of Greencourt.

Funeral services were held in Greencourt from St. Saviours Anglican Church. Reverend Greenwood officiated and interment was made in Greencourt cemetery.

Connolly-McKinley were in charge of funeral arrangements.

CARD OF THANKS

Mrs. Jean Gideon and Mrs. D W Miller and family wish to thank the many friends in Marlboro, Edson and district who sent floral offerings and expressions of sympathy following the death of Colin Gid eon at Creston, B.C.

Grace Hagen Shower guest

A shower was held at the Chirkson home Friday, April 5th, in honor of Miss Grace Hagen. About fifteen guests enjoyed bingo and other games. Co-hostess for the occasion were Mrs. Jean Mangle, Mrs. Bobby Cornelius, and Mrs. Lawrence Cornelius.

The lovely gifts were presented in a decorated doll carriage for which Mrs. Chirkson graciously thanked the guests. A delicious lunch brought the evening to a close.

Miss Hagen's marriage to Mr. Bill Shepherd will take place Saturday, April 20th, in the United Church.

Joke of the Week

"Who did this to my William Tell' Overture?"

How not to buy a car

If you are ever in need of a car, second car or merely a caddy for the kids to knock around in — we still have and now give you the dope on how to take the beating of your life.

First and foremost buy a daily paper and scan the ads for gimmicks. Don't under any considerations read those of reputable dealers. If you do happen to take a quick peeker at one of the better known companies, note prices warranty etc. Those will prove beyond doubt that you have a leg to stand on if the vehicle of your choice should turn out to be a clunker.

Pass'em up by all means and eventually you will find (the trouble you seek. It will read as follows. "1900 down $10.00 per month gets you this be-e-e-autiful 1957 job. Excellent condition through out, completely equipped, white wall tires, 12 months warranty. City driven by a sweet old grandmother with arthritis. Call Slick Sam — any time."

When you catch yourself breathing in short gasps, perspiring and reading the ad for the twenty-seventh time — you're hooked.

Now don't say a word to anybody who might be none enough to talk some sense to your head. And don't by any chance, allow yourself to remember warnings you've heard or read about. Just grab your hat, clean out the savings account and go, go, go.

You will need all of your money to buy tires, gas and oil, brake fluid, anti-freeze, transmission, lights, a motor overhauled, a window or two if you happen to dislike fresh air; a three foot 2x4 to hold the driver in an upright position, a hunk of rope to tie the doors shut, should there happen to be any doors, and a chain or piece of cable for a tow rope

This last is a must because a deal like this has never been known to travel the first fifty miles on its own power.

When finally you reach home (you will get it home I promise you, it's against the law to leave junk on the highway) drag it into a fence corner alongside your earlier models.

If you are a farmer, park the vehicle near the chicken house. Turkeys and chickens just love to perch upon and hide their nests within contraptions such as this.

If it happens to be equipped with a steering wheel, you and the poultry are really back, as there is nothing to beat the remote building properties of a half turn play steering wheel.

You still have the slack taken out of your arm muscles by the time you reach home; and can't you just picture the dream stacks on your brothers after a few weeks of attempted purching a-top this revolving treadmill.

You sir, we knf- You've got it and you've had it and all for the necessity as is the prize of five or six hundred bucks.

P.S.

"Sorry sir," smirk, smile, gloat" "the advertised vehicle was sold less than an hour after the paper was delivered, but I have here something even better." Wherever they cut loose with that line - you are in - really in - and right up to your eye brows.

Tributes to the late H. Wadley

Additional tributes have been received by his family in memory of the late Harry Wadley

To the Building Fund of St. Catherine's Anglican Church from: Mr and Mrs. Bud Millie and Family, Clyde, Alta.; Mr. and Mrs. C. A. Haight, Mr. and Mrs. George Claridge and Family; Irene and Norma Miller, Mr. and Mrs. J. R. Johnson and Family; Miss Linda Johnson; Mrs. J. Robson and Anne, Jon and Pearl Marshall, Innisfail, Alta.; Mrs. Lambie, Ian and Janet; Bunch er Dick and Family

To The Cancer Society: Mr. and Mrs. Adolph Bergeron.

Floral tributes: Deanna and Randall Murray, Mrs. Hooper, Les, Phyllis and Boys, Management and Staff, Edson Motor Hotel; Dick and Winnie Hocking.

THE EXTENSIVE LAYOUT, upper left, shows a typical School of Agriculture, with farm, poultry houses, machinery buildings, garden plots and service buildings. Dressmaking, upper right, is one of the domestic arts in which girls at the Schools are given extensive training. At lower left, instruction in preparation of meats for retail consumption is but one of the aspects of animal husbandry, and, lower right, farm machinery comes in for a major share of the attention at the Schools, where students are trained in its operation and maintenance. Related courses such as welding and carpentry, animal and plant sciences, and food and nutrition are all part of the curriculum at Alberta's School of Agriculture.

R.O.P. Field Day at Entwistle

A Record of Performance Beef Field Day will be held at the L. J. Burki farm located 8½ miles south of Entwistle on the Drayton Valley Road on April 26th, at 2:00 p.m.

The program for the afternoon will include weighing bull calves and tying them for conformation. Everyone present will have a chance to type these animals as well as guess their weight as the calves approach the scale.

There will also be a demonstration on bull selection using test results. A couple of men will be asked to select bulls they would like to use in their own herd and then results of the R.O.P. Testing Program will be used to see whether or not the top performing bulls were chosen.

Mr. W. C. Gordon, Alberta Department of Agriculture will give a talk on "Performance Testing and Livestock Improvement".

Everyone is invited to attend especially purebred breeders interested in purchasing performance tested bulls.

Attend and find out how to select a superior performing animal.

Alberta Ag. Schools 50 years old

Two of Alberta's three Schools of Agriculture, Olds and Vermilion, are this year observing the fiftieth anniversary of their establishment. Under the Agricultural Schools Act of 1913, a "School of Agriculture" is defined as teaching practical and scientific school for the purpose of fitting for farming, household economy, domestic science, and such other subjects as the Board of Agricultural Education may prescribe."

Three such schools were opened that year, at Olds, Vermilion, and Claresholm. The Claresholm school, along with subsequent establishments at Raymond, Gleichen and Youngstown, has since been closed, while a 7th school, which was opened in Fairview in 1951, is still in operation along with Olds and Vermilion.

The founding of the Faculty of Agriculture at the University of Alberta can be directly attributed to the establishment of the Schools of Agriculture. Professor E. A. Howes was the first principal of the Vermilion School. When in 1915, the Faculty of Agriculture was established, the majority of that first graduating class from Vermilion moved on to become the first class in Agriculture at the University, with Professor Howes becoming the first Dean of Agriculture.

To date 10,393 students have attended the Alberta School of Agriculture, with 6,130 receiving diplomas. Most of the boys have returned to the home farm, and a number of them secured employment as grain buyers, field servicemen, and others after graduation from the University became district agriculturists, or took employment in other phases of the agricultural industry and its related fields.

Girls found employment as sales clerks, bank employees, receptionists, hospital employees, and in a variety of commercial firms. Generally speaking, girls seek employment for a few years before embarking on a home-making career.

With this in mind, the training at the Schools has been designed to meet both the immediate and long range needs of the girls. Approximately five percent of the graduates of the Schools of Agriculture go on to take further training in Agriculture or Home Economics at the University.

The trend towards fewer and larger farms, the enlarged rural community, the development of centralized public schools, the rapid change of farming and farm life, and the increase in the number of employment opportunities in agriculture other than in farming, are all factors which point up the need for a broadened and more diversified program for the Schools of Agriculture.

To this end, revision of all courses is thorough and constant, and more specialization of training is now offered. New facilities are presently under construction at Olds and at Fairview, while 1963 will see the development of a one-half million dollar expansion program involving all three schools.

Mystery picture on $5 bill

We have still not got the right answer to what the picture was we ran a couple of weeks ago on the front page.

Give up?

It is the picture on the back of a five dollar bill. The locale is Outer Falls, somewhere up the Alaska Highway. It was taken from a color slide which accounts for the colors being so garish.

Rosevear

Mr. and Mrs. Bill Parent and family from Penola and Mr. and Mrs. Walter Sabon and family from Edmonton were visiting with Mr. and Mrs. A. Sabon over the Easter weekend.

Mr. and Mrs. Clarence Mossau and Jocelyn have moved to their farm in Pinedale the former Bert Klotz place.

Sub-district 6 will hold their sub district Convention at the Peers School on Saturday, April 27th, commencing at 10:00 a.m. As many members as possible from each local are urged to attend the Convention.

Safety in Rhyme

By CHRIS MORRICE

Do not rush to do a job,
And by-pass safety measures.
The fuss that goes into such work
Will take away the pleasure.

☆

We rush along from day to day
To get our chores all done,
If we'd just show a little bit,
Our jobs would be more fun.

☆

Safety is the yardstick,
By which all work is measured.
With this in your mind each day,
Your job becomes a pleasure.

☆

Sam had lots of work to do,
And rushed in to it madly,
Safety rules were not observed,
Poor Sam was hurt — quite badly!

☆

Safety is a great big word:
Its meaning is big too.
You must realize the worth
That both can have for you.

Tilling the Soil is only

A part of a paying crop. You also need proven seed and the proper fertilizer.

Both of these are available at competitive prices when you deal with

Mrs. R. Binette new president of Edson CWL

The April meeting of the CWL showed a newly elected president, Mrs. Ray Binette. Mrs. Binette will be taking over from retiring president Mrs. Frank May following installation ceremonies on April 30.

Her executive will include Mrs. Ted Semeniuk, Mrs. R. Fontaine and Mrs. Harvey Switzer as vice presidents. Mrs. Norman Schultz, secretary; Mrs. Jake Rolheiser, treasurer.

Mrs. May reported a very active year for the ladies who have catered to several banquets, held teas and bake sales while tournaments, a show and a bazaar.

Plans are now being made for a banquet and social to be held in the near future to aid in the League's membership drive.

Fr. McGilvray issued a vote of thanks to the retiring members of the executive in particular to Mrs. May for her outstanding work during her two years as president.

True life film to be sponsored by Hospital Aux.

An outstanding film "A Man called Peter" will be shown in the Nova Theatre this Sunday, April 21 at 8 p.m. It will be sponsored by St. John's Hospital Auxiliary.

The film shows a part of the life of Rev. Peter Marshall an outstanding young minister who was beloved by all who knew him. It begins in the thirties when he is a struggling young minister in the States and follows an eventful life to his death in the 1940's. The book on which the film is based was written by his widow, Catherine Marshall.

It is a picture filled with love, genius and humor that leaves one with the feeling that they have made the acquaintance of a truly great man.

No children under twelve years of age will be admitted without a parent. A silver collection will be taken.

PASTOR SHOWALTER

There is one and only one remedy for failure that is one hundred per cent satisfactory.

While it is true that often it is possible to compensate for a mistake like breaking a dish by buying another in its place, what can you do about it in case of an invaluable antique piece?

The tongue is so easy to use and too often others words that cut to the heart. What can possibly heal such a wound? Words once loosed can never be recalled.

Memories are life-long processes. Who is there that is free from tormenting thoughts of wasted life or opportunities?

Only sorcerer forgiveness can answer for the above questions. And, God insists that forgiveness is a two-way street with a do or to be plainer, I will. Who would dare withhold forgiving his fellowman?

"For if ye forgive men their trespasses, your heavenly Father will also forgive you: But if ye forgive not men their trespasses, neither will your Father forgive your trespasses." Matthew 6:14, 15

THOMY DOUBZEK

While waiting at the dry cleaners I noticed a young woman enter the shop in an extremely tight sheath dress. All eyes turned towards her as she made her way to the counter. "My dress came back from here so badly shrunk," she said indignantly to the counter girl, "that I feel conspicuous wearing it."

"I'm so sorry", said the clerk, eyeing the sheath, "But I can see what you mean."

"Just wait until I show it to you!" exclaimed the customer as she pulled a flowered dress from the bag she was holding.

GREEN ACRES

By E. C. Lees
District Agriculturist

How to choose a hedge

For a hedge can be a thing of beauty in itself, a screen to hide unsightly objects, a shelter from harsh winds or a background for colourful flowers or borders.

When choosing a hedge you should give serious thought to the most suitable type for your particular need or location. Choose hedge plants which can be kept in proportion to their surroundings and which will suit your soil and climate. Initial costs and those of upkeep must also be taken into consideration.

A Canada Department of Agriculture publication entitled "Hedges for the Prairies" gives clear and concise information on these and other important aspects of growing a successful hedge. Among the topics discussed in this booklet are choosing a hedge, preparing the soil, pruning and shaping, pest and disease control and fertilizers.

Hedges for the Prairies' can be obtained free of charge from the Extension Department of the Alberta Department of Agriculture in Edmonton, or from our office.

Started fence construction

With the rapidly growing trend to stalled floors in hog pens, the Alberta Department of Agriculture has suggested that farmers would be wise not to use soil wood as the material for construction.

Soft wood slats last only a short time, 6-12 months. In some cases, they will last much longer. These manufactured, as a result of uneven wear and shrinking by the pigs. Furnishing these floors with a flat grooved metal mesh can be helpful, although some reports indicate that the pigs tend to suffer from sore feet. This apparently is not true in all cases.

Present information seems to indicate that concrete or hardwood (such as oak) are the most suitable materials to use for constructing slatted floors in hog barns.

How to avoid bad milk flavours

A considerable amount of milk is received by Alberta's dairy plants is rejected during grading for undesirable flavours and odors.

Dr. V. W. Kalin, Director of the Dairy Branch Laboratory, reports that these undesirable flavours and odors are very often the result of improper feeding. A long range survey, conducted by various investigators, showed that feed was the predominant cause of flavour and odor defects in milk. Unpleasant flavours from feed were detected during each month of the year except in the case of grassy flavours. These were present during the summer months only.

In most cases feed flavours appeared to be more pronounced when silage was fed to the cows within 4½ hours of milking. These flavours could be clearly detected with in 30 to 40 minutes after the feed had been eaten.

It was also observed that grass silage with a high moisture content produced a strong feed flavour than low moisture silage. A strong metallic odor and flavour can at ways be expected if the cows are being fed on mouldy hay or silage.

Studies of grassy flavoured milk from cows on pasture during the May to August period indicated that substantial rainfall results in a decrease in undesirable flavours, particularly when the cows are pasturing on legumes and weeds.

Dr Kalin advises dairy farmers to keep these points in mind, particularly if they are having milk shipments rejected by the dairy plants.

Cubs and Scouts

3rd Edson Cub News and Calendar

Regular meetings will be resumed next week. "A" Pack meeting on Monday, 6.30 p.m. at the A. H. Dahle School and "B" Pack meeting Wednesday 6.30 p.m. at the A. H. Dahle School. As spring progresses more Cub activities will be held outdoors.

A Cubaree is being planned for May 18th at the Jasper Rodeo Grounds.

Scout News and Calendar

Regular meeting cancelled this week because of the Easter holiday. However, between hiking and hiking activities, the Scouts will find their time well filled. All regular meetings beginning with the April 30th meeting and ending with the May 18th meeting will be devoted to preparing the Troop for the Yellowhead Camporee at Jasper, May 18, 19 and 20th, at the Jasper Rodeo Grounds.

The May 22nd meeting will be cancelled as the Troop will be just home from the Camporee.

Alberta Jamboree to be held at Sylvan Lake, June 30 to July 6th. So far eighteen boys have signed up for this outing.

A Patrol Leaders' Conference will be held at the Willmore Park Camp Grounds on April 27 and 28th, with all PL's from the Yellowhead District attending.

A Scouters' Council meeting will be held in the Ski Lodge at Willmore Park on April 28th at 2:00 p.m.

Last week's regular meeting was held at Willmore Park Scout Camp grounds. The boys followed a trail that eventually wound up at the cabins. They made their first cast of animal tracks while enroute. ASM Murray and TL Mahon leaded a model of a bridge as a demonstration. A campfire finished off the evening at which PL Peter Pilings of the Squirrel Patrol received his 4 yrs star.

With co-operation from the weather, some of the scouts will be cycling to Jasper. They hope to leave at 7:00 a.m. Wednesday morning, arriving in Hinton by evening and making the last leg of the trip the following day. Skipper will bring them back to Edson on Friday.

Scout activities will wind-up with the June 5th meeting at which the Edson Troop will host their fathers at a steak fry.

On June 12th the scouts plan a get-together with the Cub packs to give them some idea what it will be like when they fly up to Scouts. The balance of the June meetings will be devoted to tent pegging.

The 1963 adventure trip to Philmont Scout Ranch in New Mexico will be held during August.

PIONEERS

These young Albertans live in a free enterprise climate
Their whole environment is one that encourages initiative and resourcefulness — whatever type of endeavour they undertake.
But this free environment should never be taken for granted
The greatest threat of all to the pioneer spirit is the
trend to socialism. This threat is not merely a remote possibi
A few are striving for it now!

Do those who advocate government take-over of electric
utilities realize where a government power monopoly can lead?
Once a start is made, where does it st?

Even leading socialists now admit: "Nationalizing an industry,
instead of making it a better servant of the public, may subject it
political pressures hostile to its efficiency".

State control is not the spirit of pioneer initiative that will
continue to build Alberta. Let's keep free enterprise free!

Lining up big names for Sportsmen's dinner

A former Edson schoolboy who has climbed the ladder of success in the sports world never forgets the old home town when the promotion of sport is in the making, especially for the younger boys of the community.

The man we refer to is the Public Relations officer of the Edmonton Flyers Hockey Club, Cecil 'Tiger' Goldstick.

Tiger has gone all out to assist the Edson Optimist Club in acquiring key personnel for the Sportsmen's Dinner planned for the 17th of May in the Edson Motor Hotel banquet room.

The number one personal ity booked by the "Friend of the Boy" is the Montreal Canadiens great star, Bernie 'Boom Boom' Geoffrion.

Other stars representing a variety of sports have also been booked to make it a very worthwhile project for raising funds for the operation of the Boys Centre and other sporting activities for the youth of Edson.

The Optimist Club of Edson was honored on previous occasions with Tiger Goldstick who may be considered a book of knowledge on sports, whether it concerns rules, equipment, injuries, players in the past, present or future, but most of all he stresses for the young athletes coming up that there is no place in the sports world unless you have applied yourself to your school studies first.

The Royal Canadian Navy took a considerable amount of Tiger's time during the war years but remained him with several wrestling trophies in competition with wrestlers from various parts of the world.

Thinking back over the years Tiger remembers when the Edson Athletics acquired their first set of uniforms and padding equipment, and the problem it created as to how they should be worn.

The Optimist Club urges you to pick up your tickets for the Sportsmen's Dinner as soon as possible from any member as there is only a limited number available.

Panel moved up to May 1

The panel discussion on "Modern Education — Value for Our Money" has been postponed until May 1 it was decided this week.

The meeting of the Home and School was originally scheduled for the A. H. Dahle School on April 24.

BY

IDA BAILEY ALLEN

TOMORROW'S DINNER

(Featuring Persian Dishes)
Cucumber-Tomato Salad with Lemon Olive Oil Dressing
Filet Mignons for Small Steaks)
Grand Bazaar
Potato Croquettes Iran
Young Onions in Yogurt Sauce
Peaches a la Persian
Coffee Tea Milk

Measurements level; recipes for six a la Persian

FILET MIGNONS OR SMALL STEAKS GRAND BAZAAR

1 c. light red wine
1 tsp. salt
¼ tsp garlic salt
6 thin filet mignons or small minute steaks
4 tbsp. butter
Cantaloupe wine, salt and garlic salt.

Pour over meat and marinate all day. Drain.

Pan-saute in butter about 4 min. Turn once.

Complete the platter with cooked young onions in hot yogurt sauce, potato croquettes Iran, grilled tomatoes (optional). Garnish with radish roses and parsley

Note: Equal parts cider and tomato juice may be used for marinating.

PEACHES A LA PERSIAN

1 c. water
7 tbsp. sugar
6 good-sized peaches, not quite ripe or 2 (10 oz.) pkgs. frozen peaches
1½ tsp. rosewater, or ½ tsp. ground cardamom seed
1½ pts. vanilla ice cream
½ c. shelled whole pistachio nuts.

Make syrup by boiling water and sugar 5 min. Peel, halve and add the peaches; simmer 7 min

Stir in rosewater or cardamom (do not use both). Chill. Place peaches in dessert dishes, hollow-side-up; top with 2 half-scoops vanilla ice cream. Spoon over syrup. Garnish with pistachio nuts.

Comment: As a compote the peaches alone are exquisite. Make with canned cling peaches if you like; in this case, add ½ tablespoon each lemon juice and honey to the canned peach syrup; bring to a rapid boil. Add the flavoring and peaches. Cover and chill.

Garnish with pistachio nuts.

OUR CHEF EXPLAINS

POTATO CROQUETTES IRAN

Make and shape potato croquettes as usual, but add ¼ teaspoon cinnamon to the mixture. Brush with beaten egg yolk and coat with fine-chopped almonds or coarse-chopped pine nuts for a rich, crunchy crust.

Deep-fry in vegetable oil heated to 375 deg. F., or until a cubelet of bread browns in a minute.

Help Wanted

A GOOD MAN IS HARD TO FIND ... that is why we are willing to make this unusual offer for the right salesman to fill our vacancy in the Edson area.

Frankly, the type of man we want is the one who will from $8,000 to $12,000 in a year... and he deserves every dollar he gets — and more.

The kind of man we are looking for is: Over 40 years old, neat, conscientious; with some selling experience. He owns a car and can travel for a week at a time.

Our pay checks are mailed weekly and in advance; we take care of all deliveries, collections, and service. No investment. Write L. A. GARNER, Vice Pres., Texas Refinery Corp., Box 711, Fort Worth 1, Texas. 16c

AROUND TOWN

WITH IRENE BOCHEK

Mr. and Mrs. Jerry Bowman and family of Edmonton holidayed in Edson over Easter with their families.

☆

Mrs. Gus Sleitter and boys visited with Rita's sister in Calgary.

☆

Mrs. Sanders Sr. and Mrs. J Sanders and two children are vacationing in Vancouver

☆

Mr and Mrs Allan Main and family were city visitors on the weekend. They also visited the Bill Mains of Hinton over the holidays.

☆

Miss Frances Cockerill was in Edmonton this week.

☆

Miss Patsy Sabourin is in Edmonton visiting with her friend and former Edsonite, Miss Joan Affalter Lorraine and Raymond Sabourin are also in Edmonton visiting their grandmother.

☆

Mr and Mrs. V. Sykes of Jasper Place, formerly of Montreal, visited briefly at the Binette and Marlow homes.

☆

Golf, anyone? A few from Edson motored to Jasper on the weekend and played a very enjoyable game. The golf course is apparently in good condition with the exception of a few holes close to Lac Beauvert. Among the golf enthusiasts from Edson were Tom Brown, Vern Goodwin, Edson Reid, Ray Binette and Lionel Cotnoir. I daresay Edson's golf course won't be ready for a while yet!

☆

Misses Morven Roome and Edith Gregg are city visitors this week.

☆

The Ron Roomes had Mrs. Roome's sister, Mr. and Mrs. C. R. Phillips of Edmonton visiting them over the holidays.

☆

Mrs. Emily Pollock was recent visitor to Cold Lake where she visited daughter Carol.

☆

We wish to welcome the Hilliard family to Edson. Mr Hilliard has replaced Mr. Gilham with Alberta Gas Trunk Lines. Mr. and Mrs. Hilliard and family formerly lived at Calgary.

☆

Mr. and Mrs. Mac ' were recent visitors to Calgary.

☆

Mrs. V. Gendreau and children are holidaying at Calgary and Black Diamond.

☆

Mr. and Mrs. Potter were ended in the city. Mr. Red Bay Adams, nephew to Mr. Potters is presently visiting here.

☆

The Art Sibbalds family weekended in Edmonton and brought back two young guests, Miss Joy Archibald and nephew Mr. Ben Leyts.

☆

Visitors to the Leonard home for the holidays were son Dennis and family, and daughter, Mr. and Mrs. J Uttendale, all of Edmonton.

☆

Mr and Mrs. H. B Watkins, sister of Mrs. Jon Scott, visited here on the weekend. A cousin, Mrs. Hood, of Wetaskiwin, also visited at the Scott home.

☆

Mr and Mrs. Leo Morris of Oyen, Alberta, visited with their son and family here

☆

Mr. and Mrs. Doug Mholidayed at Tofield

☆

The Bjarne Erickssons motored to Grande Prairie on the weekend and returned with Mrs. Erickson's mother

☆

The McCullough family visiting at Calgary and Buffalo while Mr. McCullough remains. Mr. Innes are in Oklahoma for a business course. Mrs. Innes and girls are at Tofield for the duration.

☆

Mr. and Mrs. John Pyper of Edson visited with son Jim and family at Hinesburg recently.

☆

Mr. and Mrs. Don Pyper were weekend visitors to Edson.

☆

Congratulations to Mr. and Mrs. Neah Mailhot on the birth of a daughter on April 10th.

☆

Mr. and Mrs. Don Thompson of Brodwell, Sask. accompanied Judy's parents on a holiday to Drumheller to visit daughter Gwen and family. From there they went to Strathmore to visit son Robert and family and on to Spokane where Mr. Adams' parents reside. They also visited Mr and Mrs. Larry Adams in Edmonton.

☆

Mr. and Mrs. G. Hewett visited with their daughter and family in Edmonton recently.

☆

Mr. and Mrs Eric Dawson motored to Kelowna to visit with Mrs. Dawson's parents.

☆

Among the students home for the holidays are Susan McCrae, Bey Mitchener, Reed Lobelho.

☆

Mrs. Quinlah of Edmonton visited with her daughter, the Tom McGrours on Easter weekend.

☆

Mr. and Mrs. Bradley visited with friends at Cold Lake recently.

☆

Mr and Mrs. Norman French of Jasper visited with brother Jack French and family in Edson. While here they attended the christening of nephew Ron Sirard.

☆

Mr and Mrs. Jim Ross and family of Edmonton visited with Tom's mother, Mrs. W Ammonin, in Edson recently

☆

Mr and Mrs. Len McKeever and two boys of Edmonton are visiting at the Letourneau residence.

Opti-Mrs Club news

Seventeen members were present at the regular dinner meeting of the Opti-Mrs. club on Tuesday, April 16. The meeting was held in the Edson Motor Hotel. Mrs. Ann Iwanowski attended as a guest.

Mrs. Jim McNaughton won the April draw raffle.

It was decided to hold a bingo game at Parkland Lodge in September.

Tickets are now available for the Opti-Mrs. anniversary party to be held on Saturday, May 4.

EDSON LOCALS

Mr. and Mrs. George Sinclair have had a pleasant Easter weekend as they visited their sons in Rycroft and Grand Prairie.

Mrs. Bob Key and daughters from Jasper are spending Easter week visiting in Edson with Mrs. Key's father Mr. John Thomson.

Mr. and Mrs. Alfred Rasmussen will leave on Monday for a six month holiday in their native Denmark. There they will visit Mr. Rasmussen's six sisters and other relatives and friends whom they have not seen for 30 years.

Mr. and Mrs. John Stahich, Mr and Mrs. Doug Deakin, Mr and Mrs. Wohl motored to Kamloops at the weekend for a visit with Mrs. Stahich's parents and other relations.

Cpl and Mrs. Dewey Kilpatrick and family have gone to make their home in Esquimalt where Dewey will be stationed with the Canadian Army.

Mrs. H. Nygaard of Ketchikan, Alaska, returned home on Monday after a visit with her sister Mrs. E. Crouch.

Mr and Mrs. Mel Boltyn of Edmonton spent Easter with Mrs. Bolty's parents, Mr. and Mrs. Jack Pattinson.

Mr and Mrs. Bob Russel of Calgary spent the weekend at the home of Mr. and Mrs. Gerald Mahon, Mrs. Russel's parents.

Mr and Mrs. Tom Johnson enjoyed a weekend visit from Jerry's brother Mr. Alvin Smythe of Edmonton.

Misses Pat Caston and Marion Cluff, nurses in training at the Royal Alexandra Hospital in Edmonton spent the Easter weekend with Pat's parents, Mr. and Mrs. Doug Caston.

Mr. and Mrs. Reg Gardener and girls motored to Calgary at the weekend. They were accompanied on their return by Mrs. Gardener's mother, Mrs. Selwood, who will visit here for a few weeks.

How to win friends, etc.

Speed through an intersection and run into the Doc on his way to the hospital to deliver your wife's baby.

Leave the guard off a machine and mash your fingers just after being named chief piccolo soloist in the community band

Get into your car, forgetting the low gear on it in where reverse gear is on the other and drive through the garage wall, pleasing your wife to her clothes basket.

Tell the boss how good he looks after his Doc has told him he'll have to be operated on for a double hernia because of his fall in the oil you spilled.

Ram the rear end of a guy's new car, which isn't even dry yet, because you're too busy lighting a cigarette to see him stop.

Over—exert and have to call the Doc just as he's leaving his house for a party.

Smoke cats bounds and bears down the plank you earn a living in.

Run over your neighbor while he's cutting across the street to warn your kid against playing ball near a busy intersection.

Climb on a box to put up decorations for a birthday party for one of the kids then have it in the hospital where you're in traction.

Wave to the doll next door and run a parked car.

Let your worn—out tires go flat on a Friday during rush hour, causing a traffic jam.

Flash your heights at a guy who won't dim his and have him hit you head-on.

Get loaded at a party and break it by falling down some stairs and breaking your back.

Council to consider limiting parking time on Edson's Main Street

An amendment will be introduced by Edson Council shortly to the Town Traffic by-law providing for a time limit on parking on Main Street from First to 6th Avenues it was decided at the regular Council meeting on April 16

At the same meeting the secretary was asked to get in touch with the Department of Highways to find out what their plans are for 4th Avenue (Highway 16) through town.

A letter from the Edson School Division expressing concern about students walking on the roadway of 49th Street was placed before Council. The matter was referred to the Police Chief for attention

Present were Mayor W R Brunelle and Councillors Cyril A Goldsack W P Hartman, M D. Meade, J. Scott and P W Wells and four citizens.

The application of the St John's Ambulance Society for a grant was rejected and it was suggested to the Society that a canvass be conducted

The request of the Edson Chamber of Commerce for a grant of $500.00 was tabled to the Budget Meeting

Letter from Fire Commissioner's office was read indicating survey and report, as recommended by Fire Chief would be conducted and submitted to Council.

Dr. Dale Booth was appointed Medical Officer of Health for the Town of Edson

The Town agreed to an amendment to the Master Agreement completed under the Homes for the Aged Act to provide that wherever the Evergreen Foundation makes a requisition on the contract ing Municipalities to the Master Agreement, the assessment figures to be used in computing the amount owed by each Municipality, shall be the latest equalized assessment figures as supplied by the Department of Municipal Affairs

A letter from Deputy Minister, Department of Municipal

Continued on page 16

ONE THING THAT BOYS IN THIS AREA can be envied for is the fact that they have all outdoors for a playground. There are not the confinements of city streets and there is no reason why recreational time should have to be planned for them as city youngsters so often seem to need.

Arena discussion meeting coming up Monday

Edson residents are reminded of the public meeting in the Legion Hall on Monday, April 29, which has been called by the Council for the purpose of presenting to the citizens plans and estimates of the proposed modification to the arena.

A frank discussion will take place regarding the proposed changes and renovation as well as methods of financing the project.

It is of greatest importance that every thinking citizen, attend this meeting from which it is likely plans for the future of Edson's arena and park area will be developed The meeting starts at 8 o'clock the same day in the Anglican Parish Hall

Both meetings are important ones.

Edson ball team this year? Come see

In an effort to determine whether or not there will be an Edson junior baseball club this summer a meeting has been called for this Sunday, April 28 The meeting will follow the North Western Baseball League meeting which is scheduled for two o'clock the same day in the Anglican Parish Hall

Mike Buzzish, president of the NWBBL, has assured the enthusiasts of the Edson club that the hopes of the League rest this year with Edson Without an Edson entry, it is not expected a league will materialize.

With a lack of public support in the past few years the Edson club are looking for sponsors who will give financial support as well as provide an added public interest in the league games

Any boy over 16 who wants to try for the team will be welcomed with open arms, as well as senior players The big thing is that anyone interested in playing should make a definite effort to attend the meeting on Sunday The future of baseball in this west of Edmonton area depends to a big extent on these two meetings

EDSON POP UP NEAR 100 TO 3538

Edson's population is up nearly 100 over last year it was revealed at the record Council meeting.

Last year the population stood at 3452. This year's head count by Edson Town's factotem John Maddison showed our town had grown to 3538 citizens.

The figure is for within the town boundaries and does not take into account any growth in Edsonvale or on the Grande Prairie Trail.

Former Edson Optimist presents Canadian Flag to Los Angeles Club

(Former Edson Optimist Club President Lou Robinson has presented a Canadian Flag to the Optimist Club in Los Angeles with which he made a connection since moving to California. His letter explaining the event to Edson Optimist President Peter Serdiuk is printed below:)

9822 Collett Avenue
Sepulveda, California
April 14, 1963

Dear Peter:

Obviously I must preface this letter with sincere apologies for not having reported to you before this date regarding the flag exchange with the West Los Angeles Breakfast Optimist Club. A very busy period with the delightful added experience of many Alberta visitors — mainly close and personal friends — has found me pleasantly absorbed just trying to keep up with it all, and mentally confused as I chased my tail from spot with demands to attend meetings travel shows, club meetings and what have you.

The flag exchange was one of the most interesting duties I have had down here and I am satisfied that the results were most gratifying and should be an event of considerable significance in the life of the Edson Optimist Club. The courtesies extended to me, on behalf of each of your members, was delightful and the Optimist Club here handled the ceremony with dignity and a sense of friendliness that truly reflected the meaning of Optimism.

I regretted that the visit of Art Leonard did not coincide with these ceremonies as his participation would have lent import to the occasion and he could have related the experience with greater detail and color than I can ever hope to put into writing.

Some changes were made in my portion of the evening to those we previously discussed as I have come to realize more and more that many people here do not realize where we are and who we are. I prepared a couple of display boards with color scenes depicting the area surrounding Edson. My remarks had to identify Alberta, the type of country surrounding Edson and, again, its location; the highlights of the economic history of the community and the town; the sporting attraction of the district; the people and finally the club and its activities.

It is perpetually amazing to me that in greater Los Angeles of some six and half million people, Alberta is relatively unknown and any story must go back to basic information which we assume to be known. Each place setting had tourist literature of Alberta, using only colorful pictures that pertained to areas similar to those found in the Edson area.

The scrapbook was left with the club for several days and it received considerable comment. It was obvious that it had been reviewed by most members of the club and the individual reaction was excellent

The ceremony of the flag exchange was very brief but in keeping with the occasion It received excellent publicity and Ed Strong, Vice President of the Club will be sending you particulars shortly Club pictures and local newspaper pictures were taken, but it is interesting to note that the Los Angeles Times also covered the occasion. This is noteworthy only inasmuch as two hundred local newspapers and the main district news is generally carried by some papers representing Los Angeles — the Times and Herald Examiner — are extremely difficult to break into considering this large city complex and the thousands of activities that daily demand their attention The fact that the Times — the largest news paper here — carried a picture of the exchange indicated to me the significance that your sister club attached to this occasion

The anniversary party was held at the Santa Ynez Inn in Santa Monica a very posh and modern club set within sight of the Pacific Ocean The decorations consisted mainly of artifical flowers made by the ladies of the club which decorated each table Actually I believe the president's wife made these herself They were arranged in attractive displays on a pot on each table and set on posh linen table cloths The pots were then used for prizes on dexers and Margo brought home one of the arrangements Informality and friendliness predominated throughout the whole occasion and I cannot ever emphasize the manner in which we were made welcome and treated throughout

It is obvious the club wish to remain in correspondence with you and they will be sending along publicity items shortly I have the scrapbook and the flag at home and have been hoping that one of our Alberta visitors would be driving home and could take these with them rather than mail them to you If someone does not show up shortly, I will try and clear them with customs and see that they are sent on to you

In conclusion I can only say that it has been a wonderful and a treasured experience in Optimism I hope that you will extend to the the members here your invitation to visit with them on their holidays

As I am sure you will get some response several mentioned to me their desire to see the Canadian Rockies and possibly step off on Edson for a visit It has been an experience I will long remember and I have the added satisfaction of having made a good friend in Ed Strong

Thus I can only thank you and the Edson members for letting me perform this small duty on your behalf and reorientation again, an example of the many benefits to be found in Optimism.

Lou D Robinson
Sincerely.

Williams boys tame their own ponies

HINTON—

Two local boys, Jack and Barry Williams, are proud of a pair of mustangs caught recently in the Bar Horn Mountain area about 10 miles south of Hinton.

Until little more than a month ago their horses were roaming the area with other wild horses that still run free in this foothills region. They were caught with a lasso by Gerald West a rancher from Macwayne, and a cowboy from Lethbridge. Both men spent the latter part of the winter rounding up horses in the bush near Hinton.

Neither Barry's "Blacky" nor Jackie's "Blaze" had ever felt the touch of a human hand, much less the weight of a rider on their back.

However, they now seem quite prolific and respond well to the boys' directions. Both horses are marks about two-and-a-half years of age.

Seeing the boys mounted and riding steadily one would never guess that only a few short weeks ago their horses were as untamed that it took a good stout rope and tree to hold them. At first they were assisted in gentling them by Mr West and local horseman, Pete Shaffer However it was mostly Jack and Barry's kindness and persistence that resulted in the horses becoming "pets".

Both boys earned money to pay for their horses by baby sitting and delivering newspapers. They have fixed up a corral near Hardisty creek and make daily trips to the corral to care for them.

Jackie explained that when first working with the horses they had tried to reassure them by quietly approaching and talking to them. Then they were able to put a rope halter on them and lead them around the corral.

Gradually they tried putting weight on their backs first by leaning on them, then by putting on a saddle blanket. Finally the boys tried riding bareback. Although the horses "spooked" a little at times, they were never once thrown. Now the ponies are so easy enough to manage that the boys find they can saddle them up and ride them anywhere.

During the Easter holidays Jackie and friend, Howie Thorpe rode the horses to the Hardy Ranch, the longest ride they have taken so far.

Both Williams boys are looking forward to weekend and summer holidays as they are planning to spend a lot of time on Misty and Blaze.

Fashions

This shapely little number is a knit dress made with seaming from the underarm that curves and continues in two vertical lines to the hem. The dress is white, the stripes are navy, black and medium blue, interspersed with white stripes. There's knit banding at the neckline and armholes.

A self belt ties in a crossover bow and does the cinching job.

SPARKS

by Willie Forker

A pipe seems to be popular toast topper when it comes to yourself but there's not laughter with other.

Let's Eat

at
IDA BAILEY ALLEN

TOMORROW'S DINNER

Cole Slaw with Old-Fashioned Salad Dressing
Glazed Smoked Picnic Ham
Creamed Noodles
Corn-on-Cob
Fruit Turnovers
Hot or Iced Coffee
Tea Milk

Measurements levels recipes for six

GLAZED SMOKED PICNIC HAM

4 to 6 lbs. smoked picnic ham (cooked)
4 tbsp. sweet pickle vinegar
½ c. brown sugar
½ tsp. powdered allspice
½ c fine dry bread crumbs
2 tbsp. table mustard

Cook the ham as usual; cool in water.

To finish- Pare off outer skin and some of the fat. Place fatside-up in baking pan.

Pour over vinegar Cover with sugar mixed with allspice, crumbs and table mustard.

Bake 30 min. in hot oven, 400 deg. F., or until golden brown.

OLD - FASHIONED COOKED SALAD DRESSING

½ c. butter or margarine
½ tsp. dry mustard
½ tsp. salt
1½ tbsp. sugar
⅔ tbsp. cornstarch
2 eggs
1½ c. half 'n' half or dairy sour cream
2 tbsp. cider vinegar
3 tbsp. water

Measure butter into double boiler top.

Stir in mustard, salt, sugar and cornstarch Beat and add eggs. Then stir in half 'n' half or sour cream for use undiluted evaporated milk.

Cook stir about 3 min. over almost boiling water or until beginning to thicken.

Gradually heat in vinegar and water. Continue to cook stir until consistency of heavy cream. Cover. Cool and refrigerate. Keeps 10 days.

Note: Add ¼ tsp. fresh onion juice, if desired.

USE RAW GOODNESS TO THE BONE, SAYS THE CHEF

Chop small oddments of cooked ham or put through medium knife of food chopper. Save the bone to use in making minestrone, split pea, bean or lentil soup.)

Mix in enough cooked salad dressing to moisten thoroughly; lor, cover and chill.

Excellent for making sandwiches, putting dish hot baking powder biscuits together in pairs, or for stuffing hollowed whole tomatoes for a salad plate.

If dressing has not been added, stir in ham oddments when warming eggs, or when tossing sliced potatoes, or add to cream sauce for buttered chopped cabbage, to cream sauce for rice or macaroni, or to Welsh rabbit to serve on toast.

Shower held for April bride

A kitchen shower was held at the Morrison home on Friday, April 19th, in honor Miss Marsa Vanderburg.

The twelve guests enjoyed an evening of bingo, following ro-bustless Miss Gail Moe read presented Miss Vander burg with the many lovely and useful gifts. A delicious lunch brought the evening to a close

Miss Vanderberg's marriage to Mr. Bruce Barron will be Saturday, April 27th.

Craft Centre Happenings

Mr. Les Graft of Edmonton taught a very successful Batik course to seven Edson ladies on April 8th and 9th So enthused were these ladies that Mrs. Laura Mahon has consented to teach the method to a new group. For more information phone Mrs. Mahon at PA3-3072.

The photography course, taught by Mr. Ron Salomon of Edmonton is scheduled for this weekend, April 27th and 28th from 2 to 5 p.m. and 7 to 10 p.m.

The Craft Centre's annual spring tea and sale will be held June 8th from ten to five p.m. Everyone is welcome.

Former Edson girl wed at Medicine Hat

A wedding of interest to Edson district residents took place at Medicine Hat, Alberta, on April 6. At that time Mrs. Phyllis Carey, daughter of Mrs. T. Cooper of Edson exchanged marriage vows with Mr. Martin Forbes of Brooks, Alberta.

A small family reception followed the quiet wedding. It was held at the home of Mr. and Mrs. J. Tellis, a sister and brother-in-law of the groom.

Following a trip to B.C. the newlyweds are making their home in Edmonton.

Fire wise hints for spring clean-up

Now that spring is here and thoughts are turning to housecleaning and a clean-up of yards, Fire Chief Ted Rossinish has some fire prevention suggestions for residents of Edson and district.

Remove mattress and other inflammables from the porch at of winter garments before storing.

Clean out attics, basements, sheds, garages and other areas where rubbish may have accumulated.

Use non-inflammable fluids for cleaning floors and clothing; do not use gasoline as

similar volatile fluids

Oily rags, or rags soaked in turpentine or other fluids should be destroyed or kept in sealed metal containers.

Winter heating materials—oil, kerosene, etc —should be kept at minimum level during the summer months.

Chimneys and furnaces should be cleaned thoroughly.

Check fans, air conditioners and similar summer appliances for frayed cords or loose connections.

Remove accumulated leaves from eaves and around homes.

Do not store gasoline in glass containers.

Fire Chief Rossinish stressed that many home fires could be prevented, and urged everyone to follow the above precautions.

More than 63,000 homes in Canada are damaged by fire each year resulting in appalling many 600 deaths.

Friends honor Edith Schelm

Eleven ladies gathered at the Hallewell home Tuesday evening, April 23rd, to show her Miss Edith Schelm with gifts and best wishes.

Following an evening of games the bridal gifts were presented in a decorated wheelbarrow. Guests were graciously thanked by the bride-elect.

A delicious lunch was served to close the evening.

AROUND TOWN

WITH IRENE SOCHRE

Misses Joanne and Roberta Dyblisk spent their Easter holidays at LaGlace, Alberta, where they visited with friends and relatives

☆

Miss Joyce Rollins, was among the passengers of the B.S. Hennyre who were transported to London, England by BOAC after the Hamer, was badly damaged in the St. Lawrence.

☆

Once again bed is able to load the family into the car for a movie at Glenwood Drive-In. The show starts at 9:15 p.m. and the popular refreshment booth will again be stocked with favorite foods for everyone from the baby to grandpa

☆

Mr. and Mrs. Nick Kuzyk and family of Thorsby, Alberta, visited with the Dave Davidge family in Edson recently.

☆

Mr. and Mrs. Wm Kunyk and family spent their Easter holidays in Thursby and Edmonton visiting friends and relatives

☆

Visitors at the Kokanechy home over the holidays were son Jim from Calgary, and daughter Pat. Mr and Mrs. Rod Mantre and family from Edmonton.

☆

Mrs. Ashwell has joined the throng of Volkswagen owners. Happy driving Mrs Ashwell!

☆

Mr and Mrs. Norval Taylor of Grande Prairie spend East er with their respective parents, Mr and Mrs. Oscar Rasten in Edson and Mr. and Mrs Erskine Taylor of Pioneer, as well as visiting other friends and relatives here

☆

Misses Kit and Terry Dubois of Wildwood visited with their sister, Mr. and Mrs Fred Armstrong and family last week.

☆

The Wrenches family has moved to Valleyview where Mr Wrenche has been transferred with Hudson's Bay Oil Company The Lord family of Vegreville moved into Wrenche's house Mr Lord is the new sales manager for Edson Motors

☆

About thirteen C W I. members from Edson motored to Hinton on Sunday, April 21st for a pleasant get together with members from Hinton and Jasper Approximately one hundred guests enjoyed a banquet at the Athabasca Hotel where Father Hill gave an interesting talk on the C W I.

☆

A hearty welcome to Mr and Mrs. Wilf Beadle and family of Calgary who are making their home in Edson Mr. Beadle is replacing Mr Brooks with B A Oil Company.

☆

Mr Albert Cox of Edmonton was in Edson recently Mr Bert Andrews will be continuing Mr Cox' work with the Department of Highways with construction continuing to Jasper Park gates. He's an affable bachelor girls'

☆

The Hollands were weekend visitors to Edmonton

☆

A farewell party was held at the Brooks home on Friday, April 19th for Mr and Mrs J Marlow, who are moving to Hinton About ten people enjoyed a quiet social evening with their host wishes being extended to the Marlows in their new home.

☆

Father Landrizan and the Nigro children were Easter guests at the Hindle home.

☆

Mr and Mrs. Roy Bowman and family have returned from holidaying in Lethbridge Calgary and Innisfail.

☆

Mr and Mrs Robert Fowler and family left Tuesday for Kamloops where they will make their new home. Mr Fowler is with the C.N.R.

☆

L.A.C. Roy Morrison and family are in Edson to attend the wedding of Miss Marie Vanderburg to Mr Errin Sproven Mr Morrison is with the RCAF in Edmonton

☆

Congratulations to Mr and Mrs Al Catenio on the birth of a son

☆

Dr P Cohen was a recent visitor to Jasper where he sought a suitable provincial candidate for the New Democratic Party.

☆

Dr. and Mrs. Crawford where in Edmonton this week attending a medical convention.

☆

Mr and Mrs J Lobbalo were recent visitors to Penobka.

☆

Mr Art Cliff attended an Alberta Teachers Convention in Edmonton last week

☆

Mrs Aaron Berglund, accompanied by Mrs Hart Lind grew to Edmonton and Aaron spent the Easter holidays at Kimberley B.C where they visited relations

☆

The Edson Reid and Halls ball families motored to Jasper on Saturday While there, the men did some golfing

☆

The Curtis family weekended in Calgary

Thursday, April 25, 1963 — EDSON LEADER — 9

A woman was suspected, when three calls one day — one from Wally, the mechanic working on the family car, one from her cousin Church, and one from Pierre, her hairdresser.

The phone rang and a man's voice said hello. "Wally?" she

asked. "No," the man said.

"Church?" Again the answer was "No."

"Pierre?" It wasn't Pierre either It was her minister who, after a brief chat, hung up—probably feeling sorry for the woman's husband, whose name was Bill.

CHAMBER OF COMMERCI WEEK

The chamber of Commerce movement besides operating at the local level also operates at the provincial and national levels. At the provincial level there are strong federations of Boards and and Chambers expressing the unified viewpoint of communities to provincial governments. At the national level there is The Canadian Chamber of Commerce — the national federation of more than 850 Boards and Chambers — which makes the views of business and community leaders known at the federal level.

Every worthwhile Chamber works locally to better its community in whatever way it can. Locally members can see what is needed and can strive to improve or advertise their community in such a way as to do the most good. It may be in working for better area roads, a clean-up campaign for the town, finding ways to attract tourists, or many other worthwhile projects.

The local Chamber deserves the support of every business man and women as well as every thinking person in the community.

DON'T GIVE UP

The annual break for Easter is a critical point in the secondary school calendar for most of the pupils. All have been working on the Easter exams – some with confidence, others with apprehension and, always, proportion who have been struggling along in a defeatist attitude, concerned mainly with how and when they can get away from the teachers and start out in glorious independence.

"All the evidence indicates we are not achieving our full academic potential," it was stated in a valuable survey by the Dunsmuir Bureau of Statistics on the school drop-out question. This report a couple of years ago estimated that of every 100 pupils in Grade 2, only 14 emerge from Grade 12 or 13, whichever is the senior matriculation class. Of these, perhaps nine reach university, some of the others going into teaching or nursing schools. And in university, about one-fifth will fail, or with, draw in their first year. Of every 100 entering university, about 60 will gain a bachelor's degree.

"The most commonly accepted ideals in our Western civilization are security and a high living standard — less work and more pay," says Dr. Hans Selye, the Montreal medical scientist who became noted for his theories of distress. He proposed in a recent address at Toronto the development of a distinctly Canadian cultural and scientific effort, and said what is needed is a nation-wide campaign to raise public understanding for the inherent value and satisfactions offered by the sciences and the humanities. Dr. Selye added that to attract young people away from routine occupations toward scholarly careers "they should be recognized by the state as national heroes, through really substantial rewards and public honors."

The boy or girl who perseveres in his school work — whether in public school, secondary school, or in higher education classes — may never gain recognition as a "national hero." But he or she at least will have the satisfaction of knowing that they did not quit when the going got tough.

Letters to the Editor

Sir:

The Edmonton Branch of the Alberta Motor Association is again asking for the co-operation of the residents of the Edson District in the erection or replacement of directional signs in your Community.

Any person living in the community who is aware of the need of a sign in his district, should advise the Alberta Motor Association (Mention) of the location for such a sign by May 15th of this year. This will ensure that the A.M.A. real signing crew will be able to include it in the 1963 signing program.

Please help us to help you.

SPARKS by Willis Forbes

You seldom get her going out of your way to help someone in distress.

HUMOR COLUMN

An optimist and a pessimist had recently gone into partnership and were reviewing their first month's business.

"Well, we had a wonderful month," the optimist said. "Made his Unrelated. We've had a continual run of customers."

"Yep," agreed the pessimist sourly. "We had some pretty good business, but look at those doors. If people keep shoving through them, the hinges will be worn out in another month."

JOKE of the WEEK

She greeted her husband affectionately when he returned home from the office.

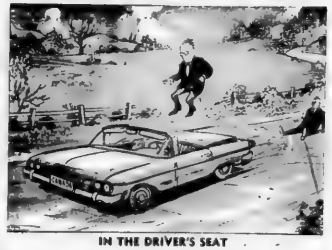
"Your darling," she said, "you must be tired and hungry. Would you like some nice cool, tender chops, with golden brown potatoes and green peas, and mushrooms on toast, with some warm apple pie with a slice of tasty cheese?"

He shook his head firmly and replied, No, let's save the money and eat at home tonight."

THOUGHT FOR THE WEEK

It's a good thing to get to bed and, but watch out which way you throw the dice.

"Some night let's take a baby sitter and take in some television!"



IN THE DRIVER'S SEAT

CAPITOL REPORT

POLITICAL POT BUBBLING IN PROVINCE

BY JOHN WARREN

EDMONTON — The people who might have been hoping to take a political breather last week — between the just completed federal election and the provincial campaign that's about to start — got nothing of the kind.

Instead the province became the most keenly watched in the country when national Social Credit leader Robert Thompson returned to his Red Deer home to a series of reports, questions and meetings, nearly all dealing with rumors of a new disruption in party ranks.

The first working day after reports of six Quebec Socreds offering their support in parliament to a Liberal government reached Mr. Thompson, he met with Premier Manning and the provincial cabinet.

As for what was discussed and what was decided no one outside the Premier's office in the Legislative building will likely ever know. Mr. Thompson said simply that he discussed provincial affairs because "everybody knows there's going to be a provincial election" and his home happens to be in the province.

Meetings between western Social Credit leaders loser that day and the next admittedly dealt with the situation involving the Quebec members. Mr. Thompson said he was convinced there was no money passed between the Liberals and the members who signed the statement of support. And several times he emphasized that he alone is the leader of the national party and that the party is not split although there may be occasional differences of opinion.

Just what will happen in Ottawa during the next few months remains something of a mystery but, as a result of the meetings held there and in Red Deer it now appears Mr. Pearson's Liberals can count on pretty solid support from Robert Thompson and his party.

☆ ☆

The four political parties in the province are trying to forget all about the federal election and get about the business of nominating candidates for the upcoming provincial election. Only the Conservatives appear to be lagging at the moment with four two candidates nominated. They are party leader Milt Harradence and M.L.A. Ernest Watkins who says he won't run again.

☆ ☆

While most eyes were still on Ottawa last week, and on the Social Credit party meetings there and in Red Deer, there was less than the usual concentration on matters of a strictly provincial interest.

However, the Citizens' Mineral Rights and Justice League again popped onto the scene, this time with a brief prepared for presentation to Mines Minister Russell Patrick.

☆

It suggested a standard surface lease form be made available to farmers who have to deal with oil companies. It also called for a minimum price to be established for the use of land in oil, natural gas and other mineral developments. The move was the latest in agitation by the league for greater compensation for the use of private property by the petroleum industry.

"A standard lease would eliminate horse-trading between landowners and oil companies," said the brief. It also asked the government to institute a plan for public ownership of Athabasca Oil Sands developments and it suggested a plebiscite to determine the public's view on the subject.

While there is no indication the brief is going to result in any change in legislation or regulations, it made clear that the league was not completely happy with legislation this spring providing for reclamation councils to handle just such matters.

☆

In a recent television address Premier Manning said Alberta farmers do not need a middleman to obtain government assistance in ironing out disputes with oil companies. Mr. Manning said "any middleman who charges fees on the pretense of looking after farmers' interests for you in these matters is not looking after your interests but his own."

☆

He said the government is anxious to see surface owners receive fair treatment and to investigate all valid complaints. Mr. Manning then outlined the steps being taken by the government to ensure such fairness. He said any farmer with a complaint could go to his M.L.A. or to the Department of Mines and Minerals for help. "You don't need to pay someone who is the end don't do anything for you anyway," he said.

Letter to the Editor

Dear Editor:

Being unable to attend the meeting of April 22nd for the purpose of discussing the plans of modifications of the Arena, I wish to give my opinion through your fine paper. I certainly agree that it is a necessity to provide adequate recreation for the boys and girls of today and entertainment for the older people.

It is disheartening to see so much time and effort put into some of the projects such as the Kinsmen and such to have it wasted by adverse weather conditions. I feel that in keeping the youth of today occupied eliminates delinquency and later crime.

On the other hand I feel it is a waste of money and effort to spend so much money on the old building. If I am right in understanding that attending engineers estimated it would cost $150,000.00 to modify the old building against $250,000.00 to build up a new modern arena and they stated that the old building would serve the needs for the next 20 years.

It would appear to me that we are only leaving the enormous question with an obsolete building plus a debt of $100,000.00. In the first place the location of the present arena is isolated as it does not provide parking or allow expanding facilities. It is the trend of people to attend any function today that distance is of little importance providing they can park on arrival.

I would venture to suggest that a new location be picked for a complete sporting centre including winter and summer activities with one ample parking provided for convenience. Furthermore I feel that with a new modern arena it would not be restricted to the way ther seasons and could be used for numerous activities including Agricultural Fairs, Gymkhana events and indoor Rodeo events and could therefore be a paying proposition as well as recreation

I feel that the people of a population of 5000 could the once this, even if $1000 would dedicate themselves to $50.00 each per year, for 10 years. I for one, only being a working man, would dedicate myself to this project providing suitable grounds and facilities are planned.

I would suggest that the present sports arena be sold for lots totaling 40 for $500.00 each and a new area set aside on the west end of town I have noted the area west of S.W.A. Lumber as being highly suited for this. It provides easy access and is close enough for convenience.

An Old Sportsman

Dear Editor

Re picture of sled dog team in front of Edson Town Hall circa 1936, as published in Edson Leader April 11, 1963

Could the driver be W. H. Hare, a South African War veteran and longtime Edson resident and pioneer of the Edson Trail, who with his wife, Rita, operated the old immigration Hall shown in the background of the map sheet?

My lead dog, Laddie, that I gave to W. H. (Bill) Hare in 1928, looked strikingly similar to the leader of the team of sled dogs shown in the snapshot.

My wife, the former Ruby Millar of Edson pioneer days, and I greatly enjoy the Edson Leader

Sincerely,
Ray Thompson
No Ray, the picture is of

"Pop" Bridges the father of well known E. W. Bridges who resides in Edson. We are pleased to hear the bit of history on the late Mr. Hare

—Editor

Sir,

In reply to the letters on the dog situation and the remarks being passed on every Street Corner I would like to give my opinion from both sides. In the first place it was high time that some action was taken to control the dogs in town and in despera tion the present methods and agents seemed the right one to use.

On the other hand I am and was an objection to this decision, firstly the cost in not withstanding that all the money is going out of town, the unorthodox methods used in controlling the dogs and more so the un-humane methods of disposing of the dogs. In the first part I think that there is quite valuable and competent local persons who could and would tend to the matter and spend the money at home. In the second part I feel that picking up pet dogs from under the sight of children playing with their dogs on the street is disgraceful and out of respect.

I am inclined to believe all stories reported of dogs being enticed from their own yards but would prefer to see dog catchers also cover several other towns in the Province where it therefore seems more than likely a dog picked up in Edson would have to travel around in their van for one or two days before even being released into a cage.

The town council is asking me to vote $150,000 to pay for a renovated arena yet they are paying more than $4,000 to a man out of town. Is there really no one qualified on our unemployment roster who could take on this job? I think something has to be done but I thought we lived in New Testament times where the spirit of the law and not the letter is to be adhered to. Surely a GOOD dog owner is entitled to at least one warning before being fined. Surely a fine should not be automatic unless there is some reason for complaint other than my dog's existence and use of (the Town's) sidewalks. What happens if a stray dog makes a nuisance of himself in my yard on one of the 6 days of the week when the dog catcher is not in Edson?

J. A Ball

A Friend of Man's Best Friend

Dear Mr. Editor:

I am mad. Mad enough to sit down and write to you. I have often threatened to write on various subjects, but I guess I never was quite mad enough to do so. May be, because I am so mad he seems unable but I am perfectly willing to be corrected where I am wrong.

I should like an answer to five questions: Why do I pay a dog license? If my dog is not allowed to be on the sidewalk (which I pay for too with my taxes) the Council has just as much right to demand a license for me having a table on my kitchen floor - a table is a necessity a dog isn't may be I better make that a rocking chair) as for me having no suspicions my dog in my yard.

It seems high time that something is done about changing the dog by-law. How many streets have a dog for there own benefit? The dog has been generally accepted as being the child's romper son and play fellow and yet according to the by-law my child if under 18, cannot take the dog for a walk on a leash even less play with him out side.

I do NOT approve of dogs running over my garden, digging up my flowers digging my trees or upsetting my garbage can, but neither do I approve of my neighbours children doing any of these things and I assure you they do. Both children and dogs need to be trained and controlled

I have another question. According to the dog by-law I have the right to redeem my dog by paying a fine (I have a lot to say on this subject of fines but shall refrain just now). How can I redeem my dog when he is carted all over the Province?

I have not seen the inside of the dog catcher's van but I would very much like to know something about it. What precautions is the dog catcher taking to prevent my dog catching a disease from another dog? Or does the dog catcher not pick up the sick dog that might have to be destroyed or a bitch with new are and for whom he is going to collect a fine?

What precautions does the dog catcher take to prevent a small pet dog from being killed by a large one whilst confined in his truck?

A dog's skin is different from a human and a dog will very readily succumb to heat prostration. Quite apart from the inhumane treatment of having a dog confined in a cage or truck for 2½ hours or more (often meaning about 24 hours, I think about this added cruelty) I would like to know what the SPCA has to say to this. I understand that our out of town dog catchers also cover several other towns in the Province where it therefore seems more than likely a dog picked up in Edson would have to travel around in their van for one or two days before even being released into a cage.

The town council is asking me to vote $150,000 to pay for a renovated arena yet they are paying more than $4,000 to a man out of town. Is there really no one qualified on our unemployment roster who could take on this job? I think something has to be done but I thought we lived in New Testament times where the spirit of the law and not the letter is to be adhered to. Surely a GOOD dog owner is entitled to at least one warning before being fined. Surely a fine should not be automatic unless there is some reason for complaint other than my dog's existence and use of (the Town's) sidewalks. What happens if a stray dog makes a nuisance of himself in my yard on one of the 6 days of the week when the dog catcher is not in Edson?

J. A Ball

Dear Editor

As a dog owner for the past eleven years I would like to get more information on the business of dog catching.

Every year we spend 3.00 A for a dog licence For what? To keep them penned and tied up all the time. Also when they are picked up, are we notified. No Are we entitled to know where they are being held. Surely through the license they know whose dog they have picked up or don't they keep records.

We as dog owners know that we have to keep a tight rein on our pets and the majority of us do, and should be given some consideration and say in the matter

Exactly what is the point in bringing a dog catcher in the job that a jobless Edson man could do equally as well, why not keep the money right here in Edson I don't say dogs should be let to run havoc on the town but why pick on the pets. Concentrate on the strays If by chance our pet gets loose through constant tying up and attacks the paper boy, dell very near, motor man etc. what would happen. We would be libel is it really fair. The pet then would be classed as a menace.

You hear so many conflicting reports on this matter, the true facts on the picking up of dogs would be appreciated.

Play Fair

Dear Editor:

Pals are inclined to blame the vamps of a popped up way of life for the fact that teenagers are for a greater part, juvenile delinquents, and down right hoodlums.

We wonder if it could be we are planting the "egg before the hen." Isn't it just possible that the modern — spares the rod policy — is altering the general outlook on life rather than vice-versa? A way of life doesn't change unless people change it.

In the days when a breach of conduct meant a trip to the wood shed rather than a councillor's office, teenagers were young adults, not a menace to society

A recent and to date unsolved case wherein handsome wilfully damaged a cat true car almost beyond repair given cause for concern.

This piece of equipment — setting idle during the Easter holidays was smashed, parts stolen or thrown away, all upon, gas tanks, radiator and even the battery filled with saw dust and dirt, control levers bent and broken.

Whomever was responsible for this must have a twisted sense of respect for himself nor has he been taught early in life to do unto others as he would be done by.

Spare the rod and spoil the child' used to be the yardstick by which a child behaviour was measured — and from the look of things now, the case produced results for a love modern day psychology.

Worried Parent

I was glad to see some people have been "pats" to express their opinion in your late to our concerning Dog Catchers etc I believe their opinions are the opinions of most dog lovers

I do not say Edson does not need a dog catcher but it seems rather ridiculous to have dog catchers from out of town when there is a line up of men at the Unemployment Office looking for work You say they aren't capable of doing the job Give them the 'tranquilizer gun" and I'm sure the job will be done.

Edson does need a dog catcher. There are dogs that do make nuisance of themselves It does not take a professional dog catcher to find them Have you ever driven down 50th Avenue near the A. H Dakin School that four or five dogs haven't run out barking and started chasing your car You don't even have to be driving just try walking and three some dogs jump out at a person, scaring him half to death This is just an example

There are dogs in this town which have bitten children, and pets etc

Those are the dogs which should be taken care of Are they the ones that have been caught? No they are still around

Yes we need a dog catcher for this type of dog, however the present dog catchers are defeating the purpose When dogs are rounded off property and taken while playing with the children they've been brought up with there's something very wrong Another bred is there are a number of us keeping our dogs tied up while many other dogs run at large

I do not see three dogs be

Health Week reminds families of vaccines

In announcing the start of Canada's Nineteenth National Health Week, the Alberta Minister of Health, Dr. J. Donovan Rose, pointed out that it is a week which provides all Albertans with an opportunity to pause and take inventory of their over all health habits and practices.

He said that results of such an inventory form a basis for public health programs which are then specifically designed to meet individual and community health needs.

"During the past year in Alberta an extensive Salk vaccine program was carried out by the city health departments and local health units," Dr. Rose said.

"Many Albertans have taken advantage of this service, but some were not eligible for Salk vaccine because they had not completed an initial series of Salk vaccine inoculations," he added.

Dr. Rose warned that the polio season is fast approaching.

"It would be wise," he said, "for Albertans to insure that they and their families have completed the Salk vaccine series. Protection against poliomyelitis can be arranged by contacting your city health department or local health unit."

To emphasize the need for protection against disease, Dr. Ross asked Albertans to be aware of what can happen when available measures against disease are ignored.

"A good example of this was the recent outbreak of diphtheria in the southern part of the province.

"Fortunately this disease was brought under control through the co-operation and speedy work of health authorities before it reached epidemic proportions," he said.

Dr. Ross urged Albertans to make a special effort during Health Week to become better acquainted with the many health facilities and services available in their communities.

"I urge each of you to take an active interest in preserving your health and that of your family, neighbors and community — not only during the coming week, but throughout the year."

Good Timber

The tree that never had to fight
For sun and sky and air and light,
That stood out in the open plain,
And always got its share of rain,
Never became a forest king;
But lived and died a scrubby thing.

The man who never had to toil,
Who never had to win his share
Of sun and sky and light and air,
Never became a manly man;
But lived and died as he began.
Good timber does not grow with ease:
The stronger wind, the tougher trees;
The farther sky, the greater length;
The more the storm, the more the strength;
By sun and cold, by rain and snows
In tree or man good timber grows.
Where thickest stands the forest growth
We find the patriarchs of both;
And they hold converse with the stars
Whose broken branches show the scars
Of many winds and many of strife —

DROSTAN NEWS

We are all pleased to hear that Mrs. If Maurer is home from hospital.

Mrs. L. Verpaelst came from Edmonton with Mr. and Mrs. Nick Milisch recently.

Misses Diana Milisch and Barbara Taylor, Mr. Nick Milisch and Mrs. Cliff Taylor were Hinton visitors last Saturday.

Mr. and Mrs. Nick Romanuk, Mr and Mrs. John Grushko drove to Hardisty to visit John's sister Mrs. Elvia Oliver, who is in hospital. They had been in Edmonton and drove to Hardisty before returning home on Wednesday.

Mrs. L. Verpaelst is spending a few days with her daughter, Mrs. Cliff Taylor

Only three tables came out for the evening of whist in Drostan Hall on Saturday evening. Prizes for the evening were won by: ladies' first Mrs Mary Romaniuk; ladies' 2nd, Mrs. Wanda Pembleton; men's first, Mr Sigurd Fossheim: men's 2nd, Mr. Art Gay.

Mr. and Mrs. Roy Atamanchuk of Kitimat, B.C., spend Easter with Mrs. Mary Romaniuk.

NOMINATE AN
ALBERTA JUNIOR CITIZEN
... sponsored by this newspaper and your investor-owned electric utility.

WHO QUALIFIES?
Any Alberta boy or girl 16 years or under, worthy of recognition for an outstanding achievement between October 1st, 1962 and July 1st, 1963. It may be an act of physical heroism — outstanding work with a church, school, social or other organization — scholastic success achieved under adverse circumstances — great courage in illness.

HOW TO NOMINATE
Send details to the editor of this newspaper. Include name, address and age of young person you nominate and your own name and address. NOMINATIONS SHOULD BE MADE NOT LATER THAN JULY 1st, 1963. Winners will receive public recognition and the Alberta Junior Citizen Award.

CALGARY POWER LTD.

Finals this Friday for UN speech contestants

A trip to New York and the United Nations is in store for the teen-age winner of the United Nations Speaking Contest to be held in the Hinton United Church Hall this Friday, April 26 at 8.00 p.m.

The contest is sponsored by the Oddfellow and Rebekah Lodges for High School students in the Edson Lodge District. Four students from Hinton, one from Edson, and one from Jasper will compete in the speaking finals this Friday.

The winner in Friday night's contest will earn the right to join other winners from Alberta and the north western part of the United States in the "United Nations Pilgrimage for Youth". The latter is a trip by chartered bus early in July to points of interest in the eastern United States and Canada. As well as New York and the United Nations the group visits such important cities as Washington, D.C., Ottawa, Toronto, Montreal and Quebec.

Those who have attended the speaking finals in other years have been impressed with the high calibre of speeches and ability of high school students to express themselves in public. The contest is open to the public with no charge of admission, and an evening of worthwhile entertainment can be expected by all.

Rosevear

Mr and Mrs. E. Gatzke and Rita motored down to Leth bridge over the Easter holidays to visit Mrs Gatzke's mother before she returns to her home in Germany. Lewis Elzinga did their chores while they were away.

Johnny Elzinga had the misfortune to cut his finger with the axe while he was splitting wood. The cut required fifteen stitches.

The telephones are starting to get installed through the country. G. Momma, L. Redcliffe, Mahrhamps, Maurers and a few on the main line are already using the phones.

There will be a Home and School meeting in the Peers School on Tuesday, April, 30 at 8.30 p.m. There has been no meetings for the last two months, it is hoped that there will be a good turn out, as there is a considerable amount of business to be dealt with.

THE Homemaker

Have you given any thought to giving your old hats a new spring lift? A new season does not always mean a new bonnet. In any case a little variety and longer wear is reason enough for doing some millinery rejuvenation. Here are a few suggestions to start you off on the project.

Straw Hats:

1. Use a soft brush to remove as much dust as possible. Remove water spots by brushing with alcohol. Brush the careful not to soften straw, in the same direction always.

2. Cold coffee brushed on dark straws freshens them. Stuff the crown of the hat while working so that it may keep its shape.

3. A cloth moistened with carbon tetrachloride will remove grease and cosmetics from hand.

4 Shaping Straw: Dents and creases can be removed by steaming. It is practically impossible however, to change the shape of your straw hat.

5. Dyeing Straw: Any shade of commercial ink, diluted with denatured alcohol can be used. Brush on but use a block so that the hat will keep its shape. Dry thoroughly.

6. Freshening Straw: Colors can be brightened by sponging with a solution of one tea-spoon ammonia to one cup water. Clear shellac diluted with an equal amount of alcohol, applied with a brush will stiffen and brighten limp, dull straw. Apply as many coats as necessary.

Veils:

Press between two thicknesses of wax paper. To make it stiffer dip in a solution of 1 gelatin to 1 cup water. Squeeze out and stretch to dry.

Flowers and Ribbons:

It is best to buy new ones.

Felt Hats:

1. Remove trimmings and band.

2. Brush or vacuum in a circular motion.

3 Clean any spots using solvent or carbon tetrachloride.

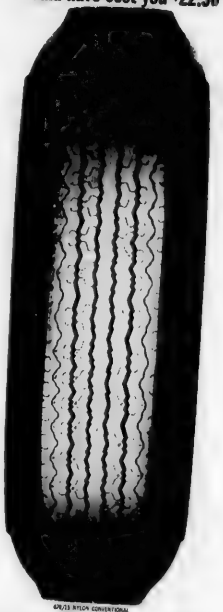
4 Renew nap by rubbing with CO paper.

5. If light colored — use cleaning fluid and corn meal. Felt may be softened by applying a solution of ½ teaspoon powdered glue to one cup water on the wrong side.

THOUGHT FOR TODAY

Grandma Hedges says in 68 years of married life she never once thought of divorce —just murder.

Last year this Dunlop Gold Seal would have cost you $22.50



6.00/13 NYLON CONVENTIONAL

Today the price is $17.44. Why?

It's a first line Dunlop Gold Seal with a 1962 tread pattern. This is 1963—and now Dunlop is tooled up to produce a new tire. To make way for it, we have to sell off between 150 and 200 tires like this. If you want to wait till the new 1963 Dunlop Gold Seal is available—fine. But if you want an honest bargain on a 1962 Gold Seal, see your dealer now!

AS I SEE IT

By PASTOR E. MUIR

HOW DID YOU VOTE?

A couple of weeks ago, you had an opportunity to cast your vote to select a new leader for our country. A lot has happened since then.

I don't know whether you were satisfied with the results. In any case, there's very little we can do about it now. Much like a marriage vow, "for better or for worse".

Still I'd like to ask, How Did You Vote? Perhaps you didn't realize it, but everyone of you cast a vote Sunday afternoon. The following lines represent one man's honest admission:

Last Sunday I voted to close the church, not intentionally, nor maliciously, but carelessly, thoughtlessly, lastly, indifferently. I voted

I voted to close its doors that its witness and testimony might stop. I voted to close the open Bible, the Bible that was given us by years of struggle and by blood of martyrs. I voted for our ministers to stop preaching the glorious truths of the Gospel. I voted that the children of the Sunday School no longer lift their sweet voices in singing.

I voted for the voice of the choir and the congregation to be stilled and that they no longer sing in united praise. I voted for every missionary of the church to be called home, every hospital, school and dispensary on the foreign field to be closed. I voted that every home missionary project be abandoned, every influence for good and right and for truth in our community to be curtailed and finally stopped.

I voted for the darkness of superstition, the degrading influence of sin, the blight of ignorance and the curse of selfish greed to once again settle their damning load on the shoulders of an already burdened world.

I VOTED FOR ALL THIS WHY?

You see, I could have gone, I should have gone, but I did not. I stayed away from church last Sunday evening.

Manicurist: "I don't think I ought to go out with you, I'm married."

Playboy: "Ask your husband, I'm sure he won't mind."

Manicurist: "You eat him — he's shaving you."

Teen and Herd

BY DEN

Holidays were spoiled for one of our teachers who spent the entire holidays in the hospital—Our sympathy teacher.

☆

Although our Teen Queen Barbara Marshall and the outstanding teenager, Rick McCordia didn't name bones with any trophies they had a wonderful time. On the trip with them were Wayne Mallet Michael Kwashniuk Wayne Mathewer. They were accompanied by Mr and Mrs Jim Cordia and Mrs Marshall. They all thought Medicine Hat a lovely city. Wayne says there were lots of pretty girls too.

☆

Kinseen members look pretty sunny—black with gold trim. They'll come in very handy when the Kinsmen have there welner roast.

☆

There is to be a welcome decoration in the high school on Friday, April 26. EVERYONE is welcome, including parents.

☆

Something new was added during the building of the school in the month end of the ball—paint!

☆

It really must be spring the boys are already practising for the track meet scheduled in May. Even our 235 pounder is lost in good shape

☆

Wayne Girling and Louis Stapar passed their bronze Medallion Instructors course in Edmonton over the holidays. Congrats boys

☆

They say, "Every dog has his day" and it looks as if Edsen dogs' days are numbered. It seems as if the dog catchers are out to really earn that small salary of $100.00 a day plus. I'm sure glad my dog isn't.

Edson Scouts make bike trip to Jasper

Troop Leader Ken Davidge and Patrol Leader Allan Rowlands represented Edson Scouts on a bike-a-thon to Jasper during the Easter holiday. In fact, they were the only ones to make the trip.

Leaving Edson at 8:30 a.m. Wednesday with bed roll and pack and riding through snow and rain, they arrived at Hinton about 4:30 p.m. after having stopped for dinner at the Medicine Lodge picnic shelter. The 2nd Hinton Rover Crew and Squires acted as hosts for the night and two adventurers were bedded down at the Hinton Scout Hall.

Although Ken and Allan were up at 6:00 a.m., they did not leave Hinton until 8:00 o'clock.

Now the weather began to close in, pelting the boys with snow and cutting visibility to a minimum. By the time they arrived at the Park gate, they were thoroughly soaked and built a fire to dry themselves out.

On arrival at Jasper about 2:45 p.m Thursday, they went to see Allan's Dad who is working there Ken stayed with Mr Rentsworth and Allan stayed with Mr and Mrs Ron mussen Both boys were most appreciative of the hospitality.

Scoutmaster E. Wallace brought them home Friday afternoon.

Ken and Allan wish to express their thanks to the 2nd Hinton Rover Crew; to Mrs Stevens of the Obed Cafe, who gave the boys free 'pop' and doughnuts; to Mr and Mrs Rasmussen and Mr. Rennerth of Jasper; and especially to the motorists who managed not to run over them

Frances Hyland wins 'best actress' by Liberty

Those in Hinton who saw Frances Hyland, well known actress who appeared locally in the Canadian Players' "Masterpieces of Comedy" last February, will be interested to hear that she has been named best actress in the Eighth Annual Liberty Awards announced recently.

She was selected for the 1962 Liberty Award for Canadian TV talent as the result of a poll of 200 show business experts across the country.

Douglas Rain is chosen as the best actor.

Other winning personalities were: Tommy Common, best male singer; Juliette, best female singer; Don Gillies, best dancing; Fred Davis, best TV host, and Wayne and Shuster best comedy.

Taking awards in the various categories were: Pauline Hall, best drama show; CBC National News, best news; Front Page Challenge, best game show; Close-Up, best public affairs show; Parade, best variety show; and Ranch, best children's show.

Ed Sullivan received the special Liberty Award for

Hinton News

Mr and Mrs. P. J. McVay mark returned from Vancouver, B.C and report a nice trip.

Mr Robert Welby from Edmonton visited his aunt and uncle, Mr and Mrs Harvey Setzer and also called on Mrs Miller while here.

Owing to bad weather the Easter egg hunt was held Friday at the old Nixon School. Mrs. Gordon Hudson and Mrs Peter Setzer hosted over the games. Mrs Gerald Mrs Ashland Mrs Dawsnall and Mrs Jack Robinson handed out the treats to the children whom they all enjoyed

Mrs Peterson, Mrs E Shield, and Mrs H Setzer hosted after the lunch Mrs J D McArthur and grandson Jack McArthur from Edmonton attended and enjoyed the afternoon too.

Mrs. E. Peterson is enjoying a trip to Turner Valley and Calgary with her daughter Mrs Gerald Hudson and Gerald.

The last community whist was held at the home of Mr and Mrs. Don Setzer Ladies' 1st went to Mrs. Don Setzer, ladies' 2nd to Mrs. Peter McCormack; consolation to Mrs A Goodale. A lovely lunch was served by Mrs Setzer

Mr Max Miller is the proud owner of a new International diesel tractor Good farming, Mrs.

Mrs Eh Wild of Carrot River visited over Easter with Mrs. E. Peterson and Mrs Dunsmuir last week.

Mr and Mrs. Floyd Nasby and family were over from Whitecourt visiting friends and relatives here

Niton News

Mr. and Mrs. Shoemaker, inaugurated this year Bullivan was been voted for his "outstanding contribution in raising the stature and prestige of Canadian entertainers by introducing as many of our promising performers to international audiences."

Presentation of the awards will be made in Toronto, late in April

Garden Graph

By DEAN HALLIDAY

Starting Seeds Indoors

Many home gardeners like to "jump the season."

This cannot always be done outdoors, especially if a cool spring makes it impossible to work the soil early. By starting some seeds indoors, however, several weeks' growing time can be gained.

It is true, however, that planting seeds too early is a mistake. They are apt to grow too tall and lanky before they can be moved out into the garden.

Seeds started late in April and early May grow faster than seeds planted in March or April.

The garden centres and the gardening catalogues offer many kits to make seed starting easy. However, elaborate, and clogging, or on the other hand expensive equipment is not

Flower pots, cigar boxes, flats or any other container may be used as long as proper drainage is provided

If a flat is used, see that it has six drainage holes four inches apart in the bottom as shown in the accompanying Garden Graph Additional drainage can be supplied by covering the bottom of the flat with a layer of broken pots, cinders, coal ashes or pebbles. Some gardeners prefer to use the coarse sphagnum moss.

If a flower pot is used two or three pieces of broken crock should be inverted over the drainage hole in the bottom to keep it open and prevent the soil from packing.

Sterilizing soil is necessary for indoor planting. Soil from the garden may contain weed seeds, insects, and plant diseases which will cause damping off, a condition that causes young seedlings to topple over and die.

Some gardeners prefer to use the coarse sphagnum moss.

If a flower pot is used two or three pieces of broken crock should be inverted over the drainage hole in the bottom to keep it open and prevent the soil from packing.

Sterilizing soil is necessary for indoor planting. Soil from the garden may contain weed seeds, insects, and plant diseases which will cause damping off, a condition that causes young seedlings to topple over and die.

An Antidote for Accident Rashes

Some primitive healing practices are really not so primitive From the steamid jungles of the equator to the frigid arctic wastes, research ers are investigating the secrets of which doctors and medicine men.

As far back as 2,700 B.C the Chinese made wide medicinal use of the Mahuang plant. It wasn't until 1923 that scientists found out why these treatments were effective The Mahuang plant contains ephedrine.

Doctors still use at least 80 medicines discovered by the American Indians Leaves of the spice bush and blue ro bush roots are Indian remedies The last time your doctor wrote a prescription for fever, there were probably part of the ingredients

In India the snakeroot plant was used for thousands of years to thwart nervous disorders, epilepsy, and insanity Modern science now uses it to control high blood pressure and as a tranquilizer

Robb and Branch News

Easter holidays are over and everyone is back at the old grind. The weathermen put his best foot forward and gave us a little sunshine I believe that's what you call it Don't know for sure as it seems such a long time since we've had any

The snowstorm I predicted with the startling gathered in Banks novels came to pass disrupting power and telephone service With the exception of over one shoulder on Tuesday chances are we will have a few days of more weather It's quite safe to say We are hoping

Mr Mel Brindle and his mother were visitors on Saturday at the homes of the Hunt Sons and Ken Brindle They returned to the city on Sunday

Mr and Mrs Hughie motored to Rindle on Sunday to bring their daughter, Denise home for school on Monday

The house in the Robb Hall on Saturday evening was very well attended in spite of the weather

The roads around town are quite dry once again and the bicycle brigade is out in full force

Dennis Panke and a friend Bogey from the city, were visitors to Robb over Easter at the home of Dennis' parents, Mr and Mrs Mike Ezsel.

Newly weds Mr and Mrs Cheeko Panke arrived from the city on Tuesday to visit relatives here

Miss Louise Pambrun and Mr Peter Pambrun were visitors in Robb over the Easter weekend

Mr Schwartz's hens are sure doing their stuff these days They are keeping him busy delivering those lovely fresh eggs Rain or snow he makes the rounds

There will be a show in the Robb Hall on April 27 The show is Bonzo for one more With our latest influx of residents there soon won't be room for one more The pulp cutters have moved here, to town for another session in the woods.

Mr and Mrs Harry Zaneruka and Dianne were visitors in Edmonton over Easter, returning with a Beach Harry can pass everything on the road now, except the gas stations.

Mrs Joe Ezsel and daughter Janice were visitors to the city during Easter

The man with the green thumb Mr Charley Shirley has planted his gladioli bulbs in hopes that spring will soon arrive He grows some of the finest that could be found anywhere, bar none

Miss Doreen Longreds of Killam, Alberta, spent Easter with her parents at Chalupar

Mr Frank Heel who is employed in Edmonton spent Easter with his family here in Robb Community Association's parties to be held the end of June Mrs Shirley Jansen is the proud owner of a daughter

The Robb Community Association cordially invites all Robb residents to attend the next regular meeting in the Robb Hall on May 12 At this time the final agenda for the June picnic will be drawn up If the weather cooperates there are all the indications of a gala affair

The proposed wrestling match between Irish Shirley and Italian Ed is cancelled as Ed backed out

In Robb it isn't new Easter bonnets it's cars

"When you serve my guests at the table tonight" remarked the lady of the house to her new maid, "please try not to spill anything."

"Oh, don't worry about a thing, ma'am" replied the maid "I never talk much."

School Divisional Board appoint year's committees

The April meeting of the Edson School Divisional Board saw the appointment of standing committees for the year, election of G Hansma as chairman and a discussion of how the 1963 budget could be pared when the Board sat in Edson on April 9.

Present at the meeting were Trustees A. L. Pasiak, D Heaton, J H Lawton, G Hansma, M Kudrewicky and A W Leonard. Superintendent of Schools A D Jardine. Assistant Superintendent, S G Maerlz, Superintendent of Works, P. E. O'Hara and Secretary treasurer, D S Blundell

The following members were elected to act in the capacities as indicated (chairman, Mr G Hansma, Peers, Vice Chairman, Mr M Kudrewicky, Hinton

The following members are to serve on the committees as indicated with the first mentioned as chairman of that committee

Building Committee A W Leonard, M Kudrewicky

Van Committee A. L. Pasiak, J H Lawton, D Heaton, G Hansma.

Teacher Economics Committee A H Lawton, M Kudrewicky, D Heaton

Finance Committee: All Trustees

Zone II Representatives. A W Leonard, Alternate G Hansma

1963 BUDGET

The Budget was presented to the members for discussion and perusal and final approval. The following items were deleted from the budget by resolution, to reduce the over all budget

1 That the sum of $13000.00 be deleted from repair salaries and charged against the new Building Program

2 That the sum of $3 000.00 be deleted for the purchase of a Division truck and this amount borrowed on a three year repayment basis

3 Postponement of the Crescent Valley chain link fence at Hinton, Alberta, in the amount of $2918.00 until 1964

4 Reduction of the Library Grants to the elementary school pupils to $2.00 per pupil — a reduction of $2202

5 Hiring of apprentice teachers for 6 weeks instead of 8 weeks at a budget saving of $4000.00

This will mean an over all budget reduction of $10 175 00 and the budget was unanimously approved with the above deletions to be included and with the requisitions for wanded to the collecting authorities upon the budget receiving final approval from the Department of Education.

Sale You Soon Wildwood Sand

The tender of the Jasperlea Community Association in the sum of $180 00 be accepted, subject to the Association moving the building, clearing the site to specifications to allow new construction, allowing use of the classrooms as required until the new construction is completed and that prior to the building being moved that the Building Committee of the Board approve the conditions

Other matters discussed were approval of previous meeting minutes, Van Committee meeting and Institute Van problems, discussion with the Principals' Association of extra curricular van trips and the responsibilities of the Principal and Van Driver to those pupils who are transported, report of the Zone II Executive Meeting, report of the Superintendent of Works, discussion with the Architect on the 1963 Building Program.

East District Doin's

Well I missed the boat again but a boat or mud shore is exactly what a person needs to travel with these beautiful spring days. It would be a waste of space to write Mrs. Beers can't visit Mrs. Smith because of impossible roads. Actually the roads aren't too bad — its our own private lanes and drive ways that put the kibosh on travel

Joe Ice finally made it home from his job. He made use of almost every type of transportation but arrived safe and sound. The first lap of his trip by plane, next automobile, bus, then shanks mares

Mr and Mrs Carl Beer greets are receiving congratulations on the recent arrival of a daughter, a sister for Cindy who is staying with her grandparents Mr and Mrs W Nevatney during her mom and Floral conditions are threatening roads and bridges and several reports of damaged bridges have reached us in the last day or two

Mr and Mrs Joe Morris and Gordon Townsend are among local folk who attended the rush hour in Edmonton on Thursday night

Mr and Mrs Joe Morris were guests of honor at a party held in their home Saturday of last week The occasion" — their 18th wedding anniversary Congratulations and best wishes to many more happy annivers-

Hattonford

Congratulations to Mr and Mrs Carl Baerwald (nee Alice Nevatney) on the arrival of their second daughter born in Edson on April 18th Also Congratulations to Mr. and Mrs. Walter Turrie on the arrival of a daughter on April 20th in Edson hospital

Mr and Mrs H Seibert from Spirit River visited with Mr and Mrs F. Strauss last weekend

Mrs. B. Wiseman was an Edson visitor last Saturday with her daughter Mr. and Mrs P Setzer and family from Niton

Mr and Mrs C Stallings and girls from Edmonton and Mrs. L. Chandler were Jasper visitors last weekend

A survey of employees covered by pensions in other areas, correspondence, Evansburg Access Road, payment of Accounts Analysis of By law 18 date for the losing of tenders for 1963 construction, report of the Superintendent of Schools report of the Assistant superintendent, business of individual Trustees

The next regular meeting will be in the Board Room Edson, at 9 00 a m

WHAT IS A SUGGESTION

It's an idea that is going somewhere to get something done. If in any acceptable idea that is intended to be of benefit. The idea doesn't have to be a new or original one If you can find a new one for it.

Kindergarden class entertains parents

Little three year old Linda Mergaert played the part of the baby chick when Mrs Stelter's kindergarden class entertained their parents at an Easter party

Besides other things the class put on a skit "Eggbert the Easter Egg" It was here where Linda (who is not a Kindergarden student) acted as the teeny, weeny baby chick. Linda had practiced with the class previously and the thrilled the visitors when she ended the skit by singing a complete song by herself

Each student presented his or her parents with a vase he had decorated and filled with spring flowers

It was truly a day of surprises Mrs. Agnes Thomas of the Little Igloo donated her cream sandwiches for all the children

Philip Parish on behalf of the class presented Mrs. Bielert with an Easter Lily Plant

Craig Wronko who is now in to Valleyview with his parents was presented with a trophy for a perfect health inspection record

The following day the child ren returned to school to enjoy the Easter egg hunt The winner was Tracy Lambeth

Planned sin

PASTOR SNOWALTER

A farm boy was one day addressed by his father that he should not take time out for a visit to the swimming hole

Later that day his father found the team resting in the shade and the lad enjoying the water

"Didn't I tell you not to take time for swimming today" And, how is it that you have your main trunks on"

The boy hung his head and replied, "I didn't mean to disobey you, but I brought the trunks along in case I'd be tempted"

How like many a son of God is Christian who finds himself in trouble with his father They never have any serious plan to keep from sin Hasty erring after the pleasure of the sensual, they go places, see things, say things in direct disregard of the wisdom of God which says

"But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof." Romans 13 14

Mary Kuskie Shower guest

Something unique in bridal showers was seen at the Hinton home on Saturday, April 20th Bride-elect Mary Kuskie was pleasantly surprised by about twenty eight guests who emerged from the den singing "Here Comes the Bride," as they dropped their gifts into a basket beside Miss Kuskie

During the evening a show ed magic by Edson's own Fred Handle was much enjoyed Miss Kuskie then opened her many lovely gifts following which Sandra Hrabik served a delicious

New Bank manager community worker

The Bank of Nova Scotia announces the appointment of Lloyd G. Warkentin as man ager of its branch in Edson, succeeding J. G. Marlow who moves to Hinton.

Mr. Warkentin comes to Ed son from Derwent, where he has been manager for the past three years. Born in Lang ham, Sask., he joined the bank in Saskatoon and had experi ence also in Medicine Hat, Neith Current and Winnipeg before his first managerial ap pointment.

Both Mr Warkentin and his wife, Lev, have been active in community affairs in the various locations where his banking posts have taken them. The manager is speci ally interested in 4-H Club work, he has been an exe cutive member of The Gideons and a director of Youth for Christ as well as the Junior Chamber of Commerce.

Mrs. Warkentin has been a member of the Women's Mis sionary society and The Home and School Association, the latter in spite of the fact that the Warkentin's two daughters have not yet reached school age

At the time of his transfer, Mr Warkentin was president of the Derwent Board of Trade, secretary of the Dev west Curling Club, and secre tary of the St Paul Camp of Gideons

UBCJ of A form auxiliary here

A ladies auxiliary union of the United Brotherhood of Carpenters and Joiners of America was formed in Edson on April 17.

At that time the charter was installed by W. G. Stan ton representative, he was as sisted by T. E. Stilwell, busi ness manager of Local 1325, Edmonton.

Officers elected and install ed included Mrs. Mable Dyck, president, Amelia Carlson, vice president, Olinda Larson, secretary treasurer, Verna Wagner, warden, Elaine Wels or, conductor Trustees are Mary Volstad, Hetty Becher and Wanda Lefevre

After a short meeting a lovely lunch was served by the ladies Mrs. W G Stan ton was a visitor at the meet ing.

H&S plan discussions for May 1st meeting

Are today's schools meeting the needs of all pupils? Are parents and taxpayers get ting full value for the money that is now being spent on education?

These and other provoca tive questions will be dealt with in a panel discussion at the next meeting of the Home and School Association on Wednesday evening, May 1st, in the A. H. Dakin School. On the panel will be Mayor "Paul" Brunelle, A. W. Leo nard, chairman of the Edson School Division board and M. D. Meade, high school prin cipal

"Modern Education—Value for our Money?" has been chosen as the topic for the evening. Following the panel discussion, the meeting will break up into small "buzz" groups a free and lively ex pression of opinion can be expected on such questions as "Are our modern schools do ing as good a job as the schools of thirty or forty years ago?"

At the completion of group discussions, the findings will be summarized by the group chairmen and the panel will reconvene to answer ques tions from the audience.

Ball League meeting in Edson April 28

An annual Baseball meeting of the North Western Base ball League will be held at 8 p.m. in the Parish Hall at Ed son on Sunday, April 28.

All persons interested are welcome to attend.

GREYHOUND announces a Change of Schedule EFFECTIVE April 29th, 1963

For full information contact your local Greyhound Agent

GREYHOUND

Mr. J. B. Cross, President of the Calgary Brewing & Malting Co. Ltd., announces the appointment of Mr. Dave Duchak (above) as Manager of the company's Edmonton and Northern Alberta, Mr. Duchak succeeds Mr. W. H. Mc Dougall, who has retired from active participation in business.

Mr. Duchak has a record of 25 years service with the Calgary Brewing & Malting Co. Ltd., and is widely known in sports circles for his past performances as an amateur hockey and football player. He was a member of the Trail Smoke Eaters hockey team—Canadian and world champions —when the club won the Allan Cup in 1937.

Mr. Duchak played an important part in the formation of the Buffalo Athletic Association, and organized the post war Calgary Stampeders hockey club which won the Allan Cup in the first year of re-orga nization.

In addition to his new position as Manager of the Edmonton plant, Mr. Duchak will also continue as the Northern Alberta supervisor of hotel operations for the Calgary Brewing & Malting Co. Ltd.

ANNOUNCEMENT

Mr. and Mrs. James A. Rush of Peers wish to announce the engagement of their daughter Iris Adele Jean to Ronald Henry Sharpe, son of Mr. and Mrs. W. D. Sharpe of Edmon ton. The wedding will take place May 18, 1963 at 8 p.m. in the Edson United Church.

Public meeting favors modernizing arena

A public meeting Monday evening of over 30 ratepayors of the Town went on record as favoring the modernization of the Edson arena with artificial ice, increased seating and heating and larger dressing rooms.

Chaired by W. R. Brunelle the meeting was brought up to date on the details of the thinking first by the Edson Recreation Board and later the Council by Secretary Manager R. C. Gregg and Councillor M. E. Collin.

It was revealed that the full plan with conversions, modifications and additions would come to the neighborhood of $150,000 With increased rentals for summer and year round activity, the possibility of grants and other help, it was estimated that the repayment of the debenture over 20 years and cost of operation would be under five mills. It now takes one mill of tax money to run the present arena for a little over 35 days with our mild winters.

Mayor Brunelle in giving a brief review of the reasons for calling the public meeting indicated that the Council was not in any way desirous of going ahead with the project if it was not the wish of the citizens as a whole.

Mr. Gregg in reviewing the history of the project reminded the meeting of how D. H. McLeod and Associates had been employed on a contract basis to prepare a preliminary estimate which indicated the cost of the construction as shown on the plan exhibited to the meeting, as $130,000.

To this there would be engineering fees of $7,000 for a total of $138,000. Then it was found the grandstand would have to be moved and the footings of the existing building would have to be repaired, lighting renovated, and other modifications made that would bring the cost to $150,000.

To finance this amount something like $143,000 would have to be borrowed which would cost about $12,000 per year in principal and interest.

The estimated cost of operation of the arena this year was close to $6,000. It is estimated that the cost of operation of the proposed plant would be a minimum of $11,000

The average revenue from the arena over the last several years has been between $600 and $800, whereas it is presumed that the revenue for the new plant would be in the neighborhood of $2000 or better, the net difference between the two plants being approximately $5,000 or a little better than one mill as the additional rents to the ratepayers annually would be close to four mills, operation and capital inclusive.

Councillor Collins in reviewing the survey made by the Recreation Board as to the community's greatest need — which was that the arena be modernized — mentioned that observations of what other towns had done had been undertaken.

One of the interesting points brought out in the discussion that followed was that the engineers estimate the present worth of the steel girder framework and tongue and groove roof under the present building worth a cost $60,000.

The original building was purchased from the Marlboro Cement Plant in 1955 for $2500 and erected for about another $2500. The roof was put on two years ago at a cost of a little over $10,000

There would be ample parking space due to the expansion plans for the park.

Eastward it was revealed. It was also felt that the outdoor rink could be eliminated as more time would be available with artificial ice.

Proposals to put an ice plant had been considered Nigel Aspeslet, Chairman of the Recreation Board, told the meeting, but it was felt that insulated walls were necessary to efficiently operate the artificial ice plant. The roof would not need insulating due to its construction.

The possibility of a grant for an agricultural society was mentioned if amount done in the arena were put in so that summer activities could be held.

Of those ratepayers present 27 voted in favor of the Town starting a plebiscite on the question and two citizens opposed the motion.

MARKING THE CLOSING OUT OF 53 years of yard service in the railway yards at Edson fellow switchmen and the other railman left in Edson, presented Manley Burleigh, centre, with a purse on his early retirement from service with the company. Veteran railwayman J. K. Wilson, left, made the presentation to Manley and the banquet to Mrs. Burleigh. This month sees the dispersal of the few remaining switchmen to other points on the CN system. Most transferring to the city. Several have decided to stay in their town and switch to some other vocation.

Budget planning, business zoning occupy Council

Mr. D. L. Makale, Town Planning Consultant, addressed the Council on matters relevant to the Zoning map, Interim Development Control, confirming that it was his opinion that the zoning of the Commercial Areas of the Town, as presently established, were adequate and that it was his opinion that no modification should be permitted when he appeared before Edson Council on April 23.

As to the Application for approval to the moving into, and modification of the building on Lot 20, Block 22, (the former Signal Building) for the purpose of the conducting of a retail trade of a nature permitted only in the Commercial District Class I, Mr. Makale recommended that permission not be granted.

Following the recommendation permission was not granted to the proposed location of the Edson Sport Shop in these premises on the basis of it being contrary to the zoning schedule, Interim Development Control. A building permit was refused for the proposed modification of the building.

Present were Mayor W. R. Brunelle; Councillors: M. E. Collin, A. Goldstick, M. D. Meade, J. Scott and P. W. Wells.

The meeting of the council adjourned temporarily and the Council convened a meeting of the Council as a Committee of the Whole to review the Budget for 1963.

Councillor Wells, Chairman of the Finance Committee took the chair and the Council, as a Committee of the Whole, reviewed the proposed budget 1963 in detail.

The Committee of the Whole was adjourned and the Council Meeting was resumed

All tenders for gravel supply, called for April 16, and tabled to this meeting, were rejected. The tenders were opened. Tenders are to be called again for supply of gravel in accord with reduced requirements of Town

The submissions of the Edson Chamber of Commerce and the Town Band, requesting grants, tabled to this meeting, were further tabled to the meeting of May 7

The Secretary advised Council of receipt of notice of termination of employment from Mr. Harry Dey as watchman at Town Dump and receipt of an application from Mr Archie Stavinsky for employment on the same terms and conditions.

Stavinsky is to be employed on three months trial basis on contract subject to approval of the Board of Industrial Relations, as watchman at the Town Dump subject to certain privileges as to salvage and a salary of $320.00 per month.

A submission of the Director of Town and Rural Planning asking for opinion of Council on proposed subdivision of Lot 4, Block 23 was placed before Council

The submission on the proposed subdivision was tabled to the meeting of Council of May 7. The Secretary was directed to obtain further information with respect to the application

The urban contributing authorities, within the Edson School Division are to be contacted and requested to meet with the Finance Committee of the Council to discuss the School Supplementary requisition and the School Budget for 1963, toward a common approach being made with request to the School Budget.

Haddock boy saves family home from burning

Ralph Barka, twelve year old son of Mr and Mrs. M. Barka of Haddock, showed remarkable presence of mind last week when a furnace explosion rocked the family home.

Ralph, alone in the house with the other Barka children, heard the explosion and immediately closed the door to the basement, shutting it off from the rest of the house. He then got the children out of the house and called his mother who was doing chores.

Mrs. Barka was afraid to open the door and sent the children to get her husband and neighbors, Mr Nordveds and Ed Pillmore, who were in the hay flats. When they arrived and opened the basement door to check, the fire had gone out for lack of air A couple of coats were still smouldering, but these were soon removed.

The ceiling rafters of the basement and the underside of the stairs were quite badly damaged. There was considerable soot and smoke damage throughout the rest of the house.

RENOMINATED FOR EDSON CONSTITUENCY the Hon. Norman Willmore shakes hands with his two nominers at the Edson constituency Social Credit nominating convention held in the Parish Hall Edson last Wednesday evening. Left to right Myron Nikolayuk of Wildwood, Mr. Willmore and Stan Moertz of Edson. Special speaker for the meeting was the Hon. A. J. Hooke, Minister of Municipal Affairs. Mr. Hooke's message to the meeting was that Albertans should beware of political parties who sold their ideas like soap. Mr. Willmore said he felt the issue in the coming election was the Government's record, which he felt spoke for itself.

Outstanding movie here this weekend

Residents of this area will have an opportunity this week end to see a truly great movie "King of Kings." The film is showing at the Edson Theatre, one show a night at 7:15 p m

The picture depicts the life of Christ and the stormy, turbulent times into which He was born. Jeffrey Hunter playing Jesus, heads a cast of 50 actors and actresses as well as over 20,000 extras The picture was filmed in Spain in country closely resembling the strife torn province of the far East where Jesus was born, grew up and died on the cross

It is a picture that should appeal to all walks of life and all types of people.

Sportsmen's Dinner guest list shaping up

Montreal Canadien star Bernie 'Boom Boom' Geoffrion and Clare Drake will join the head table guests for the Optimist Sportsmen's Dinner. Tiger Goldstick and Tommy Molyneux are other confirmed sports personalities for the affair will be presented May 17th at the Edson Motor Hotel

Tiger is furthering arrangements for the program and has tabbed Drake the renowned collegiate coach who so ably is serving as professor on the staff at the school of physical education at the University of Alberta. Clare has straight hockey championships a collegiate record of five and coaches football and hockey year round at the U. of A. Clare Drake played and coached hockey with teams overseas in Holland and Germany

He joins a talented list of dinner, a list topped by hockey guests at the major sports story star Boom Boom Geoffrion who will be brought to Edson by Molson's. Mr Bart

Haddock Happenings

Congratulations to Mr. and Mrs. Nelis Cumarta on the birth of a daughter on April 24, a little sister for Debby and Bud.

The fish will have a hard life from now on. Charlie Brown is back for the summer, staying at the Bob Meeres Charlie spent the winter in Victoria, B.C., and Don Coon is out on his farm for a while again

Bill Napier of Edmonton spent the weekend with the Haddock family.

The Wild life movies presented by the forestry branch at Pulham on April 27th was well attended There were very few people from north of the township line at the R.E.A. annual meeting in the basement of the Dutch Church. Aren't we interested in electricity up here?

Amos Herren left on Thursday, April 25 for a holiday in Washington State. Amos has a sister living there.

Wilson Gordon is home again and feeling some better.

Barkas were fortunate last week, in that an explosion in the basement did not result in a large fire.

Mahaska ball teams had their first ball practice on Sunday

Bill Pitcher went to Saskatoon on Friday to be with Chauncy Whitter had greatly beer hunters out this week Mrs. White's brother and nephew were out visiting.

Mr. and Mrs. James Milner celebrated their 44th wedding anniversary on April 23rd.

A.A. Krinks returned last week from a two week holiday in B.C.

INVESTORS KEEP OUT!

(If this is what we want – there's an easier way!)

Investors mean prosperity for the area they help to develop. But . . . if we really don't want them, we need not shut our borders. Government take-over of industry is enough to deter investors – and can we blame them? A prominent Provincial Official has said.

"Take-overs of private industries are damaging the confidence of private investors. I have tangible evidence that such talk is scaring investors out of other provinces and into ours. A province which wants to attract investors must not talk of nationalization."

Already, such talk in Alberta may have caused enough harm – but consider what would happen if this threat went into effect. Let's show new investors that free enterprise will always be free in Alberta.

WHAT ABOUT BASEBALL ?

GUEST EDITORIAL BY CHAS P. IRWIN

Baseball season is here again, and with it has come the need for a "shot in the arm", especially in the town of Edson

The annual organization meeting of the W.A.B.L. was held in the Parish Hall on Sunday afternoon. What the meeting lacked in numbers was made up in the enthusiasm of those present.

The league was re-organized to consist of four teams, namely; Jasper, Hinton, Edson and MacKay, as no one from Whitecourt or Mayerthorpe showed up. This league has functioned fairly well in the past but something seems to be lacking.

Baseball has taken a beating all over the country, with opposition from cars, T.V., football, rodeo and softball. There was a time when Edson could be justly proud of its ball team and the Club could rely on 100% support of the town.

There was also a time when Edson could put on bang-up tournaments with prizes up to $1000.00 and still make good financially. I attended several games at Edson ball park last summer and was completely amazed to find about a dozen spectators. In other words the supporters stayed away in droves. Why?

Now baseball seems to have taken a new lease on life in the Province, with the formation of the Western Canada B.B League, so let us get enthused in the Edson area.

I have, at hand, a letter from Mr. Clark Rex, General Manager of the Edmonton Oilers, who are conducting a Baseball School for young players, who might choose Baseball as a career. Any of those boys who show promise as ball players will either be given a chance to play for the Oilers, or the Big Seven in the junior circuit. The ideal age is 16-18 years.

This should furnish the stimulus to start off the season on the right foot. So, people of Edson and District if you can't play ball, at least be a good fan.

Letters to the Editor

Dear Editor:

The control of dogs in town would be a matter of lesser consequence if the allergenic trees were only a few spent garbage cans and trampled-on flowers beds, or even the occasional snore of barring a dog rush at you unexpectedly. However, a much more serious and urgent problem is the tendency of dogs to gather on school playgrounds.

A child in elementary school frequently is followed to school by his pet. Dogs are very jealous of their masters. When several dogs arrive at school, inevitably, there is a dog fight. Equally inevitably the owner of the pet getting the worst of the combat enters the fray.

As fighting dogs slash about indiscriminately, this is a situation for the child, much too dangerous to be tolerated. Obviously, dogs in town must be controlled sufficiently to prevent such occurrences.

The solution of the problem is not only urgent but also difficult.

Dog-owners, sure that their pets could do no harm, are more inclined to rush a fuss than to condemn them to the imprisonment of a pen or the restriction of a leash.

A dog-catcher is about as popular as a hangman.

Even sympathy of an onlooker instinctively is with the dog being caught.

An unskilled dog-catcher is in real danger of being bitten as all dogs resist fiercely.

The imposition of a fine, though terrified is nevertheless resented. In spite of all this immediate effective control is demanded.

The recent decisive action taken by the town management has stopped the gathering of dogs at school playgrounds. Thus, it is an improvement over inaction; a step in the right direction.

Because the safety of our children comes first, let us congratulate the authority for taking effective action and, if we must criticize, take into account the difficulties involved, and confine ourselves to constructive criticism.

Yours very truly,
H. R. Wortman

☆

Dear Sir,

It seems our "By the People For the People" have plans to sell district residents down the river once again. We will not go into detail but have it on excellent authority — A large established business firm is negotiating for a greater part of the remaining timber in the area.

Is this by any chance one of the reasons it is almost impossible to acquire a patch of pulp wood?

Incidentally would some body in the know supply the public with a detailed description of a tree farm? Just what is a tree farmer supposed to do? How does one operate a tree farm?

We know all about bush farmers — their restrictions and basic requirements — are entirely in the dark concerning tree farming.

Disgusted Farmer.

☆

Dear Mr. Editor:

I would like to urge the citizens of Edson to support the Ladies of the Royal Purple in their Cancer Drive.

As a cancer patient for 18 years I have received dressing, and whatever I needed. They have been supplied to me with these things free of charge. I am indeed truly grateful.

Mrs. Mabel Nicolson

CAPITOL REPORT

PREPAID FUNERAL SCHEMES INVESTIGATED

BY JOHN WARREN

EDMONTON — The royal commission report on prearranged funerals in Alberta prepared by Chief Justice C. C. McLaurin, drew high praise from Premier Manning last week. Mr. Manning described operators of some funeral schemes as "just despicable — particularly when they are preying on elderly people. "I don't think the chief justice was too rough," said the premier. "He did a very thorough job. It certainly made clear the concern we had expressed."

The premier, who is also Alberta's Attorney General, said the five recommendations in Chief Justice McLaurin's report are under study and most would require legislation to be adopted. He particularly praised a recommendation that the securities act be amended to grant power to obtain restraining orders against persons violating the act.

"All we can do now is levy fines," he said. Persons could pay fines and then start all over again. He said he did not know if any changes would be held on a result of the report.

The chief justice had recommended prosecution of Lawrence Albrecht of Red Deer, one of three operators of Riverside Chapels Limited and subsidiary companies. His report said Mr. Albrecht had sold securities without a license and criticized his methods.

Mr. Manning also praised a recommendation that would prohibit door-to-door selling of burial spaces. "This thing of funeral selling door-to-door is revolting to most people," he said. But he added it was difficult to draw the line between prohibiting what might be undesirable in some people and acceptable to others.

☆

At the same press conference Mr. Manning said he would welcome an early federal-provincial conference and was anxious to discuss "matters of welfare" with the new Liberal federal government.

He said one topic would be federal subsidies and whether patient payments to hospitals under the Alberta co-insurance plan would be recognized by Ottawa as a long run operating expense qualifying for subsidy.

Steps are being taken by the provincial government to establish uniform maximum rates which hospitals may charge for semi-private accommodation. The move is expected to force cutbacks in the rates now being charged by several of Alberta's small or hospitals.

Among them are a number that charge more for such accommodation than large city hospitals and it is expected the new rate scale will not force any changes in the amenity charged by metropolitan hospitals.

Health minister Dr. J. D. Ross, said last week the regulations are being drafted because high differential rates discriminate against persons who may not be able to afford them. They cannot obtain hospital accommodation because public wards are full, even though there may be other space available in non-public wards.

It was pointed out that the 13 bed hospital at Canmore charges $15 for semi-private and $30 for private rooms, nearly three times the amount charged by other hospitals of similar size.

☆

The limit the government proposes will be near the average of $6 per day for semi and $8 for private. Dr. Ross said the hospitals who exceeded these figures by large amounts did so to increase their income. Alberta is the only province that now does not have regulations restricting the maximum rates for private and semi-private accommodation.

Several hospitals have copied that if the government cuts back the amount they receive from differential charges on accommodations the money will still have to come from somewhere and the move will probably lead to additional claims on the government for hospital operating expenses.

The minister also said last week that lack of individual responsibility in providing home care for those who need special treatment is forcing the government into another field of public assistance.

He said the government is now seeking information on what type of care should be provided for persons, generally elderly, who need help with feeding and dressing but do not require medical attention. At present they qualify for neither homes for the aged or auxiliary hospitals.

ALLEN RONNESETH AND KENNY DAVIDGE of the Edson Boy Scouts, encountered poor road conditions as well as clothes-soaking snow and rain storms when they made a bike trip to Jasper from Edson during Easter week. They went as far as Hinton the first day where they were bunked down in the Scout Hall, guests of the Hinton Rover Scout Crew. The next day they went on to Jasper and were given a lift home by Scout Master Kelvan Wallace.

WITH Cubs AND Scouts

"A" Pack meets on Monday at 6.30 p.m. at the A. H. Dakin School.

"B" Pack meets on Wednesday at 6.30 p.m. at the A. H. Dakin School.

A Cubaree will be held May 18th at the Jasper Rodeo Grounds.

This past weekend was a busy one for the local Cubs, Scouts and District Scouters.

Although Saturday was not planned by pleasant weather, nevertheless, the Cubs with their leaders cycled out to Wilmore Park, leaving Edson under police escort with the Cub Instructors (Scouts earning a badge as outriders). There they participated in competitions, games, ate cubs or their dinners outdoors and pulled Akela's jeep out of the mud.

Scout Calendar and News

Regular meetings held every Wednesday at 7:00 p.m. From now until the May 18th meeting The Edson Troop will be preparing for the Yellowhead Camporee at Jasper, May 17, 18 and 20th.

May 22nd meeting cancelled.

Scout activities will wind up with the June 5th meeting at which the Edson Troop will host their fathers at a Steak Fry. The balance of the June meetings will be devoted to tent pegging.

On June 12th the Scouts plan a get-together with the Cub Packs to give them some idea what it will be like when they get up to Scouts.

The 1963 Adventure Trip to Philmont Scout Ranch in New Mexico will be held during August.

Last week's meeting saw the practical application of bridge building, when four bridges were built across the little creek on the east side of town. Besides... wet feet, and the loss of an axe in the creek, everything went well.

A District Patrol Leaders Conference was held at Wilmore Park on Saturday and Sunday. The boys camped overnight at the Ski Lodge and were on hand to cook steak and onions for all present on Sunday afternoon.

A Scouter's Council was held Sunday afternoon at the Ski Lodge, together with a Skaer's Council (Cubs) where plans were discussed for the Jasper Cubaree Scooters from Jasper Hinton and Edson discussed the compiling of a Yellowhead District Song Book and the publishing of a news letter or bulletin among troops of the Yellowhead District.

Mr. Stevens of the Canadian Forestry Association pre-

sented two films, "The Scout in the Forest" and another showing the devastation of a forest fire and how easily they can be started.

Mr. Stevens was most impressed by the informal hospitality and the size of the steaks and was writing up all the information he could obtain for the report he would later send back to headquarters.

A Bake Sale will be held on Saturday, May 25, 2:00 to 5:00 p.m. at Mohan Electric, by the Edson Group Committee. Boy Scouts Association.

"Is your husband a good provider?" asked the minister of a former maid

"He sure is," was the reply "He says he's going to get me some furniture for the house, providing he can get some money And he's going to get some money, providing he can get a job, and he's going to get a job providing he likes the work Yeh, he's a good provider, all right "

Golf pro among the notable coming to dinner

Golf is an out-door game played with a small, hard ball (also having wooden or iron and a set of long-handled clubs. The player tries to hit the ball into a series of holes with as few strokes as possible

You will be able to play this game with members of the Edson at the Optimist Sports-men's Dinner on Friday, May 17th with a professional golf

Tommy Molyneaux, Golf Pro from Edmonton Country Club will be head table guest at the big Sportsmen's Dinner in the Edson Motor Hotel a long with Bernie "Boom Boom" Geoffrion and a host of other speakers.

Tommy's chief interest is organizing groups in golf for the betterment of golfers, and works as a Pro at the Edmonton Country Club.

In 1961, as an under-rated professional he amazed everyone at the Royal Quebec Club by finishing fourth place (it is classed as one of the better of Western Canada Pros and the founder of the Alberta Turf Grass Association and President of Alberta P G A

All you Edson golfers should find Mr. Molyneaux very interesting and his favorite subject is the humorous side of golf Beg Gerlitz, the local greenman very pleased and instrumental to have Tommy his favorite at great proportion and all those speakers, and all that fun, and if you haven't got a ticket there are a few left at the Edson Leader office and Art Leonard has 10 tickets at the Bay Rite

Teen and Herd

By BEN

There's going to be a lot of pictures flooding around town. The year book pictures should be ALL about ready I've given away somewhere of my twenty so far It's fun!

☆

Looks like spring has got [illegible] everyone. I even heard something in one of the school days about Spring Chapman carrying a torch there.

☆

Many lovely hair [illegible] are [illegible] a few cases off those worthy of working. A nice [illegible] and Floyd on Mahogany. Who's tail [illegible] I pretty sure the

☆

And believe it or not Roy Reid Reitmeier has got a job We see, he's working down at Al's [illegible] Drop by anytime and watch this boy work He sure looks industrious

☆

The plays or skits the Science Club put on called "SC-NEWS" went over in a big way on Friday night The play started off with some wild eerie music and the "blast off" of their moon rocket Then there was a speech on Sanitation Gaslinger, the two headed monster; Krucky and many more It ended with Mr Shield's Science Display Lots and lots of credit goes to Mr. Shields. Without him the show would not have been possible.

☆

The High school executive is getting busy with invitations and the stuff that goes with the graduation dance on May 24 Everyone is looking forward to this dance since the Queen's Ball was such a flop.

☆

Everyone still shaping up for the track meet. There was a meeting after school Wednesday at the A. H. Dakin for all the students who want to enter

Therapy career contest subject for students

In order to point up the severe shortage of Physiotherapists in Canada, 4000 at last census, the Canadian Arthritis and Rheumatism Society has announced a contest open to all students of Grades XI and XII throughout the Province.

"Why Physiotherapy appeals to me as a life vocation", the title of an Essay the students are asked to write, has elicited a number of interested inquiries, Mr Bennett, the new Executive Secretary for the Alberta Division has announced.

All High Schools of the Province have been notified of the contest. First prize has been set at $100.00, with second and third prizes at $25.00 and $10.00 respectively.

The deadline for entries is May 31, 1963 and submissions are to be made to the Canadian Arthritis and Rheumatism Society, 809 Centre St. S., Calgary, Alberta.

Prominent men in the Medical Profession of Calgary and Edmonton have agreed to sit as judges for the contest.

Mr. Bennett at the Alberta Division Office will be pleased to answer any questions relative to the contest and information pertinent to the Physiotherapy field is available on request.

Teenagers to compete in Alberta road-e-o

Two-age drivers in nearly 60 Alberta communities are now polishing up their skill at the wheel and their knowledge of the rules of the road for Canada's biggest road-e-o.

They are entries in the annual teen-age safe driving road-e-o operated by Junior Chambers of Commerce across Canada and sponsored at the provincial level by Imperial Oil Ltd. The national entry list this year is expected to total 35,000.

Climax of the competitions in Alberta will be the provincial finals in Wetaskiwin, June 8. There, regional winners from among the more than 1,000 original Alberta entrants, will participate in a full day of tests timed at decimating driver safety and education.

It is appropriate that the provincial final of an event endorsed by police and safety officials across the country be held this year in the central Alberta community which in February completed its ninth consecutive year without a traffic fatality.

Following the provincial championships Alberta's winner will travel to Quebec City to compete the following month against the finest young drivers from all parts of the country.

Prizes for the national winners include trophies and scholarships posted by the All Canada Insurance Federation.

The competition is open to any teenager who will not have reached the age of 20 years before mid-July; has a driver's license or permit; has a clean record of no moving traffic violations in the six months prior to registration for road-e-o competition.

TOWN OF EDSON

CLEAN-UP WEEK

May 13 to 18

ALL RESIDENTS REQUESTED TO MAKE A UNITED EFFORT TO CLEAN UP THEIR PREMISES

KINDLY CO-OPERTATE WITH THE COUNCIL IN KEEPING THE TOWN CLEAN

Observe These Health Regulations

Under By-Laws Nos. 712, 775 and 777

The above noted by-laws require that all premises within the developed area of the town be provided with a sufficient number of water tight metal receptacles, with covers, of circular design, no greater than 18 inches in diameter and not higher than 28 inches, that will be required to hold one week's accumulation of garbage and refuse.

Garbage shall be thoroughly drained and wrapped in paper and securely tied before being placed in receptacles.

Receptacles shall be placed on the premises as near the lane as practicable for convenient access to the garbage collector.

Rags paper and tree clippings shall be tied in bundles, and placed beside receptacles.

Ashes shall be kept separate from garbage and placed in another such receptacle or placed on the premises as near the lane as practicable for convenient removal. (Not dumped on streets, lanes or ditches.)

Owners or occupants of premises within the town must keep their property, and the street in front as well as the lane behind to the centre line of each, clean and free of garbage or such other refuse as may be deemed a nuisance

All premises used for occupancy that lie on lots that abut on sewer and water mains must be connected to such mains and be equipped with necessary plumbing fixtures

All such premises lying on lots not abutting on sewer lines shall be provided with an approved septic tank or shall be provided with a pit closet on the same premises, and subject to specific regulations under By-Law No 775

Sewer Regulations

1. Basement drains not permitted unless basement has concrete floor equipped with standard grating. No roof water, leaves or moss to be allowed to enter sewers. Garage drains must be constructed according to plan provided by Provincial Plumbing Department

2. Our sewer system is strictly a sanitary system and is not designed to handle undigestible material. It is forbidden to place cloth or cloth substances, vegetables and fruit peelings, etc., coffee grounds, tea leaves, paper towels, or any house refuse of such nature in the sewage lines.

Robb and Branch News

Mr. Frank Nell of Edmonton spent the weekend at Robb with his wife and family. He was accompanied by Mrs. Charlson Sr. who is visiting with Mr. and Mrs. Leonard Charlton and family

Miss Jackie McLeod and Jimmie from Edmonton were guests of the Congers over the weekend.

Mr. Mike Yaremich is recovering as well as expected in an Edmonton Hospital. He recently experienced a near tragic accident and will be in hospital for some no yet.

Miss Joan Kemperde accompanied her aunt and uncle, Mr. and Mrs. Sebastian Kemperde, to visit relatives at Killam, Alberta

Our man with the green thumb, sure made a few people in Robb excited with the two window boxes on the front of his house full of artificial flowers. No use to try and hurry spring. It seems to take its own good time Mr. Shirley

All Branch residents are cordially invited to the general meeting in Robb Hall on Sunday, May the 12 at 8 p.m.

Main topic on the Agenda these days is the picnic scheduled for the close of the school term. Let's all get together once again like old times.

ANNOUNCEMENT

Mr. and Mrs. James A. Rush of Peers wish to announce the engagement of their daughter Ina Adele Jean to Ronald Henry Sharpe, son of Mr and Mrs. W. D. Sharpe of Edmonton. The wedding will take place May 18 1963 at 3 p.m in the Edson United Church.

DEBENTURES MAY BE PURCHASED OUTRIGHT FOR $60.00

Surprise package: $

Hold on to your hat!
This week the wraps come off a new Custom Volkswagen.
Take a deep breath, then take a good look at what you got for your money.
Adjustable bucket seats. (Back rest adjusts too.)
Automatic choke.
Windshield washers.
A cable steering wheel. (Pretty fussy for an economy car.)
Independent torsion-bar suspension. (Pretty fussy for any car.)
Six heater vents, two in the rear.
Floor mounted gear shift with all gears synchronized.
38 miles to a gallon. (That's an average.)
An air-cooled engine that can't boil over. (That's a promise.)
Side view mirrors.
Padded sunvisors.
344 dealers for parts and service. (Across Canada.)
4 coats of paint. (Everywhere.)
A rear-mounted engine for better traction.
Two luggage compartments.
Oversized tires that go farther.
Oversized brakes that stop sooner.
An inside light that goes on when you flick the switch.
A sheet of metal that completely covers the bottom of the car.
An anti-sway bar. (You can go 'round the bend and still be level-headed.)
Non-repeat ignition switch.
A spare tire belt.
(Good grief. We're out of space and we've hardly started.) Roll-in anchors for seat belts. Safety reversible front head. (We should have made the picture smaller.) A cool bit. Vinyl headlining on the roof.
(To be continued by your Volkswagen dealer.)

Unlimited spiritual need

Latin America is ready up
of four distinct blocks of
land — Mexico, Central Amer-
ica, the West Indies and South
America. Its twenty-five
separate states support a
population exceeding $18,000,
000.

On the surface this is a land of transformation. Nine-
teenth-century towns and vil
lages have changed into bust-
rapidly growing cities of stri
ing building designs and
gleaming highways. It is this
that impresses the visitor.

But behind the facade of modern progress, in the dark recesses of the slums and tenements that lead off from the broad, bright boulevards subterranean pressures are

building up which, like a slumbering volcano, suddenly erupt in savage, death-dealing fury. Witness the Cuban revolution and similar up-
heavals in this vast land.

Nor is Communism the chief problem. Back of Com-
munism is the operation of other forces — raw, elemental and of incalculable power. They have been summed up in the single word HUNGER. This hunger takes various forms. There is the drive for social improvement that is impelling millions of Latin Americans today. There is the fierce passion for politi-
cal self-determination that consumes students, young pro-
fessionals and many others. And (increasingly, as popula-
tion rises and the margin of economic security is reduced for the masses, sheer physical hunger is driving the multi-
tudes to unreasoning, impulsive action.

But the greatest hunger of all is soul-hunger. Latin A-
merica is without Christ. Latin America's most des-
perate need is the gospel of a risen and glorified Saviour. Latin America is a ripe fruit ready for picking. New ideas are awaking in the minds of the people. Revolu-
tions are breaking out, govern-
ments are being pressed to the breaking point by nation-
alists and political allegiances. Only the Gospel of Jesus Christ can brown out the noise of human strife and bring peace and satisfaction to the millions of restless souls.

—Rev. Hand

REV. M. T. SWIFT, C.S.S.M. will conduct a mission in Sacred Heart church from Sunday, May 5th to Sunday, May 19th. Father Swift was born in Vancouver B.C. He studied in Woodstock, Ontario, where he was ordained in 1955. He was first appointed to Calgary, Alta., on parochial work. From there he went to Montreal, Quebec, where he took an advanced course in sacred studies. Father Swift is now stationed in St. Alphonsus parish, Edmonton on the Mission Staff.

Edson Gas Trunk men in Oklahoma

NORMAN, Okla. — Approximately 900 participants from gas and gas-related industries attended the 30th annual Southwestern Gas Measurement Short Course, held recently at the University of Oklahoma.

Classes were conducted in the Oklahoma Center for Continuing Education by 90 speakers representing the university and various companies. Also included were educational exhibits furnished by manufacturers.

Cash prizes will be awarded this summer for the best papers on knowledge gained during the short course.

Attending from Edson were Jack Inzana and F. H. McCullough, both with Alberta Gas Trunk Line Company.

Accident takes life of former district man

Residents of Edson and Hinton and districts were deeply shocked on Thursday, April 26th to hear of the accidental death of Alf Maurer in Edmonton. Former Edson-ites, the Maurers have lived in Edmonton for four years.

The accident occurred at about 3.30 p.m., April 24th, when Mr. Maurer apparently ran across 62nd Ave. at 81st St. in an attempt to catch a bus.

A passenger in the bus said the man slipped while running beside the bus and fell underneath the vehicle. Mr. Maurer was rushed to the University hospital, but died shortly before midnight.

Mr. Maurer, a 48 year old mechanic, is survived by his wife Vonda, a son Wayne, 7, and daughter Shirley, 18, all of Edmonton. Other survivors include his mother, Mrs. Hilda Maurer, and a brother Erwin, of Rosevear.

The funeral was held on Saturday, April 27th from St. David's Anglican church in Edmonton, with Rev. W. L. Hammett officiating. Interment was made in Evergreen Gardens.

CARD OF THANKS

We wish to thank our many friends from Hatteford, Niton, MacKay, Carrot Creek, also Edmonton for the lovely farewell gifts given us and our family and for the enjoyable hour, at the Community Hall while social evening in our honor. Thanks also to the bus driver and students of bus 43 for the gift to our children. You will be fondly remembered by us all.

Ossie and Kathleen Purol and family

Summer change for CN trains

A new closing time for mail has been announced by the Edson Post Office due to change in train schedules.

Mail for the East, Train No. 2 will have to be posted before 11.30 a.m. Mail for the West, Train No. 1 will have to be posted before 3.30 p.m. (30 minutes later).

N.E.S. - - - and YOU

[The following job opportunities are this day by the National Employment Office in Edson, and is presented as a public interest by this newspaper.]

Attention high School Students. Are you thinking of dropping out of school to look for a job. This may sound like a good idea but ... are you take this very important step, stop to consider this — Earning money now has big attractions for you, but, will the money you can earn now with an unfinished education, be enough for you ten or 15 years from now, when you will probably be married with a family to support.

Your N.E.S knows from years of experience, that the more education you have the more likely you are to get and to hold a job. Some years ago when jobs were plentiful ten out of three of the unemployed had grade 8 or less. Recently it has been found that people with grade 8 earn an average less than $63 a week while those who completed high school average over $80 per week.

You must look on schooling as money; the more you have, the easier it is to add to it if you still have any doubts drop in at your National Employment Office and talk it over. They will be able to advise you on the educational requirements demanded by industry and will be able to show you how much more the future will have for you if you do stay in school.

On his tenth anniversary, a band leader who had played over 2000 dance dates was asked, "What have you had the most requests for?"

"Where's the men's room?" answered the maestro.

Thursday, May 2, 1963 — EDSON LEADER — 3

Ambitious? Then consider a banking career.

The future has never looked brighter for young people starting a career in banking. This is particularly true at The Bank of Nova Scotia, the fastest-growing bank in Canada. We need able, ambitious young men to train for important senior positions. Your Scotiabank training will include chances to learn modern banking in different parts of the country—and a real opportunity for advancement in Canada or perhaps in key foreign posts from Buenos Aires to Barbados, from London to Los Angeles. Are you the kind of young man we're looking for?

Would you like to earn a good salary while you're building up an impressive and increasingly valuable business background? Yes ☐ No ☐

Would you look forward to being posted, as part of your normal training, to other parts of Canada or abroad? Yes ☐ No ☐

Do you enjoy meeting all kinds of people? Yes ☐ No ☐

Are you interested in the financial aspects of big and small businesses? Yes ☐ No ☐

Do you believe that successful people should take an active role in community life? Yes ☐ No ☐

Are you looking for a chance to move up in a large, expanding organization? Yes ☐ No ☐

Name _____

Address _____ Year _____

Check off your answers and then take this questionnaire to the manager of your nearest Scotiabank branch. Or mail it to: Supervisor of Staff, The Bank of Nova Scotia, 44 King Street West, Toronto.

THESE FIVE YOUNG PEOPLE are about to take their turns before an audience and a group of judges to give their separate addresses on some phase of United Nations Work. They are the contestants in the Oddfellows and Rebekah Lodge's Pilgrimage for Youth competition. When the judges totalled up their points adjudicator Miss Rina Fiebey of Jasper announced the winner to be Rowan Galbraith of Edson. Unfortunately Jasper had no entries this year. Above left to right are: Geraldine Makal, Hinton; Rowan Galbraith, Edson; Sylvia Kerenko, Francis Favero and Pat Smith, all from Hinton

— Herald Photo

Edson boy wins UN speaking contest

Rowan Galbraith of Edson won a unanimous decision over four Hinton students at the United Nations Speaking Contest held at the United Church Hall in Hinton Friday evening, April 26

His talk on the "Colombo Plan" earned him the right to participate in a summer educational tour of the United States and Canada sponsored by the Oddfellows and Rebekah Lodges. The tour is called "Pilgrimage for Youth" Highlights of the trip will be a visit to the United Nations Organization in New York where students will sit in on sessions of the Security Council, UNICEF and other auxiliary organizations

All speakers participating in the contest were highly commended by Mrs. N Finley of Jasper who acted as spokesman for the judges. Speakers from Hinton were Sylvia Kerenko, Geraldine Makal, Pat Smith and Francis Favero. Miss Kerenko and Miss Makal spoke on UNICEF, and Miss Smith and Mr. Favero on "Pakeol".

The panel of judges included Mrs Finley former teacher and a person active in community life at Jasper; Miss Robbin Frazer executive secretary for the Jasper Chamber of Commerce, and Mr. B. Long teacher at the Jasper High School.

Rowan, along with nine other Alberta contest winners will leave Calgary July 2 by chartered bus for Butte, Montana. There they will join other students from the western part of the United States for the trip east. Stops will be made at Wash ington, Philadelphia, New York Hyde Park, Quebec, Montreal, and Ottawa, with return by way of Grand Forks and Butte. During the month long trip they will be met at stop-overs and will be billeted and entertained by local lodge members.

The trip was described as "an experience of a lifetime" by Mrs. Vi Kohar of Jasper who introduced the speakers and explained the purpose of the contest. Mrs. Kohar is the chairman of the Rebekah and Oddfellow Lodges committee for the United Nations Pilgrimage for Youth and the Rebekah represents five from Jasper

On behalf of the Lodges of which there is no branch in Hinton, Mrs Kohar thanked the Hinton Kiwanis Club for assisting speakers and making arrangements in Hinton for the contest finals.

Mr George Kohar is the Oddfellow representative from Jasper. Mr Percy Wells is secretary of the committee and Oddfellow representative from Edson. Mrs Frances Christie represents the Rebekah Lodge from Edson

Money to pay for the winners trip is raised by the local Lodges and much credit should go to them for giving area teenagers this wonderful opportunity and experience

Rowan, a personable 16 year-old, is a grade eleven honor student at Edson high school. He is a member of the high school curling league this season, and a member of the Edson town band. He collects coins and paints for a hobby and this year is the editor of the school paper

Five years participation in the Optimist oratorical contest has stood him in good stead. Last year he won the zone contest and stood second in the eliminations between Al

Mobile chest X-Ray unit coming in June

Sponsored locally by the St John's Hospital Auxiliary, the Mobile TB Chest X-ray Unit will visit the town of Edson and community on or about June 10th.

For the purpose of setting up the necessary committees for the organization of the clinics, Mrs D C Radbourne, President of the Auxiliary, is calling a meeting in the near future. Mrs Radbourne will ask for the representatives of all Ladies' Groups within the town of Edson and community to attend this meeting

The above-mentioned service sponsored jointly by the Department of Public Health and the Alberta Tuberculosis Association is a source of early discovery not only of unsuspected tuberculosis but many other abnormalities including heart irregularities, tumors, etc — and is especially valuable in view of the alarming increase in the incidence of lung cancer which the chest X-ray will reveal considerably in advance of symptoms becoming obvious

A meeting to organize for TB rehab in June to be held in the Parish Hall at 8 p.m. Monday, May 13

berta, Saskatchewan and Montana

Aside from the fun and enjoyment of the trip to New York Rowan is happy to be able to take part in the Pilgrimage for Youth because he feels the trip is "probably the most significant single force that can broaden our concepts of world affairs and the purpose and spirit back of the United Nations". He felt the trip itself would be a tremendous experience, not only in companionship with other young adults, but as the kind of thing that would influence the rest of his life

In the five years since the district Lodges of the Oddfellows and Rebekahs have been sponsoring a contest there have been three winners from Edson and two from Hinton They include: Mary Lou Wells, Darlene Weyrstite, and Rowan Galbraith of Edson, Bob Crumley and Campbell Huth of Hinton.

Hat teen conference "wonderful experience"

Edson's delegate to the Western Canada Teen Conference Miss Barbara Marshall, returned to Edson with a number of happy memories from her stay in Medicine Hat. She was sponsored by the Kin-Teen Club of Edson

Miss Marshall, was one of the thirteen candidates who competed for the title of Western Canadian Teen Queen.

During her stay in Medicine Hat she was interviewed on CHAT-TV program "Here's Looking at You." The atmosphere of this show will be reproduced over CBC television sometime in July.

These young people took part in many planned activities sponsored by the Medicine Hat Teen Club they included a tour of the local chemical plant, a tea for the Queen candidates, appearances on radio and television shows and a parade through the business section of Medicine Hat

"I feel that this trip was a wonderful experience and my biggest regret is that all the members of the Edson Club couldn't have come with me," Barbara said.

"Membership in a teen club is very important for several reasons. The most important is that it keeps us off the streets, gives us something worthwhile to do and provides us with an opportunity to have fun without bothering anyone," according to Barbara.

Rick McCardle was the representative of Edson at the same conference as Edson's outstanding teen-ager.

Both of these young people are members of the Edson Kin-Teen Club This club is for young people in the Edson area. It enables them to get together with others of their own age and learn to accept the responsibilities as well as the privileges of adult life.

The Kin-Teen club is sponsored by the Edson Kinsmen and is affiliated with the Western Canadian Association of Teen Clubs.

Hold it, Warren no one said "Go"

No, the gas pedal wasn't stuck when Warren Down broke the speed limit going through town last Thursday evening

Warren, the eleven year old son of Mr and Mrs. Bill Down had been taking one of their chariots home out for exercise in preparation for the racing season.

A rein broke and being hard enough to hold the lad with two reins, he decided not to ride it out.

Down the hill from Henry Wasmuth's corner, just a flying to the east end of 8th Avenue, and straight through from 40th Street to 54th Street, heading for the Rodeo Grounds

With the road coming to an end at 54th Street and peering softer at the Evergreen school, Warren took leave of the horse With the able assistance of the veteran horseman Allan Marr, the horse was caught, rein fix ed and Warren headed home

If this is the start of the excitement for the coming year in Edson, with the Little Britches Rodeo and the 8th Annual Rodeo, all roads should lead to the Rodeo Capital of the West.

A worthy member for your team...

...the Sun Life representative

Yes, as an expert to help plan your estate, the Sun Life representative can work closely with your lawyer, accountant and trust officer in providing you with the best possible advice. To preserve your assets, your estate will need dollars immediately available to meet death taxes and last illness expenses. Sun Life can provide such dollars.

For more than ninety years, Sun Life of Canada's representatives have provided security to untold numbers of men, women and children in time of need. With $10 billion of life insurance in force representing three million individual policies and group certificates, and with 140 branch offices in North America, Sun Life offers policy contracts that are modern and up-to-date in keeping with the changing times in which we live.

Many people call during Lodge open house

An open house sponsored by the Edson Lady Lions Club was held at the Parkland Lodge Sunday afternoon April 28.

Guests were received from 2:30 to 4:30 p.m. by Mrs Regan the newly appointed matron of the home, Mrs. Ann Jay and past president Lady Lion Barbara Sturgeon.

Mrs. Lucy Recchia, Mrs. Rose Sessinotte and Mrs. Penn took the guests on a tour of the Lodge.

During the course of the afternoon seventy five visitors were received. A large number of signatures were entered into the guest book which was presented as they entered the home by Mrs. Florence Pehrman.

Pourers for the afternoon tea were Mrs. McPherson, Mrs. Brunelle, Mrs. Cliff and Mrs. Goldstick. A delicious lunch was served. The table centres were beautifully arranged red and yellow roses presented with the compliments of Emberts Flower Shop

The afternoon was beautifully warm and sunny it was certainly a delight to have so many out for a pleasant visit with the Lodge residents

The open house was convined by Lady Lion president Emily Herring and Mrs. Nellie Foster, ably assisted by Mrs Georgette Schultz, Mrs Jean Hatlen and Mrs. Marg Innis

DRILLING A WATER WELL to supply the stock at the Tri-Service Rodeo grounds is P. C. McGinnis of Carrot Creek, well known district water well driller. Looking on is Reg Gardener of the Edson Tri-Service organization. Mr. McGinnis is making a substantial donation of his rig and services for the district project.

District family to move to the Coast

HATTONSFORD—

Mr and Mrs. O Ford and family of this district were honored last Saturday evening when friends held a farewell party for them in the Community Hall. The Ford family will leave shortly to make their home at Victoria, B.C.

Friends from surrounding districts and from Edmonton were on hand for the party. The evening was spent play ing cards and visiting with the highlight of the gathering being the presentation of gifts.

A magazine rack and smokers stand and an electric clock were presented to the family from their friends. The Ford children received a cash gift from the driver and fellow students on school bus No. 62. Mrs Ford received an additional farewell gift from the Hattonsford W I group

The presentations were made to the accompaniment of best wishes from their many friends. In reply Mr and Mrs. Ford extended a sincere welcome to their new home should any of their friends ever be in their vicinity at the coast.

Mr and Mrs. Frank Wiseman will take up residence on the Ford farm in May

More letters to the Editor

Dear Editor:

A lot of not so colorful verbiage may be overheard these days in the controversy which arose out of a certain piece of legislation having to do with the control of canines and the responsibilities of their owners, therein.

Being a lover of God's Creation to the exclusion of vicious canines and the like, I can well sympathize with the owners of docile ones which may have had the misfortune of falling prey to the indiscreet hunter.

The fact remains that the dog-catcher or dog-owner (not the law) can always distinguish between a docile and a vicious animal until a person is attacked.

It would be a tragedy indeed, were a child mauled to death because of council's and citizens' failure to take appropriate action in most imminent danger whomever and whatever it may appear.

Last year, a little girl in Ontario was mauled to death by a pack of huskies who's pet dog which previously was fought the arrest of her little attacked by the same demons. This happened because the dogs were not kept under control by their masters, but were allowed to roam at large.

Our town council and responsible citizens are to be commended for the action heretofore, taken to prevent a similar occurrence here

In cognizance of the by-law requiring control of and, certain limitation of canine freedom, a dog owner is being cruel to his or her pet in allowing it to be unattended on public property.

If this were not true then I should have the same right to allow a pet lion to run at large, were I so foolishly inclined.

One overhears a gem of conversation now and then, about the exorbitant cost of employing outsiders to help in effecting the provisions of said by-law, well the councillors can speak for themselves but I, personally feel that the cost of preservation of law and order should be of secondary consideration.

Yours sincerely,
John Semanick

The myopic, cheese-loving old lady without glasses approached the grocery clerk. Pointing to a round object which seemed to repose in a distant counter, she asked, "Is that the head cheese?"

"No, lady," replied the clerk, "that's his assistant."

Alberta Mechanical Contractors ANNOUNCEMENT

A.M.C. Plumbing is still operating with Sound Peterson in charge of the shop operation. A.M.C. has nothing whatsoever to do with any other plumbing firm in Edson, nor has any other plumbing and heating firm anything to do with A.M.C. Plumbing.

We are sorry in the past 2 months we were unable to give the proper Service, because our shop manager left us with very short notice and it has taken us 2½ months to wind up our Edmonton Operation. Therefore we were unable to look properly after our business.

From now on Sound will look after it himself and guarantee the best possible service possible 24 hrs a day, at the lowest possible cost to you. Over thirty years as a Journeyman should give you the best guarantee for any job you require done.

For anything in Plumbing, Steamfitting, Gasfitting, furnace or sheet metal work, call, always A.M.C. Plumbing first for the best economical service, by the Journeyman with the longest and broadest Experience. Day or Night large or small. We will be there with a smile.

Mayor and Councillors protest extra requisition

Mayors and Councillors, secretaries and other citizens from Evansburg, Wildwood, Hinton and Edson gathered in Edson Council chambers last Wednesday to discuss how best to meet the non-approved requisition from Edson School Division of $163,000.

Discussion included the taxation and any items not tracing of the trend of school covered in the average mill requisitions on the taxing rate for the foundation pro-authorities reaching a peak gram must be paid directly by then subsiding, then rising the municipalities within the again as they have this year school division.

One suspect arrested in hotel robbery

One man has been apprehended by police and a second is sought in connection with the break-in at the Edson Motor Hotel on Friday, April 26.

The men were originally picked up an hour after the break-in as suspects in the case. When they could not be identified by the only person who saw them, desk clerk Mrs. Betty Smith, they were released

Later, clothing said to be worn by the thieves was found at Willmore Park, five miles west of town This and other evidence which turned up led to a warrant being issued for the arrest of the two suspects.

Both Calgary men, the one suspect was picked up in Calgary and at press time the second had not yet been apprehended. They both have police records.

The money has not been located at this time. It was reported as being $2700.

NWBB League draw up four team schedule

With no Whitecourt or Mayerthorpe representatives at their annual meeting on April 26, the NWBBL decided to go back to the four team league of a few years ago.

The meeting saw the re-election of Peter Jeffery of Jasper as League president Mike Bugaski of Jasper was unanimously returned as secretary treasurer and Hinton's Ivor Foster was the choice for League statistician this season.

League directors for 1963 are Fred Dauric, MacKay Dave Bernhardsen, Edson; Fred Selinki, Hinton; and Mike Bugaski, Jasper.

Following a discussion on the lack of umpires it was decided that each team will be responsible for two umpires, who must be registered with the League secretary by May 21, this month.

Discussion of the league schedule took place and a motion made that all 24 League games be played on Sunday unless rained out. Wednesday games will be strictly exhibition except in the case of rained out match es.

This year the semi-finals will be changed to a sudden death final. This to be played at Hinton on Saturday, August 10. The other two teams will play each other in the first game of the day and go on as a tournament with the League banquet that same evening.

The banquet committee will be headed by Ernie Muldoon of the Hinton Hi-Reiton with the League executive as committee members.

A discussion of the Most Valuable Player Award resulted in the decision that each coach or manager should talk over the choice with his team Team member's vote for their choice would be turned in to the League statistician by their coach. Players will not be allowed to vote for a team members.

Regarding protests over games or plays during a game, it was moved that every protest be accompanied by a $10 cheque. If the protest is lost the cheque is forwarded to the League If it is won the cheque will be returned to the team sending in the protest

NWBBL schedule for '63 season

It is suggested that ball fans skip the following schedule for North Western Baseball League games during the coming 1963 season

Playoffs berths will be decided in a sudden death semi-final between the second and third place teams who will then meet the top team in a best of five series

MAY 26th — Hinton at Jasper; MacKay at Hinton

JUNE 2nd — Edson at Jasper; Hinton at MacKay

JUNE 9th — Jasper at MacKay; Edson at Hinton.

JUNE 16th — Jasper at Hinton; MacKay at Edson.

JUNE 23rd — Hinton at Edson; MacKay at Jasper

JULY 7th — Jasper at Hinton, Edson at MacKay.

JULY 14th — MacKay at Hinton, Jasper at Edson

JULY 21st — MacKay at Jasper; Hinton at Edson.

JULY 28th — Edson at MacKay, Hinton at Jasper

AUGUST 4th — Jasper at Edson MacKay at Hinton

AUGUST 11th — Edson at Hinton; Jasper at MacKay.

AUGUST 18th — Hinton at MacKay; Edson at Jasper.

Meeting to hear power discussion

An important meeting has been called for Friday, May 17 in the Peers School auditorium regarding public ownership and private enterprise of power. Time of the meeting is set for 8.30 p.m.

The main speaker will be Mr. R. H. Carruthers, Manager of the Edmonton Division of Calgary Power Ltd

Other speakers will include Mr. J S Anderson of Farm Electric, Mr Henry Young and Mr McLaughlin.

All interested are welcome to attend.

Edson hosting Yellowhead Route Assn. convention

Edson's two hotels will accomodate the delegates to the annual convention of the Trans-Canada Highway System Association (Yellowhead Route) on Saturday, May 18.

Sponsored by the Edson Chamber of Commerce, who issued the invitation last year, this meeting can be important to the whole central part of Alberta and British Columbia. It promises to be well attended by those interested along the route.

An invitation is extended to all wishing to attend so that appreciation for the splendid promotional work by this organization can be shown. A notable speaker will be on hand at the evening banquet.

Cocktails will be served in the Fleece Room at the Edson Motor Hotel from 5.30 to 6.30 while the banquet will be held in the banquet room of the Commodore Hotel at 6.30 p.m.

Those persons wishing to attend should notify the Edson Chamber by Tuesday, May 14, to assist in planning.

Because of this convention of the regular meeting of the Edson Chamber will be held Wednesday, May 22 at the Edson Motor Hotel

Hockey star to visit schools and Hospital

The May 17th visit to this Big Little Town by hockey star Bernie "Boom Boom" Geoffrion will include a visit to Edson schools and the hospital.

Edson's have confirmed his arrival at the Edson Motor Hotel of approximately 1 pm o'clock in the afternoon after which he will meet the students and present trophies and awards to the local hockey stars.

Later he will be head table guest and speaker at the Optimist Sportsmen's Dinner at the Edson Motor Hotel along with a host of other top notch sports personalities.

Some tickets are still available and can be obtained from B. A. Pillage, Art Leonard or members of the Optimist Club

Civil Service donation raises Red Cross total

A grant of $420 00 from the Civil Service Association in Edmonton representing the share of the community chest contributions from the Edson district civil servants has been received by the Edson Red Cross canvass committee according to a report from Chairman C V Bulton

With the addition of this donation from the Civil Service the total figure for Edson District in the Red Cross campaign amounts to $1134 50

Volunteers needed for TB X-Ray clinic

A meeting has been called for Monday, May 13th in the Parish Hall for the purpose of setting up the necessary committees for the coming Mobile TB Chest X Ray Unit

The clinic will be coming to Edson some time in June and it is important that all arrangements are well in hand at the earliest time possible.

Anyone interested in helping with the clinic are asked to attend the meeting which starts at 8 p.m.

Out Trail Way

The monthly whist drive at Trail Community Hall was held Saturday, May 4th. There were sixteen present, and prizes for the evening and Mrs. Hacket for the ladies, and Mr. Bergseon and Mr. Erling Fosshein for the men.

The final game of whist for the season will be held June 1st, when four lucky persons will win the grand surprise prizes.

A shower and social evening was held April 27 at the hall in honor of Mr. and Mrs. Bill Shepherd. Bingo was enjoyed with small prizes being drawn for, "fish-pond style" after which lunch was served.

The bride and groom then opened their gifts and each one thanked the gathering for the enjoyable evening and the gifts. Dancing followed.

☆

The ladies gathered at the Rosen home recently for a quilting bee and spent an enjoyable afternoon.

The quilt is for Dorothy Madsen, Mr. and Mrs. Rosen's daughter, who is to be married May 11th to Mr. George Hitchings of Saskatoon.

Mr and Mrs. Stan Munroe (nee Ellen Rosen) and Mrs. Rosen are motoring to Saskatchewan for the wedding.

Peers News

A most successful shower was held recently for Joan (Sis) Rush, who received many nice gifts. Co-hostesses were Irene Quipew and Ruth Acorn. Her marriage is to take place on May 18.

Clifford Wells, of the RCAF is home from Camp Borden on leave until June 1. He is training in the radar technical branch. His family were certainly pleased that he could be with them.

The Joint P.T.A. convention was held in Peers School auditorium instead of in Carrot Creek Hall as in former years. There was a very good turnout, speeches were heard, a turkey dinner was served, and slides were shown.

Dave Ball was the winner of the camera which was raffled by the Ladies Softball Club.

Mr Purdie, of Alcoholics Anonymous, gave an excellent lecture to the Junior High pupils of Peers school and also showed a very good film.

Students are busy practising for the coming track meet at Niton on May 24, if the weatherman cooperates.

The Peers Hobby Craft club held their May meeting at the new home of Mrs. Clarence Memona. As Mrs Memona will no longer be able to be a member because of the distance the ladies presented her with an electric kettle as a remembrance.

Report on successful Legion Convention

Delegates attending the Twenty-Third Annual Alberta Provincial Convention of the Royal Canadian Legion in Edmonton, April 28 to May 1 report that 340 accredited delegates registered at the convention. There were ten visiting delegates and eight fraternal delegates attending.

Among visiting delegates was Past President, Dominion Command, the Hon. Mr. Justice M. Woods, and third vice president, Dominion Command, Robert Kehaly.

The following officers were elected to Provincial Command: president, Jack Oldham, of Medicine Hat; first vice president, H. Williams of Edmonton; second vice president, E. Coley of Edmonton, third vice president, W. W. Gerlos of Edmonton; and honorary treasurer, H. Appleyard of Calgary.

Convention reports can be obtained from attending delegates or Provincial Command.

There will be a zone rally in Cadomin June 23 at 2:00 p.m. for the purpose of electing a zone commander for Zone Two, District Two. All branches are urged to attend.

Yours fraternally,
Anatia Clark,
District Commander,
District No. 2

FORMER EDSON RESIDENT Mrs. Thomas Mills, now of Saskatoon was among twelve finalists in a Canadian Mother of the Year contest for 1963. Mrs. Mills is shown with three of her grandchildren, Edward and Laurie Hitchings, children of daughter Mrs. L. E. (Janet) Hitchings and James Morgan, son of Mrs. D. (Mona) Morgan, all of Saskatoon.

Former Edson resident Canadian Mother finalist

A former resident of Edson, Mrs. Thomas W. Mills, was among twelve finalists in the annual search for the Canadian Mother of the Year for 1963, sponsored by the Fleming Telegraph Delivery Association of Ottawa.

Mrs. Mills is mother of a family of 14 living of a total of 18 children, five sons and twelve daughters, grandmother of 38 and great-grandmother of 8, a grand total of 60 living direct descendants. One son, George, was killed in action during the last war and three children died in infancy.

Mrs. Mills moved to Edson with her parents in 1911, and made her home here until 1950 when a serious illness made it necessary to leave the farm north of Edson. She has since lived in Saskatoon, where she has always had an open door to anyone in need of assistance, despite her limited income.

During Edson's 50th Anniversary celebrations, Mrs. Mills was one of the guests of honor of the town, and, as mother of a soldier killed in action, assisted at the unveiling of the new Cenotaph at the legion last fall.

Due to her physical disabilities, Mrs Mills is no longer as active as she would like to be, but her busy knitting needles still turn out dozens of mitts, scarves, caps and sweaters for her grandchildren and great grandchildren.

Her family says "Mother has never had much in the line of worldly goods, but still she is one of the richest of women. Her wealth is her love for humanity. She is a mother in all who need a mother, grandmother to everyone young enough, and friend to all.

"She is a woman who learned many years ago to accept whatever life has to offer, to accept reverses philosophically and blessings gratefully. Her attitude towards life has enriched the lives of countless others and her patient fortitude in times of sorrow and suffering, her complete lack of self-pity, her consistent good nature and generosity, have made her truly noble, respected by all who know her."

Youthful new ball club formed in Edson

A new Edson ball club the Hrstnak. A young team (ages Orioles, was formed recently from 16 to 25 the entire club with Dave Bershardeen as the executive starting of the group. Assisting Dave with the managing end of the club are Ron McIlveen and Wally

make up the Braves roster this season as well.

Seeking backing for his Orioles from Edson merchants, Mr. Bershardeen has been getting 100 per cent morale and financial backing as he has made his way up and down mainstreet.

Practices are being held three times a week, Monday Wednesday and Thursday evenings, 6:30 at the ball park. With a turnout of 30 or 35 at every practice the future is looking very bright for this young Edson team. The fellows are hoping to be in top shape for the annual ball tournament at Jasper over the May 25 weekend.

The club reports that they found the usual amount of dishrag had been done to the ball park since last ball season. The wire backstop had been stacked again this until it is almost useless as protection of the grandstand. Both dugouts have disappeared and about 300 feet of the snow fence is missing.

McLeod Valley Ball League re-organizing

A meeting of the McLeod Valley Baseball League has been called for Sunday, May 19 at 2 p.m. at the Rosevear hall diamond.

The League has been running for the past few years and has become very popular with district fans. Last season it included teams from Marlboro, Glenwood, Wolf Creek, Rosevear and Mahaska. Interest has been shown by at least one other district this spring and the League may start the season with six or more teams.

A schedule will be drawn up at the meeting and will be published shortly in The Leader.

Parents of school age children

There will be a regional workshop of the Alberta Home and School Federation in Edson on Saturday, May 11th at 1 p.m. in the A. H. Dublin School.

This covers the whole of Region 8, Jasper on the West to Stony Plain in the East.

You do NOT need to be a member of Home and School to attend. If you want to find out what Home and School Association is all about here is your chance to find out. See you at the workshop.

Some fifteen members attended the meeting of the Drayton Community Club last Thursday evening. Among items discussed was the decision to have new doors installed on the Drayton Hall as soon as possible.

Items of business was the de-

Letter to the Editor

Dear Editor:

A number of people feel they have been nipped by the dog catcher but let us consider how many have been bitten by the town planner.

Our Sports Store wished to move to the former Signal Printing building but it is only suitable for a motel, hotel, cafe, service station novelty shop. Consequently one true business in town. How many other businesses have also closed down or been affected by this new zoning.

If you feel this does not affect you personally, if you are a taxpayer, just wait until you receive your next assessment.

If you wish to see Edson progress for the benefit of all and not a few, phone your Town Administrators and see how they feel about the proposed $400,000 shopping centre.

Taxpayer

Naturally a man who owns a dog — lets a dog. But a man who goes to all the trouble of beautifying his lawn must have a soft spot in his heart for a beautiful lawn.
